MORNING TRAIN FOR WINDY CITY LEAVES 7:46 A. M.

Changes to be Effective Sunday; Evening Train No. 56 From Chicago to Discontinue Stops.

Daylight passenger service over the Michigan Central to Chicago and return will be very materially improved Sunday by the addition of two new trains in the morning and afternoon.

The new morning train No. 11 from Jackson to Chicago, effective Sunday and afterward, will leave Buchanan at 7:46 a. m.

The new afternoon train, No. 12 will leave Chicago at 5:25 p. m., arriving at Galien at 7:16 p. m.

The Wolverine Special, which stops at Niles, will shorten the time of the run from Detroit to Chicago 30 minutes, leaving Niles at 10:37 a. m. and arriving at Chicago at 12:30 p. m.

Young Republicans Have Special Part in Anniversary

Young Republicans from Michigan will have an evening of their own at the 30th anniversary celebration of the founding of the Republican party which will be held in Jackson, Michigan, July 6 and 7.

Friday evening, July 6, the city will be turned over to them and they will have their own parade headed by the G. O. P. elephant "Tribby" which lives at the Ella W. Sharp park in Jackson.

Red lights and torch lights will be carried by the paraders. Every county in the state will be represented by a delegation in the line of march.

Already several inquiries have been received about camping facilities at the fair grounds, Rep. James G. Frey, director of the Young Republicans of Michigan announces that there will be plenty of camping space for all.

Many groups are bringing house trailers decorated with their banners. Others are bringing old time automobiles. All will be welcome and the city of Jackson expects that Friday night, July 6th, will be a gala night with lots of noise and excitement to start off the birthday celebration of the founding of the G. O. P.

Camp Madron to be Open to Public Saturday Afternoon

Camp Madron will be ready for inspection Saturday afternoon at 2 p. m. for the first time the camp will be opened to the public before the regular summer camping season starts. It is felt because of the greatly increased interest in the camp that the parents and friends of Scouting would like to see the general set-up before it is put in operation.

Promptly at 2:30 the colors will be raised and at 3 p. m. the water carnival will get underway. This program will be open to Scouts and all visitors. Troop No. 24 of St. Joseph with Ted Thomas and James Burrows, Sr., will be in charge of this part of the program and at the same time there will be ball games which will be open to all.

At 5:30 there is to be a picnic supper. At 7:30 p. m. there will be a court of honor.

It is estimated that several hundred persons will be present for the afternoon program and many more in the evening.

Madron's Cub outing will start the following week—July 1st—the Scout camp will open on July 15th.

Dorothy Portz is Wedded Saturday to William Bohl

Miss Dorothy Portz and William Bohl, Jr., were united in marriage, in the First Presbyterian church at Dayton, O., at 4 p. m. Saturday, June 16, the ceremony being witnessed by Mr. and Mrs. Charles Gillis (nee Tina Skeels) of Dayton.

The bride is the daughter of Mr. and Mrs. John H. Portz, 115 Clark street, is a graduate of the local high school and attended Michigan State college. She has been employed in the offices of the Clark Equipment Company for several years.

Mr. Bohl is a graduate of the Buchanan high school, of the pharmacy department of Ferris Institute and is now employed in the service department of Clark Equipment Co. The happy couple will be at home after July 1 at 309 Whitman Court.

ANNUAL CHICAGO-BUCHANAN PICNIC HELD SATURDAY

Warmth of Friendships of Auld Lang Syne Temper Chilly Breezes off Lake Michigan.

The annual picnic of the Chicago-Buchanan Society was celebrated Saturday, June 16th at Lincoln Park, Chicago.

Despite the fact that "Old Lake Michigan" dealt us a cold day in the middle of summer, old friends melted the icicles from their noses by the warmth of their smiles, and the passing of reminiscences and hot shots brought the crowd almost to a fever-heat as time sped on.

The crowd assembled at Grant's monument, the highest and windiest spot in the south end of the park and then trekked in relays to a shelter located several degrees north of the Arctic circle.

It was here that the boxes, baskets, bundles and bottles (thermos) were opened and their contents devoured amid sniffs, smiles and shivers in true Eskimo fashion.

By far the pleasantest and most gratifying feature of the afternoon was the attendance of so many friends from other cities who travelled great distances to spend a few hours with us.

The Chicago-Buchanan Society wishes to express its sincere appreciation and joy to these guests for their attendance and hopes to have the pleasure of their presence many times in the future.

Those attending the picnic were: Mrs. Glenn Smith, Mrs. Susie Curtis, Miss Kit Kingery, Miss Elsie Sellers, and John Godfrey of Buchanan; Mrs. Grant Peck, Denver, Colo.; Mr. and Mrs. Harry Paul, Bloomington, Ill.; and from Chicago and suburbs, Dr. and Mrs. Rex Smith and daughter, Mr. and Mrs. Floyd Near, Mr. and Mrs. Albert Krassa, Mr. and Mrs. Will Downs, Frank Devin, Mrs. Mae Edwards, Mr. and Mrs. Fred Setchell, Mr. and Mrs. Harry Grover and son, Henry Grover, Mr. and Mrs. Clarence Milner and son, Mr. and Mrs. Leigh Mead, William Thornton, Miss Mary Reynolds, Mr. and Mrs. George French.

In February 1935 the 30th annual dinner of the Society will be held in Chicago. Buchanans are cordially invited to attend these dinners, meet old friends, talk over old times and grow younger. A definite announcement of the next dinner will appear in this paper.

Signed, Chicago-Buchanan Society, Geo. W. French, Pres.

HOLLYWOOD TO CONTEST NILES SOFTBALL LEADER

Leaders of the Local Twilight League Goes to Niles Friday; D's Cafe Lost Previous Game with the Niles Team.

The second inter-city game of the year between Niles and Buchanan softball teams will take place in Niles Friday night when the Hollywood Theatre team, with five victories and no defeat in the season's play to lead the Buchanan softball league, will meet the strong Keweenaw Cafe team of Niles.

The forthcoming game should resolve itself into a pitchers' battle between Bud Proud, Hollywood flinger, and "Skippy" Coleman, Keweenaw hurler.

Proud won all five of his team's victories this season and in each instance pitched the full game, no relief mound service being necessary. He has pitched one shutout game, in which he allowed but one hit, has another three-hit encounter to his credit and issued but 24 hits and five earned runs in the five games played.

He has pitched one shutout game, in which he allowed but one hit, has another three-hit encounter to his credit and issued but 24 hits and five earned runs in the five games played.

The first inter-city game took place here two weeks ago when D's Cafe, then tied with Hollywood for local league leadership but now in a second-place tie with Clarke's, lost to the Kawneer team of Niles.

Line-ups in Friday's game, which will possibly be played on the French Paper mill diamond, will probably be as follows:

Buchanan: Hollywoods: Proud, p; Savoldi, c; Howard, 1b; Bachman, 2b; Mike Boyce, ss; Harkrider, 3b; (Continued on page 4)

Heavy Rains Aid Late Berries, Corn in Buchanan District

Heavy rains visited southern Michigan and northern Indiana on Sunday evening and Monday morning and afforded the first real relief to drought conditions experienced by many localities since May.

The rains of two weeks ago were more local in character and did not cover the far district north of Buchanan nor that south and west. A farmer from Portage Prairie reported that he found an inch and a half of water in a straight-sided pail at his home Monday morning.

While the strawberry crop was reduced more than half by drouth, the raspberries and later small fruits promise a bumper crop. The raspberry growers are advertising for pickers by the first of the week.

Mildred Roe Talks On Japanese Life

Miss Mildred Roe, former Buchanan teacher now instructing in a Y. W. C. A. school in Japan, gave a talk accompanied by a moving picture film made by herself on the Y. W. C. A. camp work and also on Japanese life and customs in general. Miss Roe has been instructor in the school for ten years, and will return to resume her work after the first of the year. She has been a guest at the home of Fred Tichenor, but left Tuesday for Lake Geneva, Wis., to attend a Y. W. C. A. summer session for a week.

Atty. Philip C. Landsman left today for Chicago where he will be united in marriage tomorrow to Miss Alene F. Farnum of Cassopolis. The ceremony will be witnessed by the bridegroom's college classmate Atty. Casper R. Grathwohl of Niles and by Miss Patricia Rooney of Chicago.

Atty. Landsman was graduated from Notre Dame university in 1929 and opened an office for the practice of law here later that year. His bride is the daughter of Mr. and Mrs. Howard Farnum of Cassopolis.

The happy couple left after the ceremony for a wedding trip thru northern Wisconsin and Michigan, and will be at home to their friends at 112 Lake street after July 1.

BUCHANAN ARROWS 8-7 VICTORS OVER S. B. NEWS-TIMES

Danny Topash Holds Newspaper Men to Six Hits; Locals Garner 19 Hits off Whiting.

Blanking the enemy in all save the sixth and eighth innings when the latter scored all its runs aided by eight Buchanan errors, Danny Topash, 17-year-old Indian right-handed speed-ball pitcher, allowed but six hits, all singles, to chalk up the first win of the season in three starts for Johnny Hittler's Buchanan Arrows at Athletic Park Sunday afternoon and defeat the News-Times team of South Bend, 8 to 7.

Save in the sixth, when he issued four safeties to net as many runs, Topash was invincible throughout. He struck out five men and issued but one pass.

With Buchanan leading, 6 to 4, to enter the eighth, the South Bend team scored three runs on a single hit, three errors, a wild pitch and a hit batsman, to assume a 7 to 6 lead. The visitors maintained the lead until the last of the ninth. Scott opened that inning with a double and scored Decker's triple. Steltzer, pinch-hitting for Schneider, Arrow centerfielder, drove Decker home with the winning tally on his resounding single to deep left center.

Buchanan amassed seven extra-base hits during the melee, Mangold, Decker, Deeds and Danny Topash collecting triples, Scott getting two doubles and Bob Ellis a two-base fly.

In all, nineteen hits were collected off the combined pitching efforts of Whiting, a southpaw, who was driven to the showers in the third, and Janicki, a righthander, who succeeded him. Despite the eight misplays by the supporting cast, the Arrows fielded in sensational style, Danny Topash, Decker, Jesse and Mangold making sensational fielding plays. Decker, Scott and Danny Topash led Buchanan's offensive, each with three hits.

The Arrows will go to Three Oaks next Sunday to play Banty Hard's Three Oaks Greens, which team recently severed its connection as a member of the Fruit Belt league.

The score: ARROWS AB R H Schneider, cf 5 1 1 Mangold, 2b 4 1 2 Ellis, lf 5 1 2 Decker, 1b 5 1 3 Deeds, ss 5 1 2 Scott, rf 5 1 3 T. Topash, c 3 0 0 Wallace, c 2 0 0 Jesse, 3b 3 1 2 D. Topash, p 1 0 1 *Steltzer 42 8 19 *Batted for Schneider in ninth.

FUNERAL RITES HELD SUNDAY FOR A. F. HOWE

Local Business and Political Leader Dies at Rochester, Minn.; Was Once Chairman Board County Supervisors.

Funeral rites were held at 2:30 p. m. Sunday for Alonzo Frederick Howe from the family home at 114 West Front street, Rev. Thomas Rice preaching the sermon. Burial was made in Lak Ridge cemetery. Pall bearers were C. F. Pears, Albert Houswer, Frank Sanders, Glenn Vandenberg, Jesse Viele, L. A. Boyd, New Troy.

Mr. Howe died Wednesday, June 18, at Rochester, Minn., where he had gone three weeks previous for treatment for ulcers of the stomach. He was believed to be improving when he was taken by a sudden relapse.

He was born in Bertrand township Nov. 10, 1862, the son of Frederick Alonzo and Sarah Howe and was reared there, being engaged in farming until the early years of the present century when he retired. He was supervisor from Bertrand township several terms before moving to Buchanan, serving at one time as chairman of the board of supervisors. After his arrival in Buchanan he served several years as secretary of the Farmers Mutual Fire Insurance Co. until he entered the employ of the First National Bank, with which he was connected for twenty years, ultimately as cashier. He served several terms as city assessor and supervisor from Buchanan village and township. He was married March 23, 1919 to Mary E. Clark, who survives him. He was a past master of the local Masonic lodge and a member of the Methodist church.

Garage Employee Fined for Driving With Cutout Open

Philips, local garage employee, had a collision with the law here, Monday when he took two fenders off Chief Mitchell's car while the latter was pursuing him. It seems that Mr. Mitchell did not like the sound of Mr. Philips' car's pop-off which was barking obstreperously as he breezed up Front street at a good rate of speed, so Mitchell set out in pursuit. He caught up with Philips just as the latter turned his car in front of Mitchell, not being aware of the proximity of the law. Mitchell haled him into court but charged him only with driving with the cut-out open. It cost Philips \$5.65.

Co-Ops to Play News-Times Sunday At Letcher Field

Old Neighbor of Henry Ford is Visitor Here

A woman who was a childhood neighbor and life-long friend of Henry Ford, one who knew the automobile manufacturer when he was known as "that crazy Ford boy," visited Buchanan Saturday.

The woman in question, Mrs. Margaret Cummings, now a resident of Bad Axe, Huron county, accompanied by Howard G. Seahill, head of the salesmanship and advertising departments in Flint Central high school, spent the day the guest of her girlhood chum, Mrs. Katherine I. Thompson. Mrs. Cummings and Mrs. Seahill were enroute to their homes from A Century of Progress.

Mrs. Cummings was the daughter of the late Charles Thayer, Detroit pioneer whose farm, a square mile in area and occupying that section of northwest Detroit now occupied by the sites of the Lincoln and Graham Paige motor factories, was the home of the holdings of Henry Ford's father, and in a small workshop near the Thayer home, young Ford worked out many of his early experiments.

MONARCH A. C. BASEBALL TEAM DEFEATS CO-OPS

South Bend Colored Nine Administers 10-6 Drubbing, Second of the Season

The Buchanan Co-Ops, nee Portage Prairie Pups, must have had a little smoke in their eyes Sunday or anyway the Smokes from the Monarch Athletic club of South Bend caught 'em off base and slipped them a 10 to 6 trouncing. When the second the Co-Ops have taken this season. Special mention goes to the swell team work of the Monarch battery, which played a large part in holding down the Co-Op score.

The score sheet read: Monarch A. C. AB R H Cannon, rf 5 2 2 Gibson, 1b 5 2 3 Gavin, p 4 2 3 Robertson, p 1 0 0 Rice, lf 5 1 0 Dulin, c 5 1 1 Turner, 2b 5 0 0 Wares, ss 4 0 0 Dempsey, 3b 3 1 1 Peels, 3b 1 1 1 H. Roberts, cf 3 1 1 J. Roberts, cf 1 0 0 42 10 11

Buchanan Blues Threaten to Stop Glendora Sunday

The Buchanan Blues will play the Glendora league leaders at the Athletic park diamond next Sunday afternoon. The Glendora team has a record of five straight wins and no defeats.

The Blues assert that they will be the first team to stop them. The locals will enter the game with an improved pitching staff, which has been their weakness to date. Come and see them.

Annual Meeting St. Joe Valley Assoc. Saturday

The annual meeting of the St. Joe Valley Shipping Association will be held at the Methodist church Saturday, June 23, with a pot luck dinner in the church basement at 12:15 p. m. followed by a business meeting opening at 1:30 p. m., at which time the annual report will be read and the election of officers held.

DAMAGES ARE HEAVIEST IN GALIEN DIST.

Crop Injuries Heavy West of Buchanan and in Dayton Sections; Rains May Aid.

Farmers between Buchanan and Galien and in the neighborhood of the latter place were plowing up cornfields Tuesday and Wednesday and preparing to sow soy beans to replace the ravages of chinch bugs which have been operating in that section for the past ten days.

Meetings were held at the Galien town hall and at the St. Joe Valley Shipping Association auditorium in Buchanan Monday evening and Tuesday by County Agent H. J. Lurkins and Prof. R. Hudson of Michigan State college to aid farmers in combating the pest.

About 300 attended the meeting in Galien and about 85 at Eper. Arrangements were made there for farmers whose farms are infested to report the areas affected to Lurkins, who will arrange for them to get a coal tar preparation to be furnished free by the state. It is likely that this preparation will be available at St. Joseph and Niles within the coming week.

The farmers were advised to plow furrows enclosing the affected areas and to pour a continuous ribbon of the coal tar in the bottom of the furrows. Deeper holes are to be dug at intervals along the furrow. The chinch bugs will not cross the coal tar but will crawl along the furrow and fall in the holes where they may be killed with kerosene.

The chinch bug is especially prevalent in the Middle West this year, the dry hot weather favoring its propagation. The bug is immune to many of the poisons which exterminate other pests. Hard rains tend to impede its progress and it does not move about much, Hudson stated, unless the thermometer is above 70 degrees. When in the feeding stage it is a very small red bug which travels along the stem of the plant and sucks the sap until it kills it. It is especially fond of corn, but also feeds on all small grains and will even affect alfalfa.

The chinch bugs have not invaded the farms north of Buchanan heavily yet, but have done much damage immediately east of town. William Speckline is among those reporting heavy losses in corn and oat fields. The damages are heaviest in the Galien district.

Harvey Sherwood Talks to Lions Club About Guns

Harvey Sherwood, instructor in English in Central High school, Kalamazoo, and a resident on his farm at Bakertown during the summer months, spoke before the Lions Club Wednesday evening on the subject "Guns, Their History and Use". Mr. Sherwood had several fine specimens from his valuable collection of guns and also a display of antique and modern types of ammunition. He is an expert both in the use and theory of guns and his remarks were much enjoyed.

READ What this OHIO Dairy Owner Says about JOHNSON STOK-SPRA

Elmer Oman Dairy Farm, Vanlue, Ohio

Dear Sir: I have used a great many different kinds of Stok-Spra. I have not found any that comes up to Johnson's Stok-Spra. The other brands cost me from \$10 to \$12 per gallon and did not equal Johnson's Stok-Spra in quality. I don't see how Johnson can make such a high quality Stok-Spra for so low a price.

Yours truly, Elmer Oman, Vanlue, Ohio

OLDTIME HORSE SHOER TELLS OF TIMES WHEN THEY USED TO SET 500 SHOES WEEKLY IN REMINGTON SHOP

His Memory Goes Back to the Days When They Made Own Nails and Horse Shoes, Shod Oxen.

Speaking of champions, the holder of the all-time title as boss hoss shoer of Buchanan resides with a man still living in the city, Joe Boyer, who one day back in the eighties when the world was coated with a glaze of ice tacked on 85 shoes in a half-day, and 140 in a day, and goodness knows when he might have stopped if the sun had not come out and melted the ice.

How come the odd number, you say? Well, we never thought to ask Joe that, but probably one of the horses had a wooden leg. But anybody whose memory extends any distance into the dark backward and abyss of time will tell you that Joe was the horse shoer, back in them days when horse shoes were articles of footwear for horses instead of something you tried to throw over pins.

Horses were quite temperamental about their shoes Joe says, like women only different. A horse never got mad because you tried to fit it with the right-sized shoe and threw shoes at you. But sometimes they objected to wearing shoes at all and kicked you about the shop. In a case like that they used a sling business that they strapped under their bellies (the horses) and swung them off their feet, so they hung with their legs wildly dangling in the air without any leverage to kick from. Or if worst came to worst they tied their legs together and flopped them on the floor.

Joe's record was made in the old shop maintained by Elmer Remington where he worked for fifteen years. Elmer used to fit the shoes and Joe trimmed their feet and nailed them on. Six, eight, ten, even twelve nails to a shoe, depending on the size. There is an old gentleman you occasionally see on sunny days hobbling around the city on his crutches, who used to smooth their hooves down with a file after Joe was done—we mean Paul Wynn.

When Boyer first came to Buchanan from his native Pennsylvania in 1881 he shod horses for a time in the shop run by Peter Gosline. After a while he went to Iriquois, S. D., where the world was trekking that direction. It wasn't everybody that went west from Buchanan that dared come back, but Joe did a few years later and worked in the shop of Elmer Remington. There were four and five other shops in town while Remington was in business, but Remington did about half of the work, employing at times nine and ten blacksmiths. In the horse shoe line alone they sometimes set as many as 500 shoes a week.

During his first years here Boyer once shod a yoke of oxen, making the shoes for them and nailing them on. In the first days the blacksmiths made their own nails and even their own horse shoes. In his apprentice days in Pennsylvania they used to charge 6 cents apiece for refitting old shoes, 21 cents all round the horse. In Buchanan in the old days the price ran around \$1 to \$1.25 for refitting a set of shoes, or \$2.50 for new shoes all around. There was a time when prices rocketed to a \$1 per shoe.

\$325,000 Ready For Age Pensions in Five Counties

Arrangements are being made by the old age pension bureau of the State Welfare Department to start paying pensions in five Michigan counties where collection of the old age pension law head tax has been large. The bureau has a fund of \$325,000 to start with. The counties which will receive the first aid to the aged are Genesee, Kalamazoo, Oakland, Kent, and Saginaw.

Under the present set-up, the head tax feature of the law is not being arbitrarily enforced and all collections received have been paid in without protest. One feature of the collection which is little understood, says E. L. Williams, the bureau head, is that every cent turned in is applied to paying pensions. None of the money is used for administrative cost.

HOW WOMEN CAN WIN MEN AND MEN WIN The Favor of Other Men Unless two pints of bile juice daily from your liver into your bowels, your food runs down your bowels. This poisons your whole body. Movements get hard and constipated. You get yellow tongue, yellow skin, pimply full eyes, head and back aches, gas, dizziness, headache. You have become an ugly-looking, foul-smelling, disagreeable person. You have lost your personal charm. Everybody wants to run from you. But don't take salts, mineral waters, oils, laxative pills, laxative candies or castor oil. They irritate and burn the lining of your bowels. They don't get rid of the poison that destroys you but only move it out the end of your bowels and that doesn't take away enough of the disagreeable poison. Costly won't help at all. Only a free flow of your bile juice will stop this decay poison in your bowels. The one mild vegetable medicine which starts a free flow of your bile juice is Carter's Little Liver Pills. No calomel (mercury) in Carter's. Only safe, mild vegetable extracts. If you would bring back your personal charm to win men, start taking Carter's Little Liver Pills according to directions today. 25¢ at drug stores. Refuse "something just as good" for it may give, loosen teeth or set teeth loose. Ask for Carter's Little Liver Pills by name and get what you ask for. ©1933, C. M. Co.

AT THE THEATRE

One of the most genuinely interesting motion pictures of the season is "Beloved," the Universal "musical romance of a century" which opens as feature number one tomorrow (Friday) and Saturday at the Hollywood, John Boles and Gloria Stuart play featured roles in this highly unusual production, and Boles sings several songs as only he can sing them—simple, moving songs of the heart. "Come on Marines!" long the traditional plea of Americans in distress, gains new color, spectacle and romance in the Paramount picture of that name which plays as number two feature Friday and Saturday. It combines remarkable photography with excellent performances, to afford laughs and thrills in a rare bit of screen entertainment. Richard Arlen, Ida Lupino and Roscoe Karns share honors in the lead roles.

Fresh from his hilarious success in Paramount's smash comedy, "Six of a Kind," W. C. Fields wins new honors in his first starring role in "You're Telling Me," another great farce, which comes as feature number one of a Bargain Deluxe Bill next Wednesday and Thursday. Featured in the cast with Fields are Buster Crabbe, Joan Marsh and Adrienne Ames. The film is a refreshing laugh riot! All the trials and tribulations that go with editing an "agony" column on a big metropolitan daily fall to the lot of breezy Lee Tracy in his new picture "Advice to the Lovelorn," which is feature number two of the all-comedy double bill Wednesday and Thursday. "Advice to the Lovelorn" is comedy and entertainment, and picture-goers in search of a hearty gloom-dispeller can do no better than devote some time to this and the first feature described above for over two hours of completely satisfying comedy film fare.

"Hips Hips Hooray" is Grand Tomfoolery on Hilarious Scale!

A gay and hilariously insane saga of two slap-stickian heroes who let the world laugh with, for and at them while they peddle flavored lipsticks, participate in a cross-country automobile race, make love to beautiful girls and wise crack girls, is "Hips, Hips Hooray," RKO-Radio's musical extravaganza starring Bert Wheeler and Robert Woolsey with Ruth Etting, Dorothy Lee and Thelma Todd featured. The film plays the Hollywood for three days starting Sunday.

"Hips, Hips, Hooray" combines laughter, music and gorgeous girls in its tomfoolery. Wheeler and Woolsey are seen as cosmetic

salesmen whose office is the city street. By a stroke of luck, they find themselves promoting the sale of Miss Frisby's beauty preparations. Soon Woolsey is falling in love with the languorous Miss Frisby, Wheeler is falling in love with flavored lipsticks.

Their luck runs smooth until George Meeker, the concern's manager, jilts his sweetheart, Ruth, and forms designs on Daisy. He frames the boys to get rid of them making them the innocent thieves of \$10,000. To escape detection they flee in a racing car which is entered in a cross-continent race. The climax is crammed with incidents that will set the audience to howling.

New song hits in the picture include "Keep Romance Alive," "Keep on Doin' What You're Doin'" and "Tired of It All," current popular melodies written by Bert Kalmar and Harry Ruby.

The Way of the Sinner is Tough

It's tough to pitch a two-hit ball game and see your team go down to defeat, but that is just what Pete Sinner, star speed-ball pitcher for the Cities Service team, did in a regulation Buchanan softball league game last Thursday night at Athletic park, when the Clark Equipment team, collecting but two hits off Sinner's delivery, used these hits to good advantage and, aided by five costly Cities Service errors, scored four runs to defeat the Cities Service club, 4 to 3.

It was a pitcher's battle between Sinner and Freeling, who pitched the first five innings for Clarks, striking out seven men and allowing but one hit until the fifth. In the fifth, however, Freeling got into trouble when the service team scored two runs off singles by Fuller and Letcher followed by a double by Pete Sinner. Glen Jesse finished the game for Clarks and allowed but one hit in the remaining two innings, in which but two men got on base and neither of these getting beyond the initial sack.

Clarks drew first blood when Rothfuchs, who walked to open the first inning, scored on B. Rotzien's single after Lake bobbed Ellis' roller. The service ten tied the count at 1-1 in the third when P. Sinner came home on his brother, J. Sinner's, single to left. But in the Clark half of the same inning that team again assumed the lead when Jesse doubled and scored while Lake a second time was bobbing Ellis' ground ball. The Service team came back with two more in the first of the fifth and in the last half of the inning, Dumbolton walked and scored the tying run and Rothfuchs, who got to first on Ram Eichorn's error, scored later with the winning run on a combination of infield outs.

By winning Thursday Clarks, with three victories and one defeat, went into a tie for second place with D's Cafe. The Service team has lost three games in four starts, its only victory of the season being a forfeit game taken from Riverside Ramblers June 1.

The score by innings:

R H E	Clarks	101 020 X-4 2 3
R H E	Cities Service	001 020 0-3 5 5

Batteries—Freeling, Jesse and R. Rotzien; P. Sinner and J. Sinner. Umpires—Hawks and Dokey.

Trimmed by Trimmers

In an attack led by Ot Wolford, shortstop, who collected a home-run, a double and two singles out of four trips to the plate, Bradley's Hair Trimmers, which shared the basement spot in the Buchanan softball league standings with Curly's Clowns, gave the Clowns a 16 to 5 beating at Athletic park last Wednesday night to achieve its first victory in four starts this season.

The Hair Trimmers in winning the one-sided fray from the Clowns got a few of the breaks that were missing in the teams three prior jousts. The team, with one of the best looking aggregations in the loop, has been playing in a series of hard luck. On Tuesday night the club lost a close 5 to 6 verdict

Clare Hoffman Runs for Congress From 4th District

Clare E. Hoffman, prominent southwestern Michigan attorney, a republican of long standing, and a land owner in nearly every part of the fourth congressional district, has formally announced himself as a candidate for nomination and election on the republican ticket to the office of congressman in the fourth.

Mr. Hoffman has never before sought a major public office and has been brought into the present race by the constant urgings of his many friends throughout the district.

While he was born in Pennsylvania, he came to Constantine, St. Joseph county, when a year old. He attended public schools there but during the past thirty-odd years, has maintained a law office at Allegan, where he has a practice which has taken him into many of the courts of the state.

He still maintains the old home at Constantine, a farm in Porter township, Cass County, and is interested in the growing of fruit as well as in general farming.

If he has a hobby, it is that taxes should be reduced.

He has served for many years, as chairman of the Allegan county Republican Central committee, and during that period, there never has been a Democratic county officer elected and Allegan county has never failed to give substantial majorities to Republican nominees.

Announcement of his candidacy has brought immediate reaction in Allegan county and a committee has organized to promote his interests. It is reported that communities are being organized in other parts of the district for the same purpose.

Included in the Allegan County congressional committee, the group, sponsoring Mr. Hoffman's campaign are Edwy C. Reid, publisher of the Allegan Gazette for more than 62 years, Dr. Herman Kragger, Saugatuck and D. E. Alcock, co-publisher and managing editor of the Allegan News.

Buchanan Blues Lose 14-10 Game to Bridgman 9

Although they outthrew the winners and played almost flawless ball afield, Bob Reamer's Buchanan Blues lost a slugfest to Bridgman by a 14 to 10 score in a regulation Berrien County Community league game Sunday on the latter's grounds.

It was Buchanan's third loss in four starts this season. Buchanan got away to an early start by scoring four runs in the first inning and maintaining a 4 to 2 lead to enter the fifth. However, in that inning B. Tucker, who had been sailing along famously until then, was touched for a brace of doubles and a single to net Bridgman three runs and put that team in the lead, 5 to 4. Buchanan drove in three runs in the sixth on as many hits, but in Bridgman's half of that round the latter took a 9 to 7 lead on a triple, double and single, aided by a base on balls. And in the eighth, Bridgman put the game on ice by scoring five more runs on three hits and an infield error. Buchanan scored two in the eighth and in the ninth started what looked like a typical ninth inning rally. Poplar opened the inning with a single. Wolford thorne was safe at first when his roller got away from Samuelson, Bridgman pitcher, and Poplar went to third on the play. Pfingst then struck out. Eichorn sent a double to deep center, scoring Poplar with Buchanan's tenth and last run, but a few moments later Richter ended the game by flying out to Maranto in deep left.

Stelter, Bridgman's first baseman led in his team's assault with four hits out of five, a triple, two doubles and a single. Poplar was the star in the Buchanan cast, getting three out of five.

Buchanan will play the league-leading Glendora team here next Sunday.

Score by innings:
Buchanan 400 003 021-10 13 3
Bridgman 100 134 057-14 12 4
Batteries: B. Tucker, D. Tucker and Richter; Samuelson, Standard and Ott.

6000 Attend Boston Meeting Christian Scientist Church

With an attendance of 6000 members from all parts of the world, the Annual Meeting of The Mother Church, the First Church of Christ, Scientist, in Boston, was held June 4th. Dr. John M. Brewer, Associate Professor of Education at Harvard University, will serve as President of the church.

In his presidential address Dr. Brewer pointed out three ways by which Christian Scientists can help humanity to get along peaceably and harmoniously with each other, in family, village, town, community, state, nation, and world. First we can continue and improve our work of healing the sick and sinful. In the second place we can contribute to the cause of democratic government and peace among nations by supporting the good in human affairs and rejecting the impracticable, unwise, extravagant, and evil. The third great agency for contributing to good government lies in our own relationships with our fellow man. Here we can show just what human government may become when man is governed by God.

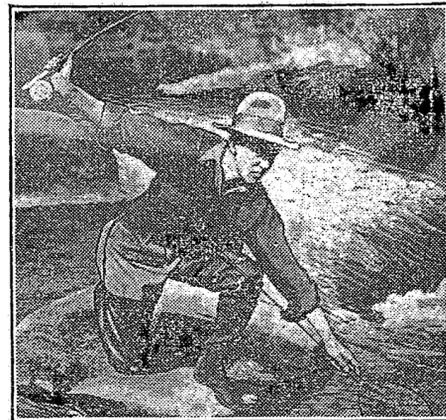

Reports presented hailed the completion of the new Publishing House of the Christian Science Publishing Society, now in full use as the home of the Christian Science Monitor and other church publications. A marked increase in the demand for Mrs. Eddy's published writings was reported. It was stated that for the first time official lectures on Christian Science have been given in such distant fields as Macassar, Celebes, Colombo, Ceylon, Surabaya, Java; and other remote places.

There are now 2673 Christian Science branch churches and societies, 67 new organizations having been added during the year. The number of registered practitioners of Christian Science is 10,775, a gain of 682. During the year the church furnished funds and other relief in stricken areas in times of flood and disaster, and took part in unemployment relief in Boston.

An Index Number

An index number is a number (generally a percentage) designed to indicate the general level of price at any given date. It is formed from ratios of the prices of various staples at the date in question as compared with some previous date which has been adopted as standard and for which the index has been fixed at 100.

MICHIGAN BELL TELEPHONE CO.

THERE ARE PLENTY OF "BIG ONES" IN MICHIGAN WATERS

But fishing is only one of the varied attractions Michigan offers vacationists. The Great Lakes themselves, and 5000 inland lakes and streams, present opportunity for almost every known water sport. And for those whose chief interest is golf, tennis, riding or other land sports, Michigan is an unexcelled playground.

Michigan's tourist and resort business brings large sums of money to the state each year. It provides employment for thousands, and greater prosperity for all of us. We can increase that business further by telling out-of-state friends about Michigan's vacation advantages and by spending our own vacations here.

And, no matter which part of Michigan you visit this summer, banish worry by telephoning home and office frequently. Call ahead for reservations, or to tell friends you are coming. Long Distance calls will add but little to the cost and much to the enjoyment of your vacation.

Incident of Civil War

The Fifteenth Ohio battery organized in the four Western Rye counties of Trumbull, Ashtabula, Cuyahoga and Lorain, can the historical delights of the war lay claim to the most unusual incident of the entire campaign. During one of their battles a bird alighted upon the shoulder of Private Seth Powers who was operating a cannon. At each charge of the cannon the bird buried its head in the soldier's hair and then resumed its place on his shoulder, watching the men in the gun. It stayed with the soldiers throughout the battle and for several days afterward and then away.

Will Vote Next Fall On Amendment to Reduce Weight Tax

An attempt to drastically reduce present automobile weight taxes was indicated last week when the Department of State was asked to approve the form of a proposed constitutional amendment.

The proposal, which will be voted upon at the November election, if sufficient signatures to the petition are filed with the department, would reduce weight taxes on passenger vehicles to \$3 per year and to \$5 for each commercial vehicle.

The proposed amendment is being sponsored by a group of Jackson citizens.

Whippet Like Greyhound, Only Smaller in Stature

Aside from the marked degree of impatience and excitability, from his terrier antecedents, the whippet possesses all the attributes of his larger prototype, the greyhound. Developed originally for the purpose of coursing rabbits, this little racer, in appearance, a greyhound in miniature, is likewise a sight-hunter, observes an authority in the Los Angeles Times.

The cruel sport of rabbit-baiting long practiced in Europe, had been abolished by the time the dog became popular in America. The sport gradually improved to its attained perfection of racing, which can hardly be termed "coursing" as it does not test the dogs' turning capabilities. No rabbit is used. Instead, a rag or towel, waved frantically beyond the finish line, is used to induce the dogs to race to a goal at the end of a 200-yard straightaway that is divided into lanes to prevent interference between the competitors. A well-trained Whippet covers the distance in less than twelve seconds, or approximately twice as fast as man's ability.

No more affectionate animal is to be found. And for elegance of style and classical, graceful movement, few dogs can equal the Whippet. He is exceptionally clean in habits and an excellent pet for children.

Fish Grows Like Dog; Another Grunts Like Pig

Though we generally think of fishes as silent creatures, persons who have made an extensive study of their habits have discovered quite a few species that are capable of producing sound, the New York Times relates. Among these are the South American catfish, which grunts like a dog, the guano, which grunts like a pig and the maigre, which not only whistles and bellows but purrs much like a cat. The musical contribution of our own American catfish is a noise which sounds like a person grinding his teeth, while the horse mackerel and the sunfish common to British waters make similar noises. The drummer fish of the Florida coast lives up to its name.

A story from Mexico tells of the remarkable vocal efforts of the so-called Mexican singing fish, or canary fish. These fishes, traveling in bodies several hundred strong at certain times of the year, produce a sound by contraction of their air bladders that is mellowed to a musical note as it filters through the water to a listener in a boat above them. And according to the Fishing Gazette, natives of certain regions in South America declare they can hear the "singing fishes" common to that locality coming from quite a distance, not by splashing or jumping but from the noise which they make under water.

Few Genuine Eskimo Dogs

It is rather difficult to find what is known as a "pure strain Eskimo" dog, the breed having been crossed with Newfoundlanders, Great Danes and other large working dogs of modern civilization, but the Alaskan huskie is accepted by many as truly representing the old type. Contrary to general belief, the huskie is not only highly intelligent and kind, but makes a reliable companion. Only in cases where the animals have been abused and neglected do the old wolf tendencies rise up and stamp it as a vicious animal ready and willing at all times to assert its right to survive by the same methods as did its wolf ancestors.

Baseball Bats

Baseball bats are usually made from second-growth white ash. The better grade bats are hand-turned on a lathe, while the cheaper ones are machine-turned. They are tempered with oil, but not shellacked.

"Delenda est Carthago"

When Carthage was such a menace to Rome, Cato the Elder concluded every speech he made in the senate with the words "Delenda est Carthago." Literally, they mean "Carthage must be destroyed." A liberal translation is, "That which stands in the way of our greatness must be removed at all hazards."

Camp Warren Opens 20th Camp Season Tuesday, July 3

Camp Warren opens its twentieth camping season on Tuesday, July 3, according to H. D. Simpson, superintendent of the Berrien county Sunday School Association camp on Lake Michigan near Riverside. The camp, which is open to any boy or girl in southwestern Michigan will be in operation until early September.

The first "camp" will be for girls and will be divided into two "sections." The younger girls, ages 9 to 12 will be in camp from July 3 to July 10th. The older girls (ages 13 to 17) will arrive at noon July 10th and leave July 17. However, girls of any age may enroll for the entire two weeks. The boys camp will also be held in two sections with boys of all ages being eligible for two sections enrollment. Younger boys (9-15) will occupy camp from July 13 to July 25, with the older boys (ages 16 to 18) arriving in camp July 25th and remaining until Aug. first.

The arrangement of the activities to provide a well-rounded program for each age groupings has been carefully planned, so that actually there will be two or more camps in operation at the same time," said Mr. Simpson, in explaining the new plans for this year's camps. "Those coming for one week only, should enroll with their age groups camp section." "Our older girls' and older boys' camps will be operated in the "college camp" plan, which provides for the camp having considerable freedom in building their own program of activities."

State Spends 4 Million in Relief Expenses in June

Reports released recently by the Emergency Welfare Relief Commission show that by the end of June \$18,661,940.92 will have been spent in Michigan since the first of the current year on both direct and work relief.

The peak load of families receiving aid during the six month period was reached in April when 146,184 families were registered on the relief rolls, the report states. There has been a general decline in the number of families to receive aid during May, and it is estimated that June will reach the period low with approximately 133,000 on the list.

The highest number of single persons cared for was 22,030 in March, and the report states that

Christian Science Churches "Is the Universe, including Man, Evolved by Atomic Force?" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, June 24. Among the bible citations is this passage (Amos 4:13): "For, lo, he that formeth the mountains, and creatheth the wind, and declareth unto man what is his thought, that maketh the morning darkness, and treadeth upon the high places of the earth, The Lord, The God of hosts, is his name."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 547): "Material evolution implies that the great First Cause must become material and afterwards must either return to Mind or go down into dust and nothingness. Inspired thought relinquishes a material, sensual, and mortal theory of the universe, and adopts the spiritual and immortal."

Methodist Episcopal Church Thomas Rice, Minister Sunday School at 10 o'clock, Mrs. Glenn Haslett and Arthur Mann are our superintendents. We can learn much about Christian culture and Christian conduct by attendance at church and Sunday school. Morning worship at 11 o'clock. The special music will be in charge of Mrs. Dorothy Pretz. Sermon, "Religion for Pleasure and Profit." Epworth League at 6:30. The Epworth League members are planning a party this Thursday evening. Meet at the church at 5 o'clock for a wiener roast at Clear Lake.

Evening service at 7:30. Mrs. Claude Jennings is in charge of the special music, part of which is a vocal solo by Mrs. Wissler. Mr. Rice will speak briefly on "The Discipleship of Conscience." The Service at 9 o'clock. The music and worship of this hour are quite attractive. Try this little country church some Sunday morning. You will not regret it. Archie Morley's boys' Sunday School class will have a party this Thursday. Meet at the church thru Studebaker plant at South Bend which begins at 2 o'clock.

Mrs. James Semple's boys' class had a very enjoyable party Tuesday afternoon. In the treasure hunt Bud Matthews and Melvin Ravish were first and Leslie Straub and his buddy won second. Baseball on the church lawn was also very much enjoyed. Thirty-three members of the O-4-O class had a co-operative dinner and picnic at Clear Lake last Friday.

this class of indigent has also dropped sharply. It is estimated that the number will drop to 17,000 in June. The number of transient cases has remained about the same for the period. The average is 5,000 a month who are absolutely homeless during the period. Supplementary to the report is the number of persons given who have been aided through FEBA, the last Federal program for relief. The number is 74,256 during April and 139,745 in May.

Here is the monthly relief costs with May and June estimates. January \$2,475,758.12 February 2,269,100.13 March 2,673,743.77 April 3,493,338.30 May, estimated 3,950,000.00 June, estimated 3,800,000.00 Total \$18,661,940.92

At Weather Stations

At a weather station, even of the simplest character, at least one observation is taken every day, says Literary Digest. At the more important stations the number of daily observations ranges from two to several. The number of observations taken throughout the world in the course of a year cannot be less than 15,000,000. In addition to all this personal observation, records of temperature, barometric pressure, wind force and direction, sunshine, rainfall and other weather elements are made continuously, day and night, by automatic instruments at thousands of stations.

Hastings Announces His Candidacy for Register of Deeds

Al Hastings, of the Berrien County Register of Deeds who was one of the three Republican candidates to survive the Democratic landslide in 1932, today announced that he would seek the Republican nomination as Register of Deeds in the coming primaries.

Mr. Hastings, who will complete his first term in a county office this year, has established a splendid record during the time he has served Berrien County and feels that his friends and supporters will back him in the coming race.

During his term in office the work in the Register of Deeds office has doubled with the issuance of hundreds of new federal farm loans and an equal number of new federal home loans. Also the act of the state legislature during the special session of 1933 requires that all township chattel mortgages and chattel records were turned over to this office adding much additional work. Despite this great increase in the volume of the work handled by the Register of Deeds office, Mr. Hastings supervised the recording of these thousands of papers in an efficient manner.

The candidate for re-election is a life-long resident of Berrien County and has been an active worker in the Republican party for many years.

Straub Holsteins Again Lead South-Berrien Herd Test

The Doan Straub herd of pure bred Holsteins achieved the usual again by ranking as high in milk and butterfat averages for the tested herds of the South Berrien Herd Improvement Association for the past year. Straub has ranked high on the average for years, and has won state and national honors as well.

The April cow tester reports received by the dairy department of Michigan State College, show an increase in total numbers of cows tested and in numbers of herds under test. This increased interest in testing is believed to be due to the high cost of milk production in terms of feed, necessitating dairy-men to keep records in order to wisely cull out inferior producing animals; secondly, dairymen now realize that the national dairy re-education program has been indefinitely postponed and are willing to take steps to improve their level of herd production themselves.

Culling honors belonged to the South-Berrien Association which reported five inferior cows sent to market. Many Islands Unnamed Almost half of the 7,000 islands in the Philippines are so small that they have no names.

1st insertion April 5; last June 28 NOTICE OF FORECLOSURE AND SALE OF MORTGAGED PREMISES MORTGAGE SALE

Whereas, default having been made in the conditions of a certain real estate mortgage, dated the 30th day of January 1928, by failure to make installment payments of principal and interest at maturity and for four months thereafter, whereby said principal and interest is declared due and payable as provided in said mortgage, executed by Howard J. Ferris, a single man, to the Industrial Building and Loan Association, a Michigan Corporation, which said mortgage was recorded on the 6th day of February 1928, in Liber 150 of Mortgages, on page 317, in the office of the Register of Deeds for the County of Berrien, State of Michigan.

And Whereas, the amount claimed to be due on said mortgage at the date of this notice is the sum of twenty one hundred sixty four and eighty nine one hundredths dollars, (\$2164.89), of principal and interest and the further sum of thirty five dollars (\$35.00), as an attorney fee provided for in said mortgage, and no suit or proceedings at law or in equity having been instituted to recover the debt secured by said mortgage or any part thereof.

Now therefore, NOTICE IS HEREBY GIVEN, that by virtue of the power of sale contained in said mortgage and the Statute in such case made and provided, the said mortgage will be foreclosed by a sale of the premises described therein, or so much thereof, as may be necessary to pay the amount so as aforesaid due on said mortgage, with six (6) per cent interest from the date of this notice, and all other legal costs, together with said attorney's fee, at public auction, to the highest bidder at the outer front door of the Court House, in the City of St. Joseph, County of Berrien, State of Michigan, that being the place where the Circuit Court for the County of Berrien is held, on Monday, the 2nd day of July 1934, at ten (10) o'clock in the forenoon of that day.

The premises to be sold are situated in the City (formerly Village) of Buchanan, Berrien County, Michigan, and are described in said mortgage as follows, to wit: Lot number one (1), in Block "F," in A. C. Day's Addition to the Village (now City) of Buchanan.

Dated April 4th, 1934. Industrial Building and Loan Association Mortgagee. Frank R. Sanders, Attorney for Mortgagee, Business Address, Buchanan, Michigan. 1st insertion June 14; last June 28 STATE OF MICHIGAN, The Probate Court for the County of Berrien. At a session of said Court, held at the Probate Office in the city of St. Joseph in said County, on the 8th day of June A. D. 1934. Present: Hon. Malcolm Hatfield, Judge of Probate. In the Matter of the Estate of Eugene B. Steele, deceased. It appearing to the Court that the time for presentation of the claims against said estate should be limited, and that a time and place be appointed to receive, examine and adjust all claims and demands against said deceased as provided in said mortgage, executed by Howard J. Ferris, a single man, to the Industrial Building and Loan Association, a Michigan Corporation, which said mortgage was recorded on the 6th day of February 1928, in Liber 150 of Mortgages, on page 317, in the office of the Register of Deeds for the County of Berrien, State of Michigan.

Comstock Pushes Appropriation Mackinac Bridge

Governor William A. Comstock today carried his fight into Congress to bring Michigan some share of the Federal appropriation for employment relief which has been denied to some extent thru state constitutional limitations.

The particular thing the Governor is interested in is legislation now before the House of Representatives which will practically sanction the loaning of money thru some governmental source to finance the building of a \$30,000,000 bridge across the Straits of Mackinac. This bridge is to be constructed as a self liquidating project with the Federal government making a loan for its construction against its expected revenues.

In regard to the project, Governor Comstock today sent the following telegram to Speaker Henry T. Rainey of the House: "Passage of house resolution nine six five three vital to employment problem in Michigan. Respectfully request that you co-operate with Congressman Prentiss M. Brown of Michigan in getting bill passed. This measure has already been given approval by the senate and should not be blocked by two or three members opposed to program for political reasons."
