Playing on the Sidewalks

Buchanan authorities have for a long time cast a lenient eye on the use of the sidewalks by the young people for roller skating, bicycle riding and other recreational purposes, but it behooves those same young people to remember that the quickest way to lose a privilege is to abuse it.

Realizing the danger of bicycle riding in busy streets, one should not be too quick to deny the use of the sidewalks to the riders. But one day in the past week we saw two young riders racing southward on Days avenue, on the sidewalks on opposite sides of the street. On sounding their horns, leaving accidents went at top speed, passing pedestrians from behind without dents to Providence. One collision and these young scorers will find themselves relegated to the street to take their chances with the automobiles.

The sidewalks are also used for other recreational purposes. Some young gentlemen engaged in a game of catch on the sidewalks on Saturday, breaking a neon advertising sign and leaving without taking the responsibility. A short time before they broke a windshield in the same manner. The city has two parks for such play with a paid staff of directors. The young folks ought to "play ball" with the city by playing ball where it is supposed to be played.

Hollyhocks

Last spring we rather apologetically promoted the idea of cleaning the weeds out from the vacant lots behind the stores on the north side of Front street east of Main and planting hollyhocks there that would more attractively fill the lots and also hide some eye sores in the background.

Lately the papers have been carrying stories that make us less apologetic about the idea. Cities all over the country have been bragging about the size of their hollyhocks. The Associated Press carried a story of hollyhocks eight feet tall in an Ohio town. Niles came forward with hollyhocks ten feet high. And now comes Dowagiac with 12-foot hollyhocks. We have measured any Buchanan hollyhocks, but a few rows six feet tall in the right places could hide a lot of ugliness around here.

Saugatuck is going in for hollyhocks with no apologies to anyone. They have been planted in waste ground all over the city. Where they are not suited the city is getting ready to plant 5,000 iris bulbs.

There is some criticism of the hollyhocks on the ground that it is prone to spread, crowding out other vegetation. But there is nothing on the vacant lots behind the stores that they could hurt.

Stealing Flowers in Graveyards

Two worthy local ladies asked us if we could not say a few words to discourage the practice of stealing the flowers from the graves in the cemetery.

They had lost some plants they placed in urns on Oak Ridge graves. We told them we hardly believed that it would help to say anything about it. While the people that steal flowers from such places may be worthy in some respects, their consciences may be pretty calloused. They must know what they are doing and they must be beyond all consideration of any scolding that we could do. So we told the ladies we would be wasting space in remonstrating. And we didn't intend to say a word.

Is School Consolidation Coming?

There is one department of progress if progress it be, in which Michigan has lagged, and that is in the consolidation of rural schools.

The experimental abandonment of the Hills Corners school raises the question as to whether there will not be an early movement for a general consolidation of the schools of the state, marking the beginning of the end of the old one room rural schools that still dom-

RECORD SPONSORS CITY TITLE PLAY

Entries in Eight Events to be in by August 14.

The new city tennis courts at Athletic park will see the hottest play of the season begin Friday, Aug. 16, when the city championship tournament sponsored by the Berrien County Record and directed by the recreation department gets under way, to run two weeks to the finals.

George Wynn, director, states that all who wish to enter the tournament are requested to give their names to himself, John Miller or Don White by Wednesday, Aug. 14, although entries will be accepted later for sufficient reason. It will be necessary to register for playing time on the courts with one of the above three recreation directors.

The play will include the following classifications:

- Men's singles.
- Women's singles.
- Boy's singles.
- Girl's singles.
- Men's doubles.
- Women's doubles.
- Boy's doubles.
- Girl's doubles.

The handsome trophies and medals may be seen mounted in the window of the Smith Men's and Boy's Store.

Co-ops Lose Close Game to Owls Athletic Club

The Buchanan Co-ops lost a good ball game to the South Bend Owl Athletic Club Sunday afternoon at Letcher's diamond, the South Bend nine getting one earned run, and each team garnering one from errors.

Kell made the star play of the game with a perfect catch in center field and a throw to second base that stopped a run.

Inadequate education in country sections. If the expense of the consolidation can be worked out satisfactorily, it would seem that it would be a move in the interests of more efficient education.

At that there will be some sentimental regret for the passing of old schools such as the Kausas, Holmes, Miller, and Rough schools that have educated many generations of students since before the Civil War.

For More Beautiful Highways

The old principle of cleaning out every vestige of natural growth and leaving a big, ugly scar across the face of nature wherever a highway was established is giving way to new ideas of conserving roadside beauty. It took a long time for the highway builders to come to this better point of view. In the past considerations of natural beauty have been discarded as unimportant and impractical. They are neither. Increased use of the automobile in leisure-time and recreational activities, as well as for purely business purposes, makes it more important that the highways, while being safe and durable, convenient and time-saving, should be attractive, restful, and enjoyable. The place to begin is in conserving the natural beauty of the countryside, this to be followed with suitable planting of trees and shrubs, where the handiwork of nature has been ruthlessly disturbed in the past.

Orchard Hills

The Orchard Hills Country club will hold its annual meet at the club house, Tuesday, Aug. 13, at 7:30 p. m. Important business will be up, including the election of two directors from Niles and one from Buchanan.

Only Bill Bohl of the Buchanan players remained in the 12 survivors of Orchard Hills handicap tournament at the end of play Sunday. Ted Lyon having lost to Casper Grathwohl. The remaining twelve have until Oct. 12 to determine the title.

Parings for the next flight which is to be completed by the close of play Sunday, Aug. 11 and the number of handicap strokes given are as follows: Hull (7) vs. Bailey, Carrigan (2) vs. Nicholson, Funk (1) vs. Bob Zellers, Owen vs. Ellison (3), Goon vs. Grathwohl (17), Bohl (3) vs. French.

Announcement of the playing of the Ellison vs. Grathwohl match will be made at least one week prior to the date it takes place. The Country club course will be open that day free of charge to all who care to join the large gallery that will follow this match.

County News

The sum of \$200,000 has been appropriated from federal work funds for a soil erosion project in Berrien and Van Buren counties. The program involves a land use and land treatment plan to curb erosion by wind and water.

The New Troy school board has bought a new 45-passenger bus to accommodate the Glendora students as a result of the merger of the two schools. The board will soon meet to award contracts for transportation for the Sawyer, Harbert, Hills, Gallien and Glendora sections.

Tentative plans for the proposed new village and township hall for the village of Coloma and township of Coloma were presented at the meeting of the Coloma Civic Association on Monday evening by Supervisor A. W. Baker. The building calls for a structure 40x70 feet of fire proof construction, of brick and stone and of an Old English style front. It is to be two stories in height with a full basement.

In the front of the basement, the plans call for a general meeting or assembly room 37x37 feet for holding caucuses, for recreation purposes or any other use to which it may be desired. In the rear of this assembly room are located a storage room 12x18 feet, the boiler room, the fuel room and a storage room.

The headquarters for the fire department equipment would be on the south side of the main floor of the building in a room 22x54 feet with a tower at the rear for the hanging of the fire hose for drying. On the south side of the front of the building would be located a room 15x34 feet to be used as a reading room, assembly room and a library.

Fledgling Aviators Report a Fine Time

Messrs. Everett Watson and Ray Juhl, who enrolled recently for three years in the ground aviation school at Selfridge Field write that they are now buddies there, together with a mutual friend from Dowagiac, and are over their homesickness and enjoying themselves. They get first six weeks training in general orders and then enter classes. They get \$21 per month and board and clothes, living in the beautiful new camp at Lake St. Clair. Last Wednesday they had free tickets for the air show in Detroit.

Fire Dept. Transfers Truck to New Chassis

The old fire department truck transport has been mounted on a new Chevrolet chassis replacing the 15-year-old chassis which had developed a penchant for laying down on hills. The transport carries hose and ladders. In driving the old chassis to a state line junk yard which bought it the driver had to take three runs to get up the Days avenue hill.

DELINQUENT TAX COLLECTION IS ON

First of 10-Year Installments to be Paid by Sept. 1.

Payments of delinquent property taxes have already started to roll into the county treasurer's office in the first week of the state's big push to reduce the back tax burden under which state, county and local governments are staggering.

Three reminders to taxpayers are being stressed in the campaign:

1. All penalties and interest on taxes for 1932 and prior years will be waived provided the original amount of the tax shall be paid on or before Sept. 1, 1935.
2. Taxes for 1932 and prior years can be paid in annual installments over a period of up to ten years, starting Sept. 1, 1935, with only a four per cent interest charge on deferred balances.
3. Regular taxes for 1933 and 1934 may be paid without interest or penalties before Nov. 1, 1935, a four per cent collection charge being added.

The provisions apply to state, county, municipal, village, township and school taxes, as well as most city taxes. Delinquent taxes for all years except 1934 not paid in accordance with these provisions must be offered for sale in May, 1936, by the Auditor General.

State News

The meat-buying strike, initiated two weeks ago by Ham-tramck housewives, threatens to spread over the entire Detroit area and force the closing of all meat markets.

Pickets were withdrawn Monday with the announcement by the strike committee that such methods would henceforth be used only on Fridays and Saturdays. Ten pickets were arrested Saturday, but police stated that such arrests were not for picketing but for other infractions of the peace. Police Commissioner Pickett refused to consider the mobilization of troops to defend property, stating that the police were competent to handle the situation.

Murray D. VanWagoner, state highway commissioner, defied Governor Fitzgerald's order, for a five per cent cut in all state administrative departments, asserting that the governor himself had increased the payrolls of the departments and immediately under his jurisdiction 40%.

The governor hired George R. Thompson as his financial adviser at \$4,000 a year. Thompson outlined economy cuts in other administrations, but the day his economy program went into effect his own pay was raised \$2,000 per year. Records in the office of the auditor general show that employees in the executive's office are paid at the rate of \$27,500 a year as compared with \$20,935 a year ago.

Clark Equipment Employees Fete Berrien Spgs. Aug. 24

The annual picnic for the employees of the Clark Equipment Co. is scheduled for Saturday, Aug. 24 at Indian Fields, Berrien Springs. An attractive list of contest prizes has been arranged and, weather permitting, it is expected that the attendance will be the greatest ever.

Committee chairmen are: transportation, Frank Imhoff; grounds, H. M. Graham; prizes, Jack Boone; "committee by itself," Richard White; sports, Glenn Jesse; safety first, A. H. Kibhn; entertainment, Arthur Johnston; cards and bunco, Alta Rouse; publicity, C. D. Arnold; finance, Jack Boone.

Later announcement will be made on transportation arrangements.

Blues Out for Revenge at Glendora Next Sunday

Next Sunday the Blues tackle the cocky Glendora Wolverines there. The Wolves are one of the two league teams that have defeated Buchanan this season but it took ten innings to do it. So if you want to see your local ball team in a fighting mood, go to Glendora Sunday and see two real-ball clubs do battle.

The probable battery for Glendora will be Wyckoff, star speed baller, on the hill, and "Happy" Crouch behind the dish. For Buchanan you will see Dan Tonash on the firing end and Aug. Topash on the receiving end.

Buchanan Women Attended Crystal Springs Over 50 Yrs.

Ed. Note, held over from last week.

Crystal Springs Campgrounds. Several of the local Methodists who attended the Diamond Jubilee at the Crystal Springs campground last week were eligible for the specially honored group of those who had been attendants over 50 years.

Mrs. Mariette Redden had attended 57 years. One year she went to the campground but was unable to attend the session on account of illness. Others whose attendance had passed the 50 year mark were Mrs. Emma Knight and Mrs. Mattie Smith, whose father was a trustee of the campground association for 20 years, following his arrival here in 1868. Soon after he came to Buchanan he built the cottage at the grounds which his daughters still own and occupy for several weeks every summer.

Mrs. W. F. Runner had attended 47 years.

The first camp meeting held at the Crystal Springs ground was in 1860. Meetings had been held for four years previously in Edwards grove near Pokagon. At first the ground was leased and no permanent improvements were made. The preachers stand was a combination pulpit and dormitory. In front was the open pulpit; in the rear were the quarters to lodge the ministers who preached. The grounds were lighted by wood fires on platforms of sticks covered with earth, elevated on four forked sticks.

On March 15, 1861, 10.9 of the leased ground was bought for \$250. In 1863 five acres more ground were bought for \$250. On the night of July 17, 1868 all of the cottages on the ground except two were burned. The burned district is now the maple grove north of the tabernacle. No meetings were held that year.

In the fall of 1870 a chapel 20 by 30, two stories high, was erected. In 1873 a state fish hatchery was located on the grounds. In 1876 the auditorium was enlarged to seat 3,000 people; 20 acres were bought for \$1,000; waterworks were established, a daily paper was published for the camp.

From 1875 admission charges of 10c for daily sessions and 25c for season sessions was charged. In the early eighties the admission price on Sundays was raised to 25 cents and later that was made the daily charge. In order to raise more money for fuller programs, a plan of \$5 initiatory lease price and \$1 per year fee for the lots was adopted. This had the unfortunate effect of practically stopping cottage building, which was never resumed to the previous extent. The higher admission charges also proved unpopular and the attendance diminished. The admission price was dropped to 10 cents a day again in 1894.

CITY DADS HOLD SEWER MEETING

Taxpayers Authorize Preliminary Cost Survey.

A special meeting of the city commission will be held this evening to make plans for a preliminary survey with a view to securing an estimate on sewer installation in Buchanan as a Works Progress project.

The meeting was authorized at an open meeting of taxpayers held Friday evening which voted unanimously that such estimates be secured. Mayor Merson indicated that the city would first consider trunk line sewers for Chicago, Roe and Fourth streets.

In the event that the work is done under the Works Progress set-up, a grant of as much as 80% of the cost may be secured and no bonds will be required. If done under the Public Works Administration a grant of 45% will be secured and bonds issued for the remainder. If revenue bonds are issued they will be paid on the basis of the amount of water used.

Six Buchanan Players Enroll in Tri-City Band

The Tri-City band composed of 30 players from Niles, Buchanan, and Berrien Springs will present its first concert at Berrien Springs Wednesday evening Aug. 14, with local players taking part.

The Buchanan musicians are: Don Flenar, clarinet; Howard Lentz, saxophone; Vic Viganusky, saxophone; Vincent DeNardo, French horn; Ted Lyon, trumpet; Herschell Gross, clarinet. They will present the second concert in Buchanan at a date to be announced later. The director is Francis Heinlen. Practice is held at the Niles community house each Tuesday night.

Famous Flyer Here Friday with 25-Year-Old Plane

A famous flyer and a famous plane were in Buchanan Friday, when Clarence MacArthur, 25, went through with his Curtiss Pusher plane, built in 1910, on a trail. MacArthur was the originator of the delayed parachute stunt and at one time held the world's record with a jump of 18,000 feet before opening his parachute. He has also won speed races in meets all over the United States. While here he was a guest of Richard Schram.

Contractor Excavates In City Gravel Pit

A fleet of eight trucks has been engaged in hauling gravel during the past week from the city gravel pit to the Redbud Trail, with John Yerrington, South Bend gravel contractor, doing the excavation.

The Clear Lake road from the Wagner road to Fuller's resort will also be surfaced, and a stock pile excavated for the city. About 15,000 yards of gravel will be excavated in all.

Interesting If True

There must be a whispering campaign going on around Buchanan. Monday evening a man called at the Record office and asked where it was the town was building that new gymnasium and field house. And Tuesday evening a Chamber of Commerce official from a neighboring city and a Federal Housing man called to check a story they had heard that Buchanan was about to build 400 new houses.

Big Turtle Feed

Alex Loos, press impressario at the Record office, enjoyed a trip to Whiting, Ind., Friday evening, joining his wife and son at relatives there and enjoying a week-end feast on a turtle which he took with him. The turtle was trapped at his home on Potawatomi island and weighed 42 pounds before dressing. It is reported that Mr. Loos rode the turtle to Whiting to save gas. Dressed, the turtle weighed 26 pounds. It was some feed.

Insured Mortgage Clinic at Niles Thurs. and Fri.

Buchanan people who are interested in building, refinancing or purchasing homes with FHA loans should attend the clinic in session today and tomorrow at the Four Flaga hotel, Niles, on insured mortgages. George W. Zinky, manager of financial relations in the Michigan FHA office, and Edward J. Ciosilga, expert on insured mortgages, are in charge of the clinic.

Co-ops to Play Hittles at Athletic Park Sunday

The Buchanan Co-ops will play Hittles Arrows at Athletic Park next Sunday afternoon, beginning at 2 p. m. Handicapped by the injury of their star pitcher, the Co-ops have not had the success of last year, but have been battling every game to a finish. Sebastia is now relieving the 17 year old Rolf part of each game.

Transfer of the front axle production equipment from the Battle Creek to the Buchanan plant of the Clark Equipment Company began last week and is now proceeding, with installation in various parts of the local axle plant. Officials state that the transfer of men from Battle Creek will be light.

Miss Buchanan to be Selected at Hollywood Aug. 13.

Patrons of the Buchanan pavement dances will be afforded an opportunity to fling their heels for a worthy charity on the evening of August 22, when a gigantic Milk Fund ball will be held, tickets selling at 25 cents, and a Berrien county bathing beauty contest sponsored by Buchanan merchants featuring the entertainment.

Each town and city in the county has been invited to enter a candidate in the Bathing Beauty contest, in which three prizes consisting of handsome bathing suits will be given. Entries must be between the ages of 17 and 25 inclusive.

The selection of Miss Buchanan will be held at the Hollywood theatre Tuesday evening, August 13, following the first show. All girls wishing to enroll should report to A. S. Root, chairman of the committee on general arrangements.

In the finals the girls will be judged by Mrs. H. C. Stark of Buchanan, Mrs. Harold Bradford of Niles and Roy Haines, circulation manager of the News-Palladium, Benton Harbor.

The net receipts of the pavement dance will be given to the milk fund of the Buchanan P. T. A. which is in charge of the ticket sale. A suite of rooms has been reserved at the Hotel Rex for the entries in the contest. The Montague Motor Sales is placing cars at the disposal of the entries to take them from the hotel to the theatre.

State Asks Report For Allotment Tuition Money

Supt. Stark received directions from the state last week to secure affidavits from all rural school district secretaries as to the attendance of all children from such districts at the local high school in 1934-5. The state will use the report as a basis for the allotment of tuition money to School Dist. 3, Buchanan, allowing \$65 for each rural attendant in high school last year. The board will meet later and fix the tuition charges. If they exceed \$65, the excess will be paid by the local school districts from which the children come.

Buchanan Blues Stampede Bridgman 13-2 Sunday

The Buchanan Blues held their top position in the Community baseball league Sunday when they ran all over the Bridgman Merchants by a score of 13-2 at the Liberty Heights diamond.

Up to the third inning Bridgman held the edge by a count of 2-1, but after that the Blues started unloading the lumber and cranked to an easy win.

Jesse was the winning pitcher, being touched for six safe singles, four free trips to first, and whiffed four batters. D. Standard went the route for the losers and was nicked for ten hits, walked four and put five Blues batsmen away by the strike-out route.

Bridgman tallied their only two counters in the first chapter. Lauren Morse was the most effective at the plate for the locals, as he swatted out two singles and a double in five appearances. E. Stelter, one of the leading batters in the community league, proved his ability when he got two singles in four trips to the platter.

5th Kansas School Reunion
Seventy former pupils and teachers of the Kansas school and their guests gathered at the Schoolhouse for the fifth annual reunion Saturday evening, 70 attending the bounteous pot luck dinner and a program following.

Following the dinner election of officers was held, with the following named: president, Isaac Wells; vice president, William Kell; secretary-treasurer, Mrs. Otto Stewart. It was voted that the 1836 picnic would be held the first Saturday in August.

The oldest former pupil present was Pierce Cauffman, 83, Buchanan. Mr. and Mrs. R. Hamilton and Mr. and Mrs. Harry Hamilton of South Bend, were present.

The following notes of response to invitations were read by the secretary, Mary Kandrup:

"Thank you so much for your invitation to join the Kansas school picnic and if it were possible I would so enjoy being there. It has been 43 years since I taught my first school there. I should take great pleasure in seeing my

children again. Mattie Straw Paul, Bloomington, Ill."

"I received your kind invitation to attend the Kansas school picnic and would like to attend, as it is some fifty years since I attended school there, but as sickness in the family prevents, I will send wishes for a good time and will be thinking of all my old schoolmates of long ago. Mrs. Will Womer, Iowa City, Ia."

In its name the Kansas school is an echo of the stirring days before the Civil war, when Michigan in common with the North was stirred to fever heat over the wrongs of "bleeding Kansas." The school was built in 1859, the building being still in use. Another school, now known as the Womer school, was then called the Missouri school. Pierce Cauffman remembers the construction of the school, his mother boarding the carpenters. The father of Isaac Wells set out the maple trees that shade it. Louis Rough planted the cedar tree in the rear of the school while he was a pupil, dragging it from a nearby lake one noon recess.

DEATHS

Clyde D. Bristol
Clyde D. Bristol, 51, partner in and manager of the Bristol Pattern Works, died at his home at 408 Clark street about 11 o'clock on Thursday, following an illness that began in April.

He was born March 27, 1884, in Sherman, Texas, the son of Harvey S. and Frances Ellen Bristol. The family moved to Chicago where Mr. Bristol was a young man, learned his trade in the C. F. Elmer Engineering Works. He came to Buchanan in 1912 and started the Bristol Pattern Works on Oak St., in partnership with his father and his brother, Earl Bristol. The latter eventually went to Battle Creek and the elder Bristol retired two years ago, leaving the business solely in the hands of Clyde Bristol.

He is survived by his widow; by five daughters, Mrs. Bernice Rolf, Mrs. Myrtle Dokey, Mrs. Shirley Benson and Mrs. Gertrude Hush at home; a son, Ellsworth Bristol, Buchanan; his father, E. S. Bristol, Buchanan; two brothers, Earl Bristol, Battle Creek, and Frank Bristol, Buchanan; by one sister, Mrs. Ralph Hamilton, Berrien Springs.

Funeral services were held at the Church of Christ at 2:30 p. m. Sunday, with Paul Carpenter officiating and burial was made in the Oak Ridge cemetery.

Christian Science Churches

"Spirit" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, August 11. Among the Bible citations is this passage (Eph. 4:6): "There is one body, and one Spirit, even as ye are called in one hope of your calling; one God and Father of all, who is above all, and through all, and in you all."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 241): "We should strive to reach the Horeb height where God is revealed; and the cornerstone of all spiritual building is purity. The baptism of Spirit, washing the body of all the impurities of flesh, signifies that the pure in heart see God and are approaching spiritual Life and its demonstration."

Methodist Episcopal Church Sunday School at 10 a. m. Mrs. Glenn Haslett and Con Kelley are superintendents.

Mr. Charles Clarkson of Chicago who spends summer week-ends at a cabin on the St. Joseph river bank waanawanae u and who attends Oronoko church will speak. He has a vivid Christian experience you will enjoy hearing about. He is a layman who speaks right from the shoulder to his brother laymen.

Mrs. John Elbers will be in charge of the special music this Sunday.

Mr. Rice expects to be home to take the Sunday morning services Aug. 18. In case he is not back in time, Mr. Clarkson will speak.

GREATEST CIRCUS
COMING THIS WAY
Ringling Bros. and Barnum & Bailey Combined, Presenting
Hundreds of New Foreign
Features, in Seven-Ring
and Stage Program Declared to be Finest in History

Offering its millions of patrons the largest and best program in its brilliant annals, the mighty Ringling Bros. and Barnum & Bailey Combined Circus is scheduled to exhibit in La Porte Tuesday, August 20, and on that date the world's largest big top will be filled with sensational new features from all over the globe, including the topmost arenic acts of every European nation, except Denmark.

The Greatest Show on Earth will arrive on four long railroad trains of double-length steel cars carrying 1600 people, seven herds of elephants, 1000 menagerie animals and 700 horses, to say nothing of 31 great tents and countless tons of riggings, grand stands, properties and paraphernalia.

Arrows Defeat Reco A. C. of South Bend 5 to 3

One big inning, the second, in which the locals scored three runs off two hits, an error and a walk, enabled Johnny Little's Buchanan Arrows to defeat the Reco A. C. of South Bend, 5 to 3, Sunday afternoon at Athletic park.

It was a pitcher's battle between Babe Sexton, local chugger, and Ludwig, Reco moundsman. The former allowed nine scattered hits and struck out seven and the latter yielded eleven safe blows and whiffed eight. Both were invincible almost throughout the game, but each had a bad inning. Ludwig's bad inning came in the second with the aforementioned results and Sexton had his in the eighth when two runs were scored after the first two men hit safely to open the inning and aided by a subsequent hit which drove in both previous hitters. However, Bongovani popped out to Sexton with two men on to end the inning and the visitors only big threat.

Herman Stelter, first baseman, and Johnny Lewis, outfielder, led in the Arrows attack, each with three out of four.

Buchanan was leading 4 to 1, to enter the seventh, when another local run made it 5 and 1. However, South Bend threw a decided scare into the local camp in the eighth when a batting rally netted two of the team's three runs. There were sensational fielding plays a plenty, and the locals played errorless ball. Score by innings:

Arrows	0	80	100	10x	5	11	0
Reco	100	000	020	3	9	4

ASTOUNDING "LIFT" IN SINCLAIR H-C, Local Motorists Tell Sinclair Dealers

When you buy gasoline you buy liquid power. And power is measured by engineers in terms of lifting. A single gallon of Sinclair H-C Gasoline has the potential energy to lift 99 million pounds one foot. Putting that into a power picture we say one gallon of H-C could lift a 40-ton Brontosaurus 1/4 mile.

In automobile road tests Sinclair H-C Gasoline gave 15% to 20% more smooth power and from 1 to 3 more miles per gallon—compared to 12 other well-known gasolines!

Your neighborhood Sinclair dealer will tell you what local motorists are saying about H-C's astounding "lift"—what it means in extra power for their cars. Ask him!

Miss Donna Dahlstrom, the bride's only attendant, wore a flowered mouseline de soie in the shades of pale blue and pink and carried a bouquet of mixed flowers. George W. Savin served as the best man. Following the wedding collation Mr. and Mrs. Clark left for a Canadian trip and will be at home after Aug. 15 at the Washington-Culfax apartment.

Hepplewhite Furniture
Hepplewhite Furniture was named for George Hepplewhite, an English cabinet maker, who died in 1788. The furniture is characterized by lightness, delicacy, grace, the effect depending more on inlay than carving. Hepplewhite was a constant and successful user of a shield back for chairs. He probably originated the winged easy chair, in which the sides are continued to the same height as the back. The Hepplewhite chairs are often adorned with galleries and festoons of wheat ears or pointed fern leaves; sometimes also with Prince of Wales feathers.

1st publication June 20; last Sept 5 MORTGAGE SALE

Default having been made in the conditions of a certain mortgage made by William O. Donley and

Clarice N. Donley, husband and wife to the Industrial Building and Loan Association, a Michigan Corporation, dated the 12th day of March 1929, and recorded in the office of the Register of Deeds of Berrien County, Michigan, on the 13th day of March 1929, in Liber 165 of Mortgages on page 83, by failure to make installment payments of principal and interest at maturity and for four months thereafter, whereby the mortgagee elects and declares the whole of the principal and interest now due and payable as provided by the terms of said mortgage.

The amount claimed to be due on said mortgage at the date of this notice is the sum of \$2305.56, of principal and interest and the further sum of \$36.00 as an attorney's fee provided for in said mortgage, and no suit or proceedings at law or in equity having been instituted to recover the debt secured by said mortgage or any part thereof.

Now therefore, NOTICE IS HEREBY GIVEN, that by virtue of the power of sale contained in said mortgage and the Statute in such case made and provided, the said mortgage will be foreclosed by a sale of the premises described therein, or so much thereof as may be necessary to pay the amount so as aforesaid due on said mortgage, with six per cent interest from the date of this notice, and all other legal costs together with said attorney's fee, at public auction, to the highest bidder, at the front outer door of the Court House in the City of St. Joseph, Berrien County, Michigan, on Monday, the 16th day of September 1935, at ten o'clock in the forenoon.

The premises to be sold are situated in the City of Buchanan, Berrien County, Michigan, and are described in said mortgage as follows, to-wit:

Commencing fifty (50)-feet East of the Northeast corner of Lot ten (10), Treat's Addition to the Village (now City) of Buchanan, thence East forty five (45) feet, thence South one hundred (100) feet; thence West forty five (45) feet; thence North one hundred (100) feet; to the place of beginning.

Dated June 18th, 1935.

Synecdoche
Synecdoche is the figure of speech which consists of putting a part for the whole, the whole for the part, a more comprehensive for a less comprehensive term, or vice versa. Thus a hundred bayonets for a hundred soldiers; the town was starving for the people in the town.

First Prince of Wales

When Edward I, king of England, annexed Wales in 1282, he conferred the title of prince of Wales upon his son Edward, who happened to be born at Carnarvon, in Wales, during the period of occupation. It has since been customary to use this title for the king's eldest son and heir to the throne.

\$5 to Woman Seeing Midnight Show

The management of the Hollywood theatre is pleased to announce that on Tuesday midnight, August 20, there will be a special pre-view shown of "The Bride of Frankenstein."

Mr. Hoffman, the local manager, is offering \$5 in cash to the woman that is picked out of the applicants whose names have been sent in (see coupon). The lady picked will be seated by the management at 10 o'clock, midnight, on Tuesday evening, to see the entire show. The only other person in the theatre will be the projectionist. The lady picked will have to remain seated in the same seat throughout the entire picture in order to

AT THE THEATRE

Bravely, glorious Shirley Temple meets a bewildering crisis in the lives of her parents, in her new Fox Film picture, "Our Little Girl." Joel McCrea portrays the father, and Rosemary Ames the mother.

Shirley, It's Good to Know You're Back

Glorious Shirley Temple, whose natural art is second to none, and who has, in the words of Irvin S. Cobb, "made more people happy and made more children laugh than any child your age in the history of the world," is here again.

Her new Fox Film picture, "Our Little Girl," starts its engagement Sunday at the Hollywood theatre. It is called her greatest!

This is said to be Shirley's most touching picture. She plunges into an emotional adventure that sings in the heart as she bravely meets a bewildering crisis while those who are nearest and dearest to her grope in the shadows of misunderstanding.

Shirley's brave smile revives a waning love, when she pleads for her mother to return, and runs away from home to reunite her parents.

In addition to acting, the child wonder sings.

A fitting cast has been assembled around the screen sensation. Rosemary Ames plays the mother, and Joel McCrea the father. Others are Lyle Talbot as "the other man," Erin O'Brien-Moore, Jack Donohue, Poodles Hanneford, Gus Van Margaret Armstrong, Rita Owin, Leonard Carey, J. Farrell Macdonald and Jack Baxley.

"G-Men" at Hollywood
Another first-of-its-kind from Warner Bros. will be shown Wednesday and Thursday.

The producers of "The Public Enemy" have now trained their cameras on the men who trained their guns on the craftiest killers of this day and age.

They've brought the G-MEN mighty man-hunters of the Department of Justice, out of the shadows of secrecy into the brilliant glare of the picture screen.

Yesterday's screaming headlines are a feeble whisper compared to the sensational revelations in this shot-by-shot dramatization of gangland's Waterloo. It's all here. Famous headline cases lived out. Amazing shots of the G-Men's scientific man-hunting machinery. Incredibly thrilling battles with the last of the mobsters.

Ad think of it! None other than Jimmy Cagney, the historic "Public Enemy" of 1931, now plays the lead in this epic of the end of gangdom!

"G-MEN" is being hailed from coast to coast as the most remarkable picture in years. It's widespread fame makes it one of those things you just must see.

Ruth Mix, daughter of Tom Mix, has returned to Hollywood. She has signed a contract with

An old English superstition was that if you hung lilacs over the doors it was a protection from witches.

Co-ops, Arrows to Meet in City Title Series

It will be a "dog-eat-dog" affair at Athletic park next Sunday when two of the three local hardball teams meet in the first of a series that will involve the local championship.

At that time and place Johnny Hittle's Buchanan Arrows and Les Sebasty's Buchanan Co-ops will meet in a game which should be a "knock em down and drag em out" orgy.

Johnny Rolfe, the Co-op kid pitcher, who starred last year at the South Bend high school, and who has been a consistent winner this season for the Co-ops, will be on the mound for that team, and he will be opposed by another youngster, Babe Sexton, former Berrien Springs high school star, who made his debut last Sunday as a regular Arrow moundsman. This should prove to be a pretty pitcher's battle.

Last year the Co-ops took two straight games in the teams' annual "best two out of three series" after Hittle's team had taken two straight from Bob Reamer's Buchanan Blues. But last year Manager Sebasty, himself, was on the mound and Sebasty was invincible. This year Sebasty suffered an accident which mangled his pitching hand and he has been of little use to the team all season.

This first game in the city title series will start promptly at 2:30 o'clock.

Wonders of Ancient World
The seven wonders of the ancient world were: Pyramids of Egypt, Pharos of Alexandria, Hanging Gardens of Babylon, Temple of Diana at Ephesus, Statue of Zeus by Phidias, Tomb of Mausolus at Halicarnassus, and Colossus of Rhodes (statue of Apollo). Wonders of the Middle Ages were: Coliseum at Rome, Catacombs at Alexandria, Great Wall of China, Stonehenge in England, Leaning Tower of Pisa, Porcelain Tower of Nankin, and the Mosque of St. Sophia at Constantinople. The telephone, radio, airplane, radium, antitoxins, spectrum analysis and the X-ray are generally considered the most wonderful things of today.—Pathfinder Magazine.

Close at Sundown
Although many Oriental bazars have electric lights, most of them close at sundown, thus observing an ancient custom.
