

COUNCILMEN ADOPT SECOND STREET LIGHTING ORDINANCE

NEW SYSTEM WILL BEGIN FEBRUARY 1

LEGAL TECHNICALITIES OVERCOME WITH REPEAL OF FORMER ORDINANCE AND RILEY RESIGNING

A second ordinance for the installation, maintenance and operation of a new street lighting system was adopted...

The new ordinance is practically identical with the one previously authorized by the councilmen.

The presence of Harleigh W. Riley on the village council made the previous franchise unlawful, according to advice.

The ordinance provides for the installation, operation and maintenance of a new lighting system in Buchanan at a minimum cost of \$7,212 a year.

The ordinance provides for the repeal of ordinance 51 relative to the adoption of the new street lighting system and provides for a special meeting of the council on Nov. 11.

RILEY RESIGNS COUNCIL POST

PROMINENT COUNCILMAN IS LAUDED FOR COMMUNITY SPIRIT WHICH HE POSSESSES

Harleigh Riley, trustee on the Buchanan Common Council, has resigned from that post to take effect immediately.

As manager and stock holder in the Indiana and Michigan Electric company Mr. Riley is not entitled to a vote on the street lighting proposition, legal authorities declare.

"It is not many men who will go out and do the actual work Riley will for the community," said Al. Charles, secretary of the Chamber of Commerce, at the meeting Friday evening, when the resignation was announced.

There are few men here who will spend the time, money and show the enthusiasm that Mr. Riley does for the betterment of their town.

"It is a known fact that the contract as drawn up has been written much more to the town's favor than if Riley had not been on the council. Officials of the company are known to have objected to the contract."

"It is unfortunate that, when a man connected with public utility, is also connected with the government of the town, people are suspicious," said Mr. Charles.

GALLEN WOMAN DIES AT HOSPITAL

FUNERAL SERVICES TODAY FOR MRS. F. EICHROEN AT GALLIEN CHURCH

Death of Mrs. Fred Eichron of Gallien, occurred Monday at the Clark hospital where she had been taken about two weeks ago.

Mrs. Eichron, who had been in failing health for the past three months, was 44 years of age. Survivors are her husband, two sons, Clyde and Louis, her mother, Mrs. Margaret Harrington, three sisters, Geo, who lives with her mother, Mrs. Alice Gerold, and Mary, of Battle Creek; two brothers, Fred of Bremen and Charles, who lives with his mother.

Funeral services will be held at the Latter Day Saints church today at 2 o'clock conducted by the Rev. Louis Kling of Three Oaks. Pallbearers are: Albert Janssen, Will Klaser, Bert Babcock, Dave Allen, Will Renbarger, Pearl Roberts. Burial will be in the Gallien cemetery.

ACORN BASKETEERS MEET HYDE PARK Y

MICHIGAN CITY "Y" CAPTAIN WILL BE ON FLOOR DURING FAST PLAYING

Three Oaks All Stars will play their first big game of the season when they tackle the Hyde Park Y, Chicago and Cook county Y champions and runners up in the National Y Tournament.

The club will probably be the fastest ever to play Three Oaks. Three Oaks will start the regular line up but Davis, Michigan City Y captain, and one of last year's stars, will get into action some time during the game.

The All Stars are receiving the fine support this season, a package of house wares through their last week's 58 to 6 win over Decatur.

Princess Ice Cream Parlor purchases Dalton shop

Ralph DeNardo has purchased the magazine stand and gift shop formerly owned by Mrs. Grace Dalton and Vivian Johnson. He expects to expand his growing confectionery business, adding to an addition to the Princess Ice Cream Parlor the news stand in its present location. No definite plans have yet been made by DeNardo, however.

Removed to hospital

Edw. Roland and Richard Summerville are free on \$500 bonds and George Grice and Harry Walker are in the county jail awaiting trial on alleged participation in the robbery.

INTRODUCING HARRY L. HAYDEN

I find considerable pleasure today in announcing that Harry L. Hayden has bought the Berrien County Record, assuming control of the property on January 1st.

Mr. Hayden comes to us with a splendid background rich in experience in educational and newspaper work. He was born in Ohio where in early life he engaged in newspaper work for a number of years, later entering the profession of teaching.

When the flow of young manhood budged he took Horace Greeley's advice and drifted west following the vocation of a reporter on several of the prominent newspapers in the west for a time, later becoming superintendent of schools at Whitefish, Montana. Impelled by the desire to own a business of his own he bought and successfully published a newspaper at Wheatland for a number of years. He sold the property after making it one of the most desirable in the state and returning east he bought the Muskegon Heights Record, which he successfully published for several months reselling it to its original owner.

Casting about for another newspaper property he heard of Buchanan, its steady growth and of the apparent opportunities here and quickly closed a deal for the purchase of the Record.

Mr. and Mrs. Hayden and son, Richard, aged five, are now occupying the Tuttle house at 109 Charles court.

Walter C. Hawes, a westerner by birth, who has been associated with Mr. Hayden for a number of years in his newspaper enterprise, will come to Buchanan and will bear the title of associate publisher. Mr. Hawes is not unknown to Buchanan people, particularly those who read the Saturday Evening Post, since this magazine of international reputation has from time to time published his verse, a tribute to the quality of his authorship.

With Mr. Hayden's rich experience and strong financial position and his hook-up with Hawes Buchanan may well look forward to a newspaper of such a quality and interest as it has never had before. Buchanan is to be congratulated.

It is with no small degree of regret, however, that I turn the property over to its new publisher. The Record has just closed the most successful business year since I became its owner. Advertising patronage has reached a new high level and the subscription list has shown a substantial increase.

Of all the outstanding places in the United States, there is none that holds the charm and desirability as a home place comparable to Buchanan, with schools second to none and a populace outstanding in geniality and wholesomeness. For this reason Buchanan will continue to be the home of the Eastons.

I thank those staunch friends who have contributed in no small way to the success the Record has attained and I congratulate Buchanan and the readers of the Record in having as its owner and publisher a man of such ripe experience and broad understanding.

Glenn S. Easton.

ARREST YOUTH ON ROBBERY CHARGES

ONE PAIR NOW IN JAIL AND OTHERS ARE OUT ON \$500 BONDS

Kenneth Zinnegar, 18, was arrested last week in Warsaw, Ind., on charges of participation in the robbery of the Gottlieb Thum home on Main street more than a month ago.

Zinnegar was returned to Buchanan where he was arraigned before Justice Al W. Charles on Thursday and was bound over to the circuit court. Zinnegar is the fifth in the group of young men who are said to have broken into the Thum home in the absence of the family spending the winter in Florida.

Edward Roland and Richard Summerville are free on \$500 bonds and George Grice and Harry Walker are in the county jail awaiting trial on alleged participation in the robbery.

The young men are charged with entering the Thum home and taking quantities of old wine and other items.

BERRIEN WOMAN DIES AT 95 YEARS

MRS. MARY MEYERS HAD LIVED IN MICHIGAN THREE QUARTERS OF A CENTURY

One day after her 95th birthday Mrs. Mary Catherine Sheveller Meyers died at Berrien Center Thursday. She had resided in Michigan since 1851.

She had been making her home with a son, Edward, who resides about two miles south of the village and died of old age. She was born December 28, 1832. In many good health for her years, she had been up and about every day, but Thursday morning she announced to her daughter, in law that she would stay in bed for a little while. Returning to her bedside but a few minutes later, the younger Mrs. Meyer found her dead.

The marriage of Mary Catherine Sheveller to Isaac Myers took place in Ohio on April 28, 1851, and soon afterwards the couple came to Michigan. They had six children, three sons and three daughters, all of whom are living; the oldest being now 76 and the youngest 55.

There are also 14 grandchildren, 11 great grandchildren and one great great grandchild. The sons and daughters are Mrs. Helen Frank of Lorraine, O.; Edward Myers of Berrien Springs; Mrs. Susanne Knight of Kalamazoo; Mrs. Julia Turley of Berrien Springs; George Myers of Warsaw, Ind.; and John Myers of Berrien Center.

Funeral services were held Saturday at 1:30 p.m. at the home of Edward Myers and burial was in Union cemetery.

SEVERE COLD WAVE STRIKES BUCHANAN

WORKMEN ARE KEPT BUSY SHOVELING OUT MAIN STREETS; MERCURY HOVERS AT ZERO

Digging its way out of one of the worst storms for several years, life in Buchanan has once more reached normal.

Buchanan, in the direct path of the blizzard, suffered the full force of the gale with its attendant zero temperatures and deep snows.

Sweeping across the prairies on Saturday, the record cold wave of the season struck this place with unofficial readings of the thermometer registering ten degrees below zero and less on Sunday night.

The erection of storm fences but a few days before the blizzard had much to do with keeping the main traveled roads from being snowbound. Though traffic was able to reach South Bend, many accidents were reported along the way although Buchanan was minus any motor accidents, according to Fred French, police chief here.

Workmen began the task of removing the heavy snows from the main streets of downtown on Monday noon. About 800 truck loads of snow was carried away by the men. Ten shovelers worked long hours in an effort to prepare better parking places in the business section.

The annual church meeting of the Church of Christ had to be postponed, due to the severe weather of Monday evening. A group of young people who motored to Three Oaks to a New Year's party became snow bound.

The road from New Troy to Gladonia being impassable, the two automobile loads of guests could not return until several hours later.

Gradual rise in temperatures was experienced here after Monday morning with the mercury climbing to ten above by Tuesday evening.

ORGANIZATIONS ELECT FOR YEAR

CHRISTIAN CHURCH HOLDS ANNUAL MEET. REBEKAHS TO INSTALL OFFICERS TOMORROW

Various organizations of Buchanan have elected officers who assumed their duties this week with the beginning of the new year. Churches, lodges, clubs as well as business groups are re-organizing for 1928.

Next Tuesday the two banks will hold their annual elections with the Buchanan State bank electing five directors and the First National institution its directorate of seven.

The Industrial Building and Loan association is organized for the year as follows: president, Charles F. Pears, H. R. Adams, vice president and Frank Sanders secretary-treasurer. Four of the nine directors were elected this week. They are H. R. Adams, F. C. Hathaway, Frank Sanders and Wilson Leator.

Next Monday evening, Jan. 9, the Church of Christ will hold the annual business session and election of officials.

The Evangelical church have chosen the following church officers and Sunday school board members for 1928: Trustee, Ed. Riffer; class leader, E. J. Rough; intermediate class leader, Mrs. Richard Egan; assistant intermediate class leader, Miss Mae Mills; Sunday school superintendent, Newton Barnhart; assistant S. S. superintendent, Mrs. Emma Fowler; secretary, Claude DeWitt; librarian, Frank Buchanan; assistant librarians, Miss Irene Bachman and Miss Irene Patterson; pianist, Miss Hilda Anderson; assistant pianist, Mrs. Mary Beach; chorister, Ralph Wheat; assistant chorister, Miss Vada Hopkins.

The Evangelical choir has the following people to lead the organization: President, Newton Barnhart; vice president, Miss Vada Hopkins; secretary and treasurer, Mrs. Allen Pierce.

The Women's Missionary society of the Evangelical church have elected the following officers: President, Mrs. D. D. Panghorn; vice president, Mrs. Mary Young; recording secretary, Mrs. J. M. Otwell; treasurer, Mrs. Warren Willard; Young People's association, Mrs. W. H. Campfield; Mission Band conductor, Tent Mrs. Herbert Ryan and Lottie Herald; superintendent, Mrs. Lena Hartline.

George Nelson is president of the Intermediate Christian Endeavor of the Evangelical church and others chosen for office are: vice president, Herbert Ryan, Jr.; secretary, Marian VanEvery; treasurer, Claude DeWitt; superintendent, John Fowler; assistant superintendent, Mrs. Mabel Atherton.

The Presbyterian church year will not close until March 31 and the Methodist church year is concluded September 1, when the church, Sunday school and choir officers along with other denominational societies re-elect.

The following officers have been elected for the Catholic Women's club: president, Mrs. Robert Frank; vice president, Mrs. William Blaney; secretary and treasurer, Mrs. Russell Atherton.

Lodges and fraternal societies have selected their heads for the year. The reorganization of the Odd Fellows is as follows: Jesse Lowman, noble grand; George Sellers, vice grand; Harry Post, recording secretary; Frank Clubb, financial secretary; Hanley Squires, treasurer; Lane Daleh, here trustee for three years; Charles Ellis, chairman of club room committee.

Past Noble Grand Otto Reinke, right support of the noble grand, Joseph Ron Ron, left support of the noble grand, Chas. Hoffman, warden Paul Swain, conductor Fred Nelson, chaplain Albert F. Brown. Geo. L. Slater, district deputy, was in charge of the installation work Tuesday evening.

Masonic officers who were installed at the recently held past masters night are: Glenn Vandenberg, master; George Gubbs, senior warden, Tom Pats, junior warden, Theop. D. Childs, treasurer, William D. Miller, secretary, Jack Boone, deacon, and Henry Weist, junior deacon.

Officers who will head the Royal Neighbors for the coming year are: Orade, Mrs. Lena Mitchell; vice orade, Mrs. Carrie Smith; chancellor, Mrs. Ollie Wilson; recorder, Mrs. Verna French; secretary, Mrs. Anita Burk; marshal, Mrs. Bonita Amshel; assistant marshal, Mrs. Elva Baker; inner guard, Mrs. M. W. Graham; outer guard, Mrs. Hazel Home; warden, Mrs. Mabel Atherton.

The following head the Royal Neighbors club, president, Mrs. Arthur Voorhes, vice president, Mrs. Belle Florey; secretary, Mrs. Elva Baker; treasurer, Mrs. Elva Baker; recording secretary, Mrs. Elva Baker; warden, Mrs. Elva Baker; junior warden, Mrs. Elva Baker; junior warden, Mrs. Elva Baker; junior warden, Mrs. Elva Baker.

The present system of standards would be disposed of by the village as it saw fit. Engineers declare it to be so obsolete as to be unsalable except as junk iron.

The average cost of maintenance of the street lighting system is \$700 a year with the amount increasing each month.

Electric light companies do not accept street lighting contracts as money making propositions but accept them as a good investment because with their investment money they get a share of the town's income in business and through other channels, making up for any deficiency.

MAYOR TAKES UP LIGHTING PROBLEMS AT OPEN MEETING

FARMERS TO GATHER HERE FOR CHICK CLINIC

The Agriculture class of Buchanan high school is co-operating with the Kennedy Hatchery in staging a poultry and live stock clinic tomorrow afternoon in the auditorium of the high school. The study of the subject will start at 1:30.

Farmers and chicken raisers of the county are invited to the meet when Dr. W. C. Graham, noted veterinarian of the middle-west will be present and take part in the clinic.

Some of the most modern methods of care in both chicken and live stock raising will be discussed and will be accompanied by demonstrations during the afternoon. The event is planned for the benefit of raisers in this vicinity who are urged to come to Buchanan for the clinic and bring with them any sick live stock that has not yet been diagnosed.

Workmen repaired the electric light post Friday that had been demolished at the corner of Front and Oak street early Thursday morning.

The cause for the accident remains a mystery. It is known to have been knocked from its base between 12:30 and one o'clock Friday, according to Fred French, police chief. Although no windshield glass or other evidence was left behind it is believed that a motorist of the zig-zag variety made the attempt to plow up the main street. The falling post narrowly missed the plate glass window of a nearby store.

The lighting of the city under the new contract would reach a minimum of \$7,212 a year, with maintenance, operation and all liabilities falling on the electric company.

The actual difference to the Indiana and Michigan Electric company would amount to \$1,400 a year more; but that \$1,400 would come from maintenance which amounted to over \$1,200 in 1926.

At that time cable repairs had to be made which sent the upkeep costs up, but maintenance averages \$700 a year, said Mr. Brown. He also pointed out that the present cable is disintegrating and would have to be replaced within about two years.

Councilman Roy Pierce, the only trustee who voted "no" to the ordinance authorizing the new lights of November 11, said, as far as the economical side of the question was concerned, he was in favor of it.

"It was not the contract with which I was dissatisfied but the procedure in accepting the contract. Personally, as I have said many times, I voted "no" at the council meeting because the people I represent there had asked me to do my best—not the best but my best. The lighting proposition is a good thing for our town, but I object to the procedure."

Answering the charge that townsmen made, saying the whole proposition had been unnecessarily rushed through, President Brown gave a short history of the situation.

Westinghouse engineers made a survey of the town in the fall knowing that the present contract would expire within a year. Following their study of the situation here they appeared before the village council with their plans. It was at this point that the Indiana & Michigan Electric company became interested and offered to make estimates for the village offering to them prepared for the next meeting.

Acceptance and passing of an ordinance followed with electricians beginning the installation soon afterward, hoping to complete it before the ground had frozen so deep that laying of the new cables would be impossible.

Several at the meeting expressed the opinion that there was as much confidence in the present council as there has been in any preceding groups of solons. The present body, feeling that any gain was worth their while, accepted the Indiana and Michigan proposition at once, it was said.

The influence of a new lighting system would have on the town was talked over by the three Oaks and New Buffalo are all known throughout southwestern Michigan as well lighted towns.

The question of evolving some type of a city plan for beautifying Buchanan with the lighting system as a beginning was also discussed. The economic reasons were named.

Following the answering of all questions a vote was taken among the group with 34 voting in favor of the new system and 4 voting "no."

Leo Van Halst has returned to his home in Kalamazoo, after a visit with his mother, Mrs. Grace Van Halst and other relatives.

True to her Girl Scout training Velma Wilman, who lives on Portage street, a member of Girl Scout Troop one, saved the life of a bird last Saturday. Velma saw the little form, helpless, in an eave trough at her home, lying in the snow and quite frozen. Climbing to the eaves she carefully lifted the bird from its snowy bed of death and took it into the house and put it into a bath of lukewarm water. After a little the bird began to show signs of life and after a couple of days of careful nursing was restored to full vigor and permitted to return to its life in the great out of doors.

Bigger and Better

See the New Chevrolet now on display!

Today, Chevrolet presents the crowning triumph of sixteen years' continuous progress—a great new automobile so impressive in appearance, performance and staunchness that it marks the opening of a new era of luxurious transportation at low cost.

Built on a 107-inch wheelbase—4 inches longer than before—the Bigger and Better Chevrolet is impressively large, low and racy. Its new Fisher Bodies are finished in new Duco colors and offer rich new upholstery and handsome appointments. Its improved valve-in-head engine has numerous impressive features such as alloy "invarstrut" pistons, hydro-laminated camshaft gears, mushroom type valve tappets, AC oil filter and AC air cleaner. The chassis also has been redesigned. As a result, the new Chevrolet provides delightful smoothness throughout the entire speed range—a wide margin of power for hills—click-of-the-heel acceleration—the ability to maintain 50, 55 and 60 miles an hour without the slightest sense of forcing or fatigue—the safety of four-wheel brakes—the steering ease that can only result from a ball bearing worm and gear steering mechanism—and comfort over all roads at all speeds due to semi-elliptic shock absorber springs—34% of the wheelbase. Come in—see the car—and learn how Chevrolet has again electrified America by creating a bigger and better motor car and offering it at prices so low as to be actually amazing!

Every feature of advanced design demanded in the finest cars now offered in the New Chevrolet! Read this partial list.

- Improved valve-in-head motor. Safety gasoline tank at rear. Larger balloon tires 30"x4.50". Improved Delco-Remy Dis' tributor ignition. New stronger frame 4" longer; wheelbase 107". Last month we enjoyed a very worth-while meeting and this month's meeting promises to be just as good. All men are cordially invited to spend the evening with us and take part in the dinner. Be at the building at 6:15.

No one needs to be told that last Sunday was not an ideal day for church attendance. But despite the warring elements, 21 were out to Sunday school and church. We believe this is near a record for a church of this size on a day of this kind. Perhaps the most notable feature was the fact that Sam McClellan and his family drove nine miles from Buchanan to Glendora and back again through the blinding snow storm. Mr. McClellan has missed only one Sunday in attendance at Sunday school in the last two years.

During the last week the pastor had a fine visit with Robert M. Hopkins in St. Louis. Mr. Hopkins is coming to devote the church sometime in the near future. While in St. Louis the pastor met Mr. Hawley, brother to Miss Adah Hawley, who was pastor here for some years. Mr. Hawley preached his first sermon in our church and had many questions to ask about the folks here.

Section XVIII—That the president and clerk be and hereby are authorized to execute and enter into said contract on behalf of the village of Buchanan, and to make delivery thereof to said Indiana & Michigan Electric company.

Village of Buchanan, Michigan. This agreement made and entered into this 4th day of January, 1928, between the village of Buchanan, a municipal corporation of the State of Michigan, by and through its duly constituted and authorized officers, party of the first part, hereinafter referred to as the "village," and Indiana & Michigan Electric Company, an Indiana corporation, fully authorized to transact business in the State of Michigan, party of the second part, hereinafter referred to as the "contractor," pursuant to an ordinance of the common council of said village of Buchanan passed at a meeting of said council held on the 3rd day of January, 1928.

That the parties hereto, each in consideration of the agreements on the part of the other herein contained, have mutually agreed and hereby mutually agree as follows:

1. The contractor shall provide, maintain and operate: (a) A street lighting system in the village of Buchanan consisting of not less than seventy-eight (78) street lamps supplied from the overhead distribution system of the contractor, such overhead lamps shall be as follows:

71 1000 lumen incandescent lamps, pendant fixture, mast arm suspension construction.

(b) A street lighting system in the village of Buchanan, Michigan, consisting of fifty-eight (58) street lamps supplied from the underground distribution system of the contractor. Such underground lamps shall be as follows:

58 13 foot Sheridan hollow spun concrete lighting standards, each complete with Washington top and equipped with one 4000 lumen multiple street lighting lamp or equivalent lamp.

2. The minimum number of each type of lamp furnished and lighted under this contract shall be the number provided for in paragraph 1 hereof.

The lamps to be furnished, maintained and lighted by the contractor under paragraph 1 (a) hereof shall be located as shown on print No. D-5.50, attached hereto and made a part hereof.

3. All lamps herein provided for shall be burned from one-half hour after sunset until one-half hour before sunrise, every night and all night, burning approximately 4000 hours per year.

4. All property used in the performance of this contract shall be and remain the property of the contractor.

5. The contractor shall at its cost furnish all lamp renewals and light all lamps herein provided for by electricity for a period of ten (10) years from and after the 1st day of February, 1928, at noon.

All lamps herein provided for are described according to the rating of the manufacturers thereof, such lamps to be so maintained and operated by the contractor that they will give the maximum amount of illumination obtainable under commercial conditions.

All glassware shall be kept clean by the contractor and the proper current and voltage shall be maintained on all lighting circuits so that proper condition for the operation of each lamp at its normal rating shall be maintained.

6. No extension of the street lighting system served from the underground system of the contractor shall be made under this contract.

7. Additional street lighting units referred to in paragraph 1 (a) hereof shall be added from time to time upon written notice from the village and payment therefor shall be at the rate provided for in this contract, commencing on the day on which the lamps are to be in service, provided that one additional one thousand (1000) lumen lamp or one additional four thousand (4000) lumen lamp shall be installed for each extension of five hundred (500) feet, all such extensions to be from the then existing suitable overhead system or overhead circuit of the contractor.

8. If the contractor shall be required to furnish additional overhead street lighting units during the last two years of the term of this contract, then the village at the expiration of this contract shall reimburse the contractor for all actual expense incurred in running the additional lines for such lamps, the cost of such lamps and the cost of the installation thereof, less the salvage value of such lines and lamps, provided, however, that if

at the expiration of said contract a new contract is awarded to the same contractor, or the successor thereof, and said additional lines and lamps are used and operated under said new contract, the village shall not be required to make any payment on account of the cost of such additional lines and lamps.

9. Street lighting units shall be moved by the contractor to such new locations as the village may by writing direct, subject to the following conditions: Completed within thirty (30) days after receipt by the contractor of written notice from the village, Sundays, legal holidays and stormy days not to be counted, provided that the number of such removals shall not exceed one per day and provided further that such removals may not be required on Sundays, legal holidays and stormy days. Notice that the work of such removal of lamps has been completed shall be given by the contractor to the village within ten (10) days after completion of the work.

The actual cost to the contractor of making such relocations, shall be paid by the village to the contractor within thirty (30) days after said notice of relocation has been given the village, provided, however, the contractor will, at its own expense upon proper order of the common council, change the location in any one year of not to exceed two street lighting units and the overhead lamps.

10. The village shall accept such street lighting units and the service herein specified during the life of this contract and pay as full compensation therefor at the rate and price set out in the accepted bid, to-wit:

For Overhead Street Lighting Units 1000 lumen incandescent lamps, pendant fixture, bracket suspension construction, \$26.00 per unit per annum.

4000 lumen incandescent lamps, pendant fixture, mast arm suspension construction, \$50.00 per unit per annum.

GALIEN

A very enjoyable time was held in the Odd Fellows hall Wednesday evening, Dec. 28th when the Lady Maccabees met at 6:30 for a dinner. The dinner was a rousing success. After the work was done a social hour was enjoyed by all until 7:30 when the officers took their stations and the course of business was taken up. Special music was furnished by the ladies' quartet and an orchestra of local talent furnished the music. After the meeting was adjourned the ladies played bunc. Mrs. Carrie Mell carried off high honors. Mrs. N. Jannasch won second and Mrs. L. Mitchell was awarded the consolation prize. Although this was the last regular meeting of the year it proved to be one of the most enjoyable.

Rev. Ede returned to his school duties in Evanston Monday after the holiday vacation.

Mrs. Sandle Howell remain about the same.

The school board called a special meeting to be held Wednesday night at the school house to discuss the prospects of having a new school house. This meeting was postponed until next week on account of the weather and bad roads.

Miss F. Green returned to her school duties at Lansing after having spent the holidays with her parents.

Walter Pangborn of Atlanta Georgia, arrived last week at the home of Mrs. John Hamillor where he met his mother from Chicago, who will accompany him back.

Mrs. Frank Heckathorne is confined to her home by illness.

Mrs. E. A. Brodbeck is entertaining her sister, Mrs. John Painter.

Mrs. Chas. A. Clark has been very sick the past week and is still confined to her bed.

Mrs. Will Killely and Mrs. H. Kieffer spent Monday in New Troy.

Dwight Babcock returned home Monday from Flint, where he has been since last Thursday on business.

J. A. Sheeley and C. A. Vinton were Monday afternoon callers on R. V. Slocum.

The American Legion auxiliary is very grateful to one and all who donated jelly and fruits which filled a box for the "buddies" in the hospital at Battle Creek, which was shipped Dec. 21.

Mrs. Horace Morley went to South Bend Tuesday to see her husband who is in the hospital at that place. Mr. Morley is regaining his health.

Miss Donita Wentland spent the New Year's holiday in Kalamazoo, the guest of Miss Doris Sweet.

Miss Beatrice Phillips, of Niles, our school principal, is staying at the Hohmann home during the severe weather.

Pertinent Facts—

For the Taxpayers of Buchanan to Consider

SOME FACTS TO THE TAXPAYERS WHICH ARE ON RECORD:

Where the taxpayers money has gone to and what they have received in return since 1917 up to the present time which has been appropriated by our various councils.

CAMPBELL'S TRANSMISSION, \$8,000.00
SEWER BLUEPRINT (NO SEWER YET), \$2,700.00

WM. BAINTON, \$25,000.00
(For sewer disposal, \$5,000 would have been a big price.)

RICHARDS BROTHERS, \$6,000.00
(After business went into receiver's hands. In return the taxpayers received a 35c lot in a back alley for parking purposes, which is not in use.)

WARD REFRIGERATOR CO, \$3,500.00
(From which taxpayers never have received one penny. It was a bankrupt concern before coming to Buchanan.)

MAYOR BROWN, \$500.00
(For a building to store village tools in, at present it is used for other purposes.)

Street lamps that have been in use which taxpayers paid for, were to be given to Indiana & Michigan Electric Co. without any consideration.

Mayor Brown in the last issue of the Buchanan Record made an assertion that a workmen spends 10 per cent. of his time replacing electric bulbs and making other repairs. He might just as well do that as to play rum—can you beat it?

Why should the widows that have a little home, taking in boarders and roomers to make a living and women that go out to wash and scrub and have a home and family to support, be compelled to spend their hard earned money on unnecessary presents to the town? The taxpayers have other places for their money which should be used on four bond issues which we have on our property.

We find that there was no one interested in regard to the new street lighting system, except two parties, they being a few members of the Chamber of Commerce who we presume were the same parties that investigated the Ward Refrigerator Company and recommended them to the town, also by a few members of the village council who had a selfish interest in it, their slogan being "Boom Buchanan" (but boom your own selfish interests first at the expense of the taxpayers.) The balance of the people on Front street were satisfied with the present lighting system.
