car you can buy? The answer lies in five outstanding factors of Chevrolet economy:

1. Efficient Engine Design makes Chevrolet fuel consumption so low that 20 miles to the gallon of gasoline is nothing unusual for a Chevrolet owner.

2. Modern Chassis Design-as evidenced by Chevrolet's long heavy frame, four parallel-mounted springs, and smooth-running six-cylinder engine-increases the ability of the Chevrolet Six to run dependably, day after day.

3. Excellence of Manufacture also adds to Chevrolet dependability and long life. Chevrolet pistons, for instance, are built so carefully, and held true to such close limits of pre-
