NUMBER 25

TO CELEBRATE HER 94TH BIRTHDAY ANNIVERSARY

Mrs. Lydia Schram, Who Has Lived Nearly a Century, Remarkably Well Preserved—Came to Buchanan in 1858.

One of the most convincing refutations of the theory that all interest in terrestrial things is lost after the biblical three score years and ten have been lived by a human being, is found in the person of Mrs. Lydia Schram, widow of Valentine Schram, deceased, who resides on Portage street. Mrs. Schram is remarkably well preserved, both physically and mentally, and takes a keen interest in current events, notwithstanding that she will be 94 years old on the 27th instant. She was born about 15 miles from Niagara Falls, in Canada, in 1819, the year Queen Victoria was born, and the year that the first steamboat, called "Walk-in-the-Water," made its appearance on the western lakes and passed Detroit on its way to Mackinaw, the result being that the promise of quicker transportation for what they raised on their land greatly aided Governor Cass in his

Old Dewey Avenue School.

efforts to attract settlers to the territory of Michigan, and a year later Michigan was found to have a population of 8,896, which Mrs. Schram has seen grow to nearly 3,000,000, the 13th census of the United States, taken in 1910, giving Michigan a population of 2,810,173. The population of the United States, as per the census of 1820, a year after Mrs. Schram was born, was 9,338,453, which, as per the census of 1910, was 91,972,336 in that year, exclusive of outlying possessions.

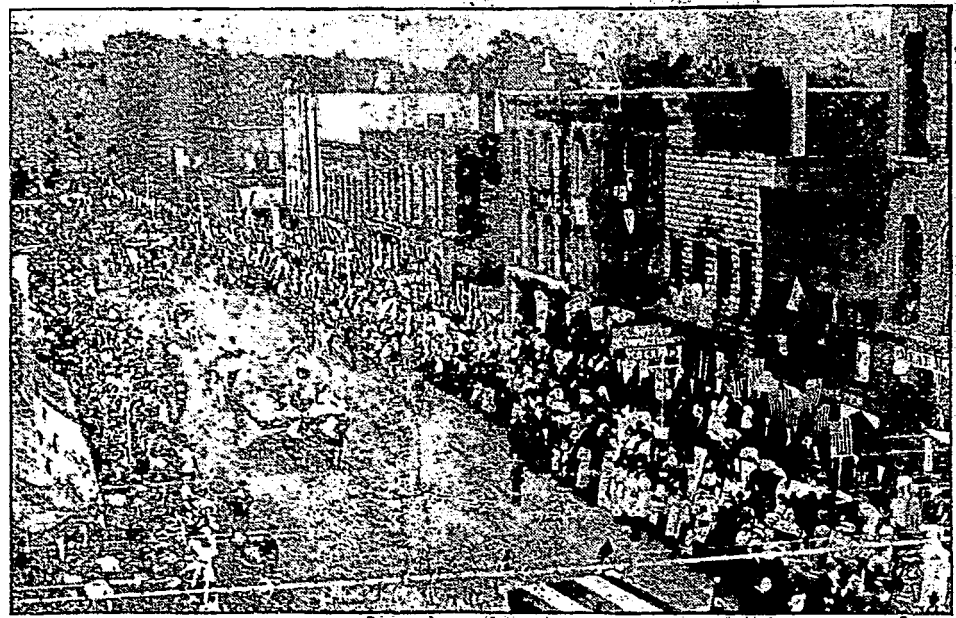

Mrs. Schram was one of a family of 12 children, and is the only one of the family still living. She was married at St. Catharines, Ont., Canada, in 1839, just two years after

the accession of Queen Victoria, which event she remembers distinctly well. Five children were born to Mr. and Mrs. Schram, three of whom are still living, the oldest being 72. Mrs. Schram also has nine grandchildren, eleven great-grandchildren and four great-great-grandchildren.

In 1858, when the dispute about slavery was raging, Mrs. Schram came to Buchanan with her family over the Michigan Central, which was built through here in 1849. Mrs. Schram says the town was a mere hamlet at that time and was able to boast of but two brick buildings; viz., the Dewey avenue school and the J. D. Ross home on Front street, now owned and occupied by E. W. Sanders. The day residence was the only house on Portage street at that time, she says.

James Monroe was president when Mrs. Schram was born, and the purchase of Florida was made in that year, 1819. Mrs. Schram was four years old when the Monroe doctrine was declared, and three years old when Grant was born, Apr. 27, 1822. She recalls the great fire in New York in December, 1835, and in recalling reminiscences of the long ago her eyes light up with a fire the years have not been able to entirely extinguish. She is still able to read with the aid of her glasses and peruses the newspapers carefully, thus keeping fully abreast of the times.

Mrs. Schram's maiden name was Lydia Ryckman. Her husband died six years ago at the age of 92 years. They had been married 68 years. Mrs. Schram well remembers the first train in the country, which was run over the Baltimore and Ohio railroad in 1830. She recollects with a fervor the first friction match brought about, and she saw the cast iron plow supplant the primitive wooden affair, and the modern reaper relegate the old-fashioned cradle to the rear, and many wonderful changes brought about through science, invention and discovery. When Mrs. Schram was 14 years old (1830) Chicago was named, it then having 600 population.

AN ENJOYABLE HOLIDAY OLD SETTLERS

Annual Picnic of The Moccasin Club at Clear Lake on the Fourth

A big tub of delicious spring chicken, potato salad by the barrel, mountains of sandwiches, cabbage salad in quantities, 30 gallons of ice cream, cake galore, boiled hams innumerable and lemonade by the barrel with coffee in similar quantities were part of the materials used in making up the menu for the Moccasin club's annual picnic.

The club gratefully accepted the offer of Chas. F. Pears to donate the use of the Clear Lake Farm resort for the use of the club on the 4th, and that no mistake was made in the selection of this beautiful spot was evinced by the club's unanimous verdict of "the best picnic we ever had."

Of the 53 resident members of the club, 46 were present with their families and out-of-town guests, the total number present being estimated at 150.

The members and their families were conveyed to the picnic grounds by the autos of the members, some making two and even three trips in order to accommodate all.

Dinner was served at 3:00 and the afternoon was devoted to various sports, games, bathing, etc. Luncheon a la carte was ready at 7:30 p. m., after which a fine display of fireworks was presented. Dancing was the evening's diversion and all arrived home at 10:30 p. m., thoroughly tired out and happy in the hope that next year's picnic will be equally successful.

ARE BACK HOME

Mr. and Mrs. S. C. Quint Come From Iowa for a Visit.

Mr. and Mrs. S. C. Quint, of Carroll, Ia., who are well known former residents of this vicinity, are visiting relatives hereabouts.

Mrs. Quint was formerly Miss Mary Broceus. Mr. Quint says he left here in 1867 and engaged in farming in Iowa, where improved farm lands sell for as high as \$250 per acre now. Mr. Quint owns a section of land in Montana in addition to his Iowa holdings. His sons farm the Montana land, which he bought for \$30 per acre, with the growing crops thereon. The first year the land yielded 9,000 bushels of wheat, the third year, 14,000 and last year 15,000 bushels without irrigation. The land is worked only every other year, however.

THEATRE CHANGES HANDS

P. A. Grafton, New Proprietor, to Make Commendable Innovations

The Bell, Buchanan's popular motion picture theatre, has changed hands, Mrs. M. Donovan having sold out to P. A. Grafton. Mr. and Mrs. Donovan left the Fourth for Lincoln, Neb.

Mr. Grafton states that it is his intention to show only the best grade of pictures, with an entire change of program every night. In the near future the building is to be remodeled, the changes contemplating the installation of a fireproof concrete booth, opera chairs, etc.

SOLD STOCK IN FAKE GOLD MINE

Carmi R. Smith of Niles Swears Out Warrant For Man Now Held in The Laporte County Jail

A warrant was issued Saturday for the arrest of Abner Giffin, erstwhile president of the Apex Gold Mining company of the state of Washington, charging him with defrauding Carmi R. Smith, prominent Niles resident, out of \$1,000. The warrant was sworn to by Mr. Smith. He alleges Giffin had approached him some time ago with the proposition that he invest in 2,000 shares of the above mentioned company represented as being without debts and producing ore in paying quantity. Investigation disclosed the fact that the paper was worthless, and after he had paid in \$1,000 on the purchase price Mr. Smith found the fraud.

HELD IN LAPORTE

Giffin is at the present time incarcerated in the Laporte county jail facing a sentence for the same charge as the one now preferred against him. It is said the man has operated in this locality and the northern section of Indiana. He will be brought to this county on the expiration of his sentence at the Indiana prison. It is said a number of Nilesites were victimized by Giffin.

Tickets for the Niles Chautauqua, beginning July 23, are now on sale at the First National Bank at Buchanan.

Mrs. Elton, Myer of South Bend, is visiting her grandmother, Mrs. Chas. Simmons, and family.

WOULD INSTALL FOUNTAIN-CLOCK

If Council Takes Favorable Action Tonight, There'll be Something Doing

It is expected that tonight the council will re-consider a motion to appropriate not to exceed \$150, to be used in assisting in defraying the cost of installing a combination sanitary drinking fountain and town clock at a location as yet to be chosen on Front street. The fund raised on Memorial Fountain tag day here over a year ago added to that raised by the Chicago-Buchanan society amounts to about \$350, and from \$100 to \$150 more is needed to install the proposed handsome combination fountain and clock.

If favorable action is taken by the council, arrangements will be made for a celebration to take place one day during Chautauqua week, August 21 to 28, on which occasion the Memorial Fountain would be dedicated, and members of the Chicago-Buchanan society, and other "Wanderers" would be invited to be present. The Buchanan Merchants' association is behind the movement, and President E. S. Roe is in receipt of the following letter from F. T. Plimpton, President of the Chicago-Buchanan society:

Chicago, July 1, 1918.

"Mr. E. S. Roe, Buchanan, Mich.

Dear Friend Ellis:

Your letter of June 27 has just been read by the writer as he returned from the East last night. Relative to the purchase of a drinking fountain, I wish to assure you that the recommendation which you have suggested, that of a Fountain-Clock, will doubtless meet the approval of the Chicago-Buchanan society; at least I will take it upon myself to guarantee that the funds which are here will be at your disposal along with yours. There is one thing which the writer regrets and that is, that we did not go on with another campaign of soliciting funds so as to secure a sufficient amount to put up this Fountain without the co-operation which was so freely advanced by the citizens of Buchanan, and if it had not been for the fact that this was to have been put up by a number of small subscriptions, this fountain could have been erected long ago and the same dedicated last year.

The picture sent by Mr. Desenberg will be returned to him and I will take up the matter which you have suggested of having a sort of Home Coming so that former residents of Buchanan now living in Chicago, can attend if desired by you. Our annual picnic occurs this year the last Saturday in August. I will call together the members of the Executive committee for lunch in the near future when this matter will be acted upon.

Trusting that the coming Chautauqua may have a large attendance and that the efforts which you are making will be conducive to the best interests of all who may attend and to Buchanan herself, with best regards,

Very respectfully yours,"

Crystal Springs Camp Meeting.

Preparations are moving forward for the opening of Crystal Springs camp meeting near Niles July 31. The ten days will be a feast of good things. The best program ever presented is on for the current year. Evangelism and schools of methods will be combined. R. G. Heiskey, the evangelist, will speak at 8 a. m. and 7:30 p. m. daily.

ROBERTSON'S GREAT EXPANSION SALE PATRONS HAVE CAR FARE REFUNDED.

Those who attend "South Bend's Greatest Merchandising Event" and buy to the extent of ten dollars' worth or more can have just what it cost them for transportation refunded by showing their return ticket. This gives you an equal chance to share these unequalled offerings on a basis with even South Bend people.

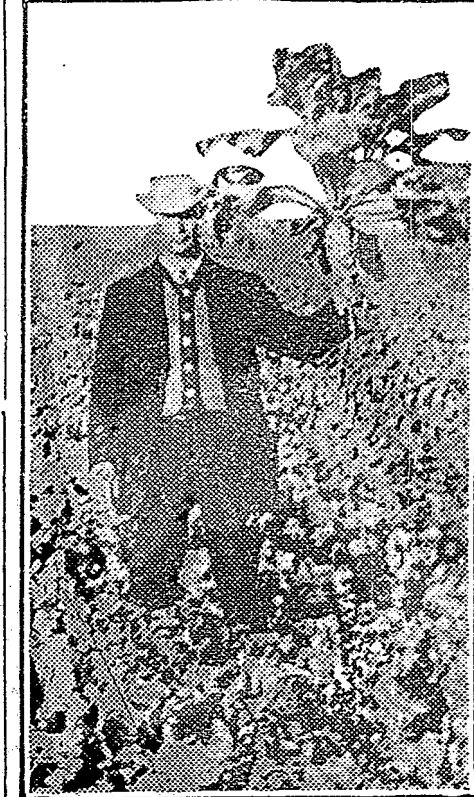

The Great Expansion Sale at Robertson's is being held in connection with the inimitable July clearance sale for which the big store is famous.

Desenberg's big July Clearance Sale commences Saturday.

UNIQUE ACHIEVEMENT IN CIRCULATION BUILDING

The Record Welcomed in Every Home on Route Over 26 Miles Long—Beautiful Countryside Is Adapted to Growing Numerous Crops.

To have the head of every family on a rural route 26½ miles long and traversing a fertile and populous territory, as a regular subscriber is an achievement that few publications are able to boast of. However, The Record goes into every home on Rural Route No. 2 out of Buchanan,

Sugar Beet Field West of Buchanan, Just Before Harvest Time.

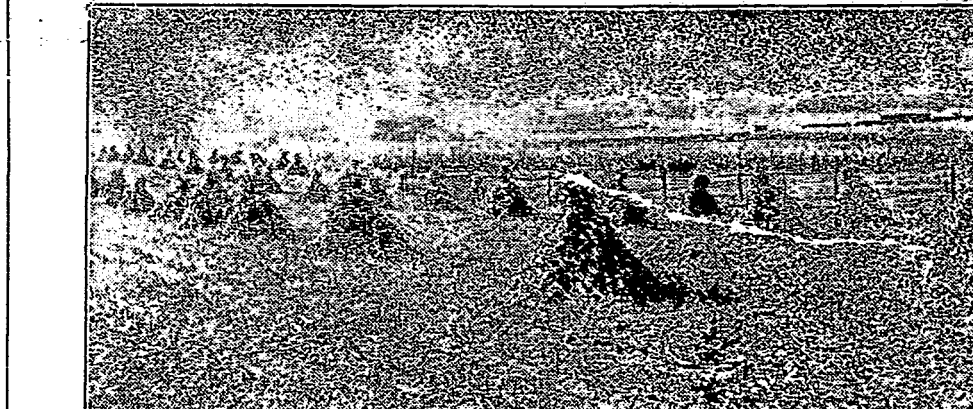

and misses but few homes on the other three routes. Wm. Ingles is the efficient and obliging carrier on Route No. 2, which runs in a north-westerly direction through a favored and favorable countryside unsurpassed in natural resources and splendid possibilities. Mr. Ingles drives an automobile, as do the other

is a semi-fruit and grain country. For fruit Berrien county has always held first rank. The fruit industry is largely diversified and we grow with marked success apples, pears, quinces, peaches, grapes, blackberries, dewberries, raspberries, currants, strawberries and large areas of nursery stock.

James Scott, carrier on Route No. 3, covers a large area southwest and west. This territory is devoted largely to the growing of wheat, corn, oats, barley, rye, timothy, alfalfa, potatoes, beets, etc., as is the countryside covered by Wm. Rose, carrier on Route No. 3, which runs southwesterly. In fact, everything can be grown in Berrien county that can be produced in the temperate regions. Aside from the crops above mentioned, we grow large commercial areas of asparagus, melons, tomatoes, mint, celery, peas, beans, golden seal, ginseng and many other unusual crops.

The carriers on the four routes out of Buchanan are capable and painstaking men, who give splendid satisfaction to patrons on the routes, and The Record is always promptly delivered, as is all other mail.

The Record has a wide circulation in and about Galien, having absorbed the Galien Advocate, and also circulates freely in and about Dayton, Three Oaks, New Buffalo, Glendora, Baroda, Portage Prairie and other points, Buchanan being the business center for a wide territory. To the north of us there is no town as large as Buchanan within 25 miles, to the south there is no town whatever within 14 miles, and to the west

"When the frost is on the pumpkin and the fodder in the shock"

carriers, during the summer months and covers his route in about two hours, except on Fridays, when he stops at every house to deliver a copy of The Record.

Edward Ashbrook is carrier on Route No. 1, which runs in a northerly direction toward the famous Berrien county fruit belt, and which

there is no town as large as Buchanan within 30 miles.

The Record has a large number of correspondents in the rural districts, devotes eight pages to home news, and has nearly 2,000 circulation in a rich territory with great purchasing power.

CLEAR LAKE NOTES

The Fourth of July was quietly celebrated at Clear Lake. While there were hundreds on the grounds, it was a sane Fourth. The Moccasin club had a beautiful night fireworks display on the west side of the lake, at the old Cook farm.

H. M. Rubel surprised his family, now in the Kean cottage, by running up from Dallas, Texas. He will remain for a month.

Miss Flossie Rozelle, of Dayton, spent the Fourth, fifth and sixth with Miss Hazel Burgoyne.

Margaret North, of Chicago, spent the Fourth as a guest of the Krusings. She and her friends passed through Buchanan without noticing the stop, on July 3.

William H. McOhee, of Chicago, was a guest of J. "Hank" Rubel over the Fourth.

E. M. Colvin, with three sons and daughter, motored over from Chicago Sunday.

Jay Colvin finished up his college days by graduating with honors from the university of Illinois and will enter into a business career, commencing this fall.

E. M. Colvin and daughter, Ruth, and E. S. Williams made a night auto run into Chicago Sunday night, making it in exactly five hours from Clear Lake to a point five miles north of State and Madison streets.

Robert Lester Rough, now of Armour Institute, Chicago, spent the Fourth with his parents, Mr. and Mrs. H. Duffey Rough.

Mrs. Samuel Hancock, who is spending the summer at Clear Lake, is entertaining her mother, Mrs. Hattie Wire, of Chicago, and an

aunt from Cleveland, Ohio. The cottagers expect to have telephone connections shortly.

Members of the Buchanan Columbian Camping club, and other people located in the vicinity of Buchanan, are fortunate in having a beautiful body of water, such as Clear Lake, and should enjoy it even more than they do. Picnics could be held on the grounds often, and all could enjoy it.

Automobile drivers should avoid driving along Lake front up to Pete's place, as small children are usually wandering about without attendants.

Jack Bliss and wife, of Chicago, the latest "newlyweds" of the Bachelor club, were up for the Fourth.

Remember your policy is worth more than your chest after the fire. 20 ct Herbert Roe.

Ex-Mayor J. E. Paden of Evanston, Ill., who has a beautiful summer home here, has purchased a Victor Victoria at Ellsworth's Corner Pharmacy. Mr. Paden, who has been an extensive traveler, and who has heard many of the grand opera singers in the large cities of the world, states that he marvels at the perfect reproduction given by the Victor Victrola.

George N. Otwell, commissioner of schools of Berrien county, has been appointed assistant superintendent of public instruction. The appointment was made yesterday at Lansing through the office of W. L. Wright, state superintendent of public instruction. The position pays a salary of \$1,800 a year. Mr. Otwell will resign the Berrien position to take the other one.

**SPORTING
NOTES**

Niles copped off the first engagement of the series with the Blues here last Sunday 7-3. Notre Dame's crack pitcher, who masquerades under the name of Smith, was on the mound for the visiting team, and while the home boys connected with his curves for 14 hits, they were scattered.

Peters pitched for Buchanan and allowed 11 hits. He had good control and would have won the game had it not been for a second's hesitation before throwing to first in the second inning, when the visitors got a flying start and scored five runs. In this inning, Umpire P. A. Graftort was struck by a foul tip which dislocated his collar bone.

Matthews made a home run and Bruce scored the only other run. Buchanan landed, although in the last half of the eighth it looked for a time as if the Blues would win, as the first three men up to bat were on the bases, with none out. But Smith failed to weaken and pulled out of the hole.

The attendance was good, quite a number of fans from Niles being among those present. The second game of the series will be played in Niles next Sunday afternoon.

ONE OF THE COMING BIG EVENTS IN THIS SECTION OF THE STATE**

TYPICAL SCENE AT A REDPATH CHAUTAUQUA

THE forthcoming Chautauqua which is to be held here will be one of the big events of the season in this section of the state. The above photograph illustrates a typical crowd at one of the Redpath Chautauquas. There are today nearly 1,200 Chautauquas in the United States and Canada. In fact, the Chautauqua has become one of America's great institutions, and the idea has already spread to England and Japan. In 1872 there was not a Chautauqua in the world. In 1873 Bishop John H. Vincent and Lewis Miller inaugurated at the spot now called Chautauqua, N. Y., the original institution. Today Chautauqua, N. Y., is the summer center for 10,000 people, and its hotel, bathhouse and equipment represent a cost of millions.

But, although thousands of people go annually to Chautauqua, N. Y., from all parts of the United States, the great mass of American people would never get to a Chautauqua if they had to travel far from home. The recognition of this fact brought about the decision to take Chautauquas to the people everywhere. The movement a few years ago began to spread rapidly. Today there are operated from the Redpath headquarters in Iowa, Kansas City and Chicago nearly 600 Chautauquas. Only the best talent is engaged, as high as \$15,000 having been paid by the Redpath for a single attraction for the Chautauqua season. Every year the number of Chautauquas grows, and there are more requests annually from towns wishing to be Chautauqua centers than can possibly be granted.

BY THE STORE THAT DOES THINGS

First Birthday Celebration

Our First Birthday Celebration Begins Thursday, July 10th

OUR NINE-DAY CELEBRATION SALE

In Every City, In Every Community There Must Be One Leading Store,

One store to initiate, to stimulate and encourage enterprise. We have made improvements from the time we opened this store a year ago, keeping a little ahead of the progress of the city, and we can say, without fear of contradiction, that we have the reputation of giving the best values for the money in South Bend.

Ever since the establishment of this business we have had confidence in South Bend and her future.

To rightly celebrate our first birthday we are going to offer some wonderful bargains that will astonish you. These items will appear only this one time in the paper, but will be on sale for nine days, so do not fail to take advantage of the wonderful savings offered in this ad. Hundreds of not advertised Birthday Bargains will greet you in this store. Come, take advantage of the Special Birthday Gift Bargains.

Mr. and Mrs. M. W. Hicks of South Bend, are guests of Mr. and Mrs. J. L. Knight.

Buchanan came nearer to having a "safe and sane Fourth" this year than ever before. There was a decidedly noticeable absence of the explosion of giant crackers and other heavily charged and dangerous explosives, and, aside from the irrepressible small boy with his firecrackers, torpedoes, etc., there was little to recall the old-time Fourth with its senseless din and ear-splitting explosions.
