

FARM FAIR AT B. H. S. FRIDAY

Orioles to Meet Waterliet in Charity Benefit Grid Event Sunday

Now Here's the Proposition

The Hero
Bi Hays

The while in bed I hover,
My hymn of tribute swells
To guys who kick the covers
A six or seven bells.
For who, in wintry weather,
Could other than admire
The guy that quits the feathers
To start the morning fire?

If he feels proud about it,
Why, very well he may—
Far, far from me to flout it,
I hope he stays that way.
He is the guy—you said it,
He really starts the ball.
His exploits call for credit
And he can have it all!

I hope he never ceases
Through all these wintry days,
And I, between the fleeces,
Will gladly hymn his praise.
I'll roll me in my blankets,
Of pride and shame bereft,
And sigh, "The Lord be thanked!
There's still one sucker left."

G. O. P. WILL RALLY HERE TUES. NIGHT

ORIOLES TRIM GOSHEN ELEVEN HERE SUNDAY

The Buchanan Orioles again
stepped into the winning column
Sunday when they successfully
routed an invading football team
from Goshen, Ind., by a score of
14-0.

Manager Frank Fabiano employ-
ed two sets of players, after the
manner of Kuntz Rockne. His
"shock" team was sent in first as
follows: ends, Ewe and Bristol;
tackles, Pierce, Comer; guards,
Mitchell and Clams; center,
Squier; quarterback, Chain; full-
back, Spadafore; half backs, Cooper
and Bob Morse. The shock
team scored a touchdown and safe-
ty in the first quarter and were
replaced by the regular lineup as
follows: ends, Dempsey and Burk;
tackles, Gregory and Campbell;
guards, Hawkes and Marry; cen-
ter, Squiers; quarterback, Savoldi;
fullback, Conrad; halfbacks, Chubb
and Pfingst.

GAME CALLED AT 2:30

Net Proceeds of Game Turned
Over to United Charities
for City Poor.

A city-wide campaign was in-
itiated this morning in behalf of
a sale of tickets for the benefit foot-
ball game to be played at the Ath-
letic Park here Sunday between
the Buchanan Orioles and the
Watervliet Independent team, the
proceeds above expenses being
pledged to the United Charities.

It is anticipated that a substan-
tial sum will be realized, inasmuch
as the money goes to a worthy
cause and the contest should con-
tain some high-caliber football if
the advance prospectus of the in-
vaders is correct.

Manager Frank Fabiano has as-
sembled a very creditable aggre-
gation of football talent in the Bu-
chanan Orioles this year, including
some of the best players recently
graduated from the Buchanan high
school.

His team defeated the strong
Goshen team 14-0 last Sunday and
lost to the South Haven team,
rated as one of the strongest in-
dependent eleven in Michigan by
a score of 13-0 the previous Sun-
day.

The team which nominally rep-
resents Watervliet is in fact made
up of a combination of ex-high
school stars from Benton Harbor,
St. Joseph and Watervliet. The
backfield is reported to be com-
posed of several of the best of the
ball carriers recently graduated by
St. Joseph.

Tickets for the game will cost 50
cents to all and are on sale at the
O. K. Barber shop at the Buchanan
Ice Cream Parlor and at the City
Service Filling Station. A selling
campaign is also being conducted
by the pupils of the Home Eco-
nomics Department of the Buchan-
an high school, under the direction
of the instructor, Miss Tina Skeels.

Lightning Wrecked Eaton Schoolhouse Thursday

MEETING AT WAGNER SAT. NIGHT

Will Discuss Reapportionment
and Fall Township
Elections.

JESS BOYLE TO SPEAK

Meeting Called for Saturday
at 8 p. m.; All Voters
Welcome.

Citizens of Buchanan township
will hold a mass meeting at the
Wagner Community hall Saturday
evening, starting at 8 p. m. for the
purpose of learning the signifi-
cance of the five amendments
to the state constitution which are
to be voted at the general election
in November.

The meeting will devote special
attention to the amendments pro-
viding for reapportionment of sen-
ators and representatives in the
state legislature and for biennial
election of township officers at the
same time as the general fall elec-
tion.

Jess G. Boyle, state representa-
tive spoke on the two above
amendments at the meeting of the
Wagner Grange Friday, and was
asked to repeat the talk at a gen-
eral meeting.

The text of the two amendments
is as follows:
Election of Township Officers
Amendment to Section 13 of Ar-
ticle VIII of the Constitution relat-
ing to election of Township of-
ficers.

Section 13. There shall be elect-
ed annually, on the first Monday
of April in each organized town-
ship, one supervisor, one township
clerk, one commissioner of high-
ways, one township treasurer, not
to exceed four constables, and one
overseer of highways for each
highway district whose powers
and duties shall be prescribed by
law. Provided, That in counties
having an assessed valuation of
not less than one hundred million
dollars as determined by the state
board of equalization, such town-
ship officers may, in the discre-
tion of the board of supervisors of
such county, be elected at each
general biennial election on the
first Tuesday after the first Mon-
day in November of even num-
bered years. The legislature may
by general law provide for the ap-
pointment by the township board
of each organized township of one
commissioner of highways, whose
powers and duties shall be pre-
scribed by law.

Apportionment
Amendment to Sections 3 and 4
of Article V of the Constitution to
number and apportionment of rep-
resentatives and senators in the
state legislature.

Section 3. The house of rep-
resentatives shall consist of one
hundred members. Representatives
shall be chosen by two years and
by single districts, which shall con-
tain as nearly as may be an equal
number of inhabitants and shall
consist of convenient and contig-
uous territory, with no township or
law. Provided, That in counties
having an assessed valuation of
not less than one hundred million
dollars as determined by the state
board of equalization, such town-
ship officers may, in the discre-
tion of the board of supervisors of
such county, be elected at each
general biennial election on the
first Tuesday after the first Mon-
day in November of even num-
bered years. The legislature may
by general law provide for the ap-
pointment by the township board
of each organized township of one
commissioner of highways, whose
powers and duties shall be pre-
scribed by law.

Parent-Teachers Meet Monday Eve.

The regular meeting of the Bu-
chanan Parent-Teachers Associa-
tion will be held Monday night,
Oct. 27th at 7:30 p. m.

An interesting program has been
prepared to follow the "business"
meeting. The program includes a
talk by Mrs. L. G. Fitch, a musi-
cal number and an address by Rev.
Rice. Refreshments will be served
by the social committee after the
close of the formal part of the
meeting.

VICTOR ROFINOT PASSES AWAY IN CHICAGO FRIDAY

MASTER MT. TABOR GRANGE
RETIRED MEMBER CHICAGO
FIRE DEPT. DIES.

Victor E. Rofinot died in Chi-
cago at the age of 53 years at the
home of his sister, Oct. 17, 1930.

He retired from the Chicago
Fire department after 25 years of
service in May 1924 and since
then had made his home at the
little farm four miles north of
Berrien Springs.

Mr. Rofinot had not been in good
health for some time but was a
very patient sufferer to the end.

He leaves a wife, Mrs. Clara
Rofinot to whom he was married
Sept. 26, 1907; an aged mother,
Mrs. Emma Rofinot and a sister,
Mrs. J. A. Berry and a few other
relatives besides a host of friends
both in Chicago and this com-
munity.

He was a member of the Meth-
odist church, Mt. Tabor Grange,
Masonic Lodge and Order of the
Eastern Star.

The funeral services were held
in Chicago, Monday, Oct. 20, at the
Englewood Avenue Church of the
Nazarene.

The floral display spoke silently
of the deep affection and sympathy
of friends. The pall bearers were
Charles Clarkson and James Clegg
of Chicago, Dean Clark, Walter
Fryman, Clyde Pennell and Bur-
ton Cable of Mt. Tabor Grange.

FARMERS TO HOLD MASS MEETING AT BERRIEN SPRINGS

WAYNE NEWTON, FARM BU-
REAU TAX SPECIALIST TO
SPEAK AT GATHERING.

Farmers of this district are in-
vited to attend a mass meeting at
the United Brethren Church in
Berrien Springs, Thursday even-
ing, Oct. 30, under the auspices of
the Michigan State Farm Bureau
and the Farm Co-Op stores of
Berrien county, for the purpose of
discussing matters of legislation to
come before the next session of
the state legislature.

A special consideration will also be
given to the reapportionment
amendment which is to be voted on
at the general election on Nov. 4.
Wayne Newton, tax specialist of
the state farm bureau, will discuss
the above matters. All farmers
and members of co-operatives are
invited to attend.

Rebekah Husbands
Have Stag Party

While the Rebekahs were hold-
ing their weekly meeting at the I.
O. O. F. hall Friday evening, the
husbands of twelve of the organi-
zation gathered at the home of R.
F. Hickok for an evening of cards.

After the lodge was dismissed, the
ladies joined them at the Hickok
home and refreshments were served.

Evangelical church Sunday even-
ing, when he will give his noted
lecture, "Twenty Years on the
Stage and Why I Left It." The ser-
vice will begin at 7 p. m.

LINK M-60 TO CITY IS MADE TRUNK LINE

Highway Com. Grover C. Dill-
man Announces Approval
of State Board.

NOT TO REBUILD NOW

Will Maintain at Expense of
State; Other Trunk Lines
Are Designated.

The mile and a half of stone
road from Buchanan to the re-
located route of M-60 has been
taken over by the Michigan High-
way Advisory and Administrative
Boards as a state trunk line, to be
maintained hereafter at state ex-
pense, according to a communica-
tion received recently by Jesse G.
Boyle from Grover C. Dillman,
state highway commissioner.

While the communication con-
tained no assurance that the road
would be repaved, it is assumed
that the fact of its approval as a
trunk line implies such reconstruc-
tion at an early date.

Other trunk lines which were
approved for Berrien and Cass
counties were the following:

1. Dowagiac west through Eau
Claire, connecting with U. S. 31
west of Eau Claire.

2. A trunk line connection south-
east of Niles between Niles and
U. S. 12 north of Elkhart.

3. A trunk line running south-
west of Niles to the Indiana
State Line, there to connect with
Indiana State Trunk Line No. 2,
running northeast from New Car-
lisle which the Indiana Highway
Commission has agreed to con-
struct.

Also 1.75 miles of trunk line on
the new route U. S. 31 through
Sections 29 and 32, Hagar town-
ship, to connect with the previ-
ously established northerly end of
the so-called Somerlyton cut-off.

Buchanan Debaters
Oppose Niles in
No Decision Tilt

Friday opened the season of de-
bating for Buchanan high school.
This first debate was held with
Niles at 3 o'clock in the high
school auditorium. About one hun-
dred students and visitors attend-
ed.

The question for debate was, Re-
solved, that national chain grocery
stores operating in the state of
Michigan are detrimental to the
people of the state.

The Niles debating team was
comprised of Lois Boone, first neg-
ative speaker; Donald Thomas,
second negative; and Charles Ren-
olds, third negative. Those on the
Buchanan team were Pauline Van
Every, first affirmative; Marvin
Greene, second affirmative; and
Philip Hanlin, third affirmative.
Maynard Post acted as chairman.

The debate with Watervliet is
scheduled for October 27. The
third debate will be with Berrien
Springs, Oct. 31. The first state
debate will be with Covert, Nov.
14.

Lillian Fabiano
Incurs Broken Leg
On Play Grounds

Lillian Fabiano, 7-year-old
daughter of Mr. and Mrs. Frank
Fabiano, and a pupil in the third
grade of the Dewey Avenue school
had the misfortune to incur a
double fracture of one of the lower
bones of her right leg Tuesday
evening, when a playmate jumped
off the teeter-totter on the school
grounds permitting her to fall. Her
leg was caught under the teeter-
totter.

The Buchanan district experi-
enced its first killing freezes during
the past week, the mercury slump-
ing from the summer tempera-
tures of the previous week to a
seasonal low of 20 degrees above
zero. The low point was reached
Tuesday night, followed by warm-
er weather Wednesday. The mer-
cury remained above freezing last
night.

COOKING SCHOOL OPENS YESTERDAY WITH 200 PRESENT

CONTINUES TODAY AND TO-
MORROW IN HIGH SCHOOL
AUDITORIUM.

The Berrien County Record
Cooking school opened yesterday
afternoon in the auditorium of the
Buchanan high school, with an at-
tendance of about 50 students of
the Home Economics classes and

MISS RUTHIE RILEY

150 ladies from the town and sur-
rounding territory.

The ladies attending expressed
general satisfaction with the ex-
cellent instruction by Miss Elva
Sargent and her assistant Miss
Ruthie Riley in the arts of prepa-
ration and refrigeration of foods.
Equipment used consisted of Hot
Point ranges and refrigerators
furnished by the Indiana & Mich-
igan Electric Company, which is
employing Miss Sargent for the
benefit of their patrons.

LOCAL GRANGE SAYS MASTER IS YOUNGEST

Ralph Hess is Elected to
Chair Wagner Grange
at Age of 18.

TAKES OFFICE IN NOV.

Perhaps Wagner Grange may
not have the youngest master of
any grange in Michigan, but until
some other grange proves differ-
ent, the members of that flourish-
ing farm organization are going
to claim such distinction in the
person of Ralph Hess, 18, who will
assume the honors and responsi-
bilities of such office at the first
November meeting.

Young Hess is the son of Mr.
and Mrs. Charles Hess and was
graduated two years ago from the
Buchanan high school, since which
time he has been farming with his
father on the home place. He has
served two years in subordinate
grange offices, first as assistant
steward and then as overseer. He
is a young man of unusual char-
acter and stability.

The retiring master is Clyde
Gunnay, who has served two years
in the chair during which time he
has built one of the strongest
grange organizations in the county.

Other new officers who will as-
sume their positions in November
are: overseer, Frank Wright; lec-
turer, Helen Norman; steward,
Will Whitaker; assistant steward,
Ralph Hess; chaplain, Anna
Wright; treasurer, Clyde Gunnay;
secretary, Bertha Whitaker; gate-
keeper, Tom Quirk, Jr.; Ceres,
Louise Dickow; Pomona, Ann
Quirk; Flora, Fairy Gunnay; lady
assistant, Bernice Harroff; pianist,
Virginia Hess; member executive
committee, Charles Dickow.

Masquerade Party
At Portage Prairie
Grange on Oct. 28

A masquerade party will be
held at the Portage Prairie Grange
Hall Tuesday evening, Oct. 28. All
grangers are invited to attend and
to bring their friends. A co-op-
erative lunch will be served. All
attending are requested to be pres-
ent by 7:30 p. m. Masks will be
removed promptly at 8:30 p. m.

Born to Mr. and Mrs. Lester
Doyle, a daughter, Florence, Cen-
sured, at their home on Dewey Ave.,
Friday, Oct. 17.

26 PUPILS LET OUT HALF HOUR BEFORE

Miss Lillian Hess, Teacher,
In Building, Has
Narrow Escape.

BULGES WALLS OF BLDG.

Necessary to Replaster and
Shingle; Closed Building
For Repairs.

The Eaton school house, Dist.
No. 5, Weesaw Township, 2 miles
northeast of Gallien, was partially
wrecked and the teacher, Miss
Lillian Hess of Gallien, narrowly
escaped death when the structure
was hit by a heavy bolt of light-
ning during the storm of Thursday
afternoon.

Miss Hess had dismissed her
26 pupils at 4 p. m. and was sit-
ting by a southeast window of the
school correcting papers while
waiting for some one to come to
take her home, when a double bolt
hit both ends of the building sim-
ultaneously, tearing out the win-
dow sash and shattering the glass
of the window at which she was
sitting, tearing the bench on
which she was sitting loose from
the wall. She states that she did
not feel the shock, although one
bolt obviously passed down the
frame of the structure within a
few feet from where she sat. She
remembered springing to her feet
as the room filled with dust from
crashing plaster and with smoke
and soot from the stove. She
found herself unharmed and ran
through the rain to the home of a
neighbor.

Due to the damage to the build-
ing it was necessary to close the
school and F. E. White, Gallien
contractor, was employed to make
repairs. The bolt which struck
the west end at the entrance
wrenched the door open and tore
the two hall doors leading from
the hall into the school room from
their hinges, tearing one to splin-
ters. The sill under the west end
of the building was partially torn
out. Several yards of siding were
torn from the outside, the shingles
were damaged so that the south
side had to be reshingled. Two
rafters were torn from the south
end of the roof. The east and
west ends of the buildings were
bulged outward and the plaster so
badly damaged that the entire in-
terior will have to be replastered.

The management has request-
ed that special credit be extended
to the parents of the students of
the agricultural department who
donated materials for the banquet.

L. R. Stanley, agricultural in-
structor in Benton Harbor high
school and one of the best fruit
judges in the state, will be pres-
ent and has agreed to provide the
apples for the judging contest.

County agricultural agent H. J.
Lurkins, will be present and will
act as poultry judge.

A total of \$50 in prizes is to be
presented in addition to the 12 sil-
ver cups. The latter are on dis-
play in the window of the Ham-
lin Jewelry Store.

tended special thanks to the fol-
lowing for their aid, E. N. Schram,

THE sales of New Red Crown Ethyl soar steadily. Its leadership is unquestioned. An engine fueled with this knockless gasoline fears no road or route. Smoothly—quickly it picks up speed. Smoothly—silently—it licks up the miles. That explains the amazing acceptance of New Red Crown Ethyl.

This super-volatile gasoline is making motoring pleasanter for more and more customers every day.

If Your Floors Need New Clothes See Wyman's New Carpet Fashions

Floors, too, need new clothes to get ready for winter entertaining. Decorators advise that smartest floors are wearing wall-to-wall carpet. Wyman's invites you to come now to the carpet section (third floor) to see the fall carpet fashions that have just arrived—as new and beautiful as your latest Paris frock.

Whether you want plain or figured carpeting—Neutral toned or gayly colored, you'll find it at Wyman's. Deep pile, durable plain carpeting comes in 24 beautiful colors to blend with every decorating scheme. Or, you may choose from attractive multi-colored figured carpeting in dozens of new designs.

Plain Carpets, \$2.45 to \$4.95 yd.
Figured Carpets, \$2.70 to \$5.50 yd.

Our Workroom will make up your carpet to fit.

After you have chosen the carpet you wish—Wyman's workroom will cut it to fit your room measurements. Then when it is laid, you will see how attractive wall to wall carpeting can be.

Wyman's Model Home is dressed for fall

Wyman's Model Home wears a new fall dress, too. You are cordially invited to visit it. Notice particularly the handsome new draperies of rayon damask at \$3.50 yard.

To Big Rapids.**

Pushing northward at a rate of several thousand feet a day over the 54 miles from Grand Rapids to Big Rapids, Michigan's newest telephone highway is one of the big construction projects being carried on in the state this year. It is a storm proof cable, being built by the Michigan Bell Telephone Company at a cost of nearly \$1,000,000. The cable is designed eventually to span the state to Mackinaw City. Besides carrying the long distance telephone circuits to the upper peninsula via that point, it will provide greatly increased long distance facilities for the industrial and resort cities of Western Michigan and extend the trans-state cable now connecting the most important points of the eastern, southern and central sections of the commonwealth. Replacing open wire circuits, it also will assure increased protection for the wires against interruption by storm and other agencies. The project, according to H. G. Shannon, manager for the Michigan Bell company in this area, is in line with the company's policy of not only building in advance of actual need so fully adequate service can be furnished, but also of improving the plant and service constantly. The Michigan Bell company is pushing work on one of the largest state-wide construction programs in its history. Included in the work is the erection of new buildings, extension of much exchange and long distance cable and the addition of central office apparatus at many points. The telephone construction program is providing work for many men throughout the state. In addition, the use by the company of large quantities of Michigan materials is giving employment to many people.

Relief from Curse of Constipation

A Battle Creek physician says: "Constipation is responsible for more misery than any other cause." But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the large, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose. Stop suffering from constipation. Chew a Rexall Orderly at night. Next day bright. Get 24 for 25¢ today at the nearest Rexall Drug Store. Wm. N. Brodrick. 16132

Six hundred and four wires, or 302 wire circuits are contained in the Grand Rapids-Big Rapids cable. The number of talking circuits can be increased to 450, however, by means of an arrangement known as "phantomling," whereby a wire of one circuit and one of another are utilized to create a third. To care for the present volume of telephone traffic, 106 circuits will be placed in use initially and others will go into operation as required.

Erection of poles to carry the cable began last fall and was completed this summer, provision being made to meet the needs of the future in that the poles are sufficiently heavy so a second cable can be strung on them when required.

Four towns along the route of the new cable will be connected to it. They are Rockford and Howard City, each one and three-quarters mile from the cable route, and Cedar Springs and Sand Lake, each approximately a quarter of a mile from the line. Where the cable enters the limits of Grand Rapids and Big Rapids, it will be placed in underground conduits. For the remainder of the distance, with the exception of approximately a mile, it will be built overhead. The mile exception is in a wooded area where there is possibility that forest fires would damage the cable.

Four other sections, totaling 101 miles, have been added this year to the trans-Michigan long distance telephone cable system, building of which began in 1921 with the first section connecting Detroit and Dearborn. The four new sections, completed at a cost of \$1,885,000, are the Jackson-Lansing section, the Benton Harbor-South Haven section, the Marne-Grand Haven section and the Grand Haven-Muskegon section. The latter is owned jointly by the Michigan Bell Telephone company and the Michigan Home Telephone company, operating at Muskegon.

The trans-Michigan cable extends from Bay City, Saginaw, Flint, Pontiac, Mt. Clemens and Port Huron on the east, to Detroit and Toledo and west from Detroit, thru Plymouth, Ypsilanti, Ann Arbor, Jackson, Battle Creek, Kalamazoo and Niles to South Bend, Indiana. Two sections extending north connect with Lansing, Ionia and Grand Rapids and immediate points. Other sections connect Niles and South Haven through Benton Harbor, and Grand Rapids and Muskegon, through Grand Haven. It also connects at South Bend and Toledo with the trans-continental cables of the Bell System, which have reached Chicago and St. Louis on the west from Boston and New York, on the Atlantic seaboard.

Along several sections of the system, two or three cables are required because of the demand for long distance service. A third cable is now under construction between Detroit and Toledo, and will be placed in use next summer. It will cost approximately \$1,210,000.

Require Permit To Carry Rifle in Deer Areas

A permit must be obtained by anyone carrying a rifle in an area frequented by deer at any time except the period November 15-30, despite the fact that seasons for small game are open in such areas from September thru December.

This is the opinion of Hugh E. Green, chief conservation officer as expressed in a letter sent to all conservation officers in the state. Application forms for gun permits can be obtained from any conservation officer. The applicant returns the paper to the officer who sends it to the district officer and then to the Lansing office. The permit is mailed directly to the applicant. There is no charge or fee.

County Board Raises Salary of Pros. Attorney

A vitual increase of \$40 per month in salary was voted to the county prosecuting attorney by the Board of Supervisors at the October session, the raise being made under the guise of an allowance for office rent to become effective Jan. 1, 1931.

The raise was made on the recommendation of the salary committee, which submitted evidence to show that the Berrien county prosecutor is the lowest paid in Michigan in proportion to the amount of criminal business handled. The amount will be paid in addition to the \$2,500 salary which the prosecutor receives at present and will raise the total to \$2,940 per year. An allowance of \$1,000 per year for a stenographer was made at the same time.

Harvey Holbrook, Democratic nominee for the office, notified the board that if elected he would not accept the raise.

"COMMITTEE OF 51" DENOUNCES POLITICIANS OF WAYNE COUNTY

ASSERT THAT WAYNE COUNTY PUTS PUBLIC FUNDS TO USE FOR PROPAGANDA TO OUTVOTE REMAINDER OF STATE IN SECURING ENACTMENT OF AMENDMENT TO CONSTITUTION PROVIDING FOR REAPPORTIONMENT AT THE GENERAL ELECTION NOVEMBER 4.

H. A. Starret, 201 Starret Land Company Bldg., Detroit, who is chairman of one of the largest political organizations in Wayne Co., the "Committee of 51" of the Property Holders' Protective Association, attacks the Wayne county politicians as follows:

My sympathies go to the people outside of Wayne county in the matter of the reapportionment amendment that is to be voted on in November. The reapportionment amendment is all to the advantage of Wayne County and much to the disadvantage of the rest of the state. But I cannot close my eyes for my own personal gain to the methods that are being used in Wayne County to put this proposition across.

The "Committee of 51" and myself always have been for fair play, whether we are gainer or loser in politics. The up-state counties may not know it, but the auditor of Wayne County informs me that the county of Wayne is dipping into the treasury to take the tax money and use it in this political campaign to out-vote the rest of the state. They are sending out political propaganda to every voter in Wayne county. I do not know what action the "Committee of 51" may take but I think everybody in the state should be informed of this. If such action is just and right, why, similarly the state government could take its money to defeat Wayne county. Or all the counties could use their money in politics. The thing is preposterous.

Doesn't it seem as though only a deadened conscience of what is right and wrong could possibly allow such a procedure to exist? The newspapers in Detroit remain silent and dormant. It is up to the press of the rest of Michigan to denounce the procedure of these politicians of Wayne county. Does not such action lack sportsmanship and the decency expected in any game? Isn't it doubtful whether such actions are much of an argument to allow such politicians to handle the affairs of any county, let alone the state. The Detroit City Council controls Wayne county. While this amendment may be

NO EXCUSE FOR A "SPLITTING HEAD"

There's no need for an aching head to spoil your day. At the first warning throbs take Dillard's Aspergum. Chew it a few minutes. Almost before you realize it, you have chewed the pain away. It's as simple as that—no trouble, and harmless—for Dillard's Aspergum is the new and easier way to take aspirin.

Dillard's Aspergum is the finest aspirin in delicious chewing gum form. You can take it any time—any place. You need no water to swallow it down. There is no unpleasant taste—no choking. Because you chew Dillard's Aspergum the aspirin mixes thoroughly with the saliva so that all its soothing qualities are effective quickly, continuously.

Keep a package of Aspergum on hand for quick, harmless relief from the pain of headaches, neuritis, neuralgia, etc. It helps break up a cold, and soothes irritated throats, even such severe cases as follow tonsil operations. If you're a doctor, don't have Dillard's Aspergum, send for free sample to Health Products Corporation, Dept. A, 115 North 13th Street, Newark, N. J.

very advantageous to Wayne county and to the property owners of Wayne county, I wish all the people in the state to know that there are some Detroit people that feel that honor should go ahead of monetary gain.

If an actual subdivision of government is going into a campaign and using that as an organization for politics, then what subdivision of government is going to oppose this county? Is the state government to use its money? Is every other county in Michigan going to spend the tax money and send a pamphlet to every voter? The people of the entire state should wake up to the depths of political degradation that can exist in Detroit and Wayne county without newspaper comment. The question can be readily asked, "Is the State of Michigan safe in the hands of Wayne County politicians or is it better to leave the districts of Michigan as they are now, in the more honorable hands of up-state counties?"

The "Committee of 51" of the Property Holders' Protective Association fights tax battles but what action they will take in this regard I do not know. Those interested in putting up a battle for tax reduction in this state write me. We want people in every county that we can communicate with in cases where our tax money is spent wrongly or by subterfuge things are done that should not be done. I sympathize with you because this is the very same despicable action that the "Committee of 51" of the Property Holders' Protective association went up against in the subway fight. The use of the taxpayer's money to crowd down the throats of the people the viewpoint of the politicians in power. This should be sufficient warning to you. Get some funds together and be on

your guard. Think of it, Wayne County's tax bill against the home owners was actually increased this year under these trying conditions and this tax money is being used by politicians for such purposes. Counter action is needed.

Unemployment Insurance Theme Debating League

Unemployment insurance will be threshed out by college debaters during the winter season, it was determined at a meeting in Lansing last week of the Michigan Debating and Oratorical League. The topic of debate for the league, chosen at the meeting is: "Resolved, that the several states shall enact legislation providing for compulsory unemployment insurance, to which the employer shall contribute. Constitutionality is waived. All plants employing less than 10 persons shall be exempt from provisions of the law. The term 'contribute' shall mean, contribute in addition to general taxes. Colleges belonging to the league are: Albion, Alma, Adrian, Calvin, Battle Creek, Detroit City, Hillsdale, Michigan State Normal, Olivet, Central State Teachers, Hope, Western State Teachers, and Michigan State.

Buchanan Grid Men Vanquish Three Oaks 7-6

BOTH SCORES
RECORDED IN
2D QUARTERGun Halts March of Bucan-
cers to Two Additional
Touchdowns.

END PLAY ON 8 YD. LINE

Locals to Meet Niles High
School on Latter's
Field Saturday.

A scrappy, hard-fighting Buchanan football team won their first victory of the season at the Athletic Park Saturday. The Buchanan team has played "off-and-on" football this season, but against Three Oaks they were really "on."

The Bucks displayed the power they showed against Riley, but still failed to get the breaks of the game. The gun robbed the locals of possibly two touchdowns, and the cold hampered their handling of the ball.

Three Oaks scored first, getting their tally in the middle of the first quarter. Schneider got away for a few good sized gains and, with the aid of a short pass, got the ball on the Buchanan three-yard line. Here Buchanan held, but Schneider finally slid off tackle for the touchdown. A running play for the extra point failed. It was the Acorn's first touchdown this season.

Buchanan came right back, however, and with straight football and a pass to Louie Morse mixed in, advanced the ball to the two-yard marker. Then the ball was given to Eisenhart and he dove over the center of the line for Buchanan's first marker of the season. Louie Morse elected to run with the ball for the extra point and the Acorn's first touchdown was over the line from the tackle position for the point that eventually won the game.

Buchanan came right back in the second period and marched to Three Oaks' twenty yard line with first down. The gun halted all progress here, and the Bucks lost another good chance.

The second half found Buchanan in possession of the ball most of the time, but they could not put it over. In the final minutes of play, the Bucks put the ball on the Acorn's 1 yard stripe. Chubb and Imhoff made it first down on the Acorn's eight yard line, and the visitors took time out. On the first down Louie Morse made about two yards, and the game ended just before the ball was snapped for the next play. The play continued, however, and Chubb went over easily, but too late.

Buchanan journeys to Niles next Saturday to battle with the strong eleven from that city. Niles has a good team this year, but were beaten last week by St. Joseph by a score of 33 and 7, this being their first defeat. Previous scores do not mean much when these two rivals meet, so everyone looks for a hard game.

Buchanan lineup: J. Letcher, R. E.; P. Letcher, R. T.; Hamilton, R. G.; Dempsey C.; Thompson, L. G.; DeWitt, L. T.; Dretzler, L. E.; Louie Morse, Q. B.; Lauren Morse, R. H.; Eisenhart, L. H.; Chubb, F. B. Substitutions, Imhoff for Eisenhart.

Scores by quarters:
Buchanan 7 0 0 0—7
Three Oaks 6 0 0 0—6

Junior Girls

Victors Over the

Seniors 3 to 1

The Juniors started with a 3-1 victory over the Seniors in the double round tournament being played in soccer. The other scores were as follows: Sophomore-Freshman, 5-0; Senior-Freshman, 5-0; Junior-Sophomore, 1-0.

The winning team will be given fifteen extra points for their G. A. A. points and the captain of the winning team will also receive fifteen points.

A varsity soccer team will be chosen at the close of the soccer tournament. It has not been definitely decided whether Buchanan will play Niles this year or not.

Enter Best Designs
in County Exhibit

Mrs. Weaver's eighth grade arithmetic classes are working on modernistic designs which have to do with their study of triangles, circles, squares, and oblong figures. The best ones will be entered in the county fair, which is to be held in the Buchanan high school, Friday, October 24.

SIDELINE ECHOES

Yes, sir. The locals came thru and took their first victory. A good, well earned victory for Buchanan seems to be quite a novelty, but it feels good to be on the long end of the score for once.

Saturday's game showed that the Bucks can really play football when they want to. The backfield was blocking nicely in the interference, and the line was actually doing some real charging. Maybe this win will give the Bucks the little confidence that they sorely need. We hope so.

Buchanan has played four games this season and have yet to get the breaks in any game. Saturday the gun robbed the locals of possibly two touchdowns. In the first half the Bucks had the ball on Three Oaks' ten yard line and first down when the half ended. And when Buchanan had the ball on the Acorn's eight yard marker and first down, the game ended about three seconds before Chubb went over for another touchdown. The other games were no better. A good horseshoe might help.

The weather man surely enjoyed

himself fooling around with the temperature. It was all that the Bucks could do to hang on to the ball with their frozen mitts. However, they completed some nice passes.

The big game of the season for the locals comes off this Saturday at Niles. Every loyal fan should take the short trip to Plym Field and do some real rooting for the Bucks. Last week's game showed that Niles could be beaten and that B. H. S. has the power to win. Let's all turn out and give the locals some high-class support.

Facts About
Football Fellows

A glimpse into the private life of B. H. S. football stars.

According to his own story, "Spot" Dempsey, local captain killed two and one-half rabbits the other day. Robert, who is as skilled with the shot gun as Bill Tell was with the arrow, completely annihilated the first two, but the third one was only half-shot (we might say crippled) and made his escape.

It is rumored around the school that there will be a great flood in this section soon. It will even be worse than the last time that the McCoy's creek over ran its boundaries. The reason for the rumor is that our diminutive coach, none other than H. C. Bradford, is constructing an ark at the manual training building. It is also rumored that he is seeking a fair damsel to christen it, but if he doesn't find one, Mr. Robinson will do the bottle-breaking act.

If you desire to play any of this year's football games over, just report to the general store at Dayton, Mich. Most nights you will find Dale Hamilton, "Big Pete", and "Little Pete", Donley, the Frame brothers, and Charlie Cripe discussing the various plays and odd happenings in the shelter of the establishment. These lads mentioned, who as you know are prominent B. H. S. football men, prefer the quiet of the store to the hustle and bustle of the main street.

Roger Thompson is seriously thinking of being a great man in the automobile business. The acquisition of a snappy Ford roadster settled all doubts of his future occupation. It really will run when he isn't exploring chambers and grinding valves. However, this machine seems to attract the fair sex, so maybe that is why he insists on driving it.

Mr. Philip Hanlin, who acts in the official capacity of student manager, and who also is quite a big man in the running of school affairs, has at last found an excuse to avoid carrying the bag of helmets down to practice every night. He reported to Mr. Knoblauch for the debating team and either by means of hush money or through his excellent powers of persuasion, managed to land a position as anchor man or third speaker on the varsity.

If you saw some of the local football men dressed in flowing robes or queer suits, it wasn't because they were being initiated into any fraternity or athletic association. They were only dressed for their parts in the tense drama enacted by the junior English classes. Such actors as John Stayer, James Eisenhart and Philip Hanlin proved their ability on the stage as natural for them as their ability on the athletic field.

Buchanan's reserve center, Harry Dumbolton, was hardly expected to dress for the Three Oaks game. The Wednesday evening before the game "Posky" was initiated in the Order of DeMolay, which, it seemed, took quite a bit of courage to endure. His rugged build and iron nerve pulled him through, however, and he was even able to report for practice the next night.

It takes all kind of people to make a world.

Yes and I'm very glad I'm not one of them.

Farmers sometimes pay so much attention to their crops that they neglect their filling stations.

BERRIEN SPRINGS
WOMAN SPEAKS AT
ASSEMBLY FRIDAYMISS B. SPARKS DESCRIBES
VISIT TO EUROPE AND TO
PASSION PLAY.

General assembly program was opened Friday morning with a duet by Mrs. Thompson and Mrs. Pascoe, accompanied by Mrs. Ormiston at the piano.

The speaker was Miss Bertha Sparks from Berrien Springs, who traveled in parts of Europe with her mother last summer. She related an interesting sketch of the country.

Most of her time was spent in Germany, where she visited the Passion Play. She stated that trains in Germany are much superior to trains in America in convenience and comfort. The roads and streets are paved. The people specialize in wood carving and sacred subjects are the most outstanding.

Miss Sparks and her mother visited the Passion Play shortly after they arrived in Germany. For ten consecutive years the play has been presented annually. The audience is made up of about 2,500 people, mostly German.

Like most of us is a chorus of about fifty people robed in long white gowns with blue mantles over their heads. Most of the voices are masculine. There are about three soprano voices.

The play consists of a prologue which was introduced by Anton Lang. The characters wear gorgeous gowns and the girls have beautiful hair. Christ is the most outstanding character. He is a very masculine figure with brown hair and wears a long white robe.

The last supper scene is the longest and most impressive. The crucifixion of Christ is just as it is in the Bible. Judas is the most outstanding character. The last scene is the revival of Christ.

After relating a history of the Passion Play, Miss Sparks took her audience through parts of Austria, Belgium, Hungary, England and France. Most of the countries are still backward and England, like the United States, is under the grip of unemployment.

In School Speech

Students of the local high school are now watching their speech for errors as a result of English Essentials tests given last Tuesday. The Alpha Beta and Gamma tests are to be given in three parts: the Alpha test at the first of the year, the Beta test to be given in January and the Gamma test to be given in April. Buchanan high school will enter the contest for the school making the greatest improvement between the first and last tests. The prize is a large silver loving cup. Last year the high school stood seventh place in the contest.

THE REPORTING INQUIRER.
Do you think the Agricultural Fair to be held here this week will benefit our school in any way? If so, how?

Yes, I do think the fair will benefit our school. It will increase the popularity of our school and give it a name in agricultural works. Jim Eisenhart.

The fair to be held this week will be a benefit to all people connected with or interested in it. The fair will help our school to see what is being done in other schools. The judging contests will help all entering. The fair will bring the parents in closer connection with the school. There also will be fun to be enjoyed by all. Arnold Rothfuchs

I think the fair will benefit our school because it will tend to unite Buchanan's school with other schools of the county. It will also give the students of each school, as well as the parents and teachers, a chance to see the progress that is being made along this line of work in our schools and in other schools. Carl Linsenmier.

Yes, the agricultural fair to be held here this week will be undoubtedly one of the most attractive functions this school has ever had. One trouble with B. H. S. is that we do not have enough new functions, or varieties of functions and as this is certainly new we should all "laud it to the skies." Richard Brodick

Playing Safe
The two men had sheltered together in the same doorway for half an hour, waiting for a lull in the torrential and unceasing rain. "Will it never stop?" asked the pessimist. "It always has," replied the optimist.

SCHOOL SLANTS

Miss Shriver has charge of ninth hour this week. Oh! Oh!

Mr. Ormiston and family spent a cool week end at their summer home at Saugatuck, Mich.

Miss Helen Hanlin, teacher of freshman English, instructor of senior Journalism, director of junior plays and assistant advisor of the sophomore class, attended the Notre Dame-Carnegie Tech game last Saturday.

Miss Rothenbach, our beloved physical education teacher, attended the Illinois-Northwestern game last Saturday and outside of a freezing temperature a defeat of 33-0 for Illinois, and other small casualties too numerous to mention, she spent a very enjoyable week end.

We hear that "Art" Anderson, "Harry" Pierce and "Olive" Knight have made the first division in English at Michigan State. Hurrah! Quite a compliment for them, and also for our English department.

Heh! Heh!

A boy on his way to school ate too many green apples. As he took his seat the teacher asked him to name the present season. The boy arose in spite of the pain in his stomach.

"I'm sure it's not the apple season," he said timidly. "How do you know that?" inquired the teacher. Without a second's hesitation the boy replied, "I have inside information."

We read stories about Columbus for Columbus Day. We read an interesting account of an old book that was written by an old friend of Columbus. It told new facts about Columbus' life.

We are making Halloween things in Art. We made charcoal drawings of owls. These made a pretty border for our bulletin board.

This week is vegetable week for this grade. We are going to eat many different kinds of vegetables. We are making vegetable jack-o-lanterns out of paper. They have radish eyes, tomato ears and some other vegetable for a cap. We are making a vegetable parade too. Watch this column next week to find out what we did.

This week was a banner week for attendance. No absences and no tardiness.
Our banking percentage is gradually creeping up. Only nine banked the first bank day and last Tuesday all but seven banked.

Billy Snyder brought us a couple of plants for our room.

Mrs. Lamb gave us some health rhymes and we used them for our health lesson that day. We are trying to obey and remember them.

Fifth Grade, Miss Hopkins
Those whose names appear on the Dental Honor Roll are John Diment, Agnes Kovich, Clifford Keller, Robert Russell, Wanda To-pash, Ovid Thompson, Lawrence Zupke, Louis Schindler, Betty Kneller, Isabelle Pemberton, Eileen Goehring, Dana Walls, Gladys Remington, Cecil Stewart, Mabel Bennett, Esther Canfield, Ruth Willsey, Virginia Lolmaugh and Jeannette Flanagan.

Two guinea pigs spent a day in Miss Hopkins room the first of the week.

First Grade, Miss Carnagan
Philip Sands is back in school after spending a week in northern Michigan. He brought us some birch bark and porcupine quills.

We are making things for Halloween this week.

Craig Robinson and Duane Arndt have their names on the Dental Honor Roll now.

We have several new house plants.

Third Grade, Miss Simmons
We now have seventeen names on our dental honor roll.
Thirty pupils stood 100 per cent in spelling this week.

Donna Smith is still unable to attend school. We hope she will be sufficiently recovered to be in school next week.
Miss Simmons has called at the homes of thirty-two of her pupils.
Fourth Grade, Miss Clayton
Winston Sands has returned to school after a week's absence. He took a trip through northern Michigan. On Wednesday he will tell the class the story of his vacation. We appreciate the birch bark and porcupine quills he brought to us.
Monday we observed Columbus Day. The children cut their ideas of the boat Columbus used.
We would appreciate the help of parents in urging the children to bank regularly.

Sixth Grade, Miss Abell
We have twenty-four on our Dental Honor Roll.
The Book Club held its meeting for the first time. The following officers were elected: President, Margaret Huse; Vice President, Ruth Babcock; Secretary, Melvin Campbell; Treasurer, Eva Kovich.

We find it very interesting to study rocks.

We have quite a collection of butterflies.

Section 4. At the first regular or special session of the legislature following the enumeration of the inhabitants of this state in each United States decennial census, the legislature shall by law in accordance with the provisions of this constitution rearrange the senatorial districts and apportion anew representatives among the counties and districts, according to the number of inhabitants, using as the basis therefore said preceding enumeration; provided, however, that if the figures as to the population of this state by counties according to said enumeration are not available before or during such session, then the legislature shall carry out the provisions of this section at the first regular or special session following the time when such figures are available. If, for any reason the legislature shall not comply with the provisions of this section, then the secretary of state shall forthwith re-arrange and apportion the districts and apportion anew the representatives in the legislature. Immediately after the secretary of state has performed the duties hereinbefore required of him, he shall file in his office a certificate showing the territory included in each senatorial district and showing the apportionment of the representatives among the several counties and districts, and such rearrangement and apportionment shall become effective at the time of said filing. Such certificate shall be included in the next succeeding publication of the public acts. When senatorial districts have been rearranged and representatives apportioned anew and any county divided into state representative districts by the act of said legislature, the same shall not be altered until after the enumeration of the inhabitants of this state in the next United States decennial census.

PLEADS PUBLIC'S PRIVILEGES IN THE INLAND WATERS

CHAIRMAN GAME COMMISSION SAYS PUBLIC FISHING RIGHTS DISAPPEAR

William H. Loutit, executive chairman of the Conservation Commission, talking before that body at its October meeting, pleaded a plea for the public's rights in inland waters and urged that some plan be formulated that could be used as the basis for possible legislation.

"Since 1899 we have had such a law on the books, dedicating the Great Lakes marshes and related land to the perpetual use and benefit of the public for fishing and hunting, but where is there any law relating to our inland waters?" he said. "Almost nothing of the sort."

"The question today of 'where shall we fish?' is as important as the question of 'where shall we hunt?' This is true in connection with trout waters and increasingly important in connection with many inland lakes.

"While there is enough of anything to go around, and while the supply of anything exceeds the demand, there is no real shortage and even though there are lawful owners for such property, they do not assert their ownership. But as the demand begins to equal the supply, the values become tangible and owners begin to claim their lawful rights and to resent trespass, and in one way or another the general public gets fenced out. That is what has been happening in connection with hunting and fishing," Mr. Loutit said.

Court decisions and injunctions, in lieu of legislation have barred the public from many waters. The courts have held that the owners of shore property, whose deeds run down to the meander line only, have been presented with the right to control hunting and fishing in front of their shore property, and even though that is navigable water and even though the shore owners can't show a deed to the land under the water. This is, one example, he said of the situation as it exists.

"Little by little the public rights and equities seem to have been whittled down and to be disappearing, and I'm wondering what, if anything there is to do about it. I'm wondering in particular whether there isn't something we might do in the way of specific legislation to put a solid foundation of statutory law under these affairs. I'm wondering whether there is not power in the legislature to get back some of what has gone into private lands and prevent further whittling away of public rights and equities in our waters."

No, Just Dreaming
"I should like a porthouse steak with mushrooms," said the stranger, "and some delicately browned toast with plenty of butter."

"Excuse me," interrupted the waitress, "are you trying to give an order or just reminding about old times?"

"Mrs.—I often wish you would give me a little money without my having to ask for it."

"Mr.—I often wish you would give me the chance."

FOUNDER GREAT MICHIGAN DRUG INDUSTRY DIES

GEORGE S. DAVIS OF PARKER DAVIS & CO. DIES UNNOTED IN DETROIT

Dead at 55, forgotten by most people in a great city of whose greatness he was a part, unremembered by councils and trade associations which only a few weeks ago were sad-eyed with sorrow over the death of the idol of a moment, there passed away in Detroit, a great contributor to the industry of Michigan, a great founder whose work was important before the gasoline age began. George Solomon Davis was the man who died and was laid away with very little recollection of his foundations. Does the reader recognize the name of a founder in that of George Solomon Davis? Probably not. Yet he was the founder of the pharmaceutical industry of Michigan, unless one cares to ask his memory to share the honor of foundation with Frederick Stearns. They were men of a period, of the early 70's. They were both cognizant of the immensity of the market which was being enjoyed by the patent medicine and the nostrums of 60 years ago, the specifics so well advertised which formed a part of the stocks of every general store in the country and which were used to treat the auto-diagnoses of a rather ignorant people. The patent medicines were secret formula stuff, the secret generally being of so simple a mixture that it was hardly worth while keeping. But the usual five cents worth was sold at a dollar or two for an eight ounce bottle, and people were dosing themselves with it liberally. Mean time fortunes were being made out of it like that of J. C. Ayer in Massachusetts, who reinvested his profits in Northern Michigan iron and timber land, and that again of Dr. Hostetter, who put up burdock root and chamomile in high wines and offered people of sensitive mind about indulgence in alcohol to dose themselves with the forbidden beverage under the guise of medicine. Dr. Pierce of Buffalo, was another of the fortune producers who sent out proprietary medicines by the million bottles and grew fairly rich therefrom.

George Davis and Frederick Stearns recognized the evils and the commercial advantages of the situation about the same time. They felt that standard prescriptions could be put up with open formulas and become the basis of medical treatment by legitimate physicians. They recognized that the herbs which formed so large a part of the pharmacopoeia could have their active principles derived from them in well-appointed laboratories and put into fluid and solid extract form to hold their medicinal virtues therein until the moment of dispensing. They felt that there was an unexplored field of discovery in vegetable medicines and sent botanists and explorers unto the ends of the earth to look for new simples and new specifics. We will never know whether it was Davis or Stearns' explorers who discovered the virtues of Cascara Sagrada in their explorations in tropical America. Whichever it was, there was glory enough in it for two.

Then George Davis, with Hervey Parke as his capitalist partner, saw a new field for medicinal exploration open up before him. The values of the drastic ferments were just being measured, quite as in this day and generation we are beginning to value the vitamins enough to give each new one isolated an alphabetical designation. So he brought into the service of his company, by now Parke, Davis & Co., the great drastic ferment Chemist from Japan, Dr. Jokichi Takamine, and from that time on the digestants became a part of the firm's output. He even survived until the field of biological products for human and animal use began to be explored.

With these backgrounds and a tremendous knack of getting his products on the market, the Parke Davis laboratory became known throughout the world. It had its houses in London, in Germany, in India and in Australia. Governments equipped their army medical services with pharmaceutical products which had their origins in Detroit. George Davis' salesmen were so alert that they captured business for their products from users long before the moment of necessity for their use had arrived. Six months before the Russo-Japanese war was thought of, the late J. C. Spratt, sold half a million dollars worth of supplies to a Japanese deputy surgeon-general whose nation knew there was going to be a war and whose superiors were preparing for it. All over the globe Detroit pharmaceutical preparations were being put at the service of the sick.

Somehow, George Davis lost his grip on his institution. He had longevity as an asset. His father, Solomon Davis, lived to be near the hundred mark, and so, George Solomon Davis, the son, after he lost his grip on business, survived into modest and reminiscent old age which lasted to his eighty-fifth year. Meantime a new generation had come in with the endowment of youth long passed from him and he came to be forgotten in places where once he had been famous. When he died there was scarcely a note of his passing in the metropolitan newspapers. The men who make them are of a generation which has forgotten who he was.

Experience With Eye Strain

Will prove these facts—that there is no permanent benefit from resting the eyes. That the strain produces headaches and other ills. That you cannot concentrate on your work as you should. That you become nervous, restless, ill tempered. Here is one more fact—the only way to overcome these conditions is to be accurately equipped with glasses. That's our duty.

Candidate for
Register of Deeds
Visits Buchanan

Vincent O'Neill, Democratic candidate for County Register of Deeds, was a visitor in Buchanan two days this week conferring with local democratic leaders and meeting the voters here. Mr. O'Neill has been a resident of Benton Harbor for the past seven years, coming to that city as organizer for the security department of the Interstate Fuel & Light Co., which has its Michigan headquarters there. He has had an extensive business experience. He served in the World War and is a member of the American Legion. He states that he is well acquainted with the present incumbent of the office and is making no campaign against him on the grounds of efficiency other than a strictly partisan contest.

Methodist Episcopal Church
Thomas Rice, Pastor

You will find a happy hour of fellowship in song and study in the Sunday School at 10 o'clock. Mr. Ormiston is the leader of the adult department and Mrs. Lura French of the Junior.

The worship hour is at 11 o'clock. The special music will be an anthem by the chorus choir. Sermon subject, "What Does God Expect of Us?" We plan to make this service as helpful as possible and we would like all who attend the Sunday School to stay for this service. We close promptly at 12.

Junior Epworth League at 5 o'clock. Ruth Schindler is the leader. Senior League at 6 o'clock. Claude Young is the leader. Keith Bunker and Lauren Morse were good leaders last Sunday and led an interesting and profitable discussion for young people. Both leagues are popular among the young set and seem to be on the increase each Sunday. Evening service at 7 o'clock. Subject of address: "Should We Seek or Shun Suffering?" The choir will give an anthem and the congregational singing will be under the capable leadership of Arthur Johnston.
Mid week service at 7:30 p. m. Thursday. This will be a Bible study hour. Please read the first letter of St. John as that will be the basis of our study.

The members of the choir of the First Methodist church of South Bend will give a sacred concert either Sunday night, Nov. 2, or Nov. 16. This will be a very attractive number. Further announcements later.

Service at Oronoko at 9 a. m. Folks in this neighborhood will find this hour of worship to be a good way to begin the Lord's day. Try it.

Christian Science Churches
"Doctrine of Atonement" was the subject of the Lesson-Sermon in all Christian Science churches on Sunday, Oct. 19.

Among the citations which comprised the lesson-sermon was the following taken from the Bible: "And in the same hour he cured many of their infirmities and plagues, and of evil spirits, and unto many that were blind he gave sight." (Luke 7:21.)

The lesson-sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The mission of Jesus confirmed prophecy and explained the so-called miracles of olden times as natural demonstrations of the divine power, demonstrations which were not understood. Jesus' works established his claim to the Messiahship." (p. 131.)

Redeemer Lutheran
Corner Front and Main, 2nd Floor
O. E. Sohn, Pastor

The service on Oct. 28th will be omitted owing to the Mission Festival at the Niles church. Our members and friends are cordially invited to attend the festivities at Niles.
