

ALL SET TO OPEN BANK JULY 18

Now Here's the Proposition

Well folks—it seems hard to believe, but after all these years we are gonna have a bank. It will open next Wednesday morning in the heart of the business and financial district of the city at the intersection of those roaring arteries of traffic, Main and Front streets, just west of the police parking stand and just northwest of the town clock. Used to call it Wall street and later Keckership Corner.

Time was when there was two banks on that corner, as some of the older inhabitants will remember. It was easier then, because when your note came due at one bank you could just walk across the street and borrow the money to pay it at the other, whereas now when your notes, if any, come due, you got to think up a good one.

Strewn hither and yon to the left of this sparkling column are the pictures of the gentlemen who head up the new institution. You have no idea how hard it was to get those pictures. Bankers, it seems, have Lindbergh backed clear off the map when it comes to fighting off camera men. You would have thought they was the John Dillinger gang the way they took to the brush when we said pictures. But we finally got them cornered in George Smith's shooting gallery and managed to get them to take their hats from over their eyes and the hands from in front of their faces and smile.

Just a banker's trait—they're so cautious about publicity that they want to ring a burglar alarm whenever they see a newspaper man. But the boys are a pretty good looking set, you must admit, and to say they're welcome is falling away short of the facts.

Come in, boys and make yourselves to hum.

The Record was afforded the opportunity of reading a very fine short story by local talent this week and we are truly sorry to say that the limitations of our space make it necessary to lay down the blanket rule that we can not print fiction—unless you count Carl Remington's and Ed Mitchell's fish stories as such.

Walter Thanning went fishing with his wife Sunday and the fishing wasn't so good, so we hear, but Walter has a long head and he took George Himmelberger and his wife along. George, as everybody knows, belongs to that great purchasing organization which has buying connections in every part of the known world. So they brought back lots of fish.

Everybody be careful! And watch out for ladders and stock salesmen. For Friday is the 13th. But just the same the Methodist and Evangelical churches is taking chances by holding their annual summer picnics on that day. But then they got insurance that most of us haven't.

Here, John, is a Matter of History for You to Solve

Editor Record,
Dear Sir, Am enclosing \$2.00 to pay for the Record until May, 1935. I have taken it so long it seems like part of the family.
I would like to ask John Holmes a question. Does he know if the story is true about Collins & Weaver when they kept the general store in Dayton, that when they had an empty molasses barrel and were rolling it around out of the way they noticed something inside. Knocking in the head they found an infant negro baby. Now does Holmes know whether this is true or did some one hatch up the story on the store-keepers? It happened in 1864 or 1865.
Sincerely,
Sylvia Scott,
Pacoima, Calif.

GEORGE FOULKES PAYS A VISIT TO BUCHANAN WED.

Congressman States He Will
Run for Re-Election, Not
Candidate for
Governor.

Hon. George Foulkes, of Hartford, congressman from this district was a visitor in Buchanan Wednesday, making preliminary arrangements for his coming campaign for re-election.

In the recent convention of Farmer-Labor party members in Michigan Mr. Foulkes was nominated as candidate for governor on their ticket, a nomination Mr. Foulkes has declined because of his important duties in Washington which place him in a position to be of more benefit to the farmers and laborers than would a prominent place on a state ticket. In commenting on his declination of the offer made by the state organization, Mr. Foulkes said:

"I am, of course, honored by being named to lead the great Farmer-Labor movement in this state. As a ranking member of the powerful national agriculture committee I now occupy a position where I can realize and put into execution many beneficial reforms in behalf of agriculture in which I am intensely interested and for the further reason that, as the spokesman of the president on that committee, it would be unwise for me to make the change at this time. Hence, I shall again be a candidate for congress on the Democratic ticket. I hope our farmers will continue to organize themselves for there is no other method to make themselves felt."

Asked about the prospect for better prices of Berrien county fruit, particularly cherries, over which a considerable argument has arisen between growers and canners, the congressman said: "There is no excuse for the present low price of cherries other than perhaps a small overproduction. If the canners will agree among themselves we can get the money to finance a better price for the producer."

Publication of School Finances Required by Law

Attention was called this week by the state department of Public Instruction to the provisions of the school laws calling for the publication in local newspapers of the proceedings of the annual school meetings to be held in Michigan school districts this week.

The general school laws of Michigan provide that each township, rural, agricultural and graded school district shall cause to be published in a local paper a complete statement of the proceedings of the annual school meeting, together with an itemized financial statement of the receipts and expenditures for the preceding school year. This report must be published not later than the first Monday in August, the department points out. Proof of publication shall be filed in the office of the superintendent of public instruction not later than August fifteen of each year. The law states that the annual report of any district shall not be accepted unless there is sufficient proof that the report has been published in a local paper. The publication of the report offers opportunity for boards to inform the citizens of the community regarding the financial conditions of the schools and is regarded as a necessary contact with the public.

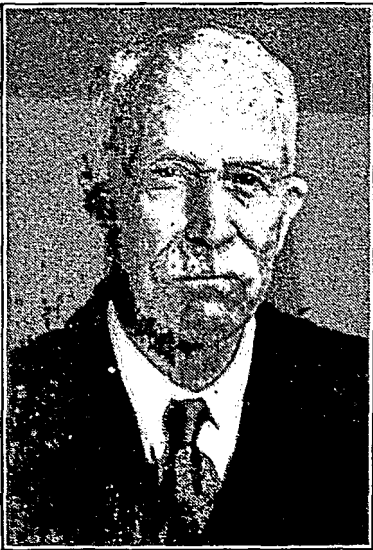

The department also suggests that expenditures be listed under administration, instruction, auxiliary agencies, operation, maintenance, debt service and capital outlay. Boards of Education are authorized by law to pay for the expense of publication from the general fund.

Sticker Permits Expire August 1

The 351,642 Michigan motorists who have been operating their cars under the two-payment permit plan, must pay the second half of the 1934 weight tax and secure 1934 license plates before Aug. 1. Under the law authorizing the windshield sticker permits, the Secretary of State is not given power to extend their use after Aug. 1.

Fred Best Hurt Thursday by Fall Thru Barn Floor

Fred Best had a narrow escape from severe injury Thursday when he fell through the floor of the loft of a local barn in which he was delivering a load of hay, striking on his shoulders and the back of his head on a plank floor beneath. Best was getting the barn ready to mow away the hay and saw a heavy plank on the loft floor. He picked it up and started to carry it away, not noticing the hole beneath which the plank covered. He fell through (one foot catching on a manger as he went down and tipping him head first. The cords of his ankle were strained and his shoulders and back were strained and bruised.

BLOOD-STAINED WALLET IS RELIC OF THE CIVIL WAR

Mrs. Mabel Tewksbury Keith, Resident Miller Dist., Has Mementoes of Soldier Grandfathers.

Far echoes of Civil War thunders hover in the air in looking over an old lithographed "soldier's memorial" containing a roster of the members of Co. F, 12th Michigan Infantry which was found in the effects of Amy Tewksbury Gardner after her death three years ago, and which was brought to the Record office by her niece, Mrs. Mabel Tewksbury Keith.

In addition to the roster an exhibit of even greater interest was an old wallet, the property of Mrs. Keith's grandfather, Isaac Tewksbury, with the stain of blood from his mortal wound received at Shiloh still visible on it. Another grandfather of Mrs. Keith, James Wilson, who was a member of the company was at Tewksbury's side when he fell.

According to the memorial, Co. F was mustered into service by Capt. Mizner at Niles Dec. 19, 1861 and Jan. 8, 1862. It was just three months after the latter date, April 8, 1862, that Tewksbury fell at Shiloh. Tewksbury lived on a farm near Niles. When he died he left at home his widow and four children, the oldest of whom was Roland Tewksbury, age 14. The boy at this age was obliged to support the family. He became a blacksmith and worked many years in Niles and Buchanan, spending some time in the service of the Rough Wagon Works here. He was the father of Mrs. Keith, who now lives with her daughter, Mrs. Lee Allis, near the Miller school.

The other grandfather, James Wilson, lived before and after the war on a farm in Howard township between Niles and Edwardsburg. And the roster of the company listed still another relative of Mrs. Keith, James Noble, a cousin, who ended the war in the Andersonville Confederate prison.

The quartermaster of the regiment was W. B. Perrott of Buchanan, who built the large frame house on Niles hill which was occupied a few years ago by the Clark hospital.

Engineer Reports Progress of Local Road Construction

Installation of concrete paving on the old Niles-Buchanan road, which was scheduled to be completed last night, has been held up a few days by the delay in two carloads of materials, but engineers in charge stated that the road would be open to automobile traffic by July 30. Residents along the west end of the new paving are already permitted to use it to get to and from their homes. Truck traffic will not be permitted on the new slab until three weeks after the last concrete is poured. The incomplete section is at the east end.

Engineer Heath Calvin of Niles stated that the force of county and relief workers engaged in installing gravel on the River Road had reached the Wynn home, starting from the north end. The bridge which was under construction at the north end adjacent to the intersection with US-31 has been completed and that section is now open. Calvin stated that installation of gravel on the Moccasin bluff section at this end would be completed by Saturday night, barring accidents.

FUNERAL RITES FOR EARL BAKER HELD SATURDAY

Son of Mr. and Mrs. Joseph Baker Died Suddenly July 4; Employed in Clark Plant, Battle Creek.

Funeral rites for Earl D. Baker, 26, were held at 3 p. m. Saturday from the home of his parents, Mr. and Mrs. Joseph A. Baker, Sylvan Ave., Rev. H. W. Staver preaching the sermon, and interment was made in Oak Ridge cemetery.

The funeral exercises were conducted under the auspices of Battle Creek Lodge, F. & A. M. Pall bearers included six younger members of the Buchanan lodge: Francis Merson, Atty. Philip Landsman, Arthur Allen, Burton Mills, Jack Boone, Marcus Treat.

Young Baker died very suddenly July 4, following a minor operation for the removal of his tonsils. Physicians attributed his passing to an unusual glandular affection in the neck which rendered it hazardous for him to take an anesthetic. This trouble had not been known previously, as he was apparently robust and in good health.

He was born in Three Oaks Dec. 6, 1907, and came to Buchanan fifteen years ago. He was graduated from Buchanan high school with the class of 1925. After a short time spent as clerk in a local store, he entered the employ of the Clark Equipment Co. In 1928 he was transferred to the Battle Creek plant where he held a clerical position in the production department. He is survived by his parents; by two brothers, William Baker of South Bend and Gerritt Baker of Gary.

Funeral Rites for Gertrude Hartline Held Here Monday

Funeral rites for Mrs. Gertrude Lillian Hartline, 45, were held at 2:30 p. m. Monday from the Swem Funeral Home, Rev. Thomas Rice preaching the funeral sermon and interment was made in the Galien cemetery.

Mrs. Hartline died Saturday, July 7, at her home on North Portage street. She had been in poor health since April but had been acutely ill only three days. She had continued her work at the Clark plant until ten days before her death.

She was born at Galien, Dec. 31, 1888, the daughter of Richard and Emma Cochran Metzgar. She was reared on a farm near Galien and lived there until she came to Buchanan nine years ago. She was married on June 5, 1907, to Louis Hartline and three children were born to this union; Mrs. Mildred Metzgar, 109 Charles Court, Mrs. Florence Frudenthal (who died in 1928) and Miss Lila Hartline. Other survivors are: two sisters, Mrs. Dora Wallace, Pokagon; Mrs. Clarence Potter, Galien; five brothers, Arthur and Richard Metzgar, Buchanan, and Leo, Victor and Roy of Galien.

Local Post Office Receipts Up 30 Pct. For Second Quarter

Gross receipts of the local post-office for the second quarter of 1934, ending June 30, were nearly 30 percent greater than for the corresponding quarter of last year, according to Postmaster A. G. Haslett. The figures were: second quarter 1934, \$3,934.57; second quarter 1933, \$3,060.19; increase, \$874.38.

While the growth is not as great correspondingly as was shown the first quarter of the year, this is because the return of better conditions had already set in during the second quarter of 1933. The postal receipts are considered a reliable index of conditions.

Clayton Russell Dies Suddenly at Texas Home

Clayton Russell died very suddenly Thursday afternoon at his home at Dohilhart, Tex., according to word received by relatives here. He was born in Buchanan and received his education here, but left many years ago for Texas, where he followed the profession of railroading. He and his family visited here at the home of his aunt, Mrs. Lydia Dempsey, last summer and had intended to return this summer.

WAGNER NAMED FOR CASHIER OF GALIEN BRANCH

Institution Was Not Reorganized, Says Cashier Ewing; Amended Charter to Change Name and Location.

Beginning Wednesday, July 18, Buchanan will no longer labor under the handicap of being one of the few bankless cities of Michigan, arrangements being complete for the opening of the Galien-Buchanan State bank here on the morning of that date.

Officials of the bank state that current reports that the institution has been reorganized are erroneous; the extent of the change in organization being the amendment of Section One of the articles of incorporation to change the name from "Galien State Bank" to "Galien-Buchanan State Bank," and of Section Two fixing the location of the first branch in Buchanan instead of Galien. Otherwise the institution is the same as it has been since its transfer from the status of private bank to state bank in 1921.

The establishment of a branch bank at Galien is not a matter of reorganization and was made permissible by the state banking act of 1933.

D. W. Ewing, cashier at Galien for several years, comes to Buchanan to manage the headquarters bank. The branch at Galien will be under the management of O. E. Wagner as cashier. Mr. Wagner arrived at Galien the first of the week from Schoolcraft, where he had been assistant cashier of the Kalamazoo County State Bank. He plans to move his wife and family to Galien by the opening of school.

The Galien bank had its beginning in the opening of a private bank in 1882 by G. A. Blakeslee & Co., a pioneer mercantile firm of Galien. Charles A. Clark, present president of the bank, had been employed several years in the store which was owned by his father-in-law, and at the time of the opening of the bank was a partner and manager in the firm. He took charge of the bank at its opening and has been identified with it throughout the fifty-two years which have elapsed. The private bank was opened at the suggestion of an agent of Marshall Field & Co., with which the Blakeslee firm then had wholesale connections, and the business was cleared through the Marshall Field firm for years later entering into connection with the Bankers Bank and later with the Illinois Continental of Chicago.

It remained a private bank until 1921, when it was reorganized as the Galien State bank under the charter which it still operates. The soundness of the institution is attested by the fact that it was one of the first in the firm in Berrien county to open with unrestricted operations after the national and state moratoriums of the spring of 1933. It is now a party to the bank insurance arrangement which guarantees deposits to the amount of \$5,000, under the plan by the federal banking act of 1933.

Biscuit Shooters Win 19-6 From Hair Trimmers

Aided by 17 lousy hits and abetted by an air-tight brand of pitching by Lawrence Heckathorne, Western State Teachers College star, D's Cafe had an easy time defeating Bradley's Hair Trimmers, 19 to 6, Tuesday night at Athletic park.

By virtue of the victory, the Cafe team jumped from fourth place into a tie for third place with the Farm Bureau Cowboys. Sammy Marrs, usually dependable Bradley moundsman, had one of his off nights. He was an entirely different sort of a pitcher who allowed but two hits, defeating the Riverside Ramblers a week ago.

Marrs got into trouble right at the start. He issued eleven hits for an even dozen runs in the first three innings and the game was irreparably lost, although the Cafe men got seven more runs off his successor, Bill Schultz, in the last three innings.

It was a weird game, there being 13 errors committed during the contest, seven made by the Cafes and six by the Hair Trimmers. Bradley, trailing 12 to 0 to enter the fourth inning, scored five runs in the first half of that frame and it looked as though a rally was in the making that might lead the team out if its lethargy. However, Bill Frame, D's wandering second baseman, made nice catches of fly balls from the respective bats of Warner and Tommy Marrs to nip the prospective rally after two hits and four D errors had brought in the five markers. Layman, Bradley catcher, scored his team's last run in the fifth inning, hitting into right, stealing second, advancing to third on W. Schultz' hit and scoring on Frame's overthrow in an attempt to catch the runner going into third base.

Two errors and a wild pitch sent Warner to third, where he died for want of help as Bristol struck out and M. Schultz grounded out to Mangold in the sixth. In the 7th, with two down, Sammy Marrs singled through short and took second as the ball was fielded slowly in left field. But the Bradley pitcher died on the keystone sack as Layman ended the game by rolling out to Heckathorne.

Heckathorne was the offensive star of the game, accounting for six of his team's runs. In the first, he hit a long home-run drive to deep left, scoring Mangold and Donley ahead of him. In the second, he singled to left, scoring Dan Topish and his brother, August. In the sixth he made it a full day by driving a triple to deep center, scoring Donley. Donley also carried a hot bat into Tuesday's struggle, getting four singles out of five official times at bat.

The scheduled game between the Cities Service and Farm Bureau Cowboys teams, scheduled as an afterpiece to the D's-Bradley game, was declared forfeited to the former club when the Cowboys, according to Umpire Dokey, purposefully delayed the game after the Service nine had assumed a pre-tentious lead. The score by innings:

D's Cafe 345 223 x-19 17 6
Bradleys 000 510 0-6 10 6
Eateries, Heckathorne and A. Topash; S. Marrs, W. Schultz and Hawkes, Layman. Umpires, Simpson and Dokey.

Clarks Vanquish Glowns Curley's Glowns in last place in Buchanan softball league standings, but decidedly strengthened, was not strong enough to withstand the Clark Equipment team and lost an 11 to 0 verdict at Athletic park Tuesday night.

The pitching of Freeling, Clark's star speedballer, who struck out six men and allowed but one hit, a single by Fabiano, Clown pitcher, through third base in the fifth inning, was the outstanding feature of the game. In the seven innings of play but 22 men got on base, and but two Clown batters got to first. Fabiano, who got his team's only hit was forced out at second by Walter Pfingst and the latter went to second on Fette's infield out. But Pfingst died at second as Manager Fred Smith ended the inning by flying out to Bob Ellis at short.

Fabiano pitched excellently for the Glowns in all save the third, fourth and fifth innings, when Clarks made all their runs. He held the winners scoreless in the first, second, sixth and seventh and in all these four innings allowed but one hit, a Fette's single off Bob Ellis in the first.

Bob Ellis was the batting star of the game, hitting single and a home run. The latter, a long hit to deep center, scored Rotzien ahead of him, Jesse, Covert and Freeling of the Clark cast, hit doubles.

Eight errors afield by the Clown defense worked to the hardship of the best efforts of the new Clown pitcher, Fabiano, who was pitching his first game in Clown livery, having received his release Monday from the Hollywood Theatre club.

BLUES FATTEN PERCENTAGE BY WIN FROM BARODA

Locals Make All Five Scores in First Inning; Contest is a Southpaw Battle.

In one wild first inning Baroda dropped another ball game to Buchanan at the local grounds Sunday afternoon, and by virtue of the defeat dropped her second-place position in the Community League.

It was tough for "Lefty" Foster, one of the Community League's best pitchers to lose the encounter as he allowed but three singles and struck out ten Buchanan batters, but his wildness in the first inning, aided by two of Buchanan's three hits netted the Blues all of their five runs in that first session. After that Foster held the locals scoreless and with one hit for the remainder of the game.

It was a pretty duel of southpaw pitchers. Although "Lefty" Deranek, youthful southpaw of the Buchanan team, was more liberal in distributing hits to the Baroda batters, allowing ten scattered hits to the Baroda cast, he struck out ten men and kept the hits well scattered, although one hit was a home run by Zordel, the first man up in the first inning, who slammed the second pitch into the deep grass of deep center field to circle the bases, and two others were doubles by Foster and Renhack in the second and sixth innings. Baroda's second run came in the sixth when Renhack, who doubled to open the inning, scored on successive infield outs.

A hit batsman and three walks, with two hits sandwiched in between, forced in three runs and permitted Buchanan to score two more to achieve its five run total in the first inning. Schmidt, first batter for Buchanan, was hit by a pitched ball, Pfingst beat out a bunt, sending Schmidt to second. Poplar followed with a single, scoring Schmidt and sending Pfingst to third. Sparrow walked to fill the bases. Eichorn walked forcing in Pfingst with Buchanan's second run. Heckathorne grounded to Pitcher Foster, who threw out Polar at the plate in a close play. The bases were still full as Newman walked forcing Sparrow in with a run. Henderson, Baroda shortstop, fumbled Heiermann's grounder, and Eichorn and Heckathorne both scored as the ball rolled into left field. Deranek fouled out to Catcher Renhack and Schmidt ended the inning and Buchanan's scoring activities for the day by firing out to Zordel in deep left.

But three Buchanan batters got on base after the first inning, and only one of these, Newman in the third, by virtue of a hit. Eichorn was hit by a pitched ball in the fifth and Sparrow got life on an error by M. Houswerth in the eighth.

By virtue of Buchanan's victory, Baroda was toppled from its second place position in the league. Buchanan now, after a bad early season start, has a 500 percentage having won four and lost four in this season's play.

Buchanan will play at Sawyer next Sunday and will be back on the home lot on July 22 with New Buffalo as the opponent. Both

Sawyer and New Buffalo defeated Buchanan in the first round games. The summary:

A Hired Man Needed

To the Voters of the Fourth Congressional District: You need at Washington, not a politician nor the perpetual office-seeker, but one who will be your employee, one who will endeavor to lower your taxes, assure to every one security under the law and

work, not for the things he might desire, but for the things you want. In other words, you want a hired man, one who will carry out your wishes and serve your needs.

It is a lawyer's business to secure for his clients the rights and

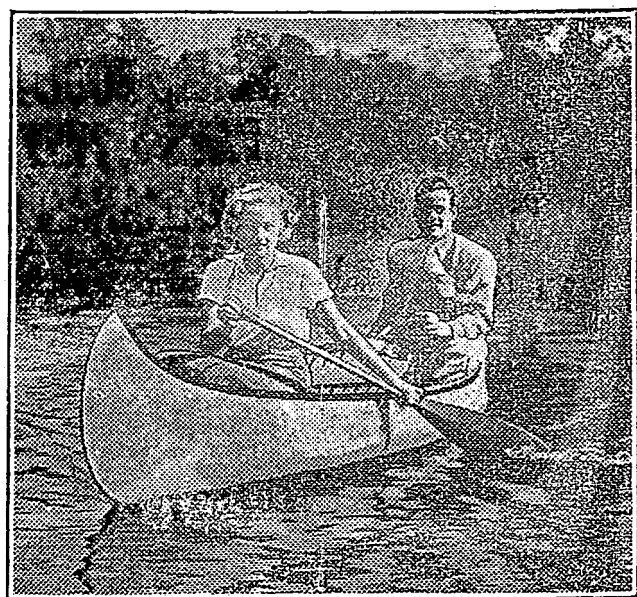

privileges to which they are entitled.

To do this successfully he must know some law, but, above all else, he must be willing to work unceasingly and that with but one object in mind—the interests of his client.

It is impossible to see every voter in the District. Ask your Circuit or Probate Judge, any county

official, any lawyer you may know who may happen to know me, whether I am honest, have the ability, and faithfully serve those I represent, and if you find that I am competent and faithful and you desire that kind of representation in Washington, let me have your vote at the Primary. Respectfully, Clare E. Hoffman.

Norma Shearer In "Riptide" at Hollywood 3 Days

One of the most fascinatingly varied functions among the elements is the action of ocean water—and it is this which contributed the title of "Riptide" to Norma Shearer's latest starring vehicle which Metro-Goldwyn-Mayer will bring to the Hollywood Theatre for three days starting next Sunday.

The dictionary will tell you that riptide is the condition when water becomes roughened by conflicting tides or currents. What is remarkable about this condition is that there is no resolution of the conflict until one weakens and is

diverted to another direction. It is not a question of triumph; it is a question of weakening and disappearance.

And this, by strict parallel, is the story which Edmund Goulding has both written and directed in "Riptide." Norma Shearer, as an adventurous American woman who has married into London society, finds that the dullness and sobriety of English life is not enough for her, even though she relishes it to a certain degree and loves her husband moderately well. When a wild young American play-boy comes into her life, he does not displace her husband by any means; her love somehow encompasses both of them.

Herbert Marshall plays the role of the husband, and the part of the American play-boy is played by

Batteries, Smith and McBride; Babcock, J. Ellis, Koenigshof and Koenigshof.

Forrest E. Brown Up For Re-Election

July 9, 1934.

In announcing my candidacy for re-election to the office of Berrien County Treasurer, on the Democratic ticket, I wish to state that I do not intend to take time from this office to campaign. I feel that the work in the treasurer's

office has been taken care of to the best of my ability and under difficult circumstances. The office has had less help than in the years heretofore and the work has increased considerably owing to the Home Owner's Loan, Federal Land Bank and the C. W. A., all of which have added extra work and time to this office.

The board of supervisors at their last session voted to increase the treasurer's salary. Having served as county treasurer during the past two years, at a reduced salary, through the loss of the license bureau, if re-elected, I would feel justified in accepting this increase.

Forrest E. Brown,
Berrien County Treasurer,
St. Joseph, Michigan.

Niles Kewpees Set the Cowboys Down 6 to 0

Another in a series of inter-city soft ball games being played by league-leading teams of Niles and Buchanan was played here Tuesday night and the Kewpees of Niles shut out the Buchanan Farm Bureau Cowboys, 6 to 0, in a nine inning encounter.

Manager Koenigshof of the Cowboys used three pitchers in a futile attempt to stem the tide of the Niles team, which garnered a total of eight hits off the combined efforts of this trio of flingers.

Babcock, who started on the mound for Buchanan pitched a tight ball for five innings, holding the foe to three hits and one run, a home run in the second by Kachur with none on base. In the sixth he got into serious trouble when the Kewpees collected five singles, aided by two Buchanan errors to net the winners five runs. This was all of Niles' scoring for the day, however, as Ellis, who pitched the seventh and eighth, and Koenigshof, who took up the mound duties in the ninth, retired the side in order in each of these innings.

Smith pitched superbly for the winners. He allowed but two scratch singles, which did little damage, and struck out 14 men. He was master of the situation throughout and not once was he in trouble. But three Buchanan base runners got as far as second and all three died at that base.

Kachur led in the hitting with a home run in the second and a triple in the fourth.

Score by innings:

Savoldi Holds Batting Title of Softball League

"Little Clem" Savoldi, half-pint edition of the noted Savoldi family, midget brother of "Big Joe" and himself a professional wrestler, is ahead of the pack of some 120 batters in the Buchanan softball league as the loop finished half of its 14-week playing season here the last week-end.

Savoldi, catcher for the league-leading Hollywood Theatre team, has clouded out nine hits in 16 times at bat for an average of .563. He played in five games, or rather six if you include the protested Hollywood-D's Cafe game of last Thursday night which does not figure in the official averages.

Frame, infielder for the fourth place D's Cafe club, is second in the list of those who have played five or more games. With eight hits in fifteen times at bat, he has an average of .533. Tommy Marrs, infielder for the fifth-place Bradley Hair Trimmers, is third, with an average of .453. L. Sherman, manager, pitcher and infielder for the Riverside Ramblers, Joe Howard, manager and first baseman of the Hollywoods, and F. Leiter, outfielder for the Farm Bureau Cowboys, are tied for fourth place with an average of .444, each having eight hits out of eighteen times at bat.

Others in or near the list of the best ten hitters are: Dick Bachman, Hollywood second baseman, .421; D. Boyce, Hollywood outfielder, .391; Proud, Hollywood pitcher, .389; and Koenigshof, Cowboy manager and catcher, .389.

Riverside Ramblers are leading the league with an average of .325. The team has nine men on the roster that are hitting over .300. The Cowboys have seven hitters in the .300 bracket and Hollywood and D's Cafe each have six.

Local Hard Ball 9's Face Tough Opponents Sunday

Buchanan's three hardball teams meet tough foes Sunday.

Bob Reamer's rejuvenated Buchanan Blues, by virtue of four defeats and four victories, now in third place in the Community league, just back of the second-place Bridgman team, will make its ninth start as a Community League club, meeting the Sawyer Aces at Sawyer next Sunday. Sawyer gave Buchanan a sound trouncing here early in the season, but the Reamer club has since been greatly strengthened, boasting of two of the league's best pitchers, Deranek, 17-year-old southpaw, and Feathers, a speedball right-hander. Deranek will probably star. Sunday's game with Sparr, a newcomer from the Kamm Beer club of South Bend, doing the receiving.

Johnny Hittle, who drove his youthful Buchanan Arrows to victory over the Blues for the city championship here July Fourth and whose team gave the Long Lake Independents its second beating in two weeks last Sunday, will lead his charges against Banty Hard's Three Oaks Greens here Sunday afternoon. Hittle's team will be out to avenge a prior 10-9 defeat at the hands of Three Oaks. Glenn Jesse, who tamed the Blues, will probably be on the

Robert Montgomery. The impressive cast also includes Mrs. Patrick Campbell, Skeets Gallagher, Ralph Forbes and the late Lilyan Tashman.

The outing of "hokum" as the important factor in motion picture production, and inauguration of truth in story and characterization, exemplified for the first time in the big Warner Bros. production, "As the Earth Turns," which opens tomorrow (Friday) and Saturday as feature number one at the Hollywood is considered the most essential step the motion picture industry has taken in years, by Jean Muir, who portrays the role of "Jen" in that production. It is Gladys Hasty Carroll's record smashing novel—a saga of New England rural life and as a best seller took an astounding grip on popular fancy throughout America.

An excellent mixture of comedy, melody and beauty, "Melody in Spring," comes to the Hollywood Theatre on Bargain Nights next week Wednesday and Thursday, and presents that reliable team of Charlie Ruggles and Mary Boland, a new romantic singing personality. The story involves Ruggles, a wealthy dog-biscuit manufacturer, who sponsors the nation's biggest radio hour, Miss Boland, his wife; Miss Sothern, his daughter; and Ross, a hopeful tenor, anxious to get on the radio program. Action moves at a swift pace throughout. "Ending with a Kiss," "Melody in Spring," and "The Open Road," the hit songs of the picture were written by Lewis Gensler and Keene Thompson.

mound for the Arrows, with Danny Topash, Hittle's 17-year-old Indian star, held in reserve. Danny's brother, August, will be in his usual position back of the plate.

Les Sebasty's fast-stepping Buchanan Co-ops, known as the Portage Prairie Greyhounds in other years, will meet the Malleable Rangers, strong South Bend colored club, in a second engagement within a week Sunday afternoon at the Letcher diamond, four miles south of Buchanan. The Co-ops defeated the Rangers last Sunday by a 6-4 score. Sebasty will be on the pitching mound for the Co-ops, with Miller doing the receiving.

Hollywood Noses Out Victory Over Clark Nine 5-4

One of the most thrilling games played this season in the Buchanan softball league was staged last Thursday night at Athletic park, and the league-leading Hollywood Theatre team emerged victorious, 5 to 4, in a hard-fought game in which the second place Clark Equipment team offered stubborn resistance all the way, only to see its chance to tie the Hollywood team for league leadership fail, due to the invincible pitching of "Big Bud" Proud, who allowed the factory workers but four hits.

After the Theatre tossers had nicked the delivery of Freeling, Clark's starting pitcher, for a run in each of the first and second frames, they continued an assault on Jesse, who took up the pitching duties for the Clarks in the third and fourth, and in the third collected four hits to drive Chubb, E. Boyce and Savoldi across the plate to put the game on ice. That ended the scoring for both sides, as Clarks had scored two in each of the first and third and the score stood 5 to 4 at the end of the third and remained at that status thru the remaining innings.

Freeling came back on the mound in the fifth, blanked the Hollywood batters in that round and nipped a rally in the sixth, when with two down and Bachman on third and Harkrider on first, forced Mike Boyce to roll out to Ellis at third.

It appeared that the error by Wynn, playing short field for the Hollywoods, would furnish the impetus for a Clark rally in the seventh, but the bats of the Clarks were too inconsistent and the pitching of Proud too airtight. Freeling opened the inning by rolling out to Proud. Covert got life on Wynn's error and Imhoff made the second out by flying out to Harkrider. Then Wynn redeemed himself for his error by taking Liska's roller and forcing out Covert at second.

The Clark team's four hits were of the powerful variety. In the third, Jesse drove a home run to deep left with the bases unoccupied. Rotzien followed with a triple to center and scored later when Mike Boyce muffed P. Rotzien's roller. Liska doubled to center with two down in the fourth, but was thrown out at third trying to stretch the hit. B. Rotzien drove a hard single through second in the first scoring Jesse, and himself scored on Savoldi's error after Conrad's miff on P. Rotzien's fly ball sent him to third.

The loss Thursday night sent the Clark's into a two-way tie for second place with the Farm Bureau Cowboys.

The score by innings:

Hollywood	113	000	x—5
Clarks	202	000	0—4

John Warman of Watervliet Runs for Representative

John Warman, resident of Watervliet and a representative of that section on the board of supervisors for the past eight years, announces his candidacy this week for the Republican nomination as representative from the second district of Berrien county, contesting for the legislative office now held by Rep. Harvey Jarvis.

Mr. Warman has built up a reputation on the board of supervisors as a competent authority on matters of taxation and finance which he has had special opportunities for study. He served seven years in Chicago as a business accountant and statistician. In addition to being a member of the board of supervisors he is now secretary of the Watervliet creamery and also a farmer.

He has served as chairman of the Berrien County tax board since its organization, and for the past nine years has been a member of the Watervliet school board, serving the past seven years as its secretary. In serving in these

various offices he has made a thorough study of all departments of county, city, township and school affairs. He has instigated or taken part in all major tax matters in county affairs in the past few years.

He was born at Coloma, Mich., and has been a lifelong resident of Berrien county, with the exception of the seven years referred to above.

Clare E. Hoffman Stresses Tax Reduction

Petitions bearing sufficient signatures to officially place the

name of Clare E. Hoffman on the Republican ticket for the coming primaries have been filed at Lansing and it is expected that an active campaign by the Allegan candidate for nomination to congress in the 4th district will get under way at once.

Mr. Hoffman has not announced a platform and has made no promises but he has stressed the importance of general tax reduction; the need of fewer agricultural regulations that are proving costly to the farmer and fruit producer; the necessity of fewer promises and more action and the right of the people to safe, sane government.

HITTLE'S ARROWS WIN CITY TITLE IN JULY 4 GAME

Feathers Fans Twelve Batters But Lacks Support; Pitching of Jesse and Fine Fielding by Arrows Feature Game.

Johnny Hittle's yearlings, his 19 year old, hard hitting ball toser, the Buchanan Arrows, are now sitting atop the local baseball world by virtue of their 8 to 4 victory over the veteran Community League team, Bob Reamer's Buchanan Blues, in a game involving the city championship of Buchanan at Athletic Park Independence day afternoon.

Although the Arrows led all the way after they scored two runs in the second for three Blue errors and a pair of well placed hits, a single by Mangold and a double by Ellis, it was a good game throughout.

It was a pretty pitchers' battle between Jesse for the Arrows, who allowed but seven hits and struck out six, and Feathers of the Blues, who whiffed 12 Arrow batters in his eight innings of mound duty and allowed nine hits. "Lefty" Deranek, who pitched the last inning for the Blues after O'Brien had been injected into the game as a pinch hitter for Feathers in the eighth, set the Arrows down in order in the ninth, Deeds fouling out to Catcher Richter, Stelter flying out to Wolford at deep short-field, and Danny Taposh going down on strikes.

The result might have been different had Feathers been given better support by the Blues team. His team mates made seven bad errors behind him and these occurred at crucial times and coupled with well-timed Arrow hits led for the most part, to Arrow scores.

Although the Arrow fielders made five misplays, scintillating plays afield cut down Blue runs and aided most materially in weathering Pitcher Jesse over the rough spots. "Shorty" Schneider, Arrow fleet centerfielder, made two circus catches in deep center that were by far the best seen on the local grounds in several years. With Heiermann on third and Newman on second in the sixth and with none down, Schneider ran back into the tall grass of deep center and speared Thorson's hard drive. Newman scored a few moments late when Ellis booted Schmidt's roller but Feathers went out, Deeds to Stelter, and Eichorn flew out to Schneider to end the inning with the Blues with two runs in and holding the short end

of a 5 to 4 count. Schneider made his second sensational catch in the eighth when he ran into deep center and speared Newman's long drive with one hand, a hit that had home run possibilities.

Buchanan scored three unnecessary runs in the waning innings. In the seventh, Deeds, who had doubled, and Stelter, who had singled, both scored, the latter driving the Arrow short stop home and Stelter himself subsequently scoring on Scott's single through second. In the eighth, Jesse doubled to open the inning and after two had been retired, he proceeded to steal third. Catcher Richter, in an attempt to catch the Arrow pitcher going into third, threw the ball into left field and Jesse scored.

Jesse had his fast ball working nicely and held hitless the Blues' wrecking crew, Eichorn, Poplar, Pfingst and Heiermann. Wolford was the only player on either team to get more than one hit. He got two out of four, a single in the fourth and a triple in the seventh.

The Blues had a victory drive started in the ninth when they filled the bases with one out on a single, hit batsman and a walk. A home run would have tied the count; a long single or double would have brought in three runs. But, Tucker, batting for Heiermann, hit a hard grounder down to Mangold, who touched the key stone sack to force Wolford and threw to Stelter to catch Tucker as first which completed a double play to end the game.

Hollywood, D's Cafe to Replay Contested Game

This week the Buchanan softball league steps out on the second half of its fourteen-weeks playing season with the Hollywood Theatre, last year's champion, ahead of the pack with six games won and no loss for a perfect percentage of 1.000.

The game played last Thursday night between the Hollywoods and D's Cafe, which the former won, 9 to 5, after George Wynn hit a home run with the bases full in the first overtime inning, and which D's had protested claiming that Batchelor had scored the winning run in the seventh when he scored from first on two subsequent errors by First Baseman Howard of the Theatre team, was ordered replayed at the league meeting held in the Chevrolet building Friday night. Umpire Hawkes had ordered Batchelor back to third base claiming that he was entitled to but two bases for the two overthrows. Hatten-

CO-OPS DEFEAT SOUTH BERRIEN LEADERS 10-4

Portage Prairie Nine in Position to Claim Title of South Berrien on Play to Date.

The Buchanan Co-Ops stepped into a position to claim the south Berrien title when they celebrated July 4 by taking the Glendora leaders of the Community League into camp by a score of 10-4, easily the worst set back which that strong nine has had during the season. By timely hits the erstwhile Portage Prairie Pups gleaned ten runs, although the hits allowed by the opposing hurlers were the same.

The score sheet read:

Musical Sounds in Cavern

The only cavern in the world in which the wind produces musical sounds is believed to be Fingal's cave on Staffa island, one of the Hebrides. During a visit there Mendelssohn was inspired to write his overture, "The Hebrides."

Gasoline Taxes Are Increasing

Michigan's revenue from gasoline taxes this year is expected to be approximately \$1,600,000 greater than in 1933.

This estimate is obtained from Department of State statistics which show that \$7,804,095 was collected in gasoline taxes during the first five months this year as compared with \$6,919,759 during the same period last year.

The records also indicate that the increase is due to the fact that the weight tax reduction placed more automobiles on the highway. The gasoline tax for January 1934 was below that of January 1933, while each succeeding month has shown an increase over the corresponding month a year ago.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in
the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salt, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You have a thick, bad taste and your breath is foul. You often break out in blotches. Your head aches and you feel down and out. Your whole system is poisoned.

It takes these good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They are a wonderful, harmless, gentle vegetable extract, amazing when it comes to making the bile flow freely. But don't take liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Request a substitute 35-cent drug stores. ©1931 C.M.P.O.

Sunday service at 11 a. m. Subject, "God."

Wednesday evening meeting at 7:45.

Reading room, located in the church at Dewey Avenue and Oak Street, is open every Wednesday afternoon from 2 till 4 o'clock.

Christian Science Churches
"God" will be the subject of the Lesson-Sermon in all Christian Science Churches throughout the world on Sunday, July 15.

Among the Bible citations is this passage, John 7:16, 17: "Jesus answered them, and said, My doctrine is not mine, but his that sent me. If any man will do his will, he shall know of the doctrine, whether it be of God, or whether I speak of myself."

Correlative passages to be read from the Christian Science text book, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following N. 192: "In Science, you can have no power opposed to God, and the physical senses must give up their false testimony. Your influence for good depends upon the weight you throw into the right scale. The good you do and embody gives

you the only power obtainable. Evil is not power."

Seventh Day Adventist
Sabbath School (Saturday) at 10 a. m. Lesson study: The Exodus foretold. Memory verse: "There failed not aught of any good thing which the Lord had spoken unto the house of Israel: all came to pass." Joshua 21:45.

Note: "Shortly before his death, Abraham was given a vision of the future of his posterity, and the time when deliverance would come to them. The Lord went even further (Gen. 22:16-18), and revealed the blessing that would come to all the world through Abraham's seed, Christ.

The prophecies which the great I Am has given in His word, uniting link after link in the chain of events, from eternity in the past to eternity in the future, tell us where we are today in the procession of the ages, and what may be expected in the time to come. All that prophecy has foretold as coming to pass, until the present time, has been traced on the pages of history, and we may be assured that all which is yet to come will be fulfilled in its order."

Preaching service 11:15.

Nomination Coroner

Skulls for Knives
Natives of the Interior of New Guinea like to hunt heads and will trade a highly polished human skull for a pocket knife or mirror, say members of the Crane expedition to the South seas.

Ancient Fossils Found
Fossils of creodonts have been found far inland along the banks of a branch of the Potomac river. Fossils of wolves known to inhabit cold regions in the Pleistocene age, more than 90,000 years ago, also were found.

White-Necked Ravens
Tree yuccas largely house the white-necked ravens, so-called because the hidden bases of their black neck feathers are white. Characteristic birds of the desert, they build, says Nature Magazine, between the guarding bayonets of the tree yuccas in the grim Jornada del Muerto and lesser desert tracts. In the fall migration thousands of them move slowly southward and during the winter may gather in towns on their way, where they do good service as scavengers.

Anthocyanin Colors Leaves
The brilliant red color of maple and sumac leaves in autumn is due to the presence of the pigment anthocyanin. This pigment is formed when certain food substances in the leaves are subjected to several days of strong sunlight. Therefore the coloring is more brilliant in those years when sudden cold temperatures at night, which arrest the removal of the food substances, are followed by a succession of bright sunny days.

Bankruptcy
The laws of bankruptcy are far less severe on debtors than they used to be. At one time in Scotland bankrupts were compelled to wear a distinctive costume, and in England, until 1861, they were treated almost as criminals. So degraded was bankruptcy in general esteem that newspapers and magazines with pretensions to refinement hesitated to print the word in full and when they had to use it, say in publishing a list of unfortunates compelled to file a petition, they did so under the heading, "B-k-r-p-t-s."

MORE LIVE POWER

per gallon

IT'S yours for the price of "regular" gasoline—this richer, livelier, thriftier Standard Red Crown Superfuel. That simply means it's the greatest money's-worth you can buy from a gasoline pump today. —> Actually, more live power per gallon means more live power per dollar. It means that for every penny you pay for Standard Red Crown Superfuel you get a greater supply of usable energy—power that you can turn into longer mileage, smoother climbing power, higher top speed, or any other super-performance you want. —> That's not just a claim. Tests of many gasolines have established the fact. But prove it to your own satisfaction. —> Fill your tank at any Standard Red Crown pump. Then, as you drive your car, watch its performance—watch the mileage—compare it on economy and out-and-out value with the results you've gotten from any other gasoline. That, we believe, will convince you that Standard Red Crown Superfuel does give you more for your money.

Clardy Stays Fired
Kit F. Clardy, deposed chairman of the Michigan Public Utilities Commission, lost his fight for reinstatement before the State Supreme Court last week when that tribunal decided that Gov. William A. Cooch was wholly within his rights when he ousted him, and furthermore that it was his duty to do so in face of the charges placed against him.

The Supreme Court findings, concurring in by all of the eight justices, said, "The removal was not only within the governor's power, but it was also the duty of the Chief Executive to remove under the charges."

Clardy based his appeal on a technicality in that he was not given a statutory ten day notice of hearing prior to his removal. The court held that the present utilities statute did not contain the ten-day clause of the old State Railway Commission, the forerunner of the present commission.

Public Drinking on Wane
Drinking in public places is on the wane and the people of Michigan are going in for home consumption, is the contention of the State Liquor Control Commission. The conclusion was made by Frank A. Picard, chairman of the Commission, after a statistical analysis of the license situation in the state.

The statistics show that there were 3,646 specially designated merchants selling 3.2 beer and wine for home consumption last year. The number selling for home consumption as of July 1, 1934, was 6,563.

Other statistical trends cited show 6,688 restaurants with licenses under the old 3.2 act and 4,697 operating today, with whiskey

Robert French, Dorothy Smith Wedded Sunday at Sparta, Mich.
Robert W. French, son of Mrs. Lura French of this city and well known here, was united in marriage with Miss Dorothy Smith of Sparta, Mich. Sunday.

The ceremony took place at the home of the bride's parents, Mr. and Mrs. Erastus Smith, Sparta, at high noon, the marriage ritual being read by Rev. O. F. Bulman, Methodist minister at Sparta. The principals were accompanied by Richard Zerbe of Buchanan and by the bride's sister, Miss Marian Smith. The ceremony was performed in front of the fire place, which was banked with ferns, delphinium and hollyhocks.

The bride was attired in a dress of white mousseline de soi, made with a high Elizabethan neckband, and carried a bouquet of white roses and sweet peas with matching ribbons. The bridesmaid wore a pink dress and carried a bouquet of larkspur and sweet peas, tied with pink ribbon.

Following the ceremony, a wedding dinner was served at the home of the bride's aunt, Mrs. Fred Smith, and the young couple left that afternoon for a honeymoon trip among the resorts of northern Michigan.

Mr. French was reared and educated in this city, and was graduated from Buchanan high school with the class of 1928. He is a graduate of the University of Michigan and is now working for the degree of Doctor of Philosophy in Economics. He plans to spend the coming year in Washington, D. C., pursuing his studies, having received a scholarship in Brookings Institute there. The bride was graduated this year from the School of Music of the University of Michigan.

Among the guests attending the ceremony were Mrs. Lura French, Miss Ruth French and Richard Zerbe of Buchanan, and Mrs. H. L. Keller of Nashville, Mich.

Henrietta Beach Funeral Tuesday at Berrien Springs
A number of Buchanan people attended the funeral of Mrs. Henrietta Beach, 71, at Berrien Springs, Tuesday afternoon. Mrs. Beach was the sister of Mrs. M. L. Mills of this place, and lived for several years on a farm in Oronoko township. She was in Buchanan frequently while her daughters attended high school here, all three graduating from the local school.

Mrs. Beach was born Aug. 23, 1862 at Midland, Mich., her name before marriage being Henrietta Mills. Her husband was Rev. Henry C. Beach, a minister in the Methodist church, who died ten years ago. Mrs. Beach moved eight years ago to Jackson.

She is survived by three daughters: Alice, a teacher in Jackson school; Agnes, an employee in an insurance office in Jackson; Lucy, who has served two seven-year terms as a missionary in India and who expects to return for her third term in September.

A stepson, Floyd, whom she reared, took to distinction as a railway engineer, having been one of the chief engineers in the construction of the Canadian Pacific railway and also serving in the Canadian expeditionary force in the World War as a builder of railways for the allies. He was discharged at the end of the war with the rank of major, and has since been engaged as a government surveyor, with headquarters at Edmonton, Alberta. Her son, Joseph, served in ambulance and hospital work with the American expedition to Archangel.

Mrs. Beach was the daughter of Harvey and Lavina Mills, pioneers of Midland county. The family numbered among its remote relatives Ogden Mills, secretary of the treasury under President Hoover, and also David Mills, a former prime minister of Canada. Members of the family trace their descent from Alfred the Great of England.

She was the wife of two Methodist ministers, having first married Rev. John Chapman in 1880. He died in 1885 and in 1889 she again married Rev. Henry Beach. The latter served the pastorates of Pipestone, Fremont, Hesperia, Pentwater, Luther, Ewart, Shelby, Mancelona, Kalkaska, Lake City and Vandalia.

Bonds were filed and letters of administration were entered in the Edwin Lessing and Edna Rouse matters and letters testamentary were entered in the Alice Painter Smith and Anna A. Rhodes matters.

Inventories were filed for the following: Edna Loshbough and Anthony Mikalocz, deceased. Accounts were filed in the Dorothy Mae Horney, Ruth Erma Wells, Estella Lynch Noey and Robert L. and Betty J. Newsom, minor estate, and the William H. Witt, deceased estate.

Final accounts were filed in the following deceased estates: Sidney M. VanNatter and Thomas Knapp. Petition for license to sell real estate was filed in the Sarah Spade Dillfield, deceased, estate.

Order allowing claims was entered in the Mary Archer deceased matter. Judge Hatfield closed the following estates: Sidney M. VanNatter, Rachel Rimer, William M. Hansen Sr., Frances Ballance and Frances M. Bowne, deceased, Mary E. Daly, Richard M. and Donald B. Elder and Robert Stonecliffe, minors.

Chain Store Law in Supreme Court
The State Supreme Court is now considering the legality of the chain store tax law. In event the law is held to be valid, 23 of the larger chain store organizations will be required to pay the Department of State \$1,298,000 as 1933 and 1934 taxes.

Soon after the law became effective, suit to prevent the collection of the tax was started in Wayne county circuit court and has been appealed to the higher court. Pending decision the companies involved have been compelled to deposit bonds and securities to guarantee payment of the tax in event the law is upheld.

Robert French, Dorothy Smith Wedded Sunday at Sparta, Mich.
Robert W. French, son of Mrs. Lura French of this city and well known here, was united in marriage with Miss Dorothy Smith of Sparta, Mich. Sunday.

The ceremony took place at the home of the bride's parents, Mr. and Mrs. Erastus Smith, Sparta, at high noon, the marriage ritual being read by Rev. O. F. Bulman, Methodist minister at Sparta. The principals were accompanied by Richard Zerbe of Buchanan and by the bride's sister, Miss Marian Smith. The ceremony was performed in front of the fire place, which was banked with ferns, delphinium and hollyhocks.

The bride was attired in a dress of white mousseline de soi, made with a high Elizabethan neckband, and carried a bouquet of white roses and sweet peas with matching ribbons. The bridesmaid wore a pink dress and carried a bouquet of larkspur and sweet peas, tied with pink ribbon.

Following the ceremony, a wedding dinner was served at the home of the bride's aunt, Mrs. Fred Smith, and the young couple left that afternoon for a honeymoon trip among the resorts of northern Michigan.

Mr. French was reared and educated in this city, and was graduated from Buchanan high school with the class of 1928. He is a graduate of the University of Michigan and is now working for the degree of Doctor of Philosophy in Economics. He plans to spend the coming year in Washington, D. C., pursuing his studies, having received a scholarship in Brookings Institute there. The bride was graduated this year from the School of Music of the University of Michigan.

Among the guests attending the ceremony were Mrs. Lura French, Miss Ruth French and Richard Zerbe of Buchanan, and Mrs. H. L. Keller of Nashville, Mich.

Henrietta Beach Funeral Tuesday at Berrien Springs
A number of Buchanan people attended the funeral of Mrs. Henrietta Beach, 71, at Berrien Springs, Tuesday afternoon. Mrs. Beach was the sister of Mrs. M. L. Mills of this place, and lived for several years on a farm in Oronoko township. She was in Buchanan frequently while her daughters attended high school here, all three graduating from the local school.

Mrs. Beach was born Aug. 23, 1862 at Midland, Mich., her name before marriage being Henrietta Mills. Her husband was Rev. Henry C. Beach, a minister in the Methodist church, who died ten years ago. Mrs. Beach moved eight years ago to Jackson.

She is survived by three daughters: Alice, a teacher in Jackson school; Agnes, an employee in an insurance office in Jackson; Lucy, who has served two seven-year terms as a missionary in India and who expects to return for her third term in September.

A stepson, Floyd, whom she reared, took to distinction as a railway engineer, having been one of the chief engineers in the construction of the Canadian Pacific railway and also serving in the Canadian expeditionary force in the World War as a builder of railways for the allies. He was discharged at the end of the war with the rank of major, and has since been engaged as a government surveyor, with headquarters at Edmonton, Alberta. Her son, Joseph, served in ambulance and hospital work with the American expedition to Archangel.

Mrs. Beach was the daughter of Harvey and Lavina Mills, pioneers of Midland county. The family numbered among its remote relatives Ogden Mills, secretary of the treasury under President Hoover, and also David Mills, a former prime minister of Canada. Members of the family trace their descent from Alfred the Great of England.

She was the wife of two Methodist ministers, having first married Rev. John Chapman in 1880. He died in 1885 and in 1889 she again married Rev. Henry Beach. The latter served the pastorates of Pipestone, Fremont, Hesperia, Pentwater, Luther, Ewart, Shelby, Mancelona, Kalkaska, Lake City and Vandalia.

Bonds were filed and letters of administration were entered in the Edwin Lessing and Edna Rouse matters and letters testamentary were entered in the Alice Painter Smith and Anna A. Rhodes matters.

Inventories were filed for the following: Edna Loshbough and Anthony Mikalocz, deceased. Accounts were filed in the Dorothy Mae Horney, Ruth Erma Wells, Estella Lynch Noey and Robert L. and Betty J. Newsom, minor estate, and the William H. Witt, deceased estate.

Final accounts were filed in the following deceased estates: Sidney M. VanNatter and Thomas Knapp. Petition for license to sell real estate was filed in the Sarah Spade Dillfield, deceased, estate.

Order allowing claims was entered in the Mary Archer deceased matter. Judge Hatfield closed the following estates: Sidney M. VanNatter, Rachel Rimer, William M. Hansen Sr., Frances Ballance and Frances M. Bowne, deceased, Mary E. Daly, Richard M. and Donald B. Elder and Robert Stonecliffe, minors.

Schrumpf Explains Plan to Remove Profit From War
Carl Schrumpf, Niles, Fourth District Committeeman for the American Legion, spoke at the meeting of the Lions club at the Portz Food shop last night on the subject, "Universal Draft and Soldier Compensation."

Schrumpf presented a clear explanation of the actual nature of the legislation which was passed over the president's veto last

spring, clearing up some misconceptions by proving that the legislation did not as a matter of affect provide bonuses for the rank and file of the soldiers.

He explained the plan which the American Legion has drawn up and will push at the coming session of Congress for a universal draft of men and industry in the event of war which will remove all profit from industry and prevent conscription inequalities.
