Plan Formation City Athletic Assn. for Year-Around Sports Mon. Eve

Now Here's the Proposition

New Neighbors
Well folks, we're all broken up this week on account of a transfer of heart interest. It will all clear up in time out you know, how those things hurt. We were watching the care, Lu and Em girls over the way when we saw Dr. E. T. Waldo carrying a big bouquet in there. Two-timing is one thing we won't stand for. So then we transferred our attention to the handsome dame and her escort on the big sign just south of the L. & M. She was a blossomy sort of thing and of course she had a handicap beside her but with a very small stretch of imagination we could put ourselves in his place. They were both smoking Chestertields, she with a feminine daintiness and he with the proper masculine air. He was saying something like "I like the likes of you", and she was coming right back with "Looks like you like them too," meaning Chestertields.

But here the first of the week along comes a big coarse man with a tin scraper on a long pole and moves them out and a family in.
We went over and talked to him but it was no use. He said they had stayed fifteen days longer than the rent was paid and they would just have to move. It seems they paid \$7.50 per month just for standing room on that signboard. They had rented the space only for the month of August and here it was the 15th of September and no rent. Well, it seemed tough to move two young things out, but life is like that.
The man said that he had eight signs in Buchanan of the "24 sheet size" and that he had no objection to their staying on one of them but if anybody else came along and showed him money, why he preferred the customer with cash. The new tenants are a happy family riding in a new model car of the moderately priced class. There is a man in the front seat with a happy baby beside him looking out the window, which gives us a shiver in case the door is not latched. The wife and the daughter are in the back seat. They are going north like nobody's business straight toward the south wall of the L. & M. building and the motto reads: "It's never far in a..." and he might add in any other car unless he jams on the brakes pretty quick.
The big coarse guy with the tin scraper and the paste board mop said they have two sizes of signs, one the 24-sheet size and a smaller 3-sheet size, referring to the sectional strips of paper which they join together to make the signs. The headquarters of the firm is in Niles and they have billboards from New Buffalo to Cassopolis. He said the reason that the young folks smoking the cigars probably didn't pay their rent was that they were all moving off the billboards into the newspapers and probably had their rent all arranged in their new home which was not bad judgment on their part and made us feel better about it.

Goodyear Salesman, Known Here, Killed in Auto Accident

E. H. Cargill, Goodyear tire salesman who had visited in Buchanan frequently, was killed on Monday evening when his car was sideswiped by a truck on Indiana State Road 29, a mile south of Knox. The driver, Arthur Simpson, Union Mills, was held pending inquiry. Cargill was 41 years old and is survived by a widow and a son. His home was in Valparaiso, Ind.

Imhoff Installs Flower Beds, Vases Riverside Grounds

Frank Imhoff, whose gardens at his home at 201 South Fortage St. has attracted wide attention not only for its landscaping but for the beautiful stone work made by the owner, is adding landscaping features to the Riverside Campgrounds this fall. He has built a large pyramid flower bed and installed a number of stone flower pots. He presented the editor of the Record with a garden vase, a handsome specimen of his handiwork.

ORGANIZATION TO ASSUME CHARGE OF ALL FORMS SPORT

Meeting at D's Cafe Friday Evening to Recruit Talent for Independent Football Team.

Amateur sport fans of the Buchanan community will meet at the D's Cafe banquet room at 7:30 p. m. Monday, September 24, for the purpose of organizing a city athletic association to take charge of all inter-city and inter-city athletics including independent football, a city basketball league, summer softball and baseball.

At the preliminary meeting held last Monday night it was the sense of the meeting that all sports be unified under one management to eliminate the rather costly hit-and-miss pattern which has characterized independent sports here in the past. It was suggested that membership in the contemplated association be of two classes: 1. Playing memberships for the younger men and boys, with a small membership fee; 2. Associate memberships for older men recruited from the business, professional, office and shop men, with a larger fee. It was suggested that such fees constitute a fund to finance all sports, relieving business men and others from the usual voluntary assessments which have supported such sports late in the past. The fund and the general management of the association is to be placed in charge of a directorate of business men, and the affairs conducted on a strictly business basis, according to plans. Players are to be selected only from the paid-up membership.

The meeting was in charge of Coach Wynn, who appointed the following committees arranged by general vote: constitution, Fredric Smith, Harold Boyce, and Robert Reamer; promotion, Walter Hayes, Frank Fabiano, William Baker. It was voted that a temporary committee be elected, to start independent football, and the following were named: Clem Savolli, Ward Conrad, Joseph Howard. It was voted that a meeting be held at the Cafe banquet room at 7:30 p. m. Friday, Sept. 21, for the purpose of recruiting membership for the independent football team and making arrangements to begin practice.

Wilson McLeod acted as secretary of the temporary organization.

Series Meetings at L. D. S. Church

There will be no services at the local Latter Day Saints church as the members of the congregation have been invited to attend a Rally Day at the L. D. S. church in Mishawaka.

Bible study will be held as usual at 7 p. m. Sunday evening in charge of George Seymore, and at 8 p. m. the members of Battle Creek will hold the first of a series of services to be continued throughout the week except Saturday.

Berrien Cass Area Council to Stage Boy-Fact Survey

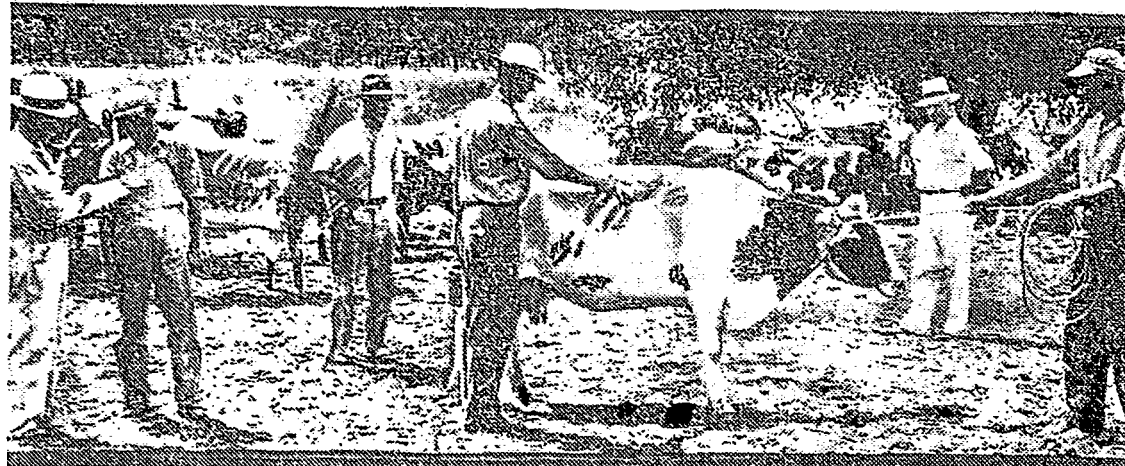

Under the direction of the Berrien-Cass Council of Boy Scouts, a Boy Fact Survey is to be made throughout the two counties. All the public schools including the rural schools have wholeheartedly approved the plan and are going to co-operate to the fullest extent. It is estimated that there will be over 7500 boys who will fill in the banks of the survey.

The survey does not deal with Scouting alone—but goes into the proposition of hobbies, leisure time activities, interest in different sports, school activities and several other items. It is felt that with this wealth of information the Council can assist greatly in helping the boys in many ways. The information is going to assist the District Commissioners in organization work and in placing new troops where they are needed.

The information will be available to any who are interested in the work.

Mr. and Mrs. Ray Wolfe of Kalamazoo, were week-end guests at the home of Mr. and Mrs. Enos Schram.

Putting Uncle Sam's Brands on Drouth Cattle

A federal worker with a brush and paint is putting a few daubs on Bossie's coat to show that she has been branded by Uncle Sam. Other cattle bought in the drouth area in Kansas are near-by waiting to be checked off and marked.

Pioneer Furniture Firms Southwest Michigan Merged

The Record has received the following notice from Carl Hamilton of a business change of interest relative to the merging of two pioneer furniture firms of southwestern Michigan:

The pioneer furniture and funeral establishment of the late E. J. Robinson, which was established in 1893, continues to operate under the name of "Robinson and Hamilton, Inc."

Mr. Robinson passed away two years ago. Mrs. Lula Robinson, who had been actively engaged in assisting her husband for several years, and has since operated the business with the assistance of a licensed embalmer, desires to be relieved from the direct management. She has announced the sale of part interest to Carl Hamilton of Buchanan.

A former statement in an outside newspaper gave the impression that the Hamilton Funeral Home would eventually move to Dowagiac. This was misleading, as the local firm which was established in 1916, will continue to operate as usual. The combined equipment of both places will be available at each funeral in Buchanan and enable us to give better service to our patrons.

We have associated ourselves with the Robinson firm for two main reasons: it will better enable us to carry the large number of funeral accounts which, owing to present conditions, makes it quite imperative. It will also increase our buying capacity as Mr. Hamilton has been appointed resident agent of the Dowagiac Corp. and will do the entire buying for both firms. This will enable us to give the lowest prices obtainable.

Bend of River Grange to Hold Booster Night

The second annual observation of Grange Booster night will be held at the Grange hall Friday evening, Sept. 28, instead of the regular grange session. The committee in charge of the arrangements is Miss Ruby Cuthbert, Mr. and Mrs. Riley O. Zerbe, Mr. and Mrs. Herbert Walton, who are planning a program of music, agriculture, grange history and fun, which will embrace the various features of a well-balanced grange program. Each member is asked to bring guests.

Family Subscribes to Record 61 Years

The Record had the pleasure Saturday of receiving the renewal of the subscription of Mrs. Rose Snyder of Mt. Tabor. Mrs. Snyder has been a regular subscriber to the Record in her own name for 53 years, and the paper was taken by her parents for eight years before that, starting their connection back in 1873 when D. A. Wagner, the founder of the paper, was still the publisher.

Riverside Park Program Committee To Meet Saturday

There will be a Riverside Park program committee meeting at the Evangelical church parsonage on Saturday morning at 9 a. m. Sept. 20. All members are expected to meet to plan for the 1935 Riverside Park program.

RAMBLERS IN PLACE AS D TEAM DROPS 1-0 GAME

Zimmerman and Seals Pitch Perfect Game to Win Deciding Play-Off.

Lorry Sherburn's fast-stepping Riverside Ramblers shutout D's Cafe, 1 to 0, last Thursday night at Liberty Heights park in a game to decide second position in the league and as a consequence is in possession of second place in the Buchanan softball league, which completed its summer schedule with this game.

It was a wonderful pitching demonstration. Frank Seals and Paul Zimmerman, who divided the pitching duties for the Ramblers, pitched a perfect game, allowing no hits and permitting no batsman to reach first base. And, too, Danny Topash, D pitcher, had a record almost as good. Save the first inning, when R. Sherburn scored the only run of the game as the result of two hits, the only bingles gained off Topash's delivery during the game, he allowed no hits. With one out, Sherburn singled and came home on Ramirez's double to right. Leo Zimmerman died at third as Seals rolled out to frame at second. Six D batters came down on strikes. Paul Zimmerman, pitching the first three innings, struck out four and Seals, pitching the last three, whiffed two. The game was called at the end of the sixth on account of darkness. There were but two D batters able to hit the ball out of the infield during the game. Frame flew out to Quick in left field in the second, and Quick also caught Donley's fly ball in the fifth. All the other were either infield balls or strikeouts.

Score by innings:

	R	H	E
Ramblers	100	00x-1	2 0
D's Cafe	000	000-0	0 1

Batteries, P. Zimmerman, Seals and Zimmerman; D. Topash and Penwell.

Umpires, Dokey and Simpson. Final standings of the eight teams in the local league are as follows:

Team	W	L	Pct.
Clarks	12	2	.857
Ramblers	10	5	.667
D's Cafe	9	6	.600
Hollywood	8	6	.571
Cowboys	6	8	.429
Bradley's	5	9	.357
Cities Service	4	10	.286
Clowns	3	11	.214

Parent-Teacher Meeting at High School Sept. 24

The opening meeting of the Parent-Teachers Association for the 1934-5 school year will be held at the junior high school assembly on Monday evening at 7:30 p. m. Girl Scout Troop No. 2, under the direction of Miss Maude State, will give a demonstration of their work. Supt. H. C. Stark will talk on local school conditions, on the help obtained from the FERA, and on plans for the coming year. All interested are invited to attend.

Arthur Knoblauch will drive to Lansing Saturday to attend a meeting of the directors of the Michigan State College Alumni association, representing the Michigan district.

Mary Barmore Incurs Fracture of Left Fore Arm

Mrs. Mary Barmore, 87, had the misfortune to fracture one bone in her left forearm when she tripped over the leg of an oil stove and fell at her home Saturday, striking the left arm against the neighbor. She was taken to Paving hospital where the arm was set and where she remained three days, when she returned and is now staying at the home of her neighbor, Mrs. John Ochenryder. Mrs. Barmore had been expecting the arrival of her niece, Mrs. Kitty Morris, Shelby, and the latter's daughter-in-law, Mrs. Blanche Morris, Lorraine, O., and jumped up hurriedly from her chair when she thought they were coming. Another niece, Mrs. Jeannette Conroy, Chicago, was present when the accident occurred. The others arrived soon afterward. She reports that the arm seems to be improving.

Camp 886 to be Hosts to Cass MWA Assoc. Here

M. W. A. Camp 886 will be host to the Cass County Association, of which the local camp is a member, at the local lodge rooms this evening. There will be a short closed session, followed by an open meeting which anyone interested may attend. There will be a short program followed by dancing and refreshments. Camps will attend from Niles, Dowagiac, Berrien Springs, Cassopolis and several other towns.

Fred Franz Named County Demo Head

Fred Franz, Niles, former sheriff of Berrien county, and present state liquor inspector, was elected Democratic county chairman at a meeting held at the court house Monday evening. He succeeds Glenn Haslett of Buchanan, who had held the position for two years. Vincent O'Neill, St. Joseph, stood second in the balloting for chairman.

To Attend Meet of Alumni Board State College

Arthur Knoblauch will drive to Lansing Saturday to attend a meeting of the directors of the Michigan State College Alumni association, representing the Michigan district.

BRANCH COLLEGE UNDER FERA MAY BE PLACED HERE

State Offers to Open Freshman College if 40 Enroll; To Be Taught by Unemployed College Graduates.

Buchanan may be the seat of a "freshman college" established under Emergency Relief Program of the State Emergency Relief Administration, the "may be" consisting of the necessity of securing an enrollment of 40, according to Supt. H. C. Stark, who received notification this week.

In the event that the Freshman College is established here, it will be under the jurisdiction of Western State Teachers College of Kalamazoo, which has twelve counties of southwest Michigan in its district. The college shall be open to all high school graduates and will be taught by a corps of teachers selected from among qualified unemployed college graduates who will be paid \$60 per month for their services. Students enrolling must affirm that they are financially unable to attend colleges in residence. It is likely that instruction will be given in the late hours of the afternoon, possibly from 4 to 6 p. m. on four days weekly. Students will receive credit for courses completed to apply toward a degree in any state college, including the University of Michigan. The courses will be to an extent adapted to the needs of their enrollment but will consist of regulation first-year college courses, including mathematics, literature, history, English, and other courses. In case there are less than forty students enrolling here, it will be possible to consolidate the students in a freshman college at Niles.

Supt. Stark stated that there would also be the FERA night school here similar to that carried on last winter in the event that enough students enrolled. These courses will be more of the nature of adult vocational and home courses.

Rev. Rice is Returned Here For Sixth Year

Announcement of the return of Rev. Thomas Rice to the local Methodist pastorate for his sixth year was greeted with much pleasure not only by the members of his congregation but by the community, in which he has established a place as a public-spirited citizen.

Rev. Victor Niles, who has occupied the Methodist charges at Galesburg, Dayton, for the past two years, was transferred to Fennville, Mich., near Saugatuck, and his place here was filled by Rev. C. J. Snell. Other appointments made at the 1934 conference at Traverse City were: Niles, R. E. Meader (fourth year); Three Oaks, Rev. W. E. Timms; Cassopolis, Rev. Amos Bogart; St. Joseph, Rev. O. R. Grattan; Benton Harbor, Rev. P. H. Mordick; Edwardsburg, Rev. S. W. Hayes. Rev. Henry Liddicoat, who occupied the Buchanan charge several years, was reapointed to the Stockbridge Avenue Methodist church of Kalamazoo. Rev. Mayland L. Jones, formerly of Buchanan, was transferred from Ludington to Hastings. Rev. Floyd Blewfield of Benton Harbor leaves that church for a city pastorate in Lincoln, Nebr.

78 Per Cent of City Taxes Paid at Closing Date

Seventy-eight per cent of the city's taxes have been paid in to date Sept. 15, last date. Mrs. Sanders will be at the city hall on Mondays, Tuesdays and Wednesdays until further notice and the taxes may be paid on these days.

The Riverside Park board of trustees will meet on Saturday evening at the Buchanan Evangelical church at 8 o'clock for reorganization and make plans for 1935.

Insurance Company Buys Building and Equipment 1st Nat.

The bank building and furnishings of the defunct First National Bank were purchased at public auction Friday by the Farmer's Mutual Fire Insurance company, which has been occupying quarters in the second story for several years. The sale is subject to the approval of the Federal Court of Grand Rapids. The insurance company plans to move downstairs early next month. The bank receivership will maintain its quarters at the bank until closed.

Mrs. Nora Leiter Expired Suddenly Stroke Apoplexy

Nora Ellen Leiter, widow of the late Elmer Leiter, passed away suddenly Tuesday evening, at 9:15 o'clock, following a stroke of apoplexy as she sat in her home reading.

Mrs. Leiter had attended the softball game in Buchanan in the evening in which one of her sons played. She had been in her usual good health and her sudden passing was a great shock to her family and the community in which she had taken a prominent part.

Nora Ellen Donley, daughter of John and Alice Dalrymple Donley, Bertrand township, Jan. 28, 1882, and passed away in the same community at the age of 52 years, 7 months and 20 days.

March 20, 1901 she was united in marriage to Elmer Elsworth Leiter also of Bertrand township. This union was born seven sons and three daughters.

Mr. Leiter passed away Dec. 31, 1921. Since then Mrs. Leiter has successfully operated her farm and reared her large family to fine young manhood and womanhood. Her sterling qualities and exemplary character endeared her to all who knew her. She was a devoted and loving mother and the sympathy of the entire community goes out to the family in their hour of bereavement.

Surviving are three daughters: Dorothy, Florence and Goldie; six sons, Lloyd, Floyd, Lester, Roy, Lewis and Dale, all at home. One son, Dean, passed away in infancy. One sister and three brothers also survive. They are, Mrs. Frank Wright, William Donley, Rollo Donley and Ollis Donley, all of Buchanan.

Announce Wedding Pauline VanEvery Glenn Jesse, Sept. 14

Announcement was made in the past week by Mr. and Mrs. T. E. VanEvery of the marriage of their daughter, Miss Pauline VanEvery, to Glenn Jesse, son of Mr. and Mrs. Roscoe Jesse, a singing ceremony having taken place Friday, September 14, at 8 p. m. at the Grace Evangelical church, South Bend. Rev. E. F. Roesti reading the marriage ritual.

The ceremony was witnessed by Miss Marion VanEvery, sister of the bride, and Milford Schultz. Both are recent graduates of the Buchanan high school, where Mrs. Jesse finished in 1932 and Mr. Jesse in 1933. The latter is employed in the Clark Equipment company offices.

After October 1 Mr. and Mrs. Jesse will be at home at 404 Berrien street.

Scout Troop 41 Enjoys Its Annual Watermelon Feed

The members of Troop 41 treated themselves to their annual watermelon feed at the troop's first fall meeting Tuesday night. Twenty-one scouts were present and a great quantity of melon was consumed.

The troop will hold a scavenger hunt Saturday morning. Each patrol will have a different list of objects to find and return to the hunt headquarters, which will be located in the downtown district. The Hollywood theater has offered a fine prize for the scout who is first to complete his list.

LOCALS WILL TRY FOR REVENGE FOR LAST YEAR'S UPSET

Coach Wynn Starts Inexperienced Team in Use of Minnesota Shift Formation.

The Buchanan high school football team will make its debut for the 1934 season on the home grounds Saturday afternoon, in a game with the Coloma high school eleven, in which the locals will attempt to retrieve a 7-6 upset victory won by their opponents last year.

Coloma is uniformly represented by good football teams and the 1933 eleven was rated as one of the toughest Class C elevens in southwestern Michigan. Although the up-country eleven which takes the field here Saturday is an unknown quantity at present, Coach Wynn states that his team will be satisfied with a victory by any margin.

Wynn has coached his team on a modified Minnesota shift system which practically eliminates the old-style quarterback position, the duties of team generalship being delegated to Danny Topash in a halfback position. Behind the line will be fullback, right and left halfback and blocking back. The latter player will not ordinarily carry the ball except when receiving forward passes down the field.

Coach Wynn states that he has no set line-up at present, and that future first-string membership will depend largely on the showing made by the players in the Coloma game. His tentative starting line-up for the game will be: center, Captain Denno; right guard, Rossow; left guard, Semple or Richards; right tackle, Holmes or Chittenden; left tackle, Hansen; right end, Hattenbach; left end, Juhl; blocking back, Dreitzler; fullback, Mangold; left half, Deeds; right half, Topash.

Reserve material which will likely see service sometime in the game is: reserve halfback, Trapp; reserve blocking back, Collings; reserve fullback, Habicht; reserve centers, Stevens and Kuntz; reserve full back or end, Strayer; reserve tackle, Myers; reserve guards, Newson and Spasek; reserve end, Ellis.

Myer is Batting Champ in Local Softball League

Twenty-two players in the Buchanan softball league, playing in ten games or more, hit the ball for an average of .300 or more in the season just closed and four of these athletes were in the coveted class of .400.

According to the records just compiled, Harvey Myer, outfielder and first baseman, who started the year with the Bradley Hair Trimmers and who finished the season with Clarks, league champions, was the best batter in the league. Myer played in ten games, was at bat 21 times and got 10 hits for an average of .476, 52 points ahead of Les Batten, Bradley outfielder and leadoff man, who played in 13 games, was at bat 33 times and got 14 hits for an average of .424. Dick Bachman, outfielder and first baseman, was third with an average of .405, and Tommy Marrs, Bradley infielder, was fourth with an even .400.

Officers of the league follow: president, Wilson S. McLeod; vice president, Fred Smith; secretary and treasurer, Jack Boone. John Hittle served with these officers as the fourth member of the executive committee. Umpires in charge of all league games were Dokey and Simpson.

Mrs. Marion Weaver is Recovering from Attempt at Suicide

Mrs. Marion Weaver, who attempted suicide at the Elza Mitchell home Thursday, is reported to be improving at her home on Chippewa avenue, although still confined to her bed. Friends to whom she confided her act probably saved her life by prompt administration of antidotes. She was given alcohol and a hypodermic and her stomach was washed out by a local physician, after which she was rushed to Paving hospital where she remained until Monday evening.

Correction

Last week it was announced in the Record that Clayton Spaulding was the winner of the hog-calling contest at the Legion Fall Festival. The name should have been Clarence Spaulding.

AT THE THEATRE

Will is Wild Boy in Latest Film Comedy

His wife wanted him to retire and play a little... but all play and no work makes Will a wild boy. That, in brief, is the story of Will Rogers' latest picture, "Handy Andy," coming to the Hollywood theatre next Sunday for a three day engagement. Advance reports from the previews say that is the funniest comedy of his career. And the high-lights of the story bear this out.

Will is getting along comfortably in his drug store, when his wife, Peggy Wood, persuades him to sell out. First he takes up pigeon raising, but he has to stop

that when his pets fly all over the house. Next he takes up golf with uproarious results. Then his wife and daughter, Mary Carlisle, persuade him to attend the Mardi Gras in New Orleans.

That's when things really begin to happen. Will begs off from attending the Mardi Gras costume ball.

Wandering around alone, he gets acquainted with a fellow druggist and his dashing girl friend, Conchita Montenegro. A few corks makes him change his mind about the ball, and he attends with Conchita, choosing a Tarzan leopard skin costume. A few more cocktails help persuade him to do a hilarious adagio dance with Conchita—and the ball breaks up in a riot.

Of course there's more to the story than that. Much more. Among other things, Will serves as Cupid in his daughter's romance with a young man his wife doesn't approve of. And there's a surprise ending that can't be tipped off in advance.

The wealth of detail that a historical motion picture production demands to insure its authenticity is revealed in "Operator 13," Metro-Goldwyn-Mayer's co-starring vehicle for Marion Davis and Gary Cooper, which opens as feature number one of a deluxe double bill at the Hollywood tomorrow (Friday) and Saturday.

The production is based upon the thrilling spy story, "Operator 13," the last best seller novel written by the master story-teller, Robert W. Chambers, before his death last year. One of the most hilarious comedies of the season, "The Merry Frinks" is scheduled as feature number two, with a full cast of Warner Bros. comedy stars, including Guy Kibbee, Hugh Herbert, Aline MacMahon, Allen Jenkins and Joan Wheeler.

The inimitable Jack Oakie with his Missouri accent and wisecracks, and Ben Bernie's music are the principal features in the hilariously funny "Shoot the Works," the Paramount comedy which opens for a two-day Bargain Nights run next week Wednesday.

The film is a comedy in rapid tempo. It takes music, song, romance—and a grand cast through a tempest of action which speeds its characters through side-shows, flea circuses, carnivals and the radio world, with intimate glimpses of each.

This film serves to establish Ben Bernie and his collection of musical lads. The radio star gives considerable lilt and jazz to the film through the playing of five outstanding songs, "With My Eyes Wide Open," "Do I Love You?" "Were Your Ears Burning?" "In the Good Old Winter Time" and "A Bowl of Chop Suey and You-ey." All things considered, there isn't an idle moment in the film. It is a comedy heartily recommended to people who want to laugh.

All Stars Shut Out Three Oaks Gazettes In Series Final, 7-0

McLeod's Buchanan All Stars won the third and deciding game in a series with the Three Oaks Gazettes Tuesday night at Liberty Heights diamond. The quick-breaking hooks of Frankie Seals, All Star pitcher, proved too great an enigma for the visiting sluggers and the All Stars shut out Three Oaks, 7 to 0, the identical score in which the locals defeated the Oaks on their last visit here on Aug. 7.

Seals held Three Oaks to two hits, both singles, struck out five batters and was invincible throughout the five-inning encounter.

The All Stars collected seven hits off Stevens' delivery. Three of these hits came in the first inning and, coupled with two errors, two walks and a wild pitch, netted Buchanan six runs before the inning ended.

Pfingst, with a triple, Leiter and Ellis, each with doubles, and Frame with two singles led Buchanan's attack.

After the first inning, Stevens settled down and pitched excellent ball throughout the remainder of the game, although the bunching of a single and double by Frame and Ellis in the third brought in the runner with Buchanan's seventh run.

The second game of the series was won by Three Oaks, 6 to 0.

The All Stars will play its last game of the season here tonight with the French Paper Co. team of Niles. The game will be played at Liberty Heights and will start at 6:15.

Score by innings:
All Stars 6 0 1 0 x—7 7 2
Gazettes 0 0 0 0 —0 2 3

ECZEMA I SKIN

There is a quick, positive relief from itching, burning, unsightly skin trouble. Do you feel as if your burning, itching skin irritation would drive you mad? There is no need to suffer longer. ZENZAL (a famous doctor's formula) stops the itching and burning so quickly many think it magic. ZENZAL aids nature to quickly restore a clear healthy skin. The first application soothes and cools, no matter how tender and inflamed the skin may be.

It is astounding, too, how a few applications of ZENZAL clears up a pimply, blotchy complexion. To aid in keeping skin healthy use ZENZAL. MEDICATED SOAP. ZENZAL is sold and guaranteed by CORNER DRUG STORE.

The Lark

Soaring aloft in the sunlit sky,
And darting among the trees,
Singing a song the whole day long,
Seemingly a part of the breeze.

Seemingly a part of lovely things
As, indeed, my dear, you are,
A compliment to summer sun
And to the evening star.

You, a brother to waving grain,
A creature of sheer delight—
Singing a song that's just for me
In the waning evening light.

—Franklin Lee Stevenson.

The above poem conveys a sincere thought of beauty.
We endeavor to attain that sincerity in our service.

Who Was the Ass?

At the banquet held on the conclusion of the Paris-Bordeaux automobile race track back in 1895, one of the speakers prophesied that at some future date the speed to be attained by a car would not be fifteen but fifty miles an hour. And at this it is recorded that one of the leading manufacturers present whispered to the chairman that it was unfortunate that there should always be one person who made an ass of himself.

Diamonds Do Not Melt

It is impossible to melt several diamonds and fuse the residue to make one diamond. The diamond can be burned in oxygen or air. It burns at about 850 degrees centigrade, according to hardness, before the oxygen blowpipe. It is infusible at the highest attainable temperature. Exposed to the intense heat of the voltaic arc, the diamond becomes converted into graphite at 3,600 degrees centigrade.

Weasel Kills Animals by Attacking the Ear

"The weasel," writes Bishop Pentapoulos, Norse rival of Baron Munchausen, "although small, kills animals of a much larger size, as the reindeer and bear. He jumps into one of their ears when they are asleep, and adheres so fast by his teeth, that the creatures cannot disengage him. He likewise surprises eagles and hawks, by fixing on them, and never quitting them, even when they mount in the air, until the loss of blood makes them fall down.

Farmers and sportsmen need no such ancient chronicles of the weasel's blood-thirstiness to convince them of the animal's destructiveness to poultry and game. It is the present day "Gyp the Blood" of wild gangsters, according to authorities.

The weasel is the smallest of all American purely carnivorous or flesh-eating animals. What it lacks in size it makes up in energy and ferocity. With no reindeer liable to be roaming about, except at Christmas, this pocket edition of ferocity may have reason for an insatiable appetite. These predators, however, hunt both day and night and kill far more than they can eat—for the sheer joy of killing. Prey consists of rabbits, squirrels, rats, mice, poultry and game birds. A weasel always attacks a vital part of its victim, such as the brain, back of neck or the jugular vein on the side.

Saved by new Vitamins of Cod Liver Oil in tasteless tablets.

Pounds of firm healthy flesh instead of bony skeletons! New vigor, vim and energy instead of tired listlessness! Steady, quiet nerves! That is what thousands of people are getting through scientific latest discovery—the Vitamins of Cod Liver Oil concentrated in little sugar coated tablets without any of the horrible fishy taste or smell. McCoy's Cod Liver Oil Tablets, they're called "Cod Liver Oil Tablets", and they simply knock wonders. A little boy of 3, seriously sick, got well and gained 10½ lbs. in just one month. A girl of thirteen after the same disease, gained 3 lbs. the first week and 2 lbs. each week after. Another mother who could not eat or sleep after baby came lost all her health back and gained 10 lbs. in less than a month.

You simply must try McCoy's at once. Remember if you don't gain at least 3 lbs. of firm healthy flesh in a month get your money back. Demand and get McCoy's—the original and genuine Cod Liver Oil Tablets—approved by Good Housekeeping Institute. Refuse all substitutes—insist on the original McCoy's—there are none better.

"I took your Tablets for painful periods. My back ached and I had cramping pains. This medicine relieved the pain immediately. I don't appear anymore." —Miss Helen Kolaski, 3906 N. Christiana Ave., Chicago, Ill.

3. Y. P. D. at 7 p. m. Evening sermon at 8 o'clock.

Christian Science Churches "Matter" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, Sept. 23.

Among the Bible citations is this passage (Exodus 3:7): "And the Lord said, I have surely seen the affliction of my people which are in Egypt, and have heard their cry by reason of their task-masters; for I know their sorrow."

Correlative passages to be read from the Christian Science text-book, "Science and Health with Key to the Scriptures," by Mary Baker Eddy. Include the following (p. 123): "The verity of Mind shows conclusively how it is that matter seems to be, but is not. Divine Science, rising above physical theories, excludes matter, resolves things into thoughts, and replaces the objects of material sense with spiritual ideas."

A welcome to all our services.

Seventh Day Adventist Sabbath School (Saturday) at 10 a. m. Lesson study, "A Holy Character Made Possible to the Remnant." Note: "Christ imputes to us His sinless character and presents us to the Father in His own purity. There are many who think that it is impossible to escape from the sin, but the promise is that we may be filled with all the fullness of God. We aim too low. The mark is much higher. When the soul surrenders itself to Christ, a new power takes possession of the new heart. A change is wrought which man can never accomplish for himself. It is supernatural work, bringing a supernatural elevation into human nature. The soul that is yielded to Christ becomes His own fortress, which He holds in a revolved world, and He intends that no authority shall be known in it but His own. A soul thus kept in possession by the heavenly agencies, is impregnable to the assaults of Satan."

Methodist Episcopal Church Thomas Rice, Minister. Sunday school at 10 o'clock. Mrs. Glenn Haslett and Arthur Mann are our superintendents. You are cordially invited to share these good things with us. Morning worship at 11 o'clock. The special music will be numbers by the choir under the direction of Mrs. Con Kelley. Sermon subject, "The Church Through the Ages of the Conference."

Epworth League at 6:30. Young people are invited to come and help plan to make attractive and helpful meetings for the new church year. This is a meeting for young people under the leadership of young people.

Evening service at 7:30. The special feature for this service will be a reading by Mrs. S. A. Boyer. The last number Mrs. Boyer gave in the church was well received. She is repeating it by special request. It is a very entertaining and helpful number that the entire family would enjoy. Mr. Rice will speak briefly on "Worthwhile Work."

Service at Ononoko at 9 a. m. This is a beautiful time to drive into the country for this hour of worship. You will enjoy the fellowship and the special features.

The O-4-O class will hold a party this Friday in the parlors of the church beginning with a potluck supper at 6:30. The officers of the class will be in charge.

Overcoming Discouragement

LACK of courage! How many worthy enterprises have failed of achievement because men have listened to this subtle argument! What a destructive influence it seeks to exert over the affairs of mankind; yet it is really nonexistent—a negative condition. Can there possibly be insufficient courage for him who refuses to give up his right to this ever available, unlimited spiritual gift of courage? During times of financial stress it is often necessary to draw deeply upon it, if one would prove invalid the mortal claims of lack that appear on every hand. A lesson in courage was gained by observing a young vine that had been carelessly planted in a rocky area against a brick wall. It had very little earth around its roots, and because of overhanging eaves, was deprived of rainfall. Yet, in spite of this, it had established itself. At first, progress aboveground was very much retarded, but at length a single stalk had climbed about two feet up the wall, when it was pulled down and broken off by a little child. One who had been observing the vine's persistence felt quite regretful to see its growth apparently thwarted, but a further lesson was learned when, within a short time, there grew from the broken end two branches where only one had been before.

For this little vine the business of turning out stems and leaves had to be taken care of. Instead of withering in the dry and stony ground, it thrust long roots down below the stones in search of moisture. From these deep roots the plant was well sustained, even through hot, dry summers. So the apparently unfavorable environment proved unable to prevent sturdy growth.

Those who are endeavoring to establish a business enterprise during a financial depression might well take a lesson from the vine. In such seemingly arid times, when business does not flow readily to the young concern, much courageous persistence is needed to continue spreading its roots beyond the disappointingly dry territory, thus the courage born of faith in God's sustaining laws will inevitably lead to profitable contacts. Strong, consistent, upward growth proves that this radical stand for progress yields good results. The withstanding of adversities may bring the experience which aids one in grounding his business so firmly on the knowledge of the truth that drought or storms are powerless to harm it.

The disciples making "a showing" must give place to the greater wisdom of first establishing a sound basis, for the overhead should not be more than the flow of business can sustain at all times. Even if a first achievement seems to come to grief, progressive expansion cannot long be checked if the foundation is well laid.

In "Science and Health with Key to the Scriptures," Mary Baker Eddy has written (p. 199): "The devotion of thought to an honest achievement makes the achievement possible. Exceptions only confirm this rule, proving that failure is occasioned by a too feeble faith." Any business, to be truly successful, must be built on an ideal of honest and loving service to mankind, and not carried on for personal gratification or selfish ambition. This is the true, it is indeed the "Father's business," and under the protection of the divine law of progress.

The disciple James writes, "If ye fulfil the royal law according to the scripture, Thou shalt love thy neighbour as thyself, ye do well." Since all legitimate business is based primarily on this ideal of service, this royal law should be the tap-root that stimulates growth. Christian Science teacher that such a service has within itself all the essentials for prosperous expansion.

Under divine law there is no unfair competition by which one business succeeds at the expense of another. The service that each one can offer is a God-given ability, and is as individual to each as is the perfume of the rose or color to the sunflower. Although growing side by side, one plant cannot deprive its neighbor of the characteristics that belong to it. It is cause for discouragement that grains of wheat can never become majestic oak trees? They can, however, develop into acres of grain, and who can say that these are of less importance than a forest of oak?

The world's divine law, which protected and prospered an honest enterprise in ancient times, is just as effectual today, and the commandment given to Joshua is still as imperative: "Only be thou strong and very courageous, that thou mayest observe to do according to all the law, which Moses my servant commanded thee: turn to the left to the right hand or to the left, that thou mayest prosper whithersoever thou goest."—The Christian Science Monitor.

Season Opens With Coloma

With the call of football at Buchanan about 70 men reported to Coach George Wynn on the opening day of school. Wynn has 6 lettermen back along with 31 who have had some experience in football. The others are freshmen and inexperienced sophomores, juniors and seniors. Because just two of the veterans, Rossow and Denno, are on the line, the coach has been emphasizing line play at present. The other four veterans, Deeds, Topash, Strayer, and Dreitzler, are in the back-field.

Therefore the football prospects look very promising this season. The Buccaneers face eight tough games, the first being Sept. 22, with Coloma. As the Bucks dropped a closely played game to Coloma last year by a count of 7 to 6, they will be coming down here with their spirits high while the Maroons will be out for revenge. Coach Wynn, who stepped into Coach Bradford's position, has been trying the Minnesota shift, which has been easy to learn. He also realizes that it is going to be hard to maintain the standards of the past, but he will have 11 men on the field fighting every minute. The schedule for this season is as follows:

Sept. 22, Coloma, here.
Sept. 25, Watervliet, here.
Oct. 6, South Haven, here.
Oct. 13, Niles, there.
Oct. 20, Cassopolis, there.
Oct. 27, St. Joe, there.
Nov. 3, Dowagiac, here.
Nov. 10, Western State, there.

Faculty Facts

"What didn't I do?" was the answer Mrs. Weaver gave when asked what she had done this summer. "Well," she stated, "I tutored a little the first part of the summer, but after that I went to Western State at Kalamazoo, finished my work, and got my Bachelor of Arts Degree. That's all and enough."

Mrs. Whitman said that for the first time in her life she tutored until August first. Then after that she visited and entertained friends and relatives.

Miss Negus worked at the Methodist hospital in Indianapolis from June fourth until August 31. Miss Quade spent most of her time at her home in St. Joseph, but, however, a few days were spent in Chicago at the World's Fair, and a week was spent at Yale, Mich., visiting friends.

Mr. Hyink spent his summer in summer school at the University of Michigan. He studied advanced mathematics.

Miss Hanlin had an adventurous summer travelling to Glacier and Yellowstone National Parks. Also, she went to Niagara Falls and on into Toronto, Ontario.

Mrs. Dunbar went camping for a few days at Dewey Lake and later on went fishing up north at Kitle Lake. The remainder of the summer was spent at her home and at the Century of Progress.

Mr. Moore spent a nice quiet summer at the University of Michigan in summer school.

Miss Shriver went traveling and visiting for a week in Gettysburg, Philadelphia and Atlantic City.

"Doc" Miller painted a little, witnessed a few baseball games and attended the Century of Progress.

It is lamentable to relate that Mr. Wynn found himself lost in such a labyrinth of words. However, rumor has it that three or four charming young teachers were doing their best to help him out.

On being questioned as to just what was served as "eats," the committee replied, "Spring chicken! Yes, my cherubs! Spring chicken, I said! Just how they procured spring chicken in the fall remains one of the better mysteries, but then they said spring chicken and I'm not one to dis."

Anyway, a good time was had by all, which is, after all, the important thing.

Conference of City Superintendents

H. C. Stark will attend a conference of city school superintendents which will be held Sept. 21 and 22, at Bay City in the Wenonah Hotel ball room.

Suggestions

Why will the students persist in running across lawns and cutting corners? The sidewalks were made to walk on. Why not then for this purpose? There is a full hour and ten minutes at noon so it is not necessary to take "short-cuts" to save time. Students should be careful, because the ruining of someone's lawn means trouble and expense for the people who own the lawn.

Also, quiet is the main thing in school, and all students should attempt to check their loud and boisterous laughter and loud talking while there.

The halls are not race tracks so it is not necessary for students to run here and there. Someone is likely to get hurt.

Microphone Staff

Members of this year's journalism class and students who are interested in reporting will make up this year's Microphone staff, which is under the direction of Miss Helen Hanlin.

Reporters are: Evelyn Dolph, Margaret Furner, Frances DiGiaco, Shirley Howard, Una Kelley, Esther Marsh, Alice Ruth, Elouise Squier, Winifred Shaffer, Ruth Strunk, Pauline Topash, Georgia Upson, Gray Best, Donald Blaney, George Semple, and William Zachman.

Calendar of Events

Sept. 4, School opened.
Oct. 11-12, M. E. A. a. Kalamazoo.

Oct. 26, Grade Musical.
Oct. 28, Mid-semester exams.
Nov. 29-Dec. 2, Thanksgiving vacation.

Dec. 14, Junior play.
Dec. 22, Jan. 6, Christmas vacation.

Jan. 11-18, Semester exams.
March 18-20, Mid-semester exams.

March 22, High School Musical.
March 23-31, Spring vacation.
May 10, Senior play.
May 27-31, Final exams.

LIBRARY DAY

On Friday, September 21, all students having books they no longer care for, books desirable for the school library, are requested to bring them to school.

The following books in particular and any of their type are especially desired:

Jane Eyre, Tale of Two Cities, House of Seven Gables, The Alhambra, Don Quixote, Silas Marner. Any book by Scott, Goldsmith, Austen, Dickens, Thackeray, Eliot, Meredith, Hardy, Stevenson, Conrad, Bennett, H. G. Wells, Galsworthy, Henry James, Garland, Wharton, Tarkington. Any standard collection of poetry, either old or new.

GUESS WHO!

This mysterious girl was born May 5, 1918, in Buchanan. She is a prominent member of the junior class, has black hair, blue eyes, and is the sweet type of girl. She likes Ford coupes with cut-outs. This girl lives on a principal street corner of our town near the business section.

There is also another person to be identified. This one is of male species. Name? Your guess is required.

He was born March 17, 1918, in Buchanan. His hobby is automobiles and engineering. He has dark brown hair and blue eyes, and is a member of the senior class. This person drives a '34 Chevrolet, is popular and above all has an Irish name.

Watch next week for answers.

Faculty Party

By Una Kelley

The faculty of E. H. S. and the members of the school board with their wives treated themselves to a very elegant dinner, to say the least, at the country home of Mr. Quinn Waters Monday, Sept. 10. That is, the committee, which comprised Mrs. Lura French, Miss Orrell Negus, Mr. Paul J. Moore and Mr. Ray Miller, dignified it by the term "dinner," but in reality it was just a good old-fashioned initiation for the new teachers to this new school, namely, Miss Boyer and Mr. Wynn, the physical education teachers respectively.

Mr. Moore, Jr. Hi teacher and last, but not least, Miss Anderson and Miss Bender, grade teachers extraordinary.

Weird tales have been floating around the halls of the terrible things done unto the poor dears (the new teachers, I mean). The fact of the matter is they got off rather easily. Too easily, if anything.

Mr. Wynn was asked to render a song but in strong words and firm gestures he declined, much to the secret relief of many present.

Mr. Moore upon being asked, pleasantly obliged. Miss Boyer was commanded to dance, but in tearful tones begged pardon on the grounds of a bad cold which had made her hoarse. Guests are still trying to figure out the connection.

Entertainment covered a wide scope, including in its range such excitement as bridge, hearts, anagrams, charades, and last, but by no means least, keyno!

There was also, it seems, a spelling contest given to the new teachers, members of the school board and their wives. And would you believe it? Only one person had a perfect paper! The list of words included such tongue-twisters as sacrilegious, battalion and naphtha. Look easy, don't they!

Class Activities

English 9-10

Students in English 9 classes have read "The Vision of Sir Launfal," by James Russell Lowell, and "Richard Doubledick," by Dickens. They have also started working on "Treasure Island," in preparation for a test that will come at the end of the month.

Simple, compound, and complex sentences were studied by the tenth grade English classes last week. They corrected faults in sentence construction and wrote various types of sentences.

Journalism

The journalism students have organized a temporary Microphone staff. They analyzed the construction of newspaper stories and last week took the chapter "How to Interest People." The class also collected news of events that have had historical parallels in former years and wrote articles pointing out the similarities of the events.

Commercial

Typing classes are learning the key board with the use of the first two fingers on each hand, under the direction of Miss Quade. Typing 12 class is typing short business letters this week.

Miss Quade's shorthand class is learning how to write the forward characters and rules for phrasing for this week.

The bookkeeping class has learned how to record sales and purchases and are now studying about the journal and journalizing.

Languages

The new book entitled "Latin for Today," by Gray Jenkins, is being used by the ninth grade Latin class. It is modern, easy and interesting.

A review of Latin pronunciation is occupying the time of the tenth grade Latin class. They are continuing grammar in last year's book before starting with new books.

French eleven students are having a vocabulary of fifty French words. They are also reading simple French sentences.

French pronunciation and translation of French is the work of the twelfth grade French class. There are quite a few French letters, brought in by the students

Mathematics Department

Casting out 9's as a check in multiplication and division has been the work of the 7th grade for the past week.

The eighth grade has been studying different methods of finding the per cent of games won in baseball leagues.

A special mathematics course is being offered this year to the students who do not expect to go to college after graduation.

To these students this course will be of more use than algebra because of its more practical nature. The text book that is being used is ninth grade arithmetic.

The first year students of algebra have been studying the operation of simple equations. Reviewing some of the fundamentals of first year algebra has been the work of the advanced algebra students.

The geometry students have been at work on introductory theorems about the congruency of triangles.

Science Department

Chemistry students are beginning work in the laboratory. Oxidation, which is the process of conversion of a substance into an oxide, is being studied.

Mr. Moore says that many peculiar and wonderful things are being discovered by the new students, some to the delight and enjoyment of the student, others to his great sorrow.

Simple machines are being studied by the physics classes.

Weight and pressure of air are two things with the eighth graders are learning about in their science class. They are also finding out of what air is composed.

History

The history ten class under the direction of Mrs. Whitman, is studying Egypt, the early civilization, for this week.

The twelfth grade history class is learning the causes of the colonization of America.

Ninth grade citizenship class is discussing the influence of the school on the pupil's life.

English 11-12

The senior English class has adopted a new plan. The new unit system that they are following is recommended by the University high school, University of Chicago. The plan for the first semester is as follows:

1st six weeks, work on drama; 2nd six weeks, work on essay; 3rd six weeks, grammar review. Second semester: 1st six weeks, narrative poetry; 2nd six weeks, lyric poetry; 3rd six weeks, undecided, possibly Contemporary Literature.

For three weeks the seniors will write for 15 minutes a day on the various topics of the informal essay. The last three weeks of the unit will be given over to the formal essay and precise writing.

The juniors are working on the study units, "Old English Literature," and "Chaucer and His Times." One section chose to use the discussion method and the other section the contract method.

The units handed in are to be criticized, compared, and judged to see which is the better to use from then on.

Girls' Physical Ed.

The gym classes are practicing soccer drills during the class periods. Soccer practice is being held after school. Class teams are being organized and the tournament will be played off next week.

Posture examinations are the work of the hygiene periods.

G. A. meetings are being organized.

Speech

For this week the speech class has started to outline the work of speech.

7th History

Maps of the three important trade routes to the East have been completed. Spanish colonization in America has been studied.

8th History

The making of the Constitution has been studied in the past week.

8th English

Theme writing for the English classes were reviewed by the students. The students had their own choice of subjects.

Typing Classes

The typing classes were surprised last Wednesday to find two Royal typewriters replaced in the room.

Home Ec.

The 10th grade home economics class under the direction of Miss Negus, is working on home decoration projects. They are making notebooks on planning the different types of homes.

The 8th and 9th grade girls, who were working in on this, have a general review and canned fruits and jellies.

The 7th grade home economics class learned how to use their equipment and sewed temporary stitches.

The Music Dept.

The music classes, consisting of the glee clubs and the lower grade classes, have had rehearsals.

Manual Training

All shop classes 7, 8, 9, are studying preliminary drawing. This consists of elementary mechanical drawing and working drawing. Mechanical drawing classes, both first year and advance, are working on lettering plates.

Library

A new library rule has been made this year. Books over due are 2c a day for week days, but week-ends there is no charge.

The new books which have been added this year are: Twenty National Geographic volumes starting with January 1922; two books of "America at War" by Newton D. Baker; "When the Stars are Out," Robert H. Baker; "The Ship Without a Crew," Howard Poes; "The House That Jill Built," Anne Maxon; "The Treasure of the Isle of Mist," W. W. Tarn; "Jean Lafitte," Mitchell Chamley; "The Conquest of Mexico," William H. Prescott; "Children of the Covered Wagon," Alexander, the Tale of the Monkey; "The Good Friend"; "Vanishing Wilderness"; "Blue Bonnets for Lucinda"; "One Day with Sam in Sumatra."

There are 60 books which have been rebound and are now in use.

From the Editor of The American Boy

During the coming year, the boys of America will get a hard fare rate to adventure and fun! The American Boy—Youth's Companion, the nation's leading magazine for boys, formerly \$2.00 a year, now costs \$1.00. A three-year subscription, previously \$3.50 costs only \$2.00.

Griffith Ogden Ellis, editor of The American Boy, brings boys the hearty assurance that the new prices will in no way affect the editorial content of the magazine. It will be as large, as beautifully printed, as full of high-spirited adventure as ever.

"The American Boy's leadership has been no accident," Mr. Ellis states. "We publish the magazine on the firm belief that boys deserve a magazine as good as any publication for grown-ups. So we use the best illustrators obtainable, well-known artists who work for the biggest magazines. We send our staff writers all over the country digging up the interesting facts of science, inter-viewing the world-famous explorers, talking to coaches and athletes.

"We encourage and assist our writers to go everywhere for material—to Haiti, Africa, the South Seas, China—and bring back adventure for American boys. We hire experts on hobbies and boy problems to advise boys and young men. These steps account for our position as the quality magazine for boys, and we shall continue to take them."

Twelve issues of fun and excitement for \$1.00! Three years for \$2.00! Spread the news among your friends—and send your own subscription direct to The American Boy, 7439 Second Blvd., Detroit, Mich. Service on your subscription will start with the issue you specify.

1,000 Scouts to Attend Notre Dame Texas Grid Contest

Scout Executive Oscar Noll received word this morning to the effect that the Berrien-Cass Council of Boy Scouts have been invited to attend the Notre Dame-Texas game as guests of the University on Oct. 6th.

Each year the council has about 1,000 boys and 200 drivers attend and it is expected that the number will be still greater this year. Only registered troops in good standing are eligible to have the privilege, and registrations are now coming in. An immense amount of detail is connected with a project of this type as every Scout attending must be checked with official records at the gate.

Arrangements are also being made so that outstanding Scouts may have the privilege of ushering at the University of Michigan games at Ann Arbor. This Council has always had this privilege in the past, but this year still more boys will be used.

Invitations are also being lined up for the boys at Purdue, Ill., Northwestern and Lansing, Mich. Lansing and Illinois games are scheduled for the 29th of September. Many boys from the Council are already lined up for these two games.

Business of Probate Court During Week

Judge Malcolm Hatfield has entered the following orders in the Probate Court during the past week:

A petition for the appointment of an administrator was filed in the Solomon Sweeney deceased estate. An order for publication was entered on the same.

The will of William Wray, deceased and a petition asking that the same be admitted to probate was filed. An order for publication was entered.

Bonds were filed and letters of administration were entered in the J. Roderick Marble, Kittle E. Wilson, Jennie Brown and Louis Geller estates and letters testamentary entered in the Frank X. Rist and William Birkett estates.

Inventories were filed with Judge Hatfield in the following estates: Kate A. Miller, Mary F. Wyant, Mary A. Clemens, and August Kenke, deceased, and Ora Louise Noble, minor.

An account was filed in the estate of Jesse Willis, deceased. A final account was filed in the Jens P. Anderson, deceased estate.

A petition asking for authority to sell the real estate in the estate of John Sweeney, deceased, was filed. An order for publication was entered on the same.

Claims were allowed in the estate of Louisa Larson, deceased.

Judge Hatfield closed the following estates during the past week: Ambrose Lambertson, deceased and Nellie M. Parks, minor.

Stars Meet French Team Tonight; 3rd Title Game Friday

There has been a softball program at Liberty Heights every night thus far this week and this will continue tonight and tomorrow night and Saturday will be the only night of the week that softball activity will be stilled on the Heights grounds.

Tonight (Thursday) beginning at 6:15 o'clock the French Paper Co., team, a leader in the Niles league race just closed, will play the biggest game of the season, the French team against his All Star teammates. Zimmerman or Proud will be the All Star pitcher.

On Friday night will occur the third game in the five-game series for the city championship being waged between the Wilson Dairy and Brodrick Drug teams. Should a fourth and fifth game be necessary these will be played next week, on Wednesday and Thursday nights. In this third game of the titular series, either Proud, who allowed the druggists no hits in the first game a week ago, or Seals will be the starting pitcher. Paul Zimmerman will probably be on the mound for the Brodrick team.

The second game in the Wilson-Brodrick series was played Monday night of this week. The All Stars played the final game in a

three-game series with the Three Oaks Gazettees Tuesday night, and on Wednesday night, Clark and Ramblers clashed in an exhibition game.

John G. Holmes Tells of Origin of Hell Raisers

Editor Record

Another "Old Time" story from Classical Dictionary by J. Lemprie, London, 1812: Pluto, a son of Saturn and Ops inherited his father's kingdom with his brothers, Jupiter and Neptune. He received as his lot the kingdom of hell, and whatever lies under the earth, and as such he became the god of the infernal regions of death and funerals. From his functions and the place he inhabited he received different names. He was called Hades, Agelassus, Orcus, etc. As the place of his residence was obscure and gloomy, all of the goddesses refused to marry him. Once when he was on the surface after a severe earthquake he discovered Prosperine, the daughter of Ceres, and grabbed her and took her to his home where she was made queen of Hell and more along that line.

There is where we get the idea of calling our modern hell raisers. "The underworld."

DEPOSIT INSURANCE

Current savings and checking accounts and certificates of deposit are now insured up to a total of \$5,000.00 for each individual depositor, according to the terms and to the extent provided by the Banking Act of 1933.

The exact cost to the bank for this insurance is not definitely known as it is on an assessment basis, but the first assessment was one-fourth of one per cent. The estimates of probable future cost vary from one-fourth to one-half of one per cent per annum of the total deposits.

First of all, a bank carries fire, cyclone and compensation insurance, the same as any other business.

Then in addition, a bank must carry insurance against burglary, with possible damage to safes and vaults, and against daylight hold-ups in recent years the cost of this insurance has become very high.

A bank must pay the premiums for surety bonds on all active officers and employees.

Shipment of bonds, currency and coin must be registered and amply covered by insurance to protect against loss in the mails or in delivery. Also other minor types of insurance.

The bank has to pay for the cost of semi-annual examinations by the Banking Department.

The cost of all this is little realized by the average customer, yet most of it is for his protection. This type of expense has been growing year by year and is today a heavy burden, all, however, of the greatest value in increasing the safety of the depositors.

A telephone is a convenience... provides protection... is a social and business asset. You can have telephone service for only a few cents a day.

To order a telephone, call, visit or write any Telephone Business Office. Installation will be made promptly.

MICHIGAN BELL TELEPHONE CO.

The days of the "3 R's" have returned for 1,382,630 of Michigan's school children...

Railroad taxes—\$7,829,198 in 1933-34—go directly toward the education of those youngsters.

Railroad taxes are the bulwark of our primary school fund. But now those tax payments are in danger.

Unfair, inequitable competition, particularly from unregulated trucks, has so cut into the railroads' income that their tax payments have become a problem. If this situation continues those tax payments inevitably must stop.

To the extent that the railroads are destroyed as a source of tax revenue the payments they now make will have to fall upon the citizen.*

Can he afford, then, to permit the job of transportation to be shifted largely from a tax-yielding agency—the railroad—to a tax-consuming form of transport? Is he ready to take on this added tax-burden?

The railroad problem is deplorable, but not beyond remedy. It can be solved within our legislatures.

Our next Michigan legislature should see that motor trucks and buses are taxed to meet fully the costs to the public which their operation entails; that they submit to regulations comparable with those governing the railroads, and, in addition, that they contribute equitably to the general expense of government.

Michigan and the "3R's" need the railroads. And the railroads need constructive legislation. It is only fair that they be given at least an equal chance.

MICHIGAN RAILROADS' ASSOCIATION

*If Government ownership should come, the railroads as a function of government, would be as tax-free as the Navy or Postoffice Departments now are and the taxpayer would not only have to make up the 400 millions in taxes annually paid by the times but would be further taxed for their operation.

THANKS!

To the Editor of the Berrien County Record:

On behalf of the Buchanan Softball League, I wish to extend to you the sincerest thanks of the other officers of the league, the 120 players that constituted its playing roster and myself for the abundant space you gave the weekly progress of our league race in the columns of your valuable newspaper and the fine, wholehearted co-operation you and your staff gave in making our league season the success it was.

The league just closed a most successful season. There was no rowdiness and all of the players on all the eight teams conducted themselves above reproach, displaying the finest exhibition of sportsmanship. The race was a walk-away during the first half of the season, with Hollywood out in front with six straight victories and no defeat as the first seven-week period closed. It was a different story, however, in the second half, and was a keen race from midseason until the playoff game after the season's play in which the Ramblers and D's Cafe played off their tie for second place, the former winning one of the best games played this year.

The Clark team played consistent ball throughout and won the pennant, against the thrusts of the Ramblers, Hollywood and D's Cafe, which pressed the leader at all times. As a result of having won the league pennant, the members of the championship Clark team will each receive a bronze Russell-Chevrolet trophy, donated by John F. Russell, local Chevrolet agent. It is expected these trophies will arrive this week and will be given to the members of the Clark team at a testimonial dinner to be given the team by E. S. Clark, president of the Clark Equipment Co., within the next few days.

Again thanking you, I am,
Most sincerely,
Wilson S. McLeod,
President, Buchanan Softball league.

Co-ops Win From Blues 7-2 Second Game Next Sunday
