

WINDY CITY VITES HERE SAT.

Now Here's
the
Proposition

When Mitch Goes Fishin'

By Haws

When Mitch goes fishin' in the old St. Joe, (Run along little fishes, run along) It's true as I'm livin' fer he told me so, (Run along little fishes, run along) That he carries a ten pound trout fer bait And a keg of nails fer a sinkin' weight And he sits him down on a river With his hook and his line and his big tin star, And ketchin' them fish is a sure-fire cinch Fer the fish all know right off they're pinched But they must weigh 20 pounds a crack Or he takes 'em off and throws 'em back; He throws 'em back with a haughty smile And he says "Stay there and grow awhile." It's as true as I'm livin' fer he told me so Which is how it happens that I come to know.

When Mitch goes fishin' in Mud-fish lake (Keep away, little fishes, keep away) With a half inch cable that a whale can't break, (Go and play little fishes, go and play) He loads a derrick on a ten ton rig And he baits his hook with half a cow, The fish all holler, "That bait is mine Fer I saw it first", and they climb his line. All the wall eyed suckers and the big mouthed trout They climb in his boat and kick 'im out. So he swims to shore from where it sank And the big fish chase 'im right up the bank. Which is true as I'm livin', fer he told me so Which is how it happens that I come to know.

When Mitch comes home with a load of whales (Run and hide, little fishes, run and hide) That scare the women and bust the scales (Dig a hole, little fishes, crawl inside) He fills a truck with the finny kind And another trailer on behind And all the fish not in his load Come out and follow 'im down the road. And they holler, "Come back and fight, you crook, We're just as good as the fish you took." And the lakes are empty from shore to shore So we won't go fishin' no more, no more, Which is true as I'm livin' fer he told me so Which is how it happens that I come to know.

Rev. Wm. M. Jones
Here to Officiate
At Hall Nuptials

Rev. William Maylan Jones, former Methodist minister here, and now pastor of Mt. Hope church at Lansing, arrived last night to officiate at the wedding of Edith May Hall, daughter of Mr. and Mrs. A. R. Hall, to Jack B. Henslee of Detroit. The wedding was to have taken place this morning, but was postponed until tomorrow on account of the delay in arrival of the bride's sister, Mrs. John W. Elbers, of Lansing.

River St. Bridge
Is Opened Monday
For Light Traffic

The Walton Road bridge over the St. Joe river was opened Monday for touring cars, travel proceeding as far as Fulton street where it detours around the fresh paving. Heavily loaded trucks are not yet permitted on the pavement.

William Bainton is improving slowly at the home of his brother, Chas. Bainton.

NEW CHARTER
WILL SCRAP
PARTY GOVT.

All Candidates are to be Nominated by Petition.

FILE BY JULY 15TH

Competent Men are Essential to Launch New City.

Party government will be a thing of the past and the time-honored institution of the town caucus will be relegated to Away Back When after August 5, in case the document drawn by the Charter Commission meets the approval of the voters.

After the adoption of the charter, nominations of candidates for city office will be by petition entirely, with no reference to or consideration of party. It will be necessary for each candidate for election to file or have filed for him at the office at the city clerk not more than 50 days or less than 20 days before the election, a petition containing the names of not less than 30 or more than 50 qualified electors.

It is vital to the success of the new form of government that competent officials be elected for the first term, to see that the newly organized city is properly sped on its way. The time limit on filing petitions for candidates is July 15. There should be a common interest and effort among all citizens of the town to see that petitions are filed in behalf of those most competent to serve the city's needs.

The specific sections of the charter defining the manner of nomination are as follows:

Forburger-Hutson
Open Buick Agency
Coming Saturday

Announcement of the opening of the Forburger-Hutson Buick Company agency in Buchanan is carried elsewhere in this issue. The Buick agency will open Saturday, June 29th, and will carry a line of Buick stock cars here.

The management states that a service department will be maintained locally for both the Buick and Marquette cars.

The local agency has been established to afford better service to local owners of Buick cars in this territory. Mr. Forburger states, and because of the possibility, at this time, of securing suitable quarters, in the former post office building.

Haslett Family
Hold Reunion at
Hudson Lake Sun.

The descendants of William Haslett, Portage Prairie pioneer, who settled on the farm now occupied by his son, William B. Haslett, two miles south of Buchanan, 83 years ago, met in reunion at Hudson Lake, Sunday, 67 being present.

Four sons of the founder of the family were present: William B. Haslett and John Haslett of Buchanan; Charles L. Haslett of Chesterton, Ind.; James D. Haslett of Three Oaks, the latter was the oldest present, being 82 years of age. Officers elected for the ensuing year were: President, Mrs. Sherill of Three Oaks; secretary, Mrs. Bessie Smith of New Carlisle. The reunion is held annually at Hudson Lake on the fourth Sunday in June.

Foul Brood Among
Buchanan Apiaries
Greatly Decreased

Apiaries in the vicinity of Buchanan carry about 25 per cent as much foul brood this year as last, according to M. P. Munyon, Cassopolis bee man who is acting as state inspector for Berrien and Cass Counties. Munyon examined all apiaries in this section last year, destroying a large number of swarms because of foul brood infection. He is destroying about one fourth as many this year.

Rev. Hayes returned Thursday from Evart, bringing his son, Arnold, who has completed 7th grade and his daughter, Nellie, who completed the 9th grade.

Record To Issue
Wedn. Next Week

The Record will publish on Wednesday next week, issuing a day earlier in order to enable the force to celebrate the national birthday, July 4, which coincides this year with the usual day of publication. Advertisers and news correspondents are requested to take this into consideration in preparing their copy.

Former Resident
Portage Prairie
Expires at Niles

Mrs. John Wideman, 57, mother of Mearl Wideman of Buchanan, died Friday evening at Niles and the funeral was held at 2 p. m. Monday from the Evangelical church of that city, burial being made in the Portage Prairie cemetery.

Mrs. Wideman is survived by three children: Mearl Wideman, 104 W. Third street, Buchanan; Mrs. May Young, Portage Prairie; Miss Edna Wideman, Niles. Seven brothers and sisters also survive as follows: Walter, Otto, Frank and Albert Rhoades of Portage Prairie; Mrs. John Walker, Portage Prairie; Mrs. John Shrock and Mrs. Chas. Johnson, Warsaw, Ind.

The deceased was born in Kosciusko county, Ind., April 19, 1872. The family had lived on Portage Prairie 18 years, on the Frank Miller farm a mile east of the Hows school. They left there eight years ago for Niles, where she had lived since.

The Moral of this
Is, Lock Your Car

Frank Rumsey, 102 North Portage street, went to Chicago Saturday on receipt of information from Chicago police to the effect that his Chevrolet sedan, which was stolen June 12 from the parking grounds at the Clark Equipment Co., had been found abandoned there. He found the car in good condition and returned with it. Two transients seen in Buchanan about the time of the theft were suspected, but no arrests were made.

Nephew Mrs. John
Lauver Dies of
Heart Failure

Mrs. John Lauver returned on Monday evening from Elkhart where she had been called by the accidental death of her 11 year old nephew, Don Hatfield. The boy fell in a pool of water in a gravel pit, death resulting from heart failure. The funeral was held on Monday.

2 Sisters, Brother
Are Re-United after
43 Yrs. Separation

A joyous reunion of two sisters and a brother after a separation of 43 years was celebrated during the past week at the home of Mrs. J. E. Northrup of Buchanan, when her sister, Mrs. Gus Arnold of New Town, O., arrived to visit her. They were joined by Henry Lake of Buchanan, a brother. Mrs. Arnold had been separated from the family at the age of five, going to live with another family and afterwards lost sight of. Later members of the family learned of her whereabouts through newspaper advertisements and wrote to her. She arrived in Buchanan Friday and left Monday.

Lieut. Webb Kent
Is Instructor In
Training Camp

Lieut. Webb Kent, is now employed for a six week's term as instructor in the Citizens' Military Training Camp at Fort Knox, near Louisville, Ky., teaching military tactics. He will finish the term early in August and spend that month at the home of his mother, Mrs. Nan G. Kent.

Barbers Open Wedn.
Night, Close Thurs.

The barber shops of Buchanan will remain open late Wednesday evening to accommodate patrons who may wish to adorn themselves in preparation for the holiday on Thursday, when the barber shops will be closed for the entire day.

CAP. STOCK
INCREASED
TO \$30,000

Annual Meeting Issues Stock Patronage Dividend.

AUDITOR OKS

Three Members of the Board of Directors are Re-Elected.

The capital stock of the St. Joe Valley Shipping Association was increased from \$10,000 to \$30,000 at the annual meeting of the stockholders Saturday afternoon, as a result of the action of the meeting in issuing a \$20,000 patronage stock dividend, divided among the patrons in proportion to the amount of business transacted with the organization by each.

The meeting listened to the annual auditor's report, made this year by Mr. Chambers of the Chambers Accounting Company of South Bend, who stated that the finances of the association were in excellent condition, and that the management was proceeding along proper lines. Mr. Chambers stated that the two amendments to the constitution which were voted at the meeting would permit the organization to develop and expand at an even more rapid rate. He urged members to take pains during the coming year to see that they received credit for all sales and purchases made by them through the organization, as their patronage dividend to be paid next year would be based on the amount of their transactions.

The total net worth of the association is \$45,000, of which \$30,000 is in stock and \$15,000 in working capital. A net profit of \$4,500 was made during the fiscal year, after allowing for every item of expense and other charges.

The following three directors whose terms of three years ended with this session were re-elected: Fred Koenigschot, Sam Thompson, Dean Clark.

Brakes Let Go;
Ford Turns Into
A Leaping Lena

A sleepy looking Ford Sedan parked in front of the Vogue Beauty Shoppe by Miss Marjorie Neiswender Saturday, turned into a veritable Leaping Lena when the brakes released and the machine ran wild down the hill jumping the curb and striking the corner of the home of Mrs. Pearl Huff at the corner of Main and Third street, breaking the corner boards and several siding boards.

Employee Steals 2
Bearings Gets 10
Day Jail Sentence

William L. Ratcliff, who came to Buchanan about two weeks ago from Shelby, Ind., to work in the axle department of the Clark Equipment company, was arrested Tuesday on a petit larceny charge, the specific complaint being that he was caught in the act of purloining two axle roller bearings. He pleaded guilty to the charge in the court of Justice A. J. Charles and was sentenced to the payment of a fine of \$5 and costs and to 10 days in the county jail.

C. Bennett Loans
Six William Goats
To Boy Scout Camp

The practicability of using goats of the William variety as a safeguard against poison ivy and other weeds pests around vacation camps is a novel idea which is being tried out this year at Camp Waters, the summer outing place of the Chicago Heights boy scouts on Batchelor's Island. Six goats were borrowed from the Bennett goat farm on North Main street to be kept around the camp while the Scouts are in session.

Mrs. Emma Hogue, Mrs. Ray Forbes and son of Niles, and Mrs. M. O. Burdett drove Tuesday to the home of Mrs. Carrie Gray near St. Joseph and spent an enjoyable day with her sister, Mrs. Laura Wells, who is visiting there from Goltzy, Okla.

Soundless Lightning
Kills Valuable Cow
For Dayton Farmer

There was no rain at Dayton Sunday, and scarcely any clouds to speak of, but nevertheless Ed. Rank lost a valuable cow by lightning according to his own contention and according to later evidence substantiating his claim. The animal was found dead in the pasture with a hole just back of the left shoulder and it was first believed that she had been shot. However, the carcass was turned over to hide buyers who skinned it and reported that the killing was undoubtedly the result of a bolt of lightning as red streaks branched all over the body from the hole, which is a certain evidence of lightning stroke. Residents of the neighborhood report no thunder and no crashes of lightning, which deepens the mystery surrounding the accident.

Walton Pavement
To Reach Front
St. By Week End

The working force of the Lang Construction company are employed this week on the Portage street section from the junction with River street to Front street, which they will complete by the end of the week, barring mishaps and delays. Work will then be started on the Central Court-Michigan Central section, with the exception that when that is complete, the remaining block where the sewer force is now working will be ready for paving.

City Engineer J. B. Toynce stated that a number of defective joints were found when the tile laid by Reed were exhumed, sufficient to explain the large inflow of water. The prestite tile are being taken out and used again satisfactorily, with only about 10 per cent breakage.

The second excavating machine was shipped last week from southern Indiana and is expected to arrive by the end of this week, to be used on Third street.

Business Stopped
While Town Chases
Lost Canary Bird

Business was suspended for a spell on the business section on North Days Avenue while everybody in that district turned out to aid in the chase of E. C. Pascoe's pet canary bird, which had escaped from his cage in the Pascoe car while enroute to the summer cottage at Diamond Lake.

Dickie, or whatever the name of the bird may be, darted out of the cage door when the small son of the family opened it, and led a wild chase to the vacant lot between the Indiana & Michigan building and the Hotel Rex, where it took refuge in the tree tops. There he flitted from limb to limb closely pursued by Ernest Mangold equipped with climbers. Several dozen others, from the sidewalk or the windows and fire escapes of the adjacent buildings, proffered their advice or made more or less musical noises supposed to represent the call of a canary bird.

Dickie dodged among the tree tops until his pursuers became discouraged with the search and he was given up for lost. The next time Mangold saw him he was in a small tree near the Standard Filling station across the street and turned a hose on him, wetting his wings so that he was unable to fly. He was then caught and restored to his owner.

Road Hog Causes
Auto Accident on
Clear Lake Road

Carroll Wilson is the possessor of a more or less battered Ford roadster and Loren Perry is traveling on crutches with a crushed foot this week as the result of a double flying summersault performed by the machine Sunday when it was forced into the ditch on the Clear Lake road.

Messrs. Wilson, Perry and Dick Lister were enroute to Clear Lake, and were just mounting the hill beyond the Weaver Lake road when an Erskine traveling in the opposite direction came over the crest of the hill on the wrong side of the road. To avoid collision Wilson steered his car over the bank, the machine turning over twice. Perry was thrown clear of the car, but his ankle was caught under the hub cap of the wheel in the last revolution. The other two young men were unhurt. The driver of the Erskine did not stop.

NEW CHICAGO
HTS. CAMP TO
OPEN MONDAY

Summer Headquarters on Batchelor's Island are Completed.

14 INSTRUCTORS

Has Been Named Camp Waters in Honor of the Donor.

Camp Waters, summer outing place on Batchelor's Island, for the Chicago Heights Boy Scouts, will open Monday with an anticipated attendance of from 80 to 90 scouts, directed by a staff of 14 instructors of whom four will be adults and ten selected from advanced scouts.

The advance crew of 14 scouts has been busy for the past 10 days painting and building. A handcraft lodge is now going up and tent floors and several screened in cottages are being erected, the latter for the faculty and directing staff. The name of the camp is being painted on the roof of the mess hall in large letters. The place has been named Camp Waters in honor of A. R. Waters, former president of the Columbia Tool Steel company, who bought the site and gave it to the Chicago-Heights Scouts. The camp site covers all of Batchelor's Island save the 11 lots on the south end which had previously been bought for summer homes.

A parade ground has been laid out on the island, with a flag pole erected in the middle of it. A horse shoe pitching ground, base ball diamond and other sport fields are being laid out.

PLAN EARLY
ATTACK ON WEEDS

SPECIAL TRAIN WILL CARRY COMBAT TROOPS TO BERRIEN JULY 26 AND 27

Although the enemy has been well entrenched and has withstood many attacks, the special forces which will campaign against quackgrass and other Michigan weeds expect to put this \$10,000,000 dollar enemy of Michigan farmers to flight in a whirlwind campaign which is set for Berrien county, July 26 and 27.

A special train conducted by the Michigan Central railroad and the Michigan State college will carry the combat troops into this county. Contact with the enemy will be made at Three Oaks, July 26th, at 7 p. m.; Niles, July 27th, at 12 o'clock noon.

Both mopping up and chemical warfare are included in the plan of campaign. Methods which have been successful in mopping up quack grass have been deep plowing in the fall, followed by shallow plowing in the spring. The ground is then thoroughly fitted for corn or some other cultivated crop which may in turn be followed by a spring grain seeded to alfalfa.

Football Field
At Athletic Park
To Be Enlarged

Filling operations were begun this morning by Street Commissioner Ed. Mitchell, on the football field at the athletic grounds, the dirt from the excavations by the Lang Construction Company being trucked there to fill the lower ground near McCoy's creek. It is planned to enlarge the grounds.

Valparaiso Couple
Wedded Here Sunday

Miss Margaret Cecelia Nash and James Stowers, both of Valparaiso, Ind., were married at 3 p. m. Sunday at the Methodist parsonage, Rev. Henry Liddicoat performing the ceremony. Stowers is an employee of the Clark Equipment company and they plan to make Buchanan their home.

Dr. W. E. Sargent was called to Shelby Tuesday, to attend the funeral of his brother, Dr. Douglas Sargent, who died Sunday morning following a lingering illness of sleeping sickness. The funeral was held Wednesday at Shelby.

Frank Lawson of Galesburg and O. Burdett are painting the new house just completed for W. D. Bremer.

Don Pears Elected
President of State
Register of Deeds

Buchanan was honored last week by the election of one of her native sons, Don Pears, to the office of president of the Michigan Association of Register of Deeds, at the annual convention held at Sault Ste Marie. He is the first register of deeds from Berrien County to win this honor.

Pears was also successful in capturing the 1930 convention for St. Joseph, leading a hard fight against a faction favoring Traverse City. Mrs. Lena Spaulding, register of deeds in Van Buren County, was elected vice president of the association. Agnes Schoendale of St. John's County was elected secretary and treasurer for the third time.

The Chief Catches
His Fish as Well
As Gets His Man

Chief of Police Ed. Mitchell gets his fish as well as his man, according to his own modest admission and according to the alleged evidence of a picture and the corroborating evidence of A. E. Hipps, skind, sewer construction superintendent, who owns to have been a party to the catch. The reported catch consisted of an alleged pickerel whose purported weight was 5 1/4 pounds. The big boy was landed, according to Mitchell and Hipps, with a bamboo rod and a silk line. He churned the water of Painter's lake into a creamy foam for half an hour before he finally threw up his fins and climbed into the boat, according to the two piscatorial experts, who further allege that they caught the limit of 25 speckled bass apiece.

Miller Children
Give Wreath for
Ann Thomas Rites

Among the many beautiful floral tokens at the funeral of Mrs. Ann Thomas at the Presbyterian church Wednesday of last week was a wreath made by Mrs. Beulah Holsen from flowers contributed by the pupils of the Miller school from their home garden. Mrs. Thomas had lived neighboring to the school during her 46 years of residence here, and had always maintained a great interest in the school and its pupils, being an invariable "last day" visitor. Her pall-bearers were selected by her early last spring, when it became evident that she would not live long, and consisted of men who had been boys in the Miller district and had for the most part attended the Miller school. They were: Jean, Frank and Fred Miller, Roy Wynn, Allan Stevenson, Robert Fleming.

S. B. Man Takes
5 1/2 Pound Bass
From Clear Lake

Everybody is catching their limit at Clear Lake these days, according to C. H. "Pete" Fuller, who says that his only difficulty is to keep his customers supplied with boats and the other essentials of fishing. In the past week, a 5 1/2 pound speckled bass was caught by a South Bend fisherman, which constitutes the record for the present season.

Ditching Machine
For 3d Street Sewer
Arrived Yesterday

The second ditching machine to be used in construction of the third street sewer arrived last night and is being unloaded at the local freight depot, with construction operations scheduled to start by the end of the week.

It is anticipated that installation of that section will proceed much more rapidly than the Portage street section, and that the entire installation will probably not consume much more time than the difficult Front street-Central Court block where the force is now employed.

Any local residents who have spare rooms which they can furnish, the guests who may not be able to secure hotel accommodations are requested to notify Mrs. Harry Brown, chairman, of arrangements. All who attend are requested to bring a contribution of food for the picnic dinner and sufficient dishes for their own use.

TO REVISIT THE
OLD STAMPING
GROUNDS HERE

Co-Operative Dinner to be Served at High School at 6:30.

JOHN DICK IS CHAIRMAN
Community Singing Will Be Led By Old Timer.

Arrangements are complete for the annual invasion of Buchanan next Saturday of Chicagoites who formerly claimed this as their home either by reason of nativity or residence, and reports from the Windy City indicate that the invasion will be much larger than last year, if weather conditions favor.

It is a rare compliment to the new city of Buchanan that her former sons and daughters retain a most unusual affection for "the old home town." While Chicago is built of the vigorous and ambitious from a thousand small towns, it is said that there is not a similar organization of former residents of any of these towns to be found in that city. The members of the Chicago Buchanan Society resident in this former place include representatives in many different professions, all serving the city of their adoption creditably. Wherever they go they are loyal boosters for their home city, and they deserve a warm welcome here next Saturday.

The annual picnic dinner is scheduled to be held this year on the high school lawn, or in the building if the weather proves unfavorable, beginning at 6:30 p. m. Following the dinner, the following program will be held:

Community singing, led by Dr. Claude Roe.

Address of Welcome, Mayor Claude Glover.

Response, Miss Mary Reynolds, president of the Chicago-Buchanan Society.

Community Singing, led by Dr. Claude Roe.

The Chicago-Buchanan Society. Mrs. W. R. Tuttle, Evanston, Ill.

How It Feels to be a City, Francis Huller.

Vocal selection by Richard Bearasley of Chicago.

Squibs from an Old Timer, Dr. Roe.

Where Do We Go From Here?

E. J. Hopkins, Buchanan sawmill operator, returned Tuesday from White Pigeon, where he had been operating his mill there getting out hard maple lumber. He has closed his mill there and will operate his Buchanan mill until September.

Hopkins Opens Saw
Mill at Buchanan
Until September 1

E. J. Hopkins, Buchanan sawmill operator, returned Tuesday from White Pigeon, where he had been operating his mill there getting out hard maple lumber. He has closed his mill there and will operate his Buchanan mill until September.

Not Honesty But
Just an Oversight

A purse containing \$105 in cash laid in the gutter opposite the Snyder Cafe for four hours Tuesday evening, dropped there by Mr. and Mrs. Claude Stretch of Daly, when they dismounted from their car for supper, and reclaimed by them late that night, when they came back from Dagvaine in search of it. Stretch is an employee of the Clark Equipment Co., and his wife conducts a small general store at Daly.

Saturday, July 6,
Circus Day Here

Buchanan will be visited by the Haas Show on Saturday, July 6 at which time advance notices herald an "old fashioned" circus with the full complement of elephants, monkeys, clowns and trained animals. In addition to the old entertainment standbys, a number of new novelties are promised, including a woman clown, advertised as the first woman comic entertainer of the sawdust ring. Further notices will be made next week.

Dr. and Mrs. E. T. Waldo and Mr. and Mrs. Frank Bice will spend the first two weeks of July on a vacation trip to Northern Michigan.

News From Galien and Vicinity

Attend Recital at Benton Harbor Tues.

Mrs. Geo. Olmstead and son and daughter, Mrs. Calvin Smith and daughter of Toledo, O., Mrs. Ida Bennett and daughter, Mrs. J. W. Toland, Mrs. Doane Straub

and son and daughter attended the musical recital given by Mrs. Louise Scott at her home Tuesday evening at Benton Harbor. Mrs. Scott has a class of 40 pupils.

Then It's Stinginess

Phone 20F1

Galien, Glendora Fine Prospects for Sugar Beet Yields

Excellent prospects for a sugar beet crop on the acreage near Galien and Glendora devoted to that crop are reported by Warren Hagley, field superintendent. The acreage for this year is about 75 per cent of last year, and was cut down by abandonments due to poor stands in fields planted just before the dry weather period.

The early and late plantings resulted in fine stands. All blocking will be completed by the end of the week. The crop was planted two weeks later than the normal date, due to adverse weather conditions.

Galien Locals

Mrs. J. M. Raas of Baroda, and daughter, Mrs. Arthur Carlton and daughter, St. Joe, were Thursday afternoon guests of Mrs. Will Jannasch.

Rev. and Mrs. J. W. McNight were called to Pullman on church business.

Miss Bernice Green, teacher at Gary, arrived Saturday to spend the summer with her mother, Mrs. Dora Green.

Lester Reifort arrived last week from Northern Michigan, and has accepted a position with his uncle, O. A. VanPelt in the store.

Mr. and Mrs. D. O. Marble were Sunday callers on their son, who has been in Healthwin for the past year. He is in a serious condition.

Miss Georgia Watkins of South Bend, Misses Irene Bennett and Nola VanTilburg were Thursday guests of Miss J. Jannasch.

Services will be held in the L. D. S. church Sunday evening at 7:30, and will be conducted by the Rev. Osler of Western Canada.

Mrs. Hall, who has been spending a week with her son-in-law and daughter, Mr. and Mrs. A. L. Stoddard, returned to her home at Ramsey, Ill., Sunday.

Miss Georgia Harper is in the LaPorte hospital receiving treatments for her eyes and throat.

Chas. Clark left Friday and spent the week end with his daughter and family at Detroit.

Mrs. Clark and sister, Mrs. G. Wright, who has been visiting there the past three weeks, accompanied him home.

Mr. and Mrs. Harry Kuhl and daughter were Sunday callers on Mr. and Mrs. Joe Heckathorn at Dayton.

Mr. and Mrs. James Renbarger entertained Sunday, Mr. and Mrs. Jesse Goodenough of Chicago, Mr. and Mrs. M. L. VanTilburg of Benton Harbor, Mr. and Mrs. Ellis Renbarger of Three Oaks.

Chas. Johnson and son and Harry Harris of Mishawaka, were Saturday guests of Mr. and Mrs. Harry Kuhl.

Mr. and Mrs. J. D. Cuthbert are guests of Mr. and Mrs. Guy Best. Mrs. Doane Straub was in Union Mills, Monday.

Mrs. J. W. Toland, Mrs. Louise Scott, Benton Harbor, Mr. and Mrs. Doan Straub spent Sunday at Deerfield.

J. A. Sheeley has been on the sick list this week.

Misses Dorothy, Partridge and Nola VanTilburg left Sunday to attend summer school at Kalamazoo.

The pupils of Mrs. G. Olmstead will give a musical recital at the M. E. church next week.

The Galien school mates reunion will be held at the M. E. church Saturday evening with a pot luck supper at 7 p. m.

The Culture club held a board meeting at the home of Mrs. R. Wentland, Monday. Another business meeting will be held next Monday evening at the same place.

The annual "Girl Chums" reunion will be held Thursday at the home of Mrs. F. O. Higbee at Three Oaks. Pot luck dinner at noon.

Miss Lida Slocum left Wednesday on a business trip to Chicago. Miss Ella Slocum went with her.

Mesdames Kelley, Pierce and Wentland attended the picnic at New Troy school.

Miss Ruth Conklin, South Bend, spent Sunday with her parents in Galien.

Mr. and Mrs. Prince and mother spent Sunday in Hartford. Friday evening the following were entertained at 6 o'clock dinner at the Wentland home: Mr. and Mrs. Arthur Ritchfield and son of Massachusetts, Mrs. L. L. Tirrell and daughter of Washington, D. C. and Mr. Frew and Miss Pears.

Mr. and Mrs. Horace Morley had as guests Saturday, Mrs. L. Hall and Mrs. S. Stauffer of Glendora.

Mr. and Mrs. Victor Layman of Niles were Sunday visitors in the Gene Sprague home.

Miss B. Wentland spent Saturday and Sunday in Carson, at the home of Marie George. Miss Marie returned with her.

Rev. Conklin is entertaining his father from Alma.

Miss Myrtle Kieffer's pupils will give a recital in the M. E. church at Three Oaks Tuesday evening, July 2, at 7:30.

Water Angel's Flight

The water angel, a unique member of the thrush family, flies not only through the air but through the water. Its feet are not webbed and adapted for swimming as are those of the duck, and, therefore, it uses its wings as a means of locomotion.

Hills Corners Church

Sunday will be another day of significance for Hills Corners. Miss Katherine A. Niles, one of the secretaries of the Religious Education association, the headquarters of which are in Chicago, will be ordained to the Christian ministry at the regular preaching hour Sunday morning. The theme will be "The Investment of Life."

Miss Niles supplied the pulpit at Hills Corners two weeks ago and is not a stranger in that community. She is a graduate of Reed college and has done graduate work in Religious Education in the University of Chicago. Besides being connected with the Religious Education association in the capacity of a secretary, she is a member of the editorial staff of the Association's journal, "Religious Education."

On Saturday evening at 7 the young people will meet at the church from which place they will go for a weiner roast. H. L. Jacobs, Minister.

Mr. and Mrs. R. E. Rouse have returned from Coffeyville, Kan., where they visited their brother, E. E. Rouse and family.

Guests Sunday at the home of Mr. and Mrs. M. O. Burdett of Lake street were John Reese, his mother and sisters of Mishawaka. The afternoon was spent in a long drive in the vicinity of Mishawaka.

Mrs. Harry Edwards of Lakeside, was a Monday guest at the home of N. J. Schram.

Will Sparks was able to be on the streets Friday and is reported to be making slow improvement. Mrs. Josie Arney of Kokomo, is visiting Mrs. J. E. Arney and other relatives.

Naming Battleships

The secretary of the navy has entire charge of the naming and christening of battleships. He usually selects some woman from the state for which the ship is named to christen it. All the battleships are named after states, but no particular order is observed.

CHERRIES FOR SALE—Will sell by tree or crate. Pick them yourself. Carl Ferris, Michigan street. 25c1c

Need More Butter From State Herds

The replacement of scrub bulls by purebred animals distributed from a special train, which is to run through northeastern Michigan, is one of the steps in a program to make it unnecessary for Michigan buyers to purchase 60,000,000 pounds of butter from out of state producers as they must do at the present time.

Businessmen's clubs in towns which the train will visit are uniting with the farmers in their districts to bring the replacement program to a successful conclusion because the townspeople are satisfied that good dairy cattle mean prosperity to these Michigan areas.

One hundred purebred bulls will be carried on the train. These animals will be selected by fieldmen of the breed associations and will be sold at nominal prices. Owner of scrub animals will be able to sell these undesirable bulls to buyers on the train and the sale price can be applied in purchasing a pure bred sire.

The train is being conducted by the Michigan Central railroad and Michigan State College. Meetings will be held at towns along the line and matters of interest to dairy farmers will be discussed by specialists from the college.

The counties which will be visited by the train will be Bay, Midland, Gladwin, Arenac, Roscommon, Ogemaw, Crawford, Otsego, Cheboygan, Presque Isle, Alcona, Alpena and Isosco.

All bulls to be sold from this train will have dams with production records of 400 pounds of butterfat or more per year.

Will Award Honors To Michigan Women

Public recognition of the importance of the feminine partner in a farm business will be symbolized at a presentation of medals to five Michigan farm women who will be given the title of Master Farm Home Month August 2 at the conclusion of Farm Women's Week at Michigan State college.

Similar groups of women have been chosen in 21 states. The acknowledgement of the national indebtedness to rural housewives

is sponsored by "The Farmer's Wife" published at St. Paul. Representatives of the magazine cooperate with the home economics extension service of State college in the selection of the Michigan group.

Candidates from all parts of the state were nominated by their neighbors for inclusion in the group of five to be accorded public honors. Selection of the five from among those nominated will be made by a committee appointed to consider the contribution of

each candidate to her family and to the community in which she lives.

Groups of Master Home Makers chosen in other states will bring this title to more than 100. The magazine which inaugurated this group of women will form a nucleus which will be of material assistance in aiding plans for the betterment of farm living conditions.

On July 4th 1776

the Declaration of Independence was signed, making of Americans a free people forevermore. The anniversary of that great event has come 153 times since then, finding us sometimes happy and prosperous, sometimes shadowed by clouds of war or hard times, but always proud of our freedom and of the men who made it possible.

The Oldest Bank in Buchanan

Announcement

Saturday, June 29

We open our branch Sales and Service agency in Buchanan. For some time we have felt the need of a Sales and Service agency in this community to service the many Buick cars that are owned in Buchanan and vicinity. Now that we have been fortunate in securing a suitable location we offer this service to present Buick and Marquette owners.

We will carry in stock the proper oil, grease and equipment to lubricate your car in charge of a competent service man.

Mr. and Mrs. G. M. Moyer of Kalamazoo, and Mr. and Mrs. J. I. Rough of Buchanan, spent Sunday afternoon at the Wm. Eisele home.

MOVIES
Throughout the next week the Princess theater continues with its splendid program of the best pictures. Saturday's feature presents a chapter of American history on the screen. "The Glorious Trail" with Ken Maynard and Arvan is an intense dramatic feature of the old West. Maynard, with his ability as an actor and rider, has won for himself a high place in the constellation of motion picture stars. "The Glorious Trail" further emphasizes the fact that his producers realize the value of good screen material that displays their star to the best advantage.

The feature for Sunday also is a promising one with Greta Garbo and John Gilbert together once more. Their former co-starring features "Love" and "Flesh and the Devil" won for them international fame as a popular combination and in "A Woman of Affairs" no effort was spared to make it the best photodrama of the group and one that would not be a disappointment to those who saw them in their former pictures.

Another picture of exceptional interest is "Companionate Marriage" coming for two days, July 4 and 5. The story was written by Judge Ben B. Lindsey, the man who invented this new marriage theory. New ideas in commerce and industry have changed the world. Now Judge Lindsey puts a new marriage idea before humanity. Will it prove a solution to the divorce problem? Is companionate marriage actually the road to new found happiness? Don't decide until you've seen both kind lived in one of the most startling and thrill packed dramas ever shown.

"BACK TO THE HOMETOWN"
"Back to the Homeland," a missionary play recently published in five scenes, requiring one and a half hours for its performance, will be given at the Portage Prairie church Sunday evening, June 30 at 7:30, standard time. The caste of characters numbering 18 is made up from the ladies of the W. M. S. of the church. This is a good, wholesome, interesting and instructive play. It has a great climax and ends in an inspiring tableau. The public is cordially invited to attend this performance. It is the greatest program ever put on by the W. M. S.

"Back to the Homeland" June 30, 7:30 p. m. at Portage Prairie church.

West Betrand
Mr. and Mrs. M. J. Eardley spent Sunday at Elkhart, guests of Mr. and Mrs. Kantz.

NOTICE TO FUELS
Any pupils who failed to make their grades or any who were promoted into the high school on condition and wish to be tutored during the summer may begin work July 8 with Mrs. Thelma Dunbar at her home on Roe street, or with Miss Ekstrom, who will be at the Ward school building at 9 a. m. on that date.

Mrs. W. E. Pennell, Grade Supervisor 25tp

AMOS G. SHETTERLY
Amos G. Shetterly, eldest son of George and Leah Shetterly, was born in Snyder county, Pa., Aug. 25, 1860, and passed away at Saginaw, Mich., June 17, 1929. He came to Michigan at the age of four years and this state has been his home for fifty-five years. For many years he lived in and around Buchanan.

On Dec. 25, 1883, he was united in marriage with Miss Julia E. Conant of Weesaw township. To this union was born seven children, the oldest of whom passed away in infancy. Besides the faithful wife and companion there remains four sons and two daughters, Mrs. Wm. Glick of Saginaw, Ralph F. of Midland, Paul A. of Saginaw, Mrs. Grace Riekerd of Somerset, John B. in the U. S. N.

His forty-six years of companionship endeared him to his family and they did everything physically possible to relieve his last weeks of suffering. While his life was consecrated to his God, his labor and love was given to his fellow man.

"Let me live by the side of the road And be a friend to man."

The remains were brought to Buchanan on Wednesday and funeral services were held on Thursday afternoon at two o'clock conducted by Rev. J. J. Terry, followed by interment in the family lot at Oak Ridge cemetery.

Smart Youngsters
One proof that the new generation is smarter is the fact that children know how to handle their parents without a book on the subject—Capper's Weekly.

Milton Cobb and Jack Roach who have been visiting at the L. E. Stevens' home, 219 Liberty avenue, have returned to their home in Detroit.

Gov. Green Names Members of State Board Aeronautics

Governor Fred W. Green announced, during the past week, his appointments to the newly created state board of aeronautics. William E. Mayo, Detroit, chief engineer of the Ford Motor Co.; Capt. Edward V. Rickenbacker, Frank L. Betts, Menominee; Harry Fletcher, Cheboygan, and Claude Carney, Kalamazoo, make up the new supervisory body.
The aeronautics board was given extensive powers under the act sponsored in the legislature by Rep. Milton Palmer, of Detroit. It will have supervision over all airports and landing fields used for commercial purposes as well as all state, county, and municipal airports and schools of aviation.
The board is also empowered to draft rules relative to designing, location, equipment, and operation

of all airports coming under its supervision, and to make regulations to "protect the health and safety of students (in aviation schools) and insuring, so far as may be, the public safety, through the proper training and instruction of student aviators."

The board is to enforce the federal air commerce act, certain provisions of which were adopted for Michigan in another legislative act. All airports and schools of aviation must apply for the board's approval within 60 days of its creation and all future airports must obtain such approval before they may be used for commercial purposes. Appeals from the board's decisions may be taken to a board consisting of the governor, highway commissioner, and attorney general. Members of the board, appointed for four year terms, serve without remuneration.

The state board of aeronautics is the first of its kind in the United States. It is the first of its kind in the United States. It is the first of its kind in the United States.

Church of Brethren
Convened Last Week

Several Buchanan members of the Church of the Brethren attended the annual conference of that organization held from June 12 to June 19 at North Manchester, Ind. The meeting was the 131st held by the church and there were 25,000 people present on the opening Sunday. On the following Monday, which was Missionary Day, an offering of \$95,900.71 was made for missionary purposes. Four new missionaries were sent to Africa and a number of veteran workers who were here on furlough started back after the conference. Mrs. J. E. Platz of Buchanan, was the delegate for the local church. Others who went from here were her husband, her two daughters, Violet and Letha, and Mr. and Mrs. Fred Hagley and son, Junior.

Missouri Would
Replace Billboard
With Flower Border

Nearly 25,000 spirea bushes, climbing roses and other flowering shrubs have been set out in the past two months along Missouri roadsides. These will begin to bloom next season. In one part of the state a large nursery donated shrubs sufficient for beautifying five miles of public highway.

"Blossoms to replace billboards" is said to represent the Missouri Highway Commission's idea of roadside beautification. Shrub planting at state expense will continue each succeeding year.

MRS. ANN THOMAS

Funeral rites for Mrs. Ann Thomas were held in the Presbyterian church, Wednesday afternoon at 3 o'clock, June 19, 1929. Rev. H. W. Staver, pastor, officiating. Burial was made in Oak Ridge cemetery. Pallbearers were: Jean, Frank and Fred Miller, Roy Wynn, Allan Stevenson, and Robert Fleming.

Ann Blake Thomas, was born the daughter of Lewis and Hannah Carroll, on March 11, 1840, at Scottsburg, N. Y.

On Oct. 23, 1873, she was united in marriage to Evan Thomas, who passed away 25 years ago.

Mrs. Thomas deceased this life on Sunday evening at 6:25 o'clock, June 16, 1929.

Surviving in the immediate family is one daughter, Mrs. Pansie Carpenter, three nieces and one nephew. So passes from our midst one to whom the gracious God gave many years of life. Gifted with the ability to maintain a vital interest in the things of this world, with a true quality of sympathy and understanding of young people, age left no mark on her mind until the very last hours. When, as the evening sun cast its closing rays across the earth, touching it with the beauty that only the evening knows, she closed her eyes and departed to wake with the dawn in the Father's house.

HENRY GILBERT

Henry Gilbert, was born in Snyder county, Pa., June 8, 1853, and passed away in the home of his daughter, Mrs. Wallace Terrell, 215 E. Third street, Friday evening, at 7 o'clock, June 14, 1929, at the age of 76 years and 6 days.

At the age of five years he came with his parents to Portage Prairie, and since that time had made his home in this vicinity.

He was married to Miss Mary E. Rugg, on Jan. 9, 1878. To this union were born three sons and two daughters. One son, died in infancy and a daughter passed away eleven years ago. Also his companion preceded him to the Great Beyond 34 years ago.

On March 9, 1904 he was united in marriage to Mrs. Louisa Nickerson, and to this union one daughter was born.

Surviving are two sons and two daughters, Mrs. Wallace Terrell, Mrs. Iva Emmons and Martin Gilbert of Buchanan and Harvey Gilbert of South Bend. Five brothers, Andrew, John and Samuel, of Bertrand township, Joseph and Adam of Earlham, Ia., also 14 grandchildren, 2 great grandchildren, and many other relatives and friends also survive.

Funeral services were held in the Terrell home Monday afternoon at 3 o'clock, June 17, 1929. Rev. W. Hayes, pastor of the Evangelical church, assisted by Rev. C. A. Sanders of Portage Prairie, had charge of the services. Interment was made in Oak Ridge cemetery.

Monument Moves

The sway of the Washington monument is rendered perceptible by a copper wire 174 feet long hanging in the center of the structure and carrying a plummet suspended in a vessel of water. At noon in summer the apex of the monument, 550 feet above ground, is shifted by expansion of the stone a few one-hundredths of an inch toward the north.

Famous in Finance

Wall street, New York, takes its name from the location of an old wall erected by the early Dutch settlers as a protection to their property.

Rail Birds

News around New Troy

Miss Genevieve Boyd returned to Kalamazoo Sunday to begin her studies at the college Monday. Little Mary McKee rode with Miss Boyd and friend to that city and was met by her aunt, Miss Rebecca Barnhart, who took her to Battle Creek with her for a short visit.

Ray Burlingame and son, who have been spending a short time here, have returned to Balboa, Calif. Mrs. Burlingame did not return with them because of the critical illness of her mother, Mrs. Ella Rossiter.

Miss Muri Fletcher has been on a visit to her sister and family Mrs. Earl Draper of Iowa.

Elwin Ritchie, one of the ball

team playing here Sunday was hurt by a member of the South Bend team they were playing and had to be removed from the field. He was taken to his father's home and Dr. Corey called to render first aid. A bone is thought to be broken. He will be taken to the hospital to have an x-ray examination.

The result of the game between South Bend and New Troy played here Sunday was 3-1 in favor of South Bend.

Mr. and Mrs. Henry Goodhilline entertained Sunday Mr. and Mrs. Frank Klackie and Mr. W. Vogt and Frank Vogt of Stevensville, Mr. and Mrs. Jacob Goodhilline of Little Jack, Ballengee, son of Niles. The latter two will re-

main with the Goodhillines several weeks.

The Keefer family spent Wednesday evening at the Paul Brodbeck home and a very pleasant time was spent in making and serving ice cream.

Mrs. Geo. Ashman entertained company from South Bend Sunday.

Mrs. Paul Brodbeck, teacher of the young people's class in the M. E. Sunday school entertained the class.

A shower was held Friday evening in honor of Miss Ruth Penland, who was married Monday, June 24th, to Fred Lester DeWitt Jr., of Benton Harbor.

The ceremony was performed in the M. E. church. Many beautiful gifts were given her. Refreshments were served. Little Jack Ballengee, son of John Ballengee of Chicago, is vis-

iting his cousins, Robert and Mary McKee.

Jane Ballengee, former nurse at the Clark hospital, now working for a sandwich company in Pennsylvania, spent several days in New Troy while enjoying a short vacation.

Mr. and Mrs. Paul Brodbeck have been entertaining the latter's mother, Mrs. Mary Taylor of Berrien Springs this week.

The party held at Wako beach, at Bridgman by the teachers of the school was a very enjoyable affair. It was the last of the season as several of them have gone to attend summer school. The Berrys have gone to East Lansing and the Keefers to Ann Arbor.

Mrs. Mary Coop and Agnes McKee drove to Buchanan Tuesday evening.

Mrs. Eva Teuksherry of South Bend, spent Tuesday night at the Sam Ritchie home.

Mrs. Ray Burlingame was a dinner guest at the O. A. Baldwin home in Bridgman Sunday.

Miss Genevieve Boyd entertain-

ed company from Lansing over the week end.

The M. E. church will observe Fathers Day Sunday, June 30. A short program will be given during the preaching hour. All the fathers of the community are invited.

The John Wood family will move into their new home this week.

Mrs. Nina Piper Boyd returned with her parents, Mr. and Mrs. H. O. Piper, when they came from Evanston Tuesday, where they had been to attend the graduating exercises of the North Western University. Mrs. Nina Boyd received a degree of Bachelor of Arts. She will spend a short time here.

Mr. and Mrs. Paul Brodbeck drove to Marcellus Sunday to visit a sister of the latter. The mother, Mrs. Taylor accompanied them and remained with her daughter for a short visit.

The cement walk in front of the new school house is finished and Carlson and Son, who did the work are laying one for F. R.

Maxim in front of his residence.

Mrs. Ida Phillips will also have one.

There were 112 registered at the annual picnic of the teachers and students of past years and many present did not register.

The states of California, Missouri, Ohio, Illinois, Indiana, South Dakota, Oklahoma and Texas were represented. Letters were read by the President expressing regret because of the inability to attend of Mrs. Lon Smith, Dr. Will and Nettie Sherwood Smith, all of California, Mrs. Lillie Howard Ready of Oklahoma, and J. Willett Smith of New York. After a bountiful dinner that was served at noon all present were called to the new auditorium by the president for a short program which consisted of a violin solo by W. A. Frew of South Bend accompanied by Miss Eon.

A recitation was given by Mrs. Ira Sizer, "Asleep at the Switch," which she had given 40 years ago. Reminiscences were given by many of the older students. A nominating commit-

tee was appointed and the officers of the past year were re-elected as follows: President, Miss Myrtle Pardee, Three Oaks; sec-treas, Mrs. H. O. Piper; region vice-pres, Minnie Vinton Sizer, Sawyer, Lois Brodbeck Riskey, New Troy; Virginia Barnhart Rehm, Buchanan; Etta Boyce Babcock, Galien; Lantie Pardee Malloy, of Three Oaks; Bertha Brodbeck Brown, South Bend; Edna Penwell Wallace, Niles.

Advice to Sweeties

"Folks would be surprised to know," says a newspaper trade journal, "how many people are working at the business of giving advice in newspaper columns on affairs of the heart." It pays well, too, yet it remains a labor of love. —Farm and Fireside.

Rare Volumes

It is thought that there are but 101 printed books in existence that were made before 1500. Nearly one-third of these rare books are owned by the Library of Congress.

Studebaker's world leadership in eight-cylinder sales provides the

World's Leading Value in the new

Dictator Eight

ONE HUNDRED AND FIFTEEN (115) INCH WHEELBASE

\$1185
at the factory

THE new Dictator Straight Eight now provides the supple smoothness of Studebaker straight eight power, in a motor car of genuine beauty and generous size . . . and at a price which only the world's largest builder of eights could achieve. No other car provides so fully every fine car quality at so low a price—as its specifications prove to engineer or layman.

Drive this new champion-built eight, remembering the reputation it inherits—77 years of manufacturing integrity.

115 inch wheelbase.

Straight Eight motor of 221 cubic inch piston displacement. Abundant power, marvelous flexibility and smoothness plus economy which rivals the thriftiest of sixes.

Oil filter, gasoline filter and crankcase ventilating system insure maximum engine efficiency.

Fuel pump insures constant adequate flow of gasoline, regardless of speed or grade.

Thermostatically controlled cooling system retards flow of water until motor has reached precisely correct temperature for highest operating efficiency.

Timken taper roller bearings in rear axle, front and rear wheels and steering gear.

Double-drop frame of new compound flange design—far costlier but sturdier, safer and permitting graceful lowness of body lines.

Hydraulic shock absorbers, front and rear.

Genuine mohair upholstery.

Upholstered arm rests at each side of rear seat, which is 46 inches wide.

Hardware of soft Butler finish, further beautified by an etched design.

Full-vision, full-ventilated bodies of steel over hardwood foundation—the accepted fine-car coachcraft.

One-piece steel core safety steering wheel.

Fully adjustable steering wheel and front seat.

Amplified-action 4-wheel brakes which stop the Dictator Eight in half the distance accepted as standard.

Tarnish-proof chromium plating of all exterior brightwork.

Coincidental lock to ignition and steering assures Dictator Eight owners lowest theft insurance rates.

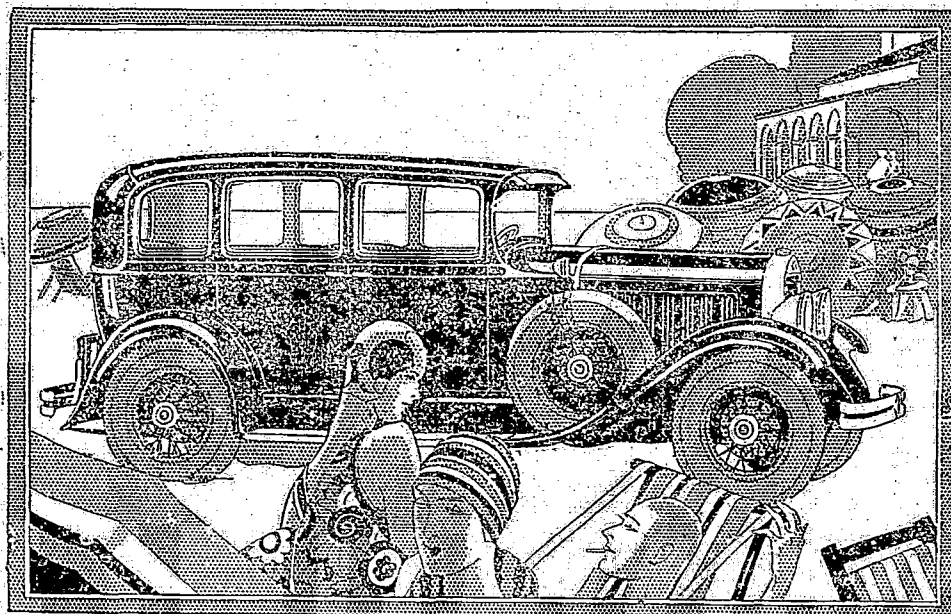

Non-shatterable safety windshield.

The Dictator Eight may be driven 40 miles per hour the day it is delivered—the result of advanced engineering, precision workmanship and careful inspection.

STUDEBAKER MODELS AND PRICES

The President Eight • \$1785 to \$2575
The Commander Eight 1495 to 1675
The Commander Six • 1350 to 1525
The Dictator Eight • 1185 to 1435
The Erskine Six • 860 to 1045

PRICES AT THE FACTORY

The New Dictator Straight Eight Regal Sedan, six wire wheels and luggage grid standard equipment, \$1435. THE DICTATOR EIGHT FOUR-DOOR SEDAN, \$1335. THE DICTATOR EIGHT CLUB SEDAN, \$1235. THE DICTATOR EIGHT COUPE, \$1185. Prices at the factory. Bumpers and spare tires extra.

Tune in "Studebaker" Champions" every Sunday evening 9:15 to 9:45 Central Daylight Time. Station WEAF and coast-to-coast network.

Michigan Marches To Leading Place In Aircraft Mfg.

The announcement, early in the week of a new combination of capital and manufacturing facilities for the production of air craft, largely headed by Michigan people and having its headquarters in Michigan's metropolis, gives the final assurance that Michigan is to become a center of aircraft production, in all its departments, and may take its place, among all the states, as a dominant producer of this class of transportation as it is of the motor car class. Heretofore Michigan's position in aircraft production has been scrappy rather than organized. We have had some of Mr. Stinson's planes made here. Continental and Packard have been developing engines. Buhl has produced some air-travel machines. Now all at once Packard steps to the top with its developments in Diesel air-craft motors. Again the Ryan interests which were once famous as to their production, Mr. Lindbergh's trip across the sea and the varied interests which have been going about their work conservatively in the neighborhood of Detroit, combine their properties and their patents and seem to have arranged for plenty of capital to go ahead upon. It is quite conceivable that complete air-craft construction could be centered in a single location in the country, anywhere than complete motor car production has turned out to be conceivable. But quite as much control of national production seems to be resident in the new air-craft organization as there is in most of the motor car organizations.

This is a very forward step for Michigan. The Lord only knows how many air-craft are to be built in the next few ensuing years, but at best reports, there seems to be about 20,000 of them operating in the country now, and any type of transportation that has gotten as far as 20,000 units may be looked for to extend itself to very many times that number in use. The range of costs in this form of transportation is so very much greater than that in the motor car trade that no one can prophesy what the aggregate money value of production, even for a year, can become. One can buy an aeroplane for \$5,000, or a government can buy a dirigible for as many millions, so there is no average, as there is already an approximate one in the motor car business.

Somewhat or other, in the results that have been attained in this last organization, one must give a deal of credit to at least two Michigan men who have been saving wood a long time to produce just such a concentration of the business of making air-craft in Michigan. These are Harold E. Emmons and William B. Stout. They have had a good deal of grief in the progress of air-craft development and promotion, but we imagine they have had a good deal of fun out of it, as well. There must be a lot of fun in being a pioneer, else we would have no gold miners or oil prospectors. They keep at it, whether grief comes or not.

St. Joseph Will Celebrate Fourth

At St. Joseph this year on the Fourth of July, at 8:15 in the evening, fast time, "Lucky" Ray Copeland will be seen in the most sensational and daring feat ever given in this section. He will ride on the wings of his airplane with parachute drop, flying, stunts and nose dives, 3000 feet in the air, then drops between 1000 and 2000 feet before opening parachute drops into waters of Lake Michigan.

Two bands will furnish concerts day and night. U. S. Coast Guard Exhibition, 4:30 p. m., fast time. Silver Beach, where dancing and all kinds of amusements can be enjoyed. Grand display of fireworks at 9:45 p. m., fast time. There are other natural attractions at St. Joseph—on the lake.

Soil Bacteria Make Nitrogen Available

The yellow, unhealthy color of plants during a cold spring is a signal showing that the soil conditions are unsuitable for the growth of soil bacteria which release nitrogen from soil organic matter for the use of the crops, according to a statement by members of the soil department at Michigan State college.

The bacteria themselves are plants and require conditions for growth similar to those required by the plants commonly grown for food purposes. Cold weather and water-logged soils slow up the growth of bacteria and their inactivity lessens the amount of available plant food in the soil. One of the benefits obtained from drainage is the stimulation of the activity of the soil bacteria. Extreme dry weather affects these microscopic plants in the soil much the same as it does the higher plants, and the supply of available plant food released in dry soils is lower than normal. The poor conditions for soil bacterial growth in dry soils is one of the reasons that sod or other organic matter decays slower in droughty soils than in heavy soils which are not affected so rapidly by lack of rain.

One group of bacteria is able to take nitrogen from the air and make it available for the use of plants.

MARIE SUGGESTS

Picnic parties, week end trips and vacations are in order now. And just ahead is the Fourth. Below we are calling attention to a few of the many interesting ads which will aid you with your shopping:

While walking down Main street we noticed in the window several tubes and bottles of cleaner for those light summer shoes, and did you see these oxfords with the cleats on the heels, the kind the boys are so crazy about. Of course there are the more conservative kinds being shown.

We couldn't pass the base shop without thinking of how delightful it is now to plan picnics, when you can step right in and place your order for salads, roast meats, pickles, well, in fact, you can buy your picnic lunch right here, and everything is certain to be good. Around the corner from the bank we stopped in the Variety store and here I am going to tell you a secret. They have some mighty fine looking silk hose in all the choice shades and my goodness they are only 50c a pair. But

And if you are looking for furniture for the summer cottage or for your lawn, better stop in now at the furniture store, as they are having their summer sale, and that means a big saving on purchases.

And then there is the store where the fisherman delights to stop. In the window they have such cunning looking bait, and if the dry land fish bite, why won't the others. And of course they have plenty of smokes, which must be included on that trip.

Across the street, in the drug store, they are calling attention to their kodaks, films and developing service. We must not forget that there are plenty of pictures we will want to take. And they have such a complete service here. Next to the theatre we stopped to buy a box of those delicious boxed candies they handle. We just couldn't pass up our sweets, even for a vacation. And too, we needed a refreshing drink af-

ter so much shopping.

Goodness we most forgot to take our car down to the Super Service station on Oak street to have it washed and gone over before leaving tomorrow, and that made me think of insurance, well there is nothing so comfortable as knowing that you have complete coverage so we had the insurance man next to the post office write us up.

Now we must stop at the book store and pick up some of those good books to take with us. That is a job, because there are so many to select from and you can't have them all.

Next door we found just the bathing suit we wanted. They have a price range of from 50c to \$6 and every imaginable color and style.

During these warm days we must remember our looks, so up to the beauty parlor we must go. And there for such a lovely shampoo and curl. Gives you that "dressed up" feeling.

The garage on Main street calls attention to your car needs. Perhaps it would be well to have the motor looked after or the brakes tightened up, then drive over to Main and Dewey filling station

for gas and oil.

Now we're all set, let's go.

Unbroken Air Route is Now 7,752 Miles Long

The first linking of North and South America by air mail planes operating on regular schedules is announced by the American Air Transport association. With Miami as the base of operations in the United States, planes will follow the present combined air mail and passenger route through Honduras and Nicaragua to the Canal Zone. From the Cristobal airport they will fly to Columbia and Ecuador to Molendo, Peru, near the Chilean border, which will be the temporary southern terminal.

The new route completes a combined Canadian, United States, Central and South American airway extending uninterruptedly from Montreal, a total distance of 7,752 miles. From Molendo, service will eventually be extended to Santiago, Chile, and thence over the Andes to Buenos Aires, Argentine and Montevideo, Uruguay.

While the new route from the Canal Zone south will at present carry only mail, multi-motored planes will later be added for pas-

senger-carrying operations.

Another system bringing the two Americas closer together is being surveyed at present, the association says. It will be 7,800 miles long and extend from Juneau, Alaska, to Chili by the way of the west coast of the United States, Mexico and Panama. Through the present system of 23 air mail routes, connection from all points in the United States will be made with South America at either Miami, Brownsville, Texas, or San Diego, terminal points for the transfer of air mail, express and passengers to the tropics.

U. S. Tightening Laws Governing Admission Aliens

General tightening up of the United States machinery for regulating admission of aliens to the country and to citizenship becomes effective July 1.

This marks the start of the new fiscal year, when many new and amended laws go into operation, including changes in naturalization fees and the requirement that all aliens now living in the United States but not legally entered make their entry legal at once or return to their native land, under penalty of being deported and barred from re-entry.

French-speaking natives of the Province of Quebec, who have been living in the United States for years are affected in large numbers by the new regulations. Hundreds have returned to Canada of late with the idea of starting the procedure of satisfying laws of the United States and immigration officials, as to legal entry. Naturalization officers of the United States are finding business brisker than in a long time, as one result of the tightening up of the former free and easy manner in which Canadians have entered and also because of tripling the cost of naturalization after July 1.

At present, "first papers" cost aliens intending to become United States citizens, \$1 and "second papers" cost \$4. After July 1, these prices will be increased to \$5 and \$10, respectively. In addition, all applicants for citizenship papers, regardless of when they entered the United States, must get a certificate of entry, which costs \$5.

This brings the cost of naturalization up to \$20 for those who are in the United States legally, but never before sought citizenship. Previously they could have obtained citizenship for \$5.

Aliens illegally entered must go through the same procedure at the same cost, prior to which they

must register with immigration authorities at a cost of \$20, making their total cost \$40. Immigration officials will check and investigate the statements of those applying for registration, and if they have been living continuously in the United States since July 1, 1921, or longer, they will be permitted to become citizens, despite their illegal entry.

Another radical change is the decision to examine aliens arriving from Canada, when they reach the port of entry, exactly as is done with aliens coming from overseas ports. This work has previously been done at the Canadian port of embarkation.

Irons in Africa Although the use of household electrical appliances in the Union of South Africa is not widespread, the electric iron has become popular and is used by nearly all housewives living in a city where current is available. The natives, however, continue to use the old-fashioned iron.

Uncle Eben "De way of de transgressor," said Uncle Eben, "is hard, but sometimes it 'pears like a concrete pavement foh balloon tires.'"—Washington Star.

Quincy, Mich.	.60

The rates quoted are Station-to-Station Day rates, effective 4:30 a. m. to 7:00 p. m.

Evening Station-to-Station rates are effective 7:00 p. m. to 8:30 p. m., and Night Station-to-Station rates, 8:30 p. m. to 4:30 a. m.

To obtain Out-of-Town telephone numbers, call "Information."

Don't Let Your Community Make the Same Mistake

Within recent years many communities have made the mistake of paving their roads and streets at what they considered a "bargain price." The taxpayers thought they would save thousands of dollars.

In many instances the maintenance has not only wiped out the hoped for saving, but has exceeded original cost. And in many cases also it has been necessary to build entirely new pavements—of permanent construction.

There are communities, however, which know the cheapest is not always the best. Many of these also built roads and streets several years ago. And they built for permanence with concrete.

These concrete pavements, built in accordance with approved standards of construction, are in as good condition today as when they were built.

Which of these communities will yours be?
