

Torrid Dry Weather and Second Crop Chinch Bugs Renew Crop Threat Here

Now Here's the Proposition

Well, friends and neighbors, anybody who expects to find any jokes in this paper this week—well the joke's on them. There's only one thing to think about this week and that is the weather and that's no joke. Added to the fact that we're gasping like a fish and all broke out with a heat rash, we went to the world's fair Sunday and got a peach of a blister on the south-west corner of our left foot.

Several of the boys thought of the idea of—amassing all this heat that is going to waste to useful ends and beat the Ind. & Mich. out of a little domestic current by frying eggs on a car in front of Brodick's, but the egg just rolled off the car hood on the pavement. One egg charged up to scientific research.

We was in north Chicago Sunday night to see our pal, John Dillinger and believe it or not! we were just three blocks away five minutes before it happened, and if we had used our usual judgment and caught a car going the wrong direction we would have been right there when it happened. We just missed that far being right in the middle of a big news story, but the point of this story is that we missed it as usual, of course.

Ike Wells says our writeup about the letter telling him to beware of nine dark men bearing clubs was too serious by one of the officers of the law who called on him and asked him about it. Well, that's about what we would expect. That is the second time in the last year that the law has called on Wells. The first time they told him that he would either have to shoot the greyhounds or take out nine dog licenses. So he had their name changed to Buchanan Co-Ops.

One of the back-end forces just suggested that if we was short on something to write about we could tell the public that the government had a lot of junk on their hands in the shape of armored cars, now that Dillinger is dead. All we can say is the government better turn them over to printers who spring jokes as bum as that. They are likely to need them.

Signing off till the weather is cooler.

BI HAWES

Niles-Buchanan Road Open Aug. 1

The Niles-Buchanan road will be opened for traffic of all description by August 1, engineer Heath Calvin states. Completion has been completed on all but about 70 feet at the west end of the project, for which stone has been delayed, but it will be installed Wednesday, Aug. 1, or possibly before that date.

Howard Fuller is Adjudicated Bankrupt

Howard W. Fuller of Buchanan, was adjudicated a bankrupt in the United States district court at Grand Rapids, July 23. His attorney was Charles H. Kavanagh, Niles.

FERA To Paint City Headquarters

A force of painters employed by the county FERA will begin work redecorating the city hall and commission chamber Monday, under the direction of City Clerk Harry Post.

All Stars Will Meet Niles League Leader at New Diamond Mon.

The new baseball field just laid out at Liberty Heights will be officially dedicated next Monday night when Buchanan All Stars, a team recruited from the eight clubs in the Buchanan softball league, will meet the Elks team, leader in the American League division of the Niles softball league. The game will start at 8:30 p. m. The All Stars organized but three weeks ago, has won 3 of its 4 games.

The team will play the Ries Furniture team of South Bend tonight and the Levy-Ward, also of South Bend, next Wednesday night. Both games will be played at Leeper Park, South Bend.

Dancing at Shadowland, St. Joseph, every Wednesday, Saturday and Sunday evening.

You can buy a dozen bars of good toilet soap for 37c at the Coffee Ranch.

30110

HIGH MERCURY READING HERE IS 106 DEGREES

Chinch Bugs Encouraged by Drouth, Heat Renew Ravages, Develop Wings and Fly Over Tar Barriers.

Considerable damage is already reported to late crops of the Buchanan district as the result of the extreme heat of the past two weeks, without relief of rain, and also from a renewal of chinch bug menace, those pests being again encouraged by weather conditions. The chinch bugs are diverting their attention chiefly to the corn now, and cannot be combatted by the tar barriers, since they now have developed wings and are able to fly across. Nothing will now afford any relief but hard or continued rains. Hay crops and late potatoes have been damaged by the heat and drouth.

While there is no official thermometer at Buchanan it is believed that all-time heat records have been approached here this week. Readings from thermometers located in the shade have varied from 105 up. The highest reading on the thermometer on the north side of the Hotel Rex was 106, on Tuesday afternoon. It is believed that this was about the temperature at the high point here.

Although the condition of a number of people already ill has been made worse by the heat, no serious collapse or fatalities from heat have been reported locally. A horse was overcome by heat and died at the Reynolds farm north of Buchanan yesterday after working only a short time in a shaded location.

Bible Conference Held at Winona Lake Aug. 12-26

The dates for the Winona Lake Bible Conference, usually considered to be the greatest Bible Conference in the world, are August 12 to 26, inclusive. Among the speakers for this year are such men as Robert E. Speer, Bishop Lester Smith, William L. Stidger, Robert G. Lee, J. C. Massee, H. A. Ironside, Harry Rimmer, Herbert W. Bieber, Henry Hepburn, Ralph H. Miller, James M. Gray and many others.

The conference this year for the first time covers three Sabbaths and the program for these three days is especially strong. Besides other speakers throughout the day, there is one great afternoon meeting in the Billy Sunday tabernacle seating some 7,000 people.

Raymond Robins will be the speaker for the first Sabbath afternoon and his subject will be "Is Christianity Essential to Democratic Civilization?" Mr. Robins is an orator, a student of social problems and national conditions. He has a most interesting personality and comes to Winona out of an unusual experience, having been recently returned from Russia.

On this same day, Robert G. Lee and Harry Rimmer will be speaking. Clinton N. Howard will speak on Sunday afternoon, August 19. This man of little stature but big brain is one of the most interesting speakers on the American platform. William Jennings Bryan called him "America's Greatest Orator." He will speak only once and on this day. His subject will be "Prohibition Lost, What Next?" This is still a vital and intensely interesting problem and no one is better able to discuss it than Clinton Howard.

On this same day William L. Stidger and Harry Rimmer will be speaking. Rear Admiral Richard Pearson Hobson will be the speaker for the last Sabbath afternoon. The hero of the Merrimack is one of the most interesting features in international life, being at the head of the World Anti-Narcotic Association. He is an orator of no mean ability. He has just been raised from the ranks of Captain to that of Rear Admiral and many thousands will want to hear him.

On this same day Robert Speer and Clovis G. Chappell will be speaking.

Demos to Convene at Berrien Springs

Glenn Haslett, Democrat chairman, reports that a county Democratic convention will be held at the Berrien Springs high school auditorium on the evening of Sept. 20, to elect delegates to a state convention which will nominate a slate of state officials other than governor and secretary of state.

Funeral Rites for Lawrence Herman Held in Galien

Lawrence Eugene Herman, 3, died at Pawtucket hospital, June 21, at 12:20 p. m., cause of death being a ruptured appendix.

He was born Aug. 2, 1931, at Niles, the son of Mr. Wilson and Gertrude Henspeter Herman. He is survived by his parents, by two sisters, Clara Leona and Mariam June, both at home. The funeral was held Monday afternoon with a prayer service at 1:30 p. m. at the Swem funeral home and funeral services at 2:30 p. m., at the Lutheran church at Galien, Rev. Louis Kling preaching, and interment was made in Galien cemetery.

Eagle Scouts to Take 1200 Mile Trip Around Lake

The Eagle Scouts of the Berrien Cass Council have selected a trip around Lake Michigan as their special trip this year. Starting August 19th the boys will start north stopping at the state fish hatcheries, Boy Scout camps and state parks during the first two days. They will then visit Port Mackinac, cross the straits and visit the locks at Sault Ste. Marie.

From there they will go to Bell Lake which is located about 80 miles northwest of Newberry. They will camp here for two days spending their time fishing, swimming and "exploring." There are many deer in this section and the land is very primitive. From here they will go to Kitchitipi Springs and then start down the east coast of Wisconsin. Stops will be made at many points of interest and they are scheduled to reach Milwaukee on the sixth day out. The World's Fair will be the next stop and they will spend two days in Chicago visiting the sights. The trip will last ten days.

For the past six years the Eagle Scouts have taken educational trips and they have proved very popular. Trips have been made to New York City, Washington, the Caverns of Luray in Virginia, Niagara Falls, Mackinac Island, Blue Ridge Mountains. Plans are now underway for a trip to the Canadian Rockies and it is hoped that with conditions improving that this can be realized in the very near future.

These trips are made in private cars, and the boys camp out most of the time, two meals are cooked by the boys each day and the third one is purchased. Pup tents are used except in rainy weather when the boys stay in hotels.

The trip will be very interesting this year because of the fact that considerable time will be spent in the north woods, many of the boys have never experienced a trip of this kind.

Six Amendments State Constitution Voted on in Nov.

Although nearly a score of proposed changes to the state constitution were discussed in the last few months, only six of the proposals have been qualified for places on the ballot at the November election. Five of the questions will be submitted to the voters after initiative petitions bearing sufficient signatures were filed with the Department of State. The sixth question was ordered on the ballot by the legislature. The order in which the proposals will appear on the ballot and brief summaries follow:

1. This provides that all judges be elected on non-partisan ballots.

2. This proposal would reduce the gasoline tax from three to two cents a gallon.

3. At the present time the automobile weight tax is 35c per hundredweight. This proposed amendment would prohibit the legislature from increasing the weight tax above the present figure.

4. Reorganization of county systems of government along plans adopted by the legislature or submitted by initiative petition, is provided for in the fourth proposal.

The amendment would permit abolishing any present constitutional office upon approval of a majority of the voters in a county.

5. This proposed amendment would eliminate the "uniform taxation" provisions from the state constitution and would allow the legislature to enact an income tax.

6. This proposal would give justices of the peace jurisdiction in civil cases up to \$300 in cities of more than 250,000 inhabitants.

Clyde Batten, Henry Noll and Clem Coyle and Mrs. Louise Cable, Mishawaka, were visitors Sunday at the home of the former's sister, Mrs. Hazel Widing.

26 LOCAL SCOUTS ATTEND SESSION CAMP MADRON

Earl Stevens Wins Swimming Meet Tuesday Night; Court of Honor Friday Evening.

The Lake Madron Scout camp, summer headquarters for Scouts of the Berrien-Cass area, will be a mecca for scores of Buchananites Friday evening when visitors night will be held, with a Court of Honor at which a number of Buchanan boys will receive certificates of advancement.

In all fourteen boys from Troop 41 and twelve boys from Troop 80 are in the camp this week. The total attendance from all parts of the area being 80.

At the water carnival held Tuesday evening, Earl Stevens of Buchanan won first place with 26 points. Don Martin of Niles was second with 10 points and Howard McClellan of Buchanan was third with 8 points.

Stunt Night was held last evening, at which time all of the tents contributed stunts. This evening a boating meeting will be held and Saturday night there will be a swimming contest.

Buchanan boys registered at the camp this week are: Bill Strayer, Howard McClellan, Hubert McClellan, Earl Stevens, Gerald White, Ben Harvel, Bob Habicht, Dale Lyon, George Semple, Lawrence Zupke, Eugene Kelley, Harvey Hinman, Jerry Bowman, Louis Pascoe, Ivan Price, Edward Trotter, Frank Trotter, Tom Fitch, Leslie Brewster, Keith Dalrymple, John Dale, Melvin Campbell, Sidney Deming, Bill Gregory, Donald Beck.

Program Summer Recreation to Begin This Week

A program of summer recreation will begin today at Kathryn Park and at Athletic Park under the direction of George Wynn, who was selected by county FERA officials as the local head. It is expected that the program will last until school begins, or about six weeks.

Director Wynn states that he will suit the work to some extent to the desires of his young proteges. The directed recreation will be carried on at Kathryn Park from 9 a. m. until 11:30 a. m. and at Athletic Park from 1:30 p. m. until 4 p. m. on Mondays, Tuesdays, Wednesdays, Thursdays and Fridays. Wynn stated that softballs, basketballs and water balls will be available. Anyone who has a croquet set or other summer recreational equipment to loan for the summer will be helping out. Wynn will be the only FERA employee in charge.

Delinquent Water Tax Must Be Paid By End of Week

The thirty days allowed by the city for the payment of city water taxes after notice was served will expire this week, Harry Post states, after which there will be no alternative for the city but to shut off the water. Consideration is being given those who come to the city hall and make arrangements for payment at the earliest possible date.

New Grocery, and Wholesale Store Opened

The Buchanan business community had a new addition this week with the opening of the "Coffee Ranch" in the old Record office quarters in the Rough building. The proprietors, D. DiGiaco and Fred Carbon, announce that they will roast coffee and peanuts for the retail and wholesale trade, and that they have also installed a line of fine groceries.

Pickle Factories Are Opening Today

The pickle factories at Galien and Glendora and the receiving station at Buchanan will be open to receive the first of the 1934 harvest today.

NOTICE

The employees picnic of the Clark Equipment company, Buchanan and Berrien Springs plants combined, will be held Saturday, Aug. 11, 1934, at Indian Fields, Berrien Springs, Mich.

The program will start at 10 a. m. sharp. For those who do not have cars transportation will be provided. The last car will leave the Clark Theatre at 9:30 a. m.

Each family must furnish its own basket of food. Please note the time of leaving for Berrien Springs, as we do not want to leave anyone interested.

Also watch for further notices.

Redbud Trail Completed Next Week; To Be Thru Traffic Highway to US-31

Infant Daughter of Elvin Best was Buried Yesterday

Patricia Ann Best, age 13 days, died Tuesday at the home of her grandparents, Mr. and Mrs. John Slocum, Victory street. She was a daughter of Mr. and Mrs. Elvin and Virginia Slocum Best, who survive. She is also survived by a sister, Beatrice Edna. Services were held yesterday at 2 p. m. at the Swem Funeral Home, with burial in Oak Ridge cemetery. Paul Carpenter of the Church of Christ officiated.

TO SELECT ENTRY PAW PAW LAKE BEAUTY CONTEST

Miss Buchanan to be Picked at the Hollywood Theatre Next Monday Night.

"Miss Buchanan" and a runner-up to accompany her to the big Woodward's Pavilion Beauty Pageant at Paw Paw Lake Sunday afternoon and evening, August 12th, will be selected from the stage of the Hollywood Theatre as an extra attraction in addition to the regular screen show next Monday evening at 9:15 p. m.

The Southwestern Michigan Beauty event, which is being staged by Mr. E. C. Blessinger, who is also conducting the local selection at the Hollywood Monday, already has practically every principal city and key town in Southwestern Michigan represented, and the addition of Miss Buchanan to the list will give this section of Berrien county, a worthy contestant for the final eliminations at Paw Paw Lake. The winner of the contest August 12th is to receive a free trip with all expenses paid to Atlantic City. Runners up at Paw Paw Lake will also be awarded valuable prizes.

The Pageant at Paw Paw Lake will be conducted along lines similar to the big Atlantic City pageant, which is a topic of unusual interest all along the Atlantic seaboard for many weeks prior to the event. So girls, here's your chance. Who will be "Miss Buchanan"? Entry blanks may be obtained at the Hollywood theatre box office any evening prior to next Monday. There is no entrance fee. Prizes will be awarded to girls contesting on the Hollywood stage. The Ogden Jewelry Store in the Hotel block is giving a beautiful ruby ring, W. N. Brodick, a compact; D. L. Boardman's Dry Goods store, an all wool bathing suit; Glenn Smith, a pair of lovely silk hose, also gifts from Princess Ice Cream Parlor, A. L. Hamblin's Jewelry store and Buchanan Candy Kitchen. Other gift prizes will be awarded from Buchanan merchants, and others of which we are unable to announce due to the Record going to press before final arrangements have been completed. The winner and runner-up will be conducted to the finals at Woodward's Pavilion in a Ford sedan furnished her for the occasion by the Montague Motor Co.

The requirements necessary for application to entrance are only that the girl be from 16 to 25 years of age and single. She will be chaperoned to Paw Paw Lake finals and may remain overnight at the Woodward Hotel as a guest of the management with all expenses paid if she so desires. The theatre audience is to be the sole judge of who is to be the winning beauty, and the popularity of each girl will be attested by the hand-clapping of the audience during the elimination next Monday evening.

Lozell Norton and Robert Smith, Chicago, arrived Tuesday evening for a visit at the home of their grandparents, Mr. and Mrs. Chas. Karker.

BLUES TO FACE REVAMPED TIGERS IN DAYTON SUN.

Hittie's Arrows to Meet New Buffalo All Stars Here; Co-Ops Go to Lydick, Ind.

Buchanan's three hardball teams meet strong foes Sunday, one playing on the home lot, another making its stand in adjacent Dayton and the third journeying into Indiana for its conflict.

The most important of the three games, and probably the one most hotly contested, will be the engagement at Dayton between the revamped Buchanan Blues and John Leiter's Dayton Tigers, a game which will have great bearing on the race in the Berrien County Community league, inasmuch as the Blues are now in a tie for third place with New Buffalo, and Dayton, a revamped, rejuvenated outfit, is sure to press the leaders from now on.

The Dayton team, with the acquisition of the Morse twins, Louie and Loren, former Buchanan high school stars, and Liska, former Portage Prairie star outfielder, and other stars, appears to be going to town with a team that in the early week's play hugged perilously close to the bottom of the league standings. Dayton, in holding the first-place Glendora team, to a 4 to 3 verdict last Sunday, demonstrates that it has a team now that is worthy of consideration.

Reamer's Blues, now with the scrappy, peppery Lawrence Heckathorne, at the helm as playing manager, is a vastly improved team as compared with the early season aggregation that took its beatings with considerable regularity. The overthrow of New Buffalo last Sunday, in which Feathers, Blues pitcher, held the Bisons scoreless for the first seven frames entering the eighth with an 8 to 0 lead and subsequently stemming a ninth inning rally with the final score registering 9 to 7, gives every indication that the local team will be a contender in the final stretch of the Community League race.

The only home game to be played this Sunday will be the game between Johnny Hittie's fast-stepping Buchanan Arrows and the New Buffalo All Stars, a team said to be fully as strong as the New Buffalo league team, now in third place tie with the Buchanan Blues in the Community League.

The Buchanan Co-Ops will journey to Lydick, Ind., where they will engage the strong Lydick Independents.

John Corrects Sylvia's Story in Collins & Weaver

Editor Record, I note that Sylvia Scott is asking again about the story of the negro baby in a molasses barrel in the store of Collins and Weaver in Dayton. She is certainly not enough of a spring chicken as to be able to remember there is a brick block 62x80 feet on the corner of Front and Oak that was built by Collins & Weaver, along in the sixties, and that before that they were selling hardware in the one story building which stood on the east half of that lot, that being moved to the first lot south of the Cathcart place, that they bought the lot on which Mary Arthur owned, the west part as a bakery.

If Collins & Weaver ever did business in either negro babies or black molasses, no one in Dayton ever knew about it.

I have a distinct recollection of attending a fourth of July celebration in Buchanan, when the sports were had on Front street, opposite that hardware store. I with a few others, took our view from the roof of the store, climbing up over Mary Arthur's bake oven. Among those in that perch was Billy Reynolds resting on his elbow and left leg thrown over the buttlement, spread out pretty freely, when Joe Cook came along and wanted in, and instead of asking Billy for space began shoving him over, a thing that Billy would not stand for. Billy got into action, pronto and short metre had Joe licked and returned to his perch on the buttlement, and Joe to the ground.

I can not tell just when this happened but I was old enough to walk into town, three and a half miles and carry a ten quart pail full of cherries to sell and bear my expenses of celebration.

J. G. HOLMES

Bernice Hayes Wedded Yesterday to Los Angeles Man

A college romance of years ago was quietly celebrated at high noon, July 25th, 1934, at her home in Buchanan when Rev. Thomas Rice of the Methodist church read the marriage ritual for Miss Bernice Hayes and Mr. Ralph E. Cunningham of Pasadena, Calif. A man of excellent qualities, pleasing appearance and a successful business man of Los Angeles.

The bride is one of Buchanan's brightest and best inhabitants and is the dutiful daughter of Mrs. Emma Hayes of 304 West Fourth st. The bride was becomingly attired in white silk crepe and was attended by Miss Martha Cunningham, daughter of the groom.

After the nuptial ceremony and profuse and hearty congratulations from the immediate families and a few favored friends, the guests were invited to partake of choice refreshments prepared for the auspicious occasion.

Mr. and Mrs. Cunningham will hereafter reside in their home at 1725 Camden Ave., South Pasadena, California.

Abundant and lifelong pleasure is in store for the happy couple if commensurate with the wishes of their hosts of admiring friends.

Jimmie, the Widdis Garden Parrot is Out for Congress

Among the more valuable and cordial of the business and professional population of the Loop district is Jimmie, the talkative parrot of the Widdis Gardens, who already has a vocabulary of fifty words and is accumulating more from time to time.

While a parrot's conversation is not supposed to have sequence, there does appear to be a sort of timeliness to some of Jimmie's remarks. When a visitor enters the Gardens, he is profuse with "hellos" for a few minutes, but if the visitor stays long, he begins to interject an occasional "goodbye" into the conversation. When he sees anyone eating he will cock a solemn head and inquire with an interrogating accent: "How do you like it?"

Other accomplishments are his ability to whistle, to call the Widdis dog, "Fai," so that the dog recognizes, to call his master in a feminine contralto (who can it be that calls Harold that way?) and to undo the wire fastening the door of his cage and to bite lead pencils in two in moments of temperamental exasperation.

The other morning a car drew up in front of the Gardens and parked with the mitchhiking crow perched on top, and Jimmie woke the entire neighborhood with a first-rate imitation of a crow.

He is six years old, Widdis states, which is still a very juvenile age for a parrot, for centenarians are frequent in the parrot tribe. Widdis states that when Jimmie has learned a few more words he plans to run him for congress.

Called to Chicago by Death of Grandson

Mrs. C. W. VanLew of Dayton, was called to Chicago by the death of her four and a half months old grandson, Paul C. Black, son of Mr. and Mrs. Douglas Black.

The baby with his parents and Charles Lawrence of Chicago were out riding when a car driven by Mrs. Myrtle Soules hit their car, knocking it off the road over the curb. The baby was thrown against the door of the car, the back of its head being crushed and bruised. Mrs. Black was knocked unconscious and received a cut by the left eye and a badly bruised arm. The other occupants of the car were badly shaken up. Both cars were damaged. Mrs. Soules was held by the coroner's jury for manslaughter.

Mrs. Black was formerly Miss Mary VanLew. Paul Charles Black was born on March 5, 1934, in Chicago. He passed away July 18, 1934, at 12 o'clock in Westlake hospital without regaining consciousness. He was the only child of Douglas and Mary Black. Funeral was Friday, July 20, at Lain & Son chapel. Interment at Oakwood cemetery. This lovely bud so young and fair called hence by early doom. Just came to show how sweet a flower.

In Paradise would bloom. Eers sin could harm or sorrow fade. Death came with friendly care. The opening bud to Heaven conveyed. And bade it blossom there.

COUNTY DECLARES NEW ROAD TO BE THRU HIGHWAY

New Road One of Finest Relief Projects Completed in Southwestern Michigan.

Buchanan will have another through highway open to traffic next week with the completion of the River Road project, better known locally as the Redbud trail, as a main traffic artery from South Bend to US-31 and the Twin Cities on the Lake.

Engineer Heath Calvin, who has been in direct charge of construction of the road under John H. Bateman, engineer manager of the Berrien County Road commission, states that the FERA force of Niles and Buchanan men will perform their last three days work on the project Friday, Saturday and Monday, when they will be withdrawn, save for a small force.

The project is exactly 4 1/2 miles long, from the end of Portage street to the paying at the Oronoko township line. The highway consists of a bed of gravel 18 feet wide on a 30 foot grade. One and one half miles of the road, from the end of Portage street to the Paul Wynn place, were constructed on the old roadbed of the narrow gauge railway.

Engineer Calvin stated that in all \$6,000 in drainage work was installed, the problem of drainage being especially difficult along the face of the Moccasin Bluff. Here a full mile and a half of guard rail has been installed. There are a number of fine springs along the side of the bluff, one of which is to be improved by the Lions Club collaborating with the FERA in the event that the sample of water sent to the state health bureau laboratory is certified to be fit for drinking.

The project as completed is easily one of the finest to be performed by relief labor in this part of Michigan. In all about 100,000 yards of dirt were moved, of which 75,000 were moved by hand.

Graveling was entirely completed the first of the present week, Engineer Calvin stated, and a force of men are now engaged in placing stop signs on all road approaches from Buchanan to US-31, the county having declared this road to be a through highway.

It will not be possible to treat the road from the Wynn place to Buchanan with calcium chloride until there is a rain, Calvin stated. The remainder of the road was treated two weeks ago.

The engineering force in charge of the construction comprise Heath Calvin, Louis Krell and M. Ludwig.

First Experiment Field Irrigation Started Last Week

The initial experiment of field irrigation from wells in the Buchanan community was started last week at the Fred Koenigshof farm, when the application of water to potatoes was begun. The source of water is four wells, each about forty feet deep. To begin with only three wells were used, producing a combined flow of 65 gallons per minute. It is believed that eight acres may be covered in this manner. The water is lifted by a centrifugal pump, powered by a farm tractor.

County Gravels from Old M-60 to Clear Lake Woods

The county gravel trucks are hauling from the Shafer pit on north Victory street to the road from Old M60 to Clear Lake Woods which is to be improved and gravelled through its entire extent.

NOTICE TO WATER CONSUMERS

To those who have given the City Commission their co-operation in observing sprinkling hours the commission expresses its thanks. As to those who have not, I trust you will co-operate before the situation becomes so acute that it will be necessary to discontinue your service. Sprinkling hours for even house numbers starts on even hours; odd house numbers on odd hours. For example 208 or 210 sprinkle from 8 to 9 or 10 to 11; 209 or 211 sprinkle from 7 to 8, or 9 to 10 and so on.

F. C. Hathaway,
Chairman Water Board

GALIEN NEWS

Horace Morley
Celebrates 80th
Birthday Sunday

Horace Morley, one of our esteemed citizens, celebrated his 80th birthday Sunday, July 22, having 50 of his relatives and friends assembled at the M. E. church basement, where his sister, Mrs. Helen Adams, who is 89 years young, superintended serving a co-operative dinner. Four birthday cakes, beautifully decorated, were presented to Mr. Morley. Mr. and Mrs. Leo Morley and son arrived from Oklahoma City in time to complete the family circle.

Former Galien
Merchant Here
From Los Angeles

Glenn Smith, one of our Galien boys, who grew up in our midst, and was in the grocery business here for a number of years, and who is now a resident of Los Angeles, Calif., is here visiting with friends. Mr. Smith thought July was the best time to come as our cold weather does not agree with his health. But Tuesday's heat, 120 degrees, nearly put him out of commission. Mr. Smith knows we have two kinds of weather "usual" and "unusual." Come next year, Glenn, when we have our "usual" Michigan weather, which can not be beaten.

Galien Choir
Sings at Buchanan

Those of the Methodist choir that went to Buchanan Sunday to sing at the morning services were Mrs. Carrie Niles, Miss Marie Debus, Mr. and Mrs. Fred Franklin, Mrs. Richard Wentland and son, Rev. Mrs. Eliza Kelley and daughter, Mrs. W. James, Mr. and Mrs. Ray Keefer, Mr. and Mrs. H. Gardner, Frank Kelley and daughter, Jane, Miss Elizabeth Debus, Earl Rizor, Peggy Jones and Director Frank Spensley.

Galien Locals

Harrison Sheeley and brother, Marshall, of Niles, John Rhoades, New Carlisle, Mr. and Mrs. Earl Ingles, Mr. and Mrs. Frank Clark, enjoyed an ice cream supper Sunday evening at the home of Mrs. Ada Sheeley.

Miss Wanda Walters, Buchanan, is spending a few days this week with her grandmother, Mrs. Nora Singbeil.

Mr. and Mrs. Odean Roberts were Sunday dinner guests of Mr. and Mrs. Ray Norris.

Mr. and Mrs. George Kizer and daughter, Juanita, were Sunday evening guests of Mr. and Mrs. Charles Dieckhoff.

Mr. and Mrs. Will Roundy and son, Orville, were Sunday afternoon guests of Mr. Carl Roundy, Three Oaks.

Miss Ruth Renbarger, Miss Dorice Jones and sister, Peggy, left Monday for a week at the camp meeting held at Berrien Springs.

Mr. and Mrs. Will Jannasch and daughter, Juanita, were Sunday evening guests of Mr. and Mrs. Amos Jannasch.

Twenty-one members of Olive branch 500 club enjoyed a basket picnic at Clear Lake Sunday.

Miss Nettie Haines, who is a patient at the Kalamazoo hospital, fell last week and incurred a broken hip.

Mr. and Mrs. Raymond MacNeer of South Bend spent Sunday evening with Mrs. Lydia Slocum.

Mr. and Mrs. Will Roundy and son, Orville, spent Sunday evening at the Charles Vinton home.

Frank Clark and Harrison Sheeley were in New Carlisle Monday afternoon.

Mr. and Mrs. Charles Clark, who have been confined to their beds for a week with the flu are convalescing nicely.

Mr. and Mrs. Lee Morley and son, Sam, returned to their homes in Tulsa, Okla., Tuesday, after spending three days with his father, Horace Morley and attending his 80th birthday celebration.

Those from Galien who went to Crystal Springs Sunday evening were Rev. Niles and mother, Mrs. Carrie Niles, Peggy Jones, Ruth Renbarger and Mr. and Mrs. Richard Wentland.

AT THE THEATRE

Frank Buck
Brings 'Em Back
Alive in New Film

For sheer novelty, humor and high-gear excitement, Frank Buck's "Wild Cargo," the cinema log of his adventures in the Asiatic jungles surpasses anything of a similar nature since, and including "Bring 'Em Back Alive!"

This is a strong stamp of approval, but highly merited indeed, and the three days showing commencing Sunday at the Hollywood guarantees to every lover of animals, action and the great outdoors a feast of entertainment only attainable in a true-to-life adventure story of this kind.

"Wild Cargo" is superior to ordinary jungle pictures in the novelty of its stirring events as well as its variety of episodes. A hair-raising combat between a vicious black panther and a thirty-foot python, is recommended by the management as the swiftest and most decisive animal fight ever eyed by the cameras. The panther is making his way through the jungle when the python strikes from within the low undergrowth.

In a second the snake has coiled its constricting flesh about the panther in a complete spiral.

More than 100,000 feet of film were "shot" to record the experiences of Frank Buck, and the salient and most exciting episodes were selected to make "Wild Cargo." Buck himself does a splendid job narrating the film from a continuity draft by Courtney Riley Cooper.

Sylvia Sidney makes her latest appearance for Paramount in the romantic comedy role of "Thirty-Day Princess," adapted from Clarence Buddington Kelland's famous magazine novel, and which comes to the Hollywood as feature number one on tomorrow (Friday) and Saturday's double feature bill. The film, produced by B. P. Schulberg, is a comedy of events that occur when an American girl is called upon to enact the role of a European princess who has fallen ill, that she may impress America and secure a big bankers' loan for the princess' country. The second feature on this bill is Tim McCoy,

brothers, who is real sick again. Mrs. Al Rickerman has been suffering for the past week with ivy poison on her leg and ankle.

favorite action hero, in his latest action-full detective mystery thriller, "Hell Bent for Love," with the beautiful Lillian Bond in support of Tim.

Next week Wednesday and Thursday (Bargain Nights) the Hollywood presents an outstanding comedy production released late last fall and because of every possible date filled at the time, the Hollywood was unable to play it.

The picture is Marie Dressler and Wallace Beery in "Tugboat Annie," and the requests for this picture have become so strong that the management is giving this production a two-day run for the many people who missed "Tugboat Annie," and for those who have seen it and because of its genuine entertainment values, may want to see it again.

The picture was the box-office hit of 1933, by virtue of the extraordinary acting on the part of Dressler and Beery, and the wholesomeness of the picture. Its splendid supporting cast, consisting of Robert Young and Maureen O'Sullivan plus the popularity and high acting ability of both Miss Dressler and Mr. Beery. "Tugboat Annie" is family entertainment—a picture you shouldn't miss!

David Kramer is spending this week at Mackinac Island, Michigan's famous summer resort.

Mr. and Mrs. E. Wentland and Glenn Smith of Los Angeles, Calif., were Tuesday evening callers in the Charles Vinton home.

Set The Time

To the Republican County Chairman and voters of the Fourth Congressional district.

You are all interested in electing a Republican Congressman.

There are four candidates. Interested voters desire to see and hear each one, a physical impossibility.

Each probably believes he can render the best service to the district.

My idea of the best way for the voter to judge is to follow the stock show method. Lead them all into the ring and look them over.

This is my proposition—Let the County Chairman of each county arrange a public meeting at the county seat, at which each candidate will be allowed five minutes for an opening talk, seven minutes for a closing and three minutes to answer questions. Order of speaking to be selected by lot.

Each candidate to contribute \$10 at each meeting, to be used to assist in selecting the winner at the November election. All of my opponents are public speakers and office holders. I am not, so the advantage is theirs. But I believe I can and will, if nominated and elected, do more work for the district and its people than any of the others.

That is why I am asking for your support.

Set the time and place!
CLARE E. HOFFMAN,
Republican Candidate for
Congress, 4th District.
Political Adv.

Mr. and Mrs. Ralph Dickow of Chicago spent the week-end at the home of Clyde Gunyon and Chas. Dickow.

ROUND ABOUT BUCHANAN

North Buchanan

HOSPITALITY OLD AND NEW

Back in the pre-railroad days in this district—the early forties to be more definite—the attitude of the resident citizen toward the traveling public was in a way the same as now, and yet distinctly different.

For instance, an old newspaper which we perused recently related how the scattering settlers in the primeval wilderness between Niles and Kalamazoo contested for the privilege of having the main road between the two then villages, pass in front of their homes. Just as the small towns still combat for the privilege of a location on the main traveled highways.

But the reason back of the desire to be on the main arteries of travel differed. In the pioneer days, the settler wanted nothing from the traveler but the pleasure of his company isolated in an immense loneliness, he thirsted for an occasional new face, an arrival from the outside world, who could tell him what was going on. The traveler performed a service in telling the news of the world, in return for which the settler was only too glad to give board and room.

Nowadays people travel largely from a different motive, a motive expressed in the word "tourist." A considerable per cent of the motorists are people with some money who are traveling for pleasure and in attempting to steer the main lines of travel to our vicinity we have in mind not the pleasure of their company but a share of that money which it is necessary to distribute along the way in the form of traveling expenses.

It is not fair to say that people are more selfish, or really less hospitable than in pioneer times. But no one has any great call to be lonesome these days, and we do not need the company of the tourist. There is nothing he can tell us in the way of news, no service that he can render us that we care to board and keep him for. And in the community there is an established hotel man who needs the money.

Along back we remember a number of times when business or professional men confided to us so to voice that they would like to take up walking for pleasure, for their health, or a combination of both, but they really did not dare to for "people would think I was

LOCALS

Help the city save water. See notice on front page.

Mildred Rose is the guest of Miss Marjorie Bowman this week.

F. H. Raedel and son of Chicago spent Sunday here visiting relatives. They were accompanied on their return home by Mrs. Raedel, her daughter and granddaughter, who had been spending the past week here visiting with Mrs. Raedel's mother, Mrs. C. E. Waterman.

Mr. and Mrs. David Paden, Chicago, were visitors from Saturday until Wednesday of last week at the home of the former's mother, Mrs. J. E. Paden. On their return they were accompanied by Mrs. Elizabeth P. Tracy, who visited in Chicago until Saturday.

Mr. and Mrs. Arthur P. Campbell and daughter, Dorothy, New York City, were guests Tuesday at the homes of their cousins, Mr. and Mrs. A. G. Bowers and Mr. and Mrs. George Mathie. Mr. Campbell is an executive of the Bell Telephone Co., of New York City, and a brother-in-law of the former British consul to the West Indies.

Allack Lindquist is in White Cloud on business this week.

Clem Paxton, Three Oaks, is spending the week with his sister, Mrs. Belle Wagner.

Little Annabelle Lindquist is ill at the home of her parents, Mr. and Mrs. Allack Lindquist.

Mr. and Mrs. Charles Reedy and daughter, Bernice, Chicago, were guests over the week-end at the home of Mr. and Mrs. W. B. Scott.

Charles Dumboltz arrived home Tuesday from Ann Arbor, where he had gone Friday for a sinus operation.

Miss Belle Landis has as guests at her cottage at Clear Lake for the week-end Misses Agnes Luther and Margaret Huff of Niles and Miss Lena Luther of South Bend.

Mr. and Mrs. James McGeehan and Mr. and Mrs. Fred Shoemaker all of Chicago, were week-end guests at the home of Mr. and Mrs. Frank Rinker.

Mr. and Mrs. W. B. Ryeanson, Mr. and Mrs. Perry Neff and Mrs. Ida Dudman, the last three from Elkhardt, returned Tuesday from a motor trip of over two weeks to the home of the former's brother, George Ryeanson, Sprague, Wis.

All Boy Scouts camps are resuming activity as of previous years.

Due to the fact of a premature season, the raspberry, blackberry and current crops will be completed by the end of this week, which is two weeks earlier than previous years, due to the intense heat and dry weather.

Oats cutting has been completed in this section and in about a week the farmers will be busy thrashing this crop.

North Buchanan

Mr. and Mrs. Rowley, Sr., spent Friday with their son, Ira Rowley and family.

Mr. and Mrs. Orville Harner and daughter, Betty, spent the past few days with Mr. and Mrs. Clauze Bates.

Miss Dorothy Vincent is spending the week with her aunt, Mrs. Belle Flory, Buchanan.

Mrs. Louise Bates, who has been ill for some time, has been taken to Taber sanitarium for observation.

Miss Vivian Russell spent Tuesday evening with Doris Vincent.

Mr. and Mrs. Delbert Stemm of Berrien Springs, spent Sunday evening at the Merton Wallace home.

Mr. and Mrs. Ed Petzke spent Sunday with the former's mother, Mrs. Lena Petzke.

Mr. and Mrs. Merton Wallace and son, Gordon, spent Saturday evening at the Floyd Fedore home.

Mr. and Mrs. Fred Wallace spent Sunday evening in South Bend.

Miss Mary Rusach of Chicago, spent Saturday evening with Mr. and Mrs. Fred Wallace.

Mr. and Mrs. William Russell and family spent Tuesday evening at the Fred Wallace home.

Mr. and Mrs. Vernon Vincent spent Sunday with the former's grandmother, Mrs. Nellie Hurlbutt.

Mr. and Mrs. Ira Rowley and family spent the last few days with friends near Coloma and report that crops are suffering more from drought in that vicinity than in this section.

All Boy Scouts camps are resuming activity as of previous years.

Due to the fact of a premature season, the raspberry, blackberry and current crops will be completed by the end of this week, which is two weeks earlier than previous years, due to the intense heat and dry weather.

Oats cutting has been completed in this section and in about a week the farmers will be busy thrashing this crop.

The Church of the Brethren
Dewey Avenue, Pastor
Sunday School at 10 a. m.
Golden text, "What the Lord saith unto me, that will I speak."
1 Kings 22:14.
Church service at 11 a. m.
B. Y. P. D. at 7 o'clock.
Evening service at 8 o'clock.
The young married people's class had a grand time Saturday evening at Clear Lake. Later they went to the home of Mr. and Mrs. John Platz for ice cream and cake.

Christian Science Churches
"Truth" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, July 29.
Among the Bible citations is this passage (Hebr. 4:12): "For the word of God is quick, and powerful and sharper than any two-edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart."
Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 320): "The fact that Truth's victory over both disease and sin reassures depressed hope. It imparts a healthy stimulus to the body, and regulates the system. It increases C's richness the action, as this case may require, better than any drug, alternative or tonic."

Methodist Episcopal Church
Thomas Rice, Minister
Sunday School at 10 o'clock. The junior department room is one of the coolest places imaginable these hot days. Give your children this opportunity of comfort and religious education. Arthur Mann and Mrs. Glenn Haslett are our superintendents.
Morning worship at 11 o'clock. Mrs. Arthur Rice is in charge of the special music for Sunday morning part of which will be piano numbers by Marjory Bowman and vocal numbers by Ken Blake. Sermon, "Our Human Needs."
There will be no Epworth League

Rev. I. N. Demy says:
I have found nothing in the past 20 years that can take the place of Dr. Miles Anti-Pain Pills. They are a sure relief for my headache.
Sufferers from Headache, Neuralgia, Toothache, Backache, Sciatica, Rheumatism, Lumbago, Neuritis, Muscular Pains, Periodic Pains, write that they have used Dr. Miles Anti-Pain Pills with better results than they had even hoped for.
Countless American housewives would no more think of keeping house without Dr. Miles Anti-Pain Pills than without flour or sugar. Keep a package in your medicine cabinet and save yourself needless suffering. At Drug Stores—25c and \$1.00

DR. MILES' ANTI-PAIN PILLS
Ask Your Druggist for the 50c size

or evening service Sunday on account of the services at Crystal Springs. If you have never attended the services at Crystal Springs, you have a treat in store.
A junior choir party will be held this Thursday. Meet at the church at 3 o'clock for Clear Lake. Mrs. Rosalie M. Rice will be in charge. Please bring your own dishes and a dish to pass and your swimming suit.

Evangelical Church
William F. Bosticher, Minister
10:00 a. m. Sunday School.
11:00 a. m. Morning worship, "Human Coins."
6:30 p. m. League service, topic, "Great Missionary Hymns and Their Challenge." Leader for 7:30 p. m. Evening service, "The young man, Marian Van Every. Question about Age?"
Prayer service on Thursday evening at 8 o'clock.

Seventh Day Adventist Sabbath School (Saturday) at 10 a. m.
Lesson Study: Conditions of Success of the Exodus. Memory verse: "He brought forth His people with joy, and His chosen with gladness, and gave them the lands of the heathen; and they inherited the labor of the people, that they might observe His statutes, and keep His laws. Praise ye the Lord." Ps. 105:43-45.
Note: "Christ gave to Israel definite instruction in regard to their habits of life, and He assured them 'The Lord will take away from thee all sickness.' When they fulfilled the conditions the promise was verified to them. 'There was not one feeble person among their tribes.' These lessons are for us. There are conditions to be observed by all who would preserve health. All should learn what the conditions are. The Lord is not pleased with ignorance in regard to His laws, either natural or spiritual. We are to be workers together with God for the restoration of health to the body as well as to the soul."
Preaching service at 11:15. Subject, "What Form of Government Next?"

Bend of the River
Miss Ruth Hayes of Saginaw was a guest of Miss Margaret DeWitt recently.
Mrs. Wm. Koch and sons, Glenn and Stanley of South Bend, spent Sunday at the Andrew Huss home.
Mrs. John Dimont's sister and husband, who has been visiting at the Dimont home, have returned to their home in Hamilton, O.
Mr. and Mrs. Fred Gawthrop and granddaughter, Miss Betty, are spending two weeks at Lake LaGrange.
Mr. and Mrs. Clarence Huss and family enjoyed a picnic Wednesday at Smith Lake.
Mr. and Mrs. Albert Weisner spent Wednesday evening in Niles.
Andrew Huss and son, Clarence, were callers at the Wm. Vetter home in Niles, Thursday afternoon. They found Mr. Vetter, who has been seriously ill, much improved.
G. W. Sherman entertained several guests of Chicago over the week-end.

Sales Tax Surplus is \$2,837,500
Total retail sales tax collections for 1933-34 amounted to \$34,897,508, recent official reports reveal. Legislative appropriations and administrative expenses consumed \$32,060,000. The surplus above definite allocations, \$2,837,500, is assigned to school aid. Legislative appropriations of the sales tax include \$19,000,000 for state purposes; \$12,000,000 for welfare; \$500,000 for University of Michigan; and \$200,000 for Michigan State College. Administration expense is estimated not to exceed \$360,000.
The cost of administering the returns, materials, and personal services is 1.01 per cent of the total collections. In nearly all other states having a retail sales tax, costs vary from three to ten per cent.
The consistent upward trend of sales tax collections indicate that should conditions continue to improve, the schools may expect more aid from this source during the next fiscal year than during 1933-34.

All Stars Win 8 to 0 From Niles Kewpees
Kewpees, one of Niles' best softball teams and twice victor over the Hollywood Theatre team, Buchanan League leader, were helpless against the bullet-like upshots of "Big Andy" Freeling. Buchanan All Star pitcher, and were shut out 8 to 0, at Athletic park last Wednesday night by the latter team.
Freeling allowed but three scattered hits, all singles, and but five Kewpees batters got on base during the seven inning game. He walked but one Niles batter, Smith, who was given a free pass in the last inning after two were down, only to die at first base as Press-nal ended the game by flying out to B. Sexton at short. No Kewpee runner got past first base during the game.
Buchanan scored all its runs in the first three innings, scoring one

Arrows Defeats St. Joseph Nine in Closing Rally
Johnny Hittle's youthful, fast-stepping Buchanan Arrows came from behind to win a hard fought ball game, 11 to 9, against the Chick Haven Red Sox of St. Joseph on the latter's grounds Sunday afternoon.
Most of Buchanan's ten hits were obtained in the eighth and ninth innings after the Arrows, trailing 9 to 4, rushed into the lead and scored seven runs in the last two innings.
Everett Deeds, Arrow shortstop, hit a home run in the fourth with Mangold and Ellis on base.
Dan Topash and Jesse divided the pitching for Buchanan, with August Topash catching.
The Arrows, winners in the first game recently of a three-game series against Bob Reamer's Buchanan Blues for the Buchanan City championship, will meet the New Buffalo All Stars here next Sunday and will take on the House of David on the local grounds on Aug. 26. The second game in the city championship series, as well as the third if a third game is necessary, will be played here during the Legion fall festival on Sept. 6, 7 and 8.

Baseball to Have Reserve Diamond at Liberty Heights
The end of the week will see Buchanan have a new Athletic field.
The Liberty Heights diamond, sometimes known as Campbell's field and adjacent to the now unused plant of the Campbell Transmission company, is being conditioned into a softball field, that, when completed, will rank with the best softball parks in this section. It will be a base of ball players, armed with shovels, rakes and hoes there Saturday morning, and there will be still another bee next Saturday morning, when a crew is expected to be on hand to put the finishing touches to the field.
Through the courtesy of Mayor Frank Merson, City Park Commissioner F. A. Crawford, and City Street Commissioner Ed F. Mitchell, the city scraper was put into service and the formerly rough infield scraped, and as a result, the infield now has the smoothness and hardness of a ball room floor and easily ranks with the best playing infield in the southwestern Michigan and northern Indiana area. A mowing machine will be put into service later on the outfield and along the foul lines. Following the mowing operation, holes in the outfield will be filled in.
Plans in the improvement of the park call for the erection of seats, player benches, scoreboard and backstop.
Inasmuch as the league has a schedule which calls for softball games to be played four nights a week, Monday, Tuesday, Thursday and Friday nights, and as the Blues and Arrows, local hard ball teams, use the only heretofore available diamond on Wednesday nights, it was impossible to play or postpone games or games between league and outside teams.
Any softball team in this section may use Liberty Heights park for games or practice sessions, but in order to avoid conflict in schedule a permit must first be secured from W. S. McLeod, president of the league.

State Has 297 PWA Road Projects Cost \$12,300,000
Nearing the peak of the PWA highway construction program, financed by the \$112,736,000 federal grant, the State Highway Department has 297 projects under contract or completed, involving a total cost of \$12,353,209.93, it was announced today by Commissioner Murray D. Van Wagoner. The remaining \$400,000 of the grant, said Mr. Van Wagoner, "is to be advertised or placed under contract not later than Aug. 1."
"Contractors have received payment of \$5,646,573.07 earned under PWA program, and additional estimates are being paid at the rate of about \$500,000 weekly. The majority of the projects on the entire program will have been completed and opened to traffic by Aug. 15."
"The employment report of June 30, revealed that 9,464 men and 1,356 trucks were being used on the PWA road work. These figures have been increased somewhat since that time."
"One or more projects are under way in all 83 counties."

Constipated 30 Years Aided by Old Remedy

Sharks Fight to Finish
A shark, when not wounded in a vital spot, will struggle against capture until it dies from loss of blood, or until its maws fall upon it and savagely tear it to pieces. Some sharks have been hooked, shot full of lead from a repeating rifle, then harpooned, hauled on deck and disemboweled, yet have continued alive and alert for a long time, thrashing their tails and opening and shutting their weird, golden expressionless eyes with the nictitating membranes.
No Blue Dahlias
A blue dahlia has never been produced, the nearest approach to it being mauve. Dahlias of practically every shade other than blue have been grown.
Strong Spider Webs
An enormous Madagascar spider spins webs so strong that birds are caught and held fast in them.

Co-Ops to Play Lyddick Sunday
The race peril which was reported to be threatening the Buchanan Co-Op Sunday failed to materialize when the Portage Prairie nine took the Colored All-Stars into camp in a return match 4 to 1. J. Miller, catcher, won the five gallons of gasoline offered by the High Grade Oil Co. to the Co-Op player who made the most hits in the game.

Report of Annual School Meeting

Annual meeting of School District No. One Fractional, July 9, 1934. In the absence of President Hanlin, the meeting was called to order by Director Habicht at 8 o'clock, p. m.

Minutes of last annual meeting read and approved.

Treasurer's report was read by the treasurer, J. A. White. Moved by H. Batchelor, supported by A. Hiller, that the treasurer's report be accepted and placed on file. Motion carried.

The next order of business was the election of director to succeed Dr. J. C. Strayer.

The chair appointed Enos Schram, H. Beistle, A. H. Hiller. Sworn in by H. Batchelor.

A. Bonner placed the name of Dr. J. C. Strayer in nomination to succeed himself. Supported by H. Batchelor. No further nominations, the ballot was closed.

Total number of votes cast were twenty (20).

Dr. J. C. Strayer received 18 votes. Blank, 2. Dr. Strayer was declared elected.

No further business, motion made by H. Batchelor, supported by H. Graham, that meeting adjourn. Motion carried.

Signed, IDA, S. RICE, SECRETARY.

Business of Probate Court During Past Week

Probate Judge Malcolm Hatfield entered the following orders in the Probate Court during the past week:

Petitions for the appointment of administrators were filed in the estates of George L. Smith and Clestine P. Tryon. Both estates were waived.

The wills of William S. Hull, Gertrude Hartline, William Wallman, and Joseph Tonkin, deceased, were filed. The petition for the probate of the wills of William S. Hull and Joseph Tonkin were waived while the Petitions of Gertrude Hartline and William F. Wallman were published.

Bonds were filed and Letters of Administration were filed in the following deceased estates: Edna V. Lauer, Clayton E. Wright, Susan L. Stover, Lurinda Stearns, and John J. Osborn.

Final accounts were filed in the estate of Amanda Kremer, Wesley Swartz, and Sarah C. Frederick, deceased.

Accounts were filed in the following matters: Virginia Harlan, Minor, Montgomery S. Woodruff, Minor, Mable Hoag, Minor, Paul and Fred Krueger, Minors, Eddie Stainbrook, Minor, and Virginia

Walton, Minor; and in the deceased estate of Agnes S. Morlock, and Alton H. Walling.

Inventories were filed in the following estates: John H. Smea, Clara M. Peterson, Mary A. Ferry, William Herring, George W. Harris, Charles C. Johnson, Alice L. Painter Smith, Clayton E. Wright, and Gustave F. Yeske, all deceased.

The claims in the following estates were allowed: Jane Wright, deceased, and Alonzo Leslie, deceased.

An order closing the hearing on claims was entered in the estate of Charles M. Lewin, deceased. Judge Hatfield closed the estate of Theron J. Davis, deceased.

Termites Native of U. S. The species of termites that cause extensive damage to wooden structures in the United States are pronounced native species, not strange foreign pests.

Odd House Numbering The houses in Dublin, Ireland, are numbered consecutively, starting at one end of one side of a street, continuing to the farther end and returning on the other side, so that No. 1 in a street may be opposite No. 433.

Theodore Katzbach Announces Filing For Legislature

Theodore Katzbach, prominent Lake township fruit grower who is serving his eighth term as a member of the Berrien county board of supervisors, today announced candidacy for the Republican nomination as state representative for the first district of Berrien county.

Katzbach has won prominence as a member of the county board of

supervisors. He served as chairman of the county board for two terms and successfully carried the county through two of its most hectic years in recent history.

Mr. Katzbach was the originator of the plan to enact legislation that enabled Berrien county to refund its large Covert road bond issue and take \$1,100,000 off the real estate taxes in 1932. He was chairman of the board when the real estate taxes were reduced 50 per cent in 1932-33, and at the time when the county faced a crisis with practically all of its banks closed. He is recognized through the state for his knowledge in governmental affairs and his wide knowledge in tax matters.

The Lake township supervisor has also served as township treasurer, was manager of the Bridge-man Fruit Growers association for 12 years; has been a member of the school board in his district for 18 years, and is chairman of the board at the present time; represents the county on the board of trustees for the Farmers & Merchants bank in Benton Harbor, and has always taken a vital interest in farm and civic activities in Berrien county.

Mr. Katzbach was born in Chicago and educated in the Chicago and Highland, Indiana, schools. He graduated from Highland school and later was employed on the New York Central railroad where he worked up to the position of engineer. He moved to Bridge-man in March 1911, where he purchased a 73-acre fruit farm which he now operates.

The program upon which Mr. Katzbach will base his campaign will be "all governmental functions should be given with the maximum of service at the minimum of cost."

Emancipation Day

The date of the proclamation setting free the slaves in the Territories of the United States was June 19, 1862, while the general emancipation proclamation which freed the slaves in all southern states was dated January 1, 1863. Because of the fact that June is a better time to celebrate than January, the former date is usually observed.

TELLS HOW SHE TOOK 4 INCHES OFF HIPS

7 INCHES OFF WAIST

In 40 days by taking Kruschen Salts, Mrs. Helga Blough of New York City reduced 28½ lbs.—took 4 inches off hips, 3 inches off bust and 7½ inches off waist. She writes: "I haven't gone hungry a moment—I feel fine and look 10 yrs. younger."

To get rid of double chin, bulging hips, ugly rolls of fat on waist and upper arms—SAFELY and without discomfort—at the same time build up glorious health and acquire a clear skin, bright eyes, energy and vivaciousness—to look younger and feel it—take a half teaspoonful of Kruschen Salts in a glass of hot water every morning before breakfast.

One jar lasts 4 weeks and costs but a trifle at any drugstore the world over. Make sure you get Kruschen because it's SAFE. Money back if not satisfied.

Hoffman Suggests Stock Show Method of Selection

A challenge to meet each and all of his opponents on a public platform in the race for the Republican nomination for congressman from the fourth district was hurled today by Clare E. Hoffman, Alle-

gan attorney. Pointing out that it was a physical impossibility for each voter to acquaint himself with the four candidates now running for the office, Hoffman issued the following statement:

"My idea of the best way for the voter to judge is to follow the stock show method. Lead them all into the ring and look them over. This is my proposition—Let the County Chairman of each county arrange a public meeting at the county seat, at which each candidate will be allowed five minutes for an opening talk, seven minutes for a closing and three minutes to answer questions—order of speaking to be selected by lot. Each candidate to contribute \$10 at each meeting to be used to assist in selecting the winner at the November election. All of my opponents are public speakers and office holders. I am not, so the advantage is theirs.

First U. S. Postoffice
The first United States government post office was opened at New York city November 28, 1783.

WAKE UP YOUR LIVER BILE—WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, laxative candy or cheap gummy and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a sick, bad taste and your breath is foul. Your skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes these good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely. But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resist a substitute. 25-cent drug stores. ©1931 C. M. Co.

INDIANA & MICHIGAN ELECTRIC CO.

TO OUR CUSTOMERS:

You would not smilingly submit to having your dinner snatched away without protest, yet strangely enough, some people actually applaud the efforts of legislators to impose added tax burdens on public utilities. Such persons do not realize that the utility's only source of revenue is from users of our service. More and more users of our service are being discovered and applied. The more it is used the greater the savings we can return to our customers provided that taxes do not eat up the savings.

This company has for many years supplied you with electricity at rates which have been constantly reduced. These reductions, made possible by economies and increased use of current, have brought down the average cost of household electricity to our customers, over 30% since 1927.

The possibility of future return of savings to you in the form of reduced rates is becoming extremely doubtful because the oppressive burden of taxation imposed upon us absorbs more than can be saved.

CHOOSE MICHIGAN FOR YOUR VACATION

Michigan offers both the natural and man-made facilities for almost any kind of vacation one can desire. The vigorous follower of land and water sports . . . the lover of beauty in nature . . . the student of history or modern commerce . . . or the person interested only in doing a good job of resting . . . all can satisfy their longing in Michigan, at surprisingly moderate cost.

Michigan's tourist and resort business brings large sums of money to the state each year. It provides employment for thousands, and greater prosperity for all of us. We can increase that business further by telling out-of-state friends about Michigan's vacation advantages and by spending our own vacations here. And, no matter which part of Michigan you visit this summer, banish worry by telephoning home and office frequently. Call ahead for reservations, or to tell friends you are coming. Long distance calls will add but little to the cost and much to the enjoyment of your vacation.

The Rexall Store

Golden Rule Class Picnic
The Golden Rule class of the Church of Christ will hold a wienie roast Friday evening at Tower hill.

Postpone Meet
The Buchanan W. C. T. U. meeting which was to have been held Friday of this week, has been postponed until some date during August not yet determined.

To Entertain at Bridge Tonight
Mr. and Mrs. Ralph Wegner will entertain the members of their couples bridge club this evening.

Hostess to Wednesday Club
Mrs. J. L. Richards was hostess yesterday to the members of the Wednesday Afternoon Bridge club.

Dinner Guests
At Watervliet
Mr. and Mrs. Warren Juhl were Sunday dinner guests at the home of the former's parents, Mr. and Mrs. James Juhl, Watervliet.

L. D. S. Picnic
For Sunday School
The L. D. S. Sunday School will hold a picnic Friday afternoon at Indian Fields, Berrien Springs. All who wish to go are asked to meet at the church at 3 p. m.

Contract Club
To Hold Picnic
The members of the Contract Dinner Bridge club will motor to the home of Mr. and Mrs. Frank Habicht at Diamond Lake this evening for a steak roast.

M. E. Foreign Mission Meeting
The Women's Foreign Missionary Society of the Methodist church will meet Wednesday afternoon, Aug. 1, in the parlors of the church, with Mrs. Walter Hawes and Mrs. W. F. Runner as the committee. Mrs. Ruth Roe will present the lesson on Malaya. Mrs. Wilma Hathaway, the mite box secretary, has charge of the mite box opening. Come and bring your mites.

W. B. A. Meeting
Tuesday Evening
The W. B. A. met at its hall on Tuesday evening. Prizes at buncos were won by Mrs. Margaret McDonald, Mrs. Hazel Huebner, Mrs. Eva Slate. The committee on entertainment comprised Mrs. Arva Markham and Mrs. Laura Babcock.

Entertains for Departing Guests
Mrs. Lydia Denney gave a dinner Sunday on the eve of the departure for Los Angeles, of her daughter, Mrs. Chester Randolph, and husband. Other guests were Mr. and Mrs. Arthur VanTone of Michawaka, Mr. and Mrs. Clarence Dempsey and daughter, and Mr. and Mrs. Paul Dempsey.

B. H. S. Class of '23 to Hold Picnic at Weko, Friday Night

The class of 1923 of Buchanan high school will hold a picnic supper Friday night, July 27, at 7 p. m. at Weko Beach, Bridgman.

This will be the second reunion of this class has held since being graduated from high school eleven years ago. The first reunion was held in 1924 and since the time of this meeting, two of the members have died, Sharon Sarver, Dayton, who was accidentally killed while hunting in northern Michigan, and Hillis Batten, Galien, who died from the results of eating a poisonous weed. Several of the class are many miles away, the farthest away being the former Ellen Vandervice, now Mrs. Robert H. Johnston, and lives in Chenoweth, Hunan, China and Charlie Bachman, who resides in Auburn, Calif., and Orville Taylor, who lives in Boston, Mass.

Members of this class have chosen many different occupations. Among them we find electricians, teachers, missionaries, gas and oil station owners, salesmen, stenographers, sailors, clerks, bookkeepers and doctors. There were 36 graduates in this class, which was the largest class at that time ever to have been graduated from the Buchanan high school and also the first class to graduate from the new high school building. It was this class who published the first Buchanan high school annual, "The Pines."

B. & P. W. Club Meeting
The Business and Professional Women's Club of Buchanan will attend a dinner at Christiana Lake as guests of the South Bend chapter of the organization this evening.

Attend B. & P. W. Regional Meeting
Mrs. Wilma Boone of Buchanan and Miss Maxine Showers went to Grand Rapids Sunday to attend a regional interstate meeting of the Business & Professional Women's Clubs, planning to return today.

Entertains on 70th Birthday
S. E. Fletcher was a guest of honor at a gathering held at his home at New Troy Thursday afternoon to celebrate his 70th birthday. Guests were his three daughters, Mrs. Lowell Swann and husband of Buchanan, Mrs. Robert Liskay and husband of New Troy, and Mrs. Earl Draper and husband of Davenport, Iowa.

P. N. G. Meets
At Wooden Home
The Past Noble Grand club met last night at the home of Mrs. Florence Wooden.

State Welfare Reports 5 Pct. Drop in Relief

June reports of the State Emergency Welfare Relief Commission showed a drop of 5.5 per cent in the number of families in the state needing aid either by dole or work relief. The net number of families dropped from welfare rolls during the month was \$671.

The total number of cases receiving relief during June was 144,467. Of this number 49,537 were given cash work relief and received \$2,085,411 of the total relief extended, which amounted to \$4,033,419. This indicated the extent of 51.6 per cent of the total outlay of relief. The 34 per cent group represents the heads of the larger families and the more employable, responsible and able-bodied relief clients.

The number of cases in each county of the state and the amount spent follows: Alcona, 218 cases, \$3,538; Alger, 394 cases, \$9,472.50; Allegan, 719 cases, \$8,043.32; Alpena, 517 cases, \$14,913.83; Antrim, 736 cases, \$9,980.38; Arenac, 360 cases, \$4,808.81; Baraga, 800 cases, \$15,459.78; Barry, 547 cases, \$7,956.30; Bay, 1,708 cases, \$50,851.45; Benzie, 593 cases, \$7,138.72; Berrien, 2,145 cases, \$45,382.65; Branch, 547 cases, \$10,303.56; Calhoun, 2959 cases, \$32,432.65; Cass, 629 cases, \$13,010.56; Charlevoix, 881 cases, \$14,334.33; Cheboygan, 894 cases, \$14,964.58; Chippewa, 707 cases, \$12,834.32; Claire, 619 cases, \$12,594.08; Clinton, 380 cases, \$6,711.83; Crawford, 329 cases, \$9,917.53; Delta, 205 cases, \$33,917.55; Dickinson, 2209 cases, \$48,730.30; Eaton, 623 cases, \$12,514.09; Emmet, 962 cases, \$12,871.78; Genesee, 2986 cases, \$88,895.17; Gladwin, 399 cases, \$6,066.11; Gogebic, 3865 cases, \$78,223.18; Grand Traverse, 825 cases, \$13,371.70; Gratiot, 667 cases, \$7,903.47; Hillsdale, 623 cases, \$8,480.48; Houghton, 533 cases, \$1,136,500.89; Huron, 451 cases, \$8,606.97; Ingham, 1091 cases, \$108,570.10; Ionia, 1140 cases, \$20,314.46; Iosco, 439 cases, \$581.34; Iron, 1891 cases, \$44,165.41; Isabella, 675 cases, \$12,938.31; Jackson, 3736 cases, \$91,896.57; Kalamazoo, 3322 cases, \$82,101.85; Kalkaska, 548 cases, \$7,138.91; Kent, 1167 cases, \$262,803.11; Keweenaw, 756 cases, \$26,291.77; Lake, 683 cases, \$4,795.75; Lake Superior, 687 cases, \$16,638.26; Leelanau, 265 cases, \$5,477.57; Lenawee, 1224 cases, \$22,903.72; Livingston, 315 cases, \$5,479.79; Luce, 305 cases, \$10,038.09; Mackinac, 642 cases, \$13,870.44; Macomb, 1646 cases, \$37,472.02; Manistee, 848 cases, \$17,647.81; Marquette, 3313 cases, \$63,550.79; Mason, 719 cases, \$22,807.07; Mecosta, 872 cases, \$16,502.95; Menominee, 1171 cases, \$22,530.07; Midland, 430 cases, \$9,440.78; Missaukee, 325 cases, \$4,163.35; Monroe, 915 cases, \$9,903.81; Montcalm, 741 cases, \$11,088.30; Montmorency, 324 cases, \$6,500.34; Muskegon, 3172 cases, \$83,467.29; Newaygo, 735 cases, \$9,621.14; Oakland, 6083 cases, \$183,625.01; Oceana, 373 cases, \$6,067.20; Ogemaw, 208 cases, \$4,795.75; Ontonagon, 1416 cases, \$28,497.40; Osceola, 606 cases, \$6,589.41; Oscoda, 160 cases, \$3,434.11; Otsego, 287 cases, \$6,079.74; Ottawa, 1624 cases, \$26,581.60; Presque Isle, 589 cases, \$7,853.73; Roscommon, 234 cases, \$5,254.62; Saginaw, \$2394 cases, \$42,618.11; 432 cases \$6,263.63; Schoolcraft, 455 cases, \$8,732.17; Shiawassee, 442 cases, \$20,681.00; St. Clair, 2438 cases, \$48,972.67; St. Joseph, 532 cases, \$10,065.44; Tuscola, 518 cases, \$7,602.52; Van Buren, 681 cases, \$10,078.72; Washtenaw, 1889 cases, \$82,519.37; Wayne, 40080 cases, \$1,617,393.40; Westford, 1272 cases, \$24,224.59.

State Diminishes Deficit \$26,000,000 Down to \$14,000,000

The aggregate weekly pay roll for Michigan's industrial plant workers for the month ending June 15 was \$9,844,583, a net gain of 70.7 per cent above the weekly pay rolls of the industrial worker during the corresponding period of 1933, it was reported today by the State Department of Labor and Industry.

The report also shows that living costs for the month were 25 per cent less than they were in the normal years of 1923 to 1926 and employment was 91.3 per cent normal.

The number of persons employed in the 1107 industrial plants included in the survey is given at 417,644, an increase of 70.7 per cent from June, 1933 to June, 1934. The number employed, however, is a shade less than the number at the machines and benches in May of this year. The reduction is caused by the seasonal condition always experienced in the industrial plants this time of year, the labor commissioners declare.

The transportation equipment industries employed the major portion of the industrial workers, the number being placed at 272,336. Of these industries the manufacture of automobiles employed 268,069 persons. The automobile industry employed 9.4 per cent fewer persons than were employed during the previous month. The weekly pay rolls of the automobile industry workers aggregated \$8,490,473 during the month, the report states.

and the rotary funds which consist principally of the revenue from the prison industries and miscellaneous sources which is not listed as tax revenue amounted to a revenue of \$4,118,900.69, making a total to be deducted of \$13,390,744.45 which leaves the net tax revenue at \$116,321,095.70.

Metallic Silver Helps Purify Drinking Water

Metallic silver in an ionic condition appears to exercise a very effective bactericidal action on the germs which are usually present in drinking water, says Scientific American. Various means of introducing silver ions into water are described in Chemical Age. An electrical method involves the passage of the water between silver electrodes through which a very small current is continually passing. By this method an effective number of silver ions are introduced into the water with the aid of a three to five milliamper current.

One of the earliest methods of purification was based upon the ability of water to take up silver by merely allowing it to trickle over glass beads coated with a very thin layer of the metal. A suitable small-scale plant consists of a 25-quart stone jar filled with a quantity of silver-coated glass beads which reduces the capacity to 18 quarts. The water is passed into the jar via a tube filled with silver-coated quartz fibers, and a velocity of half to one quart per minute suffices for thorough infection.

A curious feature of this catadyn process can itself be used as a sterilizing agent for mineral water bottles and the like. It appears that on allowing such silver-charged water to stand in a glass for several hours, a proportion of the ionic silver becomes transferred to the walls of the bottle and serves to sterilize any liquid subsequently poured into it.

SUGAR CANE GROWS HIGH
When sugar cane is growing it has somewhat the appearance of a great cornfield, although as a rule, the reeds are almost twice as high as the ordinary cornstalk.
