A REPUBLICAN ELECTION

Will be the Result After Votes
are Counted, Tuesday
Nov. 6

With election day but a week
hence the political situation in Ber-
rien county is rapidly rounding into
form so that the probable results
can be figured out with some degree
of certainty.

The outlook is considered by
shrewd observers of the trend of
events at the county seat as presag-
ing a clean sweep for the Republicans
in the county, and that not a single
candidate will fall outside the
breakwaters.

The Democrats are making claims
regarding Tennant for Sheriff and
Larkworthy for clerk, but aside from
that the most sanguine will admit
there is nothing to it for any of their
candidates but defeat by the usual
year majorities.

Republicans are claiming every-
thing in sight. North end Republi-
cans who a few weeks ago before the
September primaries, asserted that
only a north end candidate like
Foeltzer could hope to defeat Ten-
nant, have changed their minds, and
in the face of the wonderful still
hunt campaign put up single handed
by Frank Starkweather of Nile
township, they now frankly admit
that the Nile man is a whirlwind.

FRANK STARKWEATHER
Republican Candidate for County
Sheriff.

and that his chances for election are
exceedingly good.

Frank Starkweather, republican
candidate for sheriff, is a man deserv-
ing of the support of every republican
in the county, and one who is the
choice of many democrats. By cast-
ing your vote for this man, you will
soon discover that the criminal laws,
will be enforced with more vigor,
and that an attempt will be put forth
to stop many of the criminal proceed-
ings. Next Tuesday is election day
and when going to the polls remem-
ber that this is the man you want for
the future sheriff.

The cut here presented is of one of
the brightest young attorneys in Ber-
rien county, and the republican can-
didate for re-election for Prosecuting
attorney. Mr. White has won a re-
cord, during his past term, that any

CHARLES WHITE
Republican Candidate for County
Prosecuting Attorney.

man can be proud of. Attorney
White is not only an able attorney,
but is a good clean business man,
and one that the county can point
to with pride.

During his past term he has won
many difficult cases, and made a re-
cord that far surpasses any previous
prosecuting attorney's. Vote for
Prosecuting Attorney White, for he
will look to the people's interest.

I. L. H. DODD

Mr. I. L. H. Dodd, republican can-
didate for re-election of Register of
Deeds, was born in St. Joseph county,
Indiana, Aug. 11, 1851, and removed
with his parents to this place on Feb-
ruary 7, 1859 and has since lived here
and been a loyal citizen.

Mr. Dodd is well and favorably
known throughout Berrien County,
he having held the office of Register
of Deeds for the past two years, with
the honesty and integrity, he is so
well known for. He is an honorable
and upright man, and his business
transactions are always honest and

I. L. H. DODD.
Republican Candidate for County
Register of Deeds.

straightforward, and we are sure that
Mr. Dodd will take charge of his new
responsibility if re-elected, as faith-
fully as he has served the county in
his present administrations.

We are confident of his re-election
as he will receive the united support
of the county as well as the support
of a large number of the Democrats.
Representative E. L. Hamilton, of
Niles, is again on the republican tic-
ket for re-election, and there is no
doubt in his mind or the public's, but
what he will be re-elected.

The Congressional Convention was
held in Hastings on July 18 and Hon.
E. L. Hamilton was re-nominated for
congressman of the fourth district.
The six counties, which comprise the
district were unanimous in his selec-
tion, and this is an honor of which
Berrien county is justly proud.
The nomination was made amid

E. L. HAMILTON

man.

the cheers of the convention, which
had resolved itself into a love feast
to do honor to the "Peerless Hamil-
ton," and the new cry of "Ed, you're
a brick," was heard when the con-
gressman made his appearance on the
floor of the convention hall.

Hon. Hamilton is worthy of re-
election and there is no doubt, but
what he will be the choice of both
the Democrats and Republicans at
the election of next Tuesday.

County Clerk Samuel B. Miners, is
another of those loyal republicans,
that is on the ticket for re-election.
Mr. Miners is confident of a complete
victory, and is said they have made
this statement, "It looks awfully
good to me, and I have nothing to
fear over the results."

SAMUEL B. MINERS
Republican Candidate for County
Clerk

Mr. Miners has fulfilled his duties
most faithfully during his past term,
and has always had the county's in-
terest at hand. We feel like the
County Clerk, that he has nothing to
fear from the election returns, and
hope he will make a sweeping victory
over his opponent. Vote for this man
for he is a deserving one.

John E. Burbank, the unassuming
gentleman who is the republican
nominee for County Drain Commis-
sioner, is a man whom we all know,
and one that is capable of being re-
elected.

Mr. Burbank is a man who is noted
for his honesty in all his dealings,
and having held the office of County
Drain Commissioner so efficiently
during his present and past adminis-
trations, is just the one we want for
the future.

If Mr. Burbank is elected, he will
attend to his office duties as faith-
fully as in the past, and that was to
the perfect satisfaction of all con-
cerned. He is perfectly familiar with
the books, and makes an excellent
Drain Commissioner. Vote for this
man, who is so worthy of the county's
confidence.

County Treasurer Schultz, who is
sure to be re-elected, has been one of
the best county treasurer's, we have
ever had, and there is no reason why
he should not be elected to the office
again.

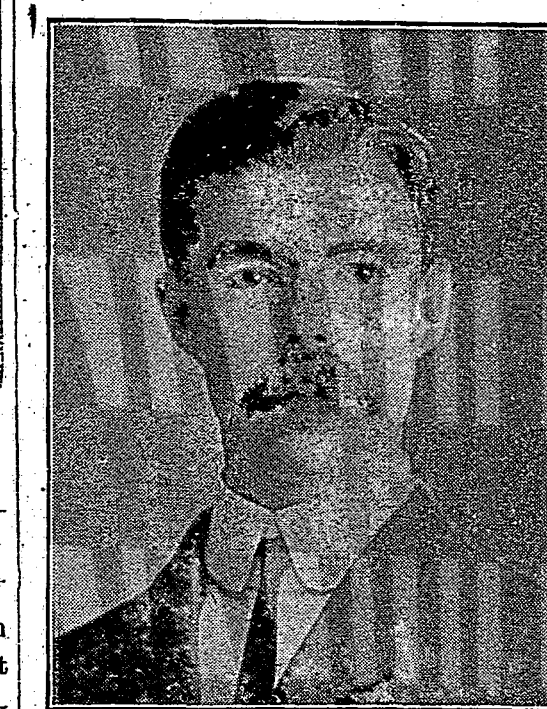

The following report shows how
the county now stands:

The Republicans of the First Dis-
trict of Berrien County have chosen
as their candidate for representative
in the State Legislature, Hon. Nelson
C. Rice and the party is to be con-
gratulated on its choice. The posi-
tion is one that requires no little bu-
siness and executive ability combined
with absolute honesty, and these
traits Mr. Rice possesses beyond ques-
tion. At the head of one of the large-
est mercantile houses in the county,
honored time and again by his fellow
townsmen and held in the highest

NELSON C. RICE
Republican Candidate for Represen-
tative.

esteem wherever known, he will carry
to the legislature the qualities that
will speak well for the county.

Berrien County ranks sixth in the
State and her representatives occupy
a prominent position in the house;
they must be men whose mental ca-
pacity is undoubted and whose phys-
ical strength will carry them thro-
ugh months of committee labor that lasts
far into the night and continues six
nights out of seven.

Mr. Rice is a man in the prime of
life has naturally strong physique,
has been well cared for and Berrien
county will find him at his post
whenever wanted. The end of the
session would find him fighting for
his county as hard and with as much
vim as on the opening day. His busi-
ness ability both in his private busi-
ness and in municipal matters has
been too well demonstrated to need
comment. But standing high and
clear above all else is his absolute
honesty and integrity.

In whatever capacity he may act or

in whatever position of trust he may
be placed, every man who knows him
knows instantly that the trust is safe.

He is at present acting as treasurer
for the Michigan Childrens Home
Society, and for every Masonic body,
with one exception, in the twin cities,
handling constantly thousands of
dollars in a trust capacity and en-
joying a confidence that has been
earned through years of honest and
square dealing. The friends of Mr.
Rice boomed him for the position
without his knowledge and when the
fact of his candidacy was generally
known, it met with spontaneous ap-
proval. The office has sought the
man and the result is a candidate who
is in every way worthy and deserv-
ing of the honor. His friends con-
fidently predict his election by a ma-
jority safely beyond normal. His
work has always been satisfactory to
the people who have elected him as
has been shown by increased majori-
ties and it can be safely asserted that
with Mr. Rice at Lansing, the inter-
ests of the district will be well cared
for and that the best County in Mich-
igan will not suffer through foolish
legislation.

A VERY PRETTY WEDDING

Was Solmnized at the Home of
the Bride's Parents

A very pretty wedding occurred
Wednesday, Oct. 31, at the home of
Mrs. A. H. Millar, west of Niles,
when her daughter, Miss Bertha
Blanche was united in marriage to
Mr. Peter M. Ness, of Rolling Prairie,
Ind. The ceremony was performed
by Rev. F. Dewey Ehle pastor of the
Baptist church at Galien, in the pre-
sence of immediate relatives and in-
timate friends of the contracting
parties.

The bride wore a gown of white
chiffon, and carried white calla-
lilies, while the groom wore the con-
ventional black. The parlor had
been prettily decorated in white and
green, and the bridal party took their
places under a canopy of lace curtains
beneath a white bell, while Mrs. A.
B. Sewell played Mendelssohn's wed-
ding march.

A luncheon was served after the
ceremony. Mr and Mrs. Ness left at
once to spend a short honeymoon
and after November 25, will be at
their new home, 616 S. Carlisle street
South Bend, Ind.

The best wishes of hosts of friends
go with them.

The out of town guests were Mr.
and Mrs. C. D. Rhoads, of Galien;
Mr. and Mrs. Ed Wilson, of South
Bend; Mrs. Newton Rogers, of New
Carlisle. The presents were numer-
ous and beautiful.

An American observer in Havana says the object of the recent insurgent advance on that city was to seize the millions in government cash stored there, and that Havana would certainly have been captured on the night planned, but for the landing of American marines. It is evident that no separate Cuban government can stand without maintaining a strong military force.

We still believe that our position is sound, that motor vehicle should have roads of their own, on which they can work off the speed craze of their drivers to the fullest extent. Steam locomotives are run tracks built for the purpose; trolley cars and automobiles should be treated the same way. It is not only unjust but it is really wicked to deprive the women and children of American farms of the privilege of driving up on the roads, whenever they wish to do so, and without hazard to life and limb. For idle sons of the get-rich-quick, and drunken chauffeurs, to go on larks, tearing through the country, frightening horses, killing animals, endangering human lives and destroying property values, as they do, is an outrage, and there should be a stop put to it. It is strange that decent owners of automobiles do not make some effective efforts to bring the law breakers to justice. They make a pretense, and that is all.—Farm Journal.

BUFFALO BILL PERHAPS DEAD

Noted Indian Fighter and Showman May be Lost

Cody, Wyo., October 30.—Buffalo Bill Cody and a party of sixteen Europeans and Americans are reported lost in the Big Horn mountains, where they have been on a hunt for two weeks.

When Col. Cody returned from Europe several weeks ago he brought with him Col. Stanley, of Liverpool, a British army officer, several titled Englishmen and several from the continent. Cody had promised them a bear hunt in the Big Horn.

The party left Cody on October 14. Two days later they were spoken to in the mountains by another party of hunters. The next day the worst blizzard for years swept over the Big Horn, and since the Cody party has not been heard from.

The canyons were filled with snow, and it has been almost impossible to make any headway since then. If the party could not make shelter when the storm struck them, they must have perished.

Just as soon as the ground is enough settle to make traveling safe, relief parties will leave Cody and an attempt will be made to find the missing men.

LATER
Col. William F. Cody and his party of sixteen European and American friends have arrived in safety at the "T-E" ranch, near Cody, after an experience in the blinding blizzard that savors of the early life happenings of the American scout.

The party had not been heard from since October 16 and there was great anxiety, several relief parties being organized and sent out from here.

The hunters were met about 25 miles out and they owe their safety to their good mounts and the knowledge of woodcraft possessed by the leading members of the party.

BIG FOUR CUTS RATE

Makes a Difference of Five Cents on Every Trip to Sudus

The Big Four railroad company will reduce its rates of passenger fares on all its lines from 8 to 24 cents per mile, which began yesterday November 1.

Under the new rate no round trip tickets will be sold save at the competing points with the interurbans, except at double the rate for a single fare. Where passengers board the train without a ticket the conductor will charge the old three cent rate.

The Big Four reduction will make a material decrease to Pittsburgh and many eastern and western points.

IN MEMORIAM

CHARLES WILLIAM BAER

Charles William Baer was born in Milwaukee, Wisconsin, September 24, 1884, and died of typhoid fever at Buchanan, Mich., October 27, 1906, aged 22 years, 1 month and 3 days. He spent his early life, up to his tenth year, in Milwaukee, when, being left an orphan, he removed to Eagle, of the same state, where he resided up to his seventeenth year when he went back to Milwaukee, remaining there until about a year and a half ago when he came to Buchanan. He was baptized by Elder Chas. A. Shook, April 23, 1905, and united with the Advent Christian church of which he remained a member up to the time of his death. He leaves to mourn his departure one brother, Jacob, of Monticello, Wis., and three sisters, Misses Anna, Mamie and Lena, of this place. He was in the Junior class of the High school and intended, upon completing the high school course, to take up the study of medicine. He hardly knew a care and was of a light-hearted disposition on account of which he will be greatly missed by his many young friends. Let us all learn from his untimely death the lesson of our own certain decease.

RACHEL RODGERS

was born in Defiance County Ohio, October 31, 1847, and died at Buchanan, Michigan, October 30, 1906, aged 58 years, 11 months and

29 days. In the year of her birth her family removed to Indiana and settled near Mishawaka. In 1866 they came to Michigan and settled in Galien township where she resided most of the time up to her removal to Buchanan in 1885. She was married to Francis Henry Goodenough, July 24 1868, by whom she had two children, Mrs. Nellie Goss, of Benton Harbor and Mrs. Katie McCrery, of Niles, who with her faithful husband survive her. She was baptized by Elder Jesse Roe, about 1870, and united with the Christian church, afterwards uniting with the Advent Christian church under the labors of Elder A. P. Moore. She has been afflicted for a number of years with a complication of disease which finally caused her death. She fell asleep in Jesus looking for that blessed hope and the glorious appearing of the great God and of our Saviour Jesus Christ. Funeral services were conducted from her late home Thursday, Nov. 1, 1906, at 8:30 a. m., Elder Chas. A. Shook officiating, after which she was taken to Galien for burial.

THE WOOLTEX MARCHIONESS

AND THE WOOLTEX BELMORE Coats for Well Dressed Women

The manufacturers of the famous WOOLTEX garments have chosen us as exclusive retailers in the city of SOUTH BEND for these most up-to-date fashion leaders in coats. The styles were designed in Paris, adapted by New York model experts to the requirements of the American woman, and the garments made by skilled tailors of the WOOLTEX company.

The cloths were tested by acid to prove them pure wool. The linings similarly examined to assure their worthiness. Each garment is interlined with flannel to give additional warmth. Each garment is in the lines that suggest a perfect figure. Such masterpieces prove that there is true art in designing and skill in tailoring. The snug fit of the collar and perfect "lie" on the shoulder will give you a sense of relief and satisfaction such as you find quite impossible in "made-to-order" garments. The "WOOLTEX-MARCHIONESS" models are cut liberally full and have the ripple back that makes grace and beauty meet in the properly made garment. The "WOOLTEX-BELMORE" models are such convenient coats for semi-dress occasions, that you will wonder how you have done without one heretofore. The true sense of artistic designing is exemplified in these wonderful coats and that they may be sold at

\$22.50 TO \$35.00

is a tribute to modern manufacture and economical merchandising. Our obtaining the exclusive sale of these garments for the city of South Bend demonstrates the opinion of the fashion world as to our worthiness of confidence and leadership in styles. We are pardonably proud to offer you such unequalled values—unequalled from every point of view.
