

IMPRESSIVE MEET ENDS DEDICATION

WEEK OF SERVICE CLOSES SUNDAY WHEN HUNDREDS HEAR CLOSING CEREMONY

"Church members ought to rejoice that the church is being discussed today as never before," said the Rev. Harry T. Scherer, during the dedication sermon at the First Presbyterian church Sunday afternoon.

"There are plenty of first cousins to Nathaniel walking the streets of Buchanan today asking if any good comes out of this church. Unlike Nathaniel they will not come and see."

"The church is being discussed pro and con as never before. Many fine things are being said and many things not so fine yet just as true. Let us rejoice that the church is being discussed, that it is being placed on the dissecting table of human opinion. We ought as a church to be able to give an answer to these questions. With not only our mouths but our lives we ought to constrain men to come and see."

"Men of the world are hungry for God. The church has something to offer them. The Church of Christ has far more to offer than you or I have appreciated. I am not referring to the things so often mentioned by business men when they say we could not live in a community without a church. The church is not an organized police force nor a protective agency of any sort. The church is not an insurance division whereby the man who enters is saved for the remainder of this life and eternity."

"The church has truths to offer which challenge this community. Do not be misled by the questions, such as questions of the second coming or baptism. The eternal truths of Jesus Christ alone stand all tests."

"Two things in particular the church has to offer. It offers spiritual fellowship. In this day of progress we depend on each other in the physical world. We talk of individualism. There is no such thing. A man cannot live alone. We realize physical fellowship but have forgotten spiritual fellowship."

"The church is the one organization that opens its doors at all times. Whosoever will may come. It is inclusive. Clubs and fraternal organizations are exclusive but the church takes in hypocrites, little children, ignorant people, rich people, the conceited and self-sufficient, the poor people, sinners and it ought to take in more of these than it does, scarlet women and scarlet men."

"The church is the only institution that has ever made such a challenge. All men, says its creed, are created equal, regardless of clothes, money or position. The second thing that the church has to offer is spiritual adventure. The world's greatest heroes are yet to be. The land of greatest resources is yet to be touched. That land is the territory of our own soul."

More than 300 people crowded into the church for the dedication service. Special music rendered by the choir and a profusion of palms, placed in the church by the Red Line Floral company, for the occasion, made the program more impressive. Other pastors of the city took part in the services, the Rev. W. H. Camfield offering the prayer of consecration. The ritual of dedication and the baptismal service was conducted by the Rev. Harry Staver, pastor. Donald Arney Tuttle, son of Mr. and Mrs. Earl Tuttle, was the first child to be baptized in the new church. The Rev. Lidicost and the Rev. Nebelung were scheduled for the invocation and psalter readings respectively.

"Greater than the physical structure is the spirit of the builders," said the Rev. Harry Staver, pastor in his short talk, "A Pastor's Tribute" in Friday evening's service. "More important than the dimensions of brick and stone is the purpose that built these walls. The thing we do is not so important as what it does for us. The telling of a lie does not matter so much but what does matter is what the lie does to the individual. Not this building but what happens in the hearts of the people who have built it is what counts."

"Living up to Our Victory" was the subject of the main address on Friday evening by the Rev. Archibald McClure, pastor of the First Presbyterian church of South Bend.

"There are real, definite accomplishments for the church in the future to perform. There is the struggle in Buchanan as there is in every city between the forces of good and evil. Our task is not to read pious phrases and offer empty words of prayer. There are definite tasks, just as concrete as was the putting up of this church of certain dimensions. The church is not made of glittering generalities but living realities."

"The church hasn't begun to carry out the things that Jesus taught us to do. We must learn to this generation to do some of these things. Let the Presbyterian church be known as the church that not

only has won through to victory but stayed on top." The high school orchestra under the direction of Miss Lauretta Boggott furnished the music for the evening.

All the churches and their pastors joined with the Presbyterian congregation Thursday night in celebrating community night. Congratulations were brought from other congregations. Music by the Clark band was enthusiastically received by the audience. The Rev. O. R. Gratten, pastor of the Niles Methodist church gave the principal address of the evening.

BERTRAND SCHOOL DEDICATION HELD

STRUCTURE BURNED DOWN IN JANUARY REPLACED BY MODERN BUILDING

Dedication of the new Bertrand Standard school which has just been completed was held Friday evening with a program in charge of the Parent-Teachers association.

The school, a three room modern brick building, has been built by the district at an expense of \$25,000 raised by bonding the district for \$20,000 and \$5,000 insurance obtained from loss by fire.

The new school is built of face brick and is one story with three rooms, with an entrance at either end so that additions can be built at both north and south ends without destroying the uniformity of design. The plans were drawn by Freyermuth and Maurer of South Bend. The building has an eight foot corridor with terrazo floors and tiled walls. The three rooms are of adequate size to accommodate 40 pupils, special attention having been paid to lighting and ventilation. The Univent ventilating system provides an ample supply of fresh air.

The steam heating system is large enough for three additional rooms. The electric fixtures are especially attractive. Drinking fountains are installed in the hall. The building is built on a four acre tract of land just south of the Bertrand road, which was given to the district by the heirs of the Higbee estate for school purposes. Ample playground apparatus has been supplied by an enthusiastic, wide awake Parent Teacher association.

CITY'S PROGRESS SEEN IN LIBRARY

OVER ONE FOURTH OF PEOPLE IN MICHIGAN LACK LIBRARY, SAYS OFFICIAL

The Michigan Library association will hold its 37th annual meeting at Jackson, Oct. 13 and 15, says Mr. Sparks, librarian of the Buchanan township library. One of the chief functions of the library association is the promotion of library service throughout Michigan.

That there are still 29 per cent of the people of Michigan without library service is a fact recently brought to light by a investigation of library extension by the American Library association. This fact indicates that the past 50 years of library progress leaves much to be done in the way of library development. "The fact that over 29 per cent of the people of Michigan lack libraries, places Buchanan with its library established more than a half century ago, among the more progressive half of Michigan communities," said Irenus Sparks.

Michigan has some towns of very small population, where it is not possible to support libraries effectively. In such localities, the county library system is of especial advantage. There is a county law in Michigan which allows a board of supervisors to establish a county library and appoint a county library board. This county library may be established by means of a contract between some existing library and the board of supervisors or the board of supervisors may establish an entirely independent organization. A half mill tax may be raised by the county for the support of the library.

GALIEN MAN BITTEN BY SNAKE HIDDEN IN HAY

Bitten in the palm of his hand by a rattlesnake, George McGown of Galien, is in a serious condition at the Michigan City clinic.

McGown was bitten by the snake at the farm of William Bower. He was a member of the road crew working on M-50 and had taken his horses to the farm for their meal.

The snake was concealed in the hay in the barn. McGown's arm was paralyzed to the shoulder when he was taken to Michigan City.

Mrs. W. W. Babcock of South Bend, was the guest of Alena Arney Tuesday.

Front Street Buchanan, Twenty One Years Ago

Older residents of Buchanan will recall this scene along Front street just twenty-one years ago when a 12 inch snowfall greeted townsmen Wednesday morning, October 10, 1906.

The picture is the personal property of Eli Helmick, 88, Civil war veteran from Company C Michigan infantry.

The snow came unexpectedly and covered the foliage along the streets, giving a picturesque appearance to the brightly colored leaves. The white ground, the red, gold and brown of the leaves and the sky made an indelible impression on the minds of residents here.

READY THEATER OPENS OCT. 10

HANDSOME NEW STRUCTURE TO BE FORMALLY DEDICATED; OFFERS VAUDEVILLE, PICTURES

The Ready, Niles' newest theatre, and one of the finest in the state, will throw open its portals on next Thursday to the public, and will be formally dedicated with brief and simple services. The grand opening will be set for 7 p. m. but the doors will be opened at 6 p. m. so that all wishing to enter and inspect the latest in modern theatres may do so at that time.

Col. W. S. Butterfield, president of the Michigan Butterfield theatres Co., will be on hand for the opening ceremonies, so will E. C. Beatty, general manager of the circuit. Among the other out of town guests will be Boyle Woolfolk of Chicago, vaudeville booker; J. Oliver Brooks, of Detroit, picture booker; H. N. Ritchey, secretary of motion picture theatre owners of Michigan, Detroit; Pat Casey of New York; Tink Humphreys of Chicago; Keith booking office; Sam Katz of Balaban and Katz, Chicago; C. L. Kendrick in charge of finance, Butterfield Co., Detroit; Ed. Ryan of Detroit; Roy C. Tillson, field manager, Detroit; and it is expected that several of the notables of the theatrical profession will be on hand.

There will be some speech making to formally dedicate the theatre but this part of the program is as yet rather tentative, but it will be brief. Manager Nat Nealon promises. The show will go on the vaudeville and pictures and the city of Niles will be initiated into the realm of playing the big time acts that play in all the large cities of the country.

For one night at least, on Oct. 20th, the play will not be of importance. Fine as the initial offering will be, it will for once take on the vaudeville and pictures. The people of western Michigan and Niles are going to be more interested in their new theater than in the best entertainment that the vaudeville stage and screen ever turned out.

Expense has not been spared in furnishing and equipping the Ready, from the improved heating system to the latest in projection machines, from the fine materials of the stage curtains, and drapes, to the luxuries, furnishings of the mezzanine lobby the best of everything has gone into the Ready.

The house staff has been carefully selected by Nat Nealon, manager, for quality of cheerfulness, courtesy, patience, and personality. Uniformed ushers will be of service to the patrons at all times. A very high class orchestra will render the musical numbers, and an organist of distinction will perform at the golden voiced Barton console organ. Kenneth Chapin will be assistant manager and Miss Mildred DeMink will act as treasurer. Frank Brimer will be stage manager.

Visitors will be welcomed next Thursday night and it is a safe prediction that an enormous throng will be on hand for the inaugural performance.

GET FINE

Running their automobile past the red light at the corner of Portage and Front streets Thursday evening, Blair Morris and Roy Slocum were arrested by Chief Dunbar. They were fined \$1 and costs.

PRES. BROWN INJURED IN AUTO ACCIDENT

Village President Harry Brown was able to leave his home for the first time, Tuesday, since the automobile accident that caused severe injuries to his back last Thursday.

Mr. Brown was riding in the back seat of the E. C. McCollum taxi on a rough road, south of Niles, when the accident occurred. The car struck three holes, the last one throwing him from the seat. He called to the driver for help and was taken at once to Pawating hospital. Later he was brought to his home here. Although suffering from wrenching muscles and other possible internal injuries he was able to be out and spent a few hours at the Durability company Tuesday.

DEATH OF MOTHER FOLLOWS HER SON'S

EMMA WHITE OF GALIEN DIES TWO DAYS AFTER HER SEVENTH BIRTHDAY

The death of Mrs. Emma White occurred at Galien at 5 o'clock Saturday morning following that of her son by less than a week.

The widely known Galien resident, who was 78 years old on Thursday, died at the residence in which she had made her home for 57 years. For some time she had been in poor health and the sudden death of her son, George, a week ago Sunday, who had made his home with her for the past 20 years, was a great shock.

On Monday morning, following her son's death, she was confined to her bed and for several days afterward she lay in a state of coma.

Mrs. White was very well known in her community and was one of the pioneer members of the Latter Day Saints church. She was the mother of seven children, two of whom are living; nine grandchildren also survive her in addition to a daughter, Mrs. Carrie Vanderhoof of Milwaukee, and a son, John, of Chicago.

Funeral services were held at two o'clock Tuesday afternoon at the Latter Day Saints church conducted by the Rev. Leonard Scott, who formerly lived in Galien, but now resides at Coldwater.

DEL BOLSTER, BANK BANDIT GETS VERDICT OF "GUILTY" After deliberating for only five minutes, the jury gave a verdict of "guilty" yesterday in the trial of Del Bolster at the session of the circuit court.

Bolster was arrested here several weeks ago on charges of bootlegging. This is his second offense.

One of the most peculiar trials on the circuit court docket was that of Theodore Roosevelt McCall, alias James Corbett of Detroit, who was found guilty of holding up and robbing the Galien State bank of about \$2,500 in August of 1926. McCall resented the idea of Judge White appointing Attorney H. S. Whitney to defend him, stating that he would act as his own attorney. His ability as an attorney, however, failed him according to the jury's verdict.

Mrs. F. I. Chapin and baby of Bagle, Mich., are spending a week or ten days here visiting with the former's mother, Mrs. Helen Fowler.

ROAD PROJECT DECIDED TODAY

SUPERVISORS GET COVERT PROJECT; ZARING VACANCY IS FILLED

The Walton road project, included in the 1928 road program, recommended to the board of supervisors, will be acted upon at this afternoon's session. The proposed road which is one of a number to be built under the covert act extends from Walton's Crossing in Niles township through Buchanan along River and Portage streets.

The vacancy on the road commission, caused by the death of David Zaring, was filled at Tuesday afternoon's session in a closely contested election. Silas Merritt will occupy the place, from Pipestone township. He was elected over H. Dana Roberts of Galien township by a margin of three votes.

Ways and means of financing the construction of the \$40,000 annex to county infirmary, also was disposed of by the supervisors, who voted to raise the cost by direct tax.

A resolution to issue \$480,000 in highway refunding bonds bearing not more than four and a half per cent interest was adopted. The request of Donald R. Pears, Registrar of Deeds, for a minimum of \$100 for additional hiring of clerk work in his office was referred to the finance committee.

According to Pears the Berrien county office is doing more business than any other in the state in proportion to the number of people employed. During September 955 papers were recorded. Increased fees will bring the county between \$1,000 and \$2,500 additional revenue during the year, he said.

DE MOLAYS INSTALL OFFICERS OF YEAR

BUCHANAN YOUNG MEN ARE AMONG THE LIST OF MEMBERS TO BE INSTALLED

At the second meeting of the year, the Niles chapter of the DeMolay Order installed its officers last week at the Masonic hall with Vine Cook, newly elected Master Councilor, taking charge of the meeting.

Beginning with the last of October, initiations will be held at the end of every month. A number of applications for membership are on file. Several Buchanan young men are among the list of newly elected officers.

The new officers are: Master Councilor, Vine Cook; Senior Councilor, Herbert Brown; Junior Councilor, Keith Harger; Senior Deacon, Hugh Pierce; Chaplain, Dick Tobin; Marshall, Arthur Saathoff; Senior Steward, Paul Welbaum; Standard Bearer, Condon Kirk; Almoner, Robert Hall; Sentinel, Martin Schmidt; Scribe, Richard Hain; Treasurer, Fred Vandenburg (Past Master Councilor); Pianist, Dale Chubb; Preceptors, William Crum, Milton Updike, Bernard Brown, Lee Mills, Leo Babcock, Percy Roosevelt, Virgil Exner. The second degree team will be composed of Past Master Councilor, Senior Councilor, Herbert Brown; Junior Councilor, Keith Harger; Standard Bearer, Condon Kirk; Almoner, Robert Hall; Sentinel, Martin Schmidt; Scribe, Richard Hain; Treasurer, Fred Vandenburg.

Mrs. Lucy Harroff is visiting friends in Racine, Wis.

MAN IN OVERALLS BALKED IN HOLDUP

MAN BELIEVED TO BE AN ESCAPED CONVICT FLEES IN CAR

What bank bandits wear, what bank bandits talk about and how they look in a close-up view was learned by Richard Fuller Friday night when a man, believed to be an escaped convict from the Oklahoma state prison, attempted to hold up the Standard Oil station on Days avenue.

Glenn Swain, attendant, was sitting in the station Friday evening about 10 o'clock, talking with Fuller when he saw the man coming along Days avenue, apparently from the north. Swain's suspicions were at once aroused, and it was soon evident that the visitor wanted something other than gasoline. Fuller was sitting just back of a small partition so that anyone entering could not have seen him at first. The man probably thought Swain was alone.

This particular bandit wore no mask or any of the other proverbial signs of his profession but made his evening call in a pair of overalls. That he was out for a night of excitement was evidenced by the polished handle of the revolver that Swain could see he was toting in his pocket.

After Swain left the station, Fuller succeeded in prolonging the conversation with the man for some time. Bandit etiquette calls for not only overalls for evening visits but evidently says one should keep his hands in his pockets constantly.

Both hosts leaving the station, the man tried the safe and finding it unlocked made his exit unimpeded. He was seen getting into a Ford car parked in front of Broderick's Drug store into which he first deposited his gun. Pursuit was made, the man balking the lead with no lights on his car. His trail was followed past the Hall farm, but his trail was lost when he evidently turned in to a dirt side road.

Niles, South Bend and other nearby police were notified of the attempted robbery. Description of the man tallies with those sent out of Dreyfus Rhodes, who is wanted in three states on various charges.

Rhodes, convicted of murdering a policeman in an attempted hold up in Indiana in 1926 and recently granted a new trial, escaped from the Knox county jail a week ago. He is wanted in Arkansas for bank robbery and he also escaped from Oklahoma state prison, where he had been serving a term on a similar charge.

NOTED ARTISTS TO APPEAR HERE

FIVE-ACT VAUDEVILLE IS BEING PREPARED BY COLLEGE WOMEN NOVEMBER 3

Talent of unusual merit has been secured for the five-act vaudeville being planned for the public by the College Women's club on the evening of Thursday, November 3. The entertainment will be a benefit performance for the scholarship fund, through which financial aid is given to college girls from Buchanan.

The committee has been successful in securing the services of two especially unusual numbers, Mary Gyree Mohn, talented dancer and Mrs. H. A. Harper, entertainer, both consenting to appear on the program.

The ability of both artists is well known in Buchanan and vicinity among both children and older people. Miss Mohn has not only studied under noted dancing teachers in California, but has appeared on Hollywood stages. She has entertained in Chicago theaters, also.

Mrs. Harper, an expression teacher of note in this locality, teaching at Niles, will entertain with readings. Her skill with dramatic impersonations is said to be unusual. The remainder of the program is still tentative, although an entertainment including a varied number of acts is being planned.

YOUTHFUL HUNTER DIES FROM RIFLE ACCIDENT

Eddie Novak, 15 year old son of Mr. and Mrs. Frank Novak of New Buffalo, is the first victim of the hunting season in Berrien county. He died Saturday at the Holy Family hospital at LaPorte following a ten day fight for his life.

The boy was wounded when his 22 rifle slipped from his hands, the bullet striking so near the heart that it was impossible to remove it. The Novak family spend their winters at Miami, Fla., where they own a hotel.

NINE POUND MUSHROOM SOLD BY A & P STORE

The Atlantic & Pacific company displayed a mammoth puff ball mushroom in its windows Saturday that weighed nine pounds and measured four and a half feet in circumference. The fungus, a perfect, all white, specimen, was grown on the marsh lands northwest of Buchanan. It was sliced into numerous pieces and sold to customers at 15 cents a pound, the single mushroom selling for \$1.35.

P. T. A. WILL HEAR HEALTH AUTHORITY

DATE OF NEXT SESSION IS SET FOR OCTOBER 24 WHEN PUBLIC HEALTH WILL BE TOPIC

Health in relation to school children will be the theme of the meeting of the Parent-Teachers association on Oct. 24 at the high school.

At that time Miss Marjorie DeLavan of the State Department of Public Health at Lansing, will speak on some phase of health in relation to the school and home.

The regular time for the meeting, the last Monday of the month coming on Halloween, the day was changed to a week earlier. Mrs. E. C. Pascoe has requested that all those having membership cards for the association to bring them to the next meeting so that the membership committee will be able to complete their records. Mrs. W. E. Sargent is chairman of the membership committee.

With one of the largest gatherings of parents and teachers in the initial dinner meeting recently, it is believed that the association will have a larger membership this year than ever before. Topics of current and pertinent interest will be included in this year's program.

CLEAR LAKE HOME HAS \$500 BLAZE

STUBBORN FLAMES IN LIVING ROOM FLOOR CALL OUT FIREMEN FRIDAY

Fire of undetermined origin did damage estimated at \$500 and threatened the Willard Colvin home at Clear Lake Friday night at nine o'clock.

The call for help was turned in about nine o'clock when firemen responded with the chemical apparatus. When they arrived they found the fire of a smoldering nature to be filling the house with smoke, that greatly hampered them in fighting the blaze. After applying two tanks of chemicals with apparently no effect, Chief Tennyson Bunker sent in the general alarm for help. The entire company answered the call, arriving to find the fire well under control.

Although it is not known what caused the fire, it is thought that a loose brick in the fireplace allowed the live coals to drop thru, setting fire to the floor. The fact that that portion of the living room where the fire broke out does not have a basement under it made the fire hard to get at, firemen being compelled to cut a hole in the floor before the blaze could be checked. Tree stumps under the house added to the blaze.

Smoke and water from the garden hose did damage, the fire being checked until help could be obtained by the placing of large, water-soaked rugs over the living room floor.

The purchase of the large home by William Eiler, real estate operator of Lakeside, is said to be pending.

CLUB WOMEN CLOSE SEASON OF BRIDGE

FIFTY MEMBERS ENJOY THE LAST EVENT AT ORCHARD HILLS

Bringing to a close social events at the Orchard Hills Country club, the last potluck luncheon scheduled last Thursday afternoon proved to be one of the more delightful afternoons of the season. About forty women participated in the pot luck luncheon and bridge party that followed. At the close of the afternoon of play Mrs. O. W. Curtis and Mrs. J. W. Wood of Niles, were first and second high score holders respectively with other high scorers getting first choice of the prizes provided by all the women who played.

The hostesses of the afternoon were members of the general activity committee for the year. They are: Mrs. J. F. Viele, Mrs. E. B. Ross, Mrs. H. M. Lydick, Mrs. H. L. Owen, Mrs. T. C. Hance, Mrs. C. E. White and Mrs. N. W. Kritzer. Both of the large number of women present and the array of prizes donated made the afternoon one of the more outstanding of the pot luck bridge luncheons during the summer and early fall at the clubhouse.

CHURCH PREPARES FOR REVIVAL HERE

ENTIRE COMMUNITY ASKED TO PARTICIPATE IN SERVICES ON OCTOBER 30

Organization for the opening of revival services at the Evangelical church on October 30 and continuing until November 20, has begun.

The Newell Brothers evangelists, who are now holding meetings at Benton Harbor, are engaged for the event. The group consists of three brothers, Dr. H. H. Newell, who preaches, Bert Newell, who is choir leader and George Newell, who is a religious musician of wide note.

Tomorrow night a delegation of Buchanan people with the Rev. W. H. Camfield, pastor of the Evangelical church are planning on going to Benton Harbor to attend the meetings. Delegations from several congregations have attended the services in the First Evangelical church auditorium.

"I wish to assure the people of Buchanan that we invite all who can to attend and enjoy these services. We hope to have a large chorus choir under the direction of Uncle Bert, who also plays the gold trombone," said the Rev. Camfield.

"We also give assurance to all that there will be no pressure brought to bear upon anyone that they will be expected to become a member of the Evangelical church because they may take part in this community service."

"I also wish in behalf of the Evangelical church to invite the several pastors and their people to freely join in this big revival meeting and as far as convenient and possible to help to make it one of the best meetings Buchanan has ever had. We also trust that a thousand selections of a religious nature from memory. He was a pupil of Robert Harkness, one of the most famous of sacred pianists."

MEN OF BUCHANAN LISTEN TO PRINCE

STORIES OF PYGMY LAND TOLD BY SWEDISH PRINCE AT CLUB DINNER

Among the large number of men who listened to the explorations into pygmy land told by Prince William of Sweden at the dinner of the Knife and Fork club were several Buchanan men. The dinner, held at the Oliver hotel, opened the 21st season of the organization in South Bend. Among those who attended the dinner were: O. R. Curtis, Dr. J. C. Strayer, M. L. Hanlin, John C. Dick, M. J. Kelling, D. L. Boardman, Walter Shoop, C. D. Arnold and Sig Desenberg. "Hunting Wild Game in Pygmy Land" was the subject of the Prince's address before an audience said to be the largest ever attending the Knife and Fork club. Screen pictures accompanied the prince's extremely interesting lecture.

The prince told of being inspired to make the trip through the adventures of Theodore Roosevelt in the heart of Africa. The trip through Africa took the prince from the east coast of Victoria and finally emerging from the jungles at a point on the Nile river that brought them eventually into the city of Cairo.

The pictures were filled with thrills as well as the prince's straightforward and highly entertaining story. A leopard feeding on the carcass of a zebra taken at a very close range was one of the hairbreadth scenes. A lion hunt that terminated with the shooting of one lion and eight lionesses in order to save the lives of cameramen proved equally interesting to the audience. Scenes from the lives of the pygmy race were amusing, the little black bodies of the inhabitants forming a big contrast to the tall prince. Gorillas also were principals in the pictures.

The expedition is said to be the second ever made into this strange land. Miss Lily Brown, daughter of Mr. and Mrs. Harry Brown is expected home over the week end from Evanston, where she is studying dental hygiene at Northwestern university.

Miss Lena Ekstrom spent the week end at her parental home in New Cadillac. Word has been received here that Mary Agnes, 8, the oldest daughter of Mr. and Mrs. Robert Hume, of Butler, Ind., is ill with scarlet fever. Mrs. Hume was formerly Ruby Phillips of Buchanan.

Johnny Hoekstra to Meet Jack Broughton Here October 25

JOHNNY "SLUG" HOEKSTRA Johnny "Slug" Hoekstra, Buchanan fighter, who is scheduled for a match with Jack Broughton, a hard hitter from Dixie, on the night of Oct. 25, at the Clark theater. A total of 32 rounds is being prepared by the Buchanan Athletic association.

BUCHANAN TIES MICHIGAN CITY INDEPENDENTS WERE HELD TO 0 TO 0 SUNDAY BY PHI DELTA KAPPA TEAM OF MICHIGAN CITY

The Buchanan Independent foot ball team was held to a 0 to 0 tie by the fast Phi Delta Kappa team of Michigan City last Sunday, at Ames Field, Michigan City. The Buchanan team were within Michigan City's five yard line twice, but were held from scoring on both occasions by fine defensive work on the part of the Michigan City line. Capt. Pfingst of the Buchanan team was the individual star of the game, his fine work at speeding around Michigan City's ends, on well executed plays, twice, put the ball within scoring distance. The Buchanan team used a well planned cut-back play to excellent advantage, and were able to make eleven first downs to only five for their opponents. They also had strong defense for the Michigan City aerial attempts and were able to intercept three of their opponents passes. Buchanan prevented a stone wall to Michigan City's heavy plunging back field with Brant at center, Wheat and Stevens, guards, Mitchell, Lister and Perry at tackles, and Wallen, Love, Karling and Dempsey at ends. "Spot" Dempsey covered himself with glory early in the game, spilling the interference and throwing the man with the ball for a loss on five occasions, after which the Michigan City quarter seemed willing to give up at end as a poor place to gain through. Conrad's punting was a feature of the game, as he outkicked the Michigan City booters by at least twenty yards on each occasion, and twice booted the ball far over the head of their safety man. He was handicapped by a soft ball in kicking and passing. "Shorty" Lister and Dick Lister were one walls on defense and their ready tackling dropped the fast backfield of Michigan City in their tracks. Michigan City fans were well pleased with the game as it was very clean contest, Buchanan being penalized only twice, once on offense, and on another occasion, for taking too much time to call their signals. Michigan City was penalized twice for offense, and also drew a 15 yard penalty for pushing in the line. About forty Buchanan fans made the trip to the lake city to see the game, and were well pleased with the result, as the last Buchanan team to play there came back with the short end of a 66 to 6 score. In the opinion of many football fans, the Independent team representing Buchanan this year, is the best team that has ever taken the field here, and are well worth the support of the people of the town. The team is composed of former high school stars, two or three men who have had football training in college and a number of boys, who have had four or five years' experience in independent football. They are in the hands of a very capable coach in Mr. H. Wagner, former Western State Normal star, who has charge of the sale of electric household appliances for the local power companies, and the value of the appliances is shown out of the game. They are playing a game and as the team is much lighter than the opponents' to

J. A. WHITE LOSES MATCH TO GOLFER FROM NILES

The final match in the handicap tournament held annually at Orchard Hills country club was won Sunday by Cyrus R. Funk, who defeated J. A. White by 3 up and one to go. The match began on Saturday when Funk was one up. The Niles player made a good showing on the last nine. The tournament has been going on for several weeks with eliminations each week end. In the first rounds of the tournament there were more than 30 players. Eleven players survived for the quarter finals early in September.

B. A. A. PREPARES BIG BOXING CARD

ATHLETIC ASSOCIATION ANNOUNCES 32 ROUNDS AT CLARK THEATER OCTOBER 25

A fight party with a total of 32 rounds in the four contests has been scheduled for Tuesday, Oct. 25, at 8:20 at the Clark theater under the auspices of the Buchanan Athletic association. A real treat for fans is in store for them at the time when Tommy McFarland glove artist from Benton Harbor, will meet Joe Miller of Chicago, in the main go. These two, tipping the scales at around the 162 pound mark will box ten rounds. The second ten round bout of the evening is to be staged by Kid Leiler of Elkhart and Johnny DeCoursey of Chicago. Leiler is described as being a hard hitter with both hands, knocking out his last two opponents. DeCoursey is reported as being exceptionally fast and is, from all reports, considered good, according to Red Griffin. The second ten round date, have a fast tricky offense that has been hard for their heavier opponents to solve.

bout will have fighters weighing 180. What will no doubt be one of the big drawing cards of the night will be the contest between Johnny Hoekstra, Buchanan fighter, and Jack Broughton, a Southern boy from Dixie. The Memphis fighter is considered a hard hitter in that territory. Hoekstra is well known here and has engaged in a total of 40 fights, the nearest he ever approached to being whipped is his draw with Red Dugan of La. Porte. An additional four round contest is yet to be arranged. The Buchanan Athletic association is sponsoring the evening of fun, the program being arranged under the direction of Glenn Merrifield and Red Griffin, who promise the public that this month's card will more than reach the high standard of entertainment put on by the organization.

FAST S. B. NYIKOS PLAY HERE SUNDAY

INDEPENDENTS TO MEET THE HOOSIERS ON LOCAL GRID SUNDAY; FEATURE GAME

The Buchanan Independent foot ball team are to play the feature game of their schedule, as their opening home game, meeting the Nyikos A. C. of South Bend at Athletic Park at 2:30 next Sunday. The Nyikos club are claimants of the independent championship of the St. Joe Valley, by virtue of their victory over the South Bend Pro team last fall. This title is questioned by the Buchanan team, as in the two game series played here last fall, Buchanan tied the first game and won the second. Manager Griffin found it difficult to book the South Bend boys back here, but was finally successful, as it was apparent that they were a little bit afraid of their laurels. The Nyikos team is coached by the Nyikos brothers, stars at Notre Dame last year, and are a well trained organization, and the Buchanan team will do well to hold the score down. Lineup will be as follows: Buchanan—Love, Dempsey, le; Gregory, Lister, lt; Lees, Stevens, lg; Brant, c; Wheat, Perry, rg; Mitchell, Campbell, rt; Karling, Chain, re; Pfingst (c), Thaming, q; D. Lister, qb; Wallen, lb; Conrad, rb; Chubb, Cleveland, rh; Nyikos—Hadwich (c), Cesseper, lb; Berra, Bach, lt; Lentsch, Strantz, lg; S. Berta, c; Visik, Knapp, rg; Dion, Keith, rt; Pordon, Benson, re; Vaseil, Smith, q; Collins, lb; Kovach, fb; Crowley, Neiman, rh. As Thaming and Cleveland are laid up with injuries, it is possible that Buchanan will be slightly weakened but the addition of Wallen and Love will be a means of strengthening the defense. Nyikos A. C. have a very heavy team this year, averaging close to 170 lbs, while Buchanan will average about 155 lbs.

SIGHTS GESE AT LAKE John Reid of Barron Lake reports that he sighted a flock of wild geese flying over the lake on Friday morning. That there must have been quite a number

of birds in the flock is evident from the fact that they could be heard settling down into the district Thursday evening. Thinking they spent the night there Reid went to their haunts early Friday morning with his gun. He found them and took a shot at the flock but did not succeed in landing any in his bag but he believes he wounded one member of the flock.

PRINCESS THEATRE

Next Thursday and Friday a football series of pictures will be shown by Manager Homer P. Morley at the Princess theatre of unique composition and unusual interest. Like the baseball picture, "Babe Comes Home," this series will be very happily timed to coordinate with the very height of the football season in this town and state. This series was made by Grantland Rice and John "Chick" McEwan, to teach how the game is best played, as illustrated by two outstanding eleven in action. "Every big play in football is given," says

NATURE DAY IS THEME OF MEETING OF THIRTY CLUB

Nature day was celebrated at the weekly meeting of the Thirty club Monday at the home of Mrs. W. B. Dale.

Entertainment centering about the general theme included three papers by club members. "Silk and Its Maker" was the subject of a paper by Mrs. Fred Moyer, who told the story of silk making in China from the forming of the cocoon to the weaving of the cloth.

"Nature's Fiery Four Hundred" was the subject of a paper read by Mrs. Ida Bishop, who described Vesuvius and other important craters of the world.

As the unique feature of the program, Mrs. George Deming gave a book report of Gene Stratton Porter's "Keeper of the Bees" while club members gathered about the fireplace.

Mrs. Charles Boyle, as the new president, was in charge of the meeting and roll call was responded to by nature verses. A record, "A Tree" sung by Madame Schuman-Heink, was played, followed by the president's greetings to club members. Travel Day will be celebrated at the next meeting, Monday, Oct. 11, when Mrs. Robert Franklin will be the hostess.

IN NILES HIGH AUDITORIUM

The Niles high school auditorium has been secured for the four entertainments comprising the course to be given by the Interstate Lyceum course on Oct. 20, 21, 22 and 24. Mrs. E. J. Bennett, who is in charge of the ticket sale, reports that the response from the public has been highly satisfactory. The purpose of the course is to present a series of high class entertainments, in lieu of a winter lyceum course or a chautauqua. A committee of citizens is sponsoring the course and will share in the profits and the committee will give their share of the proceeds to charitable purposes.

GROWTH SHOWN IN CHURCH MEMBERS

SEVENTY-THREE ADDITIONS TO CHURCH OF CHRIST; PASTOR AT NATIONAL CONVENTION

What is believed to be an outstanding number of members added to church rolls in Buchanan has been made by the Church of Christ this year, with the pastor, the Rev. L. P. Nebelung, reporting a total of 73 additions to date.

The church now has a total of 250 members. The additions during the year include confessions made during the special meetings held by the church, according to the Rev. Nebelung.

The Sunday school has experienced growth also with it being one of the larger organizations of the city. The average attendance is about 200. On Rally day a total of \$16 in collection was reported. On that day promotion was held for the departments of the school with pupils giving a demonstration of the actual work they have been doing during the year.

One of the largest classes of the school is the Loyal Workers, a group of young married people, who number 75. The average attendance in this class is about 40. The Rev. J. J. Terry is the teacher. Mrs. Nellie Boone is the Sunday school superintendent. This week for five days, the Rev. Nebelung is attending the national convention of the Church of Christ at Indianapolis. He left Monday morning for the session.

Mr. and Mrs. R. F. Mix, Mr. and Mrs. Arthur Edmondson and two daughters, Martha Jeanne and Ruth Evelyn, of Elora, Ind., spent the week end here visiting at the home of their daughter and sister, Mrs. Noah Restler.

SOCIAL CALENDAR OF WEEK FILLED WITH PARTIES

Four bridge parties are on this week's social calendar among Buchanan women. Mrs. R. H. Snowden will be hostess to women on Friday and again on Saturday in her front street home. Yesterday Mrs. G. S. Easton, Mrs. N. Beilharz and Mrs. Harry Thompson entertained at a bridge luncheon and today Mrs. Easton and Mrs. Thompson are again entertaining at the Easton home with a bridge tea.

Last night teachers of the public school were entertained with a pot luck dinner and bridge party at the home of Mrs. Mae Whitman on Front street.

SCOUTS ORGANIZE FOR YEAR'S WORK

TROOP TWO WILL SELECT OFFICERS AT NEXT MEETING MONDAY EVENING

A. B. Muir has been appointed as scoutmaster for troop 2 of Buchanan Boy Scouts with Hugh Pierce acting as assistant scoutmaster.

The group will complete their organization at the meeting next Monday night in the basement of the Presbyterian church when officers will be elected. Among officers to be filled will be junior officers, the junior assistant scoutmaster, the four patrol leaders, senior patrol leader, scribes and treasurer.

The membership of the group now numbers 34. Interest in scouting has increased to such an extent that the Rev. L. P. Nebelung is planning on forming a third troop among boys of the Church of Christ.

The court of honor will be held at Benton Harbor Monday evening.

COMMISSIONER TO BE NAMED TODAY

POOR HEALTH CAUSES L. E. MERCHANT TO RESIGN COUNTY POSITION

L. E. Merchant of St. Joseph, submitted his resignation as a member of the Berrien County poor commission to the board of supervisors at the Monday session. Merchant had been a member of the commission for several years. Poor health was given as the cause for his action. Today acceptance of the resignation and appointment of a successor will occupy the board. The report of the poor commission has been received by the supervisors and placed on record.

The report for the year ending September 30 showed 98 inmates housed at the infirmary. The greatest activity was the securing of the addition to the building at Berrien Springs. An appropriation of \$5000 was requested for the year.

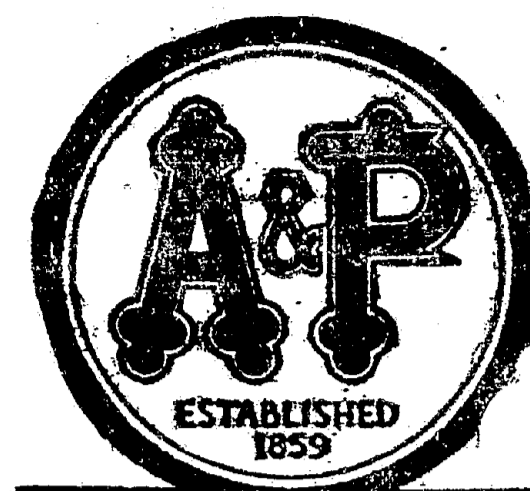

Receipts of the commission showed a total of \$42,479.16 and expenditures of \$21,556.31. Throughout the county temporary relief amounted to \$12,398.88. The cost of housing of inmates showed a drop of from \$6.79 in 1926 to \$5.95 in 1927. The supervisors recommended a gravel road to be built from the infirmary into Berrien Center.

BIBLE CLASS MEETS

The Flora Morgan Bible class of the M. E. church was entertained Wednesday afternoon at the home of Mrs. Carrie Cain on South Oak street. Mrs. A. A. Worthington was also a hostess.

Devotionals were led by Mrs. Redden and a social hour was followed by the serving of dainty refreshments. Mrs. Kate Morse was a special guest.

WEDDINGS & BIRTHS

HUEBNER-VOLL

At a wedding ceremony solemnized in St. Mary's Catholic church of Marion, Ohio, Herbert Huebner of Buchanan and Miss Clara Voll of Marion, were married Oct. 4.

The pastor, the Rev. F. X. Cotter, read the service performed at 7 o'clock in the morning and was celebrant for the nuptial high mass. During the service Henry Wisler of Cleveland, sang "Ave Maria" and "Agnus Dei" accompanied on the organ by Miss Mary Murphy, who also played the wedding marches.

Immediately following the mass a wedding breakfast was served in the parlor of the presidential suite at Hotel Harding and later Mr. and Mrs. Huebner left on an extended wedding trip to Atlanta, Ga. They will be at home after Nov. 1, at their home at 113 Chippewa street.

Guests from Buchanan who attended the ceremony were Mrs. Augusta Germaine, his mother, and Miss August Huebner, his sister. Edward Huebner of Detroit, his brother, was also present with Mr. and Mrs. Henry Wisler of Cleveland and August Schmidt of Columbus.

Mrs. Huebner is a graduate of St. Mary's Parochial high school of Marion. Mr. Huebner is a popular member of the young men here, having served as commander of the American Legion during his residence here. He is connected with the Clark Equipment company.

The bride chose for her wedding a traveling frock of dark blue flat crepe with trimming in a lighter shade. With this she wore a light blue hat and a stone martin neck piece. Her flowers were a corsage of bride's roses and delphinium and she wore the bridegroom's gift, a cameo pin. Her attendant, Miss Mary Kessley, of Columbus, wore a frock of wood brown satin with hat and shoes of the same shade and a corsage of roses. Francis Voll, brother of the bride, served Mr. Huebner as best man.

Barbara French, little daughter of Mr. and Mrs. Charles French broke her right arm in two places while playing Tuesday.

Mrs. A. L. Hamblin had her tonsils removed by Dr. Wallace last week end and is getting along very nicely.

Miss Margaret Clowey, mathematics teacher in the high school, visited friends in Berrien Springs, over the week end.

Postmasters Herbert Batchelor of Buchanan and Will Watson of Three Oaks, were in attendance.

The money order business was \$3,761 less for the first six months of 1927 than for the corresponding period of 1926. The parcel post business showed a net gain of \$1,916 for the six months period.

Postmasters Herbert Batchelor of Buchanan and Will Watson of Three Oaks, were in attendance.

The W. B. A. No. 130 will give their monthly bunco party in their hall Tuesday evening, Oct. 18. Public invited. Price 25c. 40t/c

3D CONVENTION OF POSTMASTERS HELD

MET AT PAW PAW SATURDAY NIGHT WITH 140 PRESENT FOR ACTIVE BUSINESS SESSION

The third annual convention of the postmasters of the Fourth Congressional district was held in Paw Paw Saturday night in the Cotera club house where dinner was served at six o'clock to 140 postmasters, wives and guests.

Postmaster W. D. Moser of Paw Paw, father of the convention, presided. The convention came into being thru Mr. Moser's activities three years ago. Each year the numbers of attending postmasters are growing larger and each year sees more effective work being done toward improvement in postal service in the district.

The association was organized for the single purpose of bringing about improved postal service in the district and it is functioning to the satisfaction of its members. Politics is a taboo subject. It is said to be the only organization of postmasters in the United States.

The reports of officers were read and an invitation from the Exchange club of Cassopolis, was accepted to hold a picnic at Diamond lake next Labor day. The picnic will be open to all postal employees and their families.

The next convention of the association will be held in Paw Paw some time next fall. It was voted to extend an invitation to all newspaper editors in the district to meet with the postmasters at this convention.

said mortgage is now due and payable and said power of sale has become operative, and by the statute in such cases made and provided, the said mortgage will be foreclosed by a sale of the mortgaged premises, at public auction to the highest bidder at the south front door of the court house in the city of St. Joseph, Michigan, on the 3rd day of January, A. D. 1928, at ten (10) o'clock in the forenoon of said day. The land and premises described in said mortgage situated in the village of Buchanan, county of Berrien, state of Michigan, to wit: Part of block "B" in De-

MORTGAGE SALE Default having been made in the payment of money secured by a mortgage made and executed by Louie E. Marsh, a single man, of the Village of Buchanan, county of Berrien, state of Michigan, to the Industrial Building and Loan association, a corporation of the same place, said mortgage bearing date the 29th day of May, A. D. 1925, and recorded in the office of the register of deeds of Berrien county, Michigan, in liber 150 of mortgages on page 108, on the 1st day of June A. D. 1925.

Whereas the amount claimed to be due on said mortgage for principal and interest at the date of this notice is the sum of four hundred one dollars (\$401.00) together with an attorney fee of fifteen dollars as provided in said mortgage and according to statute and no proceedings have been taken in law or equity to recover said debt or any part thereof.

Now, therefore, notice is hereby given that by virtue of the power of sale contained in said mortgage, it being expressly agreed by the terms of said mortgage that should default be made in any of the payments therein provided for a period of four months that the whole amount secured by said mortgage should become due and payable, and whereas, said payments have not been made, so that the whole amount secured by said mortgage is now due and payable and said power of sale has become operative and by the statute in such cases made and provided, the said mortgage will be foreclosed by a sale of the mortgaged premises, at public auction to the highest bidder, at the south front door of the court house in the city of St. Joseph, Michigan, on the 3rd day of January, A. D. 1928, at ten (10) o'clock in the forenoon of said day. The land and premises described in said mortgage situated in the village of Buchanan, county of Berrien, state of Michigan, to wit:

Lot two (2), in Block "E" John D. Ross addition to the village of Buchanan. Dated at Buchanan, Michigan, the 3rd day of October, A. D. 1927. Industrial Building and Loan association, mortgagee. Frank R. Sanders, Attorney for Mortgagee.

MORTGAGE SALE Default having been made in the payment of money secured by a mortgage made and executed by Charles N. Lightfoot and Arlie V. Lightfoot, his wife, of the village of Buchanan, Berrien county, State of Michigan, to the Industrial Building and Loan association, a corporation of the same place, said mortgage bearing date the 25th day of March A. D. 1910, and recorded in the office of the register of deeds of Berrien county, Michigan, in liber 108 of mortgages on page 208 on the 28th day of March A. D. 1910.

Whereas the amount claimed to be due on said mortgage for principal and interest at the date of this notice is the sum of four hundred one dollars (\$401.00) together with an attorney fee of fifteen dollars as provided in said mortgage and according to statute and no proceedings have been taken in law or equity to recover said debt or any part thereof.

Now, therefore, notice is hereby given that by virtue of the power of sale contained in said mortgage, it being expressly agreed by the terms of said mortgage that should default be made in any of the payments therein provided for a period of four months that the whole amount secured by said mortgage should become due and payable, and whereas, said payments have not been made, so that the whole amount secured by said mortgage is now due and payable and said power of sale has become operative and by the statute in such cases made and provided, the said mortgage will be foreclosed by a sale of the mortgaged premises, at public auction to the highest bidder, at the south front door of the court house in the city of St. Joseph, Michigan, on the 3rd day of January, A. D. 1928, at ten (10) o'clock in the forenoon of said day. The land and premises described in said mortgage situated in the village of Buchanan, county of Berrien, state of Michigan, to wit:

Lot two (2), in Block "E" John D. Ross addition to the village of Buchanan. Dated at Buchanan, Michigan, the 3rd day of October, A. D. 1927. Industrial Building and Loan association, mortgagee. Frank R. Sanders, Attorney for Mortgagee.

MORTGAGE SALE Default having been made in the payment of money secured by a mortgage made and executed by Elbert M. Blake, a single man, of the village of Buchanan, county of Berrien, state of Michigan, to the Industrial Building and Loan association, a corporation of the same place, said mortgage bearing date the 6th day of October, A. D. 1926, and recorded in the office of the Register of Deeds of Berrien county, Michigan, in liber 150 of mortgages on page 206, on the 15th day of October, A. D. 1926.

Whereas the amount claimed to be due on said mortgage for principal and interest at the date of this notice is the sum of two hundred eighty dollars (\$280.00) together with an attorney fee of thirty-five dollars as provided in said mortgage and according to statute and no proceedings have been taken in law or equity to recover said debt or any part thereof.

Now, therefore, notice is hereby given that by virtue of the power of sale contained in said mortgage, it being expressly agreed by the terms of said mortgage that should default be made in any of the payments therein provided for a period of four months that the whole amount secured by said mortgage should become due and payable, and whereas, said payments have not been made, so that the whole amount secured by said mortgage is now due and payable and said power of sale has become operative and by the statute in such cases made and provided, the said mortgage will be foreclosed by a sale of the mortgaged premises, at public auction to the highest bidder, at the south front door of the court house in the city of St. Joseph, Michigan, on the 3rd day of January, A. In accordance with the announcement of last week, all sessions were held in the Brethren church at Glendora and will continue to be so until the Hills Corners church is remodeled.
The 1930 club will hold a class meeting Friday night at the home of Miss Anita and Junior Boyle. The program will be of both a social and business nature.
Next Sunday morning at the Sunday school session Mrs. Sam McClellan will give a short resume of the history and work of the cradle roll department. This week is the 50th anniversary of the founding of that department.
Several members of Hills Corners are planning to attend the one day convention at South Bend First Christian church on Monday, Oct. 17. One hundred and fifty-two of these conventions are being held over the whole nation under the auspices of the United Christian Missionary society. One of the main features of the day will be the men's banquet at 6:30 p. m. Special speakers of wide reputation will address the meeting. No man can afford to miss this gathering. Simultaneously with the men's banquet will be held a women's banquet.
Attendants at the services last Sunday morning were pleasantly surprised when they were greet-

The regular meeting of the Jeannette Stevenson Guild will be held next Tuesday evening, Oct. 18, at the home of Mrs. Glenn Sanford, with Mrs. Bernice Donley acting as assistant hostess. Miss Georgia Wilcox will have charge of the devotionals, Miss Avis Moffet will give a book review and Miss Ethel Beistle and Mrs. Walter Thanning will have charge of the entertainment.

The Beta Gamma Upsilon sorority held a pot luck supper at the home of Mrs. Oscar Swartz Tuesday evening. Twelve were present and enjoyed the delicious supper after which bridge furnished the diversion for the evening. The high score was held by Mrs. Norman Kritzer.

The monthly bunco party sponsored by the Women's Benefit association for the public will be held in the lodge rooms Tuesday evening, Oct. 18. Winners in the games will receive prizes and refreshments will conclude the evening.

The Missionary society of the Presbyterian church will be the guests of Mrs. Chas. Tichenor tomorrow afternoon. A pot luck dinner will be served at 12:30 followed by the afternoon program.

The American Legion Auxiliary will pack fruit to be sent to the Soldiers' hospital at Battle Creek Monday evening at their regular meeting. Anyone wishing to donate canned fruit may bring it to the American Legion hall.

The Royal Neighbor club will be the guests of Mrs. Anna Voorhees, Oct. 20, at her home on Moccasin avenue. For the evening, Mrs. Ada Schwartz will be assistant hostess.

The Battle Creek hospital is maintained for ex-soldiers and sailors.

SOCIAL EVENTS

MOGFORDS GIVEN SURPRISE AND HOUSE WARMING

Mr. and Mrs. E. C. Mogford were surprised by a large group of friends who gave them a house warming Monday evening in their beautiful colonial home on Front street.

The company numbered thirty-four couples who took the Mogfords by surprise at 6:30. Following a pot luck dinner, the evening was spent with dancing and bridge. As a remembrance of the day a table lamp and picture were presented to Mr. and Mrs. Mogford.

BUCHANAN WOMEN GUESTS AT LUNCHEON IN NILES

Among the 86 guests who attended the one o'clock luncheon given by Mrs. Walter P. Parkin Friday afternoon at the Four Flags hotel at Niles were several Buchanan women. Mrs. Sig Desenberg was one of the three prize winners in bridge.

The private dining room was set with six tables, each one decorated with a pastel shade. Fall flowers also carried out the color scheme along with crystal candlesticks tied with tulle.

"MR. PIM PASSES BY" TO BE STAGED BY TEACHERS

The Teachers club of Niles has selected the cast for the presentation of the play, "Mr. Pim Passes By." Coaches are Misses Lohr and Birdsall. Miss Verna Whalen takes the part of Ann; Fredrick Richter, Cairaway Pim; Miss Dorothy Manning, Dinah; Gene Branstetter, Brian Strange; Miss Ruth Rockwell, Olivia Marden; F. W. Crawford, George Marden; and Miss Florence Tuttle, Lady Marden.

BIRTHDAY SURPRISE

Forty friends and relatives very

pleasantly surprised Mrs. Allen Moyer at her home on Tuesday evening, Oct. 11. The occasion was her birthday. The evening was spent with music and games after which refreshments consisting of sandwiches and coffee and ice cream and cake were served.

CELEBRATES BIRTHDAY
Misses Margaret Whitman, Carlene Layne, Mary Karling, Bertha Desenberg and Gale Peas, accompanied by Bill Stevens and Gilbert Turner, motored to South Bend on Sunday evening where they celebrated the birthday of the latter.

GERALD HARTLINE

Gerald Hartline, 19, son of Mrs. George Ream, of Niles, died at Howell sanitarium Friday morning at Howell, Michigan, where he had been receiving treatment for about a year. His twin brother, Harold, died last fall.

Besides his mother the young man is survived by three sisters who are Mrs. Grace Huffman, of Niles; Mrs. Clarence Linsenmier, who resides on a farm near Buchanan and Mrs. Thomas Stillaker, who lives near Berrien Center.

Rev. Terry of Buchanan conducted the funeral services on Sunday afternoon, at the home of his sister, Mrs. Wm. Huffman. Burial took place in Weesaw township cemetery.

ALCOHOL EFFECTS TOLD BY CHILDREN

ESSAY AMONG GRADE PUPILS TO AGAIN BE STARTED BY MEMBERS OF W. C. T. U.

Children from the fifth to the eighth grade inclusive are to again be given an opportunity to express their opinions on alcohol...

Last year three prizes were offered in each of the grades with Bernice Lolmaugh, Arthur Deeds, Lowell Batchelor, William Zachman and Jack McHenry submitting outstanding essays.

The following, written by Lowell Batchelor, received first award among the fifth graders.

My Body and King Alcohol One day a man give his dog some alcohol with his food, the dog soon died from the alcohol.

Alcohol will harm a person sooner or later, because it contains poison. Over sixty thousand people are killed every year from drinking alcohol.

Many people are killed from present medicines containing alcohol. The alcohol will make slow and clumsy, besides it will harden the blood vessels.

Even a small amount of alcohol will make the heart beat several times faster than it should. Some people believe that alcohol is a food. This is not true as it poisons the body. Food does not.

If I would drink a little alcohol I would not stop wanting alcohol. It would make me pay higher insurance rates for drinking alcohol.

I would not live so long if I drank alcohol. If I add a drop of alcohol to my blood it would kill the blood cells instantly.

Alcohol irritates the delicate lining of the stomach. A person who drinks cannot play football or any other games that require a strong body.

Quite a number of automobile accidents are caused by drunken drivers. If an engineer drinks there is danger of a wreck. He also loses his job if he is known to drink.

The following essay was written by Arthur Deeds, seventh grade:

Alcohol, King of Destruction The word alcohol was derived from an Arabic word which applied to a dark paint that the women used to darken their hair.

It is not known how the word came to be applied to its present use.

The alcohol of today is a strong drink which, when a certain amount has been taken, makes the person stagger. This staggering is called drunkenness.

Alcohol is produced by the action of yeast and sugar and fruits such as grapes, apples, berries etc. Fermentation follows and produces alcohol and carbon dioxide.

Grains are other sources from which alcohol is produced.

Alcohol is the principal intoxicating drink, besides whiskey, rum, and gin are distilled liquors, and they contain one half alcohol.

When alcohol is drunk it undergoes oxidation in the body just as sugar, starch and similar substances do.

A small dose stimulates the heart and relaxes the blood vessels of the skin, causing a feeling of exhilaration and warmth.

A little larger dose weakens the mind and causes the cerebellum, brain, to get out of balance.

By this I mean that the person staggers from the side to another.

A real large dose may paralyze the body to such an extent that the person cannot move hand or foot. It may even cause death.

Alcohol is the cause of pains in the stomach and head and side of the body. Because of its physical and chemical properties, alcohol has great industrial value.

Chemically, it is a powerful solvent for many things. It is antiseptic and preservative power make it valuable for cleansing and dressing wounds. Alcohol is used as power in motors. It may some day be the leading power fuel.

There are three kinds of alcohol: 1, wood alcohol, which is made from wood and is very poisonous if taken internally; 2, there is another alcohol used for rubbing. This is called ethyl alcohol; 3, then comes the one I have talked about previously, the intoxicating alcohol, the "King of Destruction" to the body.

Bernice Lolmaugh's essay follows: My Body and King Alcohol Alcohol does more than simply irritate and inflame the stomach. It is liable to paralyze the nerves so they will lose all their sensibility.

The liver, as well as the stomach, is injured by alcohol. The outside becomes covered with little knobs. This has been given the name of "hob-nobbed liver."

Alcohol hardens the tissues. The brain, when in a healthy state, is soft and could be cut with a knife without tearing it.

When an examination is made of a brain it is a common thing to find it is as hard as wood. This is the brain of a drunkard, it is already hard. An anatomist declared that he could tell a drunkard's brain

THE FEATHERHEADS

"THE MICROPHONE" News of Buchanan Schools

DOWAGIAC TO BE TOUGH BATTLERS

GAME HERE SATURDAY WILL BE TEST OF TRUE ABILITIES OF SQUAD

Last Saturday afternoon Buchanan defeated Decatur high 32 to 0 after Decatur had given them a lesson on the subject "How to Stop Line-Bucks."

Buchanan's line was weak, seriously weak, and unless it fights up and learns to take it, it will receive a terrible drubbing from Dowagiac next Saturday.

The field was slow because of the rain which fell during the day and night before, and the score would probably have been more for what the line lacked the backfield made up for in the way of strategy.

Wynn made a beautiful end run for the first touchdown. Savoldi made two, one from a fake punt, evaded the whole team, but the safety man, who was neatly put out of the play by Wynn, and went over the line after a run of fifty yards. Capt. Letcher made one touchdown on a pass near the goal and Pierce took a pass for a 65 yard run and the final touchdown of the game.

The game, though it displayed a weak forward wall, had many redeeming features. The team knows its signals, that is certain. There is no hesitation on the part of the players; they seem to know exactly where to go.

Buchanan high school also has the best head and system which we have seen yet. It does not look like a squad of Scotchmen looking for a nickle as some of the others that we have seen.

Though the game was a little one-sided it was interesting to watch and we believe Decatur will have a strong team next year.

We congratulate them on their "fight."

Alice Charles was home from Lansing over the week end. She had as her guest, Tom Churnbul, who is also attending Michigan State college.

in the dark with only the sense of touch.

Experiments upon living animals have shown the change which takes place in the nerve cells. Some become shriveled and fail to perform their duty.

Alcohol injures the children of those who use it more than the users themselves.

Dr. Smith made several experiments to see whether alcoholic drinks were a help or a hindrance to the body.

His tests proved that on the days his subjects left beer alone they made an improvement, but on the days they drank there was a constant decline.

Alcohol has been proved to be a deceiver, it increases all the miseries that it promises to relieve. It paralyzes the nerves and it makes a man think he feels strong, warm and happy but he really is not. "All the time it is wrecking the body."

The following essay was written by Marjorie Campbell, grade 6.

My Body and King Alcohol There are kings and kings, but the king of whom I speak is more powerful than any other king.

Many a spoilt life and broken body has he to grin over when he looks over his records. This king was banished into exile by the law. But few lawless souls still bow down to his greatness.

Though this king appears to be a pleasant sort of fellow, he really has a fiery sort of disposition. Many an innocent person has suffered from his deeds.

Though he has many pleasant words on the tip of his tongue they are false. Though he looks friendly he is cruel. A few people don't care. Many do care and about as many are for it. So there you are. But we will win.

We must fight, fight and fight. Alcohol spoils the whole world and America. When we are fighting against alcohol we are fighting for our country. And our country will win.

ATHLETES SELL CANDY

GAME HERE SATURDAY WILL BE TEST OF TRUE ABILITIES OF SQUAD

Buchanan's line was weak, seriously weak, and unless it fights up and learns to take it, it will receive a terrible drubbing from Dowagiac next Saturday.

"TWO JANES" LEAD JUNIOR HIGH STUDENTS IN SCHOLARSHIP RANK

JANE HABICHT SKIPS HOME WITH 8 A's, HER MATE ON HER HEELS WITH SEVEN A'S

The "two Janes" in Junior High have set a mark for the other students to shoot at. Jane Habicht received an "A" in every subject, eight in all. Jane Easton, her classmate, was close on her heels with seven "A's" and one "B."

Juniour High Honor Roll Seventh grade—Margaret Duignan, Hugh Miller, Dee Weaver; eighth grade, Cecilia Duignan, Jane Easton, Jane Habicht, Philip Hanlin, Basil LeCave, Marjorie Stands, Norma Shoop, John Strayer, Pauline VanEvery, Norman Weldon, Theresa White.

The high school honor roll for September consists of twenty-six students.

Robert French heads this list with four A's. In addition to his school work he is senior class president, member of the student council, editor of the Microphone, editor in chief of the Year Book, active member of the boys' glee club and is taking a heavy part in the senior play.

This list boasts of five foot ball players, Robert French, George Wynn, Alfred White, Donald Wood and Harold Knight.

Four A's, Robert French; three A's, Mercedes Capen, Richard Zerbe, George Wynn; two A's, Victoria Zachman, Homer Shoop, Louisa Cook, Betty Kollenberg, Dona'le Weaver; others on the roll are Virginia Snowden, Ruth Riley, Irene Imhoff, Velma Eggle, Richard Dellinger, Lyle Mitchell, Karol Kool, Elizabeth Hatten, Lazell Weaver.

Honorary mention goes to Alfred White with 3 A's; Claude DeWitt, Donald Wood, Caryl Currier, Elizabeth Montgomery, Alope Huff, Geneva Metzger, Marian Van Every and Harold Knight.

WYNN IS ONLY STUDENT ON CITIZENSHIP HONOR ROLL

CHANGE IN STAFF

Due to the changes made in the grading of citizenship the list for September consisted of but one person.

George Wynn from the Senior class was given a grade of one by every teacher in citizenship. This indicates that George is always respectful and courteous.

The teachers were very careful in giving these grades. They were not content to give a "one" to a student unless he contributed greatly to the class and endeavored to help his classmates.

Principal Ormiston hopes to have about fifteen students on the October Citizenship Honor Roll.

DEBATERS BEGIN YEAR'S ACTIVITIES

EMBRO DANIEL WEBSTERS START WORK UNDER SUPERVISION OF CHARLES KING

The Microphone announces a change in the editorial staff with Mary Louise Drew resigning every year by the University of Michigan has arrived and Buchanan is again enrolled in the state debating league.

In past years Buchanan has turned out winning teams under their able coach, Mr. King. Twice since they entered three years ago they have reached the final elimination series. A public speaking course was added to the high school curriculum last year which greatly increased Buchanan's strength along argumentative lines.

The prospects of a successful team this year are fairly good despite the fact that four of the five debaters graduated last June. However, it has been whispered that this public speaking class holds several very bright prospects so B. H. S. is expecting good results from this 1927 team.

CLIMATIC TOUCHDOWN GIVES THREE OAKS WIN

A game with the win coming for Three Oaks in the last few minutes of play was witnessed by a crowd of enthusiastic fans at Three Oaks when the Cassopolis high graders invaded the western down Saturday.

With less than five minutes to play, McGuire, star tackle for the team, was placed in half-back, and registered a 30 yard run to a touchdown, bringing home the game for his team. The final score of 7 to 3 was made with the star play of McGuire and a forward pass play.

The score of 3 for Cassopolis was won early in the first quarter through the drop kick route. The game was hard fought in the middle of the field.

Remember the game Saturday. Remember the game Saturday.

"THE PINES" STAFF VISITS CITY FIRMS

YEAR-BOOK COSTS AND PRINCIPALS AUTO SPEED DIVULGED IN TRIP

Ever since the beginning of time, great discoveries have been made, some important and some only of minor importance. But one of the greatest discoveries in history was made Saturday by the members of the "Annual Staff" when it was found that although Mr. Ormiston is a very successful principal, he, nevertheless, has one glaring fault. He is a little heavy on the accelerator.

The staff, however, did not have this object in view, it was merely one of the incidental discoveries. They made the trip to South Bend to ascertain which engraving company would receive the contract for this year's issue of "The Pines."

Leaving here at 8:30, the staff arrived in South Bend and went directly to the Indiana Engraving company. There they were cordially welcomed by Mr. Wallis, the advertising manager, who acted as guide and conducted the members of the staff through the entire concern, explaining each department and its importance in the work. The details of each step were very interesting.

After leaving there, they proceeded to the LaSalle Engraving Co. After visiting two printing establishments they returned to the Indiana Company to keep a luncheon engagement with Mr. Wallis. The two cars were to follow Mr. Ormiston and they all had every intention of doing so. However, one car, containing four of the members were not prepared to keep pace with the principal, and were, therefore, lost before the end of the first lap. We were told that the remainder of the members enjoyed a delightful luncheon at the Anna Magnuson Tea Room, a lovely eating place managed by Mr. Wallis' wife. Everything was beautifully arranged, decorations were of cretione. Best of all, however, the meal is said to have been nothing short of marvelous. How- ever, the four who were seemingly lost did not starve. They enjoyed chop suey at the South Bend Inn. It is still a mystery whether or not the losing of this one car was really intentional or not.

Some of the staff returned during the afternoon, the others going directly home.

GRADE NEWS

Mrs. Pennell's ninth grade English classes are writing biographies.

The primary department is working on a program to be given the latter part of October in the high school auditorium.

Mrs. Mary Zerbe has been teaching for us during Mrs. Fischnar's absence.

Report cards were given out last week. The returns are coming in. We thank the parents for investigating poor standings at the beginning of the year.

Two new members—Lauren and Louie Morse entered the 8th grade last week, bringing the enrollment up to 148.

Written lessons are to be given in the grades from now on, and kept on file that the ability of each child enrolled may be a matter of record during the year.

The new seats for room III have come. The pupils are delighted.

Mr. Stark reports a good deal of sickness the past week.

There were two entries and two withdrawals in the grades last week keeping the number on the enrollment the same.

LITTLE "13" STANDINGS

Table with 4 columns: School, Points, Goals, Assists. Rows include St. Joseph, Paw Paw, Allegan, Otsego, Benton Harbor, W. S. T. C., Preps, South Haven, Plainwell, Niles, Dowagiac, Buchanan, Three Oaks, Three Rivers.

SONG FEST HELD IN H. S. ASSEMBLY

OTSEGO PRINCIPAL CALLS GAME WITH BUCHANAN CLEANEST PLAYED THERE

The general assembly last Friday was opened by the usual announcements. After these were dispersed with the Girls' Glee club made their first public appearance of the year singing "The Little Duetman." The girls showed that much is to be expected of them before school closes.

The whole assembly was then transformed into a gigantic singing class with Thelma Childs as their teacher. Before five minutes, Miss Childs, assisted by Mrs. Kelley at the piano, had them singing "That Little Town in Michigan," as if they had always known it. Both the words and music of the song were composed by Mrs. Kelley.

After the community singing came our pep meeting. Messrs. Fair and Ormiston led off with short talks on "Sportsmanship." The student body and the football team were complimented highly on their attitude at the Otsego game. Mr. Ormiston quoted the statement of the Otsego principal that it was the finest and cleanest game ever played on the Otsego field.

Mr. Muir gave the students his definition of sportsmanship and illustrated his talk with several striking examples of games where good sportsmanship was lacking.

"Let us remember," said he in conclusion, "to be fair, courteous and respectful to our guests. Decatur, this afternoon and we will be good sportsmen."

The assembly was closed with several loud and prolonged cheers for the team.

NONE BUT MASKED ALLOWED TO HALLOWE'EN FESTIVITIES

Eight o'clock on the evening of Oct. 29, will find every member of the four classes in high school present at a Halloween frolic given under the supervision of the student council. Everyone must have a ticket.

No one will be admitted unmasked. A prize is offered for the best and most appropriate costume and also for the best stunts given by the classes and the faculty.

The committees are all very busy with their plans, but they have not, as yet, decided upon their program. However, you may be assured that there will be "eats."

PAW PAW WINS, 49-0

Paw Paw high school football team won over Niles high, 49-0 on Saturday afternoon at Niles. The game was one sided with the visitors running rampant over the Niles men, completely outplaying them on the Plym park field. Many from here attended the contest.

CIVICS CLASS CLEANS UP TWO MORE CHURCH YARDS

The eighth grade civics class started the second lap of their clean-up tour of church yards in the city Tuesday when they visited the St. Anthony's Catholic and First Methodist church properties.

Passers-by noticed the great improvement and made many comments on the work of the sixty boys and girls, who are becoming quite adept in the use of garden implements, under the instruction of their teacher, Mrs. Leah Weaver.

SOPHOMORES AND FRESHIES STAGE PARTY IN H. S. GYM

The Fresh-Soph party held in the high school gym Friday night resulted in a "wow of a good time" and the food was declared to be unequalled.

Following the lovely supper, the members of the classes proceeded to the gym where they danced and played games until everyone agreed that they would "call it a night."

It will be noted that although Fresh are supposed to be horribly "green" and the Sophs only a shade less so, they always manage to have a good time at their entertainments.

Next time you are at a Fresh-Soph party, don't forget to bring a good time to the party.

MICROPHONE STAFF

Editor-in-Chief Robert French Literary and Society Editor Dorothy Charles

ONE RILEY ON COMMITTEE AT WESTERN STATE NORMAL

Miss Ione Riley, daughter of Mr. and Mrs. H. W. Riley, who is a student at Western State Teachers college, has been named a member of the music committee representing the student body in social affairs for the season.

The appointment of the social committee to cooperate with the faculty in social affairs is an innovation this year. The duties of the committee will be to plan the social activities of the school and to direct the plans for music, entertainment, lighting, and decoration for the student dances and parties.

LaVerne Wentland, son of Mr. and Mrs. Richard Wentland of Galien, who had his nose broken while playing football, is getting along very nicely now and is again back at school. Dr. P. B. Wallace reset the nose.

Teachers of the Buchanan school were the guests of Mrs. Mae Whitman at the home on Grand street last night. Following the pot luck the instructors enjoyed an evening of bridge.

STUDENT EDITORIAL

Sportsmanship "Playing the game!" How few of us appreciate the full meaning of these words. Fielding Yost, Michigan's veteran football mentor, makes this statement: "There is nothing new in football. Give me eleven boys who will do three things and they can beat any team in the country."

The three things that Yost referred to are: Thinking right, living right and playing square. In other words, that is the game, that is life! A top heavy score in favor of your team does not indicate that you are good sportsmen. Sportsmanship is not measured in the yards that your team gains or the number of first downs that they make. It is something infinitely greater than that. It is as Yost says, "thinking right, living right and playing square." It is being a good loser as well as a good winner. It is playing the game hard and clean throughout.

The crowd back of the side lines often thinks that sportsmanship need not be shown there. Actually, however, sportsmanship is as necessary a requisite to the good spectator as to the good football fan. The fans determine, in a large measure, the strength of the team. How hard and clean can a team play if they are backed by rooters who continually call "kill 'em, crush 'em" and the like? Teaching the student to be a good sportsman is even more important than a knowledge of English, mathematics or science. The high school is striving to become 100 per cent sportsman-like. So lead and encourage them by your attitude at our athletic contests.

MORE THAN TAXES

Every man owes something besides his taxes to the community in which he lives. The more he has been favored mentally and materially by fortune, the more he owes. In discharge of that debt, he is under obligation to do for the community something that he does not get paid for, something that he does not make money by. His obligation to do this is not just a once in a while obligation; it is a continuing obligation, and what he does in discharge of it should be limited only by his abilities and his opportunities.

A true sense of civic responsibility springs from recognition of this obligation. Individual response to it produces the civic leadership that assures continuous, well balanced, symmetrical community development—the development that provides for social and spiritual needs, so to speak, as well as for the physical and material needs of a community.

It is to the men of constructive vision that we owe the welding of this continent into one homogeneous whole—the greatest amongst the modern creations of empire. It is to this constructive class that we owe the development of our great communities and our great businesses, and from them you should draw your inspiration for taking your share of civic responsibility and community service.

THE NON-ATHLETIC BOY

All boys long for success in athletics, and dream of playing on the teams of their schools and colleges. If their minds are not too much taken up by these sports, they constitute a wonderful training in manliness, self control and fair play. But only a picked few can win out in these competitions. The rest are lacking some quality of quick thought and motion necessary for such success. Yet they need the training that athletics gives. Every school and college student ought to have some chance for this training. Fine results are had in many schools where every such boy is required to choose and play some sport. Enough teams are constituted among the inferior players so all can have their chance in competition with their equals. Athletics should not be an aristocracy in which a chosen few get all the benefits. —Niles Daily Star.

MORE CARS

The "saturation point" in automobiles seems as far off as ever. For the first six months of 1927 General Motors sold \$40,481 cars, against 620,190 in 1926 and 396,360 in 1925. An increase of 74,000 cars per month in two years is not bad. The big motor boom and fight are expected when Henry Ford's new car will make its bow. Ford is quoted to the effect that the country can easily absorb two million new cars every year, since, at the present rate of car ownership, that would mean every car would have to last six years. Mr. Ford knows that 2,000,000 new cars a year is a ridiculously low estimate. Will Rogers describes a poor family as a family "having only one car." And that is not exaggeration.

Every active individual, including bigger children in prosperous families, needs his own car, and the four car family will soon be numerous. Two cars to a family should be the average. To say that four million cars, trucks, etc., can easily be absorbed in this country every year is putting it mildly.

AN INDOOR SPORT

Now that cooler days have come and it is much more pleasant to sit indoors and listen to the radio than to go out these chilly evenings, more attention ought to be paid to the interior of our homes here in Buchanan. Our environment has much to do with our lives. It is not a question of money in nearly all cases but whether or not we have any sense of harmony and color. With these two words in mind look about the room in which you are sitting and ask yourself if it is a harmonious place to spend the evening or if it is "just a room." Too many colors as much as too monotonous a repetition of the same color will mar a room. Does the room in which you are sitting jump out at you with all its many colors or is the same color repeated endlessly wherever you look? Or perhaps there doesn't seem to be any color at all. Is the furniture crowded and arranged in no particular manner and is it filled with fillagrees and bric a brac? Or is it hopelessly rigid and uninviting? Are the walls cluttered with too many pictures and are they hung so high that to see them at all one must strain? The attractiveness of our homes does not depend so much upon the expensiveness of materials and furnishings but more upon the good harmony of the interior decorating for a winter sport.

PARENTAL DUTY

Parents often demonstrate the fact that they cannot give their children material advantages. What do you consider as a material advantage? You want to give your daughter everything. You would like her to have pretty dresses, fashionable schools, good times—

perhaps even the car of a trip abroad, later and finally you would like her to make "a good marriage"—by which you mean that you would like her to marry a man who has money—providing of course that he has other desired and essential requisites. But are these things advantages? Most certainly they are not. These things only make her weak and selfish and self-centered.

Train your daughter to deal with the world. Give her the best education possible in view of your financial circumstances. Not the flub-dub, fluffly-ruffles sort, but a solid, practical education that will develop her character, her independence, her abilities, and enable her to earn a living and stand upon her own feet. Teach her to fight her own battles, develop all that is best in her—and you will be giving her the greatest advantage that you possibly can.

Give her the benefit of wholesome, simple surroundings in her home life with kind, loving parents. Remember that what we sow, we inevitably reap. It is easy to spoil a pretty daughter. If you teach her nothing but selfishness now you will find yourself a doorman for her in later years. If you sacrifice yourself now and let your daughter's desires and pleasures rule the household, daughter cannot be expected to show you any consideration later, for she will think only of herself.

CHURCH NINETY YEARS AGO

Searching in the files of the Berrien County Record for the story of a trainman's murder of mysterious nature twenty years ago near Gation, we found also a vivid story of pioneer life here ninety years ago that proved equally interesting, if not thrilling.

The description of one of the first church services in this vicinity ninety years ago was described in the letter by a woman who was present. All looked forward eagerly to the coming Sunday when they should hear a sermon once again, some of the audience not having heard a minister since leaving Massachusetts months before. The services were held in a rough log house built by Jesse Helmick northwest of Buchanan. Only the minister and the very old people could have the three or four chairs. And to climax the whole story the people were detained at the Helmick home by a snow storm into which they did not dare venture because of the danger of falling trees in a land that had not yet been cleared.

The things they had for dinner there at the Helmick home tell a story. No flour mills were yet located here, the people at the table having corn meal only. The venison and potatoes were cooked in a primitive way buried in hot coals of the roaring fireplace. No pies or cakes were on the menu for dessert but only wild cranberries. The whole story is one of bravery and daring as thrilling as any train robbery.

SELF SERVICE

Many good folk are lamenting the passing of the era when men and women consecrated their lives to unselfish service and prepared themselves to become ministers, missionaries, teachers or country doctors that they might administer to the spiritual, mental and physical needs of humanity without thought of large worldly gain. They are not in error when they charge that modern men and women are choosing vocations today in which they can do the greatest service to themselves.

People today are coming to the belief that the best way they can help others is to produce much that their profit shall be large and that they shall never become dependent upon society. The old idea of service was direct. The new service is indirect. Twenty years ago it was still thought that only ministers, doctors and teachers served humanity. Today every workman who carries his whole day's wage home is known to have earned that wage in service to society. Elbert Hubbard's version of the Golden Rule was, "Do unto others as though you were the others," but an even more up to date version is "Do yourself much good and no bad to others." Getting something for yourself is reprehensible only when it is gotten at the expense of another.

EDITORIAL STATIC

Does the new "no limit" speed law mean that no pedestrian shall escape? Being the under dog in any kind of a mixup gets a lot of sympathy for anyone while the thing most desired at such times is a little assistance. The best salesman the automobile companies have is Mr. Pride of the Buyer.

STANDING ROOM ONLY

Not nearly so many threadbare coats would be seen this fall if more of us decided to spend our vacations just inside our homes. First-Clark Employee: Do you have to work long hours? Second-Ditto: No, only the regulation length of 60 minutes. Methinks the best way to describe the independent spirit of a man would be to hang upon its side. The placard S. R. O. An eye specialist says green quiets the nerves. This is especially true of greenbacks, says the town smart aleck.

PRESBYTERIANS

80 YEARS OLD

STURDY BAND OF 17 PIONEERS FOUNDED PARISH HERE; HELD SERVICES IN HOMES

For nearly a century the Presbyterian church has existed in Berrien county, Buchanan's parish being one of the first to be established in the county. The second church of any denomination to be built in the county was erected by Presbyterians at Niles in 1835. That the group was large and influential is indicated by the fact that the new edifice had a seating capacity of 250 people, according to historical records.

Buchanan's church followed in 1847 when on the 22nd of May, a group of six men met at the home of Uriel Enos, a resident of the Village of Buchanan. Those who were present at the initial meeting were J. D. Dutton, Jeremiah Ketchum, Warner Hooker, Charles Baker, John Marhoff and Uriel Enos. Actual organization began in June of the same year when the present name of "First Presbyterian church" was selected and the following members placed on the membership: J. D. Dutton, Alvin Dutton, Jeremiah Ketchum, Fnoche Ketchum, Uriel Enos, Emily M. Enos, Warner Hooker, Charles Baker, Francis Enos, Lor-etha Enos, Benjamin Enos, and Franklin Wallin.

Officers for the first year were Uriel Enos as clerk, and Warner Hooker, Jeremiah Ketchum, Uriel Enos as elders.

First Church Built The first minister, the Rev. Porter B. Parry, was engaged as a supply and remained until in February of 1853. While he was pastor the first meeting house was built. The first building was leased to the Methodist denomination for a period of five years but in 1859 the Presbyterians re-organized and again occupied the meeting house. When the next church was built, the initial edifice was sold to A. Howard Roe and moved to W. Fourth street where it was remodeled into the present residence of Mr. and Mrs. Roe. It was not until August of 1859 that any great growth was noticeable. A great many names were added to the roll, several joining by letters from other places. The Rev. E. B. Sherwood was appointed by the Kalamazoo presbytery to examine the Buchanan group and determine what could be done to build it up. Active efforts were made by the members with noticeable results in membership, as well as other ways. The Rev. E. B. Sherwood finally became the regular pastor.

During Civil war days the Rev. William Fuller was minister, followed by Rev. Bridges and Rev. Wells.

For the first seven years of the history, services were held in the houses of the village. In 1849 to 1850 during the pastorate of the Rev. Parry, the first edifice was constructed. It was located on the lot now occupied by the residence of Glenn E. Smith and was used until 1893.

New Edifice 1893

It was on the latter date that the church building that was burned in 1924 was completed. It was first occupied in March of 1893 and was used until 1924. The new building erected in 1893 was dedicated on the following year. The total cost of construction amounted to only \$10,000 for a structure worth much more even in that day. The pastor at that time, the Rev. O. J. Roberts, displayed both determination and courage in the building of a new church. On Friday afternoon December 19, 1924, the church caught fire in the upper chimney and completely destroyed the building, threatening neighboring homes as well.

Mr. and Mrs. Carl Hamilton returned Friday from Kalamazoo, where they attended the funeral of H. E. Whitely, president of the Globe Casket company. The funeral was under the auspices of the Knight Templars, of which order Mr. White had long been a member. He leaves a widow and three children.

CHURCH SERVICES HERE 90-YEARS AGO DESCRIBED IN VIVID LETTER

WORSHIPPERS WERE SNOW BOUND AT THE LOG CABIN OF JESSE HELMICK

A picturesque description of a church service ninety years ago in this vicinity was found this week in a letter written by Mrs. Amos Gray, one of the worshippers at the service, and published in the Berrien County Record.

The log cabin referred to was built by Jesse Helmick, a pioneer here in 1836. In addition to the five children John, Samuel, Hilman, Sarah Jane and Mary, six additional children were born in the cabin in following years. They were: Eli, Jacob, Burns, Eliza Ann, Rachel and Alice. The cabin was located 6 miles north-west of Buchanan and about 4 miles from Berrien Springs.

The letter in part follows: "We were all anxious to get to the meeting as we had not heard reaching since we left Massachusetts.

Mr. Helmick's log cabin had a large open fireplace with the chimney built of stone and plaster, standing outside the house to make more room inside.

"In the back end of this room were two beds and between the fire and beds the congregation was seated on benches made of split timber with round sticks driven into auger holes for legs.

There was a chair for the minister and two or three for old people, we young folks sat on the benches covered with quilts and blankets. These were pioneer days and as there were no saw mills near we had to manufacture our own conveniences.

"During the services there was a snow storm accompanied by a heavy wind which was raging when the congregation was dismissed. Father Helmick said it was dangerous for us to start home for you could hear old decayed trees and limbs falling in every direction for there was but very little clearing done at that time.

"Well after removing the benches Mrs. Helmick began immediately to get dinner, by first putting on a sunbonnet to keep the fire from scorching her face and head, for it was very cold and there was a scorching fire in that old fireplace.

"I remember as well what we had for dinner as though it were but yesterday. We were all invited to stay and partake of the hospitality which we knew came from their hearts. There was a bountiful supply of venison, potatoes and corn bread that was baked in a bake oven with an iron lid with coals on top and under.

neath, the meat cooked the same way.

"Louisa and myself helping to set the table which was small and bountifully supplied with venison, potatoes and corn doggers, they called them. For desert we had wild cranberry sauce, no cake, pie or cookies; nothing made of flour. I don't think there was any mill that made flour in this part of the country at that time.

"From that time on we met for worship at Father Helmick's every four or six weeks but did not stay to dinner.

COUPLE RETURN FROM COLORADO

SNOW IN AUGUST IS ONE OF THE EXPERIENCES OF MR. AND MRS. D. W. BOONE

High snow banks in August, the first gold mine to be begun in Colorado and large fields of mountain lettuce were some of the sights seen by Mr. and Mrs. D. W. Boone during their eight weeks stay at Denver and the West. The Boones returned on Sunday from their visit which included a stay with Mr. Boone's brother in Nebraska also.

"We have been asked many times since our return about it and we can truly say we never had a finer trip. We took in most of the points of interest in and near Denver. Almost every week end we had a long trip and drove around the city nearly every evening," said Mrs. Boone in recalling the trip.

The first week end they drove over the Continental Divide in two places going through the little town of Idaho Springs where gold was first discovered in Colorado. The old mines could be seen all about them, many abandoned and others still being worked, a great deal of activity going on during the last several years.

"Soon after leaving that place we began the ascent of the mountains. This is a beautiful drive and we were much surprised at the roads that were smooth and hard and as safe to travel as any highway. We were not sure if the altitude would affect us but when we got to the top we were feeling fine. We crossed the Divide over Berthone Pass at an elevation of 11,806 feet."

The descent took them through a heavily wooded country and on into an open place where many fields of the famous mountain head lettuce could be seen. They

arrived in Grand Lake in time for a dinner of mountain trout which was better before the singoltee filled with crackling pitch pine. Being 9,000 feet high, the warmth of the fire was very pleasant.

"The next morning when we arose, little clouds were hanging in the very streets of the village. Grand Lake is a popular summer place and very beautiful. We started on the famous Fall River Drive. It is only 40 miles from there to Estes Park but much of it is very steep climbing and can not be taken at a very high rate of speed. To make the steep climb the road winds and twists in a variety of switch backs, button hook curves, etc. Just before reaching the top we found big snow banks, although it was then the middle of August. The elevation was 11,797 feet."

Driving to Lookout Mountain only ten miles from Denver they visited the place where Buffalo Bill is buried and where many relics of his are gathered. They drove through Denver's mountain parks where large herds of buffalo, elk, deer and mountain sheep are kept.

"One Sunday we drove up Mt. Evans, which is a little higher than Pikes Peak. It was cloudy when we left Denver and as we climbed the mountains we were right in the clouds. Soon we got above them and were in the bright sun.

Colorado Springs, Pikes Peak a picnic dinner in the Garden of the Gods and a steak fry in the canyons were some of the experiences.

"Denver is a city of beautiful homes. Everyone seems to take great pride in their homes and yards are well kept and filled with flowers. The city has beautiful parks and parkways," said Mrs. Boone.

Mr. and Mrs. A. Geist are visiting in Urbanan, Ill., this week.

shine. The mountain sides were very beautiful, the aspen trees are bright spots of color among the green of the pines. Here again, we were far above the timber line, no vegetation except a little grass growing. The air was clear and cold. We were about 13,000 feet high with the road not completed to the top.

The next Sunday after the Buchanan people visited the mountains 24 men working on the uncompleted road were snowed in and barely escaped with their lives

Word has been received that H. A. Jones, formerly connected with the Economy shoe store on Front street, who is now located in St. Louis, escaped from the tornado there unhurt, although the rooming house where he was staying was struck by the wind.

Jones, who later moved his family to Milwaukee after leaving Buchanan is now engaged in business with a St. Louis shoe manufacturing concern.

FARM NEWS

Stories Concerning Farm Activities and Crops, Farmers and Their Families

TELLS CHEAP WAY TO FILL UP SILO

FARMERS FIND THAT TRAMPING IS NOT NECESSARY IN STORAGE

A careful study of silo filling practices and methods has revealed that silos can be filled without tramping and save time, labor and money.

The high cost and scarcity of labor led a number of farmers in different sections of the country to try this plan during the last three or four years with perfect success. Many claim that there is less loss from spoilage in silos filled this way than under the old plan of two or three men tramping down the silage. By not tramping the silage and using a small ensilage cutter and tractor, and a binder with bundle loading attachment, a farmer and his hired man or boys can fill the silo without extra help, greatly reducing the cost of labor of filling the silo.

The advocates of the non-tramping plan recommend cutting the silage in one-fourth inch lengths, adding plenty of water if the corn is frosted and dry and directing the filler pipe at the center of the silo, allowing the ensilage to fill up in a conical shaped pile, the center tending to push down and out, packing the ensilage tightly and eliminating air spaces.

HUSKING OF CORN DONE ON MACHINE

PRACTICAL AND EFFICIENT PICKER AND HUSKER NOW BEING USED

"Corn husking has been for years the only important farm task in the corn belt to require exacting, tedious, laborious hand toil," states the Research department of the National Association of Farm Equipment Manufacturers.

With the development of practical and efficient mechanical corn pickers and huskers recently perfected and now being used in large numbers in many sections of the corn belt, corn, the United States' most valuable grain crop, can now be planted, cultivated, harvested, shelled and marketed, actually "untouched by human hands," cutting four to ten cents per bushel from the production cost.

One man with a tractor and a mechanical husker can harvest six to ten acres of corn per day, while a boy and team can haul the three to six hundred bushels so harvested to the corn crib and crib it with the aid of a portable elevator.

It is an exceptional hand husker that can average 100 bushels per day under favorable conditions. When corn is cut with a corn binder and shocked, huskers and shredders are rapidly coming in to use to lower the cost of man labor in husking the corn from the shock.

FARM LANDS NOT WEARING OUT

AVERAGE PIONEER WAS NOT A GOOD FARMER SAYS AGRICULTURAL OFFICIAL

In American experience new farming regions are likely to be characterized for a generation or two by methods of agriculture which result in gradually reducing yield. The average pioneer is not a good farmer, not because he does not want to be but because he has not the experience and knowledge of his farm and its potentialities in crops under the methods proved best by time and trial, and partly because the abundance and cheapness of land in newly developed regions is not favorable to intensive methods of utilization or careful husbanding of soil resources. Only after this period is past does agriculture in such regions attain a stage of development characterized by increasing yields per acre.

This, substantially, is the conclusion reached by B. O. Weitz, of the Bureau of Agricultural Economics, United States Department of Agriculture. He supports this with facts that fly in the face of the common belief that crop yields per acre have been declining as the virgin fertility of the fields has been exhausted. Department statistics show that in 40 years the combined acreage of corn, wheat, oats and potatoes has been expanded about 52 per cent. The total production of these four crops has increased 77 per cent. This means that a third of the increased production is the result of a better yield per acre.

Again, contrary to common belief, he finds the figures show that "most of the increases in acre yields have occurred in the older farming regions east of the Mississippi river, thus disproving an other erroneous impression that farms in the older areas of the United States in general have become worn out." In the case of

WATER IS BEST FOOD FOR COWS

"FARMERS SHOULD PUT WATER IN THE COW AND NOT IN THE MILK CAN"

The owner of a cow which produced 10,544 pounds of milk and 542.6 pounds of butter fat last year was asked "What is the cheapest and best form of food for dairy cows?"

"Pure water," he replied. "Eighty-seven per cent of milk is water and farmers should be sure the water is put in the cow and not in the milk can."

A high producing dairy cow will consume from 25 to 30 gallons of water per day and to insure maximum production she should have access to pure, palatable water at all times. Cow testers have found that with the installation of drinking cups in the cow's stall the milk production increased as much as 8 per cent immediately. A reliable automatic water supply system has proved to be one of the most important parts of a dairy farm's equipment.

FARM JOTTINGS

Corn or any other feed that is badly molded should not be fed to dairy cows.

The United States produced 2 billion dozen eggs last year. This is at the rate of about 760 eggs each second.

The Biological Survey, U. S. A., operates an experimental fur farm at Saratoga Springs, N. Y., a reindeer experiment station at Fairbanks, Alaska, and has recently completed an arrangement to establish a rabbit experiment station at Fontana, Calif.

corn, Virginia, Maryland, the New England States, Iowa, and Minnesota are named as states recording gains of from 6 to 14 bushels in the average yields per acre. Mr. Weitz concludes that in the course of time, as the farming communities become accustomed to the possibilities of their fields, develop suitable strains of plants, learn profitable use of fertilizers and wise crop rotations, that acre yields in the humid northeastern portions of the United States may approach the present standards in northwestern Europe. In the dryer sections of the United States the acre yields will be limited necessarily by the moisture available to the crops.

SPUD DIGGER BEING USED

Potato diggers which attach directly to the side of tractors are now coming into wide use among growers of large potato acreages. Another modification of the same idea is the horse drawn digger with the elevator driven by a small gasoline engine mounted on the digger. Growers are enthusiastic about the tractor digger, claiming it saves them many bushels per acre by furnishing the power to dig deep enough to get

all the tubers out of the ground. The digger separates the dirt from the potatoes, which are deposited in neat rows on top of the ground. Mrs. Orpha Mittan of Flint, was a caller in Buchanan Friday. The delinquent members of the B. G. U. sorority entertained at a bridge party Thursday evening at the home of Miss Bernice Lundgren. Prizes at bridge were won by Mrs. Norman Kritznar, Thelma Childs and Doris Reams. Dainty refreshments were served at a late hour.

You see all the road when you drive a Buick

The dreaded "blind spot" is gone forever! In Buick for 1928 closed car front posts are narrowed so that all the road, ahead of you and at the side, is clear.

What a factor this is for safety! What extra pleasure it gives to driving! See Buick for 1928. Get behind the wheel and prove for yourself how clearly you can see all the road from the driver's seat.

MISSIONS TALKED AT SOCIETY MEET

WOMEN'S SOCIETY OF THE CHURCH OF CHRIST DISCUSSES THE JEWS

Missionary work in several parts of the country was the general theme at the meeting of the Women's Foreign Missionary society of the Church of Christ Friday afternoon at the home of Mrs. Wm. Hess on Cayuga street.

The leader of the afternoon was Mrs. J. E. Arney. "Work among the Jewish People of New York City" was the theme developed by Mrs. Enos Schram. Her talk was about Charles Weissenberg, a converted Jew, who, two years after becoming a Christian, graduated from the Moody Bible Institute in 1918. Mrs. Schram also discussed the work of the Christian Witness to Israel and its establishment in 1921 by the Weissenbergs. The work of the association is of especial interest to the women. C. D. Kindred, a member of the board of directors, having appeared on the Sunday School.

The work of reclaiming the Dead Sea, one of the great economic projects of the East, was described by Mrs. Henry Blodgett. The relation of the project to the Jewish people was described. A reading "The Master's Questionings" by Mrs. L. P. Nebelung and a reading by Mrs. Ira Wagner completed the program.

At the business meeting it was decided that a special offering for the Shaffer family would be taken at the first meeting of the society in November. The Shaffers, who were visitors here at the home of Mr. and Mrs. Enos Schram this summer during their fortnight from India, will return to their mission post on December 14.

The society voted to pay \$1 a month for the support of two old women in this vicinity in a plan to keep the women in their own homes rather than sending them to an institution. A dinner on April 10 for the young men studying for the ministry at the Johnson Bible school of Tennessee, will be supplied by the local missionary society.

WOMAN FLIER COMING SOON

GERMAN AVIATRIX TO INCLUDE SOUTH BEND IN HER UNITED STATES TOUR

Women of Buchanan and southern Michigan are due for a thrill this month when Thea Rasch, wealthy German aviatrix arrives in South Bend on her air tour of the United States.

Fraulein Rasch has landed in Boston and in making out her itinerary placed South Bend, Fort Wayne, Indianapolis, Terre Haute and Evansville on the list. Her journey westward has been delayed somewhat by the crashing of

her plane near Boston when she slid to earth, while rains had made her landing in soft earth less hazardous. She has a Flamingo biplane.

The flier does not care for social life, although she is reported as belonging to a famous, wealthy family of Germany. She is of the athletic type, with her whole life dedicated to the interest of aviation and hopes with her tour of the United States to interest the American girl more in flying.

Fraulein Rasch began aviation three years ago as the student of the late Paul Bauman, famed German aviator.

WATERVLIET-DOWAGIAC LINE STOPS OCTOBER 30

Official notice of abandonment and cancellation of both the Watervliet and Dowagiac interurban lines was given by posting of notices in all the stations of the company.

This step has been under consideration by the Benton Harbor, St. Joseph Railway and Light company for some time and this spring the company filed a petition for abandonment of the two lines with the state public utilities commission. The commission held that it was without authority in the premises and the petition was withdrawn.

Commercial organizations and business interests of the towns served by the two interurbans made an effort to increase the patronage in the hope of retaining the service, but evidently the showing has not been satisfactory. The company claims that the Dowagiac line last year was operated

at a loss of \$22,697.53 and the Watervliet line \$18,166.66.

The Watervliet interurban is fourteen miles long and serves Benton Harbor, Millburg, Coloma and Watervliet. The Dowagiac line has a length of 25 miles and the only important stations on the line are Benton Harbor, Eau Claire and Dowagiac.

Millburg is the only station that will be entirely bereft of rail service thru the abandonment of the interurban.

NILES HIGHWAY TO BE WIDENED

ROAD TO STATE LINE WILL GET REPAIRS IN THE SPRING, IS PROMISE

Repair work on the Niles-South Bend road between Niles and the Michigan-Indiana State line, will be started in the spring, according to an announcement this week by E. J. Stewart, supervisor of the state highway department for the district and N. V. Carmody of St. Joseph, highway engineer following an inspection of the strip on U. S. highway 31.

During the summer months numerous complaints about the condition of this road, one of the most heavily traveled in the entire country, have been brought to the county highway department, the Niles chamber of commerce and other organizations.

The chamber of commerce passed the complaints on to the state highway department and even to Governor Green, and finally some action was taken on it.

The men who were in this vicinity last week promised that in the spring the road would be placed in first class condition as far as the surface was concerned, and in addition would be widened considerably.

Concrete Pavements Are Safe for Night Driving, Too

No wonder motorists everywhere are enthusiastic boosters for Concrete Streets and Roads.

They are safe by day, and safe by night—rigid and unyielding. They are also a pleasing light gray in color—even on a starless, moonless night you can hold your path surely and steadily when you motor on Concrete.

You want your pavements to be an investment—not an expense. You want to receive dividends in service and satisfaction. That means Portland Cement Concrete Pavement.

Our booklet tells many interesting things about Concrete Streets. Write this office for your copy.

What Cost Privacy?

-only a few pennies!

With guests or members of the family near, it is often impossible to carry on a telephone conversation in privacy or quiet.

An EXTENSION TELEPHONE in another part of the house—in a bedroom or the kitchen, for example—would insure both privacy and quiet.

In addition, it would save the long trips to and from your main telephone, to make and answer calls.

An extension telephone costs only a few cents a day
