Martin Mann Robbed of Clothing Overcoat in Detroit

Word has been received from Martin Mann and wife, en route to visit their son, Delbert, at Charlottesville, Va., to the effect that their car was broken into in Detroit and two suit cases full of clothing and an overcoat were taken. The auto had been locked but the thieves managed to break the lock.

Community Chorus Meets at Clark Theatre Monday

A meeting preliminary to the organization of a Community Chorus, was held at the Kelley Studio, Monday evening. The meeting was attended by 20 Buchanan people who are interested in choral work.

SCHOOL CHILDREN HAVE TO BREAK PATHS TO SCHOOL

SUPT. STARK PROTESTS FAILURE TO CLEAR SIDEWALKS. We are advised this morning by Superintendent Harold Stark that in the absence of action toward cleaning sidewalks either by the city or by property owners, school children were forced to break their own paths this morning, many arriving at school with stockings and clothing in a condition to endanger their health.

Local Vocalists to Sing at Niles Musical Tea on Monday

The Musical Tea to be given by the Niles Music Club in the dining room of the Four Flags Hotel on Tuesday is of interest to Buchanan music lovers. Mrs. E. C. Pascoe and Mrs. Harry E. Thompson, being among the vocalists on the program.

Revival Services at Evan Church To Close Sunday

The evangelistic services at the Church of Christ which are being conducted by the singing evangelist, Walter F. Scott, of Wheatland, Ind., and the minister, J. L. Griffith, will continue until Sunday night, Nov. 24. These services are being well attended in spite of the bad weather.

Presbyterian Men Form Hillside Club

In response to an invitation extended by the Men's Fellowship Club at their meeting at the Methodist Church, Nov. 6, to all denominations to organize with them on an undenominational basis, the men of the Presbyterian Church met on Tuesday night and organized into the Hillside Club, which is to cooperate with the Fellowship Club in social activities.

Velma Metzgar is Wedded Saturday to Morley Meyers

Morley Meyers and Velma Metzgar, both of Buchanan, were united in marriage at St. Joseph Saturday. Mr. Meyers is in the employ of the Berrien County Jail Shop. The bride is a daughter of Mr. and Mrs. Arthur Metzgar and a student at the Buchanan high school.

Winter Weather Interferes with Troop 41 Hike

A combined indoor and outdoor program featured the weekly meeting Tuesday night of Buchanan boy scout troop No. 41. Twenty members of the troop were present, including Scoutmaster Leo Slate and Assistant Scoutmaster Lyle Mitchell.

Alva Canfield in Car Wreck on Way To Yankeetown, Fla.

Relatives here have received word that Mr. and Mrs. Alva Canfield met with a disastrous automobile accident while en route to Florida two weeks ago. When about 40 miles this side of Nashville, Tenn., their car was struck by another machine and forced off the pavement over a five foot embankment, turning top down. The car top was demolished, one wheel broken off, fenders mashed and window glass broken. Mr. and Mrs. Canfield escaped with only slight bruises and scratches. They repaired their car and motored on to Yankeetown, Fla., where they will spend the winter.

BUCHANAN BANKS RELEASE \$28,000 CHRISTMAS FUNDS

Christmas savings funds to the approximate extent of \$28,000 will be released in Buchanan during the fore part of the coming month, representing a substantial advance over the savings of previous years. The Buchanan State Bank reports savings accounts of \$18,000 and the First National Bank of \$10,000, the total amount being held by approximately \$20 deposits, an average of about \$54 each. Bank officials state that the weekly deposits building up these sums ranged from 25 cents weekly to \$20 weekly. While entered as Christmas Club funds, they will be expended for a wide variety of purposes, including Christmas presents, clothing and tax payments. The release of the funds is timely for the latter purpose as the winter tax payment comes due on Dec. 10.

Wild Cats Here and the Wolves Are on the Way

Confirmation of the Record story carried two weeks ago to the effect that a hard winter is on the way received substantiation during the past week from a report to the effect that a wild cat had been seen on the lawn of the George E. Richards home on Moccasin Avenue. This follows two reports of wild cats seen along country roads near Buchanan. Mrs. Richards states that she observed the animal early in the evening under the street light and thought at first that it was a dog, on account of its unusual size.

Old Man Winter Pays Buchanan An Early Visit

Buchanan was visited by the first real touch of winter yesterday when snow, to an estimated depth of eight inches, part of it melting as it fell. The first severe freezing temperatures of the season was experienced last night when local thermometers registered 18 degrees above.

W. C. T. U. Meets at Henry Smith Home

A special meeting of the W. C. T. U. will be held Friday afternoon, Nov. 22, at the home of Mrs. Henry Smith, Moccasin Avenue. All members are urged to take notice as this is the last week earlier than the usual date. An important business will be considered.

Nephew of H. Capen Reported Victim of Flying Accident

Word was received here in the past week of the accidental death of Ernest J. Capen, nephew of H. N. Capen of Buchanan, in a plane accident at Lincoln, Ill., Friday. Capen had been flying for 12 years and operated an airplane factory and training school for aviators. He was trying out a new type of monoplane, which he had flown several times before. At an altitude of 500 feet he lost control from some unknown reason and crashed. The machine burst into flames when it struck the ground.

Revival Services at Evan Church To Close Sunday

The evangelistic services at the Church of Christ which are being conducted by the singing evangelist, Walter F. Scott, of Wheatland, Ind., and the minister, J. L. Griffith, will continue until Sunday night, Nov. 24. These services are being well attended in spite of the bad weather. A goodly number have been added to the church and many others are in the mood to make "the good confession."

News around New Troy

Mr. and Mrs. Jim Findal and family of Glendora, Mrs. Kate Sturges and son, of Three Oaks and Mr. and Mrs. Will Short of Michigan City, came with well filled baskets Sunday to help their mother, Mrs. Caroline Findal, enjoy her 82nd birthday, bringing with them many pleasant remembrances of the day.

Mrs. Mary Ashman is redecorating her residence on the inside.

Mr. and Mrs. Gann have gone to Chicago for two weeks. They expect to remain in the city during the winter with occasional visits here.

Mrs. Flora Guettler has returned from Lansing, where she has been spending two weeks with her sister.

The regular meeting of the M. E. Aid Society was held at the R. H. Sowersby home Wednesday, a day and the occasion was a pleasant one. The ladies were engaged in making fancy aprons and a usual large amount of work was accomplished. A pot luck dinner was served at noon. During the business session reports on the basement of the church were discussed and it was decided that the officers of the Aid meet with the trustees of the church at the close of prayer meeting to go over the church property to determine the cost. On Wednesday, Nov. 20, the society met with Mrs. Ella Boyd at the home of her son, Roy Ceaser.

Mr. and Mrs. H. O. Piper attended the revival services held at Gallen Sunday evening.

Mr. and Mrs. Hans Johnson of Chicago moved into their new home which they recently bought of Gus Zick, Thursday.

Mrs. Ella Boyd has gone to Chicago to spend the winter with her son.

Ten young people from Indiana drove 100 miles Sunday to attend the revival services held at Gallen M. E. church where Miss Mabel Broadway, aged 19, has been preaching for the past two weeks. Wishful to remain for the evening services they went to the home of Mrs. Conklin at New Troy, taking dinner at the McKean lunch room, returning to Gallen in the evening.

Mrs. Leo Addison of Chicago, visited over the week end at the H. C. Piper home. Mr. Addison drove from the city Sunday with his family bringing friends who were guests for the day, all turning to the city in the evening. A new well is being dug at the Brethren church by Crawford & Son this week. The church building has been remodeled and redecorated.

Mr. and Mrs. Everett Watson of Buchanan attended the Fall Festival Friday evening.

Mr. and Mrs. Will Blanka were teachers at the Caroline Findal home recently.

Mr. and Mrs. Lowell Swem of Elkhart visited with the former's parents, Mr. and Mrs. S. E. Fletcher Sunday.

A speaker from South Bend, filled the pulpit in the M. E. church Sunday morning and gave the talk in the interests of the Anti-Saloon League, urging all present to assist the temperance cause in every way.

A newly organized choir was present and several members of the orchestra. A violin solo was given by Paul Conklin. A liberal offering was taken to help the work of the League.

The Trojan Woman's club will meet at the Bhanire home Friday afternoon, Nov. 22.

Mr. and Mrs. John Painter of near Gallen, attended the services

sons were in Niles Saturday evening.

Mr. and Mrs. Paul Pence of South Bend, spent the week end in the Dell Smith home.

Mrs. Orville Hampton of Three Oaks, has returned home after caring for Mrs. Clara Hampton for a few days.

Mr. and Mrs. Ralph Goodenough and daughter were in LaPorte Friday.

Mr. and Mrs. Gene Wells of Three Oaks, spent Tuesday night in the Al Rickerman home.

Mr. and Mrs. Reuben Young are moving on the Peterson farm which they recently purchased.

Mr. and Mrs. Albert Dickey of South Bend, spent the week end in the John Dickey home. Mr. and Mrs. Kenneth Dickey were dinner guests there Sunday.

Mrs. Mesdames Pearl Weaver and Lydia Weaver of Illinois, were the dinner guests in the Russell McLaren home Thursday.

Joe Fulton visited his daughter, Mrs. Lee Hinman, and family, Sunday.

Floyd Williams and family of Niles spent the week end in the Harry Williams home.

Mr. and Mrs. Arthur Smool of South Bend, were Friday afternoon visitors in the Chas. Smith home.

Chas. Smith and son, Paul, were callers at the Niles Steel Tank company Monday where they had work done.

Gra Briney and family were visitors Sunday in the Joe Fulton home.

A large Bishop truck filled with 500 bushels of oats going from LaPorte to Benton Harbor, tipped over in the ditch in front of the Charles Vinton home Monday. The driver escaped unhurt.

Mrs. Clara Hampton was much worse last week but is better at present.

Mike Bowker and family spent Sunday in the Kenneth Bowker home in South Bend.

Ed. Phillips and wife entertained Mr. and Mrs. Tim Powell and mother and Mr. and Mrs. Arthur Walters and family of Buchanan Sunday.

Mr. and Mrs. Charles Smith and Mr. and Mrs. Paul Smith spent Sunday in the Clinton Vandusen home near New Carlisle.

Mr. and Mrs. Earl Ingles were Sunday afternoon visitors in the Chas. Vinton home and Mr. and Mrs. Ira Sizer of Sawyer, spent Sunday evening there.

A miscellaneous shower was given in the Art Chapman home Saturday evening for Mr. and Mrs. Ralph Ferguson of Niles. A good crowd was there, about 50, from Dowagiac, Niles and Buchanan and from around this vicinity. A lovely evening was passed and some fine presents were given Mr. and Mrs. Ferguson.

Olive Branch

Margaret McLaren was home from South Bend over Sunday.

Leslie Smith was at the Lew Truman home over the week end.

Quite a number from here attended church in Gallen Sunday evening and enjoyed the sermon very much.

Mr. and Mrs. Herbert Goodenough were Sunday visitors in the Floyd Smith home in Gallen.

Mrs. Nina James and son were in Michigan City Monday.

Mrs. Paul Smith attended the New Troy Festival on Saturday evening.

Mr. and Mrs. Vivien Ingles and son were in Buchanan Friday.

Mr. and Mrs. James Renbarger called on Joe Conover at the Enos Holmes home Sunday.

Mr. and Mrs. Chris Andrews and son, Bob, visited Mr. and Mrs. Walter Mark at Bremen Sunday.

Mr. and Mrs. Frank Wolf and son, George, called on Mrs. William Murdoch Sunday evening.

Mrs. Chas. Smith and daughter, Nellie, were in New Carlisle and Buchanan Saturday.

Mrs. Lee Hinman and children spent Friday with her parents, Mr. and Mrs. Joe Fulton.

Mr. and Mrs. Col. Seymour called on Mr. and Mrs. John Dickey Friday.

Mr. and Mrs. Al Rickerman and

Facts About the Telephone

Seattle's latest telephone directory contains 6,000 more names than the one published six months before.

Instruction in use of the telephone has been undertaken by several London senior schools.

The first telephone commercial exchange in the United States was established at Bridgeport, Conn., in 1878.

The first interurban telephone line in Turkey, between Constantinople and Angora, was recently opened to public service.

At the beginning of the present year there were 152,259 telephones in service in the District of Columbia, a net gain of 6,775 in 1928.

This year, on Mother's Day, May 12th, there was an increase of about 40 per cent. in Long Distance telephone traffic over the load on a normal Sunday.

At the present time there is a total of 77 through circuits from London to Europe as follows: France, 25; Germany, 18; The Netherlands, 12; Belgium, 11; Switzerland, 4; Sweden, 2; Spain, 2; and one each to Austria, Italy and Denmark.

ATTENDS FAMILY REUNION BY OVERSEAS TELEPHONE

When the Rev. and Mrs. Thomas E. Babb of Holden, Mass., celebrated the fifty-ninth anniversary of their wedding recently, the family circle was complete, with the exception of a grandson of the bridal couple, Raymond Thomas Rich, who was in London, England, at the time. He is General Secretary of the World Peace Foundation and had been in attendance at the assemblies of the League of Nations at Geneva. While the Rev. and Mrs. Babb were celebrating their anniversary, they were called on the telephone. The call was by radio telephone from London from his grandson who desired to take part in the festivities.

Australia now has more than half a million telephones in use, the Commonwealth ranking sixth on the list of nations for percentage of telephones to population.

One of the fastest known birds is the spine-tailed swift, which reaches the speed of 200 miles an hour over the mountains of Asia.

100 'Glorified' Girls In Chorus of 'Rio Rita'

One hundred of Hollywood's most shapely extras came to the Ready Theatre next Sunday as the chorus of "Rio Rita," Radio Pictures' musical fabulous screen opera, which has Bebe Daniels and John Boles in the leading roles.

The girls form the first stock chorus in the history of motion pictures.

Pearl Eaton, RKO dancing director, created several original dance numbers for the Radio Pictures version of Ziegfeld's great musical comedy hit. Before she entered pictures, Miss Eaton was the only woman musical comedy producer in New York.

Wagner News

Francis Wright is substituting on the mail route for William Ednie, who has gone deer hunting.

Haven and Harvey Reid have gone to Arkansas to spend the winter with the latter's parents.

N. J. Weaver and Raymond Linsmeier have gone on their yearly hunting trip to the north woods.

Mr. and Mrs. Andrew Mitchell and sons, Marion and Lawrence of Portage Prairie, were Sunday dinner guests at the Bert Mitchell home.

George Marsh and family and Mrs. Thomas Marsh spent Sunday at the home of Mr. and Mrs. Wm. Keller in Buchanan.

Mr. and Mrs. Perry Morley, Mr. and Mrs. Frank Wright, Mr. and Mrs. Will Whittaker and Mr. and Mrs. Charles Hess attended the Farm Bureau meeting at Gallen, Monday.

Miss Thelma Whittaker has entered the employ of the Michigan Gas and Electric Co., in Buchanan.

Jim McGee of Buchanan, was a visitor Sunday at the Joe Reid home.

Mr. and Mrs. N. E. Anderson of Niles, assisted in the installation of officers at Wagner Grange last Friday evening.

A fly, no bigger than a bee, has been recorded to do 815 miles per hour.

EDITORIAL SPOTLIGHT

TELEPHONE ENTERPRISE MAKES FOR PEACE—Evening Copper Journal, Hancock, Mich.

The great countries of the world are being brought closer together by a bond of telephonic communication.

When a citizen in New York or San Francisco can, by raising a receiver, talk to a citizen of London or Berlin, it means that American telephonic enterprise has provided a tremendous step forward in perfecting our understanding of other peoples and improving the business, social and governmental relations we have with them.

It is difficult to promote war and ignorance and national hatreds when a thin strip of wire will carry our voices around the world in a split second.

Don't Take Chances on "Any Old Shoe" for Ever-Changing Children's Feet

It is said that only 10% of school children have perfect feet. Wrong shoes are of course the principal cause. Buster Brown and our other health shoes are scientifically correct for each age. They help mould the growing foot along healthful, natural lines. They represent years of studying the growing feet of children. No higher priced—quality for quality—style for style—Buster Browns are the best health insurance you can buy for your children's feet.

BUSTER BROWN
HEALTH SHOES

Brownbilt Shoes
for Men—for Women

Because we have made a special arrangement with the Brown Shoe Company, one of the world's greatest shoe manufacturers, we are now able to offer you newer, smarter styles, and finer quality footwear than ever before, and at lower prices. We are still independent merchants. We own and operate our own business the same as always... but we now have behind us a national organization. Its staff of style specialists is at our service... insuring you footwear as fashionable as any store in the nation can offer. Its 17 factories sell over \$55,000,000 worth of the nation's shoe every year. This immense volume means a greater purchasing power and lower manufacturing costs. Its staff of experts in retailing cooperates with us in managing our business at a minimum expense. All of this creates savings all along the line from raw material, straight through to you. We know your needs—your likes and dislikes. You will find us better equipped to serve you than ever before. You will find a finer, smarter stock of the newest shoes at the lowest possible prices due to our having linked our store directly to this great national manufacturer.

Complete stock of rubbers for the whole family. Keep the feet dry, wear rubbers.

The Season's Newest all rubber, warmly lined, waterproof Galoshes for Women in tan and black. Very smart. Perfect fit.

FOOD SALE
Given by the Episcopal Ladies' Guild of Buchanan, on Saturday morning, Nov. 23 at the Chevrolet Motor Sales Co., 126 Main Street.

How to Take Under Sized Fish off Hook
When you catch a fish too small to keep, wet your hands before you take it off the hook. By doing so it has a better chance to live. There is a thin film covering a fish which sticks to your hands if it is dry. With this film broken the fish dies.

The historic Dead Sea of Palestine is so full of salt that no fish can live in it. Various projects are on foot to garner its mineral wealth, which is said to be very rich.

Children Like this Safe Prescription
COUGHS AND SORE THROAT RELIEVED ALMOST INSTANTLY.

Stop children's cough and sore throats before these ailments lead to dangerous ills. Thoxine, a doctor's prescription, now assures relief within 15 minutes to children as well as adults without the danger in the use of patent medicines containing harmful drugs.

Thoxine works on a different principle, goes direct to the source of trouble and relieves the irritation which causes the coughing and sore throat. Ideal for children because it is safe and does not have the usual "nasty-medicine" taste. No gargling. Just ask for Thoxine, put up ready for use in 35c, 60c and \$1.00 bottles. Money back if not relieved. Sold by The Wisner Pharmacy and all other good drug stores.

SPORT NEWS

PIN RECORDS SHATTERED IN LOCAL ALLEYS

Recreation Quinlet Hangs Up the First 1,000 Game.

BUT LOSES SERIES

Will Beardsley Bowls 277 Single and 673 in Three.

The past week was a red letter one in the Buchanan Bowling Club alley in the matter of pin records. Both individual, single and three game records and team single game records going by the boards. The team single game record was shattered by the Recreation quinlet, which rolled the second frame of their series with Proud's Cigar Store for a score of 352. Adding the team handicap of 69, this was recorded as a 421 game, the first 1,000 score to be placed on the local game sheets. A peculiar feature was the fact that the Proud five then nosed the Recreation out with a score of 2559 to 2557 in the series.

Will Beardsley of the Thaning Quinlet broke the alley records for both single and three game series, with 277 for one frame and 673 for three, or an average of 224 per game.

ORIOLES LOSE GRID CONTEST TO THREE OAKS

UNDISPUTED TITLE TO THE INDEPENDENT COUNTY TITLE IS NOW IN DISPUTE.

Undisputed title to the independent football championship of Berrien County was claimed Sunday when the Buchanan Orioles met defeat at the hands of the Three Oaks Blue Streaks, making it one game for these two teams to date. The Three Oaks eleven won by a score of 18-12, taking advantage of the breaks of the game. Quarterback Pringst scored both touchdowns, the first after a 90 yard run through the Three Oaks team on a fake punt.

Marksman Brave Damp Weather at Buchanan Traps

Damp weather did not prevent a turnout for the Sunday morning shoot at the Buchanan Gun Club traps, nine crackermen running off a series of singles and doubles. Records were:

Singles—E. Phillips, 23-15; Rotruck, 19; E. J. Feldman, 18-19; 21-20-20; McIntosh, 17-19-20-18; F. Merson, 16; H. Hess, 10; M. Lentz, 6; L. Sands, 9; L. Mitchell, 18.

Doubles: E. Phillips, 20; Rotruck, 15; McIntosh, 14; Feldman, 12.

Local Delegation Attends Football Game at Chicago

Buchanan was represented among the 120,000 who witnessed what is reported to have been one of the greatest football games of history between the University of Southern California and Notre Dame at Soldier's Field Saturday. Among those attending from here were James Gannon, Francis Merson, Glenn McCreedy, Bill Deserberg, Carroll Wilson, Goldie Smith and Marshall Dretzler.

Gallen Culture Club Observes Book Week

Children's Book Week was observed by the Culture Club Friday at the home of Mrs. Pearl Roberts. The roll call was responded to by each taking a good book for children.

Mrs. Wentland gave a list of good books for children and also the subject of "Planning our Children's Reading." Mrs. Clark Glover gave the "Talk on Bed Time Stories and Fairy Tales." Mrs. Clyde Swank told of which books to buy and which to borrow. A round table talk on "Books that all Children Like."

Handy Hannah Helps Housewives

Whole cloves are effective in the campaign against moths.

White of egg applied with a soft brush will freshen gilt picture frames.

A cloth wrung out of ammonia solution will brighten the dingy overshoes.

Silk garments last longer if washed frequently. Dust particles and perspiration have a destructive effect on the fibers.

Scalloped or au gratin potatoes made from wholly cooked or par-boiled potatoes save a great deal of time in baking.

Try a kitchen-size salt shaker to distribute insect powder on the house plants. It's quick and easy.

Instead of sewing snaps on very fine organdy or voile, sew them to a piece of silk tape and whip the tape along the hem where the snaps are needed.

Very thinly sliced bacon may be separated without mutilating it in the least if it is placed in the oven for a short time, making sure not to leave it in too long as the fat will melt.

When putting a slip on a hanger put one small safety pin on each strap, then fasten the small pins together with a large safety pin.

Try putting raw pumpkin thru the food chopper for pies. It saves time and energy and cooks down as fine as when it is rubbed thru the colander.

Sure Way to Stop Night Coughs

Night coughs, or coughs caused by a cold or irritated throat, can now be stopped within 15 minutes by a doctor's prescription which works on an entirely different principle.

Having Thoxine on hand is a safety measure against all coughs and throat irritations. Thoxine contains no harmful drugs, is pleasant tasting and safe for the whole family.

THE MICROPHONE News of Buchanan Schools

News of Student Life Gathered and Written by Upper Classmen of Buchanan High School

History Repeats Itself in Buchanan-Kalamazoo Clash

TEAMS TIED; SCORE SAME AS LAST YR.

Thriller on the Local Field Ends in a Tie, 13-13.

BUCKS OUTPASSED Game is Saved Through Skill at Straight Football.

Coach Harold "Curly" Bradfield and his Buchanan "Bucks" battled with Coach Berry and his Kalamazoo Normal (on state) high aggregation for an hour Saturday and finally ended with a tie, 13-13—the exact score of their game last year.

In the first quarter Pfingst took the kickoff, and behind the old "flying wedge" took the ball to the 30 yard line, almost getting away. Pierce tried the line for a few yards. An attempted pass, Pfingst to Pierce was intercepted by Stewart, who raced 70 yards for a touchdown, outdistancing the surprised "Bucks." His kick for extra point hit the goal posts. After an exchange of punts the locals began to work.

The third quarter had just begun when the Kazooks began their aerial attack. A few penalties set them back, but Stewart finally tossed a pass to Eggstaff, who galloped the remaining 20 yards for a score. The "Bucks" were too anxious to block the kick and were offside, the point being allowed. The "Bucks" received, but were forced to punt back. Kalamazoo again began to pass, but Captain Pierce happened to be in front of one of them, so he grabbed it and raced 75 yards for a touchdown, the enemy's attempts at pursuit being futile. This time Pierce planted the pigskin squarely between the uprights tying the score.

In the last quarter the Celery City team began its passing again, one being successful for a touchdown, but some blue jerseyed player clipped Thompson so the score was not allowed.

Although the game was a thriller from start to finish, there was only a small crowd in attendance. Buchanan Pos. Kalamazoo Vincent Krielick

Landscape Artist Talks at Assembly

Mr. Gregg from the Michigan State College was guest of the students and faculty last Thursday morning, when he entertained us with one of the most interesting assembly programs of the year. His topic, "Landscape Gardening," was developed by the telling of a story and was illustrated in an unusual manner with cloth pictures.

Grade News

Kindergarten
We have been busy making our pictures for Thanksgiving and of our barnyard friends. We have begun our Mother Goose work and have learned several rhymes.

The two kindergartens have formed a band and practice together each week. The kindergarten groups were divided Monday and everyone is so much happier this way. We have been busy decorating our room for Thanksgiving. Among our many visitors was a little kitten, whom we named Tabby. The children composed a story about him.

Friday seemed to be Doll Day. We wrote stories about them. This gives us needed practice in expressing ourselves.

Grade I—Miss Myers
We are sorry to have so many children absent because of sickness. Group II are reading nicely in their New Beacon Primers. Arlis Fairman, Clifford Bauch, Suzanne McKinnon, Madeline and Madonna Huebner, Gerald Weaver, Bonnie June Chalm, Jack Ednie, Donna Padden, Emma Fuller, Walter Russell, Evelyn Bennak, and John Huff are doing nice work in Phonics.

Grade 3—Mrs. French
John Meile, Russell Turner, Alice Leazenby, Katherine Mosier and Shirley Bauch stood 100 in the written spelling test last Friday. We have been working on our Indian project this week and have made a very nice Indian village. We have canoes and teepees of birch bark and have made others of paper and waxed them to make them waterproof. Blenda, Evers, etc. dressed a doll for a squaw and another for a peopose. Mildred Ferris also dressed a doll for a squaw. The boys have made canoes, teepees, paddles and bows. We have collected Indian pictures for our bulletin board and have read Longfellow's "Hiawatha," and illustrated it on our sand table. Now we are starting a Pilgrim project and are reading stories about the Pilgrims.

In Geography we are studying about where we get our clothing. We have made cotton charts with samples of cotton, thread and cloth. Next we will study about wool and leather. The boys are much pleased with the ball and bat which Miss Rockenbach brought to them.

For language last Friday the third graders wrote letters to Bill Borders, who recently moved to Shelby, Ind. In a timed-sentence test in which twenty-five words studied this year were used, Kenneth Phiscator scored 100.

Grade 4—Mrs. Fuller
We have an interesting sand table showing Indian life this week. The committee are Jack Morris, Caroline Webb, Gertrude Jalving and George Riley. We are sorry so many of our boys and girls are ill. Ten were absent on Monday with mumps and colds.

5th Grade News
Reports in Arithmetic are not as pleasing as those in Spelling. There are more falling marks than we like to admit although we have improved upon our last month's record. Will the parents check up on the needs of these boys and girls and give extra help where needed? We should like to be as proud of our Arithmetic progress as that of Spelling. The following boys and girls in Miss Hopkins' room received 100 per cent in Spelling last week: Jack Hayes, Victor Vigovsky, Charles Wesner, Leigh Raven, Robert Neal, Eva Kovich, Samuel Bauch, Robert Bennett, Theresa Huebner, Robert Irvin, Ross Zuchman, Walter Meile, Catherine Roti Roti, Robert Squier, Jone Raven, Ellen Newsom, Lucille Yazel, Sam McCormick, Harold Ormiston, Donald Virgil, Herschel Gross. The class as a whole is doing very splendid work in Spelling. Grades below 100 per cent are: 98 per cent, 6; 95 per cent, 8; 93 per cent, 2; 90 per cent, 1; 88 per cent, 1; 85 per cent, 1.

Grade 6—Miss Abell
The boys of this room beat the boys of Miss Hopkins' room in football. We have chosen new captains for speedwork in Arithmetic. The girls are still ahead of the boys in Spelling. We are getting more accurate in Arithmetic. We had a test in Geography about the North Eastern Section. There were quite a few one hundreders. We are making posters in the Science class. A Turk must obtain permission of his first wife before he may take a second.

BUCKS TO CLOSE SEASON SATURDAY AGAINST ST. JOE

SAINTS ARE FORMIDABLE; TIED DOWAGIAC ELEVEN.

With but one defeat to mar the record, Coach Harold C. Bradfield and his Buchanan football aggregation will lock horns with "Hank" Howel's St. Joseph Blue-jackets in the concluding game of the season, Saturday. Starting with but four lettermen, Coach Bradfield has developed a team that has gone through the hardest schedule to face a Buchanan squad with but one defeat and one tie. On the other hand, Hank Howel's aggregation has been "taking them on the nose" quite consistently. However, their great battle for a 13 to 13 tie with Dowagiac brands them as exceedingly dangerous, and it will take all the "Bucks" fight and drive to hold them.

Shorthand Teams Run Neck and Neck

Excitement and competition are running high in Shorthand class of late. The contest being staged, by the two competitive teams the Speed Demons and the Workers, is becoming a real goal and a live issue to every member of the class. At present the Workers are in the lead by a mere 10 points. Last week the Speed Demons led 295 to the Workers' 290. This week the Workers lead 540 to the Speed Demons' 530. Watch them reach 1000.

Most people are aware that we have lime, iron and phosphorus in our bodies; but it is now discovered that zinc, cobalt and nickel, as well as arsenic, exist in our systems.

New and modern hotels are to be constructed at Damascus, Tripoli, Aleppo and Beirut, Syria.

SCHOOL SLANTS

Buchanan was well represented at the county orchestra practice last Thursday afternoon. Esther Bradley, Richard Schram, Ruth Pierce, and Jane Habicht made the journey to Berrien Springs where they got to "blow on one thing and another." The towns represented in the practice were: Niles, St. Joseph, Dowagiac, Berrien Springs, Buchanan, Dowagiac and Watervliet.

A noisy group of girl classmates surprised Sal Wilcox on her birthday last Wednesday afternoon after prison hours. Sally was peacefully washing that dazzling blonde head of hers when fifteen human cyclones blew in from the front door. She sank stupefied to the floor but was revived without much effort when they presented her with a beautiful leather purse.

The Glee Club girls are very busy telling their mothers how they want their uniforms made. They will be made of white broadcloth from a clever pattern and of course they will follow the latest fashions in length. Did I hear a cheer from the recesses of the Geometry room? Now, now, Mr. Hyink!

Senior English was handing in their sonnets when Mrs. Dunbar fixed a kindly eye on our big hero, Brute Squires, and asked him what he had written upon. "Death," replied wait in a low, trembling voice. "Ah," she said, "at last a second Bryant."

The band has started their fancy drilling for the basketball season.

Edith Eddy entertained twelve friends at an informal dance party last Saturday evening at her home on Portage Street.

Miss Rothenbauck is training her gym classes in tumbling, hand stands, and basketball technique at present.

The Senior boys sold programs for the Booster Day program. Everyone was informed about it at General Assembly one day. Due to their extensive advertising they cleared \$13. Hoopay for the Pines!

The real endurance test of the day is enduring those who engage in enduring tests.

NOTRE DAME CAGE MENTOR TO SPEAK

G. KEOGAN, WEBER OF B. H. TO BE SPEAKERS AT GRID BANQUET.

The most important event of the year for the Buchanan football squad has been planned for Dec. 10, and some thirty odd members of the squad are anxiously awaiting that date. Besides the fine dinner that is always served, an address by someone of prominence in the athletic world is delivered. Two years ago A. W. Thompson, State Athletic Director, gave the address and last year it was "Juddy" Hyames, director of athletics at Western State Teacher's college. This year two speakers have consented to appear at the banquet. George Keogan, assistant football coach and head basketball coach at the University of Notre Dame, and Wally Weber, football coach at Benton Harbor, whose team is one of the leading contenders for the state championship this year, will deliver the addresses of the occasion.

The banquet is sponsored each year by the Girls' Athletic Association who sell candy at the games to furnish the financial end of the supper. This year the banquet will be held at the Legion hall.

Home Ec. Pupils Taking Chances On Own Cooking

The freshmen Home Economics classes have for the last week and a half been planning, preparing and serving a breakfast to the members of their group. This project is a review and test, over three months work on the breakfast unit. The advanced Home Economics class is turning the Home Economics room into a novelty or art shop by making for their last project before cafeteria, oilcloth accessories for the home.

Russia is Germany's best customer for industrial machinery.

DID YOU KNOW THAT—

Ray Barbour is Joke Editor of the Annual? Jot all the cracked wise cracks cracked down when you hear them and slip them in Ray's little can in the assembly. For Frosh only—(The can stands in the corner of the east end of the north-table on the south side of the study hall. Follow directions closely.)

The G. A. A. sold 20 boxes of bar candy in one week? What are those harmless, non-indulging B. H. S. students coming to?

Just about the whole school turned out to "support" Niles at the Niles-Three Rivers game last Monday?

Miss Shriver decided to let her students catch up on their lost sleep by sending her classes to the study for a day or so.

Two more of our big future football stars have succumbed to that terrible dragon, the mumps. They are as follows: Bob Gladwish, flying end, and Don Sargent, giant guard. Read and weep. P. S. Ray's got 'em too.

A reward will be paid by "Butterball" Bachman to any one returning to him one package of Red Man Chewing tobacco, lost Nov. 18, between 1 and 1:30 p. m.

Raymond Reed has decided to make Chicago his home after graduation. Quoting one of his speeches—"Yuh know, there's something about the women there, that"

The girls' varsity soccer game with Niles has been postponed until Thursday, Nov. 21. By the way, are we going to stand back of our girls in the big event? You bet, and how!

Harry Pierce has a new nick-name, "The Fightin' Fishwoman." Sounds sort of fishy to us, but the fight's all right.

American machinery is being used in the construction of the Grand Canal in Alsace.

Latin Students Teach Own Class

In the last few weeks the members of the Latin 10 class have shown an unusual interest in the methods of conducting the class. Hence a schedule has been made out and posted which assigns one class period each week to a pupil. This pupil gets the assignment well in advance, carefully prepares the lesson and has full charge of the class. Wednesday is the day chosen for this innovation in program and the class was especially handled by Charlotte Arnold last week. It is believed that this plan, with careful supervision, will prove of benefit to both pupil and teacher.

Dowagiac Debaters Are Victors Here

The long anticipated debate between the Buchanan and Dowagiac debating teams was held on Thursday afternoon at 2:30 in the high school auditorium. The Buchanan affirmative team composed of Marvin Gross, freshman; Arthur Anderson, senior; Richard Zerbe, senior; had as their guests Kathryn Howell, Junior; Betty Howell, sophomore; and Charles Springsteen, junior, of the negative team of Dowagiac. The question for debate was, Resolved: That a judge or board of judges should be substituted for the jury in all state and municipal locals. Although the Dowagiac team won the debate, it was by a very close margin. Mr. Butcher of South Bend, was the judge. Timekeepers were Mary Erdlich and Claude DeWitt.

Latin Club Dines On Rye, Baloney

Last Thursday from 4 to 6 p. m. was the first initiation of the new members of the Latin Club. The "Rites and Rituals" were read, first to Doris Campbell, then to Marie Ellis, Helen Mogford, Marie Hess, Marvin Gross and Elizabeth Hess. Each was assigned a certain task which he or she had to do under the supervision of two old members. At a quarter of six the committee, Pauline VanEvery, Dorothy Babcock and Phil Hanlin, served everyone with a feast consisting of rye bread, bologna, and cocoa.

The next day, Friday, the six new members had all they could do to keep from getting black

Jr. High Begins Basket Practice

About forty Junior High basketball aspirants answered "Doc" Miller's call for the first practice Friday. The Junior High has been used for a training school and it gives the players valuable experience that helps them in high school. Last year's team was particularly strong, but most of the members have entered high school. This year six games have been scheduled, home and home games with Dowagiac, Niles and Benton Harbor.

Girls' Glee Club Make Own Uniforms

The new material for the Girls' Glee Club has arrived and the dresses are being made. The material, which is white, will make even more attractive looking dresses than were last year. Although the new ties have not yet come, they will be here by the 6th of December, when the girls expect to participate in the contest at Bridgman, for which they have been working hard for the last two months.

Girls' Soccer Game Postponed

Every available afternoon after school the soccer squad has been diligently practicing for the Niles' game. This game was scheduled for Tuesday, Nov. 19, but due to the inability of the Niles team to play on that date, the contest was postponed until Thursday, Nov. 21. The team, as yet, has not been picked, but at least fifteen girls will be allowed to journey to Niles. They will leave at 3:10 and at 3:45 the game will begin.

Editorial

Our Athletic Field
Three blocks south and east of the high school is our athletic field. There we have a football field; a soccer field, two baseball diamonds, and some tennis courts (Continued on Page 4)

GEORGE WYMAN & CO.

Store Hours: 9 a. m. to 6 p. m. Sat. 9 a. m. to 9 p. m. South Bend, Ind.

Three Important Events Now—at Wyman's

Our annual November Sale of Silks and Thanksgiving Sale of Linens are "going over as big" as they always do. Our customers have been quick to recognize the splendid values offered. The specials in household linens have proved themselves "best sellers" and the new dressmaker styles have brought many sales of the beautiful velvets and silks. Here are a few of the most popular features:

Linen Sale Specials
Linen and rayon Luncheon Sets in pastel colors, 54 in. cloth and 6 napkins, \$3.95.
21x43 inch heavy double thread Turkish Towels with blue, gold, green and orchid borders, 29c.
Set of 66x86 in. cloth and 6 napkins, regularly \$10 at \$7.95.

Silk Sale Specials
40 in. all silk chiffon velvet in prints, black and solid colors, \$3.95 yard.
Washable silk crepe, all colors, 40 in. \$1.38 yd.
\$2.95 and \$3.95 values in short lengths of crepe canton, suede crepe and satin crepe, \$1.68 yd.

Gift Week—November 21st to 27th.

These six days are going to be devoted to a gift week. In nearly every department of Wyman's store the alert person who puts early Christmas shopping ideas into practice is going to find many remarkable values on articles which will make attractive and useful gifts. Here are a few of the specials:
Washable capeskin gloves in costume and slip-on styles, tan and brown, \$2.50 pair.
Handbags in calf and suede leathers. Top-strap and back-strap styles. Black, brown, navy, green and red, \$2.95.
Crepe de chine and rayon lingerie—chemise, bloomers, gowns and pajamas. Flesh, peach and Nile, \$1.95.
Jo-don all silk chiffon hostery, regularly \$1.65 pair at a special box price, 3 pairs for \$4.25.

Let Wyman's attendant park your car under a roof. 25c charge.

Why the world awards first place to STUDEBAKER EIGHTS

Eleven world records for speed and endurance—and more American stock car records than all other makes combined—are held by Studebaker Eights. This year's Penrose Trophy Race to the summit of Pike's Peak was won in record time by a Studebaker President Eight—over a tortuous twisting roadway involving 154 breath-taking curves. The greatest record in the history of transportation established over a year ago by Studebaker's President Eight that traveled 30,000 miles in 26,326 consecutive minutes—still stands unchallenged. And this time-tried championship stamina is built into every Studebaker Eight—President, Commander or Dictator. Studebaker is the world's largest builder of Eights because Studebaker Eights are brilliant and thrifty beyond anything motordom has known. Drive one of the new Studebaker Eights before committing yourself to any new car—Six or Eight. Profit from Studebaker's championship successes and from the 77 years of manufacturing integrity that stand firmly behind the Studebaker name.

- Studebaker Eights cost no more to buy or to operate
Dictator Eight Sedan \$1285
Commander Eight Sedan \$1515
President Eight Sedan \$1765

Political Free Lunch Dangers

Recent disclosures at Washington that elaborate dinners with fancy trimmings were provided for the pleasure of senators, and embarrassments caused by the disclosures, illustrate once more the dangers that lurk about the table where a political free lunch is served. These dangers have been known for generations to the legislators from the short grass and hill counties in most states, and for good reasons, have been avoided by men willing to learn by observation. Some dinners are harmless, merely delightful gatherings where pleasant hours are passed, but there is abundant evidence that poisonous ideas, influences and associations can be served with the food, making the political free lunch deadly and destructive.

During the last century the political free lunch plan was in vogue in many states, had years of successful use. Gradually in the states the old plan has fallen into disrepute and other methods have been employed. It will surprise many veteran political managers to discover the old method is in full flower at Washington. It has been glorified, is more dazzling there today than it was in olden times in the states, but the basic idea of the gathering at Washington is identical with that with which former generations in the states were entirely familiar, the appeal to man through appetite.

The safe method for legislators and public officials is to buy their own food at all times while they are in office. That insures safety from involvement when embarrassing disclosures are made by men who seek fame and win notoriety. It is cheaper and far safer to pay one's own check than to take chances at the most elaborate dinner with the possibility that explanations may be necessary later. The affair may have been free from real harm, but making a satisfactory explanation may prove difficult. Beware the political free lunch when in public life.

Chicago's World Fair

The Chicago World's Fair of 1933 has been put under way by a proclamation issued by President Hoover inviting the nations of the world to participate in the exposition. Indications are that many prominent countries will make quick response, and will help make, as the name indicates, a real World's Fair.

Unusual methods have been employed thus far in planning and getting the work started. The promoters are the strong men of that city. They wanted the approval of the federal government, but they did not ask for a penny of federal funds. They go farther and announce there will be no request made at any time for an appropriation by Congress.

They have underwritten the entire promotion and construction expense, an enormous sum, but there are signatures to the

promotion contract to make the bargain safe. Chicago made history when she held her famous exposition years ago. It was the great fair of that day. But a new day has come to the nation and the world, and Chicago longs to promote and manage a World's Fair that shows the progress of the world and illustrates conditions today.

It is a commendable undertaking, particularly so for the independence and courage the promoters have displayed and the fine business methods they have employed. It should be a great success.

More Coolidge Wisdom

"If the senate has any weakness it is because the people have sent to that body men lacking the necessary ability and character to perform the proper functions. But that is not the fault of the senate. The fault lies back in the citizenship of the states."

So Calvin Coolidge discusses and appraises the senate in his new volume being distributed to the American public. It is a clear and sound statement of the facts. If the senate is not functioning to the advantage and satisfaction of the American people, the trouble is with the voters in the various states. If a man of shallow mind and large vocal power is chosen to the senate that election does not change the man. It merely gives him a more prominent forum from which to display his shallow thinking and lack of understanding of national problems.

"Nothing is more dangerous to good government than great power in improper hands." That is another line from the Coolidge volume that voters in all states should clip out, paste in a prominent place, and read many times, especially just preceding election day.

Ralph Waldo Emerson, by no means an undiscerning man for one of his time, said that no one can cheat you but yourself but of course Mr. Emerson didn't know much about the conduct of elections in the Calumet district at that time.

"And here I am," said one of the recent companionate brides in her indignant way yesterday, "taxed to support the federal maternity bureau," and she went on to declare her intention to vote for a change.

The girl with the most beautiful back generally has so little on elsewhere when she has her picture taken that we seldom get around to examine her back proper before we have to go to work again.

We observe many cases where a girl's idea of sitting next to the driver of the car seems to be all over him.

There is a woman we know who seems to regard the day as lost if she doesn't have her feelings seriously hurt at least once.

Here and there within the circle of our acquaintance a flaming grandfather adds to the observer's joy of living.

Ruth Elder was the girl who asked the public to please forget her after she got married. Let's see, whom did she marry?

A spat factory has just been established in Kansas City, Mo. There's a spat factory at Reno, too.

Former Residents Buchanan Observe Golden Wedding

Friends, neighbors and relatives of Mr. and Mrs. William Koons, High Street, Dowagiac, met at their home Wednesday, Nov. 21st, to help them celebrate their fifty-first wedding anniversary. Dinner was served, to fifty guests amid showers and banks of chrysanthemums and profuse decorations of gold and white.

The ceremony was performed by Rev. Frank Hagg, with prayer by Rev. Tobias of the Church of Christ. The prayer of thanks was given by Rev. Dr. Scholes.

Many beautiful flowers, gifts, cards and telegrams of congratulations were received. The following out of town guests attended: Mr. and Mrs. Walter H. Koons and son, Edward; Mr. and Mrs. G. A. Johnson, all of Iron River, Mich.; Mr. and Mrs. Glenn A. Davis, Mr. and Mrs. Harold Paul Davis, and daughter, Lois Jeanne, and son Robert, LaRue; Francis Lyle Davis, son of Mr. and Mrs. Glenn A. Davis, Mr. and Mrs. Frank Meek, Mrs. George Miller, Mrs. Lois Harwood, all of Grand Rapids, Mich.; Mr. and Mrs. Albert C. Carson, Miss Ruth Han, Kalamazoo; Miss Mary Schwartz, Mrs. Nora Miles, Mrs. Earl Beck, and daughter, Yonda, Neal Fuller, all of Buchanan, also Mr. and Mrs. Isaac Rollings of Cassopolis. Many friends and neighbors called to extend congratulations during the afternoon reception given from two until five o'clock, after which a hot lunch supper was served in the basement dining room of the Church of Christ given by members of the church, sponsored by Mrs. Nellie Davidson, at which time a gold piece was presented to the couple from those present.

After the supper, all retired to the church auditorium to hear a wonderful message, delivered by the Rev. Dr. Scholes, who had conducted meetings in the local church for three weeks past. A truly wonderful and enjoyable time was had by all.

Don't Worry About Moths

mothproof cloth itself.

Larvex actually mothproofs clothes, rugs, furniture, so that moth-eaten goods won't even begin to eat them. New and sure way to prevent moth damage.

We, Too, GIVE THANKS!

The Pilgrims gave thanks for gifts that would seem pitifully poor to us today. Yet their Thanksgiving was joyful and sincere as their pious hearts could make it. Today, with far more cause for gratitude than the Pilgrims had, we should remember to pay as deep reverence to the source of our gifts as did those first settlers, and to pray that we may as deservedly receive them.

This bank will not forget the business and good-will it has enjoyed. Its gratitude goes out to the entire community.

The First National Bank

The Oldest Bank in Buchanan

Egg-a-Day Keeps Hens from Butcher

An egg-a-day keeps the butcher away is apparently the popular slogan for modern hens as shown by the final records of the International Egg Laying Contest at Michigan State College.

The best laying record, 319 eggs, was made by a White Leghorn hen owned by E. A. Keister, Bangor. Thirteen other birds laid more than 300 eggs during the year.

High pens by points, in the various breeds were owned by Pinecroft Poultry Farm, Kemptville, Ontario, Barred Rocks 2188 eggs; Elmer Haines, Vassar, White Rocks, 1729 eggs; West Neck Farm, Huntington, N. Y., single comb Rhode Island Reds, 2436 eggs; G. N. Whitaker, Lawrence, Rose Comb Rhode Island Reds, 1981 eggs; A. J. O'Donovan, Kalamazoo, N. Y., White Leghorns, 2424 eggs.

The number of eggs produced by each hen is the total laid by 10 hens during the year. In two cases, the pen which laid the greatest number of eggs did not win first place for their breed. Eggs which were small were penalized by the point system.

The largest number of eggs, 2676, were laid by a pen of White Leghorns owned by L. F. Hensley, Dear. A pen of Barred Rocks which laid 2239 eggs is owned by E. B. Rogie, Okemos.

A new contest is already started with 100 pens entered. The dust under large pieces of furniture often is difficult to remove. An old silk stocking over a yardstick makes an excellent duster with which you can reach behind or under any article of furniture.

NOTICE!

Dr. W. G. Bogardus will be in Buchanan on Tuesday, at the Hotel Rex from 9 to 5

for the purpose of examining eyes and fitting glasses.

Noted Sport Critics To Attend Banquet For Irish Gridders

The annual civic testimonial banquet tendered the Notre Dame university football squad by the St. Joseph Valley Alumni association will resemble a combination of noted sport critics and writers if present plans for the affair mature.

An imposing list of speakers has been engaged for the banquet which will be held on the night of Dec. 4 in the dining hall at the university. Warren Brown, Chicago sports writer will serve as toastmaster. H. O. (Pat) Page, coach at Indiana university, William (Navy Bill) Ingram, coach at the U. S. Naval Academy, Lawrence P. (Biff) Jones, coach

at the U. S. Military Academy, James Puelan, former Notre Dame star and at present coach at Fresno university, have all signified their intentions of attending. Attempts are being made to obtain George Ade, the humorist, to give a talk at the affair.

The Irish football team will be in en masse with Coach Knute Rockne representing them at the speakers' table. The musical portion of the program will be furnished by the university band and by the University Glee club.

School nurse says all girls should know this

Trained to a standard of high school girls in personal hygiene, an experienced nurse says:

"One of the basic rules of health for girls is to keep the system functioning naturally all times. Normal exercise and diet habits should be encouraged. But when necessary there is no harm in taking nujol, since it works mechanically and can't disturb the normal functions of any organ of the body. Particularly with girls, there are times when an ailment should always be taken. Take spoonful every night for a few days. It's thoroughly tested and harmless. It won't cause distress or gas pains or griping. Nujol is different from any other substance. It contains no drugs or medicine. It can be taken safely no matter how you are feeling because it is so easy. Every woman should keep a bottle on hand. Every druggist has this remarkable substance. Get the genuine."

One departure from the usual program is that the ticket sale will be limited to \$100. This is necessitated because the committee in charge intends to have everyone who attends in a position so that he may see and hear everything that goes on. Considerable confusion resulted last year because the crowd was too large to handle.

Just like MONEY in the bank

Two major qualities of the Pontiac Big Six—its reliability and long life—offer motorists a definite cash advantage which is just like money in the bank. For they increase still further the demand for used Pontiacs—which means that the Pontiac Big Six you buy today will have a high resale value when you are ready to turn it in. . . . Investigate the features which contribute to this reliability and long life—such as the Harmonic Balancer, the adjustable pressure feed lubricating system, and the crankcase ventilation system. Come in today and let us show you all of the wonderful advantages offered by the Pontiac Big Six.

Pontiac Big Six, \$215 to \$395. 7 or 8. Pontiac, Mich. plus delivery charges. Runners, wiring covers and Loojor shock absorbers regular equipment at slight extra cost. General Motors Time Payment Plan available at participating dealers.

"EVERYBODY'S SIX"

Smart • Smooth • Safe,
 Dependable—and Priced
 Within the Reach of All!

THE new Chevrolet was designed and built to bring the advantages of six-cylinder performance within the reach of all those who can afford any automobile. For that reason it has met with sensational success—more than a million two hundred and fifty thousand on the road in less than nine months!

We cordially invite you to come in and see this remarkable car. Its smart Fisher bodies are styled in the latest mode—with tasteful moldings, concave front pillars and oblong windows. Its greasy six-cylinder valve-in-head engine is smooth, powerful and unusually swift in acceleration. It is designed throughout for greater safety and dependability. And its low first cost, combined with its standing economy of operation, makes it truly "Everybody's Six."

Come in today for a demonstration!

The Roadster, \$575; The Phaeton, \$525; The Coach, \$595; The Coupe, \$595; The Sports Coupe, \$645; The Sedan, \$675; The Imperial Sedan, \$695; The Sedan Delivery, \$575; Delivery (Grassie only), \$400; 177" wheel (Chassis only), \$345; 172" Tour Truck with Cab, \$650. All prices f.o.b. factory, Flint, Michigan.

Consider the delivered price as well as the list price. Prices shown representing automobile sales. Chevrolet delivered prices include only authorized charge for freight and delivery, and the charge for any additional accessories or financing desired.

The Old Timer's Corner

Mrs. Winch Writes of Early Pioneer Life Here

With the death of our father in 1858, when I was nine years of age and my brothers, Oren and John were younger, an inheritance of work came to us that would stagger the youth of the present more fortunate times.

Our meadow had a long stretch along the river. Predatory animals broke there and then broke into the field of lucious grasses. One of our childish avocations was to catch food trash from the river to keep the fence more secure. The river had drifting plank, slabs, timbers and sometimes logs from up river mills. We made rafts with nails out of the family keg and the great abundance of stuff we gathered from the river. That helped us in getting into the river's current where the best material drifted. We worked and we played.

Those were the years Of childhood's mystical dreams and tragical fears.

When little as, it seems. When not fixing fences, milking cows, carrying water up the hill, sawing wood, pulling weeds, feeding the pigs and doing other chores, we created a world of our own, "a world of make believe."

We dammed the brook and had wonderful water wheels from a grandfather's clock, (we found on a shelf) "Happy Jack" and "Merry Dick" families, ragdolls, owned farms fenced with "stake and rider fences." Their children had sticks of candy and the family had frosted cake at every meal. They owned horses and fields of cattle, carved out of basswood with a jack knife. We built "frame" play houses with stone fireplaces. We roasted potatoes, apples and corn. Then we ran a mile or two chasing unruly cattle out of the meadow and heard mother calling "Hurry home there are hogs in the melon patch!"

"The magical life in the river of time" is children's "brightest" where little Bo Peep and Peter, Peter Pumpkin Eater live and where Santa Claus visits. John and Oren and I were happy with our homemade fairies in our make believe world. The present was ours.

Soon, too soon, exciting realities thickened. Buchanan in those days had no church, Christmas trees or home festivities. Much less did Moccasin Bluff. Although there were many wide chimneys and much excellent sleighing in and around Buchanan Santa never came there, that I ever heard of, at least.

I just now read of the death of Eli Helmick and John Curtis. In a reverential remembrance revery, I remembered the days of the Civil War. The camp at Niles of the 12th Michigan regiment. The Buchanan sisters, wives and mothers weeping for their loved ones. Buchanan had given of her best. Mrs. Snyder, John Curtis' mother, other relatives of the men in camp and myself, a sled load, went over to the camp. My visit was from friendliness, sympathy and curiosity. I knew so many of Buchanan boys in the John Curtis, who now has finished the long trail and Eli Helmick, too, of the Michigan 25th, gone.

War had no standards of etiquette. That day at camp in Niles I was introduced to a soldier from upstate, evidently a gentle man. We talked and laughed and walked around the grounds. Finally he said, "I see no ring on your hand, I want to give you mine." He put a slender gold ring, with a blue enameled top on my finger. (I laid aside mother's oft repeated admonition, "Never take a gift from a young man.") He wrote me twice and sent me pressed flowers from a sunnier clime. After the battle of Shiloh in which the 12th Regiment was terribly depleted, I never got another letter.

It was my first piece of jewelry, only a phase, like the dolls in the meadow, of an active life. Greatest and best, the dear home where "No uncanny form ever sat beside our angle glee."

People of greatly divergent views have been my friends. Once we had at dinner Captain and Mrs. Freeman, Congregationalists. He was a sea captain born at Cape Cod and she was born in Maine. Both were as firm New Englanders and as grounded as Bunker Hill monument. Dr. and Mrs. Matthews too, were there. Her family had been slave holders near Kansas City. His father was a surgeon in the Confederate army. Dr. and Mrs. Fisher were there. Her parents were Confederates in Texas. Dr. Fisher's father was a Methodist minister in Lawrence during the Quercut raid. He was also a chaplain in "Jim" Lane's Kansas Jay Hawks. Dr. Fisher was a homeopathist and northern Methodist. Dr. Matthews was an "aleopath" and a southern Methodist. Miss Gunn, a young lady, and Beauregard (Beau) Weber, a young man, were there also. She was a native Missourian, unconstructed. "Beau's" name shows the family affiliation.

Our son, Will, grew up mostly with that kind of children. There was pleasantness and gaiety at the table. All of them were our friends and from each other "Friendship is the rarest, gem of earth." Friendship has been to me, all my life, a lodestone, a magnet that glorified the shadowy days of childhood when the "sledding" on Moccasin Bluff, figuratively as well as literally, was hard. How I remember our friendly neighbors, even yet as I grew older, I needed them more. I kept the friendship to the end, and many Buchanan girls and boys, and fam-

ilies. There were the Morgans, Watsons, Tottens, Meads, Wagners, Gilletts, Warners, Hamiltons, Terneres and others, whose kindness, so timely, is still appreciated. There were mean ones, too. That is, mean to me. Unkindness and injustice that rankles even yet, had exponents in Buchanan as well, as an unusually honest, kindly community.

Ester Montague Winch.

Appetizing Dishes

Date Muffins
Two cups flour, 4 teaspoons baking powder, 1 teaspoon salt, 2 tablespoons sugar, 1 egg, 1 cup milk, 2 tablespoons melted fat, 1-2 package dates, 3-4 cup cornmeal, 1-4 cups white flour may be used in place of cornmeal. Bake in hot muffin pans.

Tasty Bread Pudding
Soak one cup of graham bread crumbs in 1 pint of milk, then add 1 beaten egg, 2 large tablespoons of light cooking molasses, 1-2 teaspoon of salt, 1 teaspoon of butter and a little cinnamon if liked. Some dates, raisins or nuts may be added to give variety. Serve either plain or with whipped cream.

Cantaloupe Salad
Cut the edible portions of two cantaloupes into small pieces. Sprinkle with a little salt, paprika and cinnamon. Add one pint of double cream beaten very stiff to which 1 teaspoon of dissolved gelatin has been added. Beat well until thoroughly mixed after adding 1-1 cup of bread crumbs.

When it begins to set turn into a melon-shaped mold which has first been wet in cold water. Bury in ice and salt for at least 2 hours. When ready to serve wipe the

mold with a cloth wet with cold water and lay on a bed of lettuce, surrounded with a very delicate pink mayonnaise.

Casserole of Ham

One pound of sliced ham, quart of sliced potatoes, 12 whole cloves, 2 small onions, 1 quart milk, 1 tablespoon fat, 2 tablespoons flour, 1-4 teaspoon pepper.

Purchase the ham in 1 slice. Cut into 6 portions and stick two cloves in each. Soak the sliced raw potatoes in cold water for 1 hour, then drain and dry thoroughly with a towel. Make a white sauce of the fat, flour and milk. To do this, melt the fat, add the flour and cook till bubbling, then add the milk gradually, stirring constantly and cook until smooth and slightly thickened.

Place in a greased casserole a layer of potatoes, using a third of them. Over these slice one onion and sprinkle with pepper. Lay on these three pieces of ham, repeat, placing the rest of the potatoes or top. Pour the white sauce over all and bake for one hour in a 75 degrees F. oven. Serves 6.

Oatmeal Raisin Pudding

One cup rolled oats, 2 tablespoons corn syrup, 1-2 cup seedless raisins, 1-4 teaspoon salt, 2 cups of scalded milk.

Bring milk to boiling point, add salt and corn syrup. Add rolled oats and raisins. Cook in double boiler for one hour.

Oatmeal Plum Pudding

One cup rolled oats, 2 table- spoons corn syrup, 2 cups prunes juice, 1 cup prune pulp (stewed). Bring prune juice to boiling point, add corn syrup. Stir in oatmeal and stewed prune pulp. Cook in a double boiler for one hour. Serve hot with thin cream.

Wheat Cereal Custard

Follow recipe for oatmeal custard using 1 cup cooked wheat cereal instead of oatmeal. Whipped cream, fresh berries, fresh or canned fruit are not to be

over looked as valuable adjuncts in serving cereals.

Oatmeal Apple Fudding
Two cups cooked oatmeal, 1-4 cup sugar, 2 tablespoons melted butter, 2 sliced apples.

In a greased baking dish alternate a layer of cooked oatmeal and a layer of sliced apples sprinkled with sugar. Pour melted butter over top and bake in a slow oven until the apples are tender. Delicious served hot with cream.

Wheat Cereal Fruit Pudding

One pint scalded milk, 1-2 teaspoon salt, 2 tablespoons corn syrup, 1-3 cup wheat cereal, 2 eggs (well beaten), 1 cup crushed canned fruit. Bring milk to boiling point. Add syrup and salt. Stir in wheat cereal stirring constantly until mixture begins to thicken. Add beaten eggs. Add fruit and beat. Cook in double boiler for one hour.

Resident Trout Anglers Increase

An increase of more than 20 per cent in the number of resident trout anglers in 1929 over last year is reported by the Department of Conservation following

Compilation of License Sales

In 1928 the department issued 56,760 trout licenses. This year, with figures practically complete, the number of trout licenses sold was slightly over 70,170.

A slight increase in the number of commercial fishing licenses is also reported. Last year the Department issued 1,432 such licenses. This year the number had increased to 1,482.

It's time to CHANGE to winter grades

WINTER is near

Is your car ready? Three steps are necessary to put your car in shape to meet the heavy demands of cold weather driving.

- 1-- Change the lubricant in the differential and transmission, using Polarine Transmission Oil (Winter) or Iso-Vis Lubricant (B).
- 2-- Have the chassis thoroughly greased.
- 3-- Flush the crankcase with Polarine Flushing Oil and refill with winter grade of either Iso-Vis or Polarine recommended for your car.

These three steps are vital to the good conduct and smooth operation of your car this winter.

Iso-Vis and Polarine meet every winter need. They maintain their viscosity and lubricate thoroughly at any operating temperature. They're highly refined and scientifically correct for all motors.

If you use Polarine—drain the crankcase every 500 miles for maximum efficiency and economy. If you use Iso-Vis, the constant viscosity oil—you can drive a thousand miles or more without changing, for Iso-Vis wears and wears and wears.

Berrien County News in Brief

OKLAHOMA OKERS EXTRADITION OF TRIO KIDNAPPERS

GATES AND TWO SONS FACE TRIAL ABDUCTION OF BERK GIRL

William Gates and two sons, Richard and Howard, alleged kidnapers of 15-year-old Marguerite Berk of Benton Harbor, were extradited from Oklahoma last week with the consent of authorities of that state, arriving in St. Joseph Sunday afternoon.

Chief of Police Fred Alden of St. Joseph and William Berk, father of the kidnapped girl, and deputy sheriffs Ervin H. Kubath and Charles Davis made the trip after the three men bringing them back in irons.

Special officers from the United States Department of Justice were in St. Joseph last week inquiring into the case and stated that the trio would be faced by federal charges if the state failed to establish a case.

Co. Medical Society Broadcasting From Berrien Spgs. Fri.

The Berrien County Medical Society broadcasts Health Talks each Monday at 12 o'clock noon over Station WEMC at Berrien Springs. Various subjects of Public Health have been discussed and the doctors will be glad to respond to requests for particular talks on diseases that are of general public interest. Address requests to station WEMC at Berrien Springs and they will be answered over the air at the regular period.

Amnesia Victim From Chicago is Found at Hartford

Abraham Joseph, 30, of Chicago, wandered away from the home of a relative, Mrs. Martin Hosbein of Coloma last week, and was found five days later at Hartford, unable to tell his own name or where he had been in the intervening time.

Bridgman Goes on National Air Map

Bridgman placed itself on the air map last week by the placing of a sign 200 feet long on the roof of the Mathieu & Son Foundry, reading, Bridgman, Mich., "the Biggest Little Town on the Map." The sign was painted by Crossman Bros., of Benton Harbor and is reputed to be the largest sign of the kind in southwestern Michigan.

In connection with its centenary celebration next summer, Montevideo, Uruguay, will construct three new hotels, a lighthouse of granite or marble, and expensive illuminations.

PONTIAC LADY FINDS HEALTH THRU KONJOLA

LADY SURPRISED AND DELIGHTED AT QUICK RESULTS FROM MASTER MEDICINE

MRS. FANNIE E. GLENNY "It is a serious matter to be sick—not to be able to meet each day's duties happily. All should profit by the experience of others as did Mrs. Fannie E. Glenny, 108 South Roselawn Drive, Pontiac, Mich., who praises Konjola in this fashion:

"At my age of 72 I felt that my nervousness would never come to an end. My sister, who knew of the merits of Konjola, insisted that I give this new medicine a trial. It was somewhat doubtful at first, but I noticed an improvement with the first bottle. My appetite increased and I was able to sleep better at night. This was a surprise to me. Six bottles of Konjola have given me the relief I have tried so long to find. Now I am able to do my own housework again. Konjola certainly is a wonderful medicine."

DONATIONS FOR UNITED CHARITIES ARE WANTED

Parties who have unneeded clothing donations for the United Charities or who care to make other donations are requested to leave them at the Buchanan State Bank.

Berrien County Medical Society to Meet in Dowagiac

The doctors of Berrien county will hold a joint meeting with the Cass county society in Dowagiac on Thursday evening, Nov. 21, at the Dixie hotel.

The Cass county society will act as hosts to the men from Berrien at a chicken dinner to be served at 6:30.

The speakers for the scientific meeting which follows the dinner will be Dr. Burton R. Corbus of Grand Rapids, and Dr. C. C. Boys of Kalamazoo.

Dr. Corbus will take for his subject, "The importance of diet and certain foods in particular diseases." The subject of Dr. Boys will be on a surgical topic.

The Cass county doctors usually attend the meetings of the Berrien County Medical society and this month have invited them as their guests.

Royalton Trappers Claim Record for Size of Raccoon

Raccoons are bigger and better than ever before in the history of Berrien County, according to reports brought in by hunters of record size specimens. The record reported for the year is a 22 1/2 pound swamp coon brought in by Joseph Brownlow and son, Hazen, caught along the banks of the St. Joseph River at Royalton. The pelt of the coon measured 50 inches from tip to tip, as compared with 42 inches, the length of the largest specimen ever captured previously by the Brownlows.

1911 coon bagged by H. L. Glosien and Ed. Hancock of Sedus, was the largest on record here until the Brownlows bagged their monster.

Kansas university authorities say their football gets \$75 a month from an alumnus. But he has to sell insurance, too.

Berrien Center Couple Celebrate 61st Anniversary

Mr. and Mrs. S. L. Snavely of Berrien Center celebrated their 61st wedding anniversary at their home on Tuesday evening of last week, children, grandchildren and great grandchildren to the number of 20 gathering for a delicious chicken dinner. Mr. Snavely is 92 years old and a veteran of the Civil War. He enjoys good health, save for the loss of his eye sight several years ago. Mrs. Snavely is 82 years old. They were married 61 years ago at the home of the bride's parents, Mr. and Mrs. Isaac Murphy.

Watervliet Bank is Scene Near Tragedy

The First National Bank of Watervliet, was the scene of an unusual tragedy Tuesday of last week, when Mrs. Marie Allen, 35, entered the bank and fired at Miss Onalee Wood, 20, the bullet narrowly missing her, and then turning the gun fired twice at herself, neither shot taking effect.

The two women had been very close friends, but the relationship had been broken off by the advice of the girl's parents, who considered Mrs. Allen too old to associate with their daughter. Mrs. Allen has been prominent socially at Watervliet, and was named as chairman of the Red Cross Drive.

United Meth. Choirs of Four Cities Will Appear in Concert

The United choirs of the Methodist Churches of Niles, Dowagiac, Cassopolis and Berrien Springs will give a concert at Berrien Springs, Tuesday, Nov. 26. The concert is to be free but a collection will be taken for the benefit of the Berrien Springs choir.

County H. S. Basket Season Opens Nov. 22

The Berrien Springs and New Troy high school basketball teams will open the cage season with a game in the gymnasium of the latter school Nov. 22.

EDITORIAL

(Continued from Page 1) If these were kept in good condition we would have an ideal field for sports.

The Chamberlain hills in the south make a very pretty background for the spectators at football and baseball games.

The whole park, especially the football field, is in need of improvement. It is so low that it stays muddy for days after a light rain. In late fall and early winter, it is actually below the level of McCoy's creek.

In the last few years, Buchanan has played many prominent schools. Because of the type of football our team displays, we have had bids from much larger institutions. It is really embarrassing to ask them to play on our field in its present condition.

Next Saturday we are inviting St. Joseph, a school with a good football field of its own, to come down here and play football in the mud. It is an asset to the community if the high school football team is good. It is an asset to have a football field on which the teams can play their best, and not be slowed down by the slipping mud. Therefore, the community would be benefited if the park commission were allotted a certain amount of money every year to be used on improvements for the athletic field. In a few years, we could have a park to be proud of.

Now if some scientist would find a way to make clouds strong enough for a plane to land on and do repair work everything would be great.

1929 Conditions May Result in Large Loss Trees

Millions of trees are facing starvation and premature death as a result of the unusual weather conditions which prevailed during the past eight months in many sections of the country, according to Martin L. Davey, president of the Davey Tree Expert Co.

"Trees manufacture their food in their leaves," Davey said. "It is a slow process and months are required to produce enough food to keep the tree healthy throughout the year."

"Last spring was unusually cold and the leaves were about a month late in coming out. The food manufacturing process was retarded. Then came the drought—

there was no rain to speak of in many sections for over two months. Without water, minerals from the soil and nitrogen from the air could not be converted into foods vital for plant life.

"Because of the drought, the leaves withered and fell this fall much earlier than usual.

"As a net result of the late spring, the drought, and the early falling of the leaves, the trees were able to store up only a fraction of the food required. Their vitality has been lowered; many have been so weakened that it is doubtful whether they can pull through next summer."

The effects of the bad season can be counteracted, Davey said, by properly fertilizing the trees. This should be done before the ground freezes or as soon as it thaws in the spring, he stated. The use of tobacco is increasing in China and Japan.

Saving Is Constructive

Saving now means satisfaction, comfort and happiness in the future. It will afford training and education for your children.

Automobiles and The Telephone

Thirty years ago the automobile was a novel plaything which only the well-to-do could afford.

Today the automobile is a necessity. Motor trucks and buses play a large part in the transportation of freight and passengers. Commercial motor vehicles are indispensable.

Motor cars take us out-of-doors, enable thousands to enjoy the advantages of travel and make accessible many beauty spots in every state. Commercially and socially, the automobile has broken down the barrier of distance and made neighbors of all communities.

Michigan leads the world in the development of the automobile. Great corporations, producing a majority of the nation's motor-driven vehicles, have made Michigan the center of automobile manufacture.

Closely associated with and contributing to the growth of Michigan's major manufacturing industry are the telephone wireways. More than 3,000,000 miles of telephone circuits in Michigan serve in the purchase of raw materials, the directing of manufacture and transportation, the contacting of dealers and the buying and selling of the finished product. Telephone wireways carry the voice of motordom throughout the country, and even overseas.

Thus, are wireways serving Michigan's great industry and aiding in the prosperity and growth of our state.

Our policy—"To continue to furnish the best possible telephone service at the lowest cost consistent with financial safety."

MICHIGAN BELL TELEPHONE CO.

PUBLIC SALE!

Having decided to quit farming we will sell at auction on the premises, 7 miles southeast of Buchanan, 5 miles southwest of Niles, 8 miles northwest of South Bend and 3 miles west of Bertrand on the old Chicago Road

Tuesday, Nov. 26
