COURTESY
How very pleasing a thing is courtesy—
Holding its hand from wanton harm.
Holding its tongue from wanton speech;
Inclined ever to charity in inter-pretations;
Believing ever the best that can be believed;
Always disbelieving the worst as long as it may be disbelieved;
Delighting not in the pain of others.
Nor taking any pleasure in their misfortunes;
Above the snobbishness of ignor-ance;
And the contempt of fools;
Adding to the sum of human hap-piness
By the gift of kindly words
That spring honestly from a gen-erous heart;
All its actions marked by an out-ward grace
Springing from an inner kind-ness;
How very pleasing a thing is cour-tesy
And how very rare!

Save Us One on the Five Yard Line, Phil.
Atty. Phil. Landsman, "our Phil", is leaving the first of the week to report to the G. O. P. National convention for his credentials as sergeant-at-arms, where he will spend three days assisting the delegates to climb aboard the Hoover band wagon. Atty. Landsman states that he has received 200 free passes for distribution among his deserving friends, which he is passing out at his office on the principle of "first come, first served." Better go early while they last.

FULTON POWERS LAID AT REST HERE YESTERDAY

Death by Asphyxiation is Pronounced Suicide by Coroner; In Ill. Health Many Years.

The remains of Fulton Powers, 73, resident of Buchanan for many years, were laid at rest yesterday morning in the Oak Ridge ceme-tery, following a funeral service from the Childs Chapel, with Rev. H. W. Staver in charge.
The body of Mr. Powers was found about 9:30 a. m. Monday at his home at the corner of Oak and Dewey avenue by Norman Smith who had gone to visit him. He was seated in a rocking chair in the kitchen with the windows closed and three jets on the range open. A physician was called who pronounced the case death by asphyxiation, with the probability that he had been dead about hours. Coroner M. Rutherford was called and pronounced the case a suicide, with no need for inquest. He had been in ill health for several years and that is be-lieved to have been the cause for the act.
He was born Dec. 25, 1859 at Middlebury, Ind., the son of William and Rebecca Powers, and came here as a child. He attended the mute school at Flint at the age of fourteen years.
The only relatives living here are a nephew, Glenn Smith, and a cousin, Mrs. Emma Hayes.
The funeral service was inter-rupted for the benefit of several deaf mutes by Mrs. E. C. Mogford.

DR. F. FISHER OF ANN ARBOR GIVES ADDRESS

Challenging Message One of Finest Ever Presented At a Local H. S. Com-mencement
Forty-nine members of the class of 1932, grave and serious far beyond their years under the com-bined restraint of gown, mortar board and the dignity of the oc-casion, took the stage at the high school auditorium last night, list-ened to the golden speech of Dr. Frederick Fisher, and were then rolled off urbanely by the pres-ident of the board, M. L. Hanlin, like the fabled forty-nine bottles until there were no more seniors but only a new addition to the old alumni.
The audience which filled the seating capacity had the oppor-tunity of hearing one of the finest commencement addresses ever presented at a Buchanan com-mencement. Dr. Frederick E. Fisher of Ann Arbor, more than lived up to the advance notices in his address on the theme "Facing Modern Realities."
"The reason for so much con-fusion in the world of today," stated Dr. Fisher in conclusion, "is that so many eyes have been opened. Old cultures which for ages had been exploited and held in subjection have come into their own. There are now more college and university students and grad-uates in India than in England, Scotland and Ireland.
"The convicts which we now have on a world wide scale are due to the sudden enlargement of our world, bringing into collision all the old cultures, religions and types of life that once lived apart and in isolation."
"The young people of today are being catapulted into a new world, the like of which we have never known before. We do not need to be afraid of the new world we are facing. We should rather rise to the challenge of it. We are not going to get backward on standard of living. Even in these so-called days of depression we are living on a scale unknown in the world previously until very recent years. We have as a matter of fact lost very little ground. Eventually we are going on to higher standards."
As an unscheduled preliminary to the program, the high school orchestra, including a number of the seniors, presented a requi-tem "Allegro Movement from the Fifth Symphony" by Beetho-ven, which had been previously played at the recital by pupils of Mrs. Ida Rice the evening before.
The senior members of the or-chestra then donned their regalia and marched in with the remain-der of the class. Superintendent Stark took the platform briefly, calling for an invocation by Rev. Thomas Rice. Two numbers, "Sunbeams" by Ronald and "Hom-ing" by Del Rego were presented in a vocal duet by Mrs. E. C. Pas-coe and Mrs. H. C. Stark. Fol-lowing the address, "Allah's Hol-lying" by Rudolph Friml was pre-sented by the high school octette, composed of J. Strayer, A. Stev-enson, F. Hanlin, V. DeNardo, Zaida Frank, Marie Post, Char-lotte Arnold and Jane Habicht.
The diplomas were then pre-sented by President Hanlin fol-lowing which the class filed from the auditorium to the strains of a recessional by the orchestra.
Graduates are:
Charlotte Dee Arnold, Dorothy L. Babcock, Walter J. Babcock, Mildred E. Bachman, Catherine C. Belsch, Vincent C. Binns, Cyrus J. Bulhard, Vincent S. DeNardo, Marion W. Dretzler, Harry L. Dumbolt, James G. Eisenhart, Zaida Frank, Florence R. Frank-lin, Ruth Elaine French, Margaret Jane Habicht, Philip Romaine Hanlin, Marie E. Hess, Dorothy E. Holmes, G. WATCH OUT FOR THE LIGHTNING
Chief item of political interest in Buchanan this week is the intimation that the political lightning may strike right in our midst in the form of an early announcement of the candidacy of Atty. Frank Sanders for the post of Probate Judge.

It is generally conceded here that in knowledge of the law and insight into matters in the jurisdiction of a probate court Atty. Sanders is eminently qualified for the office. While he has never been active in the prosecution of cases before a jury, Atty. Sanders is known as one of the best in-formed legal practitioners in this section of Michigan.
It is further believed here that the selection of Atty. Sanders as the Republican candidate for that office would materially strengthen the county ticket of that party, and win a section of south-end support that at the present reading is none too staunch in its allegiance.
Atty. Sanders served a year in the assistant attorney general's office from May 1, 1924, to July 1, 1925, when he was appointed chairman of the reorganized board of labor and industry. During his incumbency in that important position none of the decisions of his board were reversed by the state courts.

Members of the Buchanan high school graduating class of 1932 and their relatives and friends packed the auditorium of the school Sunday evening to hear an eloquent baccalaureate sermon on the theme, "The Place of Youth in the Problems of Today."
Rev. Staver spoke from the text: "Who knoweth whether thou art not come to the kingdom for such a time as this?" (Esther 4: 14).
Rev. Staver said in part: "Youth is the hope of the world. Not youth cowardly and clinging, but youth courageous. Not youth indifferent and irresponsible, but youth conscientious and conse-crated and Christ-centered and God-conscious and Spirit-empow-ered. The heritage of the hour handed down to the youth of to-day is neither happy nor whole-some, but it is not hopeless. There was never a time when opportu-nity was greater in which to make life a positive force on behalf of righteous and truth and justice and peace in the earth. There was never an hour when respon-sibility rested heavier on the shoulders of youth than in this hour. There was never a day of higher privilege wherein to con-tribute to the world, in whatever portion of it one may occupy, the finest and best things of heart and mind and body.
We do not want the sort of prosperity again which reproduces the paganism of the past. We do not want again conditions of madness in men which can only end in human misery. We do not want days in which men build Babels, in defiance of God, and which come crashing on our heads.
We do not want days wherein men make Sodom of civilization and work wickedness which has almost wiped us out. What we want—that we must have if men are to be men and not beasts that tear each other in the slime—is a new day and a better day; a day lifted out of the blackness of hu-man sin into the blue of God's forgiveness and love. To have a part in that program, is the high and holy privilege of youth the world around.
The tragedy of our day is not so much that we suffer but that we are unworried and unsoled; not that we are harassed, but that we are not heroic. Faith has gone out of us and fear has come into us. Confidence in God, in our institutions, in ourselves and in each other has departed. There is too much craven spirit and fear-ful looking forward to judgment till men are become like the spies sent out by Moses who found Canaan a land flowing with milk and honey, but came back cringing and crying: "The country is full of giants and we were in their sight and in our own eyes as grass-hoppers." We look to youth—strong youth, valiant youth, heroic youth to prove to the world of to-day and a world of the immedi-ate tomorrow, that there is a fort-itude of heart equal to all the giants in the earth and all the problems that perplex us.

Cemetery Board Advises the Commission to Initiate Plans for Permanent Care.
The details are being completed for the transfer of a circular sec-tion of the new part of Oak Ridge cemetery known as Section E, from the city to the American Le-gion as a burying place for the soldiers of all wars, arrangements to that effect having been ap-proved by the commission Monday evening.
The cemetery board presented a resolution advising such transfer as a part of the opening of the new section, all the lots in the cemetery plotted so far having been sold. The committee recom-mended that the new section be plotted immediately and that the commission appoint a committee to advise on prices on new lots and other arrangements. It was pro-vided that the boards will hold monthly meetings on the last Wed-nesday in each month, the first to be held June 29.
The board also advised that the commission consider preliminary steps leading to permanent care.

U. S. SCIENTISTS HERE TO STUDY MAP CORRECTION

Build String of Towers from Traverse City to South Bend.
Scientists in the employ of the U. S. Geodetic Survey completed observations for the purpose of map corrections at the temporary steel tower erected for that pur-pose on the high hill on the John Curran farm south of Buchanan last week and the tower was tak-en down Monday.
The tower was placed on the hill which is reputed to be the highest point in southwestern Michigan. It was one of a string of towers ten miles apart from South Bend to Traverse City for the purpose of making observations for the purpose of map correction.
The extreme southern most tower was erected on the Studebaker proving ground at South Bend.
The tower south of Buchanan was 115 feet in height, of triang-ular steel construction. The sci-entists mounted to the top of the towers and sighted from tower to tower. As a result of their stud-ies minor corrections are to be made in state line and other geo-graphic locations in the line of the string of towers.
The party was camped at Bridg-man while operating in this vicin-ity.

DEPOSITORS WILL GET 45 PCT. OF FUNDS

Checks Issued Only to Those Who Present Receiver's Certificates; Cash No Checks.

Distribution of checks totaling \$190,000 and representing a 45 per cent dividend on the deposits which have been tied up in the First National Bank since that institution closed its doors on Oct. 16, 1931, began this morning, with Receiver H. R. Potkin and his assistants waiting on the wayward of the 1400 depositors who are enjoying a blissful reunion with the funds from which they have been unwillingly divorced for the past eight months.
The payment of a dividend of such proportions at this date was made possible by the extension of a loan by the Reconstruction Finance Corporation to the local re-construction, and afforded the local community striking evidence of concrete aid which the federal gov-ernment is extending to relieve financial conditions caused by closed banks in small cities as well as large.
The Reconstruction Finance loan is secured by the assets of the bank and must be paid from the assets of the bank. Further dividends will be issued.
The officials in charge state that no checks will be cashed at the bank. No checks will be presented to the depositor unless the receiver's certificate is pre-sented.
"The payment of the dividend at this time will afford a most timely relief, both to the private depos-itors and to the city and school districts, whose funds, while pro-ected by bond, have been tempo-rarily tied up by the closing of the bank.

FIRST BAND CONCERT HERE WEDNESDAY EVE

Howard Barbour to Direct a Strictly Home Talent Band For Summer Series.

The opening band concert of the summer season will be held at the usual place at the intersection of Main and Front streets next Wed-nesday evening, June 15, beginning at 8 p. m.
The leader this year will be Howard Barbour, formerly direc-tor of music at the Palace-theatre in South Bend, and one of the most capable directors in this section of the country.
In previous summer concerts it has been the custom of the local organization to import such tal-ent as was deemed necessary to fill in the instrumentation where Buchanan seemed to lack players. For this season Mr. Barbour seems determined to present a band com-posed of Buchanan performers ex-clusively except, of course, when illness or other misfortune may re-move a member. Buchanan citi-zens are delighted with this atti-tude of city patriotism and while it will mean harder work and more patience, Mr. Barbour assures us that with a continuation of the willingness and loyalty already manifested by the men at re-hearsals, he will be able to present Buchananians with a 100 per cent Buchanan concert band.

Old Times Offers Glad Hand to Guests at Chicago-Buchanan Picnic

Well—we all received a shock when one of the old timers took himself away and a can think of no answer for it, except that George was temporarily unbalanced. Knowing him as I did, in an intimate friendship of year's standing, I always knew him to be a strong-willed friend, and when he decided a question, it was settled, so far as he was concerned, and so I suppose that he decided this proposition and whether he decided wisely or not, is not for you or me to judge. He had his trouble, real and imaginary, and while we shall miss him, regret his passing in the way he chose, yet I shall always cherish a fondness for George as a good citizen and a true friend. I want the readers of the Corner to take notice of the change in the program concerning the Chicago-Buchanan picnic which is to be held in Chicago this year, June 18, is the date and Lincoln Park is the place, the southeast section, not far from North Avenue and near the lake and the lagoon where the motor boats are parked is where you will find a hearty welcome if any of you can come over. It will be on Saturday afternoon and while I have not heard definitely from the committee in charge that it will be the latter part of the afternoon, you will find plenty of parking space for your car and a bunch of "old timers" on the job, ready to help you with your lunch baskets. Come over if you can. We have all new officers and I want to see them get busy. OLD TIMER.

Buchanan Sorority Entertained Out of Town Chapters

Following the dinner, the local president, Mrs. Marie Dempsey, introduced each member of Epsilon chapter to the visiting members, after which the grand president, Mrs. Corine Gimplin of Chicago, spoke, as did Miss Frances Daly, president of the South Bend chapter, Miss Genevieve Morris, president of the Niles sorority, and Miss Evelyn Wherely of Nappanee, Mrs. Hazel Landis, Miss Clare Merrick, Mrs. Mildred Stanforth and Mrs. Blanche Ball, visiting grand officers of Chicago were also introduced. A program, in charge of Miss Belle Landis, was next enjoyed. A very clever dance by the Miller sisters was followed by a violin solo by Mrs. Dorothy Barbour, accompanied at the piano by Mrs. Josephine Kelley. The Miller girls concluded the program with another of their clever dances which everyone thoroughly enjoyed. Bridge furnished the diversion and prizes were awarded Mrs. Hazel Landis of Chicago, Mrs. Frances Daly of South Bend, Miss Bess Anglin of Nappanee and Mrs. Ruth Wolcott of Buchanan. Three in Family, Not Triplets, Have The Same Birthday. It is rather unusual—highly unusual to be exact—for three members of the same family to have the same day of the year as birthdays, even when the three happen to be triplets, and doubly rare when their natal anniversaries are distributed over a period of five

ANNOUNCEMENT

The First Dividend of 45 per cent payable to all depositors and creditors of the First National bank of Buchanan, Michigan, who have proven their claims, has been declared and the receiver, H. R. Goklin, will begin the distribution of these dividend checks on Thursday morning, June 9, 1932, at NINE o'clock a. m.

THIS DIVIDEND is being paid from funds acquired by the receiver in the ordinary course of liquidation of the obligations due from borrowers of the First National bank of Buchanan, Michigan, supplemented by a loan obtained from the Reconstruction Finance Corporation, Washington, D. C.

THIS LOAN having been secured by a lien on the remaining assets of the First National Bank of Buchanan, Michigan, will be of course, retired, and until this loan is repaid, no further dividend distribution can be made by the receiver, who believes that with the co-operation of the borrowers that the loan can be repaid within a reasonable time. If so, the receiver can then make another dividend distribution, as the collections made by the receiver will warrant.

The funds the Reconstruction Finance Corporation set aside for loans to receivers of insolvent National banks are limited and the depositors of the First National bank of Buchanan, Michigan, are fortunate to have an application for a loan accepted at such an early date.

The funds released by this loan should be of material aid to the community in these difficult times.

The depositors and claimants of the First National bank of Buchanan, a re requested to bring in their Receiver's Certificates to the receiver, and he will deliver to them their dividend checks.

THE RECEIVER calls attention to the fact that these Certificates are evidence of depositors' and claimants' claim against the bank, and should be carefully preserved. They must be presented each time a dividend is distributed, so the receiver may endorse thereon the dividend payments each and every time.

PUBLIC ANNOUNCEMENT in the newspapers will be made each and every time a future dividend is paid.

On behalf of the depositors and claimants of the First National Bank of Buchanan, Michigan, the receiver desires that each and

every borrower liquidate his indebtedness at the earliest possible moment so that future dividends may be paid to the creditors and depositors as soon as possible.

Depositors and claimants living outside of the city, can receive their checks by writing to the receiver and requesting him to forward a receipt for the dividend check which they will sign and return to the receiver. The receiver will then mail the dividend check and the Receiver's Certificate properly endorsed with the payment thereon.

Those who have not as yet filed their Proof of Claim are requested to do so at an early date.

Out For Sheriff

John A. Burger, residing just east of Eenton Harbor on U. S. 12, has announced his candidacy for the nomination for sheriff on the democratic ticket. He is well known thru-out Berrien county and after his many friends have insisted on his entering the race, he has decided to do so, on a workman's platform.

He is married and has one child; he has resided in Berrien county for the past eighteen years. He

is a taxpayer and owns a modest little home with four acres and is known as an honest and reliable man and will do the things he says he will do. He is fearless and does not believe in spending a great amount of money in his campaign to gain the nomination for this important office.

Mr. Burger says, "I stand for a more rigid law enforcement of all the laws and think that every criminal large or small should be dealt with in the same manner. This county is one of the largest in the state for crime, perhaps because of our close proximity to Chicago and other large cities. Every citizen has had his thoughts turned toward the fast growing crime waves of every description in the past few years thru-out the country and I feel that the people of this county want a man that is worthy of the office. I will endeavor at all times to serve in the best of my ability in that capacity, should I be fortunate enough to win the nomination and later the election next fall."

CHURCH ANNOUNCEMENTS

Seventh Day Adventist Sabbath School—Saturday at 10 a. m.

Lesson study, "The Mystery of Godliness." The keynote: "In this life we can only begin to understand the wonderful theme of redemption. With our finite comprehension we may consider most interestingly the name and the glory, the life and the death, the justice and the mercy, that meet in the cross; yet with the utmost stretch of our mental powers we fail to grasp its full significance. The length and the breadth, the depth and the height of redeeming love are but dimly comprehended. The plan of redemption will not be fully understood, even when the ransomed see as they are seen and known as they are known, but through the eternal ages, new truth will continually unfold to the wondering and delighted mind. Though the griefs and pains and temptations of earth are ended, and the cause removed, the people of God will ever have a distinct, intelligent knowledge of what this salvation has cost.

"The cross of Christ will be the science and the song of the redeemed through all eternity. In Christ glorified they will behold Christ crucified. . . . The mystery of the cross explains all other mysteries."

Scouts Prepare For Summer Camp at Madron Lake

Scouts of Troop 41 are resting on the banks of the lake, while preparing equipment for their stay at the Madron Lake summer camp. Buchanan Scouts look back over a Spring season that has been filled with many interesting and enjoyable events.

The outstanding activities of the spring and early summer are: The Blossom parade at Benton Harbor, in which two Buchanan boys, George Remington and Ernest Beadle, as members of the Sea Scout Troop 78 of Niles, led the parade carrying the colors of the Area Scout Council; four scouts acted as color bearers and color guards for Troop 41, and twenty scouts served for seven hours on traffic duty in the twin cities.

May 17th was the occasion for a Court of Honor at the high school auditorium. Scouts of Troop 41 took part in the Court as color bearers, buglers, in a play, and in receiving awards, there being 18 merit badges, one first class, two second class and three tenderfoot awards. George Remington also received an honor badge as the best all-around scout in Buchanan.

The scouts take advantage of this opportunity to express their appreciation to Homer Morley for treating them to a free show on Monday, May 23. The show, "Young America" was a good entertainment for boys, and there were 53 scouts and cubs that accepted his splendid offer.

Lost 20 Lbs. of Fat In Just 4 Weeks

Mrs. Mae West of St. Louis, Mo., writes: "I'm only 23 yrs. old and weighed 170 lbs. until taking one box of your Kruschen Salts just 4 weeks ago. I now weigh 150 lbs. I also have more energy and furthermore I've never had a hungry moment."
Fat folks should take one half teaspoonful of Kruschen Salts in a glass of hot water in the morning before breakfast—it's the SAFE, harmless way to reduce, as tens of thousands of men and women know.
For your health's sake, get Kruschen at any drugstore—the cost for a bottle that lasts 4 weeks is but a trifle and if after the first bottle you are not joyfully satisfied with results—money back.
