FAMOUS KIMMEL CASE IS STILL A MYSTERY

Recent Conference Is Barren of Results--Mother Not Convinced After Thorough Test.

The recent conference at Niles between Mrs. Estella Kimmel, her daughter, Mrs. Edna Bonslett, and the man who claims to be their long lost son and brother, George A. Kimmel, was wholly barren of results.

The principals failed absolutely to reach any common ground for understanding and nothing that Kimmel said during the conference, and none of the incidents that he related were accepted by the two women as supplying any proof of his identity or claim to relationship.

What Kimmel related as incidents that he thought they ought to remember they denied any knowledge of and the incidents and things they mentioned were not remembered by Kimmel.

Incidents of boyhood history of the real Kimmel were resurrected on both sides but without result.

Visits of Kimmel to his sister in Chicago, visits of the mother and daughter to George A. Kimmel at Arkansas City, and other points in the west were brought forward by the ladies, or by Kimmel, but from first to last of the conference there was no point that was touched upon that seemed to offer the slightest prospect for an agreement.

Matters themselves stand just where they did before, and the case has not advanced by reason of this conference one inch nearer to a solution than when Kimmel was in Auburn prison.

The mother and daughter still declare this man bears no resemblance whatever to the relative who so mysteriously disappeared in 1898.

The conference was held in the office of Judge Coolidge, as had been pre-arranged.

The only parties at the conference were Miss Belle Cross, stenographer, who had been summoned from Do-

wagiac by L. E. Wood, a representative of Mrs. Kimmel and Mrs. Bonslett, to record what was said, and Miss Julia Edwards acted in the same capacity for Kimmel.

A feature of the conference was the som-what bitter denunciation of Chas. A. Johnson, uncle of George A. Kimmel, by the man who claims to be Kimmel.

Kimmel blamed Johnson for all the trouble of his life beginning with his disappearance in 1898, although he did not accuse Johnson of being personally implicated in the alleged assault upon him, at which time he claims the terrible injuries were inflicted upon him the ineffaceable scars of which he still carries on his head and neck.

Following the conference Mrs. Kimmel left the city accompanying her daughter, Mrs. Bonslett, to Chicago.

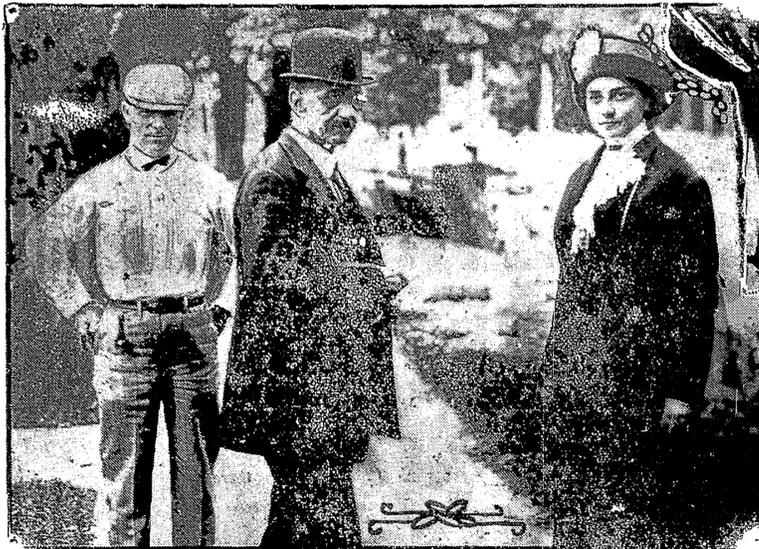

This indicates that all negotiations are at an end and that there will be no further conferences between the principals in the most mystifying case.

The friends of Kimmel make no secret of their disappointment at the result of the conference which they declare was a farce, and that there was never the slightest chance of a reconciliation or acceptance by the women of the man's claim to kinship with him.

The general public is left with just as much division of sentiment as ever, and with no present prospect that there will ever be any positive solution of the great mystery.

Rumors have been current that Chas. A. Johnson has left Chicago and cannot be located, but as Chicago papers are silent on the subject no great credence is to be placed on such rumors, and it may be that Johnson is simply keeping quiet to avoid the persistent interviewers.

Three Participants in the Mystery of Identity Which Is Bewildering Niles

Left to Right. "Sam" Quimby, "Geo. A. Kimmel," Mrs. Chas. A. Montague.

The controversy over the identity of "George A. Kimmel," who represents himself to be a man long supposed to be dead, is as deeply involved in mystery as ever. Mrs. Estella Kimmel, whom "George A. Kimmel" claims as mother, denies that he is her son, and declares "Kimmel" is impersonating her son merely to deprive her of \$20,000 insurance. On the other hand there are residents of Niles, who are positive this man of mystery is the real George A. Kimmel. Among these is Mrs. Charles Montague, a niece who identified "Kimmel" as her uncle. And then again there are residents of Niles who knew Kimmel from boyhood, who do not believe this man is Kimmel.

THE NEW MINISTER MRS. VAN RIPER DEAD NEW U. B. MINISTER

Brief Sketch of Life of Rev. Geo. R. Millard, Pastor of the M. E. Church.

Rev. George R. Millard, the new pastor of the M. E. church of this place, was born in Oceana county, this state. He attended the public schools in Monroe and Hillsdale counties, later spent five years in Hillsdale college and Theological seminary. Fourteen years ago he entered the ministry and has since filled charges, as follows: Butler, Springfield, Vicksburg, Schoolcraft and Vermontville.

Fifteen years ago he was married to Miss Rosella Kraft. They have two children, a boy of 13 and a daughter 11 years old.

Mr. Millard conducted services here for the first time last Sunday. Mrs. Millard is an accomplished vocalist, having taken a course in voice culture at Albion college.

Let this thought your heart inspire, When your footsteps lag or tire, When the way is hard and long, Count yourself among the strong.

Step by step we gain the heights, And along are beacon lights, Pointing out to us the way, That we need not go astray.

Onward, ever onward still Is the path up learning's hill; For could we the heights command, Where the seers of knowledge stand.

We would see the reverend sage Bending yet o'er wisdom's page, And would find the tasks not done, The ascent but just begun.

As our steps upward advance, More alluring the expanse, Deeper themes ever beyond, Grandeur lessons to be conned.

But in our path we'll never find Aught stronger than the human mind, Let us then with courage true Press on toward the heights in view.

Tuesday under the management of Mrs. Lura Pears as hostess, assisted by Mrs. Cora Black and Mrs. Fannie Devin, a complete surprise was planned and perpetrated in honor of Mrs. Spreng of Sioux City, Iowa, at the spacious home of Mrs. Emma Pears, mother of Mrs. Spreng, who will soon accompany her to her western home to spend the winter months. About thirty old friends and schoolmates were present and indulged in the popular game of "500," which resulted in Mrs. Cora Black winning a deck of pasteboards. A prize was also given the one making the best buttonhole, thread and material the same, and Mrs. Lou Worthington is the proud possessor of a fine pair of buttonhole scissors as a reminder that she leads in that act, with Mrs. Susie Roe a close second, winning a lovely bouquet.

Well Known Lady Succumbs to Blood Poisoning

Mrs. Zurelda Reynolds-Van Ripper, wife of Dr. A. N. Van Ripper, died about noon last Tuesday at her home near New Carlisle, Ind., of blood poisoning, which resulted from paring a corn. She was 56 years old.

Mrs. Van Ripper, who was extensively known and highly respected, leaves a husband, two daughters and one son; also a sister, Mrs. C. H. Baker, of Buchanan.

The funeral takes place at 2:30 o'clock this afternoon from the home, Rev. Mr. Huntington, pastor of Trinity Episcopal church at Niles, officiating.

Choice refreshments were served by the hostess, and Mrs. Spreng in a pleasing way showed her appreciation in a few well chosen words, and invited all present to visit her in Sioux city, which some are hoping to do in the near future.

THE "30" CLUB

The first regular meeting of the "30" club took place at the home of Mrs. Walter East yesterday. The greater part of the time was taken up with business affairs and plans for the coming year.

Roll call was responded to by "Criticism on the Year Book", followed by the club song and president's address.

A discussion on "What Can Our Club accomplish This Year," led by Mrs. Roe closed the afternoon's work.

The next meeting will be with Mrs. Glen Smith instead of Mrs. Bainton.

NEWSPAPER CHANGES HANDS

Former Buchanan Boy Purchases Berrien Springs Era.

Robert Davis, who was formerly connected with The Berrien County Record office, has purchased the Berrien Springs Era from the Berrien Printing company, of which J. N. Klock, of Benton Harbor, is president, and J. M. Russell, of Berrien Springs, secretary-treasurer.

Mr. Davis has had about nine years experience in the printing business, and will, doubtless, make good at Berrien Springs. It will be his aim to give the residents of Berrien Springs and vicinity a live, newsy paper.

Rev. J. E. Edwards Goes to Nebraska

Rev. J. E. Edwards, for the last two years pastor of the United Brethren church, leaves today with his wife and three of their children for Morris, Neb., having been assigned to the pastorate at that place. Rev. F. E. Peck, of Marcellus, this state, who succeeds Rev. Mr. Edwards, arrived here yesterday with his family.

SKETCH OF LIFE OF MR. PECK

Rev. F. E. Peck was born near Grand Rapids Nov. 1, 1870. He attended the public schools and later took a course in the West Michigan Business university at Grand Rapids. For several years thereafter he taught school, and in 1892 entered the ministry, taking up Evangelistic work, which he carried on for 13 years. During the last seven years he has filled the following charges: Six Lakes, Brown City and Marcellus. Eighteen years ago, he married Miss Agnes Shultz of Hart, this state. They have four children, one son and three daughters.

SIDING TO NEW FACTORY

Work on Buchanan Electric Steel Company's Plant Being Pushed

The Pere Marquette has built a siding to the new factory building of The Buchanan Electric Steel company, which is in course of construction and which will be completed and equipped within a few months. About half a hundred skilled men will be employed at the outset, but this force will, in all probability, be augmented rapidly.

The brick work is nearing completion and the work of setting the opaque glass windows, the frames of which are of steel, is now in progress. It will be one of the most modern foundry buildings in the country.

W. A. Rice, draughtsman for the Celfor Tool company, is in charge of the construction work and Wilson Leiter has the contract for the brick work, setting the windows, etc.

The shells for the two electric furnaces are here and the Celfor Tool company is doing considerable machine work on them. More furnaces may be installed later. The output of the plant will consist of small castings for automobile parts, farm implements, etc.

D. L. Boardman is giving a series of sales that are proving of great interest to bargain hunters. The items on sale are offered for the two Saturdays, making a double sale each Saturday, and the public are taking advantage of these sales.

COUNTY RALLY OF THE ROYAL NEIGHBORS HERE

Attendance Is Large And Fine Program Is Carried Out--Next Meeting at Benton Harbor.

The annual meeting of the Berrien County association of the Royal Neighbors of America, was held in the opera house here yesterday. Mrs. C. D. Kent, president of the association, presided over the sessions.

Past Oracle Mrs. Mary Babcock extended a very cordial welcome to the visiting Royal Neighbors, assuring them that she had conferred with Mayor Hanlin, who had graciously extended to them a welcome to the town with the privilege of walking on the paved streets as much as they wished, but warned them against riding on the street cars for fear of accident, also gave them permission to paint the town any color they liked, but advised them to make it purple and white, the colors of the order.

The address of welcome was responded to in a clever manner by Mrs. Alfe C. Smith of Detroit.

Beautiful songs were rendered by Prof. Griffith of South Bend, and Florence Chubb and Rena Desenberg of Buchanan. These, together with addresses by the visiting officers, and a fancy drill given by sixteen members of Primrose camp, directed by Mrs. Orma Chamberlain, comprised the

entertainment for the afternoon.

Souvenir spoons were presented to the visiting officers, and a beautiful brass clock was given to Mrs. C. D. Kent by the members of Primrose camp, to show their appreciation of the two years' faithful service rendered by her as oracle.

The following supreme and state officers were guests of honor: Dr. E. Franc Morrill, supreme physician, Chicago.

Clara M. Richards, supreme manager, Buchanan.

Alfe C. Smith, state supervising deputy, Detroit.

Hattie M. Lombard, special deputy, Grand Rapids.

Buchanan has the distinction of having the first camp of Royal Neighbors organized in the state, and among the honored guests was Mrs. H. M. Brodrick, who was the first Oracle.

The pot luck lunch furnished by the Royal Neighbors was beautifully served by the ladies of the Methodist Aid society to one hundred or more guests. Many camps throughout the county were represented and all enjoyed a pleasant day.

The next annual meeting will be held in Benton Harbor.

REV. WILLIAM MIEDEMA RESIGNS

Pastor of Presbyterian Church to Leave Buchanan Soon.

Rev. Wm. Miedema, for the last four years pastor of the Presbyterian church of this place, has tendered his resignation to the board of trustees, to take effect Oct. 31, and the same has been accepted. Mr. Miedema will not know where his next charge will be until after the meeting of the Presbytery, which meets in connection with the Michigan Senate of the Presbyterian church in Detroit Oct. 11. The local church will now seek a new minister.

Dick Bishop to Marry.

The engagement is announced of Dick Bishop, son-in-law of Fred Lee, of Dowagiac, whose young wife died last year, leaving her husband one of the finest homes in Dowagiac, that was in course of construction at the time.

The second Mrs. Bishop is to be Miss Helen Walton, of Sturgis.

OSBORN WILL ACCEPT SECOND TERM; WILL NOT FIGHT FOR THE OFFICE

Governor Chase S. Osborn will accept a second term if nominated at the primary next September. Still repeating what he said when he succeeded Fred M. Warner—that he is not a candidate for a second term as such an announcement is ordinarily construed—the governor has issued a public statement in which he says he will accept the nomination if it is accorded to him.

"I can candidly say," says the governor, "that my personal preference is to construe literally my pre-inaugural interview statements but if my friends insist upon presenting my name to the Republican primaries I shall abide by the resultant primary referendum, a referendum during which I shall not make a single speech or lift a single finger in the promotion of my own personal candidacy. If, under such circumstances, I shall receive a renomination, then I shall enter the election campaign with all the vigor at my command and seek to retain Michigan in the Republican column, where she rightfully belongs.

"I hope this statement is not misconstrued. Every word of it is sincere. I love Michigan and her people. If it be deemed wise, that my administration shall continue through

TO BANQUET CAPT. HOBSON

Hero of Santiago Harbor to Lecture Here Nov. 4.

At a meeting of the Business Men's association last Friday evening, the committee which had charge of the Harvest Jubilee celebration made a detailed report of all receipts and expenditures, and the report was received and made part of the records of the association.

It was proposed to arrange a banquet in honor of Captain Richard P. Dobson, who comes here Nov. 4 as the stellar attraction of the Citizens Lyceum course, the banquet to take place at the close of the entertainment in the opera house. The proposition was favorably acted upon, and a committee, consisting of D. L. Boardman, C. D. Kent and Dr. E. R. Butts, was named to take the matter in charge. The association has assurances that Capt. Hobson will speak at the banquet on the subject of Town Boosting, and give his hearers the benefit of his observations as a traveler.

IN SOCIAL CIRCLES

Mr. and Mrs. Louis Jakways entertained at dinner Sunday in honor of Mrs. Herbert Batchelor's twentieth birthday.

Those present were Mr. and Mrs. N. B. Jakways, Mr. and Mrs. Ross Jakways and son, Harold, of New Carlisle; Mrs. Elmer Kesling of South Bend; Mr. and Mrs. Herbert Batchelor and daughter, Beth. Mrs. Batchelor received several presents.

GIVEN FAREWELL RECEPTION

At the home of Mr. and Mrs. Geo. Logan the choir of the M. C. church met last Friday evening to tender Mr. and Mrs. Leamon a farewell reception.

The wives and husbands of the active choir members were included in the crowd which met earlier in the evening at the home of Mr. Lauch and then proceeded to Mr. Logan's where they were met on the lawn by the hostess and led through the back door into the dining room at which time Mr. Nutt, director of the choir, advanced and presented the guests with a leather rocker in loving remembrance of the exemplary work done by their pastor. Mr. Leamon responded in his quiet, droll way and thanked them not only for their gift but for their loyal support.

The evening was spent in a most happy, frolicking, musical way, and after most tempting refreshments were served and enjoyed the crowd took their final leave of their pastor and wife who go to continue their work in Vermontville, this state. The best wishes of the entire community go with them.

BOY'S HEAD IS SEVERED FROM BODY

Frightful Accident Befalls Young Man at Niles.

WAS STEALING A RIDE

Discovered by Detective and Ordered From Train—Was Horrible Sight to Behold.

Elmer Hanley, a colored boy of 18, was run over and killed about 4:15 a. m. Sunday by a Michigan Central west bound freight on which he was beating his way out of Niles.

The body was cut completely in two and the mangled remains were picked up in two pieces.

Hanley, with three other colored boys, all of whom live at Kansas City, Mo., were beating it through from Detroit to Kansas City.

They left Detroit Saturday night, riding through to Niles on the forward end of the baggage car of the passenger train that reaches Niles at 3:55 a. m.

They were not disturbed until they reached Niles, when Night Officer Bachman got a line on the quartette and drove them off the train and ordered them out of the yards.

The boys walked to the west end and watching their chance hopped on to a west bound freight as it pulled out a little after four o'clock.

Young Hanley and Ernest Howell, aged 25, got in between two freight cars and were standing on the bumpers. Robert Evans, aged 22, and Wade Hanley, aged 20, the latter a brother of the dead boy, found another location on the train and were not aware of the fatal accident to young Hanley at the time.

Young Howell said he was looking the other way; he did not see his companion fall and did not know how it happened, but he suspects that the train must have given a jolt that threw young Hanley off his balance and he fell between the cars.

The first that Howell knew of it was when he saw the sparks of a cigarette that Hanley had been smoking scatter around as if it had fallen from Hanley's lips or been thrown down by him, and turning his glance where Hanley had been

standing he found the place vacant and he felt that some accident had befallen his companion. It is thought possible that wearied by the long night ride from Detroit, young Hanley may have dropped off into a doze as he stood in the perilous position on the bumpers.

Howell jumped off as soon as he could and went back down the tracks, where he found the mangled remains of young Hanley.

The boy had evidently fallen across the track and the wheels had passed over his breast diagonally, completely cutting the body in two and resulting in instant death.

The accident happened not far from the Lincoln avenue crossing.

CITY HALL NOTES

OFFICIAL PROCEEDINGS

The regular monthly meeting of the village council of the village of Buchanan was held in the council chamber Tuesday, Oct. 3, 1911.

Trustees present Richards, Butts, Leiter and Kelling.

Trustees absent Adams and Curtis. The meeting was called to order at 8 o'clock p. m., by President Hanlin.

The minutes of previous meetings were read and approved.

The following report of the finance committee was read by Trustee Richards:

General fund	\$ 48 83
W. W. fund	276 67
Highway fund	346 74
Cemetery	25 00
Total expenditures for Sept. 1911	\$697 24

A motion was made by Trustee Leiter, seconded by Trustee Butts, that the bills be allowed as read and orders drawn on the treasurer for the several amounts. Upon roll call all members present voted aye.

The motion carried.

A motion was made by Trustee Kelling, seconded by Trustee Richards, that the president and clerk be authorized to pay the semi-annual interest and commission on outstanding water works bonds amounting to \$1,228.06. Upon roll call all members present voted aye.

The motion carried.

The monthly report of Treasurer Sparks was read, approved and ordered placed on file.

Trustee Curtis came to the meeting at this time.

Mr. Sheldon again made complaint that the race was overflowing the bank under the calaboose.

A motion was made by Trustee Kelling, seconded by Trustee Richards, that the matter be left in the hands of the committee that was appointed at the regular April meeting, with power to act.

The motion carried.

A motion was made by Trustee Curtis, seconded by Trustee Leiter, that the several orders in the village that have been inconvenienced by the fire escape ordinance be allowed to use the council chamber for meetings until fire escapes are erected on their buildings.

The motion carried.

A motion to adjourn by Trustee Curtis, seconded by Trustee Leiter, was carried.

W. O. Churchill, Clerk.

School Notes.

Dark, cloudy weather. Pupils' eyes have suffered during the last few weeks. Why not electric lights? They're cheaper than eyes.

The first month of school was never better. Grade teachers and high school teachers are doing their very best and the pupils appreciate the efforts.

Miss Baker, of Niles, is creating much interest in music. She comes every Wednesday.

Mrs. Cottrell is getting some excellent results in reading in the eighth grade.

The physical geography class began their field work last Friday.

The teachers' club met for study at Mr. Logan's last Monday night. Miss Cooke was the leader.

Kinnane in the Race.

Dowagiac, Oct. 4.—James E. Kinnane, who has already announced his candidacy for congress, representing the fourth district, and who will at least be one of the candidates against Congressman Hamilton, is planning to make a progressive campaign.

Speaking of his candidacy Mr. Kinnane said:

"As I have already said, I desire at this time to make no formal statement or announcement. I stand for the principles of progressive Republicanism and believe that if the Republican party shall survive as a dominant party, and I expect it to survive, it must be along the lines blazed out by the progressive leadership in congress from the great middle west in the last two sessions of congress."

This statement is interpreted by Mr. Kinnane's friends as a declaration and promise that he will battle

for things progressive.

Mr. Kinnane will probably be pitted against Edward L. Hamilton, present representative of the district. Though Mr. Hamilton has not stated that he will try for a "repeat," his friends declare that he will do so. No other faces have yet appeared to tussle for the nomination, on the republican slate.

CAPT. RICHMOND PEARSON HOBSON.

The Congressman of Spanish-American War Fame to Lecture Here.

It is not necessary for us to recount the record made by Capt. Hobson (then lieutenant) in the Spanish-American war, and of his triumphant tour of America shortly following. We would like to say, however, that if our readers have the opinion of Hobson that most newspaper men seem to wish them to have, they will be agreeably surprised. Like most noted men, he has suffered from misrepresentation—he, more than others. He is not a bully or a dupe, or a jingo; nor did he perform the kissing acts of which he was accused. He himself is the strongest contradiction to all those libels.

When you see and hear him you will see and hear a polished Southern christian gentleman, manly, modest, handsome, of military bearing, an orator of first rank, with an earnest, helpful message that will set you on fire. He is fighting for the purity of the American home, for all that is good in our American national life, and he is not afraid to lead in any crusade of real reform.

WINTER SCHEDULE TO GO INTO EFFECT

Nine Cars Will Be Taken Off Interurban.

Nine of the 14 cars will be taken from the Southern Michigan railway service between South Bend and St. Joseph, beginning next Saturday. The change is made because with the close of summer the heaviest transportation to the nearby resorts ceases.

The cars taken off the Southern Michigan branch are those leaving South Bend at 10 a. m., 1 p. m., 4 p. m., 7 p. m. and 10 p. m., and those leaving Niles at 12:30, 3:30, 6:30 and 9:30 p. m.

The east bound 7 p. m. and 10 p. m. cars from South Bend to Goshen are also among the number removed, as is the 10 p. m. train from Goshen.

The readers of this paper will be pleased to learn that there is at least one dread disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials, Address F. J. Cheney & Co., Toledo, O.

A WAITING GAME.

An old gentleman, rather portly, and clad in a somewhat youthful suit of light gray flannel, sat on a bench in the park enjoying the spring day. "What's the matter, sonny?" he asked a small urchin who lay on the grass just across the walk and stared intently at him. "Why don't you go and play?" "—on't want ter," the boy replied, carelessly. "But it is not natural," the old gentleman insisted, "for a boy to be so quiet. Why don't you run about?" "Oh, I'm just waitin'," the little fellow answered. "I'm just waitin' till you get up. A man painted that bench about 15 minutes ago."—Sketchy Bits.

CLOTH CRAFT

GUARANTEED ALL WOOL

Blue Serge No. 4130 Special \$18.50

YOU will find here the Clothcraft Blue Serge Special, \$18.50, advertised in The Saturday Evening Post. It is an exceptionally good serge—the best we have ever offered at the price—guaranteed to be all-wool, fast color and full weight.

Also guaranteed to hold shape, stand wear and give satisfaction in every detail of service.

Clothcraft Blue Serge 4130 combines style and service to an unusual degree, giving you a suit with the dependable fabric, skillful tailoring and nicety of fit usually found only in high-priced serges.

Ordinarily even on the Clothcraft basis of price-making—which allows only for a reasonable fixed percentage of profit above actual cost—you could not buy this serge at so low a price, but the Clothcraft makers have prepared for an unusual demand for this serge, making the suits in such enormous quantities as to reduce considerably the cost of production.

Therefore, they were enabled to use a better quality of serge than they usually could afford to put into a suit at \$18.50. At the same time the style, fit and tailoring are of the high standard you always find in Clothcraft Clothes.

You cannot appreciate the Blue Serge Special No. 4130 unless you see it. If you want to know how well a blue serge can look and feel, it will be worth your while to come in and try on your size in No. 4130.

When you observe its fine, soft, even twilled fabric, its deep rich color, its graceful, distinctive style and its easy, perfect fit, you will realize it's the suit you have been looking for.

Baroda Young Lady Becomes Bride of Galien Young Man

Wednesday, Sept. 27, at the home of the bride's parents, Mr. and Mrs. J. M. Raas, a very pretty wedding was solemnized when their oldest daughter, Miss Rita, was united in marriage with William Jannasch of Galien. Rev. Howe of the German church officiating in the presence of the immediate relatives of the contracting couple and a few intimate friends of the bride.

The Lohengrin wedding march was played by Miss Mabel Nold. The bride was exquisitely gowned in white messaline. She was attended by her father, Little Miss Ora Arend, a cousin of the bride, as the bride, a short ring service being used. Following the ceremony a three-course dinner was served. Mr. and Mrs. Jannasch left under a shower of rice and old shoes, on the afternoon train for Chicago, where they visited a sister of the groom, returning to Baroda Friday evening.

They will be at home to their many friends at Galien where Mr. Jannasch has a home newly furnished and ready for occupancy. In the departure of Mrs. Jannasch Baroda loses one of her fairest daughters, who has, since early childhood been a friend to all, and she will be greatly missed by her young friends in the Congregational church and Sunday school work. Mr. Jannasch is one of Galien's enterprising young men, who at present is engaged in buying stock.

School Notes

The monthly examinations of the school took place Thursday and Friday of last week.

The 12th grade chemistry have been making experiments with oxygen and hydrogen and are now studying the compound water.

Advanced arithmetic classes are having a short review of all the tables of quantity, including weight, value, time, extent and measure.

The 9th grade zoology class are studying the bivalves and making drawings of the same.

The difficult problems of per centage have now reached the eighth grade, who are doing nicely with them.

The sixth grade are having their monthly examination in geography and arithmetic.

Miss O'Brien being ill with tonsillitis, Miss Lottie Shrum acted as substitute in the primary room.

The fifth grade are having a test in arithmetic.

Card of Thanks

Mrs. John Swank wishes to thank her many friends and neighbors who showered her with so many beautiful postals on her 74th birthday. We hope she may live to enjoy many more happy birthdays.

Good Thing to Keep Up Little Diary

By W. F. ALEXANDER
Clarksburg, W. Va.

For many years past I have been in the habit of keeping a diary and have found it of the greatest use in my business.

By quick reference to this record I can tell where I was and what I was doing on any particular day during the last ten years. Time and again my diary has saved me money.

Not long ago I was about to bring suit against a man who owed me \$500, but who refused payment because he did not believe in the existence of a contract. He was honest in it, but mistaken, as the contract had been negotiated by his business manager. This manager, for reasons of his own, repudiated the agreement. Before starting on the litigation I called on the principal and asked him to inspect my diary, which contained a complete account of the transaction in dispute.

I showed him that it contained accurate briefs of that and similar agreements for many past years. He looked over many pages of the leaflets, both those anterior and subsequent to the statement in which he was especially interested, and saw that my evidence was too authentic to be overturned.

Then he drew me a check to extinguish the debt, remarking that there was no doubt of the justice of my claim.

Buyer Returns From Second Trip to New York City

Our Ready-to-Wear buyer has returned from his second purchasing trip to New York this season. Our business early in the season has been phenomenal—all records broken. That's why our buyer took the 20th Century Limited last Sunday for New York to fill in the gaps in his stock. New Suits, Coats, etc., are rushing in by every fast express.

The Autumn Suits

Richness is their note all through from the thick, rough materials in the softest of dark hues to the sheen of flat silk braids and the depth of velvet. Velvet is very much in evidence in the huge collars curving across the back and ending in oddly cut revers that reach to the very bottom of the coats, and in the very long, loose cuffs. Another novel feature is the skirts, many of them open over an underskirt effect of braid or satin. And coats are longer.

\$15.00 to \$85.00.

The New Reversible Coat

As far back as five weeks ago we advertised the New Reversible Coat for the first time in South Bend. Since then shipment after shipment has come in only to stay long enough to be marked. We now announce another large shipment.

You have two coats in one. For instance you have a brown coat and plum color collar and trimmings on cuffs and pockets. Turn it inside out, vice versa, a plum color coat with brown trimmings.

Death of Admiral Schley

With the death of Winfield Scott Schley the second antagonist in a controversy that once shook the nation passes away from the scene, says The Record-Herald. His rival, Admiral Sampson, did not long survive the criminations and recriminations of that trying period. Admiral Schley, whose generous declaration that there was "glory enough for all" remains memorable, survived to a time when the degree of glory to be reaped from the Cuban campaign became a less pressing matter.

It will always be cause for regret that Admiral Sampson was not on hand at the critical moment to carry out his own plans. But it is only fair to say that, in times of sudden action and great emergency, plans, however well prepared, must often be modified by the man with whom rests the actual execution of them. It should have been a matter of deep satisfaction to Admiral Schley that he lived on long enough to hear recent and authoritative approval of the one great maneuver—the "Brooklyn loop"—which marked his conduct of the engagement on which so much discussion has been lavished. For the rest, his place as a capable and trustworthy commander is secure.

Chasing Jack Frost From Your Door

During the long, cold, biting winter days and nights has been proven to you again and again to be one of the expensive financial struggles of life, but, have you not found that this struggle is also ABSOLUTELY NECESSARY if you expect to give your home the cheery toasty temperature and atmosphere that makes you feel as rich and comfortable as the king and queen of any tropical land? Armies and Navies organized for the protection of a country were not made in a day. Long before any trouble may brew, or difficulty arise, plans of army or navy operations have been mapped out in anticipation of any destructive menace. Corresponding with this principle, YOU should prepare in advance against the attack of KING WINTER by planning to arrange for the selection and purchase of a practical heater NOW. Everybody has an idea of their own as to what kind of a stove may be the best and most suitable for their use; but we have made it our business to SELL stoves and naturally we would carry a brand with the greatest merit at the least possible expense to you. This we have found in the ROUND OAK and gladly offer them for your inspection.

Dr. Orville Curtis Describes Motor Trip to New York

MILES OF STATE ROADS

No Speed Limit Between Buffalo and Geneva—Motor Parties Prefer Leisurely Pace, However

Dr. Orville Curtis has favored The Recorder with the following interesting account of his recent automobile trip to Saratoga, N. Y.:

Leaving Niles at eight o'clock Aug. 27 in company with my wife, sister and nephew we started, a happy party, with the home of my childhood as our goal. Arriving at Battle Creek at 12:30 we stopped for lunch and filled the machine with oil and gasoline and started again expecting to get as far as Ann Arbor that evening which we did without incident except that between Jackson and Grass lake we were unfortunate enough to have a blow-out in one of our tires, which delayed us a few minutes. Arriving at Ann Arbor at 7 o'clock we found good accommodations at the Whitney Hotel and proceeded the next morning to Detroit where we arrived at 11 o'clock. After having the machine looked over at the Ford Co. Salesroom where everything was found to be in good shape, I run it to the D. & C. dock and had it checked for Buffalo, our party leaving on the city of Cleveland for Buffalo at 5 o'clock. The water trip is quite as delightful as the motoring although we encountered a severe storm which delayed us in landing about two hours. The gasoline was all taken from the car at Detroit and on our arrival at Buffalo we found a man waiting to give me three gallons to replace what had been taken out at Detroit it being the law that every car transported by boat must not have any gasoline in it. We then proceeded on our way and arrived at Batavia for lunch and again replenished the car with oil and gasoline and started at one o'clock for Geneva where we arrived at five o'clock, stopped for the night at the Nestor House, which by the way overlooks Geneva lake and by moonlight is one of the prettiest views one would care to behold.

A word as to the roads from Buffalo to Geneva. They are state roads all of the way, 120 miles, and you can go as fast as one may desire although the average speed is not over 30 miles per hour by the automobilists, as most of them prefer to go slowly and view the scenery along the way, which is very beautiful. We passed Canandaigua lake before reaching Geneva, which is a very pretty sheet of water with high hills all around it. Leaving Geneva at seven in the morning we found the roads rather poor to Seneca Falls, a distance of 10 miles, but which was covered in 40 minutes; here we were ferried across Cayuga lake to Cayuga village, a distance of about two miles. Leaving the ferry we proceeded on our journey through Auburn, Skaneateles, Marcellus, Camillus and Syracuse to Fayetteville where we again took lunch and filled the car with oil and gasoline and I would say that the hotel in this little village furnishes the best meals we found on the trip. From this point I would recommend that the directions of the "Blue Book" be dispensed with until Chittenango is reached and go via Eagle Village, but be sure that the breaks of the car are working for there is a hill about three miles long to go down. At the top of this hill you get a view which once seen would never be forgotten. To the left is the city of Syracuse and just beyond Onondaga lake, which is in full view for the whole distance of 40 miles, and to the right the Mohawk valley can be seen with the river winding in and out for as far as the eye can see with high hills or mountains on each side. We were told that we made a descent of over 1200 feet in going down that hill. This view is well worth going the whole distance to see. From there we continued on through Oneida and the Oneida community settlement to Utica, Herkimer and Little Falls where we stopped for the night with only fair hotel accommodations, but we supplemented these inconveniences by taking in the theatre and leaving at 7 o'clock the next morning we followed the Mohawk valley and N. Y. C. R. R. to Amsterdam at which place I was within 20 miles of my old home, and telephoned to my uncle that we would be there for dinner and to let nothing be lacking for we were all hungry. We found everything in readiness a little before noon as well as a hearty welcome. In the afternoon we passed the old farm school house and saw mill which were all familiar to my sister and I. Arriving at Round lake,

the late home of my deceased brother, we found my sister-in-law waiting for us, also with a hearty welcome. Here we made our headquarters and every pleasant day we were off somewhere with the automobile, Ballston, Shuylerville, the old battleground of Bemis Heights, Lake George, Saratoga, and many other places of interest.

The return home was uneventful, my sister-in-law coming with me as far as Buffalo where I again put the car on the boat and came to Detroit, and so on home, arriving at Buchanan at 1 o'clock Sept. 14.

I cannot finish my story without saying a word for my little Ford which went the whole journey without a hitch or causing me any trouble whatever or missing an explosion and at night I would put up with the same cars I started out with in the morning, even though it would be the Packard, Peerless, Pierce-Arrow, Stoddard-Dayton, or any other of the higher priced cars. My Model T. just kept moving about 25 miles per hour and no tire trouble whatever while the other heavier cars would be laid up mending blow-outs.

I am going again next year and invite any and all my friends who can go in an automobile to accompany me.

THE FAVORITE LAXATIVE

One at Night Makes the Next Day Bright; No Charge if it Doesn't

Because of its extremely gentle and effective action, Rexall Orderlies have become the most popular remedy for constipation.

We are so positive that Rexall Orderlies will do all that is claimed for them that we positively guarantee to hand back the money you paid for them upon your mere request, if you are not entirely satisfied.

Rexall Orderlies are eaten like candy, are very pleasant to taste, do not gripe, cause nausea, or any other annoyance usually experienced when ordinary cathartics are used.

Rexall Orderlies have a positive regulative effect upon the bowels and tend to provide permanent relief from constipation and the myriad of associate ailments. Besides, they help to overcome the necessity of the constant use of laxatives to keep the bowels in normal condition.

We honestly believe there is no similar medicine so good as Rexall Orderlies, especially for children, aged or delicate people. They are prepared in convenient tablet form in three sizes of packages. Prices, 10c, 25c and 50c. Why not try them at our risk on our guarantee?

Remember, Rexall Remedies can be obtained in this community only at our store—The Rexall Store, I. L. H. Dodd, Buchanan, Mich.

Facts for Weak Women

Nine-tenths of all the sickness of women is due to some derangement or disease of the organs distinctly feminine. Such sickness can be cured—is cured every day by

Dr. Pierce's Favorite Prescription

It Makes Weak Women Strong,
Sick Women Well.

It acts directly on the organs affected and is at the same time a general restorative tonic for the whole system. It cures female complaint right in the privacy of home. It makes unnecessary the disagreeable questioning, examinations and local treatment so universally insisted upon by doctors, and so abhorrent to every modest woman.

We shall not particularize here as to the symptoms of those peculiar affections incident to women, but those wanting full information as to their symptoms and means of positive cure are referred to the People's Common Sense Medical Adviser—1008 pages, newly revised and up-to-date Edition, sent free on receipt of 21 one-cent stamps to cover cost of mailing only; or, in cloth binding for 31 stamps.

Miss Fern Helmick has taken up her school duties again, as teacher at the Hill's Corners school, after a long siege of illness with malarial fever.

The social held at the Grange hall last Friday evening for the benefit of the Sunday school was a decided success, netting a sum of \$13.35. The program was good and enjoyed by all.

Mt. Tabor Grange will hold their next regular meeting Friday evening, Oct. 6, and roll call response will be a name for your farm home. Every one come prepared to help on the program.

A pleasant surprise was given Albert Schell on Monday afternoon, when 14 of his friends gathered at

the home of his mother, Mrs. Edith Schell, and had a fine time and helped to enjoy a nice supper.

Mrs. Will Klutte, of Three Oaks, spent Saturday and Sunday, and Mrs. Schuyler Ray Monday and Tuesday with their parents, Mr. and Mrs. M. K. Spaulding, having been called here by the illness of their father, who had a severe fall from a pear tree last Wednesday. Mr. Spaulding is much improved now, although still confined to his bed.

Last Friday a jolly surprise party was held for Jacob Helmick, of Leroy, Kansas, who is visiting Mrs. Alice Clark and other relatives. The party was held at Hiram Helmick's, at Hinchman, in honor of Jacob Helmick's 77th birthday. His surviving brothers and sisters were all present, and with friends made a party of 33 who partook of the sumptuous dinner. A post card shower of 67 cards added to Mr. Helmick's pleasant memories of the day.

ONE MILLION DOLLARS FOR A GOOD STOMACH

This Offer Should Be a Warning to Every Man And Woman

The newspapers and medical journals recently have had much to say relative to a famous millionaire's offer of a million dollars for a new stomach.

The great multi-millionaire was too busy to think about the condition of his stomach. He allowed his dyspepsia to run from bad to worse until in the end it became incurable. His misfortune serves as a warning to others.

Every one who suffers with dyspepsia for a few years will give every thing he owns for a new stomach.

Dyspepsia is commonly caused by an abnormal state of the gastric juices, or by lack of tone in the walls of the stomach. The result is that the stomach loses its power to digest food.

We are now able to supply certain missing elements—to help restore to the gastric juices their digestive power, and to aid in making the stomach strong and well.

We know that Rexall Dyspepsia Tablets are a most dependable remedy for disordered stomach, indigestion and dyspepsia.

We want you to try them and will return your money if you are not more than satisfied with the result.

Three sizes, 25c, 50c, and \$1.00. Remember, you can obtain Rexall Remedies in this community only at our store—The Rexall Store, I. H. L. Dodd, Buchanan, Mich.

Is The World Growing Better?

Many things go to prove that it is. The way thousands are trying to help others is proof. Among them is Mrs. W. W. Gould, Pittsfield, N. H. Finding good health by taking Electric Bitters, she now advises other sufferers, everywhere to take them.

"For years I suffered with stomach and kidney trouble," she writes, "Every medicine I used failed till I

MUST BELIEVE IT

When Well-Known Buchanan People Tell It So Plainly

When public endorsement is made by a representative citizen of Buchanan the proof is positive. You must believe it. Read this testimony. Every backache sufferer, every man, woman or child with any kidney trouble will find profit in the reading. Mrs. J. N. Smith, Chicago, Ill., Buchanan, Mich., says: "Sixteen years ago while lifting, I suddenly felt something give way in my left hip and I dropped to the floor. I could not get up for an hour and after that my back troubled me. Sharp pains often seized me, almost taking my breath away and it often seemed as though my back was being pulled apart. The kidney secretions were unnatural and my whole system was run down. Doan's Kidney Pills, procured at the Brodrick's drug store helped me from the first and I continued their use until I was greatly benefited. I have no hesitation in recommending this remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

"THERE NOW—LET IT RAIN! NO MORE LEAKY ROOFS FOR MINE. I CAN DEPEND ON GAL-VA-NITE.

No painting—no patching—no fussing with leaks—no skilled labor to pay for—no after expense—that's the short story of GAL-VA-NITE. This ready to lay roofing is so much better than shingles and so much easier and cheaper to lay that it is no wonder that the demand for GAL-VA-NITE is so great. GAL-VA-NITE costs so little and serves so well on steep or flat roofs that you cannot afford to put up with the trouble and expense of leaky roofs. The best way to make repairs is to cover the old roof with a new roof of GAL-VA-NITE. Anyone can do the work with but a hammer and jackknife. GAL-VA-NITE is water-proofed with mineral asphalt and weather-proofed with a perfect insulation of flaked mica. It is put up in rolls of 100 square feet complete with nails, lap cement and full directions for laying. Call and get samples. Makes no difference what you're building. You ought to use GAL-VA-NITE.

SURRENDER SHIPS OR SHELL PREVESEA

Italy Makes Demand for Turkish War Vessels.

FLEET FIRES ON TRIPOLI

Austria Warns as to Albania—Powers Refuse to Mediate Until Sultan Gets Closer to Foe's Demand.

Cortu, Oct. 4.—Vice Admiral the Duke of the Abruzzi has sent an ultimatum to the call of Prevesa threatening a bombardment unless he surrenders the Turkish warships which have taken refuge in the harbor. Powers Refuse Tripoli. Constantinople, Oct. 4.—Replies to the port's appeal have been received from most of the powers, but as was expected, afford little satisfaction. In effect the powers say they will be unable to offer mediation until the port suggests a basis of settlement on the lines of Italy's demands. Turkish telegrams report that an Italian warship has sunk two motor boats near Hodeida, a seaport on the Red sea, and pursued the Turkish destroyer Pelkisheret. Many Volunteers on the Way. A large number of volunteers, both soldiers and sailors, well officered, have left for the Dardanelles, where the larger portion of the fleet is awaiting orders. Two battleships, the Mesudieh and the Assar-Tewfik, and the torpedo cruiser Berk-i-Satvat, have sailed from the Golden Horn to join it. It is understood that Austria has given a guarantee to Turkey that the status quo in the Balkans will be maintained; Mehmed Pasha, son of Sheik Adal-kader, the last Algerian sovereign, has asked the sultan to allow him to return to Tripoli for the purpose of rousing all Musselmans in Africa to repel the Italian invasion. New Ministers Nominated. An trade nominating the new ministers has been prepared, and after its issuance the new cabinet will send either a note to the powers or a circular to the Ottoman ambassadors setting forth precisely Turkey's point of view in the war with Italy. Hilmi Pasha resolutely refuses to enter the cabinet, as it is lacking a well defined policy. Since Said Pasha took office the ministry has had three all night sittings, in addition to prolonged deliberations during the day, and the physical strain is beginning to tell on the aged vizier. Meanwhile the pourparlers of the powers continue without intermission. It is said that Russia is now supporting Germany in efforts to bring about peace. Fanaticism Demanded Resistance. An influential member of the committee of union and progress stated that he realized Turkey had been forced by untoward circumstances to submit to the Italian proposal to evacuate Tripoli, but that on account of the fanaticism of the people a show of resistance had to be made. The German consulate is stormed by anxious Italians who are asking for passports that will permit them to leave the country. Those remaining are subjected to heavy taxes. The Turkish cable to Tripoli has been cut and the officials are ignorant of what is going on there. All of fields and officers have been ordered to return to their posts. An Egyptian force has offered to organize a force of 30,000 Egyptians to march against the Italians at Tripoli. Denny Landing at Prevesa. The Turkish military officers at Prevesa deny that Italian troops have landed there, although they say there were several attempts at landing. Servia, Bulgaria, Greece and Montenegro have expressed their intention to observe strict neutrality. Italians Bombard Tripoli. London, Oct. 4.—A cipher telegram from the Daily News correspondent in Rome says the bombardment of Tripoli is proceeding. The same correspondent states that the more hellacious section of Italians urge that the success of her arms entitles Italy to raise her demands. The correspondent in Constantinople says the officers of the Turkish fleet in the Dardanelles have telegraphed the ministry of marine expressing the desire that the fleet after having coaled be sent against the Italian fleet.

FOUR LOOTERS ARE SHOT AT AUSTIN

Discovered Searching Ruins of Flood-Stricken Town.

DRINKING WATER POISONED

Copper Sulphate From Paper Mill Contaminates Every Stream—Many People Seriously Ill Before Discovery is Made.

Austin, Pa., Oct. 4.—Carrying out their threat to kill looters on the spot, the state constabulary shot and severely wounded four vandals who were looking for valuables through the wreckage of Saturday's flood. Orders were immediately issued by the military officers that no one without a badge would be permitted within the police lines. At nightfall those whose houses are still standing were ordered indoors and all others were given immediate notice to leave the ruins. The robbers were taken to the temporary hospital, where Dr. J. W. Knight said they may die. They refused to give their names. Drinking Water is Poisoned. Rescuers were confronted with a sudden and serious danger when it was discovered that every spring and stream in the vicinity is poisoned with copper sulphate used in the manufacturing of paper. Twenty-five or more people were seriously ill before the reason was discovered. It is now necessary to carry drinking water from wells several miles back in the country. It is estimated that if two thousand laborers were to work for a month the buried buildings could not be uncovered nor all the bodies found. An official census taken has disclosed that 86 of the one-time town's inhabitants are missing. How many of these 86 may still be found to be elsewhere alive is a question that is still to be determined. One important discovery was made by the workers. In the majority of cases the deaths were due to two high barbed wire fences which enclosed each side of the town at the foot of the enclosing mountains. Men and women were drowned while attempting to crawl through the strands of wire. Husbands attempted to pull their wives through the obstruction and were caught by the on-rushing waters. Disposition of Dead Puzzles. The problem of disposing of the unidentified dead is becoming serious. Buried beneath tons of debris, it is an almost impossible task to recover the bodies. "Someone should apply a match to the ruins, said Father Sheehan, a Catholic priest of Erie, Pa., who looked over the devastated valley. "Consideration for the living should lead the officials to apply a torch to the wreckage and dispose of the dead in the most logical and sanitary way," he said; "there ought to be no place for sentiment in such emergencies." Within six weeks the town of Austin will no longer have a place on the map. Its annihilation is complete. Already the general exodus has begun and each day sees a quota of the population departing for other cities. The financial ruin of everyone is complete. Although the total loss is more than \$5,000,000, James Reynolds, an insurance adjuster, declared that not more than \$25,000 will ever be paid. Only about 25 per cent of the town's people carried insurance. An offer of \$2 a day and food, which is posted in every village in the vicinity of the stricken district, has failed to secure one-tenth enough workers. The site of Austin is shunned as a pestilence.

WILEY FOES ARE RELIEVED

Solicitor McCabe is Retired From Pure Food Board—Chemist Dunlap Given Leave.

Washington, Oct. 4.—In a sudden succession of orders, an initial move in the expected reorganization of the department of agriculture, Solicitor George P. McCabe was retired from the pure food and drug board, Associate Chemist F. L. Dunlap, closely identified with McCabe, was allowed leave of absence until the president's return, and Chemist Harvey W. Wiley was left apparently in supreme command of the board. Dr. R. E. Doolittle of New York, friendly to Dr. Wiley, was temporarily appointed to the board to succeed Mr.

McCabe. These changes were announced by Secretary Wilson following a conference with Dr. Wiley. They were deemed inevitable in view of the official and personal antagonism aired before a congressional committee this summer and Dr. Wiley's exonerated by President Taft.

Gibson's Station, Va., Oct. 4.—In a fight between a sheriff's posse and kinsmen of a young woman wanted as a murder trial witness two posemen were killed and an officer was seriously injured. The posse was beaten off. Another was organized later to regain the bodies of the victims and arrest the slayers. The dead were John Collins, deputy, and William Collins, deputy.

Notice of Foreclosure and Sale of Mortgage Premises
MORTGAGE SALE
Whereas, Default has been made in the payment of the mortgage secured by a mortgage on the 4th day of March, in the year 1907, executed by Adin Gaunt and Minnie E. Gaunt, his wife, of the Village of Dayton, in the County of Berrien, Michigan, in favor of David Sarver of the same place, which mortgage was recorded in the office of the Register of Deeds of the said County of Berrien on the 4th day of April, in the year 1909, at 9 o'clock a. m. in Liber 89 of mortgages on page 530 and the same is now owned by him.
And whereas, amount claimed to be due on said mortgage at the date of this notice is the sum of \$144.00 of principal and interest, and the further sum of \$25 as an attorney fee stipulated for in said mortgage and which is the whole amount claimed to be unpaid on said mortgage and no proceedings having been instituted at law to recover the debt now remaining secured by said mortgage.
Whereby, the power of sale contained in said mortgage has become operative.
Now therefore, Notice is hereby given that by virtue of said power of sale and in pursuance of the statute in that behalf made, the said mortgage and the premises thereon shall be foreclosed by a sale of the premises therein described at the public auction to be held at the front door of the Court House in the City of St. Joseph, in said County of Berrien, on the 15th day of November, A. D. 1911, at 10 o'clock a. m. in the forenoon of that day; which said premises are described in said mortgage as follows: All that piece of land in the County of Berrien State of Michigan and described as follows: Five (5) Six (6) and the North half of Lot One (1), all in Block Two (2) in Nathaniel Wilson's Addition to the Village of Dayton, according to the plat thereof.

USE ONLY ABSOLUTELY PURE OLIVE OIL

Much of the benefit that may be derived from a steady and prolonged diet of olive oil is never attained because of the use of impure oils.

You should exert every effort to supply yourself with only absolutely pure, unadulterated olive oil. We guarantee OUR IMPORTED OLIVE OIL to be absolutely pure and free from adulterations of all kinds. It is just the pure Virgin Oil that comes from the first pressing of the finest olives.

Take olive oil! Live with it.
Live on it! Eat it!
Live in it! Drink it!
Dress your food with it and don't do without it!
Lubricate your system!
Use it in every way!
To women who want a clear complexion:

USE OLIVE OIL NOW IS THE TIME

Roe's new brick block is fast nearing completion. All of the rooms will be ready for occupancy next week, except the north store room.

On Tuesday morning last, William Mead, father of Robert and Wm. Mead, was found dead in his bed. At the time of his death he was 84 years old and was living at the home of his son, Robert Mead, a few miles north of the village. The deceased was a member of the Baptist church of this place as long as the church had existed, but for some time had embraced the views of the Adventists. The funeral discourse was delivered

Good Coffee

At last they are satisfied. This young housewife searched the town high and low for the right kind of coffee—that coffee with the rich coffee fragrance with the delicate tang that makes coffee a joy to drink and sends hubby away in the morning with the feeling that he has had a good breakfast, and all is right with the world. We sell it. We had your taste in mind when we bought it. A trial order will make you a constant user. Call or phone your trial order at once.
