

Now Here's the Proposition

Boy, you ought to see the big fish in Marlin Kean's barber shop. Not the one in the window. The story is—and you can use your own judgment—that the fish is real, and that it is the biggest fish caught by a Buchananite since the old river days when they used to use 15 pound pickerill for bait.

There was a little dispute between a couple of boys over the title to two fish at Indian Lake this last week, so we hear. Lew Proud and Mort Snyder were cast in the lake when their lines got tangled and they pulled them out in a snarl with two fish hanging on the double hook on one line.

The fishin' is reported to be poor in Pike Lake out Dayton way and some of the boys are suspicious that when Jerome Seabast fell out of his boat about ten days ago it musta killed all the fish in the lake.

Ike Kolhoff and Tom Burks came back Sunday evening from up Cadillac way where they went Friday with Carl Remington and his party of super fishermen, including Eddie Rinker, Howard Ferris and Herb Beck. Ike and Tom said they had to leave so the fish would be better than the other boys' hooks. The other boys was comin' back after the Fourth and then we may get their side.

Robert Franklin, who learned the art of flycasting under the tutelage of the Old Master, Marlin Kean, since the opening of the fishing season proved himself a smart pupil by winning first prize in a fishin' contest at Indian Lake Sunday. Both pulling out a three and a half pound black bass. Right then he quit fishin' and ain't done anything since but tell about it.

Phil Announces And now, friends and neighbors, let us rise and doff our hats for a moment of silent tribute to a brave man, none other than our townsman, Atty. Philip C. Landsman, who last week jumped off one dock and this week is jumping off another. Putting in their own words, Phil launched his frail bark and his bark ain't so frail at that, last week, on the high seas of matrimony last week and this he is launching it in the troubled sea of politics. It takes some mariner to launch in two seas at once. Whatta man!

But then of course Phil may feel that the trials of politics will help him forget the troubles of married life and vice versa, and looking at it that way it is a wonder more of us never get the best of it. Anyway, the Record announced last week that he and his bride would be at home to his friends on Lake Street but this week we hasten to add that it will be only temporary and after the first of the year they will be at home to their friends in St. Joe.

Hair Trimmers Beat Ramblers by Close Shave

Adam Brant's hard-hitting soft ball team, the Bradley Hair Trimmers, has had one of the best teams in the Buchanan soft ball league but all season has played in a series of bad luck, the team winning but two games and losing four in the league contests prior to Monday night.

However, the team justly reamed itself Monday night at the Athletic park and played the game its capable of by defeating the greatly strengthened Riverside members 2 to 1, in one of the best games played on the local grounds this season.

The feature of the game was dancing at Shadowland, St. Joseph, every Wednesday, Saturday and Sunday evening.

CITY REQUESTS CO-OPERATION IN THE USE OF WATER

Drouth Period Creates Heavy Drain on Water System; City to Open Pipe Valves.

Buchanan householders who use water for sprinkling purposes are requested to co-operate with the city in maintaining the service by the following method: residents in even numbered houses sprinkle in even hours only, residents in odd numbered houses sprinkle in odd hours only. That is, a resident of 243 Main would sprinkle from 3 to 4, from 5 to 6 and so on, where the neighbor across the street in 244 would sprinkle from 4 to 5 and from 6 to 7, the terms even and odd referred to the time of starting.

There has been a heavy drain on the city pumps especially in the evening hours during the past month. Monday evening the pumps were lifting 1700 gallons per minute with a pressure of only 60 lbs. at the plant. This is not sufficient for good pressure in houses in the higher parts of the city. The city is locating the shut-off valves in the water mains and will place covers on all so that they can be used to segregate parts of the water system where main breaks occur. In this way it will not be necessary to shut off the water over the entire city when a main bursts.

Buchanan Farmer Works Team Horses 31 and 24 Years Old

A good old age in horses as well as in people is mainly a matter of good care, says Carl Teutsch, who ought to know, for he farms his 28 acres on West Front street opposite Oak Ridge cemetery with two mares, a mother and daughter, Fanny, age 31, and Daisy, age 24. Fanny and Daisy are in fine condition, both rolling in fat and both appear far younger than their years. Mr. Teutsch came to the United States from Switzerland, where they apparently learn to care for their live stock. The ages of 31 and 24 in horses correspond approximately to 90 and 75 in humans. The extreme age limit for horses is reported to be 52 years.

ORATION GIVEN JULY 4, 1860 ON BAINTON'S HILL

How Forefathers Did Honor to Birthday of Nation in Outdoor Amphitheater 74 Years Ago.

In the Record of last week was printed an account of a July 4th celebration held in a "grove on the hill east of town" (where the Kelsey Bainton home now stands). The note of pitched and fervid patriotism evident in the proceedings was doubtless because of the impending shades of Civil War. The Buchanan Rifle Club mentioned was an organization typical of those formed in thousands of the northern and southern communities as the hot antagonisms that bred war were fanned to the martial pitch.

The following oration was delivered on that occasion by J. J. Buck, Esq. Mr. President and Fellow Citizens: It is to me a pleasure, indeed, to respond to those sentiments. They meet my hearty approval and I trust, find a fitting recognition in the hearts of every one present. These sentiments I endorse, because they are national and world-wide.

Long since have the immortal 56 whose names are appended to the Declaration of American Independence, slumbered with the dead; but their "works do follow them," and in every age and every clime they have a monument to their name and their fame. Men die but truths live forever. Truth is self-existent, eternal—it existed when first created, and will exist when the last man whose comprehension of view surveys the past, traverses the present and reveals the motive, is among the richest boons that heaven vouchsafes to earth and the day that gave him birth is not unworthy a remembrance.

But we celebrate today, the birth not of a single man, though that man were in Washington, a Jefferson or a Franklin, but the birth of a nation. A nation, too, whose origin and whose civil polity have made it an object to envy, of terror or of affectionate regard to the kings and the people upon the face of all earth.

These sentiments are peculiarly endearing, as they carry our minds back intuitively to our national birth. We return to 4th street, Philadelphia. The bell in that tower, that noble old temple of Liberty, announced its sublime errand, rang out the grand old peal for freedom. Far and wide spread its reverberations, and "Freedom, Freedom, was the answering shout of millions starting from the spell of years." Fellow citizens, that was a noble declaration, and the men who gave it utterance were noble men.

They held these truths to the self-evident that all men are created equal; that they are endowed by their Creator with certain unalienable rights; that among these are life, liberty and the pursuit of happiness. These sentiments, let me repeat, are national and world-wide. No narrow-mindedness was theirs; no technical, no political quibbles then.

BLUES ENJOY ROAMIN' HOLIDAY 'ROUND THE BASES

Lefty Deranek Proves Himself a Hurler of Class, Shuts Out Lakeside Until Ninth Inning.

Lakeside, sharing basement honors in the Community League with Dayton, proved no match for Bob Reamer's hard-hitting Buchanan Blues on the former's grounds on Sunday afternoon and Buchanan won a top-sided game by a 12 to 3 score.

"Lefty" Deranek, Reamer's 18-year-old pitching sensation, left-hooked himself to victory, striking out nine batters and allowing but six scattered hits, while his team mates were accumulating fourteen healthy bingles off the combined offerings of the Lakeside hurlers, Wesley, who started the game but who made his exodus when Buchanan socked his offerings for five hits to net four runs in the fourth and L. Stearns, who finished the debacle, holding the Blues to five runs and six hits in the last five innings.

Young Deranek pitched an airtight specimen of ball throughout. He was particularly effective in the first eight innings, allowing but three widely-separated hits and holding the foe scoreless until the ninth. In that inning, he relaxed; whether from choice or circumstance his dazzling speed seemed less dazzling and his erstwhile fast-breaking hook had less break, and three hits and as many runs, Lakeside's entire sum total of scores for the day, were netted off his delivery in that final inning.

Buchanan entered the ninth inning on top of a 12 to 0 score and the side went out in order in the ninth. In that inning, he relaxed; whether from choice or circumstance his dazzling speed seemed less dazzling and his erstwhile fast-breaking hook had less break, and three hits and as many runs, Lakeside's entire sum total of scores for the day, were netted off his delivery in that final inning.

# AT THE THEATRE

## Breath Taking Thrills in "Tarzan and His Mate" at Hollywood

The exhilarating thrill of relief from the problems of daily life is offered with a "punch" in every minute of adventure in "Tarzan and His Mate," new picture of jungle hazards. Johnny Weissmuller and Maureen O'Sullivan are reunited in the new film, which opens for a three day run starting Sunday at the Hollywood Theatre.

Based upon the adventures of the famous fictional character created by Edgar Rice Burroughs, the story has been developed to pack even more human drama on to the screen than did "Tarzan, the Ape Man," the picture which broke attendance records at theaters in all parts of the country.

The new picture has animal thrill scenes that leave an audience gasping, including such breath-taking action as a terrific fight between Weissmuller and a giant crocodile at a depth of more than thirty feet under water. A special camera compartment was used that brings the spectator to within a few feet of the mad combat with perfect visibility.

A tender love story is woven thru the jungle thrills, providing a concentration of sympathetic interest on Weissmuller and Miss O'Sullivan that makes each one of their fingers seem vividly real.

"Tarzan and His Mate" is family entertainment—clean, wholesome and exhilarating.

Tomorrow (Friday) and Saturday the Hollywood brings as feature number one a fiery screen

drama of a man of two continents, the polar regions and civilization, when it screens Francis Lederer and Elissa Landi in "Man of Two Worlds." This film is in high standing for the Photoplay and Academy award and supplies real drama combined with thrills and fast-packed entertainment. May Robson, Jean Parker and Lewis Stone in "You Can't Buy Everything" is the comedy end of Friday-Saturday's bill, with a mixture of elegant human entertainment by that grand old star of "Lady for a Day."

Next week Wednesday and

Thursday (Bargain Nights) the Hollywood presents one of the finest double bills shown in considerable time with the screen presentation of Ramon Novarro and Jeannette MacDonald in "The Cat and the Fiddle" plus Zasu Pitts and Sally Eilers in "Three on a Honeymoon." The first, a tender musical romance, the second, a roaring, screaming comedy of domestic affairs, with Zasu the odd third on the honeymoon trip of Sally Eilers and Charles Starrett. See this perfect screen combination for sheer entertainment and warm weather relaxation.

## HOW WOMEN CAN WIN MEN AND MEN WIN

The Favor of Other Men

Unless two pints of bile juice flow daily from your liver into your bowels, your food decays in your bowels. This poisons your whole body. Movements get hard and constipated. You get yellow tongue, yellow skin, pimples, dull eyes, bad breath, and taste, gas, dizziness, headache. You have become an ugly-looking, foul-smelling, sour-thinking person. You have lost your personal charm. Everybody wants to run from you.

But don't take salts, mineral waters, oils, laxative pills, laxative candies, chewing gums and expect them to get rid of this poison that destroys your personal charm. They can't do it, for they only move out the tail end of your bowels and that doesn't take away enough of the decayed poison. Cosmetics won't help at all.

Only a free flow of your bile juice will stop this decayed poison in your bowels. The one mild vegetable medicine which starts a free flow of your bile juice is Carter's Little Liver Pills. No calomel (mercury) in Carter's. Only fine, mild vegetable extracts. If you would bring back your personal charm to win men, start taking Carter's Little Liver Pills according to directions today. 25¢ at drug stores.

Refuse "something just as good" for it may gripe, loosen teeth or scald rectum. Ask for Carter's Little Liver Pills by name and get what you ask for. © 1934, O. M. Co.

## FIND HEALTH AND PLEASURE IN A MICHIGAN VACATION

The sunshine of Michigan's sandy beaches, and the warm waters of its thousands of lakes, spell health for young and old. And there is no better tonic than the invigorating, pine-scented air of this unexcelled climate.

Michigan's tourist and resort business brings large sums of money to the state each year. It provides employment for thousands, and greater prosperity for all of us. We can increase that business further by telling out-of-state friends about Michigan's vacation advantages and by spending our own vacations here.

And, no matter which part of Michigan you visit this summer, banish worry by telephoning home and office frequently. Call ahead for reservations, or to tell friends you are coming. Long Distance calls will add but little to the cost and much to the enjoyment of your vacation.

For the same amount of money you would pay for "regular" gasoline you can get Standard Red-Crown Superfuel. And actually you'll be money ahead! Because Standard Red-Crown Superfuel delivers more live power per gallon—a bigger store of instantly usable energy that can be turned into longer mileage, smoother climbing power, higher top speed; or any other super-performance you want.

Superfuel gives you your full money's worth plus. That has been established by tests of many gasolines. But—prove it to yourself. Do this: Get a tankful from any Standard Red-Crown Pump. Then watch the mileage it gives you—watch how that extra live power livens up your engine. See if you don't agree that it gives you more for your gasoline money.

It's a fact. Standard Red-Crown

Rep. Dean Morley Announces Candidacy

First District Member Legislature Will Stand For Re-Election

Dean Morley of New Troy, representative in the State Legislature for the Berrien County first district, announced today that he would be a candidate for re-nomination on the Democratic ticket for his present seat.

Mr. Morley's many friends in the first district, and in fact throughout the county, are proud of the record made by the Berrien legislator during the long regular session and two special sessions. Although a first term Representative Morley took a leading part in framing several of the most important pieces of legislation enacted.

As a member of the committee on General Taxation he had a large part in the framing of the tax moratorium measures, emergency legislation that abrogated the 1933 tax sale and provided the means whereby real estate owners might liquidate their delinquent taxes of 1932 and prior years through installment payments over a period of ten years.

Mr. Morley was also a member of the Transportation committee and he was vigilant in watching out for the interests of Berrien county fruit growers and agriculturists, threatened on several occasions by injurious legislation. He took a leading part in putting through the House the Case bill to repeal the \$50 wholesale produce license act that the fruit and truck growing interests of Berrien county were so generally opposed to.

Mr. Morley was also vigilant in looking after the interests of the commercial fishermen at Lansing and the Berrien county resort interests.

As a member of the sub-committee on highways for the Legislative Council, he had a large part in framing the bill to reduce the automobile weight license fee, enacted at the last special session.

Popularly with his fellow members in the legislature combined with vigilance and energy made Representative Morley an extremely valuable member to Berrien county.

While zealously looking after the matters that most vitally concerned his local constituency, Mr. Morley also maintained the broad-minded viewpoint of the general public welfare in his consideration of legislation.

Among the Bible citations in this passage (1 Cor. 10:16): "The cup of blessing which we bless, is it not communion of the blood of Christ? The bread which we break, is it not the communion of the body of Christ?"

Relative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 33): "Are all who eat bread and drink wine in memory of Jesus willing truly to drink his cup, take his cross, and leave all for the Christ-principle? Then why ascribe this inspiration to a dead rite, instead of showing, by casting out error and making the body 'holy, acceptable unto God,' that Truth has come to the understanding?"

Seventh Day Adventist  
Sabbath school (Saturday) at 10 a. m. The lessons for this quarter, is on the Exodus and the Advent movement. This week's lesson: "The Meaning of Israel!"

Memory verse: "There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female: for ye are all one in Christ Jesus." Gal. 3:28. Note: This name "Israel" means one who prevails with God, or as the margin reads, "A prince of God." The greatest victories to the church for Christ or to the individual Christian, are not those that are gained by talent or education, by wealth, or the favor of men. They are those victories that are gained in the audience chamber with God, when earnest agonizing faith lays hold upon the mighty arm of power. Those who are unwilling to forsake every sin and to seek earnestly for God's blessing, will not obtain it. But all who will lay hold of God's promises as did Jacob, and be as earnest and persevering as he was, will succeed as he succeeded. According to Rom. 9:8-8 "Israel" applies to the true people of God, regardless of nationality, and is not to be understood as confined to the literal descendants of Jacob. All who by faith accept the provisions of salvation constitute the Israel of God. Gal. 6:16.

The promises of an inheritance in the new earth are not to "Israel after the Flesh." Gal. 3:16. Many scriptures are misunderstood because of not taking this fact into account.

# Hair Trimmers Beat Ramblers B y Close Shave

(Continued from page 1)  
The stellar pitching of Sam Marrs, Hair Trimmer hurler, who allowed the Ramblers but two hits, both singles and neither of which counted for runs.

Although the Hair Trimmers gave Marrs erratic scoring, making six errors, three of which resulted in the Ramblers' only score in the scenic nod.

In the second inning, the latter's further scoring opportunities were lessened in the third and fourth innings by fast short-to-second-to-first double plays negotiated by McIntosh, Tommy Marrs and M. Shultz.

The Hair Trimmers scored the winning run in the fifth inning after having tied the count at 1-1 in the second. In the fifth, Wm. Schultz opened the inning by grounding out to Weaver at third. Tommy Marrs followed with a single to left, his second hit of the game, his first, a double, scoring his team's tying run in the second. Tommy took second when McIntosh hit to center field, went to third when Liska hit to Pitcher Zimmerman, all hands being safe. In the meantime Sammy Marrs had filed out to Painter in center. The bases were full. Bristol, Hair Trimmers third baseman, looked at four bad balls and walked forcing in Tommy Marrs with the winning run. Although the Ramblers got men on first and third in the sixth and B. Sexton got as far as third in the seventh, Sammy Marrs was master of the situation and retired the side in each instance without further trouble.

# Ramblers Demolish Biscuit Shooters In Friday Contest

The game marking, the closing of six week's play in the Buchanan soft ball league last Friday, and which the D's Cafe, erstwhile co-leader in league play, with the Hollywood Theater club, was doped by soft ball wiseacs to easily take from the Riverside Ramblers, whose play has been flashy in spots but rather inconsistent all season, was a decided upset as the lowly fifth-place Ramblers played a spectacular specimen of championship ball to completely rout the Cafes, 19 to 3.

The Cafes presented a sorry spectacle affixed, crippled as they were by the absence of Lawrence Heckathorne, pitcher and Marvin Mangold, second baseman, who were A. W. O. L.

The surprise victory placed the Ramblers in a tie for fourth place with the Cafe team, just back of the Clarks and Farm Bureau Cowboys, tied for second place.

The Ramblers, a greatly strengthened baseball unit than that appearing in prior games, have acquired a pitcher, Zimmerman, who on the basis of his performance against the Cafes should rank as one of the league's best pitchers.

The Ramblers had three big innings, the second when four hits netted five runs, the fourth when eleven men batted to pound in 8 runs off five hits, and the sixth when four runs were scored off as many hits.

D's used three pitchers in an attempt to stem the offensive tide of the hard-hitting Ramblers. Lew Leiter started but was driven from the hillock in the second. Danny Topash, followed him and was wild when he got the ball over the plate the Rambler sharpshooters croaked it to remote sections. Batchelor relieved Topash and after yielding four hits for as many runs in that inning settled down in the 7th and held the opposition scoreless with but one hit.

Score by innings:  
Ramblers 250 814 0-19 17 3  
D's Cafe 000 110 1-3 6 8

Not alone those patriots there congregated, and the constituency by them represented; but that every being in the wide universe fashioned and moulded in the image of his creator, and upon whom Almighty God had stamped the impress of Divinity and chartered with an immortal soul, was and of right ought to be free. Such were the sentiments uttered by the patriots of '76; sentiments which the liberty loving of all coming time will rejoice to venerate, and which glaring impunity a lone dare violate or assail. Thus, in the sentiment of this toast, is American liberty, the liberty of mankind.
