Buchanan Farmers Organize to Provide Own Banking Facilities

Now Here's the Proposition

TO THE SURVIVORS
By Haws

Hail to the boys arrived—
All that was left alive—
Left out of sixty-five
Hopeful hat tossers.
Battered and smeared with dirt,
Minus their hide and shirt,
Battered and bunged and hurt,
By double crossers.
Ere they could make the grade,
Think of the charge they made
(All except those who paid)
Electioneering.
Was there a recreant there?
No, though the heated air,
Megaphones blatant blare,
Shattered their hearing.
Some, once our hope and pride—
Jesse and George and Clyde—
Buried beneath the slide—
Hopes all deflected.
Out of the serried ranks
Entered in rear and flank
Charley and Don and Frank
Emerges elected.
W. C. T. U.'s
Fighting the cause of booze
Legions with lusty thaws
Urged us to doubt them.
Strange that a mother's son
Out of the fracas won,
Since almost everyone
Knew all about them.

New Bleachers
Additional seating capacity is
to be erected to take care of the
overflow attendance anticipated for
Wrigley Ball Park No. 2, lo-
cated south of the Holy Trinity
Shop, according to Stuart Holmes,
manager. The seating capacity of
the park, which consists of the
elevated runway for greasing cars,
was exhausted Saturday by a
throng of nineteen.

Ask For Second Hand Gym Suits For H. S. Girls

Miss Alice Rothenbach states
that there is a need for girls' gym
suits at the high school and that
anyone who has suit articles
which they have no further need
for and which they would be will-
ing to donate or sell at a reduced
figure, is asked to communicate
with her at the high school. The
suits will be needed next week.

Families Lost Furniture Through Default on Loans

The bedding needs of a destitute
family, who had lost their house-
hold furnishings through a default
on a loan secured from a loan
committee operating at high
monthly interest, were partially
filled through an advertisement
placed in the Record last week.
Several comforters were secured,
but the family are still in need of
sheets and pillow cases, it is re-
ported. Several local families
have recently lost furniture thru
foreclosure of these loan compa-
nies. The companies usually charge
a rate of 3 1/2 per cent monthly.

Unusual Clover Seed Crop is Harvested Here

A clover seed crop of unusual
amount and quality has been pro-
duced in the Buchanan district
this year, according to Manager
A. F. George of the St. Joe Val-
ley Shipping Association, where a
carload is now being gathered,
with Toledo, O., as a probable
market.

Between 4,000 and 5,000 bushels
will be produced here according to
George. Yields reported have
been as high as three and a half
bushels to the acre. On the Fred
Koenigsdorf farm 125 bushels were
threshed from forty acres. Over
a hundred bushels were threshed
at the Ralph Seabury farm. The
market is from \$4 to \$5.50 per bu-
shel.
Other prices are:
Potatoes, 50c bu.
Wheat, 35c bu.
Corn, 25c bu.
Butterfat, 21c lb.
Eggs, 20c doz.

To my Buchanan friends who so
splendidly supported me at the
primary election, I want to ex-
press my deepest appreciation. It
is indeed gratifying to have such
endorsement.

CREDIT UNION ANNOUNCED AT MEET LAST NIGHT

Organization Designed to
Provide Facilities for Sav-
ings Accounts and
Small Loans.

Announcement of the organiza-
tion of the Buchanan Farmers
Credit Union, the first organiza-
tion of its sort in the lower Pen-
insula of Michigan, and designed
to supply in part at least the
banking facilities which the farm-
ers of this section have been al-
most wholly without of late, was
announced at a meeting of the
stockholders of the St. Joseph Val-
ley Shipping Association at the
American Legion hall last night.

The new organization is endor-
sed by the Department of Econo-
mics of the Michigan State Col-
lege, whose experts aided the local
farmers in working out the details.
It is designed to promote thrift
among the farmers by providing
savings facilities, and by afford-
ing an opportunity to secure small
loans at reasonable terms of in-
terest. In this respect it is de-
signed to supplant in part the op-
erations of "loan shark" agencies,
which have been looting small
sums to residents of this district
at the rate of 3 1/2 per cent per
month, or 42 per cent per annum.

The Union has received the ap-
proval of the state banking de-
partment and will operate under
its supervision, sending reports in
monthly and being inspected regu-
larly by the state examiners, ex-
actly as a state bank.
"This union is being organized
for the purpose of enabling the
farmers to do their own banking,"
stated one of the officials. "If
they had been doing their own
banking when this depression set
in, they would be in far better
shape than they are now. For a
long time the farmers of this sec-
tion have been practically without
bank credit, regardless of their
solvency. A local farmer told me
recently that he had \$2,000 worth
of personal property, unencumbered,
which he had been offering as
security for a loan of \$100, offer-
ing to give a chattel mortgage but
he had been unable to date to get
the money."

The organization is entirely dis-
tinct from the St. Joe Valley Ship-
ping Association. Its constitu-
tion provides, however, that its
membership shall be limited to
those members, employees and
customers of the St. Joe Valley
Shipping Association who receive
approval of the credit committee
of the union. Beyond this pro-
vision, there is no identity what-
ever between the two bodies.

The meeting held last night was
addressed by Sam L. Smith, the
president of the Detroit Federal
Credit Union, a union formed by
the postal employees of the city of
Detroit, which is the largest in
Michigan. A. B. Love of the De-
partment of Economics of Michi-
gan State College, also addressed
the meeting.

The following officers elected by
the organizers of the union were
announced: president, J. G. Boyle;
vice president, Dean Clark; clerk,
A. C. Haslett; treasurer and gen-
eral manager, A. J. George; direc-
tor, Fred Koenigsdorf (who with
the four officers previously men-
tioned forms the board of direc-
tors); loan committee, A. E. Hous-
worth, Tichenor, James
Reed; supervisory committee,
Dean Clark, A. J. George, Glenn
Haslett.

The local credit union is the
second organized in Michigan, a
small union having been previ-
ously formed in the Upper Peninsula.
A number have been formed in
the industries, however, and
among federal employees.

Extension Study Classes to Open Here Sept. 28th

Plans for the fifth year of ex-
tension work have been completed
and the first class will be held in
Mrs. Leah Weaver's class room
(No. 2) in the local high school at
four o'clock Wednesday afternoon,
Sept. 28. The study this year will
be in Spanish under the direction
of Miss Matlock of Western State
Teachers' college.

The course, which will consist of
three classes, will equal twelve
credits, and is open to high school
graduates contemplating college
entrance, as well as teachers of
rural schools in this vicinity who
wish credit on college degrees. The
opening classes will be for begin-
ners in the study of Spanish.

STATE PRESIDENT W. C. T. U. SPEAKS AT METH. CHURCH

Mrs. Dora B. Whitney of Ben-
ton Harbor Says Wave Wet
Sentiment Due to
Decline.

Mrs. Dora B. Whitney, state
president of the Women's Chris-
tian Temperance Union, spoke be-
fore the Methodist church at the
regular morning service hour on
Sunday on the present crisis which
confronts the dry cause. Mrs.
Whitney gave a vivid account of
her experiences as a newspaper
woman in Chicago during the sal-
oon days and compared the re-
sults of the liquor consumption of
that time with the present. The
alcoholic ward of the Cook coun-
ty hospital, once one of the largest
departments of the institution, has
been abolished since the 18th
Amendment was adopted.

She stated that delirium trem-
ens is now practically unknown
since the advent of prohibition.
She also described a visit to the
night courts of Canadian cities,
where the midnight sessions are
thronged with cases of drunken-
ness.

Mrs. Whitney stated that in her
opinion the mounting wave of
wet sentiment had about reached
its height and is due for an early
decline. Adherents of the dry
cause need only to hold the ground
already won, she stated, for the
present and their victory would be
assured.

A good-sized audience heard Mrs.
Whitney's address with interest
and greeted her with a round of
applause at the close.

ANSELEM WRAY DIED SUNDAY AT HOME HERE

Had Lived in Buchanan Dis-
trict Nearly All of Life;
Was Carpenter for
Michigan Central.

Marion Anselm Wray, age 79,
passed away Sunday, Sept. 11, at
11:45 p. m. in his home at 113
Lake St., Buchanan, after sev-
eral weeks illness.

Mr. Wray was born in Madison
county, Indiana, Jan. 1, 1853. A
son of Riley and Martha Lambert
Wray. When a small boy he
came to Michigan with his par-
ents, who located on the farm
west of Buchanan, now owned by
William W. Wray, his youngest
brother.

Here he grew to young manhood
and on the seventh of December,
1876, he was united in marriage
to Emma Brocaus. In the year
1887 he moved to the home on
West Front street, where he lived
for more than 20 years working in
the carpenter department of the
Michigan Central Railroad. Twenty-
two years ago he moved to the
present location at 113 Lake St.,
at which place he died.

He is survived in his immediate
family by the widow, Mrs. Emma
Wray; one son, Arthur A. Wray,
and one grandson, Arthur A.
Wray, Jr., all of Buchanan; a
brother, Wm. W. Wray; and a sis-
ter, Mrs. Emma Weaver, together
with a number of nieces and nep-
hews.

Mr. Wray was affiliated with
Buchanan camp No. 886 M. W. A.,
in which he was an honored and
trusted member.

The funeral service was held
Wednesday afternoon at 3 o'clock
from the residence, with the Rev.
Harry Staver, pastor of the Pres-
byterian church, officiating. Burial
was made in Oak Ridge ceme-
tery.

FIRE DAMAGES KUJAWA BUILDING SUNDAY EVENING

Cigaret Stub Thrown by Pas-
senger into Rubbish Between
Buildings Believed to
Be Origin.

The building owned and occu-
pied by Herman (Booster) Ku-
jawa on 215 East Front street op-
posite the intersection with Days
avenue, incurred some damage on
Sunday evening by a fire which
caught on the east wall of that
structure between it and the brick
building owned by Mrs. Ida Em-
erson and George B. Richards and
occupied by the Hamilton Furni-
ture Store and Funeral Chapel.

The origin of the fire is un-
known but it is surmised that a
passerby flung a cigarette or cigar
butt into some rubbish which had
collected in the space between the
buildings. The fire department
extinguished the flames on the
east wall with little difficulty but
found it necessary to tear up a
considerable portion of the roofing
in order to put out the smoulder-
ing fire beneath.

Miss Hattie Gates, who lives in
the apartment on the second floor,
incurred very little damage to her
furnishings. The fire department
extinguished the flames on the
east wall with little difficulty but
found it necessary to tear up a
considerable portion of the roofing
in order to put out the smoulder-
ing fire beneath.

Rebekah Lodge Will Observe Its 81st Anniversary

Bayleaf Rebekah lodge, No. 248
will hold special exercises in ob-
servance of the 81st anniversary
of the founding of the order in
connection with the regular meet-
ing at the I. O. O. F. hall on Fri-
day evening, Sept. 16. The sec-
ond annual roll call will also be
held at this time. The business
meeting and program will begin
at 8 p. m., followed by a pot luck
dinner and bunco, cards and other
entertainment. Miss Blanche
Proud will be the chairman of the
entertainment committee, and Mrs.
Kate Gilbert, chairman of the re-
freshment committee. Each mem-
ber is privileged to bring her hus-
band or a guest.

ALLIED FORCES LEADER AT 1ST PRES. CHURCH

Will Defend 18th Amendment
and Noble Experiment at
the Evening
Services.

A union meeting to be addressed
by Dr. Ira Landrith, one of the
leading speakers of the Allied
Forces, will be held here at 8 p.
m. Sept. 13, Sunday, at the First
Presbyterian church.
Dr. Landrith will talk on "My
Party Right Not Wrong; or The
Immortality of a Noble Experi-
ment," and all who are interested
are invited to come and hear him.
Members of the committee on ar-
rangements are planning an at-
tendance representative of the
whole city, and many leading citi-
zens will be present.

Dr. Landrith is one of the fore-
most temperance leaders in the
country and has long been a
speaker on the prohibition ques-
tion. During the past year, as
one of the speakers of the Allied
Campaigners, he has travelled all
over the United States in an ef-
fort to educate and enroll the
great dry army, talking in more
than 500 cities. During this tour
more than one and a half million
people have enrolled as supporters
of the Eighteenth Amendment.
Millions more have yet to be
reached. On his present tour,
Dr. Landrith is emphasizing the
need for organized action political-
ly on the part of the drys.

For some time Dr. Landrith has
been closely associated with Dr.
Daniel A. Foling, chairman of the
Allied Forces, who recently an-
nounced that he and his organi-
zation would stand firmly behind
Mr. Hoover in the coming elec-
tions. Officers of the Allied Forces
feel that in this stand they are
raising the strongest available bul-
wark of protection. Dr. Landrith
will discuss the political situation
and the presidential candidates as
these matters relate to prohibition
in his address here. All men, wo-
men and young people who wish
to hear the facts on this vital
question before going to the polls
in November, will want to hear
him.

Oscar Matthews Died Monday at Daughter's Home

Oscar Dewey Matthews, age 73
years, passed away Monday at
11 a. m. in the home of his daugh-
ter, Mrs. Leon Scroggins, rural
route No. 3, following a year's ill-
ness.

Mr. Matthews was born in Wat-
ertown, New York, Sept. 22, 1858,
a son of Charles and Melvina Mat-
thews. At the age of eight, he
moved with his father to Benton
Harbor, later removed to South
Dakota, and twelve years ago he
came to Buchanan township. For
the past eight years he had resided
on the Kelsey Bainton farm
west of Buchanan.

He was a former member of the
Christian church at Benton Har-
bor.
He is survived by a widow, Mrs.
Clara Matthews; two daughters,
Mrs. John A. Morse and Mrs. Leo
Scroggins of Buchanan; and a
brother, Calvin Matthews, of But-
ternut, Wis.

The funeral services were held
at 10:30 a. m. yesterday from the
Hamilton chapel, with Rev. J. J.
Terry preaching the sermon and
burial was made in Oak Ridge
cemetery.

Bob (Lefty) Morse Is Pitching Ace For Niles Blues

One of the baseball sensations
around Niles, this year is reported
to be a Buchanan importation, one
Bob (Lefty) Morse, who has won
fourteen and lost three games to
date, with an average of eleven
strike outs for the Niles Blues per
game. Among the nines that
Morse was instrumental in defeat-
ing was the Studebaker Colored
nine, which they defeated on La-
bor Day, after losing to them ear-
lier in the season. Losing games
pitched by Morse were with the
Studebaker nine, with the Marcel-
lus nine which won 1-0 in eleven
innings, and with the New Buffalo
nine, which won 3-2 in ten in-
nings.

VOTING MARKED BY GROWTH IN DEMO. BALLOTS

Only One of Republican Office
Holders in Race Unseated;
Total Vote for County
is 20,000.

Frank Sanders, local candidate
for judge, emerged from
from Tuesday's primary with the
coveted nomination bagged by a
margin of 1558 votes over his
nearest rival, in an election mark-
ed by heavy balloting and fre-
quent upsets.
In the run-off for representative
from the Second District, Don
Pears, who is claimed as a resi-
dent by both Buchanan and St.
Joseph, emerged by virtue of a
good plurality in both of his
"home towns." On the basis of
incomplete returns Preston was
second and Boyle third.

A total of 20,000 ballots were
cast in the county, of which ap-
proximately 12,000 were Republi-
can and 8,000 Democrat, the lat-
ter being an increase of 800 per
cent over the vote of 1,000 cast by
the Democrats in the primary
two years ago.

Guyon Looses
Joseph E. Hetler of Niles, for-
merly of St. Joseph, continued to
cling to a slight margin of J. Fen-
ton Higbee of Benton township for
the Republican nomination for
drain commissioner.

Charles J. Guyon of Buchanan
and Theodore Opsas of St. Joseph
township trailed Higbee in the or-
der named.
Practically complete results gave
Hetler 4100
Higbee 3689
Guyon 1442
Opsas 1070

Attorney Frank Sanders was
awarded a handsome majority in
his home town, receiving a total
of 627 in two precincts, as com-
pared with 113 for Cady and 60
for Burkett. He was also given
large majorities in Buchanan, Ber-
trand, Gallen and Niles townships.

Charles Miller repeated his
sweeping victory of two years ago
in the local primary vote by gar-
nering in a total of 524 as compar-
ed with 199 for Bridgman and
52 for Armstrong.

The total vote for the local
precinct was:
Buchanan Precinct 1, Republi-
can, 415; Democrat, 88; total, 503.
Buchanan Precinct 2, Republi-
can, 404; Democrat, 114; total,
518.

Bertrand township, Republican,
36; Democrat, 57; total, 93.
Buchanan township, Republican,
125; Democrat, 63; total, 188.

The detailed vote of both Bu-
chanan precincts, Bertrand town-
ships and the county total (unof-
ficial) will be found on page 6 of
this issue.

Ed McGee, Former Resident, Killed at Kalamazoo Mon.

Ed McGee, a former resident of
Buchanan, was killed Monday by
a buzz saw while sawing wood at
his home near Kalamazoo. McGee
was a brother of James Mc-
Gee of this city and a son-in-law
of Mrs. Amelia Taylor of St. Por-
tage St. His wife was the for-
mer Miss Mary Taylor of this
place. He is survived by a father,
William McGee, and a sister,
Mabel, both of whom live in Ne-
braska; also by three brothers,
James of Buchanan and Basil and
Pleasant of LeFell.

His funeral will be held at 3:30
p. m. today (Thursday) from a
Kalamazoo funeral home and bur-
ial will be made there.

Will Dedicate Stone Bench at Kathryn Park

Dedicatory exercises for the

ning at 2 p. m. Speakers will be
State Grand Master Thomas Dow
of Stanton, Mich., and Atty. Harry
Taylor, former city attorney of
South Bend. Music will be fur-
nished by a special quartet and a
band. The public are invited.

Thanks and Come Back Again When Grapes are Ripe

Mr. A. G. Bowers of West Chi-
cago street was a visitor in the
Record office Tuesday, leaving a
basket of extraordinary fine Early
Moore and White Niagara grapes.
Mr. Bowers stated that he had
contracted all of his Concord to
one picker but was having diffi-
culty in disposing of other var-
ieties.

Lost 20 Lbs. of Fat In Just 4 Weeks

Mrs. Mae West of St. Louis, Mo., writes: "I'm only 25 yrs. old and weighed 170 lbs. until taking one box of your Kruschen Salts just 4 weeks ago. I now weigh 150 lbs. I also have more energy and furthermore I've never had a hungry moment."

Fat folks should take one half teaspoonful of Kruschen Salts in a glass of hot water in the morning before breakfast—it's the SAFE, harmless way to reduce as tests of thousands of men and women know.

For your health's sake ask for and get Kruschen at any drugstore—the cost for a bottle that lasts 4 weeks is but a trifle and it after the first bottle you are not joyfully satisfied with results—money back.

Wisner's Column

Everyone who gets far ahead in life is a star at seeing the other fellow's viewpoint.
When Bill Hall was in school down in Indiana, he was already this kind of a star. He just naturally could see the viewpoint of the other fellow, which accounted largely for his great success both as a football quarterback and in the class room.
In football, he took the viewpoint of the other team, asked himself what the defense would expect his team to do, and then did something else. That's why the boys called him Slick Hall.
Slick had the reputation of being a good student. At least, he got good grades. But he contends that all he did was to put himself in the place of the professor and ask himself what kind of a student the "prof" would like.
"Well," he said, "if I were a professor sitting up there looking out over a bunch of numbskulls, I'd like the boy who appeared to be interested in what I was saying, wouldn't I? And if he asked me a sensible question now and then, I'd say he was eager to learn, and therefore must be learning a lot from me, wouldn't I?"
"Sure. So you see, I just handled the professor in this way and they gave me good grades—even if they did read my examination papers."
Slick now affirms that was the main reason for the good grades he got in school.
I know also that it is the reason why he has been getting along so well since he left school. He could and did see his job in business from the viewpoint of the man higher up—did this so well that he is now, at the age of thirty-two, one of the higher ups himself.
Yours truly,
G. M. WISNER.

ROCKNE IN 8TH PLACE IN MICHIGAN

WHAT a record! What a car the Rockne must be! It wasn't even in production the first of January. Yet in July in Michigan, it reached 8th place in all car sales.

In every section America is swinging over to the Rockne—the car that's showing all low-priced cars what quality means.

Everywhere, everyone who tries the Rockne says it's wonderful—a new sensation. And so will you. Come in and prove to yourself that the Rockne has more style, more stamina, more power, more comfort, more all around quality and more equipment than any other car in the low-priced field.

Former Residents Celebrate 55th Wedding Anniv.

Cedar Rapids, Ia.
Editor Record,
The following item appearing in a Des Moines paper Sunday may be of interest to a number of people in Buchanan and vicinity:
Boone, Ia.—Mr. and Mrs. J. J. Wells celebrated their 55th wedding anniversary two weeks ago. They were married in Buchanan, Mich., August 29, 1877. Their children are Dr. Jay D. Wells, demonstrator in the dental department in the State University of Iowa dental college; Harry O. Wells, railway conductor; Joseph E. Wells of St. Louis, Mo., and Nellie Cutler of Minneapolis, Minn. Mr. Wells was son of Joseph and Sarah Jones Wells of Cottage Hill, south of Bakertown, and familar-

ly known as "Tote" Wells. Mrs. Wells was daughter of David and Mary Scidmore of Dayton. They moved to Boone in 1899.

ROUND ABOUT BUCHANAN

Collected and Edited By Members of the Student Body

B. H. S. Singers Will Be Called High School Choir

Mr. Robinson states that instead of calling the singers of Buchanan High, the Glee club, it is to be known as the "High School Choir." There are a large number of newcomers in this department this year from whom he expects to mold a fine choir. The first quarter of the year will be devoted to voice culture. All the newcomers need considerable practice in this line, and as soon as they find their ranges the actual singing will go forward at a rapid pace. The choir will number around 100. The band will number about 25 and will be much the same as last year. The orchestra, numbering 35, will make an attempt toward concert work this year. Mr. Robinson says it will be a keen organization, and since he's the judge and jury, he should know. From the choir will be picked a male quartet, probably Skeet Rolan, Marvin Gross, Nene DeNardo, and a fourth yet to be chosen. Also a mixed quartet will be picked and given thorough schooling.

Who's Who

Elaine Donley is the first "freshie" to be jumped on so early in the year. "Tea Dee" is her nickname and she has that real blonde hair, but not the expected blue eyes. Her eyes are very brown. "Tea Dee" doesn't like house work, but some of the things she does like are swimming, dancing (probably because of the famous dance club our new freshies have.) She adores potato chips. For some unknown reason she doesn't care for Ford's, maybe blue Ford's. What about it, Batchie?

Our fair maiden from Dayton, Mary Kuentor, is such a little girl, just 5 feet (and she's a dignified senior, too.) She has blue eyes and red brown hair, but no tempo to go with the red hair. Mary is just a mild and nice, home girl. Her favorite sport and pastime is a fast and furious football game, and reading good books. She dislikes fried potatoes and conceited people.

Fred Riley, a prominent member of our "soph" class, is the kind of a boy that makes all the senior girls wish they were just "soph's" again.

Freddie likes all sports and even though he is just a little too small to participate in the games, he does his duty on the side lines as "cheer leader."

Calendar for 1932-1933

Buchanan High School
This is only the second week of school, however, the pupils know already when the last day of school comes. And, of course, pupils all want to know when they will have their respective holidays. Below is the calendar for the year:
Tuesday, Sept. 6, 1st semester opens.
Friday, Jan. 20, 1st semester closes.
Monday, Jan. 23, 2nd semester opens.
Friday, June 9, 2nd semester closes.
Recesses
Nov. 24-25, Thanksgiving.
Dec. 23 to Jan. 2, Holidays.
March 27 to April 3, Spring vacation.

Faculty Facts

"What did you do this summer?" was the question asked the teaching staff of the Buchanan high school one afternoon last week. Mr. Hyink spent some time visiting his mother at Holland, afterward attending the Gull Lake Bible Conference at Gull Lake, northeast of Kalamazoo. Later in the summer Mr. and Mrs. Hyink journeyed to Ontario, Canada, where they visited the latter's parents, Mr. and Mrs. Thomas Chambers.

Mrs. Dunbar did a little tutoring and spent some time at Shorham on Lake Michigan, also entertained a house guest, Mrs. Mary Pepper, from West Point, Ga. Mrs. Pepper is an ex-Buchanan teacher.

Miss Chandler watched Iowa's tall corn grow taller. Mr. Moore went to a wedding. No, not his own, but he was best man. It won't be long now!

"Doc" Miller didn't even go fishing. He spent most of his summer in Kalamazoo Teachers' College studying general science and United States history.

Miss Rockenbach didn't want to come back from Lake Zurich where she spent her summer. Wonder who the attraction was.

Miss Hanlin spent her vacation in Newfound, climbing mountains with horse and buggy. It is rumored that she had interesting companions.

Miss Shriver went to Detroit a few times, but spent most of the summer running errands for the family and playing solitaire.

Mrs. Whitman kept up her flower garden and later in the season took a trip to the Iowa State Fair.

Miss Thompson spent her summer in the western part of the United States visiting the Black Hills, South Dakota, Grand Canyon, Yellowstone Park and other places of interest.

Mrs. Weaver turned interior decorator this summer, painting all the floors in her home and the kitchen furniture too.

School Slants

Things missed around school; Joe Letcher and Theset Mitchell strolling down the halls together. Marie Hess' dignified giggle.

Good news! Yes, swell news! The depression is over. A lot of the girls have new permanents.

The universal thought around school is how long will the sweet smile stay on the teachers' faces. We hope forever.

Hum, um, labor. No, we're not minding a single. It's just the first year French class trying to pronounce nasal tones.

It's a good thing school has finally started because poor Miss Rockenbach was just pining for herself away. She was so lonesome and homesick for the sight of her gym classes that she lost nine lbs.

Harold Jackson's troubles have started already. The first day of school he came to Miss Hanlin and told her, with tears in his eyes that he did not have his English lesson.

McClen just can't figure out what he's done to get nine months in prison.

It must be that Irvin Weaver keeps too late hours because he tries to catch up on some of his sleep in geometry class.

"Oh! What nice finger nails you have," some one remarked to Mary March. Mary answered, "Yes I don't let the first year of typing get away with my health and finger nails, too."

Plan Tennis and Soccer Tournaments For Girl Athletes

Miss Rockenbach seems quite ambitious this year in planning the sports for her girl athletes. For the girls this year she has planned a tennis tournament, soccer practice and then soccer tournament, and after that a double round soccer tournament. All girls must be signed up for the tennis tournament by Friday. Each time a girl wins over another girl she receives so many G. A. points, and the object is to see who can get the most points.

Monday, soccer practice will begin. All girls must be subject to at least four soccer practices before entering the tournament.

Miss Rockenbach is also having a speed ball tournament after the double round soccer tournament.

Reporting Inquirer

What Did You Do This Summer? My summer vacation was not especially interesting. From the time school let out until the middle of July, I just hiked, swam, read mystery stories (a pet hobby of mine), and camped. Then I spent several weeks at Camp Madison where I had quite a bit of fun sailing canoes and the sail boat.

I also did a little bit of landscape gardening in our back yard. After a bit of laying around I went camping for a few weeks and put in my time swimming at Clear Lake—George Remington.

My summer was one of eat-sleep-and be merry—Alene Riley. I didn't do much of anything in particular. Played tennis and camped out to Clear Lake for a week. Was visiting in Chicago for a couple of weeks and had company from Chicago for a few days. Otherwise I did nothing I don't do during school.—Marvin Gross.

Graduates Enrolled in Many Colleges

Many students who have applied themselves faithfully the past four years have chosen their respective universities in which to obtain greater knowledge. Among E. H. S. alumni going to colleges and universities are:

Robert Roe, Richard Zerbe, John Strayer and Roger Thompson, who are enrolled in the University of Michigan.

Virginia Snowden and Jane Habicht have registered at Northwestern University while Charlotte Arnold will attend Kalamazoo college.

Those going to Western State are Mary Jane Harkrider, Dick Chubb, Richard Brodrick, Harry Babbe, Donald Ferguson, and Enid Rees.

At Michigan State College are enrolled Cleit Sult and Kathryn Portz.

Philip Hanlin has registered at Wabash college, and Lamar Aronson will attend the University of Illinois in the pharmacy branch.

School Nurse Asks for Clothes For Needy Children

Mrs. Lamb, the school nurse, is very busy the first few weeks of school. One of her greatest problems is outfitting the needy children who apply at her office for the clothing left there by the citizens. The demand greatly exceeds the supply, and many children cannot be given proper clothing.

Mrs. Lamb would like the ladies of Buchanan to go over their children's clothing and if there are any out-grown articles that could possibly be used, either as they are, or made over for a smaller child, it would greatly help some less fortunate child in making school attendance possible. Such clothing should be brought to her office and it will be distributed where it will do the most good.

Income Tax is State Debating Theme This Year

"Income Tax" is the subject for the debating team this year. Although the team has not been selected, the possible prospects for this year are Helen Mogford, Otis Flenar and Mary Donley. Among the debaters last year were the following: Phil Hanlin, Pauline Van Every, Marvin Gross, Donald Burrus, Otis Flenar, Helen Mogford and Mary Donley. Due to graduation Phil Hanlin and Pauline Van Every will not appear as our debaters.

G. A. A. Elect Heads for Year

A meeting of the Girls' Athletic Association was held Thursday afternoon. Officers were elected for the coming year. They are: president, Doris Campbell; secretary, Ruth Cripe; hiking master, Helen Mogford; business manager, Rosemary Thompson.

Old officers: president, Katherine George; secretary, Helen Mogford; hiking master, Doris Campbell; business manager, Jane Habicht.

A hike has been planned for early next week.

SCHOOL DAYS

By DWIG

Editorial

With the opening of this school year a condition arises which calls for the co-operation of the student body, the faculty, and the parents.

The opening of school this year calls for sacrifices from all of us," stated Mr. Stark in his address to the student body last Tuesday morning. "It means sacrifices in some families in order that the children may attend school; it means sacrifices on the part of taxpayers to provide funds with which to continue operation and it means sacrifices on your part in that you must do without some things to which you have been accustomed."

These words of Mr. Stark, give the best description of the present condition that can be given. The school budget has been reduced and economies are being practiced wherever possible. So the Microphone joins the faculty in asking the students to co-operate and help the school to continue by being doubly careful of the school property and by keeping the building and grounds clean.

BACK AGAIN
Back from the beaches. And back from the farms. Flaming noses. One and sun burned arms. Groaning and yawning. Cursing a fate That brings us here To school, at eight. Looking up old books, Searching in vain. Sighing and swearing And hunting again. Same old classes. Same old yell. Same old school. And, gosh, it's swell.

Class Activities

English
Mrs. Dunbar's tenth grade English classes have been studying sentences grammatically considered. The study unit, "Why We Study Literature," has been worked on by the eleventh grade class. Prose writing is being undertaken by the senior class. They have been reviewing pleasing sentence structure before they begin the pleasing essay. The English Essentials Tests were given last week in all grades from seven to twelve.

Foreign Language Department
Miss Shriver has started her second year French students out by reviewing the work which they covered last year. Some had faint ideas of what it was all about. However, they soon realized that they had the most of the translations before.

Peggy Merrifield, who left our school last year and went to Chicago, has returned to resume her studies. She is taking second year French, having taken first year French there in her freshman year.

Including Miss Merrifield there are four members in the foreign language department. These are: Janet Kelley, first year, French; Janet Kelley, first year, Latin; both coming here from New Orleans; Katherine George, second year Latin; Miss George hails from Niles.

History Department
Mrs. Whitman's citizenship class

is studying whether a student actually does or doesn't have some influence on his school and on other students.

Tenth Grade History
Pre-historic civilization is being studied by the members of the tenth grade history classes.

United States History
An interesting discussion about the early influence of Europe on America is being studied by the United States history classes.

Commercial Arithmetic
Which is being taught by Mrs. Weaver, has devoted its time to the study of Roman numerals, Arabic system, and reading and writing in both systems.

Rapid addition has been the work of the seventh grade, while the eighth grades have sought their heads in an honest endeavor to solve the 6 per cent method.

Commercial Department
"What I'm worrying about is how I'm ever going to learn the keyboard," remarked one of the pupils of the first year typing class, but Miss Chandler seems to be of assistance to them. Instead of coming out of the room with a puzzled look on their faces, as they did at first, they seem to have a smile, wondering how soon they'll be able to type thirty words a minute.

The second year typists appear to be quite out of practice. A speed test showed them that they seem to have forgotten about all they knew last year. But have patience, because just as soon as they get back into the old routine they'll be right up to par again.

The shorthand class members have been wondering if they're living in the old ages. When it comes to having characters stand for words, something seems to be wrong.

The latest registrant in the commercial department is a large police dog. From all appearances he seems to be quite fond of the teachers. That's all right, doggie. Some people say there's nothing like getting in good with the teachers.

Journalism Class
This year Miss Hanlin's journalism class reaches the large number of twenty-two. The pupils have organized the Microphone staff for the coming year. A general meeting was held, permitting students who served on the staff last year to return this year. Also, material was given to pupils for notebooks, on the beginning of journalism in England. Pupils taking journalism are working quite energetically and at the same time are having a good time.

English
Eighth grade students have been taking the English Essentials test issued by the English department each semester. They have been reviewing clauses and their punctuation, also grammar and literature.

Freshmen English students, under the supervision of Miss Hanlin, have been reviewing. They have also started to study the short story in Literature and Life.

Mechanical Drawing
The mechanical drawing class has an "enrollment" of forty-two students including quite a number taking their third year of drawing and from whom Mr. Miller expects a high grade of work this year. The class has started on its first plate which is a lettering plate.

High School Shop
The high school shop class has an enrollment of twenty-nine students; the shop class students are having shop drawing now, but Mr. Miller expects to have a very fine variety of projects from the students of this year's class.

Eighth Grade Science Class
The eighth grade science class this year is a very large one having an enrollment of sixty-four students. They have been studying about air and its uses and have been having barometer experiments.

News of the Science Classes
The "Unit System" has been retained in the biology class this year, owing to the fact that its merit has been proved by previous use of the system. The class has been studying about common everyday things in nature and has been brought to see the beauties of nature which heretofore they had let pass unnoticed.

The members of the chemistry class have been studying the phenomena of chemical and physical change. Mr. Moore initiated his disciples in laboratory work this week and is frantically watching the outcome, seeking a lab assistant to replace the tutored Clem Bimms of last year.

Students of the physics class have been deeply engrossed in learning to use logarithms. The first week was set aside for a review of such mathematics as will be used in the course. Lab work was begun on the physics book proper.

Home Economics
Girls of the ninth and tenth grade home economics classes are working on towels and curtains to be used in their department. When this work is completed, the ninth grade girls will begin canning. Remodeling will be taken as the project of the tenth grade girls. The seventh grade girls meet twice a week for home economics classes, and the eighth grade girls meet three times a week.

The seventh grade English class under the instruction of Mrs. Walton, has been organized for this year's work. They have been taking the Alpha tests, which are drills in accuracy in spelling, punctuation, sentence recognition, correct usage of words, capitalization, and parts of speech. The remaining time was spent in a general review of last year's work.

Larger classes have been enrolled in the grade department than in previous years. Extra chairs have been added in some grade rooms.

All mothers are invited to attend the meeting at the Dewey Avenue kindergarten room Thursday at 2:30. Dr. Ida Alexander is to be the speaker. This meeting is to be under the auspices of the mothers of kindergarten and first grade pupils.

Meetings of this sort are to be held every Thursday for six weeks.

Mr. Knoblauch and Coach Bradford attended a "Rules and Interpretation" meeting on football at the Michigan State College, East Lansing, Saturday.

Intelligible Words
"Words are important," said Hi Ho, the sage of Chinatown. "To reach the people a man must be more than intelligent. He must be intelligible."—Washington Star.

DAYTON CELEBRATES DEPRESSION SUCCESS

Dayton Odd Fellows and their friends to the number of 115 gathered at the hall at Dayton Thursday evening as the guests of the Labor Day Committee, to celebrate the success of the 20th annual picnic, which went over both in point of numbers and (wonder of wonders!) finances.

The members of the committee which were hosts for the occasion were Jerome Seabast (chairman), Walter Ernsperger and Shuman Sarver. After a fine supper a program was enjoyed, in which high lights were tap dances by Jean Boyd Russell of Buchanan and music by the five colored boys of Buchanan known as the Dusky Daisies and by the Buchanan brass band quintet known as the Thirsty Five.

The first Dayton picnic was held twenty years ago and was promoted by Jerome Seabast and Elisha Allen. Mr. Allen died years ago, but Jerome Seabast has been a factor in its success every year. For the past seventeen years he has been chairman of the committee and general manager of arrangements with responsibility for its success.

By reason of the hard work in preparation staged by this committee the picnic has grown yearly, until the present year, when the attendance was perhaps the greatest on record. Financial records, however, were hung up in the flush war years, when at one time \$1,500 was taken in. Of this \$750 was secured by raffles. Jerome Seabast and Ralph Seabast donated a pure bred Holstein bull calf on which 500 chances were sold at a dollar each. William Speckline donated a pure bred hog on which 250 chances were sold to net \$250. The total receipts of \$750 from the two raffles were donated to the County Red Cross.

Frank E. Dodge, Former Resident, Asks Information

Hawthorne, Calif.

Wagner School District,
Buchanan, Mich.
Gentlemen:

Have you any record that will establish or confirm the age of pupils registering in your district in years 1865 to 1871 or 1872? I attended school there during those years. My father, James F. Dodge, was one of the directors for several years. My object in this inquiry is to establish my age. I have lost all connections with any of my old school mates. I corresponded with William Weaver for a while, and with Edward Sheppardson, but not for long and don't know where they are now located.

My object is to establish my age as I say up to 1872, and if you can furnish me this data, you will be so doing, confer a great favor. Very respectfully yours,
Frank E. Dodge.

If there is anyone who can furnish any information in regard to this matter, will you please get in touch with Charles Hess.

John G. Holmes Gives Low Down on Tariff Issue

Cedar Rapids, Ia.

Editor Record,
Use it or not.

Respectfully,
J. G. Holmes.

Editor Gazette:
I find in your interviews "Out on the Acres" misinformation regarding the tariff which may be hit enlightened by the application in a single case. The democratic party has always advocated "Tariff for revenue only," which

means levying on such articles as, because of climate or other reasons, can not be produced in this country; such as tea and coffee. Before the McKinley administration all of the plate glass used in this country was made in Germany or France and brought here free from tariff, but the new list in the McKinley bill included plate at a ten per cent duty. Therefore it would cost about \$700 for the plate to cover one-half of an ordinary store front, but as soon as that ten per cent became in force the large glass factories began installing machinery for making the plate, and in less than two years the cost of the same window plate was less than \$100.

It may be asked why, when the price went so high, the American manufacturers did not go into the business. The German and French attended to that, by keeping close tab on what was going on in this country, and as soon as a factory was started they dropped the price until that enterprise was dead and they went back to the old figure.

The reason for the democratic party being in favor of free trade and the republicans for protection is that the democratic always has been the party of the south and the republicans of the north. The south in slave times produced nothing but Negroes and cotton. They sold the Negroes among themselves and all of their cotton to England, where they bought all of their supplies. So, naturally, they did not want to pay duties, while the north devoted its attention to manufacturing, and needed protection.

Many seem to believe we are collecting export duties, which is not true, never has been. J. G. Holmes.

Chevalier Sings Seven New Hits, In Latest Film

"Poor Apache," "The Song of Paree," and "How Are You?" are titles of three numbers sung by Maurice Chevalier in "Love Me Tonight," a Rouben Mamoulian production, his latest picture, which comes Sunday and Monday, Sept. 18 and 19 to the Ready Theater, Niles.

Chevalier is heard in seven of the ten numbers, written for the production by Richard Rodgers and Lorenz Hart, noted Broadway composing team. Those listed above he sings as solos. Four others he sings with other members of the cast.

Jeannette MacDonald, leading woman in the picture, sings five numbers, one a solo. And she is heard with Chevalier in "Love Me Tonight," the theme song of the large cast—Charlie Ruggles, Chas. Butterworth, Myrna Loy, C. Aubrey Smith and others—sings during the action.

Titles of their numbers are: "Mimi," "Lover," "A Woman Needs Something Like That," "The Man for Me," "The Son of a Gun is Nothing but a Tailor," and "Isn't It Romantic?"

Rodgers and Hart, writers of many a hit song are best known for their words and music for the musical comedy, "A Connecticut Yankee," which enjoyed a long Broadway run.

Keynote: "Let church members bear in mind that the fact that their names are registered on the church books will not save them. They must show themselves approved of God, workmen that need not be ashamed. Day by day they are to build their characters, in accordance with Christ's directions. They are to abide in Him, constantly exercising faith in Him. Thus they will grow up to the full stature of men and women in Christ, wholesome, cheerful, grateful Christians, led by God into clearer and still clearer light. If this is not their experience they will be among those whose voices will one day be raised in the bitter lamentation, the harvest is past, the summer is ended and my soul is not saved! Why did I not flee to the stronghold for refuge? Why have I trifled with my soul's salvation and done despite to the spirit of grace?"

Prayer service at 11. Prayer meeting Wednesday evening at 7:30.

Christian Science Churches "Matter" is the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, Sept. 18.

At the public relations, in this passage (II Peter 3:13) "Nevertheless we according to his promise, look for new heavens and a new earth, wherein dwelleth righteousness."

Correlative passages read from the Christian Science text book, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, included the following (p. 264): "When we realize that life is spirit, never in nor of matter, this understanding will expand into self-completeness, finding all in God, good; and needing no other consciousness. Spirit and its formations are the only realities of being. Matter disappears under the microscope of spirit."

Attend Scout Dinner at Madron
The Berrien-Cass Scout Area council were hosts last night at a dinner for the Scoutmasters, their assistants and the troop committee chairman of the area at the Camp Madron lodge last night. Those attending from Buchanan were M. H. McKinnon, Rev. H. W. Stayer, H. C. Starke, Leo Slate and A. L. Ganser.

Hostess to Torch Bearers
Mrs. C. A. Andlauer was hostess to the Torch Bearers class of the Presbyterian church at a pot luck dinner Thursday of last week.

Landscaping is Installed at the L. O. Swem Chapel
Paul Robe, landscaping representative of a Bridgman nursery firm, completed some landscaping at the L. O. Swem Funeral Home Tuesday, which should make that property one of the most attractive on South Portage street when the plantings are developed. Robe planted an assortment of choice shrubs, including two varieties of spiraea, two barberries, Weigela, Forsythia, two snowberries, Amoor River Privet and other choice decorative shrubs. A number of American Arbor Vitae and Juniper Pfitzer trees were planted. A lattice was constructed about the garden to the rear of the home, and a new sidewalk is to be installed on the north side.

Don Pears Thanks Voters

To the many friends who made possible my nomination at the primary election Tuesday, I wish to take this opportunity to thank them for the wonderful support which was accorded me. If I am elected your State Representative in November I shall make every attempt to represent the people of this district to the very best of my ability. Again I wish to say "thank you" to the people of Buchanan and surrounding territory.

Signed,
DON PEARS.

Thanks
I wish to express my appreciation to my friends in the Buchanan district for their votes in support of my candidacy for the Republican nomination for register of deeds at the primaries Tuesday.
