News of Buchanan Schools

NEWS OF STUDENT LIFE GATHERED AND WRITTEN BY THE UPPER CLASS MEN OF BUCHANAN HIGH SCHOOL

Third Annual Interclass Meet is Scheduled at High School Friday

WINNERS TO COMPETE IN COUNTY MEET AT ST. JOE SAT., MAY 5

Plans for the premier intramural contest of the school year...

To enter the meet a team selects two men for each of the 12 events...

Ribbons will be awarded for four places and scores will be determined as follows...

Ray Miller's official timer and Principal E. H. Ormiston holds the offices of custodian of prizes...

The twelve events and the order in which they will be started are: pole vault, 220 yd. low hurdles...

The Senior team is composed of White, Whittaker, French, Weaver, Wynn, Ferguson, Burrus, Letcher, Mitchell, Paul, Ryan...

It is witnessed that the chickens died before hatching and the eggs were cast into water...

STELLAR WORK OF MORSE FOR B. H. S. BEATS DOWAGIAC

Buchanan high's baseball team, finding its real strength for at least one day won over the Dowagiac team 2 to 1 Tuesday afternoon.

Buchanan played a wonderful game all through the regular season...

Buchanan took its two scores in the first inning when Wynn and Morse were successful in getting around the bases.

Knight the receiving end of Buchanan's battery, also played excellent ball and has learned how to pick a pitcher's drops out of the dust.

The annual field day for the rural schools of Washtenaw and adjacent townships will be held on Thursday May 10th at New Troy high school...

It looks like Buchanan might have another County championship team this Spring.

BUCHANAN TEACHERS ARE FED BY TEACHERS CLUB OF NILES THURS. NIGHT

The Buchanan school faculty, grade and high, motored to Niles Thursday night...

AND WHEN THE FISH WAS OPENED— Lexington, Ky., Apr. 26—Roy Pope landed a large catfish at Springfield in which was found six young chickens.

GRADE NEWS

Mr. Stewart and Miss Henderson representing the Winston Reader visited us last Friday...

The County Book committee appointed by Com. of Schools, Mr. B. F. Eggert, will meet Tuesday, April 24 at 2 o'clock in Mr. Eggert's office...

In Mrs. Heim's room we have a bowl of frogs eggs and tadpoles and are reading the story "The Little Tadpole"...

The sixth grade are painting vases of bright spring colors. The designs will be cut out and pasted on. The results are beautiful vases.

Miss Clayton's fourth grade are almost all back in school again, after considerable sickness. The children are enjoying coloring robins this week.

Mrs. Wilcox has splendid results in her second grade penmanship class. The following children have just received their silver star button in Palmer method:

The boys and girls in Mrs. Wilcox's room are having a spelling contest at present. The girls are in the lead but the boys are working hard.

About twenty children in Mrs. Fischman's room have received silver Palmer buttons.

Friday is the spelling contest in the second grade. The boys spelled down all the girls except one and she was Alice Sharp.

The boys and girls in Mrs. Fuller's room have been making artificial blossoms on twigs. They are also writing some very interesting letters for language about their western trip in Geography.

Mrs. Zerbe's third grade "A" class just finished the Pini-chio reader. The "B" class are now enjoying the same story.

Mrs. Zerbe has two pupils absent because they were sick. "The Rabbits at School" Mary Morse

Once upon a time there were two rabbits and they decided to go to school. They went to the school and then decided to study. They learned their lessons very quickly and when they went home they said they liked school very much.

One day they asked their teacher if they could paint jars and she said yes they could if they were careful. The next day the two bunnies came to school with their jars and paint almost as big as themselves.

When they got through one rabbit was found painted all colors of the rainbow. After that they never tried painting jars again although they kept on painting eggs.

Notice—Tonight is the Minstrel Show at Englishes hall. This is sponsored by the Agricultural club of the high school...

The Junior Senior banquet will be held Saturday evening, April 28th at the Stocum Grove resort near Gallen.

About 2 p. m. last Friday afternoon was an exciting time at the New Troy school when the entire west basement wall of the main building slid out leaving only three walls in the home economic room.

The presentation of "Aida", one of the great masterpieces of musical literature, is the most important number in a series of musical entertainments bringing important artists to the Western State Teachers college this winter.

Leading roles in the opera will be sung by six professionals. The chorus of Western State, including the Mens Glee Club and the women's glee club and the women's choir, will be under the direction of Harper C. Maybree of the music department in the great choruses of the opera.

The orchestra will be under the direction of George Amos, director of the orchestra at Western State. Staging and costumes will be furnished by the Festival Opera company.

The music department of Western State Normal, in co-operation with the Festival opera company of Chicago will present Verdi's opera Aida on Tuesday evening, May 8, in Central High School auditorium, Kalamazoo.

The Senior class was held in English's hall instead of at the high school as originally planned. This change was made after the wall caved in late Friday afternoon. All of the boys of the high school and grammar grade room cooperated wonderfully on moving the entire stage with scenery and 150 chairs in about an hours time.

The New Troy high school baseball team played two games last week—Gallen Thursday and New Buffalo on Tuesday. We lost both games by a close score.

Next Wednesday the judging team leaves for East Lansing where they will participate in the Junior Farmer's Judging contest. The grain judging team is composed of the following members: Rex Paul, Philip Sexton and Clarence Wirth. The potato judging team has not been picked yet.

Wise Words He who is plentifully provided for within needs but little from without.

Tongues Worth Having "The average full-grown giraffe's tongue is two feet long." Just the right length to lick the ice cream but of a freezer can.—Detroit News.

The New Troy high school will hold their banquet at the Slocum Hotel April 28. Reservations have

been made for thirty-one.

Mrs. A. L. Matthews from Dowagiac is visiting her mother this week.

Coral Smith, 6 year old daughter of Mr. and Mrs. Floyd Smith, fell off the porch Monday afternoon while playing with her little companions and broke two bones in her right arm. She was taken to the sanitarium where she is under the care of Dr. Veoman of St. Joseph.

The movie "Buttons," featuring Jackie Coogan, attracted a large audience when it was given at the town hall Friday night under the auspices of the Culture club. Re-

ceipts were \$21.47 and to the sum was added \$3.60 from the sale of home made candy and popcorn. Another play will be given in two weeks.

The annual meeting of the community library was held Friday evening at the home of Mrs. Bert Babcock and the following officers were elected for the ensuing year: President, Mrs. Edgar Doyle; vice president, Mrs. John Holmville; secretary and treasurer, Mrs. Bert Babcock.

Mr. and Mrs. Frank Lawson entertained at their home over the week-end. Sid Kenyon, John White and J. Gorgan from Chicago.

Mr. and Mrs. Clayton Smith spent the week-end with their son, Dr. R. Smith at Detroit.

Mr. and Mrs. Ensel Swam are moving into the late Mrs. Emma White home.

Mr. and Mrs. Muriel Bromley were business callers in Buchanan Tuesday.

Mrs. Clark Glover left Saturday for a visit with relatives in Boston.

The Royal Neighbors are to

give a public luncheon party in the L. O. F. hall Thursday evening, May 3, at 8 o'clock. Refreshments will be served during the evening and also prizes given. The public is invited.

Mr. and Mrs. Leslie Gillson of Chicago, F. N. Gillson, Ellis Renbarger, Thelma and Gilbert Renbarger of Three Oaks, and Ed. Van Tilburg were Sunday guests of Mr. and Mrs. James Renbarger.

Mrs. Florence Thorsom was hostess to twelve members of the Carnation club Wednesday. Women sewed on blocks for a quilt top. A three course dinner was served by the hostess at noon and then a business meeting, in the afternoon, was held.

Miss Nola Van Tilburg spent the week-end in South Bend, the guest of her sister, Miss Muriel Van Tilburg.

Mr. and Mrs. Muriel Bromley and son spent Saturday evening with Mr. and Mrs. R. V. Slocum.

Mrs. Robert Sheeley, who has been a patient at the Clark hospital the past two weeks, return-

DEPT. SHIFTS AT CLARK EQUIPMENT PLANT NOW DONE

CHAIN CONVEYOR BETWEEN AXLE AND ASSEMBLY DOES WORK OF TRUCK TRACTORS

The shifting of departments at the Clark Equipment Company plant is now practically completed, according to a statement from officials of the company this week, and the various departments have settled to work under the new arrangement basis, with a greatly increased capacity.

The drill department has been transferred to the new building erected for it, and the space formerly occupied by it is now used as additional room for the axle de-

partment.

Among the installations of outstanding interest is a chain conveyor which now operates between the axle housing department and the assembly room, passing up and over the drive shaft building between. This conveyor transfers in the neighborhood of 800 axle housings daily doing the work which formerly was done by truck tractors with a material labor reduction.

An addition of 20x265 feet was built on the east side of the assembly room, to be used as a storage and shipping department. A new side track was built along the addition, and part of the shipping and receiving transferred there from the warehouse.

Another Wise Dog

Stockbridge, Mass., April 26.—Betty, James Coakley's bull dog has something to teach candy loving dogs that eat wrappers and all. Betty carefully unwraps each piece before eating.

GUARANTEE! We cheerfully replace your Hose if you are not satisfied with the wear. Remember!! Exclusively at Springs.

I'm About To Lose Some Sleep

ALONG comes a letter from the home office saying May is National Delco-Light Demonstration Month. And such being the case, I am urged to give as many of you folks as possible the opportunity to see what happens when bright, safe Delco-Light takes the place of dim and dangerous lamps and lanterns. Here is the way I do it. I drive out to your place with my demonstrating car, run a small wire from the Delco-Light on my car to your house and connect it to a portable table lamp. Then I sit back and say, "Just turn the switch."

Of course, I make these demonstrations at night, for Delco-Light, good as it is, can't compete with the sun. This means I lose a lot of sleep. But when I lose in sleep I make up with the fun I get out of giving you an evening of education and entertainment.

Well, May hath 27 working nights. That means I make 27 night demonstrations. Who's first? Write, phone, or call for appointment. No cost to you. No obligation. This is my party. You'll enjoy it.

P. S. Don't worry about my losing sleep. Chances are I'd lose it anyway.

Walter E. Thaning
BUCHANAN DEALER

Just phone or drop me a card and I'll bring Delco-Light to your home for a night demonstration!

RAY LORD, ONCE DEVIL IN RECORD OFFICE, IS CALLED

TELLS HOW HOLMES PRINTED RECORD WITH THRESHING MACHINE ENGINE

Days "away back waen" the Record office was in the location now occupied by the Sands Market, and when the motive power which operated the press was a steam threshing machine engine taken from the trunks and set on the floor, in the reign of that illustrious patron of old time journalism, Editor J. G. Holmes, were recalled this week by the visit of Ray Lord of Chicago, who learned his trade here then.

Editor Holmes issued his weekly output through a kiddy press, operated by a threshing machine engine taken from the trunks and placed on the print shop floor, which perhaps explains why there is still so much chaff in the letters which he writes the Record from time to time. And so much kidding. The kiddy press, according to Lord, was of the first batch of automatic presses ever put out. Some of the old boys of those days were Harry Glover, Matty Brown (who used to hand set much of the "straight matter"), Mrs. Mary Anne Belmont, Pearl Woodruff, Tom Cox, Frank Bressler, and E. D. Harper, who was foreman for many years.

Since Lord served as printer's devil and as compositor in the Record shop, he has spent 25 years in the print shop "alleys" of Chicago, running his own shop there for several years.

Larger Butter Cubes Asked as Help to Farmers

Fond Du Lac, Wis., April 25.—E. F. Sherman, local dairyman, advocates as a farm relief measure the serving of one-inch cubes of butter as standard portions in hotels and restaurants.

The average service of butter is one-third ounce, he cites. Serving one-inch cubes would add one-fourth ounce per portion, an increase of 35,000,000 pounds annually for the country, he estimates.

Robert Decker, 44, died Friday morning at 4 o'clock as he was being removed from an ambulance at the Clark hospital at Buchanan.

He had been ill with pneumonia about a week and when his condition became critical the Ruthford ambulance was called from Niles early that morning.

He is survived by his wife and five children, Mrs. Jessie Fay, Edson, Robert, Izzetta and Chester. He also leaves his mother and

News Around New Troy

The work of laying the foundation for the new school house began Monday with contractor Max Stock, of Benton Harbor in charge.

Mrs. Noland Shank underwent an operation at Mercy hospital on Tuesday morning at 9 a. m.

Mrs. Lloyd Morley of Chicago spent Monday here with her husband.

Will Barton has begun to work for Adams & Lotie Construction Company of Kalamazoo.

There was a good attendance at the prayer meeting at the M. E. Church Wednesday evening. They will be held every Wednesday evening during the summer. A short time during the session will be devoted to bible study. The public is invited.

Ed Brackett spent the day Friday in Detroit on business.

Mr. and Mrs. Paul Brodbeck, at the close of the church services, drove to Berrien Springs to visit with the latter's mother, Mrs. Thomas Taylor.

Joe Wood spent Tuesday in South Bend in the interest of the International Harvester Company.

Mr. and Mrs. Joe Dilfield who have been quite ill the past week with the flu, are a little better.

A sister of the latter, Mrs. Lydia Perkins of Niles and a nephew, Charles Perkins of Cleveland, O., have spent part of the week with them.

Ed Brodbeck of Galien was in New Troy Friday, calling on old friends.

The residence belonging to the Eunice Ludlum estate is being painted inside and out. The administrator, G. Daniels, has petitioned to the judge for license to sell the property.

Mrs. Lydia Perkins of Niles visited at the home of her sister, Mrs. Joe Dilfield Monday.

Mrs. Naomi Harris entertained company from South Bend Thursday.

Mrs. John Kempton who has been quite sick is able to be out again.

Mrs. Flora Addison who has been spending some time with her children and other relatives in Wisconsin and Chicago returned here Saturday. She will open up her residence here soon.

New Troy school will close May 11th. There are seven members of the graduating class, 4 boys and 3 girls.

Irene Babeock has been chosen by a faculty committee as the salutatorian of the senior class of

the room too small for the use of the domestic science classes and they will move into the basement of the M. E. Church. Arrangements have been made for the other grades and high school and the building is considered perfectly safe.

Mrs. S. R. Purwell who has been quite ill at the home of her sister, Mrs. H. Fletcher, has so far recovered as to return to her home.

Howard Boyd of Chicago, son of Mrs. Ella Boyd, spent a few days with his mother this week.

The senior class play was given Friday and Saturday evenings, April 20 and 21, at the English hall, and was well attended. It was a success financially and in all ways. The members of the class deserve great credit for this fine acting.

The Trojan Club will meet on Friday, April 27, at the home of Mrs. Tom Glavin of Harbert.

The Weesaw Chickening Republican club will meet Tuesday, May 1 with Mrs. T. S. Carpenter of Glendora.

Mr. and Mrs. H. Davis spent Saturday in Three Oaks.

Frank L. Daniels will attend the G. O. P. State Convention in Detroit. He was elected as a delegate of Weesaw first and second precinct and Chickening Township at the county convention held in St. Joseph last week.

Mrs. W. Boyd and children, Mr. and Mrs. Thomas Waters spent Friday in Benton Harbor.

Mrs. R. Connant called at the Mercy hospital Saturday to see Mrs. N. Shank, who is recovering from a major operation.

Mrs. A. Kline and daughter Alberta spent the day Saturday in St. Joseph.

Mr. and Mrs. Ray Zimmerman have moved from Whiting, Ind., to their new home here recently bought of T. Sowersby, who gave up possession Saturday.

Mr. and Mrs. H. O. Piper returned Sunday from Mishawaka Sunday where Mrs. Piper has been spending the week with her brother and family.

master carpenter, remaining with that company during the duration of the business.

In 1897 his wife died. He leaves only one child, Mrs. Lulu M. Remington of Buchanan; also two sisters, out of a family of eight, Mrs. Edwin Steele and Mrs. Morris Fowler, both of Buchanan. There are two grand children, G. C. Remington and Miss Bytha Remington.

**GEO. DALRYMPLE
PIONEER WAGON
MAKER, IS DEAD**

George Dalrymple, 84, died at the Clark Hospital at 4 a. m., Friday, after an illness which had lasted since October, 1926.

He was born in Elkhart, Ind., Jan. 26, 1843. In 1866 he was married to Miss Tobitta Lamb, the daughter of a famous pioneer religious worker known as the "blind missionary" of Southwestern Michigan. He moved to Kansas in 1878, where he remained four years, returning to Michigan in 1882 and settling in Buchanan. Here he became associated with the Rowe Bros. wagon works as a

operated the well known Hotel Nevermind on the east shore of Indian Lake which has a national reputation among tourists and vacationists.

They are announcing May 26th for their Nevermind opening and say that all indications point to a big season for this resort section.

**NICKELS AND DIMES
MADE MARY RICH**

Nickels and dimes! To the average person, a five or a ten cent piece is only an insignificant coin—yet on that impetuous basis has been built the everlasting reputation of Mary Pickford.

Not so long ago, Miss Pickford was the "Biograph Girl" and the nickels and dimes of the public that patronized the picture houses brought her steadily upward to the eminence of being the world's most famous woman.

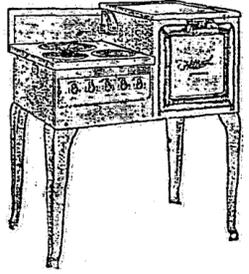

And now "America's Sweetheart" is paying a graceful tribute to these same small coins in "My Best Girl", a comedy romance of the 5 and 10 cent stores, now playing tonight and Friday at the Princess Theatre. As a busy little stock girl in the basement of the store, juggling boxes and cartons and pans to the counters upstairs, Mary Pickford has a role that is appealing in its sympathy and delightful in its humor.

Charles Rogers, the sensational young lead in "Fascinating Youth" and "Wings" is the leading man. Hoot Gibson in a Peter E. Kyne story is the attraction for Saturday afternoon and night in "The Rawhide Kid." Plenty of action—plenty of thrills, and plenty of laughs are assured in this rip-roaring Irish-Jewish comedy of the plains. On the same program will also be seen the greatest of comedy stars, Our Gang in Edison Marconi & Co., inventors of fun.

Lovely dark-eyed Madge Bellamy, the queen of all light comediennees, comes to the Princess on Sunday in "Soft Living," a whimsical comedy on the modern idea of marriage which develops over the question of love vs. alimony. A double feature program will

Wagner Grange Leads Co. Membership Contest

CLASS OF 27 INITIATED AT JOINT MEETING WITH MT. TABOR FRN.

The Wagner Grange emerged victorious from the three month campaign carried on by Berrien County grange organizations for additional membership, taking in 27 new members who were inducted into the mysteries of the order at a meeting held at their hall Friday evening, the degree work being conferred by a team of 13 from the Mt. Tabor grange.

A number of officials of the county grange were present, including the following: Winn Armstrong, county grange master; Mrs. Wm. Armstrong, county grange lecturer; Mrs. Allan Clark of Tabor, chaplain; Dean Clark of Mt. Tabor, assistant; Mrs. Dean Clark of Mt. Tabor, lady overseer; Jesse G. Boyle of Wagner, overseer; Mrs. Bert Mitchell, Ceres.

County grange master Winn Armstrong complimented the degree work of the Mt. Tabor team very highly, as the best performance of the kind he had ever witnessed. The team of 13 is led by Captain Ruffin.

One hundred members of the Wagner and Mt. Tabor granges were present for the banquet, which was spread at 7:30 p. m. Of the twenty-seven members who were initiated into the Wagner grange 20 were secured through the industrious canvass carried on by the grange master, Clyde Guyton. One new member, Mrs. Peter Smith, was initiated into the Mt. Tabor Grange. Those joining the Wagner Grange were as follows: Mr. and Mrs. Henry Hess and son Arthur, Mr. and Mrs. Albert Herke, Mr. and Mrs. George Huff and daughter Nina, Mr. and Mrs. Bert Conant, Mr. and Mrs. Sol Norman, Mr. and Mrs. Frank and daughter, Mr. and Mrs. Clark, Mr. and Mrs. William Orris, Mr. and Mrs. George Seyfried, Mr. and Mrs. George Seyfried, Mr. and Mrs. Geo. Cowland, Doris Whittaker, Ralph Whittaker.

Deceit's Many Wiles

Oh, that deceit should steal such gentle slippers, and with a virtuous visage hide foul guile - Shakespeare.

TRUCK FROM M. S. C. TO PREACH BETTER SOILS IN BERRIEN

EAST LANSING, Apr. 26—A specially equipped truck carrying a staff of soils doctors has been scheduled by the soils department at State College to visit Michigan counties this season.

Several meetings will be held in each of the counties. The truck carries display cases that show some of the results obtained by better soils practices that have been used by farmers of the state. Samples of soil and marl will be tested at each stop. Michigan is rich in marl deposits but there is said to be a great variation in the value of this material from different pits.

The rapidly increasing use of commercial fertilizers by Michigan farmers makes this subject one which takes up much of the time at each meeting. The value of the fertilizers is very seldom questioned, but adapted analysis the time and rate of application, and whether to apply the fertilizer in crop rows or to sow the material broadcast are questions which have to be answered in every locality.

Counties which will be visited by the truck are: Benzie, Antion, Charlevoix, Pique, Iosco, Alpena, Oscoda, Manistee, Westford, Ogemaw, Iosco, Arenac, Oceana, Newaygo, Kent, Mecosta, Ontonagon, Allegan, Tuscola, Sanilac, Barry, Ingham, Livingston, Calhoun, Berrien and Branch.

FAMOUS "FREE FARM" NEEDS NEW TENANT

Pontiac, Mich., Apr. 26—Senator James Cozen's famous "free farm" now being surrendered by Frank and Mark Williamson, agricultural college students because their accounts were on the wrong side of the ledger, needs a new tenant.

The Senator advertises: "No rent, no taxes, to man who makes my 900 acre 'Waback' estate show a profit."

Rich Indian Farmer

Jackson Barnett, world's richest Indian, who is facing a \$550,000 suit and other legal troubles. It all started when he wanted to donate \$550,000 to the Baptist Home Mission Society of Muskogee, Okla. E. S. Bailey of Tulsa was appointed by Oklahoma courts as Barnett's guardian and refused to approve his giving of the endowment sum.

FIVE TRACTS OF LAND ARE OPEN HOMESTEAD ENTRY

Available Areas Are In Utah, California, South Dakota, and Arizona.

Washington, D. C., Apr. 26—The General Land Office of the Department of Interior, in making public the notices of entry, has announced that five tracts of public lands, two in Utah, and one in California, South Dakota and Arizona, have been opened for entry under conditions provided by law.

The California land, consisting of eight farm units of lands within the Tule Lake division of the Klamath irrigation project, has been opened to homestead entry under public order of March 20, 1928.

In addition to the qualifications required under the homestead laws, an applicant for these lands must satisfy the examining board appointed for the Klamath project that he is possessed of certain qualifications as to industry, experience, character, and capital as will give reasonable assurance of success by the prospective settler. The Utah lands are in two

tracts, one of 21,502.18 acres in San Juan county, and the other of 960 acres in Kane county. The former tract is opened under the homestead and desert land laws for 91 days beginning May 15, 1928, and the latter opened to surface entry only under the homestead and desert laws, for a 91 day period beginning May 4.

The South Dakota plot, in Lawrence county, consists of 2,342.04 acres, part of which is the Black Hills National Forest. It will be opened for 91 days, beginning May 26, under the homestead and desert land laws.

In the cases of the lands opened under the homestead and desert land laws, qualified former servicemen of the World War are given preference rights. Persons claiming a preference right to the land superior to that of the soldier also are accorded entry privileges.

M. S. C. ADVISES RESEEDING WINTER KILLED ALFALFA

East Lansing, Apr.—Owners of alfalfa fields upon which part of the plants have been winter killed are advised by the farm crops department at Michigan State College not to plow under the alfalfa but to reseed the fields.

In cases where the plants are killed out in well defined areas, these spots should be thoroughly worked up with a springtooth harrow and seed broadcast at the rate of eight to ten pounds to the acre.

On fields where the stand has not been killed out in spots, but where the stand has been thinned over the entire acreage, the spring tooth harrow should be used on the whole field and the seed broadcast as before.

Re seeding will not be successful on fields where June grass or quack grass has made a sod.

A heavy roller or a cultipacker should be used on the fields after the alfalfa seed has been sown. The packing of the soil will help cover the seed and will also assist in saving some plants that have been partially heaved from the soil during the winter.

Re seeding fields will pay in most cases where from one half to two thirds of the original stand is still alive. A fair crop of hay will be produced on these fields.

BERRIEN POULTRY FARM WRITTEN UP IN FARMER'S WIFE

The following from the May issue of the Farmer's Wife tells of the poultry farm of Mrs. G. Rosewarne, located in Berrien County near Niles.

"When I began raising chickens twenty-five years ago," said Mrs. Rosewarne, "I kept them, but for the past ten years they have been keeping me. My first venture was with forty Plymouth Rocks of no particular strain or breeding. They returned \$30 gross income for eggs from January first to December thirty-first. How much those eggs cost, I do not know, for I did not keep a record of feeds used. Eggs were cheap then, only fifteen to twenty-five cents a dozen. I didn't feed a balanced ration as we do now, but I did get some eggs in winter when my neighbors didn't."

"I don't know what induced me to keep records unless it was because I had formed the habit when I was a rural school teacher. Records keep up my interest as nothing else could do, besides showing me where improvements might be made. The records show that my gross income has increased from \$80 to as high as \$3,600 per year."

"One hears so much about the present low prices of eggs and poultry, but I have found that if I have quality to sell with eggs and poultry the buying public is willing to pay a few cents above the regular price to get it."

"Quality in eggs means clean, well-graded, fertile eggs, from a healthy flock kept in clean yards and fed on clean, well-balanced feed. A neat egg is graded daily, kept in a cool place, marketed often in attractive cartons. We divide the eggs into three grades. The largest weighing 28 to 32 ounces to the dozen are sold to fancy trade at ten cents above the highest retail market price. Those from 22 to 27 ounces make the second grade while the ill-shaped and small ones are either used in the kitchen or sold by weight, 24 ounces for the price of a dozen.

Over an average period of years thirty per cent of the sale price of eggs is cost and seventy per cent is profit. During the hatching season all eggs from the breeding pens are sold to a local hatchery at fifteen cents per dozen above market price. The past year I sold 1,000 baby chicks at sixteen cents each which netted about one dollar and twenty-five cents per dozen.

"Quality in springers means quick growth finished by ten days to two weeks of crate feeding on a good fattening mash."

"To have this quality to meet the increasing demand one must begin with well-culled, vigorous, blood tested stock to insure rapid development and livability. Sanitation combined with intelligent feeding of a well balanced ration makes it possible to sell a two and one-half pound bird at eight weeks of age."

"I feed a commercial mash because I cannot mix one at home that is so well-balanced. Since there are several good commercial feeds on the market I choose one that meets my requirements, then if it gives satisfaction I stick to it."

"I separate the cockerels from the pullets as soon as I can tell which they are, and begin to feed all the growing mash they will eat. At noon I moisten it so they will eat more. When they weigh from two or three pounds I put them in the fattening crate. In two weeks' time two pounds of fattening mash costing from eight to nine cents adds one pound of weight selling for at least forty cents. The pullets are fed as near as possible equal parts of grain and mash."

"The birds are dressed ready for cooking with gizzard emptied, bird singed, and washed. Some people know so little about chickens that they ask me to cut them up and sometimes I delivered them cooked."

"Such springers create a demand for more and in remembering the flavor of the last one the customer forgets to quibble over the extra five cents per pound."

I have supplied one resort hotel for four years. This hotel makes a specialty of chicken dinners and I furnish every chicken used. They could be had cheaper and nearer to the hotel but the manager prefers to drive sixteen miles on account of the quality that I furnish. Last summer I began supplying the hotel besides having my private customers who have a standing order for each Saturday during the season. The average for years shows forty per cent is cost and sixty per cent is profit."

"Our slogan for both eggs and birds is 'Particular eggs and birds for particular people.'"

"What I am doing any farmer's wife in Michigan can do under like circumstances. They do not lack a market for our state is one of the Nation's summer play grounds, and has many markets. Few of the farms are more than sixteen miles from a summer resort area, good size city or town. If quality is given some one will buy. A poultry income has the advantage of a weekly pay envelope as well as being seasonal. The weekly returns from eggs, the spring sale of chicks, the summer sale of broilers, the fall and winter sale of old stock."

"It may not be possible to greatly increase the income from the flock but it is possible to lessen the expense. Instead of expensive feeders and waterers I use homemade feeders, and kegs with faucets for waterers."

Mrs. Rosewarne raised 2,000 chicks last spring and kept about 650 hens this year. These are trap nested. Mr. Rosewarne has sold his cows, rented out the greater part of the land and is now spending his time with poultry. Even then the work has become so heavy that a young man has been hired to help with the work. At the present time about one acre is being used for the poultry but more will be used later. The farm on which the Rosewarne live was taken from the government in 1834 by Grandfather Rosewarne. Large trees furnish shade but do not entirely shut out the sunshine. The two laying houses are 20x72 with five feet at each end for feed rooms. The Rosewarne have bought a larger incubator to be used this season. They will sell baby chicks as trap nested stock is so valuable to dress for market. This is one of the record flocks cooperating with the State Agricultural Department and the Rosewarne are making a good profit on investment and labor."

H. L. BEST BEGINS 66TH STRAIGHT YEAR FARM WORK

AGE 74, OPERATES 38 ACRE FARM WITHOUT HELP

H. L. Best, who lives seven miles northwest of Buchanan on the Stone road out Front St., started his sixty-sixth straight year of consecutive farming this spring by putting in the crop on his 38 acre farm without help.

Mr. Best took care of his farm last year without help save for special occasions, such as haying and potato picking time. He raised 150 bushels of early potatoes and 100 bushels of late potatoes, 800 bushels of barley and 175 bushels of oats.

Mr. Best was born in Cass county west of Granger 74 years ago in March, but came to Buchanan at the age of two years with his parents, who settled in a log house on what is now the Melvin Boyie farm. Here as a boy of eight he was obliged to take up a man's work, due to the shortage of farm help during the Civil war, and has kept at it continuously since.

Before he was born, his parents had blacksmith work, shoeing the horses and facing the hammers for the construction gangs on the Michigan Central Railway.

BERRIEN MEN TO KALAMAZOO FOR DISTRICT MEET

PLAN DISTRICT ORGANIZATION FOR 7 COUNTIES OF S. W. MICHIGAN

A regional meeting of Farm Bureau directors was held Tuesday at Kalamazoo, nine Berrien County men making the trip and assembling there with the directors from Van Buren, Cass, Allegan, Kalamazoo, St. Joseph and Branch counties.

The Berrien County men making the trip were: Dean Clark and Jesse Boyle of Buchanan, Erad Berg of Sawyer, Douglas Dean of Berrien Springs, James Richards of Eau Claire, Robert Sherwood of Waterford, Jim Jalway of Benton Harbor and Harry C. Lusk of Lusk county agent.

Directing the meeting were Clark Brodie, secretary of the Michigan State Farm Bureau and Claude Nash, State director of organization for the Farm Bureau. The meeting was devoted to the discussion of problems of membership, with a possible view to districting the state and appointing five or six district organizers in order to attain a closer contact with the individual farmers. At the present time Claude Nash is the only official organizer in the state.

Mr. Brodie and Mr. Nash will meet with the Berrien County board above named at some local point May 12, to further work out the plan.

Opportunity
With the commencement season of school, college and university approaching, thousands of boys and girls throughout the country are confronted with the solemn problem of choosing a life career. Happily many of them have solved it or think they have. Perhaps the majority are in this fortunate group, but many others are pondering deeply the vital question.

The last United States census showed that 11,614,243 persons are gainfully employed in the United States, under the direction of 1,563,000 administrators, executives and technical experts. It is estimated that by 1930, 1,900,000 executives will be needed to supervise the work of the 50,800,000 persons then employed. It is further estimated that only 150,000 specialists will be graduated from the colleges and technical schools to fill the 400,000 new executive positions. What an opportunity these statistics show for ambitious young workers to rise from the ranks of industry to places of leadership.

It is the eternal axiom of "plenty of room at the top" but from the statistics there appears to be more room than ever for the person who deserves to be there.

There are courses designed to train executives, but the course will not do it all nor will all the executives be trained. Fortune enough to have had that advantage. In self-study, in short-cut methods, in the use of the radio, will be found the means to rise to these 1,900,000 positions that must be filled in 1930.

Galluses and Belts

Approaching humbly brings forward once more the controversy between those two schools of male thought that divide on whether to wear galluses or a belt. But delicacy as well as fairness counsels against going too fast on this point. In this great agitation between the men, the women doubtless will be content to remain in a position of neutrality. So one can not countenance the desperate efforts of the minority to claim the women for their side simply because the modern tendency in feminine attire is to suspend the garments from the shoulder.

This is American Forest Week
The week of April 22 to April 28 has been set aside this year as American Forest Week.

The purpose of American Forest Week is to stir up the people to the appalling economic waste entailed by our failure to utilize and protect forest land that is not taken over by fields and pastures.

Farmers as well as commercial timberland owners must be alive to the great forestry problems of the nation.
The degradation of our forests

presents a tremendous problem. It deserves the attention of every wide-awake American. This year fires in National Forests of the east and south have up to the present time shown an increase of 50 per cent over the number during the same period of 1927.

Fire prevention and the suppression of incendiarism are crying needs. Carelessness is responsible for a great many forest fires. They are unwarranted and wasteful. Such observations as American Forest Week, it is hoped, will have a salutary effect in making the citizenry aware of the grave danger forests are in, under present conditions. The policy of our National Forests have a direct bearing upon the welfare of the Nation itself.

The forestry problem is a problem for the Nation as a whole, and it is hoped every American citizen will find some way of joining his "bit" for the forests during American Forest Week—and during other weeks as well!

Miracles Upon Miracles

The whole world is excited now about the three brave fliers who crossed from Europe making the first successful east-to-west transatlantic flight. After the sacrifice of several lives, man has made another conquest of the sky.

We are therefore not far from the air and cheering the pilots of the three fliers. In the meantime, the world is waiting for the next great feat.

The great feat of the radio is not on the miracle that ever came to man practically within his own lives. We think of the advent of the phonograph, the motion picture, the telephone, the telegraph—and remember the famous first words transmitted by that instrument:

"What Hath God Wrought?" Then we recall more recent inventions and discoveries that almost make these miracles seem commonplace.

And it so happened that when three brave fliers landed on Greenly Island in the icy Far North, news of the landing reached the civilized world at once through the use of that marvelous boon to humanity, the radio.

Modern miracles of science have demolished distance. Man can now conquer the air and the sea. Just think of what man has done and what man still may do!

But it would be vanity indeed to give ourselves all the credit for these miraculous accomplishments.

We can only repeat the significant words of Morse:

"What Hath God Wrought?"

A quack gets your money and ducks.

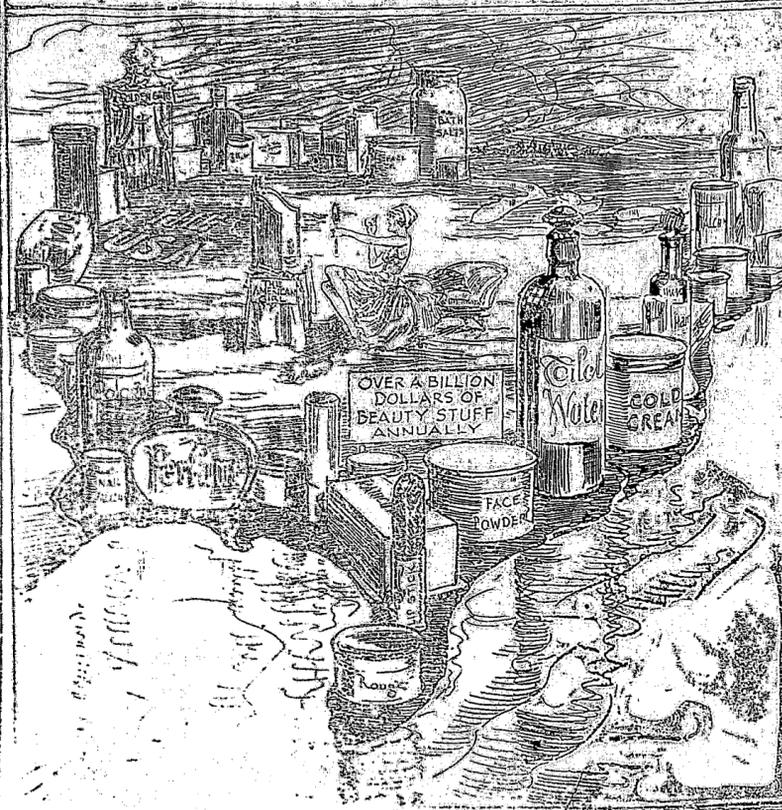

Silence isn't golden, it is platinum.

Your ship can't come in unless your ship goes out.

Too much money is bad for you if someone else has it.

Jill: "Do you like the revolving door?"
Bill: "No, you can't slam it when you're mad."

Preparedness

Hints for the Home

During the hurricane of house-cleaning many a wall will be measured for a new paper coat. And it must be becoming for it will have to be worn for a year or two.

In choosing wall paper patterns north and east rooms should have colors in the warm sun tones—never cool blues, grays or greens, which belong on the sunny side of the house.

When the rug, draperies or upholstery are be-furred, walls should be relatively plain, and vice versa. Where there is a cherished antique or two in the room, it is very good decorative sense to choose paper in harmony.

For example, the fine old secretary, pie-crust table of Sheraton chair and in Colonial wall paper a friendly background against which to show themselves.

If chosen thoughtfully, with regard to the keynote of the room, the most inexpensive paper is charming because of its freshness and artistic harmony.

Using "Left-Over" Salad Greens Cut (uncooked) vegetables and fruits soon become watery and discolored and are useless for a second meal. But they can be kept fresh and crisp for several days by combining them with gelatin.

For Sea Food au Gratin, prepare white sauce, using 1 tablespoon flour, 1 tablespoon butter or margarine, and half pint of milk. Butter baking dish, add layers of tuna fish, lobster, shrimp or any cooked fish. Pour over white sauce, cover with grated cheese and buttered crumbs and broil lightly.

Economy in Cakes Cake ingredients are costly.

It never pays to take risks in baking. Many a cake falls because the flour used is too heavy for this purpose. Prepared cake flour is much lighter and fluffier than bread flour, and because uniformly successful, is an economy in the end.

Keeping Flowers If you add a few thin slices of white soap to the water before putting flowers into it, they will keep as fresh for nearly two weeks as when first gathered.

Removing Mildew If mildew stains are soaked for several hours in a weak solution of chloride of lime, then rinsed in cold water they will disappear.

Relief for Ivy Poisoning Apply olive oil over parts affected by ivy poisoning or burning and relief will instantly follow.

Making Buttonholes A good way to make buttonholes, straight and neat is to sew the stitches all around first, then

silt the hole with a razor blade. This makes the buttonhole look trim and tailored.

Reviving Dead Ferns
Sometimes ferns that look dead can be revived by placing the pots in hot water and letting them stand until the water cools.

WEMC WILL CELEBRATE FIFTH ANNIVERSARY

Going back in radio history five years is like going into the ancient history period of broadcasting. But this is the period of time covered by broadcasting station WEMC, located at Berrien Springs, for next Sunday night it will celebrate its fifth anniversary.

WEMC operates on 424 meters and the programs will be given at the following times: Sunday, 9:00 to 11:30 A. M.; 2:30 to 4:30 P. M.; 6:30 to 11:00 P. M. Central Standard time.

BOYLE TO LANSING TO GET STONE ROAD FROM DOWAGIAC TO EAU CLAIRE
Berrien County was assured of more paved roads as the result of an expedition made by 20 of the leading Republicans of the county to attend the meeting of the State Administrative Board, which meets under the chairmanship of Governor Green, each Monday at 1:30 p. m. The committee were assured that the Board would appropriate for the construction of a paved road from Dowagiac to Eau Claire. Jesse G. Boyle of Buchanan was a member of the delegation.

Farm Forestry in Vermont

Burlington, Vt., April 26.—University of Vermont figures show that the number of farmers adopting improved forestry methods increased from a total of 3,000 in 1925 to 7,000 last year.

violinists, organ, programs, the College Concert Band, the Dulciana String Trio, interesting talks, and various other vocal and instrumental combinations.

WEMC operates on 424 meters and the programs will be given at the following times: Sunday, 9:00 to 11:30 A. M.; 2:30 to 4:30 P. M.; 6:30 to 11:00 P. M. Central Standard time.

MUSICAL REVUE COMING TO READY THEATRE NILES

Something different is offered in the Arthur Hawk production, "The Sunshine Revue" which comes to the stage at the Ready Theatre, Sunday for four days. All of them are snappy and fast working performances with the comedy coming thick and fast and "put over" in a style which delights the auditors. New scenery, new costumes, new acts, songs and dances mark each performance of the revue.

The big Sunshine Beauty Chorus is a show in itself. Pretty girls, beautiful costumes and lively ensembles go to make up a cast hard to beat at popular prices. Calce Turner, Tom Collins, Billy Cullen, Barney Klepper, Claude Reed, Arthur Hawk and others making up the cast of twenty-five people composing the Sunshine Revue furnish an atmosphere of wholesome comedy mingled with good musical numbers which is hard to beat.

A change of pictures, vaudeville and musical comedy recast day of the four days engagement.

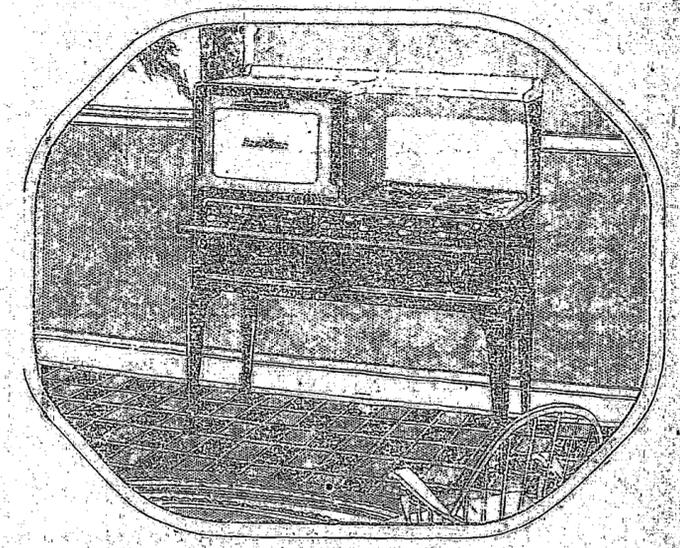

Gerald: "Somebody took a roll of hills from me today."
Gerald: "But you will have to pay them just the same, I suppose."

Saturday the Last Day

RED STAR OIL STOVE

BURNS GASOLINE AND KEROSENE

DEMONSTRATION WEEK

Saturday Night Ends This Offer

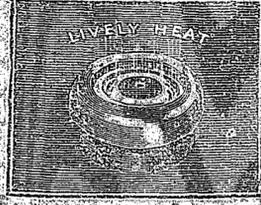

Saturday evening this great Demonstration Week ends. Then your last chance to profit from its exceptional offers will be gone.

You owe it to yourself to come—to investigate—to find out what Red Star means to you in better cooking, greater economy, less labor and happier kitchen hours.

It costs you nothing to find out. Buy or not as you like. But at least don't miss this opportunity to know all about one of the greatest modern cooking appliances.

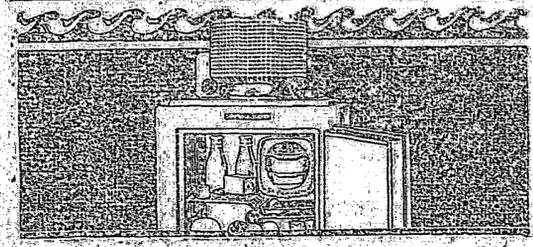

Remember that the Red Star is different. It uses no pressure, no wicks or wick substitutes. It uses GASOLINE or KEROSENE but burns gas. It produces "Lively Heat." Cooking starts the instant you light the burner.

The big, patented "Lively Heat" burners quickly heat an oven piping hot. Bake a light, fluffy cake golden brown. Sear a juicy roast just right. Broil and fry to perfection.

SPECIAL TERMS		SPECIAL OFFER
During this Demonstration Week		A 5 Gallon Can of Kerosene or Gasoline
\$1.00		FREE
Down	No Pressure	with each Red Star Oil Stove
Balance in Easy Payments	No Wicks or Wick Substitutes	this week

May Sales of Dresses Lingerie—Blankets—Linens

start Saturday, April 28

Thrifty women will want to shop Saturday at Wyman's for three important reasons. 1. The May Sales of Lingerie, Blankets, and Linens start Saturday. 2. The store is filled with other special values for this week-end only. 3. Saturday and Monday are the last two days of April Silk Sale values. So come Saturday to Wyman's. You will find it well worth while.

May Sale of new Dresses \$15

No use to make dresses when such lovely ones as these are only \$15. Fab silks, printed silks and georgette to wear now and all summer.

May Sale of Lingerie

Hand made, embroidered batiste gowns at 79c are only one of the exceptionally good values in the May Lingerie Sale.

Order Fall Blankets now!

Large double all Wool Blankets \$10.95

Order your September blankets anytime in May at Wyman's and you can get remarkable values. The blankets are all wool, weight 5 1/2 pounds, size 72 x 84 inch, in nine color combinations, bound in 4 inch saffers. Your order them now, but pay no money now. They will be delivered in September when you need them. See samples of all colors in the Blanket Dept. (Daylight Basement).

Let Wyman's pass your car—drive to the store door.

Record Pin Tournament Dates Are Postponed Until May 5-6

Week of Additional Time to Permit Maple Busters to Polish Game

75 ENTRIES EXPECTED

Handsome Percentages Are Offered in Singles and Doubles

The date for the Record pin tournament to decide the singles and double championship of Buchanan has been postponed from April 25-29, until May 5-6, affording the king pins in the maple dusting game here a week's additional time to polish off their games in preparation for a grand record smashing session.

From present indications it is believed that in the neighborhood of seventy-five of the two hundred odd men in Buchanan, alien, and other nearby districts who have been playing regularly in the Buchanan Bowling alleys will be entered in the singles, and perhaps a corresponding number in the doubles.

No bowling season is complete without a tournament, and in many towns where the sport is an established feature two or more tournaments may be held. The sport has enjoyed a season of deserved popularity here, and the tournament will mark the close of the team competition, as well as the high point in the season's play.

Substantial prizes will be given to the four high men in the three game series, and another prize to the best score made in a single game. Corresponding prizes will be offered to the high teams in the doubles.

The entrance fee will be \$1.00 per man, both in singles and doubles, 50 cents being payment for the three games, and \$1 toward the prize money. The prize money will be allotted for both singles and doubles as follows:

First prize, 40 per cent. of entrance fees.

Second prize, 25 per cent. of entrance fees.

Third prize, 15 per cent. of entrance fees.

Fourth prize, 10 per cent. of entrance fees.

First prize for best score in single game, 10 per cent. of entrance fees.

The play will begin at noon Saturday, May 5, and continue through the evening, and will be completed on the afternoon of May 6. A. C. bowling rules will be used, with judges at the foul lines.

New Baseball Idol

Andy Cohen, star of the first game of the season, who is taking the place in the Giants team left vacant by the trading of Rogers Hornsby to the Braves. This young infielder made 'em wild over his snappy playing, and won the opening game for the Giants.

SPECIALS, DRILLS SPLIT ON HONORS BOWLING LEAGUE

The Drill and Special fives played to a "split" at the end of last week's team play in the Buchanan Bowling League, each team closing with a percentage of .620.

The standing of the teams was as follows:

Team	Won	Lost	Pct.
Drill	26	16	.620
Specials	26	16	.620
Berrien Co. Elec.	26	19	.575

Buchanan Skating Rink Has Carnival Party Sat. Evening

J. W. Muntz, manager of the Buchanan skating rink gave a carnival skating party Saturday night, was patronized by a hundred roller skaters from Buchanan and a number of nearby towns. Colored paper caps, horns, and toy balloons lent a carnival aspect to the crowd, which appeared to enjoy the occasion immensely. A number were present from outside towns, including Niles, South Bend, Benton Harbor, Galien, Three Oaks, and Michigan City.

The rink will be open for a few more Saturday nights. The skating rink is now open from 7:30 until 11:00 p. m. daily.

JACKSON SCHOLTZ OLYMPIC RUNNER WAS BORN HERE

An article published in one of our esteemed county contemporaries, last week, claiming full credit for being the native home of Jackson Scholtz, famous Olympic sprinter, has inspired some of our local boys to inform the Record that Buchanan really had the honor of producing this steeper who defeated "the world's fastest human," Charles Paddock, in the last Olympic games.

Scholtz was born in Buchanan somewhere in the vicinity of 30 years ago, the son of Frank English. Later his mother and father separated, and the former married again to a man named Scholtz, the boy taking the later name. His grandfather was Peter English, one of Buchanan's leading men of an earlier day. Peter English built the power dam on the St. Joe river below Buchanan, also the village water works. In the latter work he was in partnership with John Holmes, former Record editor.

CLAIMS WORLD'S RECORD IN MAIL SERVICE

New York, Apr. 26—Maurice Graham, of the Western Air Express Company, is put forward as the holder of the world's record in air mail service.

Up to and including March 15, company officials set forth, he had flown 206,000 miles, 175,000 of them without a forced landing, and never had been behind schedule or lost an ounce of mail.

The pilot nearest to him has 95,000 miles to his credit and was forced down once by a heavy storm.

A Real Pal
San Francisco, Calif., April 26.—Lee McReynolds, 64, was sent to jail at Santa Rosa for ten days, during which time his shepherd dog took up his post in front of the prison building. He refused food and howled continuously.

RECRUITS WANTED FROM BUCHANAN FOR C. M. T. CAMP

Il. Lentz, F. Hickok, Fred Gombazzi Enroll. Latter Enrollment Officer

Buchanan young men ranging between 19 and 31 years of age who will be able to take a few weeks off next summer have a fine vacation opportunity offered them in the form of a period of training in the Citizen's Military Training Camp at Camp Custer, near Battle Creek.

Three local young men, Fred Gombazzi, Frank Hickok, and Howard Lentz, have taken the course in previous years and are enrolling this summer for further instruction at Camp Sheridan, north of Chicago. The two former youths will take their third year at Camp Sheridan, having attained the rank of corporal. When they have completed their fourth year, they will be permanently enrolled in the Reserve Officers Training Corps.

Howard Lentz is now a student at the University of Michigan and goes to Camp Sheridan for his second year. The camp opens July 27 and closes Aug. 2.

Fred Gombazzi is local enlistment officer, and any new recruits for the camps should apply to him. Camp Custer opens July 26, and closes Aug. 24. Applications for reservations should be made to Gombazzi at an early date, as a quota of 40 men is allowed to Berrien County, and the opportunity will be withdrawn as soon as this quota is obtained.

All men entering will get a transportation rate of 3 cents per mile to Camp Custer, and the government will then refund them

5 cents per mile, so that they will be ahead on their transportation. At the camp they will receive free board and lodging, and will be furnished all clothing at government expense save for the single item of underwear. The only funds they will need will be to meet their amusement requirements. The board is of the finest quality.

The military schooling is all done in the forenoon, and the afternoons are devoted to all forms of sports, including baseball and football.

Dr. Snyder and Dr. Quirk are examining applicants for local applicants. Atty. Willard Benyon of Benton Harbor is in charge of enlistments for the county.

GOVERNOR SMITH VETOES DOGS' CROPPED EAR BILL

Albany, N. Y., Apr. 26—Governor Smith has vetoed the Snork bill, which would have prohibited the exhibition of a dog with cropped ears at a dog show after next September.

"It is more immoral to show a dog at a dog show because its ears have been cropped than it would be to show it at Fifth ave. or any other place of public assemblage," the Governor wrote in his veto memorandum.

He said he would have approved the bill had it prohibited the possession of dogs with cropped ears.

Query: "Speaking of professors, who originated the expression, 'a happy faculty'?"

Typist Swims Gibraltar

Princess Wins Car for Solving Cross Word Puzzle Stockholm, April 26.—Princess Carl of Sweden has won a shining new automobile because he gave a correct solution to a cross word puzzle.

A Stockholm newspaper offered the prize. The princess' solution was the first right answer.

A SKIN THAT BULLETS LOVE TO TOUCH

Middlesboro, Ky., Apr. 26—Bill Nicholson, mountaineer, believes that he has a "jinx." Nicholson was shot three times during a fight in which several shots were fired, but he alone was hit.

Since 1923, he says, he has been in three shooting scraps and has been wounded seven times.

Between \$1000 and 2000 There's No Car that Compares with BUICK

Comb the field and you will come right back to Buick for style, colors, upholstery and appointments.

Make the same test in performance and you will again select Buick for its power, get-away and dependability.

Compare specifications and you will find further proof of Buick superiority— for no other car combines so many desirable quality-features.

Buy your car carefully. Make thorough comparisons. Prove to yourself that Buick outpicks all other cars selling between \$1000 and \$2000.

An Investment for the Future

-a Six of Long Life and Advanced Design

Judged by even the most critical standards, the New Series Pontiac Six is months—even years—ahead of its field. Its style is the height of fashion—achieved with low, graceful, modish lines—emphasized by magnificent Fisher bodies.

Its big, economical motor has the G-M-R cylinder head, for smoothness, power, snap and speed. It has every other really worthwhile feature that progressive engineering has devised! And in addition, it has that fundamental which has been the basis of Pontiac's ever-growing success—the great fundamental of long life!

When you buy a Pontiac Six you know you are getting—not only a car that is new today—but a Six so advanced in style and engineering, so famous for long life that its inherent value will always be high!

2-Door Sedan, \$745; Coupe, \$745; Sport Roadster, \$745; Phaeton, \$775; Cabriolet, \$795; 4-Door Sedan, \$825; Sport Landau Sedan, \$875; Oakland All-American Six, \$1045 to \$1265. All prices at factory. Delivered prices include minimum handling charges. Easy to pay on the liberal General Motors Time Payment Plan.

Red Crown Ethyl Swallows the Miles

RED CROWN ETHYL GASOLINE is the high compression fuel that made possible the high compression engine—that gives an old engine the advantages of high compression. You have heard how Red Crown Ethyl reduces gear-shifting—picks up faster—gives more power—"knocks out that knock".

But you don't know Red Crown Ethyl until you've ridden with it! No one can tell you what it means to motoring. That's a thrill you have to feel.

Fill up your tank with this famous gasoline once and watch your car get away! With a soft purr of quiet power it slips over hills—crawls through traffic—speeds on the open road. Swiftly it answers your slightest touch! Smoothly it swallows the miles!

Go riding once with Red Crown Ethyl and you'll agree that the big difference in performance is well worth the small difference in price!

Not Reading Will Has Broken Neck

Appleton, Wis., April 25.—Otto Mossholder, 54, a farmer, fell out of a tree last October and though he has been doing his farm work since he hasn't felt very well.

Physicians have just found out that Mossholder has broken his neck.

She (gazing at the skyscraper) 'My! how many tiers!' He 'Yes, it must have been designed by a civil engineer.'

MICHIGAN BELL TELEPHONE CO.

Long Distance Rates Are Surprisingly Low

For Instance:

for \$1.95

or less, between 4:30 a. m. and 7:00 p. m.

You can call the following points and talk for THREE MINUTES for the rates shown. Rates to other points are proportionately low.

FROM BUCHANAN TO—	Day Station-to-Station Rate
BOWLING GREEN, KY.	\$1.75
CAIRO, ILL.	1.85
DES MOINES, IA.	1.95
ERIE, PA.	1.70
GUELPH, ONT.	1.75
MARQUETTE, MICH.	1.75
NASHVILLE, TENN.	1.95
NIAGARA FALLS, ONT.	1.00
PADUCAH, KY.	1.80
PITTSBURGH, PA.	1.80
ROCHESTER, MINN.	1.80
ST. LOUIS, MO.	1.80
SAULT STE. MARIE	1.85

The rates quoted above are Station-to-Station Day rates, effective from 4:30 a. m. to 7:00 p. m. Evening Station-to-Station rates are effective from 7:00 p. m. to 8:30 p. m. and Night Station-to-Station rates, 8:30 p. m. to 4:30 a. m. A Station-to-Station call is one that is made to a certain telephone rather than to some person in particular. If you do not know the number of the distant telephone, give the operator the name and address and specify that you will talk with "anyone" who answers at the called telephone. A Person-to-Person call, because more work is involved, costs more than a Station-to-Station call. The rate on a Person-to-Person call is the same at all hours.

Additional rate information can be secured by calling the Long Distance operator

The Cream of the Tobacco Crop.

LLOYD WANER

Noted Star of the Pittsburgh Pirates, writes:

"When I arrived at the Pittsburgh training camp I noticed my brother Paul smoked Lucky Strikes exclusively, and he explained why. You will agree that we were in a close and exciting pennant race and it certainly called for splendid physical condition to withstand the tax and strain upon one's nerves and wind. Like Paul, my favorite cigarette is Lucky Strike."

Local News

The Rev. Harry W. Staver, accompanied by Mrs. Staver and daughter, Marilyn, spent Wednesday and Thursday at Chicago. Mr. Staver attended the exercises in connection with the graduation of the class of 1928 of the McCormick Theological Seminary, of which he is an Alumnus.

Mr. and Mrs. Guy Nolan, Preston Nolan and daughter, Veronica, of Chicago, were week-end guests at the home of Mr. and Mrs. I. Newton Barnhart, 207 Main street. They were called here by the serious illness of their uncle, William Huss, a brother of Mrs. Barnhart.

Mr. and Mrs. Walter Fowler and children, of Hersey, Mich., have returned home after spending several days in Buchanan, the guests of Mrs. Fowler's parents, Mr. and Mrs. D. D. Pangborn.

Mrs. J. C. Strayer returned home from Detroit Saturday after spending a week in the state metropolis, the guest of Mrs. John Andrews.

Esther Koch and Mr. and Mrs. Clarence Huss have returned from Waukesha, Wisconsin, where they were called by the serious illness of Mrs. Koch's husband, William Koch, who is a patient in United States Veterans' hospital in the Wisconsin city. They report Mr. Koch to be better and declare he will remain in the hospital there at least a month longer.

Mr. and Mrs. W. Lydick, of South Bend, were Sunday guests at the home of the latter's parents, Mr. and Mrs. George Leno.

Mrs. Wade Holmes is ill of pneumonia at her home on Terre Coupe road.

Mr. and Mrs. Frank Chubb were Sunday guests at the home of Mr. and Mrs. George Guyheron, in Niles.

Jane, daughter of Mr. and Mrs. Frank Hubich, 302 Clark street, is ill at the home of her parents.

Mrs. Clarence Palenbury, who has been a guest of her aunt, Mrs. Alfred Mead, 103 Lake street, has returned to her home in Gary, Indiana.

Harvey Bristol, his sister, Mrs. Della Weikel, and granddaughter Ruth Bristol, returned to their homes here Saturday after spending the winter in California.

Mrs. Plutene Woodin, 314 Main street, has returned from Chicago and Whiting, Ind. where she visited her son, Fred Herman, and other relatives the last two weeks.

Word has been received here that Mrs. Ada Schwartz, who has been visiting her son, Virgil, in Teft, California, since the first of October, will return to Buchanan Saturday. Mrs. Stella Snodgrass, who has also been spending the winter in California, will return with her.

Mrs. Alice Clark, who has been visiting at the Robert Gano home

of South Bend called on friends here Thursday and then left for Flint in the afternoon, returning on Friday with a crew, all driving new Chevrolet cars back for the Russell agency here. A nice trip was reported.

Hattie Clemens was pleasantly surprised Thursday at 203 Central Court by a number of relatives and friends in honor of her birthday. A picnic dinner and a fine birthday cake and social enjoyment brought the day to a close. A number of useful gifts were left in remembrance of the occasion. Among those present were: Mrs. L. F. Cauffman, Mrs. Ralph Ullery, Mrs. Greeley Koen, Mr. and Mrs. Irvin Swartz and two sons, Mrs. Clarence Cauffman and two children of Portage Prairie, Mr. and Mrs. Chester Gudates and son of South Bend, Mrs. George Russell and Inogene.

The Girl Climbers class of the M. E. Sunday School will give a chicken supper Friday night, April 27th in the church basement. The proceeds will go to the Building Fund. The class plans to serve 150. A charge of 50c will be made.

Francis Hiller and Sam Rakowsky are driving new Ford sport coupes purchased at the local Ford garage.

Mr. and Mrs. C. Haynes and Thelma Wesner honored Mr. and Mrs. Lloyd Herman with a miscellaneous shower Saturday evening, April 21st. Friends from Niles, St. Joe, Stevensville and other neighboring towns were present. They received many useful gifts. The decorations were elaborate and dainty refreshments were served.

The Golden Rule Class of the Church of Christ and its teacher Mrs. George Currier, entertained Mary had a little lamb, for which she didn't care. She cut the wool from off its back, and now it's a little bare.

members of the Loyal Sons' and Daughters' class and their teacher, George Currier, at a 6:30 o'clock dinner Wednesday evening in the church parlor.

Eleanor Meyer niece of Mrs. W. A. Rice, is ill in the home of Mrs. Rice.

Helen and Pauline, daughters of Mr. and Mrs. Russell Atherton, who have been ill the last week, are recovering.

Mrs. Robert Sheeley, who has been a patient in Clark hospital, left Thursday for her home in Galien.

Mrs. Orville R. Curtis, 110 Clark street, is in Chicago, the guest of her brother, Dr. J. Butler and wife.

Mrs. Edward Mitten, 404 Ryerson street, is ill.

Mrs. Clinton Hathaway is ill of influenza in her home, 110 Third street.

Will Be a Big Day for Buchanan

WE congratulate the merchants of Buchanan for their progressiveness in placing before the people of our Community a host of bargains in up-to-the minute merchandise on this great sales day. It is the friendly spirit of cooperation among our merchants on just such events as this which is bringing Buchanan to the front as a trading center for southern Berrien county. WE believe in our merchants, and we are sure the attractive bargains they are offering in their advertisements in this issue of The Record will bring throngs of people from far and near, and that it will be a day long to be remembered by those who benefit through the purchase of their supplies here on this occasion.

Come to Buchanan Saturday!

Indiana & Michigan Electric Company
