BUCHANAN TO MEET ST. JOE HERE SATURDAY

Bradfield's Squad Handicapped by Graduation Letter Men; Faces Hank Howe's Strong Grid Eleven.

Followers of local football will get their first chance to size up the grid machines which Coach Curley Bradfield is constructing at Athletic field diamond, when that organization faces the scoring machine built by the renowned Hank Howe of St. Joseph high school next Saturday afternoon.

For the past two years the two teams have fought on equal terms, the locals holding the county seat team to a tie last year in a game which should have been Buchanan's on the basis of football merit.

This year Bradfield is handicapped by the loss of a majority of his letter men. However, he has built another team around a nucleus of seven letter men, plus some promising green material and is expected to have another good team in the field.

The campaign for sale of season tickets began Tuesday, with tickets at the following places of business: Princess Lee Cream Parlor, Buchanan Candy Kitchen, Kowpe restaurant, Brodriek's Drug Store, Watson's Barber shop, Mead's Barber shop. Tickets may also be bought from P. J. Moore, science teacher at the high school.

Samuel Bunker Among 9 Survivors 11th Mich. Reunion

Samuel S. Bunker and Mrs. Keith Bunker attended the 45th annual reunion of the Civil War veterans of the 11th Michigan cavalry at Hudson, Thursday, Sept. 14. Nine of the fourteen living members attending were: Governor Van Hook, Onsted, Mich., 85 years of age; A. O. Al- verson, Jackson, 90; O. B. Kelley, Hudson, 88; James Tuttle, Hudson, 86; A. J. Teale, Samaria, Mich., 84; J. S. Kikendall, Albion, 91; John Cox, Litchfield, 91; Baker Cole, Adrian, 89; Samuel S. Bunker, Buchanan, 89.

The meeting was held after dinner at the Palmer hotel. The officers for the coming year are: president, Jack Byers of Jackson; vice president, Mrs. McConnell of Jackson; and Mrs. Jack Byers, secretary-treasurer, Jackson. The reunion next year will be held at Jackson the latter part of August instead of September.

Mrs. William Bagley, a widow of one of the veterans, also attended. She is from Hillsdale, Mich., and is 92 years of age.

Thelma Atherton Wedded Saturday to Irving Fletcher

Miss Thelma Eilene Atherton of Buchanan was wedded to Irving Fletcher of Niles at a ceremony held at 2 p. m. Saturday at the St. Paul's Memorial Methodist church at South Bend, Rev. Robert Selle reading the ritual of the ring ceremony. Miss Susan Hawks of Buchanan, a cousin of the bride, acted as bridesmaid and Vernon Wilkens of Niles was groomsman.

The bride is the daughter of Mr. and Mrs. Clyde Atherton of this city. Previous to her marriage she was employed at the Berrien County Electric Shop. Mr. Fletcher is an employee of the Michigan Mushroom company of Niles.

Jerry D. Lyon Died Yesterday at Owosso Home

Mrs. Nancy Lyon and daughter, Miss Lulu Lyon, were called to Owosso, Mich., yesterday morning by tidings of the severe illness of the former's son, Jerry D. Lyon, who passed away at his home there before they arrived.

Jerry Lyon was formerly a resident of Buchanan, operating for a time, the St. Joe Valley Creamery. He went to Owosso about fifteen years ago. He was born near Lakeside. He is survived by his wife; by two children, Donald and Barbara; by his mother, Mrs. Nancy Lyon of Buchanan; by two sisters, Miss Lulu Lyon and Mrs. Martin Mann of Buchanan; by four brothers, Charles Lyon of Galien, Will Lyon of Dowagiac, Melvin Lyon of Milford, Ind., and Otto Lyon of Golden, Colo.

Buchanan May Hold Registration for the Unemployed

Registration for the unemployed of Buchanan may be arranged at an early date, according to Harley Squier, local relief officer, who went to Niles this morning to make inquiry as to the advisability of such procedure.

Registration was held in Niles Tuesday and Wednesday of this week and in the north part of the county at an earlier date. Recruits for labor from federal construction projects in all parts of the United States will be drawn from this list. Labor on state projects within the county is also to be prorated among the communities of the county.

TURN CLOCKS BACK SUNDAY, SAYS COMMISSION

Will Follow Lead of Chicago, South Bend and of Towns in This Area of Michigan.

Citizens of Buchanan will go to their place of worship on Sunday morning on "fast" or Eastern Standard time for the last time this season next Sunday, and on the following Monday morning they will go to work on "slow" or Central Standard time, according to the decision arrived at by the city commission Tuesday.

The change is in conformity with past practice here of following the lead of Chicago and South Bend, with which cities local business men have their most important connections. South Bend will change time Saturday night, as will also Niles, the change there going into effect for the Sunday time of worship.

A limited check of Buchanan which was only partially completed when Mayor Frank Merson announced the change indicated that business men were divided in opinion on the advisability of change, with a margin in favor of fast time. A check of the homes of the city indicated an overwhelming sentiment in favor of a change to slow time.

Arguments for "slow time" were as follows:

1. The main business connections are with Chicago, South Bend and Niles, which are going on slow time.

2. The fact that the Michigan Central railway has remained on Central Standard time in this section is productive of much confusion.

3. Central Standard Time is better for school children in the winter, as if Eastern Standard time were maintained the pupils would be obliged to get up in the dark and go to school before sunrise in midwinter.

4. Central Standard time will save electric light bills in homes where the families are obliged to rise early to enable members to go to work or attend school.

5. The town should give some consideration to the country people who find slow time most adapted to their work.

Arguments advanced for remaining on "fast time" were:

1. Eastern Standard time has been made the official state time by law (meaning that all state courts and offices must do business on that time).

2. Since Eastern time is now in use here, it should remain in use, as there is no adequate reason for changing.

3. Fast time gives more time in the evening for recreation.

4. Business houses would save on electricity by having the evening hours pushed ahead.

An Explanation of Strange Behaviour of Scout Troop 41

If some of the members of Troop 41 ask you if you know the story of "The Twenty Little Sticks," don't think they have suddenly gone "hay-wire," for this is the correct procedure to discover the one person in town who does know the tale. This is the beginning of a new detective contest started at the last meeting.

The members of the troop are anxiously preparing for their annual football trip to Lansing. This year the game they are invited to takes place Saturday, Sept. 30.

Men from Buchanan who attended the Council Complimentary supper last Thursday were: Executive Board members, L. E. Stevens, L. L. Lyon and H. C. Stark; Troop Committeemen, M. H. McKinnon and L. G. Fitch; Scoutmasters, Frank King and Leo Slate and Senior Patrol Leader, Albert Webb.

Orioles Join St. Joe Valley Football League

The Oriole football team, leading independent grid organization of southwestern Michigan, has been elected to membership in the St. Joe Valley League, consisting of ten selected teams from southern Michigan and Northern Indiana.

Membership in the league was awarded to the local eleven at a meeting held at the auditorium at the South Bend Tribune building Monday evening. The Orioles were represented there by Manager Ed Stults and Walter Pfingst.

The Orioles are required to play at least five teams of the league and if sufficiently successful will play the other leader for the title. Among the teams in the league are the South Bend Boosters, South Bend River Park, Mishawaka Athletic Club, Mishawaka Skibos, South Bend Black Jacks, O'Amico's. The first game against a league opponent will be played here Oct. 3, opponent still to be selected.

Hills Corners To Hold Annual Homecoming Oct. 1

The annual Home Coming services of the Hills Corners Christian church will be held Sunday, Oct. 1. The church school will meet at 10 a. m.; morning worship will be at 11 a. m. and an afternoon program will begin about 2 p. m. Following the morning services there will be a basket dinner in the basement of the church. All friends of the church are cordially invited for the day.

Arrangements for the day are being completed. The central committee, Mrs. Claude Blackburn, chairman, is composed of Mr. and Mrs. Claude Blackburn, Mr. and Mrs. Howard Gardner, and Mr. and Mrs. Arthur Proseus and Miss Lois Boyce.

Every Day is Baby Day As Entries Arrive For Personality Election

PICTURES START TODAY

We want to print a "personality picture" of every little boy and girl of five or under in this entire section. If your baby already has been nominated (see list on page 2) come down to the Record office and arrange for a photograph without undue delay. If the baby has not yet been entered, bring in a nomination; we expect many additional entries during the next week or two.

MERCHANTS TO MEET GREYHOUNDS IN RETURN SUNDAY

Big Dick Montague and Bob Morse Scheduled to Face Each Other When Portage Seeks Revenge.

Next Sunday afternoon at the Letcher diamond on Portage Prairie, it will be another game and another story, according to Greyhound fans who refuse to believe that the outcome of last Sunday's contest with the Merchants on the local diamond was a true indication of the relative merit of the two organizations.

And on next Sunday the much-touted twirlers, Morse and Montague, will be straining in the pitcher's box and no foolin'. Last Sunday the plan had been to start them, but Montague was unable to play on account of an injured hand and the Greyhounds consequently held back Morse.

The Merchants won the opening contest 4-2 in a game which was a pitcher's battle between Hamilton for the locals and Sebasty for the Prairie pouches. Sebasty reld the Merchants to two hits for the first six innings, when the local stickman finally got to him. He struck out six men as compared to five by Hamilton.

Summary

Table with columns: Merchants, AB, R, H. Rows include Root, Lou Morse, Geary, Newman, Wolford, Helderman, Jackson, Lauren Morse, Bailey, Hamilton, Greyhounds, Sellers, Paso, Letcher, Liskey, Straub, Kel, Bachman, Decker, Richter, Welsh, Sebasty, R. Morse.

Score by innings: Merchants 100 001 200-4 Greyhounds 001 000 010-2

Here's your chance to win \$1,000 a year for life—or one of nine other cash prizes. All you have to do is submit a good idea in a few words. You'll find complete details of this great offer in next Sunday's Chicago Herald and Examiner. It's open to everyone, regardless of age or where you live.

"Nominate Your Favorite Baby," Word To Residents of Buchanan and Environs

Voting to Start in Paper Next Week; Make Your Nominations and Start Casting Your Votes Before Next Wednesday Night.

A tide of public interest and approval for the Record's "Personality Babies" Election has begun to sweep in from every corner of the Buchanan area. This exceedingly interesting feature, in which we will publish the pictures of attractive little tots from all around the county and at the close award a total of \$25,000 in prizes including an engraved silver loving cup, certainly has struck a responsive chord in the hearts of the fathers, mothers and admirers of the community's babies.

This response is indicated by the flood of nominations that have poured in during the last few days. On another page of this issue, you will find a complete list of all the babies who, up to the time of publication, have been nominated to take part in the election. We are proud of both the quantity and quality of these entrants, and it would be a very apathetic individual who could not find some little man or woman in this list to enthuse over.

The outside territory has come forward with a surprisingly large number of entrants, and it is quite evident that the silver loving cup and the title of "Most Attractive Baby" is just as likely to go outside Buchanan as it is to remain within the city.

It is also quite noteworthy, we think, that a very high percentage of these nominations have been made by persons other than the parents themselves. Of course, it should be a matter of pride to parents that some one else has been sufficiently impressed by their baby's personality to do this, and it also should be evidence that the little candidate already has some strong boosters outside the immediate family circle.

Nevertheless, the next move is up to the parents themselves. So if your baby's name appears among the nominees this week, we suggest that you get in touch with the Record office at once, relative to supplying us with a picture for publication and other details. Remember, no matter how many friends and admirers your baby has, unless you co-operate the good wishes of your friends and their desire to aid will not avail.

How to Secure Votes The Record's baby feature is going to be an interesting, friendly voting election, in which some personable little tot will win the title of the community's "Most Attractive Baby" together with a lifetime silver loving cup and \$100 in cash. Other generous cash awards also will be paid out, and there will be an award for every active entrant. The complete prize list is published elsewhere, and all awards will be made on a basis of votes secured during the election.

In addition to gathering the coupon ballots good for 100 votes each that appear in each issue of the paper for several weeks, and bringing or sending them to the Record office, we also will allow votes on new and renewal subscriptions, arrearages as well as advance payments, and it is along this line of endeavor that your greatest gains will be made. A schedule of votes given on subscriptions is shown on another page today, and we are now prepared to furnish you with pocket subscription books, as well as a list of subscriptions in your particular territory showing you just who takes the paper and when their subscription runs out. Incidentally, a large number of these subscriptions are coming due right now, and it is certain that many of your friends would prefer to renew through you, and thus give a substantial number of votes to your baby. With this book and information, it will be a simple matter for you to secure the votes necessary to win. These subscription books and all information are free of course.

Extra Vote Offer Now here's something important: as a means of getting every little candidate off to a good start, we are going to open the election with an extra vote offer. For the next three weeks—that is, up to and including Wednesday, Oct. 11, you will receive 6,000 extra votes on every one-year subscription turned in. If you turn in a two-year subscription, you will receive two 6,000-vote bonuses, and this same proportion holds good for longer subscriptions. In other words, during the next three weeks on every one-year subscription you turn in you will receive the regular 5,000 votes plus the 6,000 bonus votes or a total of 11,000 votes. Remember, this offer expires on Oct. 11, and never again will so many votes be given on subscriptions, so this is your opportunity to boost your baby's candidacy rapidly and effectively.

We Want Photographs We are anxious to secure the photograph of YOUR baby as soon as possible. If you have a picture that is satisfactory, bring it in to the Record office. If not, we will gladly arrange to have one made without cost to you. George E. Smith, Buchanan photographer, has been secured by the Record to take all needed photographs for the Baby Election, and his work is so well known that he will take a splendid picture of your baby.

Of course, it is not necessary for you to furnish us with a picture to have your baby take part in the Baby Election; however, we think this is one of the most interesting features of the enterprise. We would like to publish as many of these pictures as we can, and since it takes time to first have the photograph taken and finished and then more time for the engravers to turn out a cut, we hope you will co-operate by attending to this as soon as possible.

Voting Starts Next Week Already a few of the 100-vote ballots have started to come in, and voting will start in the paper next week. So, if you have a baby entered in the election, send in your vote coupons and get after those subscription votes, too. Do this before next Wednesday night.

More Nominations in Order If you do not find the name of your favorite baby among the list of entrants, send it now. Don't delay, because delays are dangerous. In a short time, the nomination coupon will be discontinued, so fill one of these coupons out and bring it down while nominations are open.

Come in and talk with the manager of the Baby Election. Ask all the questions you can think of. Get all the details. You might be surprised to learn how important a modest personality test such as this can be in shaping future careers for little tots who, even in early years, exhibit outstanding personalities.

Now we present Jo Ann Wetzel, a pink-and-white little sweetheart if you ever saw one. Jo Ann lives in Glendora, and when she puts out a chubby hand and says "Goo," everybody up in that neighborhood runs to get what they think she wants.

Quiet, sincere, instinctively well-mannered, that's Wanda Mae Nadratowski. Wanda is only two years old, and yet she has more poise than many adults ten times as old as she.

Here is Joella Louise Bowering trying hard to be serious before the camera, but she can't keep the edge of a smile from showing.

Patricia Glavin, the "girl with the smile," hails from Sawyer. The vicinity of Sawyer always has been noted for its pretty girls, and Patricia, although only 7 1/2 months old, gives promise of living up to the best traditions of her home town.

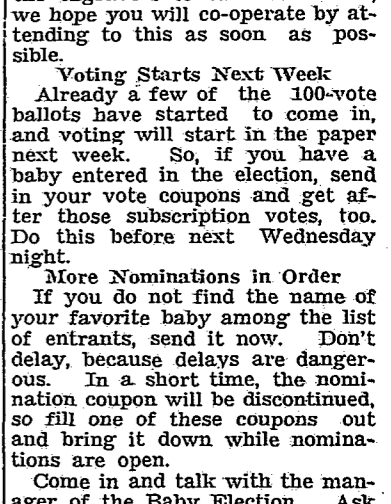

This titian-haired little tot has a sparkling personality and keen intelligence, and she has an exceedingly large number of friends for one of her years.

Nature gave an unusual setting to the personality of this petite little Miss, for she has blonde hair and brown eyes, a rare and attractive combination.

Now here's a lad who takes his responsibilities seriously. Right now, he's looking the world square in the face; but Charles has his lighter moments, too, and he can smile a smile that melts your heart right down in a minute.

A fine little chap is Charles William Smith, 13 months old; and the son of Mr. and Mrs. Charles Smith of 503 W. Front street.

First List Record's 'Personality Babies' Out Now; Voting Starts Next Week

RECORD READERS TO BALLOT FOR THEIR FAVORITE LITTLE TOTS IN INTERESTING BABY ELECTION

Many More Nominations Expected During Next Few Days; Record Wants Many More Baby Pictures for Publication in Future Issues.

Today, the Berrien County Record announces the first list of nomination in the "Personality Baby" Election. We are proud of these early nominees, and we believe no community in the world could furnish a larger list of attractive babies than is represented in the following roll.

It must be emphasized, however, that a very high percentage of these nominations have been sent in by persons other than the parents themselves—that is, by admiring friends who considered these babies well qualified as prospective prize winners in this interesting election, and lost no time in entering their favorites. So, if YOU have a boy or girl in your home, better scan this list to see if a nomination has been sent in for one of them. If it has, we hope you will not delay getting in touch with the Record office, relative to having a picture taken and other details. If as yet no nomination has been sent in for your baby, use the coupon on the opposite page for that purpose. Remember, we want the photo of every "personality baby" in the district, and this includes your little one.

Also, please bear in mind that this list was hastily compiled, and probably contains some errors in spelling or addresses. Parents are requested to notify us of such errors, so they may be corrected before next week's paper.

One thing more—voting starts in the paper next week. Get your votes in before next Wednesday night.

The nominations to date follow:

Table listing baby names and their parents, organized by district (BUCHANAN R. F. D. 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50).

ROUND ABOUT BUCHANAN

STUDENTS SHY FROM PLATFORM It would be interesting to know all the factors which underlie the announcement carried in the Microphone section of this issue, to the effect that the speech class at the high school might be dropped on account of lack of interest.

Had that lack of interest occurred a few years back it would be less worthy of comment. Then the tide was against the value of training in oral speech. The value of platform ability in general had been greatly discounted, and about the only oral ability that commanded any respect was the glib facility of the salesman in overcoming the "sales resistance" of a prospect.

But in more recent years, when smaller belt circumferences were supposed to conduce to greater mental activity, it had been generally reported that interest in the spoken word was increasing.

A factor in this reputed increase was the radio. It was a political maxim of the Greeks that a democracy could reach no further than the spoken voice. With the coming of national broadcasting hookups, it became possible for the spoken word to be heard about the world. With the radio address challenging the former supremacy of the printed word as a moulder of public opinion, it would naturally be supposed that the interest of the young would again be revived in ability in that line.

But, according to the Microphone, apparently not.

NOW WHO'S PROFITEERING?

A current release from Michigan State College reports a check in 51 cities to determine who is getting the reported undue spread between the price the farmer receives for the raw product and the price the consumer pays for the finished article.

The tax on cotton adds only 4.2c per pound to its cost. Manufacturers or retailers, the report states, who use the tax as an excuse for adding more than this amount to the price of cloth are not complying with the government's policy of increasing farm prices without adding unduly to the costs of living for workers.

For the week of August 30, the average retail price of sheets was \$1.16 and the amount of the price which could be legitimately charged to tax was 8c. A work shirt contained cotton that had paid a tax of about 3 1/2c, overalls selling for \$1.41 contained cotton on which the tax was 8 1/2c, and only 1c of the price of unbleached muslin per yard could be charged to tax.

In raised prices running as high as 40 per cent on men's shirts, 27 per cent on union suits and 34 per cent on cotton mattresses are unduly high and can not be charged to any activities of the government in increasing the prices of farm products. Mr. Peek and Dr. Howe of the National Consumers' Council, will release news concerning retail prices and federal agencies will check attempts at gouging.

Rev. and Mrs. Henry Liddick of Kalamazoo were guests last night at the home of Mr. and Mrs. D. L. Boardman, going on this morning to attend the state conference at Benton Harbor.

An Analysis of Michigan Auto Responsibility Law

The following analysis of the McCull-Granger-Root Bill, which becomes a part of the effective laws of Michigan, Oct. 16, 1933, is furnished through the courtesy of E. N. Schiann:

Purpose of the Act First, To provide an incentive for careful and safe driving and to control and eliminate the reckless and irresponsible driver. Second, To compel those drivers who have demonstrated their recklessness to establish evidence of financial responsibility for the future before their driving privileges may be restored to them.

Third, To furnish an incentive for payment of otherwise uncollectible judgments arising from automobile accidents. Application of the Act This law affects operators in Michigan, and owners of motor vehicles registered in Michigan, as well as residents of other states who operate or have their motor vehicles operated in the State of Michigan, who

1. Are convicted for violating any of the following sections of the Motor Vehicle Laws: a. Manslaughter with a motor vehicle. b. Driving under the influence of drugs or liquor. c. Perjury or false affidavit under the laws for registration and motor vehicles.

d. Any crime punishable as a felony under the Motor Vehicle Laws or other felony in which a motor vehicle is used. e. Conviction of, or forfeiture of bail upon, three charges of reckless driving in 12 months. f. Failure to stop and render assistance, etc., after an accident in which someone has been injured.

2. Are the operators or owners of motor vehicles concerned in a motor vehicle accident resulting in property damage in excess of \$300, or in personal injury or death.

3. Fail to pay or satisfy, within prescribed amounts, final judgments rendered against them for such personal injury or death, or for property damage resulting from the operation or ownership of a motor vehicle.

Accidents Every person who while operating, or who is the owner of, any motor vehicle which is concerned in a motor vehicle accident resulting in property damage in excess of \$300 or death or personal injury, must furnish evidence of financial responsibility, or lose his rights to operate or register any motor vehicle in this state.

Failure to Satisfy Judgments Arising out of Motor Vehicle Accidents Every owner or operator must, within 30 days pay or satisfy any final judgment rendered against him, arising out of a motor vehicle accident for personal injury or death, and for damage to property in excess of \$300. Payment to the extent of \$5,000 for injury to one person in one accident, and to the extent of \$10,000 for injury to more than one person in one accident, and to the extent of \$1,000 for damage to property in one ac-

Every Day Baby Day As Entries Arrive Record Office

(Continued from page 1) The Election is On Well, the Personality Babies election is about to get under way. It is starting now and will continue until Nov. 6. During this time, you are going to see one of the most interesting and appealing programs imaginable, and we predict that there will not be a person in the community—no, not one—who will not be a booster for one of these little candidates before long.

Office Open Evenings For a few weeks, the Record office will be open evenings for the convenience of patrons of the Baby Election. If it is not convenient to come during the day, you can bring in votes and secure information any evening from 7 to 8.

The Prizes First Prize: Silver loving cup and \$100 in cash. Second Prize: \$60 in cash. Third Prize: \$40 in cash. Fourth Prize: \$25 in cash. Fifth Prize: \$15 in cash. Sixth Prize: \$10 in cash. Entrants qualifying below sixth prize will be rewarded from a fund of \$250 (estimated) set aside for this purpose, each of them receiving a sum equal to ten per cent of the subscription payments gained in so their credit.

County News

Hog Cholera at Three Oaks Hog cholera is reported in the farm district northwest of Three Oaks, where sixty hogs in the herd of Frank Hable have died in the past three weeks. The herds of Fred Long and Lawrence Long have also been found to be suffering with the disease. Hable believes that his herd became infected through eating garbage from the Lake Shore district. It has been about eight years since hog cholera has been reported in this county.

Maroons Start Grid Season With St. Joseph Sat.

With the opening game against St. Joseph this Saturday, Coach Harold Bradford is busily engaged in building a new team around the few remaining regulars.

One of the biggest problems facing the coach is the developing of a new backfield combination. Assisting Mr. Bradford in the training of both the line and backfield are Harold Pierce, Ralph Pfingst, Bob Ellis and George Wynn, all former "Buck" football stars.

Fresh, soph and juniors turned out in numbers to do or die for their Alma Mater, so Mr. Bradford has plenty of recruits from which to choose.

Both the first and second squads have been drilling on defensive and offensive tactics and signals. The Bucks' inexperience may prove a slight handicap against the more seasoned Twin City eleven; however, lack of experience probably will be offset by plenty of scrap.

St. Joe has proved a little too much for the Maroons every year, but a new team of ten upsets the old dog bucket.

The line this year is not quite as powerful as last year's, but the inexperienced backfield is developing into what promises to be a tough quartet.

All in all, this year's team, if given plenty of support by the student body and townspeople, will prove to be a hard outfit to beat.

Donald Burrus is Editor-in-Chief School Newspaper

As usual the Microphone will be written this year by the journalism class under the direction of Miss Helen Egan. It will be printed by the Berrien County Record.

The journalism class will write, proof-read and edit all articles appearing in the Microphone. Miss Hanlin, A. L. Knoblauch, and H. C. Stark will act as advisors. This year the proof reading will be done by members of the journalism class, since the students are assuming all responsibility.

The aim of the Microphone will be: to try to please each and every reader of the Record, both the students and the public; to assist in giving the parents of the pupils of Buchanan high school a better understanding of the life beneath the pines; and to establish a better relationship among the teachers, pupils, and parents.

Reporters for the Microphone this year are: Verl Brewer, Wilson Crittenden, Ruth Cripe, Annabelle, Dalenberg, Carson, Donley, Martin Cross, Edna Holmes, Tina Kelley, Thelma Lomahaugh, Lillian Peacock, Marie Reese, George Remington, Richard Schram, Marjorie Shreve, Helen Spatta, August Topash, Pauline Topash, Geneva Truettner, Robert Upham and Robert Willard. The editor-in-chief is Donald Burrus.

Any member of the student body who would like to report for the paper, please see Miss Hanlin.

Faculty Club Initiates 3 at Opening Meeting

The Faculty club expects to hold its first meeting soon. The officers elected last May are: president, H. C. Stark; secretary, Mrs. Blanche Heim; treasurer, P. J. Moore.

At the first meeting Miss Lucille Quade, Miss Johanna Deesenberg and Miss Emma Eohl, the new members of the club will be initiated. H. C. Bradford, Miss Alice Roghenbach and Mrs. Heim make up the committee in charge of initiation and entertainment. The refreshment committee consists of R. R. Robinson, Mrs. Leah Weaver and Miss Doris Reams.

Payment Primary Money Per Child \$9.50, Sept. 25

Announcement has been received that the primary money from the state will be received by the school in two payments this year, the first of which is due Sept. 25 and which will amount to \$9.50 per child. Also the state is considering the establishment of another fund for the aid of the poorer school districts.

The enrollment number of the high school is 237 and of the junior high school is 154. Also there are twelve post graduates. The seventh grade has 62 members; the eighth, 72; the ninth, 85; the tenth, 63; the eleventh, 56; and the twelfth, 53.

Interest in Speech Work is Declining

It is doubtful as to whether there will be any speech work in the school this year. Speech is a half credit subject and there are a few persons interested in taking it. The Michigan high school debating league, of which the school has been a member in other years, has been changed to the Michigan High School Forensic League so that it will include oratory, declamations and extempor-

ancous speaking, as well as debating. However, the nearest school to Buchanan in this league is at Grand Rapids, and it is almost impossible for Buchanan to compete with other schools so far away.

Mathematics Mr. Hylink's freshman algebra class is learning the properties of angles and the relationship to each other. They have also had instructions concerning triangles and other angular figures. In addition to this they have had the formation and use of the formula.

During the week the geometry class will study the classification of triangles and relationships to one another. They are learning the methods of measuring angles. The advanced algebra class is grasping the fundamental operations of their applications to fractions. They were also learning the solution of problems by the use of first degree.

Mrs. Weaver's seventh grade arithmetic class is casting out 9's in both multiplication and division. The eighth grade arithmetic class is having fundamentals based upon discounts given in sales, and the fractional approximate equivalents.

Through this week, the commercial arithmetic class has been learning the Alequot parts in multiplication, with the addition of Trade Discounts.

Science Department Mr. Moore's physics class has been studying the law of Pascal, or the hydraulic press jack. The chemistry classes have begun laboratory work; they have also been checking laboratory materials and taking up hydrogen, the gas used in dirigibles.

The biology class has been collecting all sorts of insects for mounting. They will take several field trips to collect insects for winter dissection.

Musio Mr. Robinson's band class enrollment this year was 33. He has been drilling it in school and football songs in preparation for the coming football season.

The orchestra has made considerable headway in its tryout for tone. The string ensemble, part of the orchestra, gave a performance last Sunday night. The beginners class of music has been characterized by outstanding work on the part of several individuals and has been doing excellent work as a whole.

Organization of the Glee Club has taken place and the class is meeting regularly. Vocal music has been introduced into the grades and is being taught by Mr. Robinson with the assistance of the teachers of the grades.

Home Economics Miss Thompson's home economics classes are becoming very domestic with their study of food stuffs. The seventh grade classes have started on their first meal, that of breakfasts.

The eighth grade has been working on dinners and the first course of dinners. The ninth grade are striving to become valuable little housewives with their preparing of economical and low cost foods. They have also studied family meals and the planning of dinners.

The advanced home economics class has studied art in home and clothing with the aid of crayons and paints.

Library News The high school library is open now under the supervision of Miss Janet Thompson. Her assistant librarians are Esther Kempton, first hour; Bob Gladwin, second hour; Thomas Quirk, third hour; Donabelle DeWitt, fourth hour; Joyce Kohlman, fifth hour; and George Spatta, sixth hour.

The following rules go into effect: a charge of 2c a day will be placed on persons having a book overdue; all books taken out are due in a week from that date; no encyclopedias or reference books may be taken out longer than one hour; anyone owing a fine cannot take out books; and all books and magazines must be secured during the first five minutes of each period.

There have been no additional books or magazines added to the list this year as yet. Commercial Dept. The commercial classes, under the new instructor, Miss Quade, have been making excellent progress since the beginning of the fall term.

The bookkeeping classes are being initiated into the mysteries of purchase, sales, and how to figure profit and expense. Short hand students are beginning to grasp the idea of what all these little figures and lines are all about. They have been practicing different strokes and have learned a few words. The beginners typing classes have been studying the second finger keys. In a short time, they will be tapping words to the victrola to help them obtain an even stroke.

The different fundamentals of gym and the boys are being instructed on posture and discipline. The eighth, ninth, tenth and eleventh grades are having a series of soccer games, which are being held outside.

Journalism "What is Journalism?" is the question that was discussed by the Journalism class last week. They are also analyzing newspapers, finding the source from which the paper comes, and the value of its contents.

Friday, essays were written without notes on the highlights of the news of the week. This encourages the students to read the newspapers daily.

English 9 All English 9 classes are studying "The Vision of Sir Launfal" from which there has been memory work. Their next assignment will be the study of some short stories by Hawthorne and Dickens.

Horticulture The horticulture class is discussing the reproduction and propagation of horticultural plants, while the senior agriculture class is considering the chemical and physical properties of the soil.

English 10 The English 10 classes have read the introduction to Literature and Life, Book III, and are working on "The Tempest" by Shakespeare. They will be required to make a project on some story they have studied this month.

English 7, 11 and 12 The seventh grade students are making note books on the "Legend of Sleepy Hollow." Very clever ones have been presented, containing maps of the Catskill region, descriptions of characters and a biography of Washington Irving.

Beginning the study of Old English Literature, with Study Unit "Chaucer and His Times," the juniors are translating "The Canterbury Tales" from Middle English.

After analyzing the construction of the essays taken from Bacon, Addison, Lamb, and Ruskin, the class is writing both formal and informal essays.

History 7 and 8 The eighth grade history classes have for the past week been reviewing their notes on the states and the forming of the American government. Civics, forms of government, and the making of the Constitution have also been read during this week.

The European background of American history has been studied by the seventh grade. The eighth grade students have been reviewing parts of speech. They are making a notebook, illustrating the parts of speech they have already studied. The second division has made better progress than the first in spelling.

An English Club has been started by the eighth grade pupils. Each person contributes as many new words as possible to the club. These are learned by the class and added to their vocabularies.

History 10 and 12 The Hebrews and Phoenicians' contributions to civilization have been very interesting subjects during the past week. The twelfth grade American history class has been studying how their ancestors settled the American colonies.

The citizenship class has been interested in the subject of the benefit of schools to children. The class consists of 44 sophomores and freshmen, the largest class in its history.

Foreign Languages In the foreign language department the Latin 9 class has had first declension, case ending, and case uses. The second year Latin class is working on pronunciation and accentuation.

The conjugation of "Avoir" and "Etre" has been introduced to the students of French 11. The French 12 classes are translating the history of France.

Manual Training Department Mr. Miller's classes in manual training are over crowded this year inasmuch as there are thirty-four benches and forty-five, thirty-eight and thirty-five students respectively in the 7th, 8th and 9th grade shop classes.

The classes in manual training are making working drawings of the projects which they have chosen to build. The mechanical drawing classes are small because of the new rule that limits students to two years of mechanical drawing.

South Bend School of Commerce. The South Bend Business Institute will be attended by Dorothy Holmes and Charlotte Arnold, the latter having attended Kalamazoo College last year.

Special A number of calls for clothing and shoes for needy students have been made to Mrs. Lamb.

Very little clothing is left from last year in the used clothing department. Anyone having clothing to contribute please notify the school nurse.

The World's Fair, camping, and motor trips proved to be the main source of interest for the teachers of Buchanan high school this summer.

Mr. Hylink was ordained into the ministry in Chicago. He secured a position teaching in a Y. M. C. A. camp near Twin Lakes, Mich. He also visited Mrs. Hylink's parents in Sherborn, Ontario.

Mrs. Weaver and Mrs. Whitman spent their vacation mainly in Buchanan. Mrs. Whitman worked in her flower garden and also visited her sister in Portland, Mich. The Fair was a source of enjoyment for Mrs. Weaver.

The new teacher in the commercial department, Miss Quade, spent the summer at her home in St. Joe; likewise, Miss Alice Rockenbach was at her home at Lake Zurich.

Miss Helen Hanlin motored to Montreal and Miss Ruth Shriver went to California for her vacation.

Arthur Knoblauch and Paul Moore attended summer school at the University of Michigan Graduate school. Mr. Knoblauch received his Master of Arts degree.

Entertaining was a part of Mrs. Dunbar's vacation. She spent a week at Sister Lakes with Mrs. Wade Miller. Later, Mr. and Mrs. Dunbar went to Appleton, Wis., and brought back their son, Howard Dunbar.

Miss Janet Thompson was the hostess at the National Medical convention representing the General Foods Company of N. Y. This was held in Milwaukee. She also attended the National Home Economics convention there.

Following the convention, Mr. Miller's vacation, whereas Mr. Bradford went camping; Mr. Robinson sailed and fished at Diamond lake.

Those attending the University of Michigan are: Roger Thompson, who will enter his junior year in the College of Electrical Engineering. He is a member of the Theta Chi University and holds a position on the Michigan Gargoyle, a University publication.

John Strayer will enter his sophomore year in Pre-medics. He also is a member of the Theta Delta Chi Fraternity.

Robert French, who is studying Economics, has completed his M. A. degree and is now working on his Ph. D.

Richard Zerbe, a senior at the University, is majoring in chemistry.

Those attending Michigan State college are: Maurice Aronson, who will major in Business Administration. Lee Donley and Dee Weaver, who plan to major in forestry. Edward Roles, who plans to take a general course.

Rosemary Thompson, who will major in Physical Ed. She will reside at Mary Mayo hall. The above four will all be freshmen this fall.

Those attending Western State Teachers College are: Alene Riley, a freshman, who will major in public school music. Emil Reams is studying the teaching of unusual children.

Richard Brodrick is majoring in pre-medics. Harold Pierce and Harold Knight, both juniors, are majoring in Physical Education.

Leo and Harold Boyce are both taking a commerce course. Oscar Richter is taking a literary course and Ralph Pfingst is majoring in Physical Ed., and will be captain of this year's track team.

Helen Fletcher will attend the

Who's Who An attractive girl with curly blonde hair and blue eyes has been noticed in the freshmen class room lately. This young lady, Marie Montgomery, is 14 years of age. She has always lived in this vicinity and attends the local schools.

Marie takes a great interest in her school work, likes all of her teachers and is especially fond of Latin and Glee Club.

All of Marie's schoolmates like her very much as she is a jovial person and has a very nice disposition.

Marie likes all kinds of food except onions. Her favorite color is blue.

Dale Boyce, a freshman with curly red hair, is fifteen years of age and has a birthday on the 6th of January.

He likes going to school very much and gets along nicely with all the teachers.

Dale received a great disappointment this fall as he was unable to go out for football. During the summer's vacation he fractured both of his wrists and due to their weakened condition he is unable to enter into the athletic activities this fall.

Dale is very fond of sweets, especially any kind of candy. His favorite color is red.

Less Call for Free Books Mr. Stark announces that the call for free books has been considerably less than the call for free books last year.

Outstanding Feature Booked for Ready Theatre at Niles

Claudette Colbert, Ben Lyon and Ernest Torrence have leading roles in the season's outstanding production "I Cover the Waterfront," which starts Sunday, Sept. 24, for three days at the Ready theatre, Niles.

It is the story of a group of men headed by the late Ernest Torrence, who engage in the business of smuggling Chinamen into the country.

On Wednesday and Thursday, James Dunn and Boots Mallory will be seen in the comedy romance, "Hello Sister" based on an original drama by Dawn Powell, the screen play dealing with the romance of a savings-bank salesman, and a little seed store clerk who find that their plans for marriage arouse objections from their friends.

Of the friends, Zazu Pitts, her room mate, Minna Gombel, as a wise-cracking girl friend, and Terrance Ray, as a typical Broadway wise-guy are the principals. The production is one of the best to have come out of Hollywood in recent months. A secondary feature of the program is Edmund Love and Nancy Carroll in "I Love That Man."

On Friday and Saturday action holds the screen when Randolph Scott will portray Zane Grey's "Man of the Forest." Excellent short subjects will complete each program.

Michigan Weekly News Review Beer Too Expensive, Says State Control Head

Drastic price regulation for the sale of beer in Michigan looms following the recent order of the executive committee of the State Liquor Control Commission to W. J. Nagel, Detroit, managing director, to assemble data on the cost of beer manufacture in Michigan and present it to the commission on Sept. 22. The commission will seek to authenticate a plant investment of \$4 a capacity barrel for beer laid on the platform.

"Beer in Michigan is much too expensive," declares Frank A. Picard, chairman of the commission. "Brewers are making too much profit. We intend to safeguard the public as far as we are able." Some time ago the commission fixed an eight ounce glass as the maximum which can be served for five cents. Now it is expected that new maximums will be established for both bottle and draft beer. Wholesale deliveries between 6 p. m. Saturday and 8 a. m. Monday also have been prohibited as an NRA gesture and to minimize a commercialized Sunday.

A five-man committee to study liquor control problems in anticipation of the repeal of the 18th Amendment has been appointed by Speaker Martin R. Bradley, chairman of the state legislative council. It is hoped that the recommendations of the committee will guide the legislature in the enactment of liquor control legislation at the special session early next year.

Members of the committee are: William M. Donnelly and Edward B. McKenna, Detroit; Francis A. Kolp, Battle Creek; Carl F. Delano, Kalamazoo and Frank A. Picard, Saginaw.

The Ideal Gasoline
For the New Car Owner
Dixie Golden Hi-Powr is a particularly good gasoline for the new car owner to use, as it provides Over-head Lubrication for the new and tight fitting motor parts. With its use it is unnecessary to add lubricating oil to the gasoline for the first few thousand miles as is often recommended.
By keeping the upper cylinder parts lubricated with Dixie Golden Hi-Powr, undue wear can be eliminated, and the "feel" of the new car maintained for a much longer period of time.
It is the ideal fuel for the new car with its high compression motor and the higher speeds of today. When you get your new car be sure to use Dixie Golden Hi-Powr.

Wisner's Column

Most of us not only grow up, but keep grown up all the rest of our lives.

We may look back and say, "Them was the days" and live over again some of the good times of our youth.

But there's no law to compel us to be grown up all the time.

Why not more often just be kids again?—Play marbles, hop-scotch as well as golf?

Why not? To be more like kids more often—isn't that a good thing to keep us feeling young and happy?

For we all feel much as we act. Act old, feel old. Act like a colt, feel coltish—even though some may say we are acting more like a jackass.

In this business we aim to make you feel more coltish—by helping you stretch your dollars farther.

**NOTICE OF FORECLOSURE
 AND MORTGAGE SALE**

Whereas, default has been made
 in the payment of the money se-
 cured by a mortgage, dated the
 25th day of May 1926, executed by
 Guy Eisenhart and Mae Eisenhart,
 husband and wife, to the Indus-
 trial Building and Loan Associa-
 tion, a Michigan Corporation,
 which said mortgage was record-
 ed in the office of the Register of
 Deeds of Berrien County, Michi-
 gan, on the 21st day of January
 1929, in Liber 165 of Mortgages,
 on page 72.

And Whereas, the amount claim-
 ed to be due on said mortgage at
 the date of this notice is the sum
 of two thousand seven hundred
 seventy five and ninety one hun-
 dredths (\$2775.90) dollars of prin-
 cipal and interest and the further
 sum of thirty-five (\$35.00) dollars
 provided for in said mortgage, and
 no suit or proceedings at law or
 in equity having been instituted to
 recover the debt secured by said
 mortgage or any part thereof.

Now therefore, NOTICE IS
 HEREBY GIVEN, that by virtue
 of the power of sale contained in
 said mortgage and the Statute in
 such case made and provided, the
 said mortgage will be foreclosed
 by a sale of the premises describ-
 ed therein, or so much thereof, as
 may be necessary to pay the
 amount so as aforesaid due on
 said mortgage, with six (6) per
 cent interest from the date of this
 notice, and all other legal costs,
 together with said attorney's fees,
 at public auction, at the outer
 front door of the Court House, in
 the City of St. Joseph, Berrien
 County, Michigan, that being the
 place where the Circuit Court for
 the County of Berrien is held, on
 Monday, the 23rd day of October
 1933, at ten (10) o'clock in the
 forenoon of that day.

The premises to be sold are situ-
 ated in the Village (now City) of
 Buchanan, Berrien County, Michi-
 gan, and are described in said
 mortgage as follows, to wit:
 Commencing at the corner of
 Alexander's Second Addition to

TUNEFUL, STAR-STUDED MUSICAL AT HOLLYWOOD

Double Feature and "Baby Face" Round Out the Week's Entertainment.

Picked by a distinguished group of American artists and illustrators as Broadway's "fifty most perfect show girls," a chorus seldom equalled for beauty and precision either on stage or screen, appear together with a large cast of screen and musical comedy favorites in "Moonlight and Pretzels," the new Universal screen musical comedy playing Sunday, Monday and Tuesday at the Hollywood theatre.

Composed by four of America's songsmiths, the tuneful melodies in this picture reflects the spirit of the times in a manner unique for musical comedy entertainment. Six new song numbers are introduced, among them "Dusty Shoes," "I Gotta Get Up and Go to Work," "Ah, But Is It Love?" "Are You Makin' Any Money," and the theme song of the picture, "Moonlight and Pretzels." The cast includes Mary Brian, Leo Carillo, Roger Pryor, Herbert Rawlinson, Lillian Miles, Alexander Gray, Bernice Claire, Jack Denny and Frank and Mill Britton and Band.

Friday and Saturday the Hollywood presents Lew Ayres and Ginger Rogers in "Don't Bet on Love," plus the king of Western stars, Tom Mix, in "Rustlers Round-up." Feature number one, "Don't Bet on Love," is laid largely in the exciting atmosphere of the horse racing centers and tells the human story of a young gambler "phenom" who knows more about horses, unfortunately for him, than he does about women. Number two feature, "Rustlers Round-up," is Tom Mix's final picture before permanent screen retirement and will be the last photoplay that will be seen with this always popular Western actor. A Scrappy cartoon completes this double-feature program.

On bargain nights next Wednesday and Thursday, Barbara Stanwyck in "Baby Face," with George Brent, presents Miss Stanwyck in the role of a silken siren who lures men with her baby face, takes them all for a buggy ride, from rich president to office clerk, and gives nothing in return. It's romance snatched from the breathless whirl of life today. A story that shouts "Newspaper headlines," from the first reel to the last. Parents are advised not to bring or send their children to see this production as it is strictly adult entertainment. "Way of All Freshmen," a new Vitaphone Musical production, is included on the same program.

The Ladies Aid of the Methodist church of Oronoko are meeting today at the M.L. Tabor grange, the time being spent in quilting for Mrs. Alice Clark.

Christian Science Church. Sunday School at 9:45 a. m. Sunday service at 11 a. m. Subject, "Reality."

Wednesday evening meeting at 7:45.

Reading room, located in the church at Dewey avenue and Oak street is open each Wednesday afternoon from 2 till 4.

Christian Science Churches "Reality" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, Sept. 24.

Among the Bible citations is this passage (Ecc. 3:14): "I know that whatsoever God doeth, it shall be forever: nothing can be put to it nor anything taken from it: and God doeth it, that men should fear before him."

Correlative passages to be read from the Christian Science text book, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 207): "There is but one primal cause. Therefore there can be no effect from any other cause, and there can be no reality in aught which does not proceed from this great and only cause."

Other things being equal, the applicant for employment who can be reached quickly and easily by telephone is likely to be the first called to work. Telephone service pays its way. Order a telephone today. Installation will be made promptly.
