

# SCHOOL DIST. SUIT GOES TO JUDGE

## Luncheon Club Plans Joining H. S. Student Council in Civic Project

### Now Here's the Proposition

WHO TAKES A GIFT  
 Who takes a gift, unless it be  
 By way of love's free masonry,  
 For his life long a waste, has  
 Whose hand shall follow him in  
 wrath.  
 Whom he, although he took in  
 need  
 Shall pay in fettered word and  
 deed.  
 No more free finger shall he lift,  
 Who takes a gift.  
 Who takes a gift shall surely pay,  
 Though devious, able he the way  
 No more shall life be his to spend  
 For far off goals where rainbows  
 end.  
 His steps shall lagged be and  
 slow  
 On open roads where free hearts  
 go.  
 Nor may escape through running  
 swift.  
 Who takes a gift.

Famous Last Words  
 Clint, what hadst thou got  
 those deluxe checks for I read  
 about in the clerk's report?

Believe it or Not  
 The biggest catch ever pulled  
 out of Clark lake, adjoining the  
 Dean Clark farm 6 miles north-  
 west of town was made one day  
 last week when Mr. Clark pulled a  
 1500 specimen out thru a hole in  
 the ice in which he was fishing  
 with a steel cable. Those who  
 aided Mr. Clark in pulling out his  
 prize state that he was at one  
 time nearly hauled in himself, but  
 after a game struggle the 1500  
 beauty was landed. The catch is  
 believed to be one of a species of  
 freshwater whales very rare in  
 these parts.

### Poultry Should Get Plenty of Alfalfa

East Lansing, March 24. One of  
 the virtues of alfalfa which is not  
 commonly stressed is its value  
 as a poultry feed according to the  
 poultry department at Michigan  
 State College, which recommends  
 this feed for poultry from the time  
 birds are hatched until they have  
 completed their usefulness as lay-  
 ers.

The Spartan chick starter which  
 is recommended by the poultry  
 specialists contains five pounds of  
 alfalfa meal in each 100 pounds of  
 mash. The ingredients of the mash  
 are 36 pounds of yellow corn meal,  
 20 pounds of flour middlings, 20  
 pounds of ground oat meal, 10  
 pounds of dried milk, 5 pounds of  
 meat scrap, 5 pounds of alfalfa  
 meal, two pounds of steamed bone  
 meal, one pound of salt and one  
 pound of cod liver oil.

This same mash may be used as  
 a growing ration but it may be  
 improved by substituting twenty  
 pounds of bran for the four mid-  
 dlings. The growing mash should be  
 used after the chicks are six or  
 eight weeks old and a scratch feed  
 of equal parts of cracked yellow  
 corn and wheat should be given.

The laying mash, supplied when  
 the pullets are placed in the lay-  
 ing house should contain 15  
 pounds of yellow corn meal, 100  
 pounds of fine ground oats, 100  
 pounds of standard bran, 100  
 pounds of flour middling, 100  
 pounds of meat scrap, 50 pounds  
 of alfalfa meal, 15 pounds steamed  
 bone meal and five pounds of salt.  
 This ration can be improved by  
 substituting 50 pounds of milk for  
 one-half of the meat scrap.

Alfalfa fields provide the ideal  
 range for growing and raising birds  
 and chopped green alfalfa makes  
 a satisfactory green feed for the  
 chickens which are confined.

### Party Rebekahs at Association Meet at Baroda

A party of Buchanan Rebekahs  
 drove to Baroda Tuesday after-  
 noon and evening to attend the  
 meeting of the Berrien-Cass Dis-  
 trict Association. The annual elec-  
 tion was held as follows: presi-  
 dent, Estella Vaides, Dowagiac;  
 vice president, Cecil Pierce, Niles;  
 secretary, Viola Einger, Baroda;  
 treasurer, Nellie Slater, Baroda.  
 In the evening program the  
 Glendora lodge staged the Rebekah  
 degree and the Galien lodge the  
 memorial drill. The next meeting  
 will be held in Niles.

Those from here attending were  
 Bertha King and Mollie Proud,  
 delegates; Frances Murphy, Nina  
 Post-Olive Melvin, Edith Willard,  
 Eleanor Juhl, Alta Vincent, Lillian  
 Cray, Nella Slater, Eugene  
 Murphy. Two hundred were present  
 at the evening session. Mrs.  
 Carrie Blanchard of Battle Creek,  
 assembly president, talked at the  
 afternoon and evening meetings.

### CONSIDER PLANS FOR IMPROVEMENT OF MUNICIPALITY

Project May Take Form of "Civic Week" Held by the Schools in Other Cities.

Co-operation between the busi-  
 ness men of the city and the stu-  
 dent council of the high school in  
 some form of civic improvement  
 project to be sponsored by the for-  
 mer and carried out by the latter  
 was endorsed at the meeting of  
 the Luncheon club held at the Le-  
 gion hall Tuesday noon.

Details of the form which the  
 project is to take will be decided  
 in conference between a committee  
 appointed for that purpose by  
 President Phil Landsman and the  
 student council and Principal Ar-  
 thur Knoblauch at a later date. A  
 number of suggestions were ad-  
 vanced by members of the club,  
 including a Civic Week program  
 similar to that carried out by other  
 high schools, a summer garden  
 contest, and several particular im-  
 provement ideas such as the plant-  
 ing of trees in Athletic park, care  
 of the maple trees along the  
 streets which one member as-  
 serted had been damaged by trim-  
 ming during the winter, and the ad-  
 option of some distinctive project of  
 improvement that would distin-  
 guish the town among tourists as  
 Holland is distinguished for its  
 tulips.

It was recommended that Prof.  
 Gregg, landscape expert on the  
 main business being a quiz on  
 invited to Buchanan to render ad-  
 vice as to the proper direction of  
 the project. It is a main part of  
 the duties of Prof. Gregg to  
 travel over the state giving ad-  
 vice of landscaping matters where  
 any desire for such service is man-  
 ifested. He was invited recently  
 to Coloma to confer with the citi-  
 zens of that town on a public  
 parking project.

R. Rouse stated that the town  
 had spent \$3,200 in the pur-  
 chase and improvement of Ath-  
 letic park some years ago, and  
 suggested that it might be a part  
 of the project to plant trees on a  
 section of that park to the west-  
 ward of the athletic fields, to form  
 a future public picnic ground and  
 tourist park.

### Scouts Plan Cage Games with 3 Oaks in Spring Vacation

Troop 41 met Tuesday evening  
 at the American Legion hall, the  
 main business being a quiz on  
 scouting for patrol leaders and as-  
 sistant patrol leaders, in which  
 the highest rating was made by  
 Billy Habicht and Robert Watson.  
 In the inter-patrol contest now on,  
 the Bats and the Rattlesnake pa-  
 trols are tied for first place.

## H. S. ATHLETICS SELF-SUPPORTING IN PAST YEAR

Commission Form Government Makes Good in 3 Year Test

There are some proposed governmental reforms which go  
 over in a large way when put into practice and there are oth-  
 ers which blow up in a similarly large way, with an interme-  
 diate group which remain in the debatable column.

The adoption of the charter form of government in Buch-  
 anan three years ago must be placed in the former classifica-  
 tion. Since the transfer to the charter from the manage-  
 ment of civic affairs by a commission, the town has been, on  
 the whole, efficiently and conscientiously governed through  
 three administrations. Previous to the change the town had  
 good officials, but their conduct of affairs was impeded to a  
 greater extent by the animosities arising naturally from  
 the injection of partisan issues into the elections.

The personnel of commissions has been comparatively free  
 from rivalries of rancorous political variety. A man who held  
 office under the old form said last week: "I wasn't sold on  
 the commission form when it came up for vote but I'll have to  
 officials who have worked their heads off for the good of the  
 town and not in bucking some faction."

### RECORD STORM OF PAST TWO YEARS BURIES BUCHANAN

Week of Precipitation Impedes Highway Traffic and Blocks Crossroads.

The old poetic saw sponsored by  
 the Walt Mason of his day and  
 age, Mr. Percy Eysse Shelley to  
 the effect that "if winter comes  
 can spring be far behind" is in  
 need of working over to meet  
 modern weather conditions to  
 something like "spring being here,  
 it's about time for winter," judg-  
 ing by the weather antics during  
 the past week.

After the inhabitants of this sec-  
 tion had dug out of six inches of  
 snow last week and were prepar-  
 ing to get back in bathing suits  
 and resume picking violets, they  
 were struck amidstships Saturday  
 by a second surprise attack which  
 has lasted intermittently to the  
 present, with a total snowfall var-  
 iously estimated in different sec-  
 tions from 12 to 24 inches and  
 more in spots.

In the neighborhood of ten  
 inches of snow and sleet Mon-  
 day and Tuesday, marking the  
 heaviest precipitation in one fall  
 in the past two years. A peculiar  
 feature of this storm said by old  
 residents to be unprecedented in  
 this section was an accompani-  
 ment of heavy lightning during  
 the snowfall.

The storm was reported to be  
 general over the Midwest section,  
 with a fall of two feet at Ben-  
 ton Harbor and St. Joseph. A  
 fall of eight inches in South Bend  
 Monday and Tuesday was reported  
 to be the heaviest since the storm  
 of March 25-6, 1930, when twelve  
 inches fell.

Big Scope  
 The storm was reported to have  
 covered a scope from Arizona on  
 the west to the Atlantic states on  
 the east, reaching the proportions  
 of a terrific tornado in the south.  
 The snowfall was reported heavier  
 to the north. Street traffic was  
 tied up in Grand Rapids and De-  
 troit, and traffic on bus lines to  
 those points was suspended. Old  
 US-12 between the Twin Cities  
 and Kalamazoo was blocked.

M-60 from Niles to New Buffalo  
 was kept open, as were also the  
 Buchanan-Niles and South Bend  
 roads. Snowplows cleared the Por-  
 tage Prairie road to South Bend  
 Tuesday morning and traffic was  
 maintained over that route.

### Methodists to Present Pageant on Easter Night

On the evening of Easter Sun-  
 day an Easter pageant, "The Up-  
 per Room" will be presented in  
 the M. E. church at 7 p. m. un-  
 der the direction of Arthur John-  
 ston. The following cast will ap-  
 pear: The maid, Velma Ebbert;  
 Judas, Arthur Johnston; Andrew,  
 Edward Lantz; James, Keith Bun-  
 ker; Matthew, Earl Derflinger;  
 Thomas, Arthur McClure; Philip,  
 Archie Morley; Simon, Everett  
 Watson; Bartholomew, George  
 Cooper; Mary Magdalene, Ruth  
 French; Mary, mother of James,  
 Orpha Irwin; Salome, Thessel Mit-  
 chell; Peter, Russell Wooley; John,  
 Harold Mullen; Alpheus, Lyle  
 Young; Thaddeus, Dee Weaver;  
 Mary, mother of Jesus, Leah Wea-  
 ver; the centurion, Jerry Mann.

Shadowland Ballroom, St. Joe.  
 Dancing Saturday and Sunday, 11  
 to 10 a. m. Easter Sunday.

### PAYS DEBTS AND SUPPORTS OTHER H. S. ACTIVITIES

Record Is Due to Strict Business Management and Loyal Support of City Sport Fans

The local public may not be ac-  
 customed to think of the Buchan-  
 an High School Athletic Associa-  
 tion as a self-supporting business  
 enterprise, carrying all the ex-  
 penses of high school athletics  
 with the exception of the coach's  
 salary and in addition endowing  
 several other activities, but such  
 is the record as it may be seen in  
 the books maintained on the As-  
 sociation's activities by Principal  
 Arthur Knoblauch and Prof. F. J.  
 Moore of the high school mathe-  
 matics department.

That the Association has been  
 able to do this must be credited  
 to the loyalty of the following of  
 athletic fans in the city, who  
 have managed to squeeze enough  
 out of shrunken budgets to con-  
 tinue attendance at high school  
 games.

The total intake to date from  
 games during the present school  
 year has been \$1,095.63, with ex-  
 pense to date of \$954.68. The  
 Association has a claim of \$65.18  
 against the First National Bank  
 of Buchanan and has reduced an  
 indebtedness of nearly \$400 car-  
 ried over from last year to \$199-  
 38.

As a result the association is  
 entitled to rank as a solvent con-  
 cern at the present time, with-  
 out asking for a dollar in support  
 from the taxpayers. This record  
 has been maintained in the face  
 of decreasing receipts by adher-  
 ing to a policy of carefully  
 checking all details of expense.  
 The business management is un-  
 der the supervision of Mr. Kno-  
 blauch and Mr. Moore of the high  
 school faculty and careful re-  
 cords are kept which may be seen  
 by any one interested at any time  
 at the office of the high school  
 principal.

The sale of basketball tickets  
 for the season just ended has been  
 analyzed by Knoblauch as follows:  
 52 adult season, at \$2.....\$104.00  
 95 Student season, at \$1.25 118.75

\$222.75  
 Default on students tickets 2.35  
 General admission \$219.90  
 348.36

\$568.26  
 Next year a similar check will  
 be made on the sale of football  
 tickets.

Athletic maintenance charges  
 carried by the Athletic Association  
 do not include the salaries of in-  
 structors in physical education,  
 but those expenses are required by  
 law for accredited high schools.

In addition to the entire discharge  
 of all expenses for games, the as-  
 sociation also carries the following  
 expenses:  
 Music for music department,  
 purchase of equipment for phys-  
 ical education classes and for in-  
 tramural soccer, basketball, volley  
 ball and indoor baseball; mainte-  
 nance athletic field, medical care  
 for injuries received in gymnasium  
 work, in former years the expense  
 of interscholastic debating, for  
 letters and trophies awarded for  
 participation in athletics.

In the opinion of Principal Kno-  
 blauch, if the Athletic Association  
 were not called on to make dis-  
 bursements other than those  
 strictly arising from the activities  
 of that organization, it would not  
 only support itself, but might in  
 the future, provide means for a  
 better athletic field.

### University Sends Positive Report in Rabies Case

A positivereport of rabies was  
 received here Tuesday from the  
 state hospital at Ann Arbor in the  
 case of the dog which bit Mr. and  
 Mrs. Paul DeWitt, three members  
 of the family and Henry Zupke last  
 week.

Miss Claudia Young, daughter  
 of Mr. and Mrs. Jay Young, un-  
 dergoing an operation for appen-  
 dicitis in Pawating hospital Tues-  
 day.

Miss Cecilia Eisenhart returned  
 Tuesday evening from Indianapolis,  
 Ind., where she had gone for a  
 nasal operation in the Metho-  
 dist hospital at that place.

### Arthur Knoblauch Is Speaker at 30 Club Meeting

The session of the Thirty club  
 held at the home of Mrs. Harold  
 Stark Monday afternoon was fea-  
 tured by a very interesting ad-  
 dress by Arthur Knoblauch, prin-  
 cipal of the high school, on the  
 theme, "Psychology." Mr. Kno-  
 blauch covered his theme in a very  
 complete and able manner and the  
 address proved very interesting to  
 the members of the club. The next  
 meeting, which will be the last be-  
 fore the final spring picnic, will  
 be held at the home of Mrs. Fred  
 Howe.

### LEO GOMBOSI DIED SUNDAY; ILL THREE YRS.

Came Here in 1914 from Chicago to Engage in Tailoring; Kept Store on Main and Front Streets.

Leo Joseph Gombosi, 54, died  
 at his home at 704 Days avenue  
 at 7 a. m. Sunday, and was bur-  
 ied in Oak Ridge cemetery Tues-  
 day afternoon, after a funeral  
 held from the home under the di-  
 rection of T. D. Childs.

Mr. Gombosi had been engaged  
 in the tailoring business in Buch-  
 anan since 1914 until illness com-  
 pelled him to retire. On his arrival  
 here from Chicago, he opened a  
 tailor shop where the "Great" gro-  
 cery now stands and later in the  
 room now occupied by the Roti  
 shoe store, where he was lo-  
 cated for twelve years.

He was born in Hungary July  
 19, 1886 and came to the United  
 States in 1904, coming first to  
 New York City and later to Chi-  
 cago. He is survived by his father,  
 and four sisters in Hungary; by  
 his widow, Mrs. Ernestina Gombosi;  
 by two sons, William of Buch-  
 anan and Fred of Chicago.  
 He had been ill for a long time  
 and on March 20, 1929, he un-  
 dergoing an operation in Rochester,  
 Minn., which failed to give relief.  
 He had been confined to his bed  
 for nearly a year.

### Lloyd Dokey Loses Entire Pay Check on Street Yesterday

Business conditions in Buchan-  
 an these days are far from being  
 what they were in Frisco in the  
 days of '49 when you could pick  
 up gold almost anywhere but  
 Lloyd Dokey took a contract to  
 pave Front street with dollar bills  
 yesterday, failing to complete the  
 contract because his money ran  
 out. It is no joke for Dokey, in-  
 asmuch as the money represents  
 his fortnightly pay check from  
 the Clark Equipment company,  
 and the paving was entirely un-  
 tentional, inasmuch as the money  
 leaked through a hole in his pocket.  
 The sum lost comprised a  
 five dollar bill and a number of  
 one dollar bills. So if you chanced  
 to find any loose bills on Front  
 street, or perhaps on Detroit, dur-  
 ing or after the noon hour yester-  
 day and are a person of consci-  
 ence, you will know where to re-  
 turn it.

### Easter Cantata At Pres. Church Good Friday Eve.

The chief musical event of the  
 Easter season will be the presenta-  
 tion of the cantata, "The Crucifi-  
 xion," on Good Friday evening at  
 the Presbyterian church, beginning  
 at 7:30 p. m. The cantata will be  
 sung by a choir of thirty  
 voices under the direction of Mrs.  
 E. C. Pascoe. The soloists will be  
 Mrs. Arthur Knoblauch, John  
 Strayer, Maynard Post, Philip  
 Hanlin, and J. A. White of Buch-  
 anan and Milo Pomeroy, musical  
 instructor in the Niles high school.

### Parent-Teachers Postpone Meeting Until Mon. Apr. 4

The March meeting of the Par-  
 ent-Teacher association which was  
 scheduled for next Monday even-  
 ing has been postponed until a  
 week later.

### CO. FEDERATION OF WOMEN'S CLUBS TO CONVENE HERE

Thirty Club and Monday Club to be Hosts at Meeting at High School Mar. 31

The Thirty club and the Mon-  
 day club of this city will be hosts  
 to the Berrien County Federation  
 of Women's Clubs at their annual  
 convention to be held here Thurs-  
 day, March 31, in the high school  
 auditorium.

It is estimated that between 200  
 and 300 representatives of the  
 various clubs in the county be-  
 longing to the federation will be  
 present, including two delegates  
 from each club and the unofficial  
 guests. Registration will begin at  
 9:30 a. m. and the morning session  
 will be opened by the county presi-  
 dent, Mrs. Viola Hughson of St.  
 Joseph at 10 a. m.

At noon dinner will be served to  
 the guests by the Evangelical  
 church, the Church of Christ and  
 the Presbyterian church at 50c  
 per plate.

An afternoon session will be  
 held.

### REPORT GOOD ATTENDANCE AT REVIVAL MEETING

Wall and Driskill to Continue Evangelistic Series Until Easter.

Revival meetings at the Church  
 of Christ will continue every night  
 this week. The preaching is being  
 done by the pastor, Mark Wall,  
 and the music is under the direc-  
 tion of J. Denver Driskill of Wal-  
 droon, Mich. There was a splendid  
 attendance at all services on last  
 Sunday. There were 204 in the  
 Bible school and the house was  
 well filled at the evening service.  
 The meetings continue all week  
 closing Easter Sunday evening.

The subjects to be discussed this  
 week beginning with this Thurs-  
 day evening are as follows:  
 Thursday, "The Muck Rake."  
 Friday, "Excuse Me, Please."  
 Saturday, "An Expensive Feast."  
 Sunday morning, "Why Weepst  
 Thou."  
 Sunday evening, "Saint and Sin-  
 ner Face to Face."

### Oldest Resident of Dayton Passes 89th Mile Stone

Mrs. Julius Richter, ranking  
 senior member of the Dayton  
 Community in point of years,  
 passed her 89th birthday at her  
 home here on March 16. Mrs.  
 Richter has lived in Dayton 56  
 years. She has enjoyed fairly  
 good health although during the  
 past several months she has suf-  
 fered from rheumatism and from  
 failing eye sight. She did not de-  
 sire any formal observance of the  
 occasion but all of her children  
 were present to wish her many  
 more birthdays.

### Faints at Wheel, Auto Hits Pole

Mrs. Leslie Joshiok, who lives  
 adjoining the Arney apartments  
 on the South Bend road, incurred  
 slight injuries when she fainted at  
 the wheel of her car immediately  
 after she had crossed the Michigan  
 central tracks Friday, the car  
 running into a telephone pole,  
 breaking it, and throwing her and  
 several children against the wind-  
 shield. Only cuts were incurred.

### Union Meeting At Presbyterian Church Friday

The formal observance of East-  
 er in Buchanan will begin Friday  
 with a union service at the Pres-  
 byterian church at 1:30 p. m. Fri-  
 day, when the ministers of the  
 city will speak on "The Seven  
 Words from the Cross." A number  
 of the business houses of the city  
 plan to close from one to three  
 for the occasion, although there is  
 no general agreement to that ef-  
 fect.

## \$450,000 POWER HOUSE SITE AND DAM INVOLVED

Disputed Area Yields \$7,000 in Taxes; Collected by Dist. 1 for 40 Years.

The hearing on the suit brought  
 by Fractional District No. 1 of  
 Niles township against Buchanan  
 Fractional District No. 1 over the  
 right to collect taxes from an area  
 including the sites of the Ind. & Mich.  
 power house and dam was brought to an end Monday  
 afternoon and the decision in the  
 matter taken under consideration  
 by Judge White.

The suit involves a valuation of  
 \$450,000 or nearly fifth of the  
 entire Fractional District No. 1  
 assessment, with an annual yield  
 of taxes in excess of \$7,000. The  
 returns in taxation give the area  
 capitalized value to Dist. 1 of over  
 \$100,000.

Fractional Dist. No. 14 was rep-  
 resented by Atty. Stuart White of  
 Niles and Atty. Lyddick of Gary.  
 It is claimed by this district that  
 when the boundaries of the city  
 of Buchanan were enlarged to in-  
 clude this area across the river,  
 no parallel action was taken to  
 enlarge the school district and  
 that as a result Fractional Dist.  
 No. 1 has been collecting taxes  
 wrongfully for the past 40 years.  
 The fact that no record of such  
 enlargement of the school district  
 can be found, they assert, is basis  
 for such claim.

Fractional Dist. No. 1 was rep-  
 resented by Atty. Harvey of St.  
 Joseph and Atty. Frank Sanders  
 of Buchanan. The case of the city  
 district is based on the contention  
 that inasmuch as tax collection  
 was immediately assumed in this  
 area by Fractional Dist. No. 1  
 pursuant to the enlargement of  
 the town boundaries, it follows  
 that such collection must have  
 been based on a corresponding en-  
 largement of the school district,  
 and that possession of the area as  
 a tax source for a period of forty  
 years without contest further es-  
 tablished the claim.

### Berrien School Heads Meet Here Monday Evening

The Berrien County School Su-  
 perintendents' Association held its  
 regular monthly meeting in Bu-  
 chanan Monday evening, with an  
 attendance of 10 educational heads  
 from outside points, in spite of  
 very unfavorable weather. The  
 meeting was held at the Portz  
 Food Shop, where a banquet was  
 held at 7 p. m. The association  
 considered arrangements for the  
 county band festival to be held in  
 New Buffalo, the county track  
 meet to be held in Niles with May  
 13 as a tentative date, and the  
 feasibility of county baseball and  
 tennis contests. Those attending  
 were Superintendents Shelters of  
 Watervliet, Alvord of Coloma,  
 Walters of Eau Claire, Horn of  
 Dowagiac, Crawford of Niles, Wic-  
 nie of Berrien Springs, Berry of  
 New Buffalo, Vené Klassen of  
 Three Oaks, Reed of Bridgman,  
 Bestrom of Baroda and Stark of  
 Buchanan.

### Grand Lecturer Instructs Masons at Meeting Tonight

Buchanan lodge No. 63, F. &  
 A. M., will hold a Lodge of In-  
 struction this evening. The in-  
 structions of the Grand Lecturer  
 Arthur Fox, The Niles and Three

## Faculty Facts

Mrs. Whitman's daughter, Marg-  
aret, is coming home Saturday

is an English teacher, to visit her  
mother over spring vacation.  
Mr. Jewell states that he will  
spend his spring vacation at home  
in Buelah, Mich.  
Miss Shriver will enjoy her va-  
cation at her home in Hudson.  
Miss Skeels will also spend her  
vacation at home in Whitehall,  
Mich.  
Miss Hanlin says that she will  
spend a part of her vacation, ac-  
companied by Miss Rockenback,  
in Chicago, where they hope to  
see one of the following shows,  
"Death Takes a Holiday" or  
"Counselor of Law."  
Mrs. Weaver has been absent for  
the past few days.

## RULES OF ETIQUETTE

Girls, the word, "lady," means  
a girl or woman who keeps her  
self fit, and her manners gentle  
and winsome.  
Boys, the word, "gentleman,"  
means a fine, manly fellow who is  
an all round good sport.  
Avoid crowding through assem-  
bly hall doors.  
Avoid crowding on the stair-  
ways.  
Boys, your hats should be taken  
off on entering the building, and  
do not put them on until you are  
ready to leave.  
Boys, do not help the girls  
mount the stairs in school; it is  
not necessary unless they are  
blind or crippled.  
The following poem is an illus-  
tration from an etiquette book:  
"Hearts, like doors, will open  
with ease  
To very, very, little keys;  
And don't forget that two of  
these  
Are, "Thank you sir," and "If you  
please."  
Progress of Glee Clubs

How would you like to be in the  
glee clubs now? They have been  
having real revival meetings dur-  
ing the last two weeks. Just ask  
the persons who are in the ad-  
joining rooms. The boys and girls  
are practicing for the contest to  
be given the first week after  
spring vacation. Last Monday  
they all reported to the auditor-  
ium, where they will start practic-  
ing the program in full.

## Ode to the Powers That Be

By Doris Campbell  
Deliver us,  
In our hour of need,  
From gruesome studies;  
This do we plead.

We just can't help  
These mid-class naps.  
O, rescue us—  
Fore we collapse.

A long, long rest  
Ours one salvation.  
Gosh, hurry up  
With spring vacation!!

## PROGRESS OF CLASS ROOMS DURING WEEK

### Eng. Dept. Writes One-Act Plays; Music Dept. Prac- tices Negro Spirituals

English Department  
Original one-act plays were  
written and handed in last week  
by members of the senior English  
class. "The entire class contrib-  
uted a high grade of work," stated  
Mrs. Dunbar. Among the best were,  
"His Prophetic Soul," by  
Dorothy Babcock and Jane Habicht;  
"A Way Inn," by Mable  
Myers; "Rendezvous," by Teresa  
Wain; "Alexander the Great" by  
Pauline Van Every; and "Mephis-  
topheles Plays Fimochie," by Phil  
Hanlin. Along with this, the class  
has been staging eight one-act  
plays.  
Today, members of the faculty  
were entertained after school by  
the presentation of the ghost scene  
in "Hamlet," with Jane Habicht  
taking the part of the ghost and  
John Strayer as "Hamlet," and  
Phil Hanlin's original one-act play  
"Mephistopheles" lays Fimochie.  
Some others are kept on file and  
undoubtedly will be staged at a  
later date.  
Book reviews on March 25 will  
finish up the reports for the fresh-  
men, sophomores, and junior En-  
glish classes for the term.  
"Trail Fines," the exercise books  
used in the sophomores' English  
classes, have been the study of  
those classes. This was followed  
by work on figures of speech in  
preparation for study of the ma-  
jor poets of American literature.  
The freshmen have been taking  
up the study of direct quotations  
and quotation marks. Book re-  
ports will be due tomorrow.  
English eight students are work-  
ing on cases, nouns, and pronouns.  
Last Thursday, Margaret Furner,  
Spencer Kohlman, Dorothy Brown,  
and Billy Habicht had perfect pa-  
pers on a test over the above.  
Syllabication of words and dic-  
tionary study were the main work  
of seventh grade English. Out of  
a seventy point test, Ruth Bab-  
cock and Marian Miller made only  
two errors. Both the seventh and  
eighth grades are handing in book  
reports for the second semester.  
These are due March 24 and over  
fifty have already been handed in.  
Mrs. French says that several of  
the members of her English class  
have entered the W. C. T. U.  
essay contest.  
Journalism  
Society news and obituary ar-  
ticles were the study of the jour-  
nalism class this week. A code  
of ethics was also drawn up. The  
class decided that the printing of  
an article which might prove detri-  
mental to one person, on the other  
hand might prove beneficial to a  
good many others, and that a  
paper thus might be justified in  
printing certain things of which  
some readers might disapprove.  
Art Work  
Miss Crawford's art students,  
comprising the lower six grades,  
have been following a definite plan  
in their art work. This takes up  
illustrative drawing, figure con-  
struction, story illustrations, de-  
sign, friezes, and many other  
things. They will soon go into na-  
ture study in all grades, bringing  
in specimens to use as models.  
During the winter, quite a bit of  
figure construction was done. In

these they pictured children in snow  
scenes. Miss Abloh's room citi-  
maxed their study of figures by  
making a frieze, or pictures, of the  
story of the Pied Piper of Hame-  
lin. All the children's work, no  
matter what they are doing, is  
free hand. They are not given  
patterns.  
Another thing that is being  
taken up is the study of design.  
Miss Eickstrom's room is studying  
Czecho-Slovakian design and ar-  
making up original ones on paper  
and coloring them with crayons.  
These will later be put on cloth  
and colored in the same way. They  
have just lately been learning  
crayon strokes.

In the fifth grades, Miss Craw-  
ford helped the children to make  
cover designs on Washington note-  
books and left the teachers free  
either to have them fill the book-  
lets or leave them blank. They  
also studied lettering in making  
these notebooks.  
Miss River's room took up the  
study of fish life and made draw-  
ings of bright colored fish.  
Perspective drawing, a Japanese  
project at the little school, and  
imaginative drawings are some of  
the other things taken up. In  
some cases the children are draw-  
ing pictures of the life in other  
countries, combining geography  
with art.  
Home Economics  
During this last semester the  
Home Economics class has been  
doing quite a bit of sewing.  
They are now on the second pro-  
ject and it was due last Wednes-  
day.  
The tenth grade is divided into  
two groups. One group takes  
care of the cafeteria, and the other  
group studies from the text  
book. They are planning a good  
background for a room, including  
all things as the floor, wall, ceil-  
ing and furniture.  
The small children's dresses  
have been finished by the ninth  
graders, and many of them show  
improvements from the first pro-  
jects, which were the pajamas.

Both the seventh and eighth  
grade are making lingerie.

## Grade News

Third Grade  
Miss Simmons  
We have begun the study of the  
eights in arithmetic.  
We have a new pupil, Donald  
Rohen, from Flint.  
In language the children had  
the story, "How the Oak Tree  
Became King," and they wrote a  
short story about it afterwards.

We have a number of tardy  
cases this month. Cooperation in  
this matter on the parents' part  
would be greatly appreciated.  
Miss Simmons read the story of  
St. Patrick to the children Thurs-  
day.  
Mrs. Wilcox's Room  
Those who have earned their  
silver star pins in Palmer writing  
in Mrs. Wilcox's room are as fol-  
lows: Bernadine Reamer, Alvin  
Morley, Robert Vanderslice, Buddy  
Matthews, Gwendolyn Ihrie, Aug-  
ust Rosetti, Dick McClure, Betty  
Rousselle, Mona Weaver, Charles  
Hines, Jeanne Dalrymple, Clair

Second Grade  
Mrs. Heim  
The following pupils have finish-  
ed the required spelling for this  
year: Phillip Sands, Robert Six,  
Eleanor Ingleright, Vanessa  
Paul, Duane Arrand, Margaret  
Semple.  
4th Grade, Mrs. Fuller  
Donna Smith has returned to  
school after an absence of one

week due to illness.  
We have been working on a  
Dutch project. Everyone has con-  
tributed to our border of brightly-  
dressed children, tulips, canals,  
geese, and Dutch windmills. Our  
sand table committee, composed  
of Lester Hanover, Arnold Her-  
man, Billy Ednie, Maxine Arthur-  
hult, Eva Dagget, Betty Ryan  
and John Meile, has built a clever  
Dutch scene. We read some Dutch  
stories and learned a Dutch song,  
too.  
We entertained our parents with  
an auditorium program Wednes-  
day and were pleased to have so  
many and such nice visitors. Our  
play was a minstrel show and  
Robert Fairman was interlocutor.

Velmarian Literary Society  
A meeting of the Velmarian Lit-  
erary society will be held tomor-  
row during the class period. After  
a short business session the  
program will consist of the life of  
Browning by Thessel Mitchell, on  
works of Browning by Ruth  
Pierce and the life of Elizabeth  
Barrett Browning before her mar-  
riage, by Elsie Paul. This will be  
followed with a criticism by the  
club critic, Philip Hanlin.

## ASSEMBLY PROGRAM

Several very interesting scenes  
from the Junior play were given

### Old Timer Finds Origin of Term "Under World" Now Applied to "Hell Raisers"

Editor Record:  
Here is a bit of matter which may be familiar with your "Old Timer" readers:  
What is the origin of the name "Under World" as applied to our present army of hell raisers? In early times it was understood the world was flat, was governed by the god Saturn; that when his estate was divided, the dry land went to his son Jupiter, the sea to his son Neptune, and the under side, which was called Hell, to his son Pluto, each of the sons be-

coming governor of his separate domain. There we have it, Hellions of the under world. Should any of your readers wish to read further details, they may go to the city library and get a copy of "Classical Dictionary", by J. Lempiere, London, 1812, and turn to the side-head "Pluto". Should they fail to find the book there, and will call on me when

they come to Cedar Rapids, I will allow them to read in my copy. Correction: It was Frank Lawdon who was killed in the Hubaway engine catastrophe, instead of Frank Lawdon, as was printed. J. G. Holmes.

**War on Rats**  
Because rats are potent carriers of bubonic plague, almost all parts of the world require fumigation for rat destruction, even when this proves expensive and when it interferes with schedules.
