

CLARK CO. MAKING BROAD EXPANSION

SPENDING \$250,000 FOR NEW BUILDINGS IN BUCHANAN

WILL ADD OVER 200 MEN TO PAY ROLL

MODERN OFFICE BUILDING ALSO TO BE BUILT AT BATTLE CREEK, GOING DAY AND NIGHT

The Clark Equipment company has entered upon a program of broad expansion forced by a very rapid increase in their business which is coming to them faster than manufacturing facilities are adequate to absorb. This is occasioned by a return to normal business conditions in the United States and the fact that the company's policy is to turn out the best possible product and to keep ahead of the mechanical trend and demand for new and better automotive units.

The company has let some contracts and will let another within the coming week for additional buildings that will run the grand total in cost up to above the \$250,000 mark.

A two story ware house is now being built just east of the drill shop. This building will conform in type of construction to the present buildings, that is, of hite brick and steel and as nearly fireproof as it is possible to build. This building will be 30x260 feet in size. Another building is now in the course of construction on the east of the wheel shop. This building will be of the same type of construction, 80x300 feet in size, one story in height, and will be used to expand the axle and drill manufacturing facilities.

According to President E. B. Clark, when the new buildings are completed, an additional 200 or more men will be added to the pay roll, meaning that more than \$20,000 per month will be paid out in wages in Buchanan monthly in addition to the present large pay roll.

Expansion is also taking place at the Battle Creek plant of the company. The building program contemplates the erection of an office building there, two stories in height, 38x94 feet in size, modern in all of its appointments. The offices in Battle Creek are now housed in the same building in which Tractorators are being made and the space they occupy is needed for the expansion of the Tractorator business.

Vice President Frank Habicht states frankly that the Clark company is reluctant to enter upon an expansion program at the out of town plant and is doing so only because the building program contemplates the erection of an office building there, two stories in height, 38x94 feet in size, modern in all of its appointments.

The Battle Creek plant is now employing about 350 men, the Berrien Springs plant is employing 60 men, building transmission cases and covers, and over 900 are employed in the Buchanan plant. All plants are working day and night and are steadily increasing the working forces.

One of the new units being made by the Clark company is a four-speed transmission for two-ton trucks. This new unit was put on the market just a few months ago and was immediately accepted by truck builders because of its utility, stability and necessity. Truck users in which this Clark transmission is installed find that it adds materially to the flexibility and haulage power of the truck.

If Buchanan is to capitalize on this expansion program of the Clark company and keep the money earned in Buchanan here it behooves every one to get behind a house building program of some sort and give forth best efforts to see that it is carried through that homes may be provided in Buchanan for the men employed in Buchanan and thus keep Buchanan earned money right here where it belongs. Possibly one of the best ways to encourage house building is to invest spare cash in stock of the Buchanan Building and Loan association. There is enough money thrown away annually in worthless stocks and bonds, and often times against the advice of the local banks, to finance the building of sufficient homes to take care of the people employed here. If any out of town building wants to come in and build houses, encourage him, keeping in mind that it is not your money he is spending and that every house he builds adds to

GAFFILL OIL STATION IS MUCH IMPROVED

The Gaffill oil station, the pioneer gas station in Buchanan, has completed the installation of three new pumps and concrete driveways which make the pumps much easier of access than were the old ones. Cars may now drive up and away without the necessity of making sharp turns and the danger of colliding with traffic has been done away with.

Frank Strunk, the local salesman, reports business in his territory as showing much improvement and increased sales, indicating an upward trend of business.

THREE YEAR OLD BURNS TO DEATH

LEO SIMON DIES AFTER RACE TO HOSPITAL WITH MOTHER AND BROTHER

A race against death by mother and brother proved futile Monday when Leo Simon, three-year-old son of Mr. and Mrs. Geo. Simon, died from burns at St. Joseph's hospital in South Bend.

The child had been left in the farmhouse, located one mile northeast of town, while the parents and older brother did the outdoor chores in the morning. The older children were at school at the time of the accident. Just how the child's clothing caught fire is not known although a fire was discovered in flames at 9:30 Monday morning.

Accompanied by his 21 year old brother, George, and his mother, the child was rushed in an automobile to the South Bend hospital, where all efforts to save him proved futile. He was fatally burned about the chest and back, dying at 6 p. m. Monday.

Born in South Bend August 29, 1924, the child was brought to Buchanan soon afterward, where the parents purchased the farm, formerly owned by Ed. Arney. Four sisters and three brothers survive. They are Mrs. Carl Lilly of Detroit; Mary, Anna and Josephine at home and the three brothers, George, John and Joseph, also at home.

Funeral services were conducted at 2 p. m. Wednesday at St. Stephen's Roman Catholic church at South Bend with the Rev. Lawrence Biro officiating. Burial was in Highland cemetery.

CLOTHING EXPERT COMING NEXT WEEK FOR LESSONS

Miss Carrie Williams, extension specialist from the Michigan State college, will be in Berrien county on Sept. 27th and 28th for the first training meeting for the leaders who are to study Clothing Project II this year and who completed Clothing Project I last year.

Twelve sewing groups are organized in the county, six groups in the southern part and six in the northern part. Two leaders from each group will meet the specialist on one of these days and get the lesson on cutting and fitting of garments and then relay this lesson to the members of their own organized groups.

The county agent is urging each leader to be present at one of these meetings.

3 PATIENTS LEAVE HOSPITAL

Three patients at Clark hospital have improved to such an extent that they will be taken home the latter part of this week. Mrs. John Burnett will be taken to her home on Main street, after undergoing an operation recently. Fred Reinke will leave the hospital Saturday after a ten day stay there and John Lake will also go home after being a patient there for two months. Josephine Gross is also reported to be improving.

The taxable valuation of the town, and that your taxes are automatically lowered by his building activities. And further, that when his houses are occupied the occupants start spending money of necessity which contributes to the prosperity of the town and that directly or indirectly some of this money finds its way into your pocket.

Len Wright of Galien, was taken to the county jail Tuesday night by Deputy Sheriff Dunbar, because of failure to pay alimony to Mrs. Wright.

TOWNSHIP LIBRARY OPEN FOR READERS

ADDITIONAL 50 VOLUMES HAS BEEN ADDED TO RENOVATED COLLECTION

Circulation of the books at the Buchanan public library on Main street began again this week with the completion of the cataloguing. There are now a total of 3,269 books ready for readers of the township with an additional 50 to be added within a few days.

The new collection of half a hundred volumes has been ordered new from the publishers and is expected here within a few days and will be ready for circulation within ten days, it is hoped.

New writings by contemporary authors make up the list for the most part, with several of the latest books on historical figures as outstanding additions. The list, although tentative, contains such books as "Not a Bathing Suit in Russia," "Napoleon—A Man of Destiny," "The Preparation of Calvin Coolidge," "Mother India," "Ring Lardner's 'Story of a Wonderman' and Burman's 'Story of Behaviorism'." A new volume of "Who's Who for 1927" will also be in the publisher's shipment.

The greatest immediate need of the library has been described by librarians in the form of new shelving. The present arrangement is obsolete with many of the books not being able to be arranged uniformly in the collection and with no opportunity for dusting the volumes without removing them from the shelves.

The work of recataloguing the library under the Dewey decimal system has occupied a period of three months with every book being inspected and placed in its proper division. Every volume has been numbered and given a card according to the standard form of marking smaller libraries and allows for growth.

Renovating that only included the mending and numbering of the books but also putting a waterproof coat of shellac on them. A large number of volumes have also been rebound. The fact that a large quantity of very valuable old books were included in the library, makes the renovating of the books especially important.

MATCHES CAUSE CHILD'S DEATH

EAU CLAIRE HOME IS WIPED OUT AS SLEEPING CHILD IS BURNED TO DEATH IN SECOND STORY

The using of matches for playthings led to the death of Lorraine Lemke, 2, and the destruction of the Martin Romanick home located a quarter of a mile north of Eau Claire Wednesday afternoon.

Mrs. Romanick, accompanied by her sister, Mrs. Frank Lemke, went to Benton Harbor on a shopping trip Wednesday afternoon leaving Lorraine with the two Romanick children. During the absence of their parents the children played with matches, starting a blaze that rapidly grew in danger.

Lorraine Lemke was sleeping in the second story of the house at the time of the fire. Realizing the danger, Theodore, 7, the elder of the Romanick children, took his playmates into the yard but was unable to rescue the sleeping child from upstairs.

Frank Lemke and Martin Romanick are both employees in the car repair department of the Michigan Central railroad at Niles.

DAVID MURPHY REPORTED BETTER AFTER WRIST CUT

David Murphy, 73, who suffered a deep gash in his right hand last Wednesday, has recovered enough to return to his work at the Spinks Manufacturing company early this week.

Murphy was at work in the Niles plant when a chisel slipped, cutting a deep wound in his right wrist. Five stitches were taken in the arm. Mr. Murphy resides at the corner of Moccasin and Fourth street.

CALL FOR CLOTHING SENT OUT FOR BUCHANAN'S POOR

A call for clothing to be distributed among people of Buchanan was sent out yesterday morning by the United Charities association. Warm clothing of all kinds to fit men, women and children are needed. All contributions may be left at the Buchanan State bank.

Mrs. Ed. Rouselle and baby were able to return home from the Clark hospital Sunday.

Crowds Visit Flower Show; Over 5000 Gladioli Bloom Exhibited

BOARDMAN'S PLAN TO ADD TULIPS TO THEIR LARGE FLOWER GARDENS

An array of 5000 gladioli filled the second story room over the Boardman store last Saturday when Mr. and Mrs. D. L. Boardman held their third annual flower show.

Practically every color of the rainbow was represented by the gladioli, arranged in attractive groups throughout the room. Many of the cuttings were made from prize winning plants and there were also several unusual displays of odd colors.

Among the latter were gladioli of rose ash shade, deep corise, and odd cross buds. Two groups resembled lilies, one of pure white and the other a Bengal Tiger variety.

Colors ranged all the way from

delicate shades of chaste pink to dark maroon that deepened to almost black. The group of lavender gladioli were especially admired by visitors.

In addition to the gladioli Mr. and Mrs. Boardman had a display of coxcomb and ageratum and Mexican tuberose. The latter filled the room with the fragrance of their blossoms. Mr. and Mrs. Boardman also plan to add tulips growing to their already large fields.

The Boardman gardens, admired by villagers is located on a plot between Roe and Chicago street and now covers a large tract. Gladioli have grown as high as five and a half feet there, according to Mr. Boardman.

The raising of flowers grew out of a hobby until it is now the largest single garden of its kind in Buchanan.

SISTERS BECOME U. S. CITIZENS

CHILDHOOD SPENT IN LITTLE FISHING TOWN ON THE COAST OF NOVA SCOTIA

Among the eighteen petitioners to receive final citizenship papers at the naturalization examinations held before Circuit Judge Charles E. White at St. Joseph court house Thursday afternoon were Nellie W. Mills and her sister, Elsie May, of 918 N. Main street. Both were natives of Nova Scotia.

The two sisters came to Buchanan 10 years ago with their father and stepmother. Both were small girls at the time. The education which they had begun in the north country was completed here where they graduated from the local high school, Nellie afterward attending Western State Normal.

The two lived in their younger days at Linden, a small fishing town on the west coast of Nova Scotia, not far from the larger town of Amherst, county seat of Cumberland County. Herring and silver fox farming were then two of the principle means of livelihood at that place.

Buchanan became their home through their mother, Mrs. Melinda Mills, who wanted to be near her sister, Mrs. J. C. Bates, living north of here. The family later moved here from Midland, Mich.

"I don't suppose I'll ever go back to Nova Scotia," said Miss Nellie Mills. "The summers are of course, ideal there."

Torres, she said were just beginning to appear on the streets of her native town when she left there. She has never been back since leaving the little fishing village as a girl, although she has visited in Saskatchewan.

Saturday she returned to Flat Rock, Ohio, where she is a teacher in the Evangelical Children's home, instructing intermediates among the 100 boys and girls who are there. Her sister, Elsie May is at home here.

BUCHANAN KIN MARRIES AT 76

WILLIAM HUSS AND BRIDE OF 67 HAVE RELATIVES IN BUCHANAN

Relatives here received word this week of the marriage of William Huss, 76, of South Bend, and Mrs. Mary McConaughy, 67, of the same place last Thursday evening.

The wedding ceremony, performed by Rev. M. E. Hawkins, pastor of the First Baptist church of Mishawaka, united the oldest couple in his experience. Mr. and Mrs. Huss were accompanied by Mrs. Mary McConaughy, son of the bride, Dr. Hawkins at first believed the son was to be married until an explanation was made that it was his mother who wished to be married.

Mr. McConaughy acted in the capacity of best man to his step-father and his wife as maid of honor to her mother-in-law. Mr. and Mrs. Huss have been neighbors for years on Eddy street just off of Jefferson boulevard. They plan to make their home at 512 South Eddy street.

Recently Mr. Huss attended a family reunion near Buchanan, when he was the oldest member of the Huss family present. He is 76 years old and has a large number of relatives. He and Mrs. J. Lechner, 67, were able to return home from Chicago, over the week end.

B. F. WEAVER, 100 DIES AT HIS SON'S

HAD PASSED THE CENTURY MARK BY 12 DAYS; NINE CHILDREN AMONG SURVIVORS

After passing the century mark by 12 days, Benjamin Franklin Weaver died at the home of his son, Floyd, at 508 North Portage street, last night at 8:25.

Mr. Weaver was born in Pennsylvania in 1827, the son of Mr. and Mrs. Eli Weaver, and came to Michigan a number of years ago. He had been ill for six or eight weeks at the home of his son.

In addition to his wife he is survived by six sons and three daughters. The sons are: Clarence, Floyd, Noah, Earl and Marvin. Of Buchanan and Ohio of Fredrick, Mich. His daughters are Mrs. Carl Davis, Mrs. Clyde Burgoine of Buchanan and Mrs. Wm. Baldwin of Waterkiet.

A large number of relatives also survive.

Funeral services have not yet been arranged.

RILEY'S ENTERTAIN GUESTS FROM NEW YORK AND WEST

Wallace Riley, father of H. W. Riley, who came here for a visit with his son this week, is ill at the Riley home on Front street. His condition was reported last evening as much better.

He was taken ill at the Indiana & Michigan company's office on Wednesday afternoon at 2 o'clock and was taken to his son's home.

Mr. Riley had just returned from the national C. A. B. convention at Grand Rapids which convened there Monday and Tuesday. He came as a delegate of the post at Lockport, New York, where he makes his home. He served in the army during the rebellion when he was but a young lad, fighting in the 22nd New York Mounted Rifles.

Another son, V. L. Riley, is also a guest at the Riley home, coming here from Longmont, Colo. This is the first visit Mr. Riley has made to Buchanan for 27 years when he was a young man. Many changes are seen in the city since he was last here.

Miss Doris Riley, sister of H. W. Riley, is also visiting at the home of her brother, coming here from Buffalo, New York.

FLAMES DESTROY BARN AND CROPS AT GALIEN

Spontaneous combustion was said to be the cause of the blaze that destroyed a barn on the George Kuhn farm, four miles south of Galien Friday.

Seven tons of hay, 60 bushels of oats and six bushels of wheat which had been saved for seed were lost when flames speedily destroyed the building.

A fire truck from New Carlisle, was delayed by a punctured tire and arrived too late to be of any service.

No stock was in the barn and insurance covered the loss, it is said.

SECRETARY OF COMMERCE RETURNS FROM MEETING

Al W. Charles has returned from the state convention of the Association of Commercial Secretaries held at Fremont, Sept. 15 and 16.

The two days were spent with the reading of papers by secretaries and round table discussions. A five point plan for the improvement of the relations of the secretaries and methods of taxing were some of the topics discussed. There were 44 secretaries present at the convention.

79TH BIRTHDAY IS CELEBRATED

MRS. BEN WATSON WAS BORN HERE IN THE EARLY PIONEER DAYS

Celebrating her 79th birthday, Mrs. Ben Watson entertained a group of friends and relatives at the Watson home northeast of town Sunday.

Although she was 79 on Friday the celebration was postponed until Sunday when her children could be present. Among those who gathered at the Watson home Sunday were Cress Watson and his son, from here, Mr. and Mrs. Rudolph Kline and daughters of South Bend, and Mr. and Mrs. Ben Davis and son from the Bend of the River. The John McCowan family also were there.

Mrs. Watson has spent practically her entire life in the vicinity of Buchanan, having been born two miles north of here 79 years ago. Her father and mother, Mr. and Mrs. James Swift, were early pioneers into the country.

As a little girl she attended the John Geyer school, a building more than 75 years old and still being used as a schoolhouse. Her girlhood home was not far from the old schoolhouse.

Fifty-one years ago Mr. and Mrs. Watson were married. For nine years they lived on the old homestead and later moved to the present home a mile and a half northeast of here. One son, Edwin E. Watson resides in Battle Creek, a daughter, Mrs. Rudolph Kline, lives in South Bend, and Cress Watson, living here.

Three great grand children and fourteen grandchildren are also living, making a total of twenty descendants.

Mrs. Watson had in addition to her birthday cake many presents as reminders of her 79th year.

SCHOOL RECEIVES \$15,310 OF FUND

FIVE PER CENT OF TOTAL APPORTIONMENT IS DE- LAYED AWAITING STATE'S DECISION

The state primary and library school apportionment is being disbursed to the respective cities and township schools in Berrien county this week, with Buchanan getting \$15,310.

Berrien county's total apportionment was \$274,334.97 or 95 per cent of the amount which it should receive.

Five per cent of the fund, which is based on the school district valuation, is being held by the state pending the final decision of state authorities on its disbursement.

Several years ago the city of Detroit filed an injunction restraining the state from paying out the five per cent based on the valuation and since that time the state supreme court has declared the law valid.

It may be another 12 or 18 months before this portion of the money is sent out, according to County Treasurer George Haid. The 95 per cent is based on the census of the school districts.

The library fund was cut from 55 cents to 44 cents per child this year, slashing the total fund considerably.

The following vouchers are being drawn and will be mailed out this week.

Bainbridge, \$6,777.90; Baroda, \$6,384.22; Benton, \$20,878.59; Benton Harbor, \$4,471.83; Bertrand, \$5,169.81; Buchanan, \$15,310.08; Chickaming, \$6,286.17; Coloma, \$7,694.91; Galien, \$4,239.51; Hagar, \$4,199.64; Lake, \$9,874.85; Lincoln, \$7,920.84; Niles, \$8,259.89; Niles Township, \$3,173.85; Niles City, \$83,665.52; Oronoko, \$10,169.76; Pipestone, \$7,748.07; Royaltown, \$4,226.22; St. Joseph township, \$3,109.86; St. Joseph city, \$26,739.48; Sodus, \$7,176.60; Three Oaks, \$7,841.10; Waterkiet township and city, \$6,977.25; Weesaw, \$6,033.66; Totals, Primary, \$265,289.45; Library, \$9,045.52.

PROPERTY TRANSFERS

Mrs. Myra Hess has bought the house at East third and North Portage streets, which belonged to Mrs. Frank Mittan and has moved there. Mrs. Mittan, who was in town for several days on business connected with the sale, has returned to Flint, where she has made her home. The Aleo Yeager family has moved from the Mittan house on North Portage to the Wm. Shinn house on River street.

Mr. and Mrs. Noah Resler have moved to the house at 1601 Michigan avenue, formerly occupied by Mr. and Mrs. H. H. Mann.

THREE OAKS BANK AND MUSEUM MOVE JAN. 1

The E. K. Warren & Co. bank will move about January 1 into the new one-story home of stone and marble under construction, and the museum of the Edward K. Warren foundation will move into the three-story brick building that will then be vacated by the bank.

Work of moving the 60,000 relics, art treasures, historical documents and curios and geology subjects has already begun and by the time the last load of bank equipment leaves the old building the intentions are to have the museum established in its new quarters.

FIX PROGRAM AT NEARBY STATION

RADIO LISTENERS WILL SOON HEAR NEW PIPE ORGAN FROM BERRIEN SPRINGS

In an effort to improve the programs sent out from station WEMC at Berrien Springs, program director Paul Pearce has added a corps of programs supervisors to the station staff.

In an effort to meet the stiff government tests and at the same time to build a program that will be looked upon with public favor the new plans will include music and speeches.

It was learned at the station that Pastor Wm. A. Westworth, general manager of WEMC will speak each morning at the 7:30 to 9 o'clock hour. There will also be a sacred program on Sunday nights at 11 o'clock.

Monday night's program will also be of popular interest from 7 until 12. There will be orchestra, vocal, and instrumental music of a high class.

The new Moeller pipe organ is being built. After it is installed in November, popular organ concerts by Dr. Summers will be a regular feature of the station.

TRUCKER FINED FOR SPEED

Thinking Front street a race track, A. Katz of South Bend, attempted to go through the business section Monday afternoon at the rate of 40 miles an hour with his truck. The Bender was arrested for reckless driving, taken before Justice Al W. Charles and fined \$5 and costs.

SAFETY INSPECTOR VISITS INDUSTRIES

SAYS SMALL TOWNS LEAD IN LABOR SITUATION OF THE STATE

Reports that the labor situation is better in smaller towns than it is in the larger cities were given by William Snyder of the Department of Labor and Industry who made an inspection of Buchanan last week, completing his survey on Thursday.

The various problems of safety in connection with factories and industrial plants were surveyed by Mr. Snyder during his tour here. All of Buchanan's industries were visited by him on Wednesday and Thursday.

A factory over the state is waiting for the Ford plant at Dearborn to start the wheels to grinding and the appearance of the first new car. With the Detroit manufacturers beginning the manufacture of his new model, the employment situation in all lines for both city and small town will be greatly increased, Mr. Snyder said.

The stores and other commercial enterprises where women are employed were visited previously by Lizzie Kakabeekie of the State department. Only factories and industrial plants were inspected here by Mr. Snyder.

AVIATOR ARRESTED HERE FOR SPEEDING TO FIGHT

Forgetting he was on the ground and not in the air, Byron Tonkel, who told officers that he was a commercial aviator from Fort Wayne, was arrested yesterday morning at ten o'clock for speeding. He was taking in the sights of Front street at the rate of 50 miles an hour when stopped by Chief Dunbar. Arraigned before Justice Al W. Charles he was fined \$5 and costs. Tonkel was on his way to the Dempsey-Tunney fight at Chicago.

NILES DRIVER ARRESTED

Leo Thornton of Niles, was arrested here Friday night on a charge of reckless driving and was arraigned before Justice George L. H. of St. Joseph Saturday morning. He pleaded not guilty and his trial was set for Friday. A cash bond of \$150 was given for his appearance.

ROAD PETITION GETS SIGNERS

REQUIRED TWO-THIRDS OB- TAINED FOR RIVER-PORT- TAGE STREET PROJECT

The possibility of Buchanan becoming linked up in the Walton's crossing-South Bend road came nearer to realization this week with the securing of a sufficient number of signatures to the petition within the city.

Village councilmen pledged their support to the idea when representatives of the county road commission and advisory committee of the board of supervisors presented the plan to the sessions of Buchanan last Friday.

"It is Buchanan's last chance to get the road at nominal cost with the village about to become a city. The pavement would connect Buchanan with the St. Joseph-South Bend traffic, putting us in direct connection by pavement with the two cities. Not only would better outlets to the city be provided but traffic within the limits would be greatly benefited," said Al Charles, secretary of the Chamber of Commerce in commenting upon the road.

Securing of the signatures was in charge of John Winn, 35 Niles township and citizens residing on the proposed road in Buchanan successfully obtained the signers within the city.

A total of two-thirds of the frontage was required before the petition could be taken before the road commissioners at their next meeting the first week in October. In the meantime a description of the lands is being entered by Assessor Alonzo Howe.

The fact that Buchanan will probably soon become a city brought immediate action in order that the Covert road act could be taken advantage of. Bonds on the road must be sold before the election for a city is held. Through the covert act county, township and village meet the cost of road construction. It is estimated that property owners on River and Portage streets would be assessed approximately \$1.00 more a front foot addition to the amount paid as resident taxpayers on the assessed land, for the covert road.

The proposed road leads thru the city center and up River street to Portage and extends to the Michigan central depot. The bridge just outside the village limits in the township would be taken over by the county road commission and its maintenance would be looked after by that body.

At the Michigan Central depot the proposed pavement would connect with the South Bend road, doing away with the heavy traffic over the Michigan Central property, now being used for a street. The specifications on the road call for a 16 foot macadam road in county territory with the village strip being concrete and asphalt 20 feet wide with provisions for the construction of sewers.

WORK BEGINS ON BERTRAND DRAIN

PETITION ALSO FILED FOR EDWARDSBURG ROAD TO ELKHART, FIVE MILES

This week will see the beginning of the Young-Seider ditch near Bertrand, southeast of here, according to contractors.

The ditch extends from near the state line north to within a short distance of the river road. It is one mile and seven rods in length.

The property owners of the district have long felt the need of the drain both for their land and for their homes, basements in that locality not being properly drained.

Fred Rantz of Bridgman was awarded the contract by the county drain commissioner Geo. W. Sattler. William Myers has been awarded the contract for hauling the tile which will be 10-12 and 15 inches in diameter.

A petition for the paving of the Edwardsburg road for a distance of five miles has also been signed by 250 citizens and filed with the Elkhart county commissioners last week. The petition was set for a hearing on Oct. 3.

The proposed road would extend from the north line of the city of Elkhart to the state line. A cost of \$125,000 is involved.

STORIES CONCERNING ACTIVITIES OF OUR SCHOOLS, FACULTY AND STUDENTS

SCHOOL TO HAVE BAND, ORCHESTRA

MUSIC DEPARTMENT ASKS FOR COOPERATION OF PARENTS WITH THE SCHOOL

Cooperation of parents with the school is being urged by teachers in both Junior and Senior high schools in an effort to establish a band and orchestra.

A questionnaire has been sent out to the students who have been asked to fill out the slips and give the aid of their parents. The following questions are contained in the questionnaire: Are you interested? Do your parents approve of the plan? Disapprove? Both parents and students sign the questionnaire.

Buchanan will have instrumental classes this year in which students will study a particular instrument and learn to play it. Later these classes will be organized into an orchestra and band. Miss Lauretta Boggett is music instructor.

"Buchanan high school needs both a good band and a good orchestra. There is nothing that adds more to the spirit of the school than either. Every parent, every citizen in fact, would be glad to know that Buchanan's school had more spirit, was more progressive and had more life than larger schools," said Mrs. W. E. Pennell, principal of the Junior High school.

"The way to have the two organizations is to begin them. A big effort is being made this year by the school in organizing classes of a different type from any organized here before. All we need now is cooperation from the parents. If the school is interested in and proud of the boys and girls, parents should be even more so.

SCHOOL PLEDGES SUPPORT TO SQUAD

PEP SESSION AT WEEKLY ASSEMBLY STARTS THE SALE OF SEASON TICKETS

Wholehearted support for the football squad was evidenced at the weekly assembly of the school students Friday morning, when 600 tickets were placed on sale.

The entire football squad appeared on the stage, with several of the star players being introduced by Ray Miller. He spoke of the material that made up the team and also boosted the coach, Mr. Harold Bradford.

Coach Bradford complimented the team on the hard work they were putting in each night at Athletic Field and asked for the support of the student body. Harold Bradford, athletic director of Buchanan high school and former cheer leader in the local institution gave a demonstration of pep, with his ability as cheer leader.

Principal E. H. Ormiston said that the best possible equipment had been purchased for the team in order to reduce the chance of injury during play. All football outfits with the exception of shoes and shoulder pads have been fitted to the high school equipment at a cost of \$400.

The carrying-on of football activities in the high school will cost a total cost of \$700, which he said of tickets is expected to cover. The forty football men were given the tickets at Friday morning's assembly and the first sport on the sales, were made Monday on the success they have been having with disposing of the tickets. The committee under the chairmanship of Katherine Read has been set at \$1.25 and adults at \$1.75.

SCHOOL CHILDREN BANK \$58 SAVINGS

SECOND DIVISION MATHEMATICS CLASS FOR SIX GRADERS LEADS SCHOOL

The value of saving money is being realized by Buchanan public school children, who on their first "banking day" deposited a total of \$58, last Tuesday.

The various divisions made good showing for the initial banking day with one class, the second division of the eighth grade, the mathematics class, sponsored by Mrs. Leah Weaver, being one hundred per cent thrifty. Every student in this division deposited money on this banking day.

This was the only group in Junior high school in which all made deposits.

The first hour on Tuesdays is set aside for banking day, when about twenty minutes is required for the students to make their deposits.

The "banker," Richard Chubb, distributes the bank books to each class on that day, from a locked sack. Each student has his own bank book as well as his own bank number. Deposit slips are made out for each child and the books for each class are kept separate. Upon the completion of the deposits, the books are collected, locked again into the sack and returned to the downtown bank.

FRESHMAN GIRLS IN INITIATION ORGY

FIRST EVENT OF ITS KIND IN YEARS HELD AT BUCHANAN HIGH SCHOOL

By Dorothy Charles

Thinking it would not do at all for Freshmen girls to enter high school without some sort of welcome, Sophomores of the weaker sex entertained the first year girls Friday night at the high school gymnasium.

For the first time in several years the party took the form of an initiation. Many of the Freshman girls did not attend Friday night because they feared the treacherous measures to which the Sophomores might resort. However, the forty-five who successfully overcame their timidity enjoyed a very pleasant evening.

The pot luck supper was furnished by the Sophomores and was served in the Domestic Science room. Having devoured all the goodies in sight the girls proceeded to the gym where the Freshmen were forced to undergo many horrible experiences in way of initiation. Later on Miss Allington taught the Freshmen a new song which suited their predicament beautifully.

The Freshies were garbed in overalls and other costumes similarly appropriate for just such an occasion.

The party proved a huge success and the committee under the chairmanship of Katherine Read was fully repaid for its effort.

RANKS OF YOUTHS LEAVE FOR SCHOOL

LARGER NUMBER THAN EVER OFF FOR THE UNIVERSITIES AND COLLEGES

College students from Buchanan will number nearly 40. Many have returned to colleges and universities during the past week with the remainder leaving this week end.

Michigan institutions have an especial popularity with the younger people, with the state university drawing a larger number. The proximity of Notre Dame also has taken many from Buchanan there.

Farewell parties and other send-offs for the co-eds have also been scheduled during the week prior to the packing of the last trunks and departure of the last contingent of students.

Among the young people and the institutions they have selected are: Helen Haulin, Alfred Roe, Johanna Desenberg, Clifford Kiehn, James and Dorothy Ward, Lyle Chubb, Howard Lenz, Ted Childs and Charles Boyle will attend the University of Michigan.

Michigan state has also been drawing card for many young Buchananians, Alice Charles, Dorothy Porly, Dorothy Clark, Gerald Tietz, Milton Mitchell, are the students attending the Lansing school.

Michigan State Teachers' college at Kalamazoo will have the following enrolled from here: Irene Riley, Beth Batchelor, Marjorie Wolkens and Bernice Hartline, Ward Conrad, Mrs. Laura French, Agnes Spaulding and Lena Leifer.

Jack Clark has gone to Ithaca, New York, where he will continue school at Cornell. Edwin Ross has gone back to Conover where he is attending the military academy.

Donald White has gone to Beloit, Wisconsin, where he is a Sophomore.

Lois Boyce will leave on October 2 for the Congregational Training school at Chicago. Robert and Garrett Wisner will attend the Ferris Institute. Max Smith has gone to Denver university and his brother, Rex, is studying at Northwestern in Chicago.

Lois Dietz is attending Aitken college. Norma Deane has been selected by Bill Desenberg, Carol Wilson, Lymarr Campbell and Senora Gross.

PIERCE LEADS IN TICKET SELLING

SALE OF LUCKY THIRTEEN SEATS GIVES PLAYER LEAD IN TICKET RUSH

In the football ticket rush Harold Pierce, a candidate for full back position on this year's team, is seven jumps ahead of his nearest competitors, with thirteen season ticket sales to date. Elliot Boyce and George Wynn are in second place with six sales each and Paul Easton and Ronald Bolster third with five to their credit.

B. E. S. is looking for the hearty co-operation of the townspeople in making this season the best in the history of the school. Football is not looked upon to day by the fans as the brutal sport it used to be and those who fear to watch a game because of blood and broken bones should purchase a ticket this year and see the difference between the new style of play and that of yore say the ticket salesmen.

Of course, there is quite an expense to the successful grid program but whatever the price, it is well worth while, for sound minds in sound bodies are of such value that they can not be valued in dollars and cents. These and many more reasons are given by the squad in urging fans to "come across."

STUDENTS ENTER POTATOES, CORN, PUMPKINS IN FAIR

A group of 26 boys from the Agricultural department attended the Western State Fair at Grand Rapids on Tuesday. They left here early in the morning and returned in the evening.

The boys judged the samples offered but because they were late in applying for entrance the reports will not be officially considered.

The department has entered five samples of potatoes, consisting of cobs, Rural New York and Russet Rural, also two samples of sweet corn and five pumpkins. This experience in judging is said to be of great value in other fairs which they will enter.

P.T.A. TO BANQUET SCHOOL TEACHERS

SEPTEMBER 26 WILL BEGIN FALL ACTIVITIES OF PARENT-TEACHERS ASSOCIATION

The September meeting of the Buchanan Parent-Teachers association will be in the form of a dinner and reception for the teachers held at the high school on Monday, Sept. 26 at 6:30.

All parents and those interested are urged by the association to be present. There will be no charge for the dinner. All who expect to go have been asked to notify Mrs. G. E. Smith by Friday, Sept. 28. Mrs. Smith is general chairman of the event.

Following the dinner a program has been arranged to be staged in the gymnasium.

The first meeting of the association was announced at the weekly assembly when invitations were sent through the students to the parents, urging them to be present at the reception and banquet. Mrs. Velma Dunbar was appointed to help compile the guest list, students notifying her whether their parents were to attend.

ORCHESTRA ELECT OFFICERS

GLEE CLUBS ORGANIZED

Much progress has already been made in the music department. The orchestra has formed an organization with Anita Boyle as president and Marion Van Every as librarian.

The glee clubs are well under way and a new class in instrument study is soon to make its appearance.

"PUNK" RETURNS TO SCHOOL BOOKS

PROMISING FOOTBALL PLAYER WILL PROBABLY RECOVER FOR BASKETBALL SEASON

"Punk" Roe, who broke his collar bone in the Monday night football practice of last week, back at school and but for the fact that he has one arm tied like a pretzel over the other shoulder he's the same old "Punk."

Fate dealt the "unluckiest cut of all" when it deprived the squad of this plucky little player. He displayed a wealth of promise and more than likely would have earned a major letter this year. Though he will not receive his "P" he is entitled to the credit due one who sacrifices his time, and sometimes more than time, for the betterment of the squad and the school. The recruits are all aware of the fact that they must work all the harder in order to fill the space left open by "Punk."

Court fans need not worry, however, for Bob will be sufficiently recovered to play his usual good brand of basketball when the season opens.

COMMERCIAL DEPARTMENT AT SCHOOL IS CROWDED

Does your watch hark back to the Florodora days?

A watch may never lose a second yet be many years slow

An old watch has many tales to tell but they are only for the ears of him who wears it. In the eyes of others it is just a watch—old-fashioned and out of style. And by that watch you are often judged, or misjudged, as a man of yesterday. At your jeweler's is a watch more in keeping with your present business and social status... a modern Elgin Watch. Sixty years of experience have been concentrated in it, to the one end that Elgin Watches may be truly fine and faithful.

When in Niles call and see our large line of watches. Watches at a price you want to pay.

The by-laws for grade school
 parent teachers associations of
 the national congress of parents
 and teachers are as follows:

Article I—Name
 The name of this association
 shall be Buchanan Parent Teach-
 ers association, in membership
 with the Michigan State Branch
 of the National Congress of Par-
 ents and Teachers.

Article II—Object
 The objects of this association
 shall be:

1. To promote child welfare in
 home, school, church and com-
 munity; to raise the standards of
 home life, to secure more ade-
 quate laws for the care and pro-
 tection of women and children.

2. To bring into closer relation
 the home and the school that par-
 ents and teachers may co-operate
 intelligently in the training of
 the child, to develop between edu-
 cators and the general public such
 united efforts as will secure for
 every child the highest advantages
 in physical, mental, moral and
 spiritual education.

Article III—Membership and Dues
 Section 1. Any person in the
 community who is interested in
 the objects for which this asso-
 ciation is organized may become
 a member upon the payment of
 dues as provided in Section 2 of
 this article.

Section 2. The annual dues
 for membership in this association
 shall be 35 cents per member. Of
 this amount 15 cents is for state
 dues, and 5 cents is for national
 dues.

Article IV
Officers—Election and Duties
 Section 1. The officers shall be
 a president, two vice presidents,
 a secretary, and a treasurer, who
 shall be elected by ballot at an
 annual meeting for a term of one
 year. No officer shall be eligible
 to the same office for more than
 two consecutive terms. These
 officers shall appoint the chairman
 of standing committees. The
 newly elected president is the

delegate to the state convention.
 Section 2. Nominations for of-
 fice shall be made by a nominat-
 ing committee appointed by the
 executive committee at the regu-
 lar meeting of the association
 preceding the annual meeting.
 Nominations may also be made
 from the floor.

Section 3. Vacancies occurring
 in offices shall be filled by the
 executive committee for the un-
 expired term.

Section 4. The president shall

preside at all meetings of the as-
 sociation and of the executive
 committee and shall be ex-officio
 member of all committees, ex-
 cept the nominating committee.

The vice president shall act in
 the absence of the president.

The secretary shall keep a re-
 cord of the proceedings of all
 meetings of the association and of

Five children survive. Mrs. Rose Pullill, of Alameda, Calif., a daughter, could not be here because of ill health. Other daughters are Mrs. Dominick DiGiacomo of Buchanan, Mrs. Joseph Savoldi of Three Oaks. The sons are: Stephen Rudoni of Buchanan and Frank Rudoni of Dowagiac.

Dean D. Gerard, oldest son of Vincent and Mary Lockwood Gerard, was born in Branch county, Michigan, April 30, 1859, and passed away at his late home, 405 N. Portage street, Buchanan, Michigan, early Sunday morning, Sept. 18, 1927.

The first sixteen years of his life were spent on a farm in Branch county. From there he went with his parents to Factoryville, Mich., where he remained until after his marriage.

On Jan. 26, 1881, he was united in marriage to Miss Mabel Lee of Factoryville, and to this union was born three children, Grace, who passed away at the age of 20; Lee M., who resides near Decatur, Mich., and Mamie, who died in infancy. Directly after his marriage he went to Westford county where he remained for nearly forty years. About seven years ago he located on a farm near Vicksburg, Michigan.

He was a member of the Odd Fellows lodge, holding his membership at Traverse City.

Short services were held at the home on Tuesday morning, conducted by the Rev. Henry Liddicoat, of the M. E. church, after which the funeral party drove to Factoryville, Michigan, where the funeral, conducted by Mrs. Alice Tensch, local minister of Leonadis, was held and burial made beside his wife.

BLUES BEATEN IN COUNTY TILT

SEASON CLOSURES WITH TITLE
GOING TO MONARCHS
OF BENTON HARBOR

The baseball season closed for the Buchanan Blues Sunday when the local team clashed with the Benton Harbor Monarchs at Fitzsimmons' park. The score finally ending 2 to 1 was the result of an eleventh inning game.

With the losing of Sunday's game the Buchanan Blues were eclipsed from the possibility of being acclaimed semi-pro champs of Southwestern Michigan.

The game reached a climax when the Monarchs were on the run with a 1 to 0 score for the Blues at the beginning of the last half of the ninth inning.

Dudas, second baseman for the Monarchs, got the tying run when Connors, playing at third base, threw wild. Again in the eleventh, the second baseman for the Har-

borites got the winning run as Stover threw a ball above Zeigler, catcher for the Blues.

Stover, pitching ace for the local team, piled up eight strikeouts, allowed one base on balls and was touched for eight hits.

The box score:

The Blues have hung up 16 wins this season out of the 23 played. Seventeen of the games were staged at Athletic park during the summer where it is estimated that over 3,500 people have passed through the gates to see the Blues battle. Equipment remains from this year's games to start another season, according to Manager Mead.

One of the largest crowds of the season attended the game Sunday at Benton Harbor.

GRID SEASON HERE OPENS SATURDAY

CURLY MAKES NO RASH
PROMISES FOR CLASH
WITH GALLEN AT
ATHLETIC FIELD

By Hugh Pierce

Coach Bradford is a little bit hesitant in making any promises as to the results of the coming conflict when B. H. S., wearers of the maroon and white, make their debut against Galien, Saturday.

Mr. Bradford figures that any rash promises had better remain unsaid than to have them upset by the Galien eleven.

Last year the eleven from our western neighbor came to Buchanan undrilled and uncoached and they were defeated 69 to 0 due to the fact that they lacked training. They did have plenty

of fight, however, and that good quality, coupled with the drilling of a new coach which Galien has secured this season will make no easy set up for Buchanan. On the other hand, Mr. Bradford does not mean that Buchanan will have a team unworthy of mention or that it will be weaker than last year's.

The material, which consists of 40 men this year is much heavier than the squad a year ago and just as fast.

Buchanan is going right after them this year and when Galien comes here Saturday there will be a team on the field which Curley believes will compare favorably with the best in the state.

Furthermore, be it known, that this is no practice tilt but an "honest-to-goodness" scheduled battle.

FIFTY ENJOY POT LUCK AT ORCHARD HILLS CLUB

Fifty ladies attended the one o'clock luncheon given at Orchard Hills Country club house last Thursday afternoon.

In spite of the intense heat prevailing elsewhere a breeze made the shady porches an ideal place for the party and the affair was thoroughly delightful.

Mrs. H. O. Parker was chairman of the committee on arrangements. After the luncheon seven tables were filled for bridge. The high score at bridge was won by Mrs. Chas. E. White and the second high score by Mrs. C. D. Kent.

Today, golf day, was observed at the club and next Thursday the last scheduled social affair will be held, a pot luck luncheon followed by bridge.

HUNTERS BEGIN AUTUMN TREK

COOLER WEATHER PROMISES
AND LAW MODIFICA-
TION WHETS IN-
TEREST

With promises of cooler weather and with intimations that the fox squirrel closed season will be lifted for a few days, hunters in this vicinity are securing licenses and preparing for expeditions.

Many hunters have brought out their guns and equipment from last year and are polishing up their weapons while local hardware dealers are tempting possible purchasers with their wares.

"I would not want to say anything about the possibility of the opening of the squirrel season and disappoint hunters who are in hopes that the closed season be lifted for a short period this fall," said Cleve Horner, deputy game warden of Galien.

Mr. Horner predicts that hunting will be more popular after the ducks have been frightened from their haunts in the north by hunters and after cooler weather has set in.

Forty six ring neck pheasants were planted by the game warden last Thursday in Galien, Weesaw and Three Oaks township. The season will open on that game Oct. 25, and will close on Oct. 31.

The new game laws include changes in several departments. The much debated squirrel law may or may not be passed, prohibiting the shooting of squirrel until 1932. Beaver, otter, fish, er, martin and raccoon are closed until 1930. Rabbit season begins on October 25th this year instead of the 15th as was indicated during the summer. Bear, deer and big game have the same laws attached as last year, with special licenses required before killing. Quail, spruce hens, partridge and pigeons or doves will be placed under a ban this year. Muskrat and mink, closed last year until 1929, remain the same.

Open season began Friday for jack snipe, geese or brant, coots, yellow legs and rails. All will be closed until the 25th of October when woodcock, ring pheasants and rabbits will be added to the list. Pheasants will be lawfully killed this year until the 31st of October, giving the ring-neck hunters but one week to make their four catches, the limit of the season.

3 CHILDREN SWIM OVER CLEAR LAKE

MORE THAN A MILE FAILS
TO DAUNT BUCHANAN'S PLUCKY TRIO

Warm weather during the past week proved conducive to embry channel swimmers, with three children of Buchanan swimming across Clear lake.

Elinor Miller, nine year old little fair-haired miss was the first to do the difficult feat last Friday. She not only braved the waters to swim westward but upon reaching the farther side did a few water stunts and finally decided to return the way she came. She was stopped, however, by her father, who had followed her with a boat.

The plucky little nine-year-old started at the pier near the Fuller pavilion and swam a distance of a mile and a quarter before she again struck sand at the Clear Lake Woods beach on the west

shore. She used no particular stroke but "just swam" using her own methods, which had a resemblance to the side stroke. No record was kept of the time in which the initial swimmer made the distance.

This is thought to be the first time that a child has paddled across the lake waters, although adults have accomplished the feat. Elinor has lived in the waters of Clear lake summers ever since she was six years old, where her parents, Mr. and Mrs. Frank Miller have a cottage. Both parents are also expert swimmers. The high board on the west shore is one of Elinor's haunts. Elinor plans to take a course of lessons in swimming.

Another nine year old, Peggy Merrefield, daughter of Mr. and Mrs. Glenn Merrefield, and Doris Campbell, little twelve year old daughter of Mr. and Mrs. Melvin Campbell made the distance in 20 minutes Sunday afternoon at 4 o'clock.

The two little girls swam in the opposite direction from Elinor, and although Mr. Merrefield followed closely in a boat both con-

tinued steadily eastward without any help. Both used the side stroke in their record breaking stunt.

FLOYD BAILEY RECOVERING FROM PAIR OF GUN WOUNDS

Floyd Bailey, Buchanan youth, who was shot recently in a watermelon raid, on the Paul DeWitt farm, is reported as recovering, although he does not yet know whether he will leave for college. He is able to be out, in spite of his wrist and leg wounds. He was unable to play in the final game Sunday of the baseball season on the Buchanan Blues' team.

ENGINEER INJURES EYE

While passing through Buchanan Monday morning with his engine, A. F. Knoll, an engineer for the Michigan Central railroad, sustained an injury to his left eye. A cinder, finding its way beneath his goggles, lodged in his eye. He was attended by the company physician and it is thought the injury will not affect his eyesight.

USUAL CROWD AT STAG DINNER

KAVANAUGHS OF KYW ENTERTAINED AND HARRAH TALKED OF CONDITIONS IN EUROPE

The monthly "stag" at Orchard Hills Country club Tuesday night, was attended by the usual number though it is to be much regretted that a larger number was not present from Buchanan since the best program of the year was presented.

Mr. and Mrs. Kavanaugh, nationally known artists from radio KYW, were present and furnished a number of pleasing and artistic musical numbers. Community singing was directed by Mr. Kavanaugh, who has that charming faculty of making everybody join in the songs and like it. Mr. Harrah of Niles, who has recently returned from a European trip, gave a graphic account of things he saw and learned. He

spent considerable time while abroad investigating business conditions of the present and the future and he told of his discoveries and their relationship to the business prosperity of the United States. He predicts a decidedly upward trend to business and a prosperity to American industry that will extend over a period of years.

The usual splendid chicken dinner with all the trimmings was served and enjoyed. Another stag will be held in October.

GET NEW RULING
All chauffeurs of Buchanan must have a health certificate from the state department of health before they are eligible for duty, according to the new traffic code. The new ruling went into effect Sept. 5, according to Chief of Police Clarence V. Dunbar.

EXCUSED FROM JURY
Ralph Sebasty was among the fifteen jurors excused from the September term of circuit court

by Judge Charles E. White Monday. Only 20 are now left on the panel. Sheriff Fred Bryant has been ordered to draft ten additional jurors.

The Ladies of the St. Anthony's church will hold a bake sale at Runner's hardware store Saturday morning starting at 9 o'clock. Those planning on bringing donations are asked to bring them early.

Suggests a Telephone Night for the
Young Folks Away at School

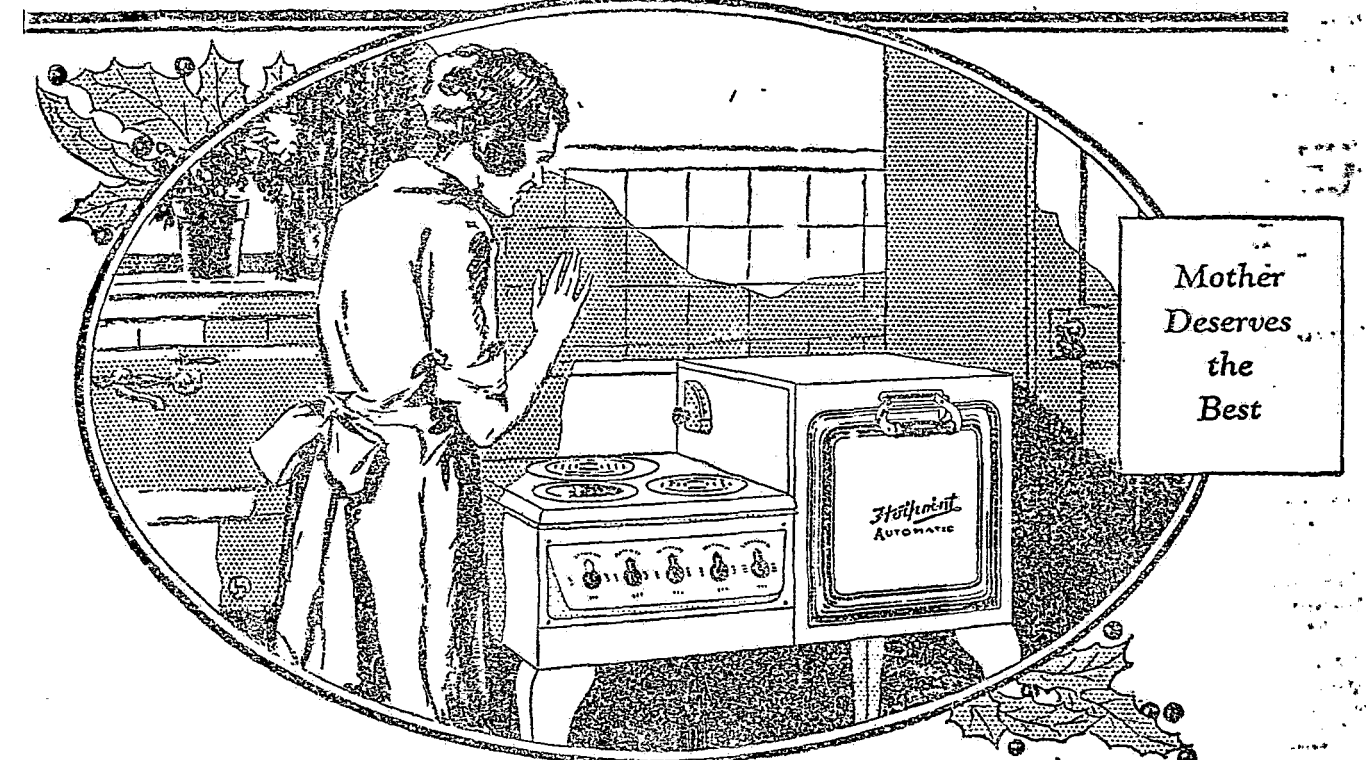

You can experience the pleasure of talking regularly with the son or daughter attending school, although they are far away. Establish a certain night of the week as *Telephone Home Night*, where they can place a call for the home telephone number.

Such a call is known as a *Station-to-Station* call, and costs appreciably less than a call placed for a *Particular Person*. It is the kind of call to make when you are reasonably certain the person to whom you wish to talk will answer the telephone or can be called to it quickly.

In placing a *Station-to-Station* call, if you do not know the number, say to the Long Distance Operator, for instance, "I want Mr. John Smith's residence, 250 Sayre Street, Lansing, Michigan." Be sure that you do not specify to the operator that she call any particular person. A call placed for a particular person is known as a *Person-to-Person* call, and costs more than a *Station-to-Station* call.

There are reduced Evening rates on *Station-to-Station* calls, from 7:00 p. m. to 8:30 p. m., with further reduction during the Night rate period, 8:30 p. m. to 4:30 a. m.

Be Sure It Is a Portland Cement Concrete Pavement

Make it clear that you want portland cement Concrete—the rigid, skid-proof, unyielding pavement that has the pleasing light gray color.

Built according to present-day, high standards, Concrete Streets and Roads meet permanently all the requirements of modern traffic.

You want your pavements to be an investment—not an expense. You want to receive dividends in satisfaction and service. That means Portland Cement Concrete Pavement.

Our booklet tells many interesting things about Concrete Streets. Write this office for your copy.

WEDDINGS & BIRTHS

WALKER-VITE

The rural home of Mr. and Mrs. W. D. Walker, five miles north-east of Niles, was the scene of a very pretty wedding Wednesday evening, Sept. 21st, at 8 o'clock when their daughter, Edna Mary, became the bride of Glenn O. Vite, son of Mr. and Mrs. J. E. Vite of Portage Prairie.

Rev. C. E. Finkbeiner, former pastor of the Pokagon M. E. church, read the single ring service before an improvised altar fashioned of garden flowers.

Miss Walker was attended by her sister, Miss Ruth Walker, of Chicago, who was gown in pink satin trimmed with fringe.

The bride's dress was of white

satin with a full length veil caught up with orange blossoms. She carried a shower-bouquet of bride's roses.

The groom's attendant as B. Smith of Portage Prairie. Mrs. Carson Houswerth and Miss Trella Rough sang "I Love You Truly" before the ceremony, accompanied on the piano by Mrs. C. E. Finkbeiner, who also played the wedding march from Mendell'sohn. After the ceremony Miss Rough and Mrs. Houswerth sang "Always."

A two-course supper was served.

Mr. and Mrs. Vite left Thursday morning for an extended motor trip through the east and will be at home to their many friends at the home of Mr. Vite's parents after Oct. 7.
