PENNANT WAVES ON NORTH SIDE

Giants of North and South Sides of Front Street, Battle on Baseball Diamond

The baseball game between the North and South sides of Front street Tuesday afternoon, resulted in a decisive victory for the former by a score of 7 to 3. The game was called at 8:15 p. m., by Umpire John Graham and the North side came to bat with Tink Rouse and Will Brodbrick in the points against them. Tink's curves and slants proved futile before accomplished hitters like Frank Lamb and Harry Howe, however, and the North side promptly scored two runs, Bill Sparks entered the box for the North side and proved invincible. Brodbrick, with a batting average of .496 and Butler, famous as a wielder of the willow, were helpless before his scintillating shoots. As a base runner, however, Bill proved about as fast as Jake Rough's buckboard with the engine off. Tony Kasnick, who played left field for the Norths, with wild abandon and a pair of green socks, proved the hero of the day. He speared a long fly with one hand and otherwise covered as much ground as a croquet set. Doc Peck sported around third base like Bradley, of Cleveland and Harry Howe on first, ate up wild throws like a starving man. Shorty Sanders caught like small pox, but was a victim at the bat, although it hasn't been decided whether Tink or John Graham is entitled to the credit.

The South side presented a stone wall infield with several stones missing. Jake Rough ambled around short and told others what to do and how to do it. Walter Metz played a startling game at third and Doc Curtis pulled down flies in the outfield that were labeled home runs. Oscar Morris and Montgomery also helped throw in the hits from the outfield. Herb Batchelor held down the initial sack for 7 innings and then relieved Tink, but his eccentric slipped and his out drop proved easy.

The game ended with a fly catch by Hero Roe and after Umpire Graham had been escorted from the field by a battalion of police under command of Wallace Riley, the excitement was over for the day. Cap Ash by official scorer, announced the result as above, but declared himself unable to keep track of the errors, having but 32 blank pages in his book. Hurrah for the champions.

200 PASSENGERS MAD

Spent A Night On Saugatuck Sand Bar.

Holland Sentinel, Monday—A car load of warthy people, summer resorters and Sunday visitors at Saugatuck, hurling maledictions at the Saugatuck-South Haven-Chicago boat line, arrived in Holland this morning in time to catch the day boat for Chicago. Most of them were fighting mad—for had they not spent a sleepless night on the steamer Kalamazoo while she lay stranded on a bar in the river of the same name? The boat was in no danger but a tug was not available and the 200 passengers faced the possibility of spending the night on the river and being no nearer to Chicago this morning than they were at that moment. They demanded to be put ashore, but the captain saw no way of doing this, and finally one man, who was determined he would not go to Chicago on the Kalamazoo if she was released, put on his bathing suit and jumped in to the river and swam ashore. Securing row boats he went out and those who desired were taken ashore.

Strange to relate, many of the passengers who came to Holland this morning were regular summer visitors at Saugatuck, and on frequent occasions when they have on Satur-

days or Sundays tried to get state-room accommodations without success on the Holland boats, they have been greatly annoyed and talked loudly of what they would do when the Saugatuck line was running. But facing the actual experience of spending the night on a sand bar when they might have been enroute to Chicago has soured these persons, and they have transferred their allegiance to the Graham & Morton line for good, even being willing to sit up all night for the sake of traveling on this line's boats.

REYNOLDS FAMILY REUNION

Last Sunday the second annual reunion of the Reynolds family was held at Hudson Lake, Ind. About 75 members of the family were present. The entire day was spent by the family at the lake. Dinner was served in the pavillion, after which a short business session was held, and the following officers elected:

President, W. H. Reynolds, New Carlisle; Vice President, Watson Wykuff, South Bend; Secretary, Otto L. Wild, New Carlisle; Treasurer, F. E. Reynolds, Laporte; Historian, Miss Mary E. Reynolds, Chicago.

The time was passed by boating, bathing, fishing, etc.

During the past year death had removed two members of the family, James Reynolds, of Terre Coupee, the president and oldest member of the family, and Mrs. Orrin Reddington, of New Carlisle.

Among those present from a distance were: Mr. and Mrs. Joseph Reynolds, Mrs. Bell Weston and Mrs. Viola Beck, of St. Charles, Iowa; Mrs. Wm. Welch, of Chattanooga, Tenn., a former Buchanan citizen; Miss Mary Arnold, of Kearney, Neb.; Foster Garoutte, of Denver, Colo.; Mrs. Jas. DeMyer, of Austin, Ill.; Mr. and Mrs. Thomas Morten, of Colon, Mich.; Wm. Bailey, of Chicago, Ill.; Frank E. Reynolds and family, of Laporte; W. H. Reynolds and wife, Watson Wykuff and family, Mrs. Eva Edwards and family, Mrs. Gish and family, Geo. Reynolds and family, all of South Bend; Mrs. Virgil Reynolds and family, of Buchanan, the rest living at New Carlisle, Hudson and Terre Coupee.

REV POTTER IS RECALLED

Presiding Elder Barnes conducted quarterly services at the Dowagiac M. E. church Monday evening. One of the subjects under discussion was the return of Rev. H. L. Potter to that charge for another year. A large attendance of members discussed this important matter and it was unanimously decided to invite the popular pastor to return for another year.

Rev. Potter has already served the Dowagiac church for six years and his recall for another year is a mark of the esteem in which he is held.

The Dowagiac edifice is being remodelled at an expense of about \$7000. Pressed brick is being used and a very fine building will be the result.

Broke His Arm

Last week Mrs. B. F. Bressler, of Elkhart and Mrs. D. V. Brown, of Biloxi, Miss., were guests at the home of Mrs. Virgil Reynolds. While there, Robert, the little six-year-old son, of Mrs. Bressler, had the misfortune to fall from the top of a step ladder and break his arm. Dr. Emmons was called and reduced the fracture and the little fellow was taken to his home in Elkhart. Word has been received from Mrs. Bressler stating that the boy was getting along very nicely.

Mr. Bressler, who was a former employe of the RECORD office, was in camp with the Indiana state militia at Ft. Benj. Harrison, near Indianapolis, and it was during his absence that Mrs. Bressler came to Buchanan for a visit.

ALL MICHIGAN WANTS TO COME

Banquet to "Uncle Joe" Cannon Attracts Wide Attention

All Michigan wants to come to St. Joseph for the banquet by the Berrien County Republican club to Speaker Cannon September 12.

The event is looked upon by republican leaders in the state as the most important of the opening campaign. Members of the congressional delegation and several state officers will in all likelihood attend.

Congressman Hamilton will be invited to act as toastmaster at the banquet. Gov. Warner will respond to a toast and so will Congressman Henry S. Boutell, of Chicago. The speaker's committee of the club are now awaiting responses from other prominent republican leaders.

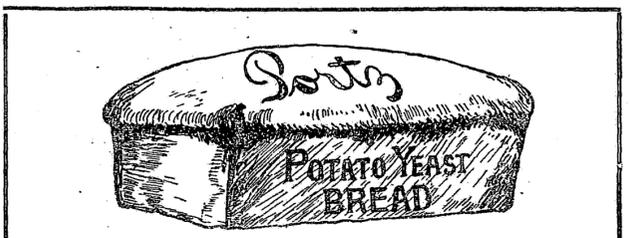

The committees of the Berrien county club held a meeting last evening at the Hotel Whitcomb, St. Joseph. Arrangements for the banquet were discussed in detail.

The feast will be spread at the skating rink at Silver Beach. It is estimated that plates for 850 guests can be laid in the big building.

Any who desires to attend the banquet should see C. D. Kent or O. P. Woodworth and secure tickets from them.

Buchanan, Mich.

South Bend's Progressive Clothing Store.

We'd like to say a word about the progress this store has made within the past year.

We have gone right ahead and have sold more clothing than in any previous year.

But we don't count that as anything wonderful. It will always be so, because we do not sell anything that is not calculated to bring the customer back.

The right kind of clothing and the justness of the price, are two of the best things about this store.

An enthusiastic salesman's guarantee may or may not stand for quality. If the value is not in the stuff itself, the guarantee doesn't put it there.

Sharp eyes and good business judgement in selecting the stock, is what puts the right kind of clothing on our customers, we see that the value is there before we ask you to put good money into it.

To be sure, even experts are sometimes deceived. In all such cases, however, this store would rather pay a premium to have the goods returned, than have the customer keep them.

Let the quality of the goods we sell and the good service we are able to give you, be the reason for your trading here.

USES MILLIONS OF PENCILS

Uncle Sam's Yearly Stationery Bill Reaches Huge Sum.

The enormous quantities of supplies used by clerks in the nine executive departments in Washington is forcibly illustrated by figures for the fiscal year ended June 30. It is shown that for the 12 months comprising the last fiscal year there were 1,117,442 lead pencils used. If manufactured uncut, these would make a mammoth pencil 142 miles and 13 rods long. Placed side by side they would make a boardwalk 28 inches wide and seven miles long. According to the rules, each clerk is allowed one pencil every eight days.

The army of clerks used 68,276,288 sheets of paper, cut letter size. These sheets placed side by side would cover a plot of 2,349 acres and have some left over.

The government last year purchased and distributed 4,371,840 pen points, buying more than 250,000 penholders in which to utilize them.

The clerks used 8,355 gallons of paste.

There were issued to the clerks 76,080 pints of black ink and 5,706 pints of red ink.

MILK IS IMPURE

Formaldehyde Discovered In Milk Distributed In St. Joseph.

E. A. Haven, one of the many deputies that the state pure food department keeps on the move, arrived in the twin cities yesterday and immediately secured samples of the milk and cream that various local dairies and creameries are distributing and selling. Deputy Haven will be here for two or three days and every milkman in both cities will be asked to contribute a bottle of the milk they are leaving at the homes of citizens.

Unofficially it has been learned that a dairyman in St. Joseph has been selling to his customers milk that has been preserved. Traces of formaldehyde have been found in the milk that was shipped from a Holland dairy. Deputy Haven refused to divulge any facts relative to the discovery but it is certain that arrests will follow.

Milk sours easily in summer and especially during a severe warm spell, such as is now holding the twin cities in a sweltering grip. Many people, particularly housewives, are of the opinion that if milk does not sour it is perfectly fresh and good. Such is not the case. Preservatives, in the form of chemicals such as formaldehyde, are mixed with the milk and the product keeps longer than unpreserved milk. When the weather is intensely warm the dairyman or farmer is tempted to "doctor" the milk and endeavor to prolong its usefulness.

Last winter, at the instigation of the Twin City creamery, a milk inspector visited the twin cities and inspected milk that farmers were shipping to the creamery. The inspector in testing discovered that some of the milk was watered and later a number of farmers were arrested and fined.—News Palladium.

Another Factory.

Within the past few days arrangements have been all but completed for the locating of another factory in Buchanan. Tom Brown, a former Buchanan citizen being behind the enterprise. Floor space has been rented in the old Wagon factory building, and the machinery and motor has been bought for the equipment.

The only thing that is now holding the deal back is the power question. Here-to-fore Chapin has agreed to give one year's power free, and the second year at half price, etc. Now he requires that the full price be paid for power, and that at the end of the three years, he will rebate the price paid for power, as per his former offer.

If the arrangements can be made whereby the power item can be adjusted, it means another new factory for Buchanan.

In this connection we publish a letter just received from a Chicago gentleman, which will show that if Buchanan citizens will only pull together other factories can also be located. Gentlemen:

I have four large industries that I am trying to locate.

Have you any factories that are vacant? What are the possibilities of getting about 100 or more acres of land and subdivide into lots and pay out of such a bonus to some of these?

I have one concern that employs 425 men, 200 of same will agree to buy lots at \$200 each and build homes.

Would like to do business in your city if the opportunity was at hand. Can you put me in touch with a good live man?

Yours truly,

Sparrows Cause Typhoid.

The following is a dispatch sent from Three Oaks to a Detroit paper, and explains the cause of the typhoid fever epidemic at that place.

"Climbing to the top of the standpipe a member of the board of health discovered the bodies of thousands of dead sparrows floating on the water. There are twenty-one cases of typhoid fever in town and three may result fatally.

The sparrows built nests on a ledge and the young, as they were able to fly, would alight in the water only to be drowned. A cover for the standpipe, which was made at the time of its erection, had never been put on."

To The Farmers and Fruit Growers of Southern Michigan

The Berrien Co. Hort. Society through its officers would urge upon all the farmers and fruit growers the importance of hearty co-operation in supporting the Southern Michigan State Fair to be held at Benton Harbor, Michigan, Oct. 2-5, 1906.

The Fair last year was an unquestionable success and this year with improved grounds, permanent buildings and street cars direct to the gate we should excel our most successful past. Many of our farmers are already preparing their exhibits, and to the others, we would say come with us, it will do us both good. Bring the best of your horses, cattle, sheep, swine and poultry, also the best orchards, farm and garden, and let us stimulate, help and perfect each other in our chosen occupation.

We can also make it a time of reunion after a summer's work where we will renew old friendships and make new ones, so the Fair will not only be financial success but a social and moral uplift.

It is hoped that persons appointed last spring to foster the interests of the Fair in their respective communities, will be active in securing the hearty co-operation of neighbors and friends.

Considerable merriment was caused on Main street last evening when Dr. Bonine and John Copp came into town with the doctor's automobile, on the front of which was a wheel belonging to a farmer's riding plow. The U. B. Quarterly meeting will be held at Mt. Zion church next Saturday and Sunday. Elder Smith will preach at the local U. B. church Sunday evening.

A new cement cross-walk is being built across Portage street at Morley's corner. There will also be several others built in various parts of the town, in a short time.

Mrs. D. L. Phelps just received word of the death of her mother, Mrs. Macomber, of Haydenville, Mass. She was known by quite a number of Buchanan people.

Geo. B. Richards was called to Three Oaks yesterday, to officiate at the funeral of the son of Undertaker Wright, who died from typhoid fever. Mr. Richards reports that there are thirty-cases of fever in that place.

Thursday was Mamie Conrad's eighth birthday, and twenty-three of her little friends helped her to celebrate. After playing games, ice cream and cake, and candy was served to the little folks. They all had a good time and wish Miss Mamie many more pleasant birthdays.

City water was put into the Morris building Wednesday. Wm. VanMeter expects to move into this building next Monday with his store. The bakery room will not be moved for about a week, owing to some necessary changes that have to be made in the building.

The Buchanan Blues go to Three Oaks tomorrow to play the third of the series of five games, to be played between these two teams. Each team has won a game and much interest is manifested in the game tomorrow. The Buchanan team will go to Three Oaks on the 2:38 train Saturday afternoon, and it is expected and hoped that a large delegation will go with them. If you can possibly get away go and help "root" for Buchanan. The next two games will be played in Buchanan on Labor Day, Sept 3

Yesterday the annual excursion was run over the Big 4 to Marion, Ind., and those who went on the excursion were treated to a severe electric storm. The lightning struck a large tree at the Soldier's Home.

There will be a meeting at the Advent Christian church next Sunday morning following the morning service for the purpose of calling a pastor for the year beginning October 1. Let all the members take notice and make a special effort to be present.

Yesterday morning as Phillip Friday was driving up the hill on Front street, with a load of sand, one of the hind wheels on his wagon came off, causing rather a sudden stop. It required the unloading of part of the sand before the wheel could be put back on the wagon again.

William V. Mong, in the Clay Baker, showed at Rough's Opera House last night to a small audience, which was to be regretted very much, as Mr. Mong is an actor of rare ability in his chosen role, and was supported by a good company. It was one of the best companies that ever appeared on the local stage, and should have received better patronage.

The store room occupied by C. B. Treat is to receive a new covering of Wall paper. Wm. VanEvery is handling the job. Last night after the old paper had been removed from the ceiling, a large amount of plastering that had, no doubt, been held in place by the paper, fell breaking a show case and striking Ray Frame, who was standing by it, on the head and shoulder. Mr. Frame's shoulder was bruised by the fall, but he was not hurt seriously.

Negotiations are now pending whereby it is expected that Bainton Bros. will purchase the mill and waterpower, now owned by H. S. Rough located on Portage street. If the sale is completed, the old mill dam will be removed and a new one built and the power and plant greatly improved. Just at present we must withhold full particulars as to the nature of the product expected to be put out, but the industry will be a valuable addition to Buchanan.

It Is to Laugh

Of all the invigorating tonics for toning up the human system. There is none that is superior to laughter. Everyone should cultivate in themselves a sense of humor, enough at least to induce a hearty laugh once a year. Those eligible should lose no opportunity to witness "A Breezy Time," at the Rough Opera House, Monday, August 27.

"Twiddle Twaddle"

Joe Weber and his all Star Company are repeating at the Grand Opera House Chicago, the laughing success which caused them to achieve a year's run at the famous Weber Music Hall in New York. "Twiddle Twaddle" is the name of this season's hit of glittering nonsense, and a funnier, brighter and more beautiful entertainment has never been put on a Chicago stage. The star is equipped with a thoroughly amusing role of the usual Weber type and he is surrounded by an excellent company including Amelia Summerville, Lotta Faust, Erminie Earle, E. J. Connelley, Ernest Lambert, William Burress, and seventy-five singing and dancing girls. The production and costumes are decidedly smart, the richness and taste of the latter exceeding anything that even Mr. Weber—always a most liberal producer—has ever done.

Michigan State Fair Will Be A Hummer.

The Michigan State Fair, Detroit, August 30 to September 7, will be an event of unusual magnitude, excelling in character and extent of exhibits, numerous special features and in attendance all previous fairs held in Michigan. The new grounds at the north of the city readily reached by cars without transferring have been transformed into the prettiest, most convenient exposition field in the country. Enormous sums of money have been expended for new buildings—twenty-one being built since the last exhibition of the Society—thus forming a veritable city of substantial structures. Some of the features will be a very complete show of live stock all under roof, agricultural products, minerals, art, etc., fancy work and needle display—educational exhibit all shown advantageously in some of the many exposition buildings. A new brick Horticultural Building, 70x160, and the Dairy Building with its 80 foot glass refrigerator will contain much to interest and instruct every visitor. Plans have been completed for 18 trotting and pacing races on the excellent new mile course. A thrilling four-mile Montana Ladies' relay race will be an attraction each day. Some clever vaudeville acts will be performed between heats in front of the huge grand stand. Knabenshue will bring his mammoth air ship to the fair and will make daily tours over the adjoining neighborhood. Music will be furnished by Innes' Orchestral Band—50 musicians—that will give two concerts afternoon and evening. Legare will be there with his wonderful electrical tower to perform his thrilling hazardous feats twice each day. There will be fun and recreation for all on "The Glade." Stock entries close Monday, August 20 fruit and flowers August 30; speed entries August 22, for all other exhibits August 28. Get the premium list free from the secretary. Plan to attend. Have your friends meet you at the Michigan Building,

1-4 OFF Reduction Sale

In order to make room for these new goods and to maintain the policy of the store to never carry over any stock we offer you every light and medium weight 2 and 3 piece Suit in the store at just one-quarter less than you would expect to pay, in other words, a discount of 25 per cent. This has been our custom every year since we located in South Bend and the public realizes that 25 per cent means more than at the general run of clothing stores. This discount will be given on every suit including the popular grays, in Worsteds, Cheviots, Fancy Mixtures and Cashmeres. Blues and blacks excepted.

The same liberal discount will also be given on our entire line of Oxford Shoes including the celebrated Florsheim brand. We also wish to call your attention to our Children's Clothing Department. It is by long odds the best stocked department of its kind in Northern Indiana. We will place every boys' suit in this big sale including all of the wash suits, worsteds and fancy mixtures.

"YOU WANTED to see the BEST"

The answer to that request is no longer the hair mattress with its uncleanly association, but the sweet, pure, luxuriously elastic

Stearns & Foster Mattress

360 lacy webs form the nine layers of cotton felt of which this mattress is built. Its perfect purity and dryness, its luxurious elasticity and life, make it as desirable as the costliest hair mattress made. It is non-absorbent, and will not become lumpy nor lose its delightful resilience in a lifetime.

The Stearns & Foster Co's mattresses must be seen to be appreciated. We have just received a shipment of them—we know you can be suited.

Let us show you the S. & F. mattress and convince you of their superiority. Come to-day—delay means regret on your part.

IN MEMORIAM

NORMAN NIMMS

Norman Nimms was born in Wayne county, New York, June 20, 1827 and died at his home in Berrien township Berrien county, Mich., August 19, 1906. While yet in the state of New York, he was married to Miss Maria Buckley, who died in Michigan in 1871.

During the war of the Rebellion he came to Michigan where he purchased a farm which he sold in a short time and went to California. He remained in California five years when he returned to Michigan and purchased the farm which was his home the remainder of his life. He lived on this farm forty-two years. March 26 1873, he was married to Louisa Brown of Pokagon, who survives him. Mr. Nimms was a prominent citizen of Berrien county for over forty years. He held various township office, and he united with the Independent order of Odd Fellows in the state of New York over 50 years ago. He was one of the founders of the Nucleus lodge No. 848, at Berrien Center. Mr. Nimms had been a member of the United Brethren church and also of the Christian church. At the time of his death he was 79 years, one month and 29 days old, and he was the last of ten children all of whom died over 60 years of age.

In the afternoon of August 21 the funeral services which were largely attended were held at the Union church, Elder Wm. M. Roe officiating as minister and the Odd Fellows rendering their beautiful and impressive service at the grave.
