CHECK FORGER ARRESTED HERE ADMITS CRIME

A. L. Trodson, Alias Albert Lee, Awaits Arraignment and Sentence by Judge White at St. Joseph.

A. L. Trodson, alias Albert Lee, who was arrested by local officers Monday, Sept. 23, at the instigation of the Gallien-Buchanan State bank, for forgery, is incarcerated in the Berrien county jail at St. Joseph waiting appearance before Judge White for sentence.

Arraigned before Justice Lee Mathie on the day he was arrested Trodson demanded examination and was placed in the county jail awaiting a hearing. However, he changed his mind, and on Thursday of last week was returned to Justice Mathie, where he waived examination, decided to plead guilty and take whatever sentence the court metes out.

Trodson, who, with his wife, was staying at the Manning home at Bakertown, was picked up after he had passed a worthless check to Joe Haas at the Bakertown filling station. Mr. Haas, suspicious of the validity of the check, brought it to the local bank and asked them to call Chicago to ascertain whether it might be good.

That Trodson was a professional swindler there can be no doubt. When searched he was found to have business cards, some with the name Trodson Construction Co., Albert Lee, representative, printed on them, although he had denied ever having heard of "Albert Lee."

That Trodson had victimized several other merchants was brought out later when Joseph Roti Roti identified him as the man who passed a bad check in his place of business a short time previous to his arrest.

The fire department was called to the Corner Grocery Store, W. Front street, shortly after five o'clock Sunday morning, but the fire, which started back of the kitchen stove in the store department, was put out before they arrived by Mr. and Mrs. Keith Everman who live in the apartment adjoining the store.

Fire at Boyer Store Caused Little Damage

The fire department was called to the Corner Grocery Store, W. Front street, shortly after five o'clock Sunday morning, but the fire, which started back of the kitchen stove in the store department, was put out before they arrived by Mr. and Mrs. Keith Everman who live in the apartment adjoining the store.

Called to Dowagiac By Brother's Death

Mr. and Mrs. Harry Post and family were called to Dowagiac last Wednesday by the death of Mr. Post's brother, Fred. Funeral services were held Saturday in Dowagiac. Mr. Post leaves the widow and one step-daughter.

City Commission to Hold Hearings on Proposed Sewers

On another page of the Record will be found notice of a public hearing to be held in the City Commission chambers on Oct. 19, to hear suggestions or objections of those interested in the proposed construction of a sewer system in Buchanan. According to the notice twenty percent of the cost, aside from labor, will be paid from the general fund of the city treasury and assessed against property served by the sewers, while eighty per cent will be paid by the Works Progress Administration of the federal government, including labor on the project.

Margaret Paddock Howard Leazenby In Public Wedding

Ceremony Followed by Reception and Presentation of Gifts at D's Cafe.

There have been weddings and weddings in Buchanan but none with a larger attendance or more general interest and enthusiasm than the nuptials of Miss Margaret Paddock and Howard Leazenby, the principals in the grand public wedding which was the culmination of the Buchanan Fall Festival, on an improvised altar in front of the Hollywood theatre at 10 p. m. Saturday.

Elaborate arrangements had been perfected by the committee in charge, comprising Mrs. H. C. Stark, Mrs. Ruth Ellsworth and Mrs. Phillip Boone. Rev. C. A. Sanders pronounced the words of the marriage ritual. The bride was given away by her brother-in-law, Ollie Breeland. She was attended by eight bridesmaids who were the following:

Una Kelley, Barbara Hamilton, Eleanor Miller, Phyllis DeNardo, Marion Miller, Elaine Donley, Beverly Koons and Margaret DeWitt. Betty June Paddock was the flower girl and Duane Bunker the ring bearer. Mrs. Beatrice Watkins, sister of the bride, was matron of honor and Mrs. Rose Bunker, maid of honor. Ross Leazenby was best man.

Music was furnished by an orchestra of high school players directed by Howard Barbour. The bridal party marched from the Allen Hardware through a roped pathway to the grandstand which held the altar and after the ceremony they walked through another roped pathway to D's Cafe, where a reception was held for them, forty-two people attending.

Materials for the reception were furnished by Binns' Magnet store, Kean's Barber Shop, Mead's Barber Shop, Bradley's Barber Shop, Johnson's Furniture store, H. & M. Furniture store, Buchanan Shoe Repair Shop, Buchanan Co-ops, Inc., Joseph Roti Roti, A. L. Hamblin, Michigan Gas & Electric Co., and Jack Duane, promoter of the wedding event.

Many beautiful and useful wedding gifts were presented the happy couple, among the donors being Brodricke's, Root's, Wisner's, Kroger's, Quality Bakery, Buchanan Candy Kitchen, Princess Ice Cream Parlor, Wilson's Dairy, A. & F. store, D's Cafe, Anne's Beauty Shop, Sand's Market, Irlie's Delicatessen, Strang's, City Market & Grocery, Royal Blue Store, National Tea, Haflner's, Treat's Grocery, Wildis Floral Shop, Merson's Market, Reamer's Cash & Carry Market, Mrs. E. C. Pascoe, D. L. Boardman, T. D. Childs and Mr. Leazenby.

A beautiful bedroom suite was presented Mr. and Mrs. Leazenby by the Fall Festival Association. The committee in charge of arrangements for the wedding was composed of Dr. Waldo, Mrs. H. C. Stark, Mrs. Ruth Ellsworth, and

BUCKS HELD TO SCORELESS TIE BY WATERVLIET

Locals Hold Edge in First Downs But Fail to Get the Ball Across for Tallies.

The Buchanan high school football team was held to a 0-0 tie by Watervliet at Watervliet Friday afternoon. So far the Bucks have outgained their opponents 26 first downs to 8, Watervliet getting 3 and Coloma 5, but both games ended in scoreless ties.

The game was a fiercely contested battle all the way. The Bucks advanced the ball within 3 and 8 yards of the Watervliet goal, but twice they fumbled and the gun at the half ruined the remaining chance. With a few seconds left to play in the game "Truck" Meyers attempted a field goal from about the 35 yard line, the try came within two feet of clearing the bar. In the last half Watervliet blocked a punt on the Bucks' 25 yard stripe, that being the nearest they got to the Bucks' goal.

Line-ups: Buchanan vs Watervliet. Buchanan: Billis, Meyers (C), Collings, Richards, Hansen, B. Stevens, Paul, Spasek, Habicht, Smith, Antisdell. Watervliet: Dill, Furlan, Davis, Willmings, Kibler, L. Krall, Parker, Weber, Baldwin, Enos, H. Krall.

Score by quarters: Buchanan 0 0 0 0-0, Watervliet 0 0 0 0-0. Referee, Knuth, St. Joe; Umpire, Spear, St. Joe; head linesman, Kendzior, Watervliet.

Rain and Cold Weather Dampens Carnival Spirit

Rain which fell steadily all day Thursday of last week and the cool weather which followed, rather dampened and cooled the carnival spirit which was expected to prevail during the first Fall Festival in Buchanan. A fair crowd was on the streets Wednesday evening, when the festival opened, but Thursday was a complete blank, so far as street business was concerned. None of the concessions opened during the day or evening. Friday and Saturday, though cool, drew a sizeable crowd, and the weather probably drew considerable business to the hot dog stands, but ice cream vendors had too much competition from the weather man. The rides did a fair amount of business, although here, too, the weather man cooled the enthusiasm of many who usually patronize them.

The streets, left "messy" by the hasty exit of the concessions after Saturday night's closing, are again cleaned up and the city has returned to normal—meaning, that you can now park downtown, get near your favorite grocery store, or load that piece of hardware without carrying it three blocks to your car.

Mrs. Cora Boone. They wish to thank all who assisted in making the event one of outstanding success and contributed to the happiness of the young couple, who were the main participants.

Jean Russell Opens School of Dance in Buchanan

Miss Jean Boyd Russell, daughter of Mr. and Mrs. R. S. Russell, 411 E. Front st., is making an announcement in this issue of the paper to the effect that she will open the Jean Boyd Russell School of Dancing at her home and will give ballet, tap, toe, acrobatic and character classes or individual instruction; also stretching, limbering and reducing exercises. Miss Russell is a graduate of the Maxine Mollenhour School of Dancing, South Bend, and during the past few months has been conducting classes in Niles, which she will continue with in addition to the Buchanan school.

THRONGS VISIT THE FARM DISPLAY

H. S. Ag Dept. in Charge, Fine Display Flowers by Boardman.

A beautiful display of late flowers and some excellent representations of the field and orchard production of the Buchanan district were on hand at the Farm Hall improvised in the Treat building on Days Avenue by Kermit Washburn and the students of his agriculture classes. The plan of the floral display was made by D. L. Boardman and carried out by the high school students. It occasioned much praise, a visiting florist from Indiana stating it was the best arranged flower show he had attended this fall. In spite of the late date and the adverse weather conditions the display was varied and choice.

In the center of the display was a dining table beautifully set, the exhibit of Mrs. Ruth Ellsworth, with a prize winning bouquet on it of asters, verbenas and physote-gias.

Although the attendance at the festival in general was poor on Thursday and Friday on account of the rain, over a thousand people visited the Farm Hall those days.

Fruit—First Premiums: Anita Andrews, plate J. H. Hale peaches, plate Monarch plums, and Concord grapes; C. Bainton, Bosc pears; P. DeWitt, Kieffer pears; Donald Kellar, Wolf River apples; P. HUSS TEAM WINS PULLING CONTEST

Benak Team Second and Jas. Reed Team Ranks Third.

In a beautiful exhibition of coordinated "five power" a pair of full sisters, Lady and Dimple, owned and driven by Clarence Huss, won the horse-pulling contest held at the co-op yards Friday afternoon, pulling 4900 lbs. 25 feet. They weighed 2545 but needed no handicap to earn \$10.00 for their owner.

Second place, carrying a prize of \$6, was won by another team of mares, Polly and Cutie, weight 2300 lbs. owned and driven by Vincent Benak, Wagner district, which pulled 3900 lbs. 25 feet.

Third place, \$4 prize, was won by a team, one mare Beauty and a stallion, King, weight 3140 lbs. owned by James Reed and driven by Harvey Reed, which pulled 4650 lbs. 25 feet.

A beautiful team owned by Joe Letcher and driven by Harry Comer was eliminated when it failed to "synchronize" on the first pull.

The conditions were as follows: Each team was allowed three trials at each pull, to pull the weight fifteen feet at one pull from a stake set in the rear of the load. The teams were required to pull according to their weight. For instance, the Huss team would have had to pull over 245 pounds more than the Benak team to outclass them; the Reed team would have had to pull 595 more than the Huss team to outclass them.

South Haven Will Oppose Buchanan in First Home Game

Buchanan will play its first home game Saturday, Oct. 5, against South Haven. South Haven beat Niles 7 to 0 last Saturday so the Bucks will have some fight ahead if they want to come out on top. South Haven beat Buchanan last year 12-0 at South Haven.

Remember, folks, a team that has some good support always has a better chance to win. C'mon down Saturday and back your team to the limit. It will help a lot.

Liberty Bonds Should Be Cashed Before Oct. 15

Holdings of Fourth Liberty loan bonds, drawing 4 1/2 per cent interest, are being advised by the Gallien-Buchanan State Bank to cash their bonds before October 15, as no interest will be paid on this issue after that date. Owners of the bonds may call at the bank where the transaction will be handled for the method of procedure.

School Will Be Closed Thurs. and Friday Next Week

In order that teachers may attend the meeting of the Eighth District of the Michigan Educational Association at Battle Creek, Buchanan schools will be closed Thursday and Friday of next week.

Granted Permit to Open Filling Station

Request by Ambrose Salty & Son, of Chicago, to open a filling station at the corner of Fourth and Portage streets, was granted by the city commission at their meeting Monday evening. It is said that the firm expects to open as soon as possible.

Petition Asks Commission to Reconsider Time

A petition bearing several hundred names of folks asking that the commission reconsider the time change which went into effect last Sunday, awaits the regular meeting of the city commission next Monday evening. The petitioners ask for continuation of fast time the year around for Buchanan. That there is a division of opinion on the subject can easily be ascertained by anyone who spends a few minutes about the streets where expressions of sentiment vary, apparently, according to the manner in which the time element affects their business or personal habits.

RESERVES TAKE ST. JOSEPH GAME IN LIGHTED FIELD

Margin 7 Points Gave Locals Victory Over County Seat Reserves in Hard Fought Game.

The Buchanan Reserves fought their way to a 12-7 victory over the St. Joseph HI Reserves at St. Joseph under the lights Friday evening.

After a series of four first downs early in the first quarter, Steinke, St. Joseph left half, went over for a touchdown from the 1 yard stripe, a line plunge for the extra point was good. Late in the second quarter, after making three first downs, Leiter scored from the 3 yard line on a line plunge, Jesse's drop kick for the extra point was good. Late in the third quarter, after a series of four first downs, Leiter again scored on a line plunge from the 5 yard line, an end run for the extra point was stopped. Jesse did some superb passing and punting, early in the third quarter he booted a beautiful 50 yard punt. St. Joe advanced the ball within 5 yards and less of the Buck's goal four times but they held and took the ball on downs.

Steinke seemed to be St. Joe's main cog. Weaver, Bainton, and Neal in the line, and Donley, Jesse and Leiter in the backfield, were greatly responsible for the Buck's victory.

The line-ups: Buchanan vs St. Joseph. Buchanan: Zupke, Neal, Bainton, Harvel, Weaver, Denno, Simpson, Donley, Jesse, Beck, Leiter. St. Joseph: Kensch, Buller, Frederickson, Buchholtz, Patzer, Jasper, Gobel, Richter, Steinke, Kensch, Warmbein.

Score by quarters: Buchanan 0 6 6 0-12, St. Joe 7 0 0 0-7. Referee, Knuth, St. Joe; Umpire, Spear, St. Joe; head linesman, Laws, Benton Harbor.

Substitutions: Buchanan, Maxon; St. Joe, Vance, Schadler, Krause, Meschke, Sells.

Post Office Adopts 40-Hour Week and Closes Saturday P. M.

Adoption of the 40-hour week by the post office department will take effect locally Saturday of this week when the local office will close at 1 o'clock in the afternoon. The schedule was effective Oct. 1, but patrons will not be affected until the Saturday closing hour arrives. The money order window will close at 12:30 on Saturday.

Get Your Football Tickets at Once

The annual drive for the sale of football tickets in Buchanan is on and prospective patrons of the gridiron sport are urged to purchase their tickets as soon as possible. Buchanan's eleven opens the home season Saturday with South Haven as the opposing team.

Try-Outs will be Held Thursday and Friday Nights of This Week; Talented Performers Invited.

Miss Edith Schlytern, promotion manager from WLS, Chicago, arrived in Buchanan Tuesday to assist the Lions club in their preparatory campaign for the Big Community Talent Prairie Farmer WLS Barn Dance Show which is returning next week.

This Barn Dance Show will be held in the Buchanan High School auditorium for three consecutive nights, Oct. 10-11-12 and the show will vary considerably from that given last year.

Miss Vivian Griffith of WLS, Chicago, the director in charge, will arrive in Buchanan Thursday. All interested talent is cordially invited to participate in this great Community production. "Try-outs" for this show will be held Thursday and Friday at 7 p. m. at the high school auditorium. This is a wonderful opportunity for talent as outstanding talent in every show is invited to WLS for a direct broadcast without audition. Tune in on WLS every Monday, Wednesday and Friday mornings at 8:45 to hear the announcements about the Buchanan show.

Mary Frklich Weds Niles Man

Announcement is made of the marriage of Miss Mary Frklich, Buchanan, to Ralph Harbaugh of Niles, which took place Sept. 14, at Plymouth, Ind., Rev. G. G. Canfield, pastor of the Church of the Brethren of that city, performed the ceremony. Mr. Harbaugh's brother-in-law and sister, Mr. and Mrs. Harry Bixell stood up with principals.

Mrs. Harbaugh is well known in Buchanan, having graduated from Buchanan high school with the class of 1930, and has been prominent in entertainment circles, being an accomplished elocutionist, and has appeared in many local programs as well as in nearby cities. The couple is undecided as yet on where they will make their home.

P. T. A. Holds Reception For Local Teachers

The first meeting of the Parent-Teachers Association for the year was held at the high school Monday evening, Sept. 30, in the form of a reception for the teachers. There was a splendid attendance. Rev. W. H. Brunelle gave the invocation and music was provided by Elanche Depyl and her brother, Lucian Depyl, who sang two numbers with guitar accompaniment.

Mrs. F. M. Moyer, president of the organization, welcomed the teachers and Miss Bender, president of the Teachers club, gave the response, after which Supt. H. C. Stark introduced each one.

A report of the state convention of Parent-Teachers associations was very ably given by Mrs. Geo. Chain who was program chairman. Mrs. Reba Lamb, school nurse, gave a brief report on the work being done in the school along the line of health.

The Unemployed Youth Program for America was the subject on which Supt. Stark spoke, in which he outlined the objective of the plan.

The meeting closed with a social period during which Mrs. Maurice Dalrymple, chairman of the hospitality committee, served refreshments.

That New Automobile

What a thrill it is to glide over the roads at 50, 60, 70, 80, and 90 miles per hour in that new automobile! It is a glorious feeling while it lasts.

### That Glorious Feeling

It might continue to be a glorious feeling were it not for the fact that an automobile going at these speeds is no longer merely a vehicle but has become a projectile with all the possibilities of damage of a cannon ball. In a sense, 20 million people of the United States are shooting cannon balls up and down our highways.

Shooting Cannon Balls

But shooting cannon balls requires clear thinking and accurate scientific knowledge of ballistics, an accurate knowledge of what the projectile will do in action. Driving automobiles requires the same kind of knowledge but it appears that the majority of automobile drivers have not yet become aware of this fact.

How Much Do We Know?

For instance, how many know that the energy of a moving body increases in proportion to the square of the speed? How many know that when that speed is increased from twenty to forty miles per hour the energy is multiplied, not by two, but by four? How many know that a jump from 20 to 60 miles per hour means that the energy is multiplied by nine? How many have a practical, working, road knowledge of the fact that an automobile is nine times as hard to stop at sixty miles per hour as it is at twenty miles per hour?

What Lack of Knowledge Does

Speed and lack of this kind of knowledge—knowledge of the automobile as a projectile, are largely responsible for the 30,000 traffic deaths and more than a million injuries last year. The question is when are we, as a nation, going to begin to acquire the skill, the

knowledge and the inclination to handle our modern automobile projectiles safely.

## National Youth Council Meeting At Berrien Springs

Supt. H. C. Stark and several others from local church and fraternal organizations were in Berrien Springs last night attending the initial meeting of the Berrien County branch of the National Youth Administration. Organization of the county unit of the administration and explanation of the principles and aims of the movement were the principal matters to come before the meeting which was held in the high school at that place.

## Surprise Matinee Hollywood Saturday

Hey, kids, look, the management of the Hollywood theatre has decided to give a surprise matinee this Saturday at 2 o'clock, so we are telling you in time to get your chores and errands all caught up as you wouldn't want to miss this matinee for anything. And besides, we are showing the first chapter of our new serial, "The Law of the Wild" featuring Rex, the king of wild horses, and Rintin-Tin, Jr. the dog hero of America. Other featured stars in this great picture are Bob Custer, Ben Turpin, Richard Cramer and Lucile Brown. The entire series will run for 12 weeks. On the same program "The Healer" will be shown and a zip-roaring western picture, "The Westerner" featuring Tim McCoy.

Miss Lydia Harms accompanied by Mrs. H. L. Harms and children of Benton Harbor, visited Mr. and Mrs. David Harms in Elkhart over the week-end.

Sergeant Wright G. Needham of the safety and traffic division of the Michigan State Police, addressed the Lions club on the evening of October 2, on safe automobile driving, how to do it, how to enforce it, and what this community can do about it. Sergeant Needham also addressed the students of the high school on a similar subject of the afternoon of Oct. 2. He was brought to Buchanan thru the activities of the Safety Committee of the Lions club.

## Scouts Make Annual Pilgrimage to Capital City

Troop 41 of the Boy Scouts left Buchanan Friday evening, stopping off at Paw Paw as is their custom to take in the annual Grape Festival, and going on to "Rumpus Ridge Ranch" near Albion, where they spent the night, sleeping in the hay barn and partaking of the big flap jack breakfast which the folks there always prepare for them.

Saturday morning they went on to East Lansing and visited W. R. D. S., home of the Michigan State Police, where they made a tour of inspection of Criminal Identification Bureau, Radio Dispatchers headquarters and the pistol ranges.

During the parade of Boy Scouts that takes place between the halves of the football game, the Buchanan Scouts were honored by being requested to stop while pictures were taken of them. It is believed that they hold a time and distance record for attendance at this event, having made this trip each year for the past six years and having traveled a total of nearly 2,000 miles.

After the game the Scouts returned home, arriving here about 11:30 Saturday evening.

That Niagara Falls hasn't lost its lure to sight-seers from Michigan is attested by the fact that 8,000 Michigan people traveled to this scenic spot on the Michigan Central excursion trains a week ago, Sunday. Nine trains, starting from various points in Michigan, carried this vast throng to the honeymooners' paradise. Several from Buchanan made the trip.

## Must Buy Stamps to Hunt Migratory Fowl

Postmaster A. G. Haslett calls attention of local hunters to the fact that it will be necessary under the Act of Congress of March 16, 1934, to have on their persons a validated migratory-bird hunting stamp, now on sale at the local postoffice, before hunting such fowl during the present hunting season.

Before hunting waterfowl a hunter must validate his stamp by writing his signature in ink across the face of it. Anyone hunting waterfowl without such stamp commits a crime punishable by a fine of not more than \$500 or imprisonment for not more than six

# "BUICK'S THE BUY!"

TWO years ago Buick deliberately leveled its sights on 1936.

It coolly set its aim on bringing to market for that year a line of motor cars that would startle the world.

It purposed to do that, not by freak or superficial design, not by skipping quality to make a price, but by sheer merit as expressed in automobile beauty, value, ability.

It submits to you now the eminently satisfying results of that fruitful two years of concentrated endeavor.

Here are four separate series of sensational new Buick cars — cars called phenomenal by experts in the trade who previewed them.

Each is a feast to the eye schooled in mature modern styling, as you can see.

Each has under the smooth flowing planes and surfaces of its smart exterior, the solid, tough, durable, beautifully engineered chassis that underwrites Buick dependability.

And each offers you from the stepped-up power of its big thrifty valve-in-head eight-cylinder engine such safe, thrilling performance as you have never known.

These cars are big cars every one — built to almost lavish dimensions of body room and head clearance — yet they handle with the fingertip lightness of small cars.

They are literally breath-taking in power and speed and take-off, yet under their new tiptoe hydraulics and easy-steering knee-action they are almost as manageable as a telephone.

They are thew and sinewed by that quality which springs from Buick's third of a century of manufacturing experience, advantaged by \$14,500,000 worth of new tools, dies and factory re-equipment devised for these cars alone.

These things are so true and so obvious that everywhere you will soon hear the motor-wise saying, "BUICK'S THE BUY!"

Joe E. Brown in "Bright Lights" at Hollywood

Joe E. Brown, the funnel-mouthed comedian, comes to the Hollywood theatre Sunday, Monday and Tuesday in what is heralded as his most uproarious comedy romance.

In addition to Joe's laugh-provoking stunts, there are four lively songs, for the picture is one of back stage life and the singing comes in naturally.

Joe E., himself, sings and dances and does acrobatic stunts with the famous Maxellos.

Scores of pretty chorus and dancing girls appear in theatrical sequences but "Bright Lights" is neither a musical or a farce, but a stirring romantic comedy.

The story is by Lois Leeson and concerns Joe E.'s quick jump from a burlesque comedy troupe to a big Broadway actor, playing with a madcap actress, Patricia Ellis, out for adventure. His wife and partner in the burlesque show, Ann Dvorak, is out of it and goes back to small time.

Joe's head swells which causes many complications which lead to a unique and amazing climax. Friday and Saturday. "The Healer" is on the double feature bill.

In "The Healer," Monogram pictures has given Karen Morley one of her finest parts. She plays the role of a beautiful and cultured society girl who surrenders her social position to become the assistant of a struggling young doctor, who is possessed of remarkable healing powers.

As the picture progresses she falls in love with him, but forbears to tell him of her affections and is forced to stand aside as one of her best friends tries to lure him away from the modest scene of his great endeavors, and persuaded him to accept the position as head of a large sanitarium.

Playing the doctor is Ralph Bellamy, while the other woman in the case is Judith Aiten, an attractive brunette.

"Wednesday and Thursday we see Charles Butterworth, the 'dead-pan' comedian, who has one of the three leading roles in Fox Film's "Orchids to You."

John Botes and Jean Muir have the other two leading roles in "Orchids to You," which was produced by Robert T. Kane and directed by William A. Seiter.

Several well known rodeo riders are seen in the current Columbia production, "The Westerner" playing at the Hollywood theatre Friday and Saturday.

Tim McCoy, starred in the picture, is presented as a bucking horse rider who wins a championship at a western rodeo. In the rodeo scenes will be seen a number of professional riders, chief among whom is Jack Kennedy, who last year won the championship at the Congress of Rough Riders, held at the famous Los Angeles Coliseum.

Riders from the Argentine, Russia, Australia, Africa and from all portions of the world competed for this coveted honor.

"Rex," King of the Wild Horses, who is co-starred with the famous dog star, Rin-Tin-Tin, Jr., in "The Law of the Wild," now 12-chapter Mascot serial thriller, which starts Friday is capable of phenomenal speed.

Stop! Look! Listen! Yes, the same old saying still rates first in safety, but in how many minds does this saying rate first in safety? Not many.

If we stopped to consider how many lives are destroyed yearly, we might be able to appreciate better the disasters careless drivers cause both young and old. The fault does not lie entirely with the driver, but with the pedestrian as well.

If you are one of these co-called "detriment to human lives," remember when you drive that the lives of many are placed in your hands. When you drive around the school premises, drive slowly and carefully, guarding the lives of the youngsters as well as the lives of older students. You too, pedestrians, do your best to co-operate with the drivers.

Remember, carelessness, the keynote of disaster, is public enemy number one in safety; so Stop! Look! Listen!

## SOPHOMORES ELECT

## FRESHMEN CLASS MEETING

Officers for the freshmen class were chosen Tuesday, Sept. 24. The meeting was held in the junior high study hall.

Bill Strayer was chosen as president; Louis Pascoe, vice president; Robert Habicht, secretary and treasurer.

Mrs. Weaver will be the freshman advisor.

## LIBRARY FINES

Every year there is a long list of names on a long sheet of paper stating that these people owe library fines. Most of the fines are due to carelessness, more or less; neglect to turn the book in when it's due. Perhaps, at times, one might have some other very good reason for not turning the book in.

The student will forget the fine and consequently no report card is received. Most students wish to see their marks, so the best policy is to turn your books in on time, or pay fines up as quickly as possible.

## HELP THE SENIORS

Seniors are in charge of the sale of season football tickets. There has been a reduction in the price this year. The tickets sell for \$1.10. There are four home games this year and all very good ones. They are:

- South Haven, Oct. 5.
- Niles, Oct. 12.
- St. Joseph, Oct. 26.
- Western State, Nov. 11.

Anyone interested in buying a ticket may obtain them from any member of the senior class. Buy now!

H. C. Stark, L. E. Stevens, and Frank Habicht attended the boy scout area board meeting, Sept. 24, in the Presbyterian church at Benton Harbor.

National youth council meeting, which is to be held in Berrien Springs, has been postponed until Oct. 2. All service clubs will have a representative present.

The P. T. A. executive board meeting was held this past week at the home of Mrs. Fred Moyer. The P. T. A. program for the year was outlined at this time.

Assignments have been given to the various grades for their time in the auditorium for this year.

## WHAT WOULD HAPPEN IF...

The teachers would forget to give assignments?

A fire drill worked out perfectly once?

Mrs. Weaver would lose her smile?

Harold Jackson liked to study?

There were no leather heels or heel plates?

Gum had never been thought of?

Johnny Fulks would be absent at a pep meeting?

Margaret Huse forgot to study?

The students would all study?

The 7th graders would come into the study hall quietly?

There was no such things as exams or tests?

None of the students ever got E's?

## School Slants

Students were busy Sept. 25, practicing the fire drill. The study hall was vacated within 15 seconds. The entire high school vacated the building in 1 minute and 17 seconds. This is well under the record of last year.

For the first time in the history of the Buchanan football team, they have played under artificial lights. The second team played at St. Joseph at 7:30 last Friday night under the lights.

Two games have thus far been scheduled for the second team of football. They will play Niles Oct. 3 and Oct. 26. They hope to get games with Cassopolis and perhaps Coloma and Watervliet. They plan to play all Class C schools and give the boys a good chance.

Mr. Hyink, Mr. Rizor, and Mr. Moore attended the Berrien County Science and Mathematics meeting at Dowagiac Wednesday evening, Sept. 25.

Mrs. Dunbar had charge of the assembly program last Thursday. The entire school paraded Friday for the fall festival. The band also played.

All the lower grades from the sixth down to kindergarten are having a drive on safety first. The first and second grades have been taken down town and shown how to cross the street by the use of the light. Also safety first posters have been placed about the halls and in the grade rooms. One poster shows a boy in a wheel chair with the statement, "We will look before crossing the street next time."

In Miss Bohl's room on a table, a street has been made with red lights and people crossing the street. It also shows cars which are on the wrong side of the street. Archie Morley, from the Indiana & Michigan Electric Co., spoke to the 5th and 6th grades on safety first.

The dentist, Dr. Leachman, began his work to spend a half day every day in the week to work on the teeth of students from the first grade up to the eighth in the same manner as in former years.

Children of the kindergarten are having physical examinations given them by their family doctor.

Quite a few cases of impetigo are in the grades, but small cases are taken care of by the nurse. More serious cases are sent to the family doctor.

Weight and measures have been taken in the grades, most of the pupils have gained since last spring.

Toxoid has been given to kindergartners after the examination, if parents request it. Most parents are anxious for children to have

this toxoid because of the many cases of diphtheria.

In 5th hour study hall it seems that Mr. Robinson just can't stand up. Several times last week while he was taking roll he backed into the stool that was on the outer aisle.

Guess you must be too tall, Mr. Robinson. You had better take roll sitting down next time, don't you think?

## BY THE WAY

Now that autumn is here the "gypsy in us" gets the better of us and Mother Nature, in her colorful autumnal gown, beckons. The lure of the campfire, accompanied by the odor of toasting marshmallows and burning leaves calls. We answer.

Joe Bachman, '37, one of the football eleven, was absent Monday and Tuesday. Guess it was too much football, Saturday, eh?

Have you noticed how Miss Miller's first period English class (they are sophomores) have been running in and out of the library and stopping every one and asking them about the Ethiopian situation? Well, don't be alarmed, folks, the whole class has gone Ethiopian over a debate as to whether United States should enter into the Ethiopian-Italian war if there is one.

Another way we can tell that autumn is here is the Fall Festival held last week. The gay carnival music, the voices of the barkers, and the smell of goodies set our gypsy blood astir. Most of us found our way to the festival and our minds were a million miles away from school. Teachers wondered why all the blank looks were on the faces of students next morning. Oh, for the life of a circus man!

Boom! Boom! Boom! says the big bass drum. Yes, it's none other than the band maneuvering on the field. "Come on now, keep in step," comes from the band director, Mr. Robinson, whose voice can be heard above the music. Come on, Maroon and White!

## Not For a Blouse

A certain senior girl was presented a blue handana handkerchief in history class last week. She was handed a crude looking package upon which appeared: To you, from the Senior Class '36. A blank grin stole across her face as she opened it, for all it contained was a blue handana handkerchief. Now this was not presented to her to make a blouse of, but for other purposes.

## B. H. S. STARS

Melvin Campbell, Gene Raymond, Donald Jerue, Slim Summerville, Vivian Sanford, Grace Moore, Betty Mitchell, Arline Judge, Louise Howe, Jean Harlow, Leland George, Joe E. Brown, Marshall Duke, Charles Boyer

## Grade Music and Art

Art classes made a correlated study of fall nature last week. Drawings of flowers, seeds, and nuts have been made.

Music classes have been studying fall music.

## FIRE DRILLS

Much emphasis is being put on fire drills this year. The rules and regulations have been changed and improved since last year.

Single and double file will be the order in which the classes pass. The order in which they pass will be determined by where the room is located in the school building. This regulation will do away with the possibility of students being hurt.

There is supposed to be no locking of arms and little, if any, talking.

The school expects to have fire drills until everything is carried out as it should be.

## Assembly Program

The assembly program of last Friday was sponsored by Mrs. Dunbar. The script was written by Una Kelley and put on by the members of the student body.

The setting was that of a theatre on Broadway, just after the fall of the curtain of Greta Garbo's premier performance. The cast was giving a backstage party in her honor. Some of the screen and radio celebrities entertained. This entertainment was supposedly broadcast over the radio.

The main characters in the program were: Helen Morgan, Una Kelley, The Duncan Sisters, Barbara Swartz and Nancy Jean Scheetz; George Geibel, Buddy Mills; George Burns and Gracie Allen, Harold Jackson and Evelyn Dolph; Ruby Keeler, Phyllis Dandridge; Buddy Rogers, Donald Flennar; the narrator of the evening, Melvin Campbell; and the radio announcer, Ben Franklin.

## GRADE NEWS

The following pupils in Miss Carnagan's room are on the Dental Honor Roll: Betty Paddock, Evelyn Lee, Carlton Bates, Paesler Cherne, Billy Fergie, Robert Gridley, Donald Hartman, Barre Heim, Walter Jane, Richard Korp. As soon as other children have the necessary dental work completed their name will be put on the Honor Roll too.

The second grade "Eagles" have completed their moving picture, "Little Bear and the Honey."

Miss Cornell's room is studying about Indians and she is reading, "Shining Star, the Indian Boy" to the pupils.

The Eagles and Redbirds will entertain Mrs. Heim and her second grade in the auditorium next Wednesday.

We are learning Health Nursery rhymes this week.

Peper money has been paid 100 per cent in Miss Abell's room.

The third grade in Miss Bohl's room built a Safety Town this afternoon. Miss Bohl's pupils instructed the second grade children in safety measures, namely, how to cross a street in safety, and safety rules that should always be followed.

Lyle Allis, Bonnie Metzger, Evelyn Johnson, June Johnston, Betty Pfahler, Juan Ewing and Jean Blake have learned Safety Club pledge and are members of the Honor Roll in the 4th grade at the high school.

We are very grateful for the beautiful flowers brought to our room. The flower committee this week has been Mary Hickey and Catherine Babcock. They have arranged them of them for art and nature study. We have drawn and studied the nasturtium and marigold. We are going to use water colors next week.

Each child in our room is a member of our Safety First club. Each one has signed a pledge card and is endeavoring to obey safety rules and remind younger boys and girls to obey.

## Class Activities

Mr. Robinson, music instructor of the Buchanan high school department, has developed a real marching band as he proved last Friday.

The band led a school day parade last Friday and plan several trips with the football players.

Routine work seems to be the work of the glee club but a few drills are still being done.

English 7  
Reviewing parts of speech and writing friendly letters has been the work of the 7th grade English class, also making a study of the poem, "America the Beautiful."

## History 9, 10 and 12

The American Revolution is the topic of study and discussion in the senior American history class.

Tenth graders are learning about the Persian Invasion of Greece.

The task of the ninth grade history class is to find out all they can about the community.

Learning the sign for s, and when to use the right or left s. Also the rule for the line of writing in shorthand.

Bookkeeping pupils are studying

about credit customers and notes receivable, liabilities, credit purchase, creditors and notes payable.

Using the fourth finger keys and writing short sentences is the task of the 11th grade typing class.

The 12th grade typing class is continuing their work on business letters.

During the past week the advanced algebra class has studied the functional relations of certain equations.

"Obviously, the only sound policy that will meet these obligations is to continue to furnish the best possible telephone service at the lowest cost consistent with financial safety."

A Statement of Policy of the Bell System, made in 1927 by Walter S. Gifford, President American Telephone and Telegraph Company.

## The Unseen Factor

AMERICA's world supremacy in telephone service is an achievement of the Bell System. And no factor contributed more to the winning of that leadership than the unseen factor of policy.

The fundamental policy of the Bell System is to supply the best possible telephone service at the least possible cost; and the status of the Michigan Bell Telephone Company as a part of that System has a definite, practical meaning for the people of this State.

It means that the telephones and other equipment used in Michigan are of the finest modern make, produced for us — more economically than they can be bought elsewhere — by the Western Electric Company, manufacturing division of the Bell System.

It means that this Company gets the benefit of the work constantly being forward in the famous Bell Laboratories, where more than 4000 scientists devote

their entire time to the improvement of the service.

It means that we receive assistance in financing; the use of thousands of important patents; advisory counsel on methods of operation. In short, it means that we can utilize the many benefits that have grown out of a half-century's progress in telephonic communication—a progress which has brought to the modern telephone, despite the vast and intricate physical equipment involved, such efficient simplicity that its use presents no difficulty even to a child.

That progress could not have been achieved under a dollar-chasing policy, but only under a policy, honestly dedicated to genuine public service. And that policy, though invisible, is as real and as important as the poles and wires and cables which link the Michigan subscriber with thirty million telephones distributed throughout the world.

The leaves of Turkish tobacco are strung one by one like beads (see how it is done in the picture). After the leaves are strung they are packed in bales (see picture) — sometimes as many as 80,000 leaves to the bale.

We have on hand at all times for CHESTERFIELD cigarettes upwards of 350,000 bales of Turkish tobacco...

The pleasing aroma and flavor of Turkish tobacco is almost necessary if you want a good cigarette. Turkish tobacco is more costly when you take into account that you have to pay 35c a pound duty, but we have to have it to blend with our mild ripe home-grown tobaccos. It helps make Chesterfields milder, it helps give them better taste. Just try them.

Outstanding .. for mildness .. for better taste
