MACCABEE'S ENTERTAIN

At Their Hall Tuesday Evening in Honor of Deputy Great Commander

WAS LARGELY ATTENDED

By the Members of Local Hive, and a Large Number From Visiting Hives

East Hive representing a small part of the great order of the Ladies of the Modern Maccabee's bound together for mutual benefit and protection held a memorable meeting Tuesday night. Sixty-five lady Maccabees responded to invitations sent to Galien Hive, No. 440, Dowagiac, No. 10, Niles, No. 39; members also were present from Victress Hive, No. 498; Glenwood, No. 729, St. Johns, No. 397; Cato, No. 32; Grand Rapids, No. 489, Delton, No. 499; Cassopolis, No. 406 and Elhart, No. 913.

The hall was handsomely decorated with flower sand autumn leaves making a most pleasing appearance. Over the Lady Commander's station, a sign was suspended, bearing the following monogram "Welcome, L. O. T. M. M." This sign was artistically edged with autumn leaves, and the rope from which it was suspended was woven with beautiful white and yellow chrysanthemums, and festooned to each side of the hall.

The piano was profusely decorated with flowers, while the various stations were made beautiful with the autumn leaves.

The invited guests were escorted to Mrs. Nettie Lister's restaurant, where they were served with a delicious repast, after which they returned to the hall. Following the business session, a program was carried out, and a luncheon, consisting of ice cream, cake, coffee and wafers, was served.

The committee, who attended to the decorating, deserve much credit for their skill in making the hall so beautiful.

During the week, East Hive has been engaged in class and drill work under the able supervision of Deputy Great Commander, Mattie Klinkman, who has inspired the ladies with a greater confidence and love for our beautiful order. Several applications for membership were received and a class of two initiated.

The work of the order is now being carried on in 22 states. The deputy carries a dispensation for 30 days making cost to endowment members very low.

Resolutions Adopted

At a regular meeting of Buchanan Division Court No. 5 of Patricians, the following resolutions were adopted:

"WHEREAS, in view of the loss we have sustained by the death of our Brother and Citizen, W. H. Keller, and of the still heavier loss sustained by those nearest and dearest to him, therefore be it

RESOLVED, that it is but a just tribute to the memory of the departed to say that in regretting his removal from our midst, we mourn for one who was, in every way worthy of our respect and regard, and that we deeply sympathize with the family in their trouble, which it has pleased Divine Providence to afflict them

RESOLVED, that these Resolutions be spread upon the records of the Court and a copy thereof be transmitted to the family and to each of the Buchanan papers.

Loss of Human Life on Rail Roads Appalling

DURING THE PAST YEAR

There Were 6,224 Collisions, With a Money Loss of \$4,894,054—Commission's Report Just Out

Washington, D. C. Oct. 25.—The statement of railroad accidents recently issued by the interstate commerce commission covered only the last quarter of the last fiscal year. The figures for the entire fiscal year are now given as follows:

The total number of passengers killed in train accidents was 350; passengers injured in train accidents was 6,498. The total number of employes killed in train accidents was 798; injured 7,052. There were 187 passengers killed in other than train accidents and 8,542 injured; and 2,403 employes killed in other than train accidents and 83,374 injured; a grand total of all classes of 537 passengers killed and 10,040 injured, and 3,261 employes killed and 45,426 injured.

This shows an increase of 117 passengers killed and 1,963 injured; and a decrease of 106 employes killed and an increase of 2,160 employes injured.

There were 6,224 collisions during the year, with a money loss of \$4,849,064, and 5,371 derailments with a money loss of \$4,862,602; a total of 11,595 collisions and derailments and a total money loss of \$9,711,766, being damage to cars, engines and roadway.

Celebrate Wooden Wedding

Mrs. Sig Desenberg celebrated her wooden wedding anniversary, Tuesday evening, by entertaining the "Happy-Go Lucky" club. The early part of the evening was spent at cards. Mrs. Herbert Roe and Mrs. Hattie Price being the winners. After cutting for the prize it was awarded to Mrs. Pierce. Miss Adah Rouch captured the "booby"

The dining room was artistically draped with curled shavings to carry out the idea of the event. The dainty luncheon was served entirely from wooden dishes. Much merriment was occasioned by the favors, which were drawn from a wooden bowl, where they were buried in saw dust.

Mrs. Desenberg was the recipient of some very pretty gifts and also the victim of some practical jokes. It was in all a very enjoyable evening, and we hope Mrs. Desenberg may celebrate many more pleasant anniversaries.

PORTAGE PRAIRIE

SHOES TO BE DEARER

May Have to Pay From 50 Cents to \$1.50 More Per Pair

Buy your shoes within the next fortnight if you are not anxious to pay from 50 cents to \$1.50 more per pair for them.

The price of shoes is bound to advance—this is on the authority of several jobbers—and it is all caused by the scarcity of hides and the consequent increase in their cost. The cost of tanned hides has gone up 80 per cent since Sept. 1.

Cattle men say the grazing lands are being limited, and that they are not getting profitable price for beef. While most shoe manufacturers have a sufficient supply of material on hand to manufacture for some time, most of them have advanced prices.

Pole Gang at Work on The Interurban

Berrien Springs, Oct. 24.—The pole gang of the interurban are at work in this vicinity. All the poles are now set between this city and Niles and nearly all of the cross wires are strung, ready for the trolley. The bridge gang is at work on the second span. The promoters were here a few days ago and were asked when they expect to have the road in operation. They say that they expect to run the first car between this city and Niles on Thanksgiving day, and if there is no further delay, cars will be run to St. Joseph by Jan. 1, 1906.

OCTOBER, 27, 1905.

The banquet soon to be given to Senator Warner in Kansas City will furnish the Democrats a fine example of party harmony.

President Roosevelt has no fear of wildcats, centipedes and mountain lions, but the circumvention of a Louisiana mosquito is a different proposition entirely.

Galveston has completed its protective sea wall, which, including the forts, is 23,098 feet long. It is a notable instance of quick, courageous work in the face of a great calamity.

A fresh large spot has appeared on the sun, and the discussion as to whether this phenomenon means a mild winter or a cold winter will be carried on again until it results in the usual draw.

The enthusiasm shown by Buchanan citizens, over the rebuilding of the Buchanan Cabinet Co. plant, is very commendable, and shows that the town is not dead yet. The meeting last night, however, should have gone farther, and instructed the council to take the petition, signed by so many of our citizens and taxpayers, requesting a special election for bonding the town, off the table and let the people vote upon the question.

A Leading Educator on the International Live Stock Exposition

W. L. Carlyle, dean of agriculture, Colorado State College, formerly of Wisconsin, pays a high tribute to the International Live Stock Exposition:

"I believe the International Live Stock Exposition held annually at the Union Stock yards, Chicago, is one of the greatest if not the very greatest factor improving the live stock conditions in America today. I know of no other force that is so potent in educating and advancing the stockmen in America as this, the greatest of all expositions. It not only gives the progressive stockman an opportunity to compare his methods of breeding and of finishing stock with others of his kind, but it is a deep mine of information for the average stockman or farmer in feeding, marketing and showing methods. I know of no other way that the stockmen in this country can learn so well the standards of excellence in the various breeds and types of live stock as he can by an annual visit to this exposition and spending a week in close contact with the finest specimens of the various breeds that are to be found in the world.

"I believe that the exposition has been of inestimable value to our agricultural colleges. In no other way could the colleges have had the oppor-

tunities of showing their worth, as has been presented by the International. It has placed them on a footing with the stockmen that they never had before nor could have secured without the International Live Stock Exposition.

"With the wonderful facilities provided in the new Exposition building now nearing completion, no stockman worthy of the name can afford to neglect the opportunity presented at the coming International in Chicago this fall, December 2 to 9."

Prof. Jas. W. Wilson, of the South Dakota Agricultural College, says:

"The International Live Stock Exposition held annually in Chicago is probably the greatest institution of its kind in the world. It is great on account of its educational value, not only to the enterprising student of the West, but the packer, the speculator and the exporter of fancy stock in the East. Here is the place they come to a common center and observe with their own eyes the best in the land. The careful admirer of good stock receives at this time enough information to keep him thinking for an entire year.

"It is impossible for one to describe in detail the numerous classes of stock or the number that has been on exhibition in the past, but it is safe to predict that on account of the prosperous condition of the country at large, the show this fall will be greater than ever.

"Every farmer can well afford to attend this show, to make comparisons for himself."

New Industry.

The Three "B" Duster Co., have made arrangements to start a brush factory department, which will be run in a separate building. It will be started on a moderate scale within the next few days, but has a bright outlook, and it is expected to eclipse the feather duster inside of a year. This is one institute Niles people failed to land. The Three "B" people are hardworkers, and we wish them every success in their new undertaking.

DON'T OVERLOOK THIS

A Careful Perusal Will Prove Its Value to Every Buchanan Reader

The average man is a doubter, and there is little wonder that this is so. Misrepresentations make people skeptical. Now-a-days the public ask for better evidence than the testimony of strangers. Here is proof which should convince every Buchanan reader.

Henry Blodgett, of Main street, Buchanan, Mich., proprietor of the Tile and Brick works, says: "After a careful and varied experience I have not the slightest hesitation in endorsing the claims made for Doan's Kidney Pills. At intervals for over two years I was not only annoyed but I actually suffered from severe pain in the small of my back and it was always worse if I did a hard day's work. Any cold I caught aggravated the pain, weakened my kidneys and too frequent action of the kidney secretions ensued. I read about Doan's Kidney Pills, got a box at W. N. Brodrick's drug store and took them with the result that the back-aches entirely disappeared, and my kidneys were strengthened. Mrs. Blodgett also used Doan's Kidney Pills with the same good result. We both are pleased to recommend so valuable a remedy."

ENTHUSIASTIC MEETING

Citizens' Meeting Well Attended in Opera House Last Night

BUSINESS OF IMPORTANCE

Taken up. Buchanan Cabinet Co., Expect to Rebuild Plant

Ever since the destruction of the Buchanan Cabinet Co.'s plant by fire, there has been the constant question going the rounds, "will they rebuild in Buchanan." Offers from several towns have been made to this company to move their plant away from Buchanan, but the majority of the members of the company favored staying here, they have their homes here and all their interests.

In view of the fact that several tempting offers have been made to them to move from this place, the council wished to take some action to retain them, but thought best to call the citizens together and have them sanction their action.

Accordingly a meeting was held last night in Rough's Opera House, and it was decided to assist the Buchanan Cabinet Co. to rebuild their factory. As is well known the McCoy creek runs along one side of where their plant stood, and if they rebuild it would become necessary to build a stone wall along the side of the creek next to their building, upon which to rest the sidewalk, this wall would also form part of the foundation for their building. It was stated that if the town would build this wall, the Company would probably rebuild their factory. The cost of this wall will be about \$3,800, and it was unannouncedly voted by the two hundred citizens at the meeting to build the wall, and the Cabinet Co. was to be notified of the action taken.

The new plant, the Cabinet Co. plan to build will be constructed of either brick or cement and will be 130x50 feet, three stories high, with new dry kiln and enlarged packing room covered with iron. The finishing room will be connected with the main factory by bridge as heretofore. The building will front on Day's avenue, 130 feet and will present a fine appearance.

If the arrangements can be carried out satisfactorily as planned, the work of rebuilding will commence within the next two weeks.

Miss Nellie Maher, and Mr. Jessie Waterman were married at the home of the bride, in Grand Haven yesterday.

Do not allow your watch to run dry and cut the pivots. See Horace Ehadel, have it cleaned, save trouble, save expense.

The Moonshiner's Daughter, which was presented in Rough's Opera House last Wednesday evening, was well attended and greatly enjoyed by all present. The cast is a most thrilling one from start to finish. The scenic effects which are carried by this excellent company, produced a realistic scene. The specialties introduced by Sam Cottrell, the tramp, Mable Elmore, the sister of Zeb, Nellie V. Small, the old black mammy, and Chas. T. Small as Uncle Pete were greatly enjoyed and produced much laughter throughout the entire performance, and won the greatest applause. This company which comprises only first class actors, deserve much praise, and should they wish for a return date, they would be welcomed back most heartily. Manager J. C. Rough is to be congratulated upon securing such a good company.

The Hon. Thos. Mars of Berrien Center, one of the pioneer settlers of this county, in recalling events that happened years ago, he said that on Oct. 17, 1841, 64 years ago, three feet of snow fell all over this section of Michigan, but in spite of this fact it did not freeze up and was, as he said, the most pleasant winter he ever

experienced in this locality. On that day Mr. Mars was at school with twenty-five other pupils, twenty-four of them were barefooted. It began snowing during the afternoon, and when school was out the barefooted youngsters were compelled to wade about four inches of snow to their homes a mile distant. The snow fell about twelve or thirteen hours continuously and remained on the ground a week. Mr. Mars came to this country 75 years ago last April.

One of Buchanan's recent acquisitions is the general mail order business C. A. Davis has instituted there. In the conduct of which he employs a large force of girls, and the publication there of the Household Gem, a monthly magazine of 16 pages, which is edited by C. A. Hudson of Chicago, at the Argus office. This magazine has 12,500 subscribers. It is printed on a Potter double-headed press, with two beds, is fed from a roll and runs off 12,000 an hour. Within a few weeks, a new bindery, a 16 page folder and four horse power engine will be installed. At present a day and night force is employed.

Another important recent acquisition

ago, they attended the study, male and church. There were about 2000 in the congregation, and 150 the choir, and each one in the church had a song book.

The Sunday School Convention will meet at the Presbyterian church Sunday afternoon and evening Union Young People's services will meet at 6:00 o'clock. Leader, Miss Theodora Treat. Good attendance is desired from all supporters.

Only the rich will be able to enjoy turkey for Thanksgiving dinner. Local dealers say that they have canvassed the county and find that few farmers have turkeys for sale. It is stated that the wet weather of spring killed the young ones.

The B. O. B's. met at the home of Lulu Broceus, Saturday, Oct. 22. The following officers were elected for the ensuing year: Helen Wymoth, president; Lulu Broceus, vice president; Ruth East, treasurer; Gertrude Miller, secretary. Supper was served after which all departed to their home, voting Miss Lulu Broceus royal entertainer. The next meeting will be held at the home of Helen Wymoth, Saturday evening Nov. 11.

The M. C. R. R. Co. will run a special excursion train from Battle Creek to Michigan City and Chicago Sunday, Oct. 29th, passing Buchanan 8:33 a. m. arriving in Chicago 11:30 a. m. Returning leave Chicago 7:30 p. m., Michigan City 9:00 p. m. Fare from Buchanan to Michigan City and return 50 cents, Chicago \$1.30.

In regard to the case of Tidy-Grofin, in the Robert Nodhruff murder case, the father of the murdered boy is not satisfied with the courts action and expects to carry it to the supreme court. Deputy Sheriff Dwan is quoted as saying that, the evidence against Tidy appeared every bit as strong as the evidence that convicted Edward Donahue of the murder of Arminter Northrup and nearly sent Donahue to the gallows, from which he was only saved at the last moment through the tender-hearted sentiments of Gov. Hanley.

On Second street lives a woman who has a very nice garden and who has sold flowers to her neighbors during the summer. For several weeks a placard bearing these words has been displayed on her gate "Asters for Sale." To her home came a farmer selling fruit a few days ago. The farmer's boy negotiated a sale, and on leaving the yard halted to read the card. "What does that thing say," asked his father from his seat on the wagon. The boy hesitated a moment while he spelled out the inscription, and then he answered with a gleam of intelligence: "steer for sale."—Manistee News.

Heat Your House But Do It Right

ROUND OAK FURNACE

If your house is suitable for a furnace—no heat is so healthful, economical, or satisfactory. But get a good furnace—a fuel saver as well as a heat maker—not a bonfire in a tin box. Have us inspect your premises, and furnish you a scientific installation plan—to fit the needs of your home—(this service is free)—then we install for you a

BLOOD POISON

On account of its terrible effects, blood disease is called the king of all diseases. It may be either hereditary or contracted; so while it may not be a crime to have the disease, it is a crime to permit it to remain in the system. It may manifest itself in the form of Scrofula, Eczema, rheumatic pains, stiff or swollen joints, itching of the skin, eruptions or blotches, ulcers in the mouth or on the tongue, sore throat, falling out of hair, disordered stomach, and a general depression of the system. If you have any of these symptoms don't neglect yourself. You have no time to lose. Beware of "old fogy" treatment—beware of mineral poisons—beware of Quacks and Patirs. **OUR NEW METHOD TREATMENT** is guaranteed to cure this disease, never to return. Bank Bonds will protect you. Our treatment is not injurious in any way, but reaches the very root of the disease and eliminates all poison from the system. The symptoms of disease gradually disappear. The blood becomes pure and enriched, the whole system is cleansed and purified, and the patient feels prepared anew for the duties and the pleasures of life. **CURES GUARANTEED OR NO PAY. 25 Years in Detroit. 250,000 Cured.**

experienced in this locality. On that day Mr. Mars was at school with twenty-five other pupils, twenty-four of them were barefooted. It began snowing during the afternoon, and when school was out the barefooted youngsters were compelled to wade about four inches of snow to their homes a mile distant. The snow fell about twelve or thirteen hours continuously and remained on the ground a week. Mr. Mars came to this country 75 years ago last April.
