## CLIMAX OF A ROMANCE

Rev. Charles Reign Scoville  
Marries Young Woman  
Whom He Met Three  
Years Ago

The following is taken from the  
Chicago Record-Herald, and relates  
the wedding of Rev. Chas. Scoville,  
who is so well known to our Buchan-  
an citizens, and who extend hearty  
congratulations for his future happi-  
ness.

A romance which began in a house-  
hunt culminated Wednesday night  
when Rev. Charles Reign Scoville,  
pastor of the Metropolitan Church of  
Christ, and Miss Arlene Cornelia Dux  
a member of his church, were mar-  
ried at the bride's home, 4 Campbell  
Park.

Soon after Mr. Scoville came to the  
pulpit of the Metropolitan Church  
three years ago his search for a living  
place brought him to a vacant house  
owned by Miss Dux's father and sit-  
uated near the Dux home. Miss Dux  
herself piloted the minister through  
the house, and the acquaintance thus  
started ripened into affection on both  
sides. The young woman, who had  
been a Presbyterian, joined the faith  
of Mr. Scoville. She was engaged as  
a soloist in the choir of the Metro-  
politan Church, and the pastor be-  
came a suitor for her hand and was  
accepted.

Mr. Scoville is 37 years old and is  
one of the leading evangelists of the  
country. He has been conducting a  
series of revivals in Illinois and  
neighboring states, in which church-  
es of all denominations joined.  
While remaining at the head of the  
Chicago church, he leaves most of  
the local work to the assistant pas-  
tor, Rev. R. T. Campbell. The Metro-  
politan Church now occupies part  
of a store building at Van Buren  
street and Oakley avenue, but it is  
the intention to erect an institutional  
church to cost \$200,000. Ground  
will be broken for the structure soon,  
as funds enough to justify this have  
been pledged.

Mrs. Scoville is a daughter of Jo-  
seph Dux, an architectural sculptor.  
Dr. W. J. Lamon, president of the  
Columbia, Mo., Bible College, per-  
formed the marriage ceremony.

## KILLS SELF NO REASON

Was to Have Been Married  
Nov. 10—Had House and  
Furniture Bought

James Cooper, an employe of the  
Round Oak company, at Dowagiac,  
suicide Tuesday morning by shoot-  
ing himself in the forehead with a 22  
long rifle. Mrs. J. F. Ayers, his sis-  
ter with whom he lived claimed it  
was an accident but the general be-  
lief, is that it was a case of suicide.  
He lived until 11:15 a. m.

Cooper was to have been married  
Nov. 15 to Miss Effie Phillips. Their  
house and furnishings had been  
bought and he spent last evening  
with his sweetheart.

His actions on the occasion of this  
last visit were somewhat strange but  
they had no quarrel and no reason  
can be given for him to take his life.

## WILL START SPELLING CLASS

The Detroit weather bureau has  
just received a new dictionary from  
Washington with instructions that  
after November 1 all communications  
must be spelled according to the  
phonetic system given in the book.  
The book contains 300 words and  
as all government orders must be  
lived up to the letter the weather  
officials are devoting their spare time  
to "reading the dictionary."

## AN ENJOYABLE RECEPTION

Was Held in the Reading Room  
of the Geo. R. Rich  
Mfg. Co.

About twenty five of the employes  
of the Geo. R. Rich Mfg. Co., gather-  
ed at their reading room, last night,  
to hold a reception in honor of Messrs.  
John Henderson and Chas. Bishop,  
who expect to leave this place this  
week for new and larger fields.  
After all had gathered Mr. Oscar  
Fredrickson, who is foreman of this  
enterprising establishment, gave a  
short, but very appropriate speech,  
in regard to losing these reliable  
workmen, who always performed  
their work so faithfully. Following  
this Messrs. Henderson and Bishop  
gave short speeches, telling how they  
regretted their departure from this  
place and their fellow workmen.

Cress Weldon then favored the  
boys with music on his phonograph.  
He also sang "Dar Old Georgia,"  
the old song he sang in the minstrel  
production of last winter. A Swed-  
ish song was then sang by Oscar  
Fredrickson that brought forth hearty  
applause. Fred Ashby was then called  
upon to sing a song in the Irish dia-  
lect, and Dan Merson in the German  
dialect and both responded accord-  
ingly. Music was also furnished  
through the evening by the malt  
quartette, consisting of Messrs. Cress  
Weldon, Harry Brown, Lee and Chas.  
Bishop. A bounteous Dutch lunch  
was then served, of which all did am-  
ple justice.

Following the lunch, Mac C Cham-  
berlin, who was present, delivered an  
address, touching on the prosperous  
condition of the factory, of the ben-  
efit to the town and the departure of  
these two citizens, who we regret so  
exceedingly to lose.

The reception closed at a late hour  
and all vote it an event never to be  
forgotten. The employes wish to  
thank the management for the royal  
manner they were entertained.

## SNAKE CALLS ON MISS SHAW

Ypsilanti, Mich., Oct. 16—While  
sitting at her desk in the office of the  
Peninsular Paper Co., Miss Alta  
Shaw, stenographer, was startled  
yesterday afternoon by a three-foot  
blue racer dropping beside her from  
the window. Her shrieks alarmed  
the rest of the office force, and Her-  
man Bortz killed the snake with a  
stick. It had probably been sunning  
itself on the office roof and slid  
through the window on its way to  
the earth.

## HELD GUN BARRELS THAT EXPLODED

Powder is Said to Contain Nitrogly-  
cerine.

Within the last few days three guns  
in the hands of hunters, have ex-  
ploded. Charles Lewis, of Crooked  
lake, is in a serious condition and  
may lose the sight of both of his  
eyes. Fred Corwin, a local fireman,  
and Charles Brown, living south of  
Kalamazoo, held the other guns that  
exploded.

The trouble was found in the pow-  
der, which contained a quantity of  
nitroglycerine, a similar complaint  
to that found in other sections of  
Michigan where there have been ac-  
cidents of this kind.

nize that the BUCHANAN RECORD is

## WON FAME AT ST. LOUIS

Former Buchanan Boy Makes  
Record as a Sprinter

Herbert Niles, brother of C. M.  
Niles, of Benton Harbor, and former-  
ly a Buchanan boy, won fame in  
St. Louis Sunday afternoon by de-  
feating Al. Burch in a 75 yard dash  
at League park. The St. Louis Re-  
public of Monday contained a two  
column cut of the winner of the race  
and in the account of the same said:

Herbert Niles won the "feature  
event" of the day when he scampered  
away from Al. Burch in the special  
75 yard match race, breaking the tape  
20 feet in advance of McCloskey's  
center felder. Niles negotiated the  
75 yards in 8 2-5 seconds, remarkably  
fast time when the up-hill and re-  
markably uneven course was consid-  
ered. He ran diagonally across the  
field from right to third base, which  
is part turf and part clay, and de-  
monstrated to the gratification of  
the 1500 fans that he is the premier  
sprinter of the St. Louis teams and  
probably of either league. His vic-  
tory brought him into the limelight  
of more than his quota of applause.

We are more than pleased that one  
of our Buchanan boys has won this  
victory and honor, and hope that he  
will always hold this distinction  
among the league teams.

## "Peer Gynt"

To insure adequate dress rehearsals  
of his massive production of "Peer  
Gynt" which will be acted first in  
public on October 29 at the Grand  
Opera House, Chicago, Richard Mans-  
field has secured the exclusive use of  
the Aerial Theatre over the New Am-  
sterdam Theatre, New York City.  
The stage is commensurate with the  
vast stage below it where Mr. Mans-  
field plays during his New York sea-  
son. Here he will complete dress re-  
hearsals with scenery, lights, ballets,  
extra people and orchestral accom-  
paniment every night from October  
15 to October 25. On that date he  
embarks his company, the largest  
dramatic organization which ever  
started from New York, for Chicago  
by special train. There will be nearly  
200 people aboard. The train will  
be Mr. Mansfield's private car, four  
sleeping coaches, two day coaches and  
five sixty-foot baggage carloads of  
scenery for "Peer Gynt." Following  
on another train will come five other  
carloads of scenery for "The Merchant  
of Venice," "Beau Brummel," "King  
Richard III," "A Parisian Romance,"  
"Ivan the Terrible," "Dr. Jekyll and  
Mr. Hyde," "The Scarlet Letter,"  
"The Misanthrope," and the other  
plays which Mr. Mansfield expects to  
give after the series of performances  
of "Peer Gynt" now announced. On  
arriving in Chicago he will have one  
complete final dress rehearsal of  
"Peer Gynt" on the stage of the Grand  
Opera House. Mail orders for seats  
with remittance enclosed will now be  
received and filed in order received.

### IN MEMORIAM

PHOEBE SNYDER

Miss Phoebe Snyder was born in  
Berrien township, in what is known  
as "the bend of the river," November  
22, 1843, and died at Buchanan, of  
the dread disease, cancer, October  
16, 1906 aged 62 years, 10 months  
and 24 days. She was united in mar-  
riage to Newton Sparks, February 18,  
1868. In 1877 they left Michigan for  
the west and made their home in  
Sioux City, Iowa, where they resided  
until one year ago when they return-  
ed to Buchanan on account of the  
illness of her husband. Mr. Sparks  
died last December since which she  
has gradually been getting worse un-  
til finally the end came. She was a  
patient sufferer and longed to be at  
rest. Her life was marked by many  
deeds of kindness to the sick and  
suffering on account of which she  
has a large company of friends. She  
fell asleep in Jesus resting in the  
Gospel hope. During her last illness  
she had the tender watch care of a  
loved and loving sister and other re-  
latives.

Funeral services were conducted  
from her late home Thursday, Octo-  
ber 18, 1906 at 11 o'clock, Elder  
Chas. A. Shook officiating, after  
which she was laid to rest in the  
Long Lake cemetery.

Why He Wanted Help

That disaster breeds endurance no  
one doubts. An easterner who was  
visiting in California at the time of  
the recent calamity fully recognized  
this fact and gave the Californians  
credit for it.

A building had collapsed as a re-  
sult of the earthquake. Besides sev-

eral Californians, confined beneath  
the debris was a New Yorker. As the  
rescuers began removing the brick  
and timbers a feeble voice called out:  
"Help here! I am from the east  
and am unused to earthquakes. Take  
me out first."—Youth's Companion

President Roosevelt's luck continues. Senator Stone of Missouri has just pointed to him in terms of emphatic disapproval.

Mr. Rockefeller is doing his best, in a kindly and unobtrusive way, to remove from the minds of the American people the erroneous impression that the Standard oil company is a trust.

It is stated that the government and insurgent forces of Cuba are so evenly matched in strength that the contest between them can be prolonged indefinitely. Such being the case Uncle Sam can exercise his prerogative as a referee and declare the fight a draw.

"There is little question as to how many of the older breeders will be there. Just as many will be present as can possibly get there, for such an exposition never grows old to the true stockman. He attends to note the progress and improvement which takes place from year to year in the breeding and development of live stock. He studies the various exhibits and profits thereby in fixing higher standards in mind for his own herds and flocks. He appreciates the fact that live stock expositions have done more, and will continue to do more, in establishing high standards of excellence for breeding and developing our useful farm animals than any other class of institutions. Practical observations teach us that our most successful stockmen are those who keep in touch with our live stock expositions. We may expect to see the older breeders there in large numbers and their comments and discussions are most instructive to those who may chance to overhear them.

"The younger class of breeders and live stock farmers should be there in large numbers, and they cannot afford to stay away. Having once attended an International Live Stock Exposition they will insist upon breeding and feeding a better grade of animals, and getting them in better condition for the market, which is sure to result in their getting better prices and greater profits. A visit to the Exposition and Union Stock Yards will demonstrate and answer the question as to how some men make money in breeding and feeding live stock and others lose money or make only small profits. Attend the next International, if in any way you can afford to do so, and you will feel many times repaid for all its costs. Talk about it, at least, and if you cannot go, get your friend and neighbor to go and bring you a report as to what takes place and is being done in advancing the breeding interests of the country at large. It will be the means of helping you to better opportunities and of your being a help to others."

**The Designer for November**

In The Designer for November is to be found, in addition to the many designs for winter apparel for ladies and young folks, a special article "For Those Who Wear Mourning;" another on "Riding Habits;" and still a third on "Fashionable Furs;" all beautifully illustrated. "The Outdoor Baby in Winter" will please not only the mothers but the children, and "Leather Treatment for the Library" offers novel suggestions for the use of the pyrographic needle. There are three capital Thanksgiving stories, and some excellent bits of Thanksgiving verse. Lessons in sewing, millinery, lace-work, embroidery and knitting are given, and there are two pages filled with designs for home made Christmas gifts. "Fashions and Fabrics," "Fashionable Fritilleries," "Toilet Table Chat," "Etiquette Hints" and "Floriculture Talks" are among the many other good things supplied by authentic specialty writers, while the departments edited by the Designer readers—"What Women are Doing," "Helps Along the Way," and "The Mothers' Advisory Club" are fairly tingling with lively personal interest.

**The Annihilation of Distance**

How much nearer to each other the nations of the world are today than they were a few decades ago! When weeks and months were required to get news from across the ocean, the old world seamen to be a long way off. Now the whole earth is belted with telegraph and cable lines, and yesterday's happenings in Europe, Asia, Africa, South America, Australia and the islands of the sea are read at this morning's breakfast table. Distance is annihilated and the nations are becoming friendly neighbors in consequence. The marvelous change is brought home to the mind most strikingly upon reading a great modern newspaper whose telegraphic news covers the whole world each day—a paper such as The Chicago Record-Herald, which has a veritable army of correspondents in every important city. In addition to its own staff correspondents The Record-Herald has the benefit of the foreign news service of the New York Herald, famous for its world wide cable system and for the reliability of its foreign news; also that of the New York World and the New York Journal of Commerce, besides that great co-operative news-gathering organization, the Associated Press.

**ADDITIONAL LOCALS**

Rev. Frank C. Watters of the M. E. Church will preach on the subject "Love's Wastes" next Sunday morning. The subject for the evening service will, "John and the Two Seekers" There will be the usual song service led by the Young People's choir. Everyone is welcome.

A suit for damages in the sum of \$60 has been started in Holland because the plaintiff claims he secured in addition to a haircut and shave a good consignment of barber's itch, all for 25 cents to say nothing of the fine line of conversation and hot towel thrown in by the barber. Some folks never seem to know when they get their money's worth.

Mesdames Abe Robinson and Geo. Guyberson most pleasantly entertained about 25 of their lady friends at progressive pedro, Tuesday afternoon at the former's home. Mrs. J. E. Arney was awarded the first prize. Music was furnished by the Misses Gertrude and Florence Swartz. Refreshments were served by the hostesses, after which they all took their departure voting the afternoon a very pleasant one.

Dr. M. M. Knight had a miraculous escape from serious injuries last Tuesday, as the result of an accident while driving over a bridge on Smith street. The horse went through the bridge, hurting the horse and breaking the buggy. The doctor was thrown out in such a manner, that he is now suffering from a severely sprained hand and wrist. We are very glad to note, that although the accident is a painful one, that no bones were broken.

Rev. and Mrs. L. A. Townsend and Mr. and Mrs. L. B. Sweet returned home Monday afternoon from Hastings, Mich., where they attended the U. B. Conference. We are very sorry to state that Rev. Townsend was not returned to Buchanan for another year, and will be succeeded by Rev. D. S. Arnold, who will move his family to this place in the near future. We regret the departure of Rev. Townsend and family, who departed Wednesday for their new home at Woodland.

The first Auf Weider Sehen dance of the season was held at Rough's Opera House on Tuesday evening, and all present vote it a most enjoyable evening. Those present from out of town were: Mr. and Mrs. Dewey of South Bend; Misses Hazel Beswick and Bessie Dye, Messrs. Will Sortor, Abe Green, Walter Harter, Dick and George Dougan and Roy Rice of Niles; Dr. Beeson of Chicago and Dr. Ellsworth of Kalamazoo. Music was furnished by Fischer's orchestra of Kalamazoo.

Mr. Keeler, aged 90 years and Mr. Bowman, aged 84 years, father and uncle of Mrs. M. K. Slocum, cut up a very large apple tree, recently with a large cross-cut saw. This is a remarkable incident considering the ages of these men. We have also been informed that Harry Weaver cut up an apple tree last week, that was blown over by the recent snow storm. It might be mentioned in connection with this that Harry did the job all alone, as he could not find anyone just about his age and weight to work the saw with him.

ITS YOUR KIDNEYS.

Don't Mistake the Cause of Your Troubles—  
A Buchanan Citizen Shows How to Cure Them.

Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they will lead to diabetes or Bright's disease. The best remedy to use is Doan's Kidney Pills. It cures all ills which are caused by weak or diseased kidneys.

B. S. Crawford, nurse, living on Clark street, says: "Some time ago I strained my back while lifting, waiting on a patient, and the injury had bothered me ever since. Seeing Doan's Kidney Pills recommended so rightly I thought I would test their merits and I procured a box, at W. N. Brodrick's drug store. I am more than pleased with the result obtained. They acted very quickly and promptly, relieving the dull aching pain that had annoyed me so long. I have no hesitation in recommending so valuable a remedy to others."  
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.  
Remember the name—Doan's—and take no other.

Don't use harsh physics. The reaction weakens the bowels, leads to chronic constipation. Get Doan's Regulators. They operate easily, tone the stomach, cure constipation.

Don't let quacks experiment on you. Our New Method Treatment is guaranteed to cure you. Our guarantees are backed by bank bonds, that the disease will never return. Thousands of patients have been already cured by our New Method Treatment for over 20 years. No names used without written consent.
