town might be in order.

So here goes for the biggest improvement in sight.

The biggest and baddest needed improvement we know anything about was the retirement last week of the Model T writing pens which had been installed at the Ruchagan State Park 2000 the Model Palmer. Strived Monday Buchanan State Bank some time before the war, and the substitu-tion of a couple of Parker writing sets. The change came at a most opportune time, as the customers had quit using the pens several months ago and had been dipping the handles among the cigarette stubs in the old inkwells. The new pens are the class, absolutely the snappiest thing we have seen in any tenk. It is now such pleasure to write checks that we are \$2 overdrawn.

Troup Prepares Advance Place for Occupation During This Week

A party of twenty boy scouts, including the camp director, C. Eddy Palmer, arrived Monday from Aurora, Ill., to work this week at Camp Black Hawk, located three miles below Buchanan on the west side of the St. Joe river, in order to get the place in readiness for the formal opening July 9.

On Sunday the camp is to be inspected by a group of business men who form the Aurora Scout Council. The camp was formally dedicated during the latter part of May, at which time a group of 30 scouts and several executives came from Aurora. Mr. Colwell, the principal benefactor, and the man for whom the hall was named, was present and spoke on

the occasion.

Mayor Glover and Atty. A. A. Worthington To Make Addresses

All residents, past or present, of Buchanan have an open invita-tion to attend the Chicago-Bu-chanan picnic to be held here Saturday afternoon, beginning at 5:30 p. m. with the sole qualification that they notify Secretary Al Charles of the Chamber of Commerce of their intention to attend so that proper provision may be made for taking care of the

Notification may be made by

Notification may be made by calling the Chamber of Commerce headquarters, phone 139, any time before noon Saturday.

Many of the former residents who are within driving distance have been notified, and any who have not yet been reached are assured that they will be welcome. It is hoped that many residents of Niles, South Bend and other neighboring towns who formerly neighboring towns who formerly lived here will be able to attend If the occasion proves a success it is planned that the picnic will be enlarged in future years.

The management also requests that anyone who wishes to enter-

tain any of the out-of-town guests that may remain over night, enter their names with Secretary Charles. Since the affair extends through the evening, many of the visitors may desire to stay until

morning, or weather conditions might force them to stay.

The picnic dinner will be served at 5:30 at the high school, outdoors if the weather permits. The committee in charge will furnish the coffee.

Mrs. Charles Pears will serve as general chairman for the occasion. With the Chicago contingent will be Miss Mary Reynolds, president of the association.

A pleasant feature of the picnic will be the class reunions staged in connection by the classes of 1902-3. During the afternoon, all the visitors who have arrived are invited to be the guests of manager Homer Morley at a free show at the Princess Theatre.

OBSTREPEROUS HUBBY FORCED TO CARE FOR WIFE

AW OF MICHIGAN BARS DIVORCE RELIEF FOR JANGLING PAIR

Laws of Michigan which forbid divorce until a couple have established residence here for a full year will prolong the domestic agony for Mr. and Mrs. Jacob Schmall who live on the Murphy farm five miles north of Buchanan.

Mrs. Schmall arrived in town late Tuesday evening in a forlorn condition, having walked the distance from the farm, and applied at a local home for help, claiming that she had been driven from home by her husband and mother-in-law, after she had several beatings from the former.

She was sent to the office of Justice Charles, who listened to her tale and had her swear out complaint, on the basis of which a warrant for arrest was written and served the same night by sheriff Fred French.

When Schmall arrived he painted the reverse side of the picture in strong terms, admitting that he had put his wife out and administered physical chastise-ment of a more or less rigorous nature. He stated that his wife was by temperament unfitted for cohabitation and that he would under no circumstances live with her longer.

Justice Charles advised recourse to a lawyer, with a view to legal separation, when it developed that they had lived in Michigan only nine months, rendering that mode of relief out of the question for three more months. Schmall was then informed that his marital vows made it impossible for him to summarily turn his lawful spouse out in the world, and that until the bonds were legally dissolved it would be necessary to permit her to remain under his roof and provide for her material

NILES ROAD OF CONCRETE

Change of Location Will Mean Two Parallel " Highways

ROAD NOW 15 YEARS OLD

Several Wrecks Are Caused By Bad Condition Of Surface

Local comment on increasing rumors of the change of location of State Road M 60 appears to be:
"Interesting, if true,—but where
do we get off at?"
The Buchanan-Niles link of

M 60 is one of the most heavily travelled stretches of highway in Michigan. And it is safe to say that at least 50 per cent, possibly 75 per cent, of this travel is by the residents of the two towns and their tributary districts. There are hundreds of residents of the two towns who drive back and forth daily, living in one of the towns, and working or carrying on business in the other. This traffic will continue, whether the route is changed or not.

The concrete on the road was laid 15 years ago. Eight years ago the road was taken over by the state and maintained by the state highway department since. The concrete is nearing the allotted life span for such construction, and its deterioration has been hastened by the heavy travel. Only the most careful mainten-ance by the state highway depart-ment has kept it at all fit for travel. The road is now worn into pockets, and the shoulders are breaking and crumbling. There has been a series of wrecks? in the past two years, several resulting in injuries, which were attributed to the condition of the road.

If a new road is built over a route to the south; the inter-city traffic will have its choice of using the abandoned road or going a distance round about. The question has been raised as to whether it would not be as cheap to get rid of the railway crossings by viaducts, and keep the high-ways through the two towns.

Since the Niles-Buchanan link must eventually be built, thereby Spanish Valse—"Santiago"— A Corbin.

Business Will Become Bigger Says Houston

David F. Houston, president of the Mutual Life, New York, ad-iressing the managers' convention of the Metropolitan Life, gave some statistics as to the growth of business in the United States in

the last 50 years. He said in part:
"Fifty years ago, the population of this country was 45,000,000. Today, it is 118,000,000. Our national wealth was \$40,000,000,000,000. Today, it is \$360,000,000,000. Our banking deposits were \$2,000, 000,000. Today, they are \$52,000, 000,000. Our savings were \$2, 000,000,000. Today, they are 45, 000,000 savings accounts for \$23, 000,000,000. Farm Price Index Is At Peak for Three Year Period

A farm price index the highest in almost three years is reported by the Bureau of Agricultural Economics, United States Department of Agriculture. This index on May 15 was 148 per cent of the pre-war level, an advance of eight points since April 15. At 148, the bureau says, the index is 22 points above May a year ago and is the highest point the index has reached since August, 1925, It is the highest May figure since

1920.
The advance during the period April 15 to May 15 is accounted for by increases in all groups except dairy products which showed a seasonal decline of 3 points. Grains advanced 16 points, fruits and vegetables 2 points, meat animals 9 points, poultry products 7 points, and cottonseed 12 points.

The bridal party marched to music played by Miss Alberta Kline of New Troy. The ceremony was solemnized under an arch of ferns and roses by Rev. Fleenor of Three Oaks.

Miss Alice Sonntag of Detroit and the bride's brother, Clarence Wirth were attendants of the bridal couple.

The bride was beautifully attired

in a pale blue georgette dress and carried a corsage of carnations and roses. The bridesmaid wore an orchid georgette dress.

Dinner was served to about

twenty relatives and friends and at three o'clock the bride and groom left on their honeymoon through Michigan and Wisconsin visiting the Mackinac Islands and the Delis.

A general hilarious time led by their teacher, Mrs. Kean was enjoyed by all and finally the happy party adjourned to their homes agreeing that it was the best picnic of the year. The guests were Mr. and Mrs. Arthur Watson and sons Robert and Delos of Three Oaks, Alfred Emmert of South Haven, Geral-dine Roberts and Herbert Goodenough of Galien, Mr. and Mrs. Earl Hollett and daughter Vonda Friends of Lieut.
