As the daughter of Samuel and Hannah Rollings, she was a bright, happy maiden and when betrothed to Noah Canfield, she consented to become his helpmate and as Rebecca Canfield she lived in or near Buchanan for 46 years. After three years of widowhood, she became the wife of Jacob Romig, also a resident of Buchanan and when on June 17, the angel of death entered her home, a loving husband, two sisters and one brother were left to mourn their loss and cherish the memory of their dear one, realizing that there is no union here of hearts, that hath not here an end. Of her family he following survive: Jacob Romig, husband; Mrs. Dora Borst, sister; Mrs. Halley Koons, sister and Isaac Rollings, brother; many nieces and nephews and a dear adopted son, Charles Farling.

"SIX CYLINDERS NO MORE-NO LESS," says America

Anything more and you sacrifice economy—anything less and you sacrifice smoothness.

BUYERS everywhere are comparing low-priced cars. Lifting hoods. Counting cylinders. And the result? An overwhelming verdict for the six, in preference to cars of fewer or more cylinders.

"SIX CYLINDERS. No more—No less!" And America backs up that conviction by purchasing more six-cylinder Chevrolets since January 1st, than the combined total of all fours and all eights under \$1000.

With more than six cylinders, you sacrifice Chevrolet's famous economy of gas, oil and upkeep—the greatest economy in today's motor car market. With less than six cylinders, you sacrifice the built-in smoothness that makes driving really restful and enjoyable.

But with a six—a Chevrolet Six—nothing is sacrificed. You get smoothness and economy.

And power, 60 horsepower. And speed—65 to 70 miles an hour, easily! And pick-up—from a standstill to 35 miles an hour in less than 7 seconds! You also get Free Wheeling; Syncro-Mesh gear-shifting; big, spacious Fisher bodies.

So, when buying a new low-priced car, settle the question of cylinders RIGHT, and you can't go WRONG. Take America's word for it: "SIX CYLINDERS. No more—No less!"

CHURCH ANNOUNCEMENTS

Methodist Episcopal Church
Thomas Rice, Minister
Sunday School at 10 a. m. Mr. Arthur Mann and Mrs. Glenn Haslett are superintendents.

Seventh Day Adventist
Sabbath School Saturday at 10 a. m. Lesson study, "The Hope of Reward." The keynote, "Moses had been instructed in regard to the final reward to be given to the humble and obedient servants of God, and worldly gain sank to the proper insignificance in comparison. The magnificent palace of Pharaoh and the monarch's throne were held out as an inducement to Moses; but he knew that the final reward to be given to the faithful was to be in the courts of heaven. He looked beyond the gorgeous palace, beyond a monarch's crown, to the high honors that will be bestowed on the saints of the most high in a kingdom untainted by sin. He saw by faith an imperishable crown that the king of heaven would place on the brow of the overcomer. This faith led him to turn away from the worldly ones of earth and join the humble, poor, despised nation that had chosen to obey God rather than to serve sin."

Young and old... urge them to spend a VACATION IN MICHIGAN
HEALTH and vigor will be gained from a vacation spent in Michigan. Her brilliant sunshine, lake-cooled climate, and pine-scented breezes are Nature's tonic.
The millions of dollars spent each year by Michigan's thousands of visitors add to the prosperity of the state. Let us also spend our own vacations in Michigan this year, thereby contributing still further to its prosperity.
And wherever you go, dispel worry by telephoning home, and office frequently. Call friends to tell them when you will arrive. Telephone ahead for hotel accommodations. Long Distance rates are low.
