

## GRANGE SPEAKER HITS AT TAX STRIKE

Buchanan Will Return to Central Standard Time Saturday Night

Now Here's  
the  
PropositionA WOMAN'S JOB  
(Written for Anna, down on  
the farm)  
By Haws

There's lots of work that a man  
in view.  
Of his dignity kin scarcely do  
A lot of these waitin' jobs and  
such.  
That don't mean nothin' an' don't  
pay much.  
Like tendin' babies an' washin'  
duds  
An' wipin' dishes and scrapin'  
mud.  
Like seemin' that hungry mouths  
are fed  
An' dustin' parlors an' makin'  
beds  
An' puttin' round the whole day  
through  
On stuff just nobody else'll do  
Just hossin' garden and huntin'  
eggs  
Till she's all wore out in her  
back and legs.  
The things that a man can't do  
for pride—  
Too important and dignified;  
This fussin' an' cleanin' with mop  
and swab—  
All that sort of stuff is a wo-  
man's job.

But nevertheless if deeds of love  
Are the price of entrance through  
gates above  
And give to heaven a tite fair  
There ain't no doubt as to who'll  
be there.  
If there's any man from this  
world of sin  
Kin kid St. Peter to let 'em in—  
"Come right on in boys," will say  
St. Pete  
But grab on a dust rag and broom  
foot sweet  
This golden street don't clean it-  
self  
So check your halo upon a shelf  
You've had it easy—now stir  
yourself.  
The place for you here is the  
maintenance squad,  
For playin' a harp is a woman's  
job."

She's Only a Linotype Operator  
But Suje is the Boldfaced Type

Mrs. LaVerne Dalrymple added  
one more to her already imposing  
list of birthdays Tuesday, observing  
the occasion by dodging out  
of the office ten minutes early to  
connect with a three-layer cake at  
the home of her mother, Mrs.  
Henry Smith.

Women Object to  
Two-Timing

Half the women in town were  
calling up Mayor Hathaway and  
Commissioner Hiller on the time  
question last week. It seems they  
had been two-timing them.

It Was in the Paper But  
They Couldn't Read

The popularity of Mayor Hathaway was at a low ebb early Sunday morning, when 3,638 of Buchanan's 4,000 inhabitants got up to dry faucets and had to take their choice between washing their face and having coffee. Most of them, we infer, drank coffee. Some worked a combination. A lady blessed the city administration and then went to a hydrant further down the hill, lugging back some water and arriving just in time to find the water back on. One gentleman left the faucet open and left the house, returning to find the water back on and the cellar afloat.

But the popularity of the administration rose again when the men and small boys found out that they had an alibi for staying home from Sunday School.

Grades Compete in  
Enrollment Parents

The grade rooms of the Buchanan school up to and including the sixth, are engaging in a competition in enrollment of parents in the Parent-Teachers Association. The contest will end next week, and the winning room will receive a prize. Mrs. E. N. Schram, is in charge of the contest.

Cub Pack to Hold  
First Meeting Fri.

A meeting will be held at the high school Friday for the preliminary organization of a Cub Pack, composed of 32 boys from 9 to 12 years of age. The Pack is to be divided into four dens, each headed by an older Scout. The Pack committee is to be composed of Dr. Strayer, Dr. Beistle and E. C. Pascoe.

IRATE LADIES  
WIN ACTION BY  
PHONE BARRAGEMembers Believe Immediate  
Action by U. S. Commission  
to Change R. R.  
Time Not Likely.

Buchanan will officially return to Central Standard Time at midnight Saturday, according to the motion made at the October meeting of the commission Monday evening, the vote on the measure standing three to one.

Action on the time change was expedited by a telephone barrage laid down by zealous advocates of "slow time," which had apparently taken up much of the time and broken into the rest of the mayor and several commission members. "We've either got to go on slow time or I've got to take out my telephone," stated Mayor Hathaway.

"My wife says if we don't change the time I'll have to resign from the commission," stated a commission member mopping a haggard and worried brow.

The resolution to set back the clocks was made by Commissioner Pears and seconded by Commissioner Leiter.

The previous action taken at a special meeting in September which provided for continuing Eastern Standard Time indefinitely, was merely a tentative action to see what response the public would make. It was apparently clear to the commission at the Monday night meeting, what response the articulate section of the public would make.

The belief was expressed by several members of the commission that there was not sufficient likelihood of action by the Interstate Commerce Commission placing Michigan railroads in the Eastern Standard Time zone to warrant consideration of that score for the present winter at least.

ORIOLES WIN  
FROM STRONG  
S. HAVEN 11Independents Show Class in  
First Win Over Up-  
State Rivals.

The Buchanan Orioles defeated the South Haven Independents by a 6-0 score at South Haven Sunday afternoon. Fighting a hard clean game, the local team outplayed their opponents completely.

Buchanan's backfield is a bit light perhaps, but fast, and the line has plenty of power to stop anything. The game begun by Orioles defending the south goal and also kicking off. The ball was downed on South Haven's 32-yard line. The play centered about mid-field most of the first quarter. In the second quarter the ball was kicked to South Haven's 5 yard line, their ball and they tried to punt but Squires blocked it and Dempsey caught it making the only touch down of the game.

This is the first time in three years that the Orioles have played South Haven that they have even scored. In fact South Haven has hardly been scored on in that length of time.

Every member of the local squad co-operated and the team functioned perfectly. Conrad completed several long passes as did Walter Pfingst and Clem Savoldi. In the third quarter the Orioles were forced to kick out of danger, this being the only time South Haven threatened their goal.

Boyce punted from four yards behind the goal line to the opponents 21 yard line.

South Haven showed more fight in the last quarter, but when they tried plumping they met a stone wall. Their line wavered several times and broke but Buchanan's held. The game ended with the ball in mid-field. Buchanan undoubtedly has one of the strongest semi-professional teams in this part of the state.

**JOHN HOLMES  
SENDS GREETINGS  
79TH BIRTHDAY**

Confirms Worst Suspicions  
as to His Ever Having  
Attended School.

Cedar Rapids, Oct. 4, 1931.  
Editor Record.

It seems to me that the Q. E. D. may be placed in the question whether I ever went to any school or not, and in the negative. I have concluded that all of the ideas that I have been having about having gone to school have been delusion, arising in a nightmare, after a heavy supper of hog susage, and we will let it go at that.

Speaking again of schools, it is probable that there was never a more popular or more efficient teacher in Buchanan, than was Mrs. Sophrona Bailey Welch. When she became the widow of John Welch she had four young children to care for, and to do

## MEMORABILIA

An item from the Buchanan paper Oct. 8, 1868:

that she taught the primary department in Buchanan schools a number of years, and at one time told me she had 110 little tots to look after, and she certainly did it well. Among her flock there came one four year old named Arlin Clark, who always called her "Welch". One day Arlin said to her, "Welch, I had a dream about you, last night." She said, "Is that so? What did you dream about me?" His reply was "Why you know, you were there."

Mrs. Welch's mother was one of the daughters of Fredericks Howe, who settled in that section in 1835 on the farm that afterward became the home of his son, Charles F. Howe. Mrs. Welch had a sister, Mary Bailey, who was, perhaps as popular as teacher, but so far as I know did not teach in the village schools. There was also a brother, Fred Bailey.

I rounded my seventy-ninth mile

Dear Editor—  
Although I am not a Buchananite and not personally acquainted with the writers of the Old Timers Corner, I am a regular reader of it.

I enjoy the sentiment expressed therein of the old timers views on our modern every day life.

My wife is a Buchanan daughter and her desire to keep in touch with her home town is the reason for the publication making regular trips this way.

Am sending in a couple of short poems, which well represent my views, thinking perhaps they may be enjoyed by others.

Yours respectfully,  
C. H. Detwiler,  
228 Rock River Ave.  
Three Rivers, Mich.

The Other Fellow  
Let me be a little kinder,  
Even though a little blinder  
To the faults of those about me

Let me pray—se a little more,  
Let me be, when I am weary,  
Just a little more cheery;  
Let me serve a little better  
Those that I am striving for.

Let me be a little braver,  
When temptation bids me waver;  
Let me strive a little harder  
To be all that I should be.  
Let me be a little meeker  
With the brother that is weaker.  
Let me think more of my fellows,  
And a little less of me.

—Selected.

What I Live For  
I live for those that love me,  
Whose hearts are kind and true,  
For the heaven that smiles above  
me.

And awaits my spirit, too;  
For the human ties that bind me,  
For the task by God assigned me  
For the bright hopes left behind  
me.

And the good that I can do.

—Selected.

Almost Foolproof  
Modern motor cars need little attention. Every part is foolproof, except the accelerator and the steering wheel. — Los Angeles Times.

Useless to Learn Swimming  
It is an unusual thing for Newfoundland sealers to know how to swim. If they slip into the water the icy temperature of the water causes instant paralysis of the muscles, anyway, so only about one in a hundred of the hardest of men bothers to learn the art of swimming.

Care of Cut Flowers  
Asters, calendulas, chrysanthemums, forget-me-nots, hollyhocks, marigolds, wallflowers and zinnias have the disadvantage of rendering the water in vases foul in a short time. Many of the common disinfectants are recommended to be added to the water in which such flowers are kept. A daily change of water helps. Any foliage which comes below the water line should be removed, for it hastens decay.

### GALIEN SUFFERS ANOTHER DEFEAT

Heavy South Bend Team  
Crushes Inexperienced  
Rivals 71-0.

St. Hedwig's high school dealt  
the Galien eleven a severe blow  
Saturday when it defeated the  
locals 71-0. With a wealth of  
reserves and heavier, more exper-  
ienced men the South Bend team  
easily took the victory.

Renbarger, Wolfe, Dodd, Car-  
roll and Wolford worked exce-  
ptionally well. Two crushing de-  
feats, however, have not dampened  
the interest and enthusiasm of  
the team and its followers.

Two games may be scheduled  
with Coloma's second team. The  
probable dates for the games at  
Coloma and Galien are Oct. 14 and  
23. The tentative line-up includes:  
Center, Robert White; guards,  
Ross McCuff, Everett Doughton;  
tackles, Marion Dodd, Clayton  
Renbarger; ends, George Wolfe,  
Lester Warnke; quarterback, Bob  
Carroll; halves, Jerry Kenney and  
Lawrence Wolford; fullback,  
Shemey.

### Galien Locals

The 4 H Club held their regular  
meeting Friday afternoon with  
Mrs. Leon Seyred. Fifteen mem-  
bers were present. The topic was  
"Milk." Plans were discussed for  
the sewing work this winter.

The Child Study Club met on  
Thursday evening at the home of  
Mrs. M. Roberts. Thirteen mem-  
bers were present. Mrs. Frank  
Kelley having charge of the meet-  
ing. Refreshments were served.

The next meeting will be with  
Mrs. Agnes McDonald.

Mr. and Mrs. C. C. Glover re-  
ceived word that their son, George  
and family, had arrived at St.  
Thomas, Canada, and were much  
pleased with their new home and  
surroundings.

Mrs. Frank Heckathorn is visiting  
with relatives at Three Rivers this  
week. Her son-in-law and  
daughter, Mr. and Mrs. Albert  
Klute, of Three Oaks, are keeping  
house for her.

Mr. and Mrs. Wade Sheehey of  
Three Oaks, Mr. and Mrs. Ben  
Sheehey of Niles were Sunday af-  
ternoon guests of Mr. and Mrs.  
J. A. Sheehey.

Mr. and Mrs. Morris Foster of  
Chicago, Mrs. Flossie Ginther and  
family of Sawyer, were the week  
end guests of Mr. and Mrs. M. H.  
Nelson.

Fred Martin of South Bend  
was the Monday dinner guest of  
Mr. and Mrs. R. V. Slocum.

Mr. and Mrs. Ernest Renbarger  
and son, Ray of Buchanan, were  
Monday guests of Mrs. Elizabeth  
Renbarger.

Edson James of Detroit, returned  
home Friday after spending  
several days at the Elizabeth  
Renbarger home.

Mr. and Mrs. Ira Sizer of Saw-  
yer and Mr. and Mrs. Frank  
Clark were the Sunday afternoon  
guests of Mr. and Mrs. Charles  
Vinton.

John Gowland of Buchanan was  
the Saturday dinner guest of Mr.  
and Mrs. George Gowland.

James Renbarger worked Tues-  
day on telephone line 63, which  
has been out of commission for  
the past six weeks, hence the lack  
of Galien news.

### W. C. T. U. NOTES

it is not claimed that the gains

of the last ten years are due to

prohibition alone. Other agencies

which have contributed to these

gains are acknowledged, but that

there are gains is beyond dispute.

#### LOSS

Loss of \$363,000,000 in Federal

Income from taxes on \$1,817,000,-

000 worth of liquor—which came

largely from the pockets of the

poor.

(U. S. Bureau Internal Revenue)

Loss of 170,000 saloons, which

occupied many of the best corners

and strategic sites. These salo-

ons were closed as a result of

the National Prohibition Act.

(U. S. Bureau Internal Revenue)

Loss of 64 per cent of liquor

formerly drunk. A report of Oct.

1930, which took into account ev-

ery possible source from which

liquor could be made, smuggled or

diverted, showed a possible per

capita consumption of a little over

7 gallons. Before Prohibition

the consumption was 22 gallons.

(U. S. Fed. Prohibition Bureau)

Loss—out of 50 "Keely"

cures, closed. 60 out of 60 "Neal"

cures for inebriates closed.

(Scientific Temp. Federation)

Out of 6,807 hospitals and san-

atoriums only 101 make any pro-

vision for alcoholic cases, and only

8 are classified for exclusive

treatment for inebriates. These 8

have 183 beds with an average of

80 patients.

(Journal American Medical As-

sociation, March, 1928).

Loss of from 10 to 60 per cent

in number of children who pass

through the Juvenile Courts since

1919. Cases dealt with informally

as well as officially cases are in-

cluded.

(U. S. Children's Bureau)

Loss of 54 per cent in arrests

for prostitution.

## SHOWS WAY TO WATERVLIET IN FAST CONTEST

Bradfield's Gridsters Show Superiority in all Departments of the Game.

Plyng a strong offensive and defensive game, Coach "Curly" Bradfield's gridsters defeated the Watervliet eleven by a 14-0 score here Saturday afternoon.

With the line charging hard and the backs making large gains through the Watervliet line, the maroon and white men completely stopped the opposing eleven from any effort to take the game.

The Buck's first score came early in the second quarter after the Morse twins advanced the ball from the Watervliet 45 yard line to the 1 yard line with gains of 14 and 15 yards almost every down. After Louie Morse failed to gain, Ellis took the ball over the white line for the touchdown. Jesse's kick was perfect.

Buchanan scored again in the last quarter after a march from midfield, with the aid of Louie Morse's 17 yard run to the twenty yard line. Once again the Morse twins took the ball down the field with Lauren Morse going over for the touchdown. Jesse's kick for extra point was good.

The Buchanan team outplayed their opponents in every phase of the game and proved their superiority in field play. Although penalties marked the entire game it was a spirited contest and a hard fought one.

Bradfield's men are working better together every game and by mid-season should be one of the best teams in the county. The Buck's next game is at Dowagiac on Oct. 10.

LESSON

By Marjory Campbell

It takes us a long time to learn

The lesson life teaches us all.

And we learn it with many a

"humble step."

And many and many a fall.

For life is a game, a mammoth

game.

It's grand and it leaves scar and bruise.

But we've learned two things

when we finish that game-

We've learned how to win and lose.

—

**Faculty Facts**

Mrs. Dunbar was the perfect

daughter and entertained her

father and mother over the week

end. Her parents are Mr. and

Mrs. W. E. Helmick of Three Oaks.

Mr. Robinson went to Kalama-

za a week ago Saturday, partly

for business, partly for fun. (Yes,

he got back.) He went to Len-

ing last Saturday. (That isn't

quite as dangerous a place.)

Miss Shriver went to her home

in Hudson, Mich., to celebrate her

mother's birthday.

Miss Chandler played chauffeur

and drove her ladyland to South Bend a week ago Saturday. May-

be she spent the day looking for a

soap-dish like Vivian's, or maybe

buying playthings for her "Choice Children."

Miss Rockenbach went to Chi-

cago over the weekend. She

wouldn't tell why. (Don't you

know people get funny ideas,

when they don't know the facts,

Miss Rockenbach?)

Miss Crawford spends her week

end attending football games, go-

ing for about "seventy-eight"

rides, and playing bridge. (Guess

she isn't homesick.)

Mr. Moore says the best thing

that happened to him last week

was that he was given a pay

check. (Yeah, some people still

get those things.)

Mrs. French said she didn't do

anything important, but someday

she says she will and then we

can put it in our paper.

For six years the Students Coun-

cil has been in effect. The ap-

pointment of hall monitors is

made by them and this year the

system promises to be a bigger

success than ever before.

Students seem to have more respect

for rules laid down by fellow stu-

dents than by the faculty, and

when several of their fellows re-

mand them it goes much deeper

than when one of the faculty re-

quires them for the same thing.

Phil Hanlin is  
Named President  
Student Council

The student council for the present year was organized last week. Phil Hanlin was elected president; Marie Post, vice president; and Pauline VanEvery, secretary and treasurer. The basis of representation is the home rooms rather than classes. Each home room has elected one person to represent it in the student council. The president of the four upper classes are also members.

One of the first problems to be undertaken by this legislative group will be the appointment of hall monitors.

**SCHOOL BIDS**  
**AU REVOIR TO  
E. H. ORMISTON**

Popular Principal Leaves  
Mark on Educational Work  
in This City.

With great regret the high school relinquishes Mr. Ormiston to the city of Holland. Coming to Buchanan in 1925 from Benton Harbor, he has been principal for the past six years. There have been a number of things accomplished under his guiding and tactful hand that were much welcomed improvements.

The student governing association began the autumn of his arrival. Government by the students and for the students has been very successful as has been seen in the past few years. The individual has the chance to express his ideas on how the school should be run, and the student council gives the members the experience in governing.

As business manager for athletics the old slip-shod method has disappeared. There is a new system of bookkeeping that accounts for every dollar. For four years Mr. Ormiston has been a member of the representative council of the high school athletic association. At present he is chairman of the Berrien County Class C conference.

Mr. Ormiston has been a continuous advocate for better school spirit and sportsmanship. One fact that has been gleaned is that Phil Hanlin has been elected both president of this home room and its representative to the student council. A rumor has been circulated that the next week will be used to plan for an assembly program which is to be given within the next thirteen weeks. It seems that this home room has been organized as a period for the Boys' Glee Club to meet because no other period would meet the demands of all of the members of the organization.

Perhaps one of the most important things, is the large step toward better scholarship. This year, especially, the requirements are such that the grades of all students will rise. By only continued effort has the new system been accomplished.

Also Mr. Ormiston completed the work on his M. A. degree in the first four years here. In an interview recently he states, "I have enjoyed my work in Buchanan and especially the fine fellowship with the boys and girls for six years. It has been my aim to aid them in setting up habits and ideals that will be valuable to them throughout life."

Lee Donley was displaying a fine Chaucerian style beard at the football game last Saturday. Maybe he was inspired by "Canterbury Tales" which his English class has been studying or maybe he just forgot to shave.

Has anybody heard the rumor about our foot ball boys? You probably haven't, but some of the boys are carrying compacta. It seems they are becoming quite effeminate. Hereafter, the fellows can't rave about the girls becoming masculine.

Whether she was hungry, we do not know, but anyway Miss Shriver caught Doris just fairly ruining a piece of candy from a box for the candy sale. The Ly Ri club hasn't decided whether to buy her a box of candy or make her eat one in about five minutes. Probably all will be forgiven.

The orchestra was rehearsing the piece, "The Unfinished Symphony." Eddie Rolen looked at it with a puzzled expression on his face. Pretty soon he yelled, "Hey, Spot, isn't your piece finished?" Spot said, "What d'you mean finished?"

Eddie replied, "Why, mine is. It fills a whole page and sounds like it."

These freshmen are bright, and ambitious, too! Howard Walker trains for football by carrying the ten pound dictionary around the room to Miss Skels to gain knowledge for the next day's lesson.

Miss Rockenbach went to Chicago over the weekend. She wouldn't tell why. (Don't you know people get funny ideas, when they don't know the facts, Miss Rockenbach?)

**Robinson's Rooms**

Mr. Robinson's home room still has a veil of mystery hanging over it because no one has secured much more than a vague generalization from Mr. Robinson or from any of the members. During the past week soccer has become a very important activity for all girls. Nights after school are being devoted to improvement of technique. Many untrained freshmen are entering this sport with enthusiasm.

Miss Rochenbach has appointed the following girls to act as managers until class captains are chosen:

Freshman, Geneva Troutfetter.

Sophomore, Ruth Cripe.

Junior, Josephine Dunlap.

Senior, Mildred Bachman.

These appointees keep an account of the girls from their class who attend the practices. Six

practices are required in order to

make over a team. The teams will start.

## Start Pouring

Asphalt on Niles

Road this Morning

The construction of the western end of the Niles-Buchanan road will be entirely completed by Oct. 24 if no adverse weather conditions interfere, according to officials of the Lang Construction Company.

The demolition of the old paving will be completed to the Buchanan city limits today, and grading over the entire extent will be done by the end of this week. The stone work had been completed last night to the curve 2300 feet east of the Buchanan terminal and work was started this morning on asphalt pouring at the Thompson school house. The asphalt work should be done by the end of week after next, according to company foremen.

## Another Proof that Wise Money Buys Wyman Coats

New Ones Lavishly Trimmed  
In The Richest Of Furs

Cost Only \$59.50

When women shop for coats, they like to go where outstanding fashions, quality upon which they can depend, and moderate prices prevail. That's Wyman's. These coats at \$59.50 are particularly fine values. The richest soft woolen fabrics are used. Beautiful furs lavishly trim them giving the new smart broad shoulders above a cinched-in waistline. You'll marvel at their low price. In black, brown, green. Sizes 14 to 44. Half sizes 37 1/2 to 47 1/2.
