CRUSHED TO DEATH BY STEERS AT YARDS

John Searls Was Killed While Visiting
the Stock Show

John Searls, seventy-seven years
old, a farmer residing north of town,
was crushed to death Thursday after-
noon at the Stock Yards in Chicago.
Under the hoofs of a herd of steers
which he was watching as they were
driven over a runway into one of the
pens at Forty-first and Morgan streets.
Searls was standing near the gate to
the pen, with a friend, John D.
Montague, who also is a resident of
this place and who accompanied
Searls to Chicago at the beginning
of the week to attend the Live Stock
Show.

Neither of the men realized that
they were in danger as the steers
passed them, until the cattle became
crowded at the gate and began to
mill. The men were forced against
a fence and Montague was able to
crowd his way out of danger, but
Searls was crushed against the fence
and then knocked down and trampled
under foot. Searls was unconscious
when aid reached him and died in
the ambulance carrying him to St.
Bernard's hospital.

Dr. O. Curtis left last night for
Chicago to bring the remains to this
place for burial. Mr Searls is sur-
vived by one daughter who kept
house for him.

ITALIAN USED DIRK ON NEGRO

Latter Used Club on Italian
With Telling Effect

Dowagiac, Dec 4.—Frank Spring
an Italian, attempted revenge upon
Fige Davis, a well known colored
man and foreman of the outside
constabulary gang, at the Round Oak,
for the loss of employment of his
friend, Dominic Jersey, by stabbing
Davis with a wicked looking dirk
knife. The blow was poorly aimed
and did little damage. As a result
Spring was laid low with a terrible
blow on the neck with a heavy stick
and if it does not cost him his life it
may at least make him a paralytic.

Spring lies in the city jail, unable
to control the powers of speech
Davis nursing a wound an inch deep
and two inches long over his breast
bone. The breast bone parried the
force of the blow and saved Davis'
life. If Spring gets well he will have
to answer to a serious charge. Davis
has not been arrested and will not
be.

Spring made an unprovoked as-
sault on Davis knocking him down
and in a general fight Spring used
his dirk in Davis. Davis in turn
used a club on the Italian with such
telling effect that he may not re-
cover.

ARE READY FOR THE XMAS RUSH

Goods Have Arrived and Are
Now Ready For the Pub-
lic's Inspection

Have you stopped to think that
there are but 18 more days in which
to do your Christmas shopping? This
means that between now and the
time to get off all those packages for
friends who live at a distance there
is only a space of less than four
weeks and if your Christmas plans
are very elaborate "you'll have to
hurry."

The merchants are about the busi-
est people in the twin cities these
days. Having finished their Thank-
sgiving displays there has come the
Christmas rush. The clerks will soon
have their troubles again and the
little petty thieves will be getting
in their work. A counter full of
pretty articles and a store full of
people is just to their liking.

Most of the holiday goods have
reached the city and many of them
have been unpacked and put on the
shelves. Now that Thanksgiving is
over many of the especially attrac-
tive ones will soon be placed in the
windows.

Either people are a little more
considerate this year or there will
be more business for the merchants.
Some have already started their
shopping.

FOX CASE IN HIGH COURT

Ionia Prisoner Declares He
Was Unlawfully Return-
ed to Reformatory

Lansing, Dec. 5.—George B. Fox,
an inmate of the Ionia reformatory
who is trying to secure his release on
a writ of habeas corpus, appeared in
the supreme court this morning. His
case was submitted on briefs.

Fox was convicted of forgery, Aug.
1, 1905, and sentenced under the in-
determinate sentence law to from
nine to 18 months by Judge Murphy,
of Detroit. He was released on pa-
role, but was taken into custody
again on Oct 3, 1905, on a charge of
picking pockets. He was returned
to the reformatory, and under the
ruling of Warden Fuller have to re-
main there for the maximum sen-
tence provided by law, which is 14
years.

Fox contends that he should have
been granted a trial before his re-
turn to prison and that the warden is
exceeding his authority in extending
the sentence of the judge.

I'M KIMMEL SAYS DAFT MAN

Abscending Niles Bank Offi-
cial May be Located

White Plains, N. Y., Dec. 5.—
A prisoner in the state asylum for
insane at Matteawan, N. Y., who is
now trying to obtain freedom on the
ground that he is no longer insane,
is said to have been identified by
bank officers of Kansas City as Geo.
A. Kimmel, former assistant cashier
of the defunct First National bank
of Niles, Mich., and later cashier of
the Farmers State bank of Arkansas
City, who is said to have defaulted
and disappeared seven years ago.

Under the name of Andrew J.
White the man was convicted of lar-
ceny in Cattaraugus county, this
state, and was sent to the asylum as
insane. He is said now to have ad-
mitted that his name is George A.
Kimmel, and habeas corpus proceed-
ings have been begun on his behalf
to secure his release.

Kimmel's identity was discovered
as a result of a contest made by the
New York Life Insurance Co., which
refused to pay an insurance of \$25,-
000 on his life which was claimed by
Mrs. Edna K. Bonslett, of Chicago,
Kimmel's sister. Mrs. Bonslett's
claim was based on the allegation
that a man missing for seven years
was legally dead.

Kimmel's relatives declare that the
man now in the insane asylum is not
George A. Kimmel. There was a
hearing on the habeas corpus pro-
ceedings at Yonkers yesterday.

The life insurance policies in which
Mrs. Bonslett was named as benefi-
ciary were assigned to Charles A. John-
son, former cashier of the defunct
Niles bank, who is now serving a 10
year term in the Detroit house of cor-
rection for his part in the wrecking
of the bank.

Several times it has been reported
that Kimmel was seen in various cities
and there has always been a question
as to whether he was dead or living
some place under an assumed name.

TRACING DOWN THE CRIMINAL

Sheriff's Force Believe That
They Will Run Man
to Earth

Sheriff Tennant has a clue in the
tongue cutting case of Sodus. He
with his officers, have been working
untiringly upon the trail of the
guilty man and have been running
down every piece of evidence, how-
ever small, that appeared.

The sheriff is determined upon one
point, namely, that the wretch who
maimed three horses last Saturday
must be found and punished. The
repetition of the offense, which oc-
curred last year has angered the
whole county and the farmers about
Sodus in particular. The residents
of the district feel with Sheriff Ten-
nant that they could lay their finger
on the guilty person if they chose
but there is no practical evidence
against him and an arrest would
only spoil what weak chances of
conviction already exist. Therefore
they are content to wait and allow
the officers to follow their own
methods.

In talking over the matter with a
member of the sheriff's force yester-
day, Prosecutor Charles White said,
"that man must be caught if it takes
every dollar at our command and if
it is necessary to engage the services
of a regiment of Pinkerton men.
Such crimes as this must not be al-
lowed to continue and I believe
that the people of the county believe
as I do.

The sheriff's officers admitted this
morning that there was something
new, of importance, in the case, but
when approached as to the nature of
their clue they became suddenly
dumb and refused absolutely to
speak further on the topic. "It is
so important," said Deputy Tennant
this morning, "that it is absolutely
impossible for us to say one word of
the matter. If a suspicion of what
we already know was to leak out,
our chances of catching the criminal
would be small."

A Letter From Mrs. Godfrey

Editor Record:—
I am afraid I owe since last spring.
I cannot remember if I "paid up" or
not. Will you please let me know
when, or if my subscription expired;
and please put in a little item about
the weather once a week.

We have had four days of rain this
last two weeks, first rain since last
May. It has been rather cold since,
curled the edges of the geranium
leaves a trifle, one morning. But
trees as green and flowers as plenti-
ful as your summer time. Oranges
are beginning to "color up."

This surely is God's own country
Summer all the year.

Prepare For a Hard Winter

That the coming winter is going to be the hardest one for the past twenty years, there is abundance of signs to show, and among them may be mentioned:

First—That the corn husks are an inch and a quarter thick and the stalks lean toward the west.

Second—Owls are leaving the country a month earlier than usual, and squirrels are laying in sweet potatoes, as well as nuts, for winter provision.

Third—That a better grade of clothing has been purchased by our customers than ever before. They are asking for higher priced garments and are choosing the best makes of warm, well made and stylish clothing.

Fourth—Farmers who have taken the trouble to investigate, tell us that toadstools have wrinkles on them. The last time this happened we had winter weather that froze the handles of plows.

Fifth—That warmer underwear, better made shoes and complete winter outfits for the little fellows have been purchased more freely than ever before from our immense stock of **men's and boys' furnishings.**

Sixth—We have the largest, most modern and best equipped clothing store in northern Indiana and are doing the biggest business in the establishment's history. That's the best sign of all.

IN MEMORIAM

SARAH A. JACKSON

Sarah A. Jackson was born at Prairieville, Genesee County, New York, Nov. 5, 1835, and died at her late home in Buchanan, Mich., Dec 4, 1906, being at the time of her death 71 years and 29 days old. When a young girl she came with her parents to Cleveland, Ohio, where her father died and where May 27, 1859, she was married to John Guyberson, who passed away, May 7, 1897. In 1893 Mrs. Guyberson came with her husband to Buchanan, which was her home the balance of her life. She was the mother of two sons, George and William J., both residing in Buchanan. She was formerly connected with the Presbyterian church and until her death was ever a firm believer in Christ as her living Savior. She was a kind neighbor and an affectionate wife and a loving mother. Besides her two sons, one sister, Mrs. Mary Atkinson, of Niles, the oldest of six children; and one brother, Mr. Geo. E. Jackson, of the state of Montana, the youngest of the six children, are left to mourn her departure. Funeral services conducted by Elder William M. Roe, assisted by Elder J. P. Martindale, were held at her late home at 2 p. m. on Thursday, Dec. 6. The music for the occasion was rendered by J. J. Roe, Mrs. Clara Richards and Mrs. Lutie C. Glover. Interment was made in Oak Ridge cemetery.

The Berachah Class entertainment which was held last Friday in the Patricians hall was a grand success. It met the most sanguine expectations of the promoters. There was a large crowd of about one hundred and fifty who listened to the excellent concert rendered by home talent. One of the special features was an Euphonium solo by Mr. Wm. Wood, who was heartily endorsed. The class netted quite a sum on their pledge for the new church. Over forty dollars having already been raised.

The South Bend board of health feels that it now has the smallpox situation well in hand and that with every precaution there need be no cause for undue anxiety. Vaccination continues and the board hopes to have most persons vaccinated within a few days. School children have until Wednesday to be vaccinated, and must then show a proper certificate to be able to remain in school. It is said that many foreign citizens object to vaccination and endeavor to rub off the virus as soon as they leave the doctor's office. With a view to preventing the spread of smallpox, of which there are so many cases, the interurban cars are fumigated there daily.

The U. S. Life Saving Station at St. Joseph has been closed for the year and the crew has been disbanded. Capt Stevens' report shows that the crew have finished one of the lightest seasons in their history. St. Joseph has been known in past years as a hard point for life saving men, but this year the majority of the work has been confined to dragging for bodies of those who were drowned where the life savers could not reach them.

Fifteen years tomorrow and John Hamilton, the barber, will have occupied the same shop as today. During all this time Mr. Hamilton says that not one has ever complained of an eruption on the face or skin. It is a good record. During Mr. Hamilton's 18 years' residence in this city, he has ever rendered yeomen assistance to the community, singing at parties and elsewhere, and playing in the band, many times without compensation. The man is a worthy citizen.—Niles Star.

BLOOD POISON

On account of its terrible effects, blood disease is called the king of all diseases. It may be either hereditary or contracted; so while it may not be a crime to have the disease, it is a crime to permit it to remain in the system. It may manifest itself in the form of Scrofula, Eczema, rheumatic pains, stiff or swollen joints, itching of the skin, eruptions or blotches, ulcers in the mouth or on the tongue, sore throat, falling out of hair, disordered stomach, and a general depression of the system. If you have any of these symptoms don't neglect yourself. You have no time to lose. Beware of "old fogey" treatment—beware of mineral poisons—beware of Quacks and Patents. OUR NEW METHOD OF TREATMENT is guaranteed to cure this disease, never to return. Bank Bonds will protect you. Our treatment is not injurious in any way, but reaches the very root of the disease and eliminates all poison from the system. The symptoms of disease gradually disappear. The blood becomes pure and enriched, the whole system is cleansed and purified, and the patient feels prepared anew for the duties and the pleasures of life. **CURE GUARANTEED OR NO PAY. 25 Years in Detroit. 250,000 Cured.**

All funds deposited prior to January 10th, 1907, will begin to earn interest, compounded semiannually, from January 1st, at 4 per cent.

This high rate of interest is made possible because the active and prosperous condition of South Bend's mercantile and manufacturing enterprises and the steady and rapid growth of the city, which calls for the building of many dwellings and other buildings yearly, enables the company to loan its funds at good rates and on sound security.

The capital, surplus and profits of the American Trust Company now exceed \$225,000.00

The total resources are more than \$1,000,000.00
