The decks have been cleared for the opening of the prologue to the big national political show at the Coliseum. The curtain goes up on the main show June 18. The real home stretch fight for the nomination for President of the United States opens in the big South Side show place this morning.

At this time the national committee will assemble for its first session of the grueling sittings that will follow in the ensuing two weeks in the effort to dispose of the 222 contests brought by partisans of President Taft and Colonel Roosevelt. Nearly all of the contests have been filed by the Roosevelt people.

National leaders began to arrive in Chicago several days ago and practically all the field generals in both the big the big camps are on the ground ready for the bitterest political clash of a national character the Republican party ever knew.

## LETTERS TO THE OLD HOME FOLKS.

That news from former residents of Buchanan, and those born and raised in this section but who have departed to other fields, is interesting to readers of The Record, was demonstrated by the demand for extra copies of our recent Non-resident number. Indeed, so widespread was the interest created by the "Wanderer's" edition that The Record has decided to run a department each week of "Letters to The Old Home Folks."

It is our theory that a letter from an absent friend is about the most interesting literature in circulation. All the former residents still have friends among readers of The Record. We want the names and addresses of all former residents known, that we may write them requesting letters for the new department. It is to be hoped that every absentee can be persuaded to write a letter back to the old home folks, and every reader of The Record who has friends who formerly lived here, is requested to ask them to write letters for publication.

The Record is your paper and you are entitled to anything you want. If you enjoy seeing letters from old friends in print, just tell those friends to write The Record. We want the

writer to tell of his present whereabouts, his material condition, the general welfare of his family, in short, just such a letter as might be written to an intimate friend. In this manner the old-timers may learn of the location and welfare of the friends and acquaintances of days gone by.

### SEES NO FAMILIAR FACES

Mrs. E. E. Himes, 410 So. Pine St., Lansing, Mich.

For 16 years Buchanan was my home. Since that time I have been wandering around this old world considerably, having spent two years in Berring Springs, eight years in South Dakota, four years in Kansas, and 18 years in Ann Arbor. Now I am permanently located, I hope, in Lansing, where I make my home with my son, Walter. It is so long since I left Buchanan that there are only two or three families who remember me. The last time I was there, nearly a year ago, I walked down Front street without seeing a familiar face.

Buchanan is a lovely place in which to live and I have a very kindly feeling for my dear old home and for those of my friends who are still living there. Respectfully,

## DAY SACRED TO MEMORY OF HEROES

Is Duly Observed Under Smiling  
Skies—Able Address by  
Hon. W. S. Banyon.

The day sacred to the memory of the fallen brave was duly observed in Buchanan Under a glorious sun, which shed a benediction over all, the grizzled veterans and citizens generally decked the graves of the soldier dead with flowers and flags, after which a fine program was carried out in Oak Ridge cemetery, the beautiful "silent city" of the dead.

Hon. Walter S. Banyon of Benton Harbor, was speaker of the day, and in the course of his eloquent address, he said as follows:

Comrades, the more I read of that great struggle, the more I am convinced that the Lord God of Hosts who holdeth the Nation in the palm of his hand was on the side of the Union Soldier. Time and time again when the severance of the Union seemed inevitable, His directing hand intervened to stay the avenging sword of what appeared a sure and certain fate to the Union cause.

The death of Albert Sidney Johnston, late in the afternoon of April 6th, after the bloody first day's fight at Shiloh; the restoration of George B. McClellan on the 2nd day of September to the Army of the Potomac less than a fortnight before Antietam; the appointing of Rosecrans to the Army of the Cumberland on October 30th for the purpose of staying the victorious hosts of Bragg, and when sixty days later, this brave, most able and I regret to say, abused patriot, who in the "winter of our discontent" brought an outburst of summer hope on the bloody field of Stone River and who by a great leap, clutched the crown of victory in the mountain fastness of Chattanooga, and whose patriotic words, "Gentlemen, we fight or die right here," will forever live in song and story; sad as it was the death of Stonewall Jackson, "the right arm of Lee's Army" after Chancellorsville; the appointing of George G. Meade to the command of the Army of the Potomac at midnight, on June 27th, three days before Gettysburg, when the nation's destiny hung in the balance; and the replacing of Johnston by Hood just before the fall of Atlanta, and the latter's ill starred invasion of Tennessee, to meet destruction by the Rock of Chickamauga, each and all must have been done at the direction of Divine Command.

Comrades, it is now nearly a half a century since the last battle of that Great Civil strife, the War of Humanity when the Nation joined with united purpose and from north to south, from east to west, the sons and grandsons of Federal and Confederate Veterans united under one flag to save the Pearl of Antilles from Spanish Tyranny, finally and forever sealed the doom of sectionalism. And now the song that should have been sung fifty years ago, "We are Marching Abreast from East to West for There is No North or South Today" is heard throughout this broad land.

On every battle plain, from the mountains to the sea, monuments more enduring than brass, have been erected to preserve the fame and to tell to posterity the glorious deeds of her patriotic dead. Grant and Lee, Johnston and Sherman, Thomas and Jackson, Joe Wheeler and Joe Hooker, Meade and Longstreet, Rosecrans and Bragg, Stuart, and Hancock, Sheridan and Gordon, Logan and Forrest, Meagher's Irish Brigade at Mary's Heights and Pickett's Division at Gettysburg and thousands of others on both sides spotless men of unblemished character, belong to no section but to the whole country. They are immortal names that were not born to die. Their fame is the common heritage of all. There is no antagonism now between the "Boys" who wore the "Blue" and the "Boys" who wore the "Gray."

Your paths are rapidly converging, each of you are now near enough to the last river to hear the roar of the waters. No longer are you enemies. Henceforth in all life's activities let us hope you will march side by side.

And now in conclusion, let us hope that from this gathering here today we have gained some lessons which we can carry to our homes. Lessons of Justice, of righteousness, of duty and patriotism. And may God bless and keep the spirits of our

## MID-SUMMER JUBILEE IS NEXT ON PROGRAM

Talk of Making Fountain Dedication Nucleus for Big  
Celebration in Buchanan.

The dedication of the proposed Memorial drinking fountain promises to be the nucleus for a big celebration in Buchanan. At a meeting of the Business Men's association last Tuesday evening, the matter was discussed and the sentiment of all present was in favor of going in for a big time about July 25, or at a subsequent date to be fixed as soon as it can be learned when the fountain will be installed.

Jack Bishop was instructed to communicate with the officers of the Chicago-Buchanan society with a view to ascertaining if the annual picnic of the society could not be transferred to Buchanan this year, in which event the dedication of the fountain would be fixed for the same date. If it can be arranged to have the picnic here, the attendance will, doubtless, be a record breaker.

Another proposed feature of the celebration will be automobile races on Day's avenue. Heretofore the races have been a big drawing card, and the program would be better than ever this time.

A mock election, to be conducted like the real thing, is another feature which is talked of. The national conventions will be over by the time the celebration takes place, and it is proposed to vote on the candidates for president and the county candidates.

A doll parade, to consist of little girls with their dolls may be another number on the program. Judges are to be selected to award prizes in this department.

Some novel features aside from those above mentioned are being talked of, and it has been suggested that the Front street pavement be washed and that tables be strung along in the center of the street for a big picnic dinner. In this event, an elaborate decorative scheme

would be carried out, and a balcony would be erected for the speakers and musicians.

The fountain is intended to commemorate the grand Home-coming celebration, and local live wires favor a celebration which will equal if not eclipse that of 1910, on the occasion of the dedication of the fountain. Everybody boost.

## MRS. WEAVER IS PILLAR OF FLAME

Explosion of Can of Wood Alcohol Sets Fire to Her Clothing.

Mrs. E. B. Weaver had a narrow escape from being cremated when a can of wood alcohol exploded at the Model laundry last Tuesday. Mrs. Weaver was generating a gasoline stove, and as the gasoline had burned out of the cup and the generator was not hot enough to make a blue flame, she picked up a can of wood alcohol, with a spring bottom, and when she injected some of the alcohol into the stove, the spring bottom in the can of alcohol sucked the flame into the can and an explosion followed and she was enshrouded in flame. She screamed and Mr. Weaver, who was in the wash room at the time, rushed out and, throwing both arms over her head, succeeded in smothering the flames with a rapid downward motion, although one of his arms was severely burned. Mrs. Weaver escaped unharmed.

Nettie T. Voorhees, piano teacher, is now ready to take a few more pupils. Phone 188 3r. 20p

Last Thursday night a Michigan Central baggage truck, together with the baggage thereon, was reduced to kindling wood and twisted iron at the M. C. station. The truck was taken out on the tracks to meet the Accommodation, due here at 6:37 o'clock from the west, when along came a through freight ahead of the Accommodation, and the through express train from the east. The truck was caught in between the freight and the express train, and was torn to pieces, while baggage was hurled in all directions. The truck was a new one, which had replaced the one which was recently destroyed when a freight train thundered into the local station just as a passenger train had stopped to let off and take on passengers.

### CLARK HAS BEEN LOYAL REPUBLICAN

Friends Say He Merits Place Because of Ability, Party Loyalty and Party Service

(Eau Claire Journal)

Chas. A. Clark of Galien, has given a lifetime's service to the Republican party but has never held a salaried office. He made the primary run four years ago but was defeated and then turned around and helped elect the man who had defeated him.

Chas. A. Clark has served on the Republican County committee for years—he has given liberally of his

CHAS. A. CLARK

time and money to support county tickets under the convention system of the past.

A Republican of county-wide prominence, who voices the sentiment of a large majority of the Republican voters of the county, made the following remarks about Mr. Clark's candidacy:

"If years of faithful service to the party, without emolument, counts for anything, Chas. A. Clark deserves the nomination he asks for."

"If contributing money to the county campaign funds, year after year, and in addition giving one's time to further the interests of all the ticket, counts for anything, Chas. A. Clark of Galien, should be nominated."

"If there is anything in ability and necessary qualifications, if there is anything in fair play, and Mr. Clark has ever practiced fair play, Chas. Clark should be nominated Republican candidate for register of deeds August 27 next."

Peters won his fourth straight game of the season Sunday afternoon, defeating the Ignites of South Bend, by a score of 1 to 0. It was a pitcher's duel from start to finish, and the twirlers pulled out of the hole on several occasions when it looked as though several scores would be piled up.

Although atmospheric conditions were unfavorable Sunday morning, the skies cleared in the afternoon and the weather was ideal. However, the attendance was not as large as would have been the case had the clouds rolled away earlier in the day.

### VICTORY ON MEMORIAL DAY

The Blues blanked the crack Berrien Springs team here on Memorial Day in the presence of a record-breaking crowd of fans, the score being 3 to 0. It was a good game from start to finish.

Next Sunday, the 9th instant, the Blues play a return game here with the Nationals of Niles. Great interest centers in this game, and it is expected that the Niles team will be accompanied by a large number of

fans. A red-hot contest is in prospect, and under favorable atmospheric conditions the attendance should be decidedly large.

### BUCHANAN DEFEATS GALIEN

The Buchanan High school team defeated the Galien High school team at the Buchanan baseball park last Saturday afternoon by a score of 6 to 0. Earl Graffort pitched for the local team and struck out nine men. The visitors got only four hits.

### DAY SACRED TO MEMORY OF HEROES

Continued from page one.

stainless heroes who on those hostile southern battle fields, fought and yielded up their noble lives during their country's crisis. Brave simple men. Pure in nature, patriotic in action, gallant in battle, and glorious in death.

Let us emulate the lives of these noble men who fought and died, some of whose graves, yonder and about me, I now behold, by placing our country's cause above every other cause, save that of God and home. Let us today reconsecrate our lives to this beautiful Republic, and determine to make the land won for us a garden of peace, of happiness, and religious liberty.

Let us ever impress upon the school children, and youths who marched with us today to this cemetery, with the pure and spotless flag of liberty in their hands, that this flag stands for all that is good, noble and great. That their forefathers fought and died to preserve its purity and maintain its honor. That if the time should ever come that they will be summoned to defend its integrity, they will march to battle with the song of the poet upon their lips:

"The lilly may droop and its white leaves fall,  
The rose from its stem may sever,  
The Thistle and Shamrock may fade away  
But under God's Providence, the Stars and Stripes  
Will float on and on,  
Forever and Forever."

### ANOTHER TRUCK SMASHED

Accident at Michigan Central Station is Repeated.

Last Thursday night a Michigan Central baggage truck, together with the baggage thereon, was reduced to kindling wood and twisted iron at the M. C. station. The truck was taken out on the tracks to meet the Accommodation, due here at 6:37 o'clock from the west, when along came a through freight ahead of the Accommodation, and the through express train from the east. The truck was caught in between the freight and the express train, and was torn to pieces, while baggage was hurled in all directions. The truck was a new one, which had replaced the one which was recently destroyed when a freight train thundered into the local station just as a passenger train had stopped to let off and take on passengers.

### TO HOLD JOINT MEMORIAL EXERCISES

Fraternal Orders to Decorate Graves of Deceased Members.

The K. O. T. M., M. W. A. and I. O. O. F. will hold joint Memorial exercises at Oak Ridge cemetery next Sunday afternoon, at which time the graves of deceased members of these orders will be strewn with flowers, after which a program appropriate to the occasion will be carried out.

The members of the above named orders will meet at their respective halls at 1 o'clock p. m., and at 2 o'clock the column will form on Front street, and march to the cemetery, headed by the Maccabee band. After the graves are decked with flowers, an address will be delivered by Rev. Mr. Watson. A male quartette will contribute several numbers to the program.

### NEW TIME CARD ON M. C.

A new time card went into effect on the Michigan Central railroad last Sunday. Several new trains have been added which do not stop here. The only trains affecting this station are No. 42, east bound, due daily at 2:51 p. m., which will arrive at 2:56 p. m.; No. 45, west bound, due daily at 2:38 p. m., which will be due two minutes later, and No. 49, west bound, Sunday only, will be due 24 minutes earlier, thus arriving at 6:50 p. m. instead of 7:14 p. m.

### PRIZES ARE AWARDED

On Memorial Fountain Tag Day, merchants gave purchasers of goods tickets for the cash prize drawing to take place Saturday afternoon, June 1, it being stipulated in the rules governing the drawing, that the holders of lucky numbers must be present to win prizes, else the drawing would go on until numbers held by persons present were drawn. Accordingly, H. A. Hathaway conducted the drawing on Front street last Saturday afternoon. Those who won the prizes, of \$1 each, are as follows: Mrs. R. O. Linsenmier, H. O. Weaver, Mrs. F. E. Peck, J. P. Beistle and Mrs. Alice Rumsey.

### DEATHS

In Lodi, Calif., April 28, John A. Graham passed away, aged 67 years. Death was very sudden, due to Cardiac asthma.

Mr. Graham served in the civil war, enlisting in Berrien county. He was buried under the auspices of the G. A. R. and Knights of Pythias. Besides a wife, he is survived by two brothers and three sisters, Henry and Joseph of Berkeley, Calif., Mrs. Ida Steiger of Glen Ellen, Calif., Mrs. Jane Wells and Mrs. Emma Clock of Chicago. Wm. G. Graham, living in the bend of the river, is a cousin of the deceased.

### ATTY. J. J. STERLING'S MEMORIAL ADDRESS

At Pipestone Sunday the memory of soldier dead was revered and honor done those still among the living. Atty. J. J. Sterling, the popular Benton Harbor speaker, de-

livered the address and his unusually masterly effort is probably accounted for in the fact that his father and grandfather were both veterans. In short, Mr. Sterling's heart is with the soldier dead and living and in his campaign for nomination as prosecuting attorney at the republican primaries he will doubtless have the support of the veterans.

Incidentally, Mr. Sterling's strength is growing every day and his supporters feel sure of his success.

### CLARK HAS BEEN LOYAL REPUBLICAN

Friends Say He Merits Place Because of Ability, Party Loyalty and Party Service

(Eau Claire Journal)

Chas. A. Clark of Galien, has given a lifetime's service to the Republican party but has never held a salaried office. He made the primary run four years ago but was defeated and then turned around and helped elect the man who had defeated him.

Chas. A. Clark has served on the Republican County committee for years—he has given liberally of his

time and money to support county tickets under the convention system of the past.

A Republican of county-wide prominence, who voices the sentiment of a large majority of the Republican voters of the county, made the following remarks about Mr. Clark's candidacy:

"If years of faithful service to the party, without emolument, counts for anything, Chas. A. Clark deserves the nomination he asks for."

"If contributing money to the county campaign funds, year after year, and in addition giving one's time to further the interests of all the ticket, counts for anything, Chas. A. Clark of Galien, should be nominated."

"If there is anything in ability and necessary qualifications, if there is anything in fair play, and Mr. Clark has ever practiced fair play, Chas. Clark should be nominated Republican candidate for register of deeds August 27 next."

Peters won his fourth straight game of the season Sunday afternoon, defeating the Ignitoes of South Bend, by a score of 1 to 0. It was a pitcher's duel from start to finish, and the twirlers pulled out of the hole on several occasions when it looked as though several scores would be piled up.

Although atmospheric conditions were unfavorable Sunday morning, the skies cleared in the afternoon and the weather was ideal. However, the attendance was not as large as would have been the case had the clouds rolled away earlier in the day.

### VICTORY ON MEMORIAL DAY

The Blues blanked the crack Berrien Springs team here on Memorial Day in the presence of a record-breaking crowd of fans, the score being 3 to 0. It was a good game from start to finish.

Next Sunday, the 9th instant, the Blues play a return game here with the Nationals of Niles. Great interest centers in this game, and it is expected that the Niles team will be accompanied by a large number of

fans. A red-hot contest is in prospect, and under favorable atmospheric conditions the attendance should be decidedly large.

### BUCHANAN DEFEATS GALIEN

The Buchanan High school team defeated the Galien High school team at the Buchanan baseball park last Saturday afternoon by a score of 6 to 0. Earl Graffort pitched for the local team and struck out nine men. The visitors got only four hits.

The local team expects to play the Dowagiac High school team here next Saturday afternoon.

### Ends Hunt For Rich Girl

Often the hunt for a rich wife ends when the man meets a woman that uses Electric Bitters. Her strong nerves tell in a bright brain and even temper. Her peach-bloom complexion and ruby lips result from her pure blood; her bright eyes from restful sleep; her elastic step from firm, free muscles, all telling of the health and strength Electric Bitters give a woman, and the freedom from indigestion, backache, headache, faintness and dizzy spells they promote. Everywhere they are woman's favorite remedy. If weak or ailing try them. 50c at E. R. Stauffer's.

The awful list of injuries on a Fourth of July staggers humanity. Set over against it, however, is the wonderful healing by Bucklen's Arnica Salve, of thousands, who suffered from burns, cuts, bruises, bullet, wounds or explosions. It's the quick healer of boils, ulcers, eczema, sore lips or piles. 25c at E. R. Stauffer's.

## Guard the Family Health

Health is often endangered by unsanitary cooking utensils. Physicians have found that cancer is caused by enamel ware chipping off and irritating the stomach.

If you have children or invalids in the family beware of cheap cooking utensils that crack, scale, peel off, tarnish or rust. Disease germs lurk in the worn places and there is further danger of tainting the food. Health is too precious to take risks with it.

Be safe. Use

## ROBT. H. JENNEY DIES SUDDENLY

Son Hurries to His Bedside at Marquette, But Arrival is Tardy One

Dowagiac: Robert H. Jenney, president of the State Savings bank of Dowagiac, passed away last Friday night at his home in Marquette.

His son, B. Bert Jenney, of this city, was wired for Friday, and started late in the afternoon for Marquette, but he did not arrive at his father's bedside before death came.

The father died from a fever, and was not sick for a great length of time.

He was a man of middle age and his only acquaintance with Dowagiac people came about through his visits to this city, a few weeks ago, while looking after the affairs of his son. His home has been in Marquette for the past several years, and he was there said to be engaged in the lumber business.

## RANKS ARE DWINDLING

Only Remnant of Custer Post Left—Memorial Day Exercises in Galien

Thinning ranks of blue Thursday were formed of the smallest number of veterans of the war of the rebellion that ever marched in a Memorial day parade in Galien, there being only 14 old soldiers in line. This handful of the survivors of the civil war marched with a remnant of the old-time fire under the glorious May sun. These are members of George A. Custer post, and accompanied by flower girls, wearing white frocks and crowns made of the national colors, they left the post headquarters at 10:30 a. m. in automobiles for the cemetery, where the graves of the honored dead were decked with flowers and flags.

At 2 o'clock, headed by the band and accompanied by school children, village officials and citizens generally, the veterans marched to Swem's grove, where a fine program was carried out.

Hon. R. B. Barr, judge of probate, delivered the address of the day, and the eyes of the veterans flashed and they straightened in their chairs time and again as the speaker eloquently reviewed the gallantry displayed by the "boys in blue" 50 years ago, and a reverent spirit pervaded the large audience during the exercises. The program was as follows:

Prayers, Rev. J. McKnight  
Music by choir  
Recitation, Leslie Chilson  
Ritual work, D. W. Swem  
Solo, Edna Hess  
Reading, Bernice Norris  
Address, Hon. Judge Barr  
Music, America  
Benediction

The various numbers on the program were interspersed with selections by the band.

## DEATH OF MRS. ROBERTS

Wife of Galien Business Man Passes Away

Mrs. Roberts, wife of C. A. Roberts, of the firm of Roberts Bros., died Monday afternoon at 3 o'clock, at the age of 31 years. Death was due to a complication of diseases.

Mrs. Roberts was a truly estimable and beloved young woman, and, while not unexpected, her death came as a shock to her many friends in Galien. She leaves a husband and three children, and a mother, Mrs. Murry, of DeKalb, Ill., to mourn her loss.

Funeral services were conducted at the Baptist church at 2 o'clock Wednesday afternoon. Interment was made in the Galien cemetery.

Galien defeated New Carlisle Dec. 14 by the score of 14 to 4. Warren, twirling for New Carlisle, pitched a good game, but received miserable support. He held the Grays to 10 hits and struck out 10 men, but his own wildness cost him several runs. Nash had an easy time of it, holding New Carlisle down to four hits and striking out 11 men.

Both teams played a listless game in the field and after Galien had obtained a good lead, just loafed along throughout the remaining part of the game.

This game was the last of a series of 3 games, Galien winning all of them.

Galien defeated Dowagiac last Sunday by the score of 4 to 1, in a

good, snappy game. Both teams played good ball, Dowagiac making 5 errors while Galien made 3. Nash pitched one of his best games of the season, and received excellent support in tight places and held Dowagiac to 8 hits.

Smith, of the visitors, held Galien to 9 hits, but the Grays hit the ball when hits meant runs. Galien scored one in the first inning and one each in the 4th, 6th and 8th innings, while Dowagiac did not score till the ninth.

## Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. Cheney & Co., Toledo, Ohio.

### CURE YOUR KIDNEYS

Do Not Endanger Life When a Buchanan Citizen Shows You the Cure

Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a tested remedy is offered them?

Doan's Kidney Pills is the remedy to use because it gives to the kidneys the help they need to perform their work. If you have any, even one, of the symptoms of kidney diseases, cure yourself now; before dropsy, or Bright's disease sets in. Read this Buchanan testimony.

Mrs. E. H. Murphy, S. Portage and Chicago streets, Buchanan, Mich., says: "I do not hesitate to recommend Doan's Kidney Pills for use in cases of kidney trouble. They relieved me of backache and other symptoms of disordered kidneys, in fact helped me in every way. Other members of my family have used this medicine with excellent results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

**MORE Milk from cows!**  
Work from horses!

Protect your stock from flies and you'll make more money. Animals that are pestered by flies simply cannot properly digest their food. Why spend money buying special feed and then let the flies rob you of your profit? Shoo-FLY kills every fly it strikes. Free your stock from flies by spraying them with SHOO-FLY and they'll take on flesh immediately. Your cows will give one-third more milk and your horses will do more and better work. Protect your stock and get the profit that belongs to you by spraying them with

# Shoo Fly

The Animals Friend

It will keep off flies and all other insects longer and more effectively than any imitation. Animals tire themselves and injure limbs, hoof and muscle more by stamping than they do by work. Half a cent's worth saves three quarts of milk a day. One gallon protects 3 animals a whole season. Saves its cost immediately. A trial will convince you. Cures all sores. Does it quicker and avoids infection by keeping off flies. Heals from the bottom with practically no scab. Nothing better for galls. Prevents itching. Used and recommended by leading veterinarians and dairymen since 1885. Poultrymen everywhere find it invaluable for killing all lice and mites in poultry houses. Come in and let us tell you all about this excellent preparation. We know from actual experience what it will do. You can't afford to be without it.
