

SAFE CRACKERS FAIL IN 2 TRIES HERE

Stage is Set For Community Talent Barn Dance Thurs., Fri., Sat.

ENTER SCHOOL TUESDAY NIGHT

Now Here's the Proposition

Uncle Hank of Hills Corners Sez:

Tough Guys

Only the he-men smoke cigars. Great big cavemen with dirty cuffs who spit in knotholes and lean on bars. Full of baloney and brass and bluff. Only fellows with shaggy necks. Publishers, printers and such low ilk. Low-brow guys with a tough complex. Reared on rotgut instead of milk. Mannish women and sissy men. Full of sherbet and tea and cake. Soothe their souls with a feeble yen. For cigarettes of a tailor make. Give me a hat with a rakish tilt. Give me the soul of a First Ward czar. Give me a rope with a starward tilt. Only the he-men smoke cigars. Give me a rope that is rank and vile. Whether it's lighted matters not; Set me a spittoon at half a mile. Watch me hit it at every shot. Doctors and lawyers and such low tripe. Feeble souls with a taste that jars. Chew on fine cut or suck on pipes. Only the he-men smoke cigars.

Inside Dopesters If you want to make somebody real mad all you have to do is ask Ted Rouse or Glenn Smith how much they made on their first inning chances in the baseball pool—and then run like heck. It seems they both drew first inning chances in a pool and then sold them for the payment, 25c. Ted Rouse sold to Fred Mead. Glenn Smith sold to Edyth Schlytern. When the smoke cleared away the tickets were worth \$2.25. Edyth is leaving town which will probably help Glenn, but Ted will never have a chance to recover.

Well, folks, we were out on the old stomping ground in Wyoming last week, sniffing the sage brush and rubbing noses with the coyotes and the cayuses. We met a lot of our old friends and some of our old enemies who seemed to have buried the hatchet for the occasion and the welcome they gave us after eight years sure did out hearts good. They said, "Hello, you been away? Wait until after the ball game is over and we'll talk."

Hopes were revived during the past week that local police chief, Ed Mitchell might get his gun back on the strength of tidings that Floyd Foote of Kalamazoo, had confessed to the theft of a policeman's overcoat and gloves. Foote walked from Kalamazoo to Niles and there gave himself up, stating that the more he thought about the policeman walking his beat in the cold wind without an overcoat the sorer he became.

Attend Funeral

Mrs. J. A. Colvin

Mrs. C. H. Fuller and Mr. and Mrs. A. P. Sprague went to Kenilworth, north of Chicago, Thursday to attend the funeral of Mrs. Agnes Colvin, wife of J. A. Colvin. Mrs. Colvin died Tuesday morning, after a lingering sickness. She had visited each summer at the Ed Colvin summer home at Clear Lake.

Mrs. Cassie E. Waterman left Wednesday for Churubusco, Ind., where she will spend several weeks with her sister, Mrs. Amanda Christopher.

DRESS REHEARSAL HELD LAST NIGHT

Valuable Prizes Given Away in Lions Benefit Show.

The dress rehearsal for the Big Community Talent Barn Dance Show was staged in the Buchanan high school auditorium last night and the performers went through the paces in real professional style. Many new characters will be portrayed in this year's Barn Dance Show and much variety is given in each night's performance so that this show will please any mixed audience, and with changes in each night's program it will be well to attend more than one night. Valuable prizes will be given away each night.

The stage has been transformed into a typical hay-loft and all the actors are ready to don their togs and do their stuff with a gusto that is expected to eclipse any of the home-talent performances staged here for many years.

Don't miss this Big Community get-together, come out and enjoy this wholesome entertainment which is proving to be one of the finest vehicles for home talent performances that America has yet seen.

Funds Go to Benefits The net receipts of the show are devoted to the various benefits sponsored by the Lions Club, including eye-testing and the provision of glasses for poor pupils, the milk fund and various civic enterprises.

Orchard Hills

The 1935 season at the Orchard Hills Country Club will formally close with the annual Wind Up dinner and ball at the club house Friday evening. A dance orchestra will play during the dinner.

The dinner will begin at 6:30 p. m., followed by an entertainment session, with M. L. Hanlin as master of ceremonies. The Myron Waltz orchestra will furnish music during the dinner and the following entertainment and dance. Entertainers from RKO will be present. The evening will be closed by a dance. The arrangements are in charge of the executive board and the house committee. C. D. Arnold is in charge of reservations for Buchanan members. After the dinner, trophies will be awarded for the season's play.

V. F. W. Auxiliary Elects Officers

The Auxiliary of the G. N. Lyon Post of the Veterans of Foreign Wars met Thursday evening, the main business being the annual election of officers. The following were named: president, Mrs. Harry B. Brown; senior vice president, Mrs. Roy Korp; junior vice president, Mrs. Stella Dilley; secretary, Mrs. Dwight Markham; treasurer, Mrs. Joseph Manning; chaplain, Mrs. Roy Holston; conductress, Mrs. Ora Shuck; guard, Mrs. Irvin Wells; historian, Mrs. Harry Binns; trustee, for 6 months, Mrs. John Ochenryder; color bearers, Mrs. Cora Brown, Mrs. Warren Juhl, Mrs. John Ochenryder and Mrs. Ross Cauffman; and patriotic instructor, Mrs. Charles Pears. The unit will meet with Mrs. H. E. Brown, Oct. 18.

Buchanan On Air

Over WSBT Today

Citizens of Buchanan and vicinity should not fail to tune in their radios on station WSBT at 1:15 p. m. CST (slow) today for the 15 minute Buchanan program sponsored by the local Lions club over that station.

Attorney A. A. Worthington will present a seven-minute talk covering historical, civic and other interesting data concerning the city, and a local vocalist will sing. This is one of a series of broadcasts of the towns and cities of the Michigan district during the fall and winter. Gallen will be broadcast over the air at the same hour next Thursday, Oct. 17.

BANK DIVIDEND GIVEN OUT MONDAY

1st Nat. to Begin Distribution of 7 Pct. Here Monday.

Checks for the fifth dividend to be distributed by the Buchanan First National Bank trust, consisting of 7% of the deposits or \$31,502.44, will be ready for distribution in Buchanan Monday, Oct. 14, at the former quarters of the bank here, which will be distributing headquarters for a week.

After that the checks still undistributed may be secured at the First National Bank in Niles. The entire distribution totals 92% of the deposits when the bank closed, distributed as follows:

Table with 2 columns: Date and Amount. 1st 15% paid June 1932 \$197,505.51, 2nd 10% paid Dec. 1932 43,624.31, 3rd 20% paid June 1934 89,648.13, 4th 10% paid Jan. 1935 43,868.20, 5th 7% paid Oct. 1935 31,502.44.

Mayor Saves City \$62.75

Mayor Frank Merson saved his city \$62.75 by saying no last week but it cost \$7.25 at that.

He was called to the telephone and informed that there was a collect call from New York City and would he pay the charge. Figuring that the call doubtless would be about the WPA project, the mayor said, "Why certainly!" and pressed the receiver to an expectant ear. But through it there came an ingratiating masculine voice assuring him that the city of Buchanan had in prospect an amazing opportunity, nothing else than a chance to get a big "puff" in a magazine of national circulation if only it would agree to buy 200 copies of the issue at 85c each. The mayor roared a resounding "no" and slammed down the receiver. But central called him back and said: "The charge will be \$7.25."

Townsend Meeting M. E. Church Oct. 15

A Townsend rally will be held Tuesday evening, Oct. 15, in the basement of the Methodist church, opening at 7:30 p. m. The main speaker will be Mr. Putney of California, an associate and co-worker with Dr. Townsend. He has some startling facts for the public. Considerable progress has been made in organization here and it is expected that the membership will pass the 100 mark by next Sunday. The charter of the local Townsend club has arrived and arrangements are being made to hold fortnightly meetings as soon as a meeting place can be definitely picked.

The Weekly Parade

In case you wonder why the Lions club boys are all pepped up this week, Miss Schlytern (call me Edith) is back in town promoting another of the justly famous WLS barn dances. * * * The World's series came to a close Monday afternoon with a salvo of cheers from the Tiger supporters and a few scattering groans from the Cub fans, and now business as usual is in order. * * * You gotta be lucky to be in the newspaper business, that is if you stay there, which explains why a certain local newspaper man smokes lots of free cigars while a local drug store proprietor is considering taking the "bones" out and burying them. * * * How's your combination plates this morning. * * * The freezes Sunday and Monday night nipped the leaves so hard that they are likely to fall off without turning this year, spoiling the big fall show.

Masters Louis Pascoe, Edward Pascoe, and Bill Strayer formed a party attending the University of Michigan-Michigan State game on Saturday. The party was sponsored by Misses Helen Krebs and Marie Connell of the Buchanan school faculty.

FALL FESTIVAL ON BLACK SIDE

Both Carnival and Concessions and Farmers Day Pay Out.

By grace of fair weather on the second day and a good third day, the Buchanan Fall Festival Association emerged from their premiere performance \$14.04 on the black side of the ledger, according to the summarized report by the treasurer, Fred Smith.

Smith gave an itemized report of expenditures but digested the report of the income from concessions and donations for publication. The expenses of Farmers Day were handled entirely separate by A. J. George and Kenneth Washburn, the balance left being \$11.95. The city commission gave \$50 and \$34.25 was given by the state in part payment on the premiums for farm products. A total of \$68.50 was paid out in prizes for the horse-pulling and in premiums and \$3.80 was spent on incidental expenses.

The report by Treasurer Smith is as follows:

Table with 2 columns: Receipts and Amount. Concessions sold locally by committee \$182.59, Barkoots Concessions \$90.50, 10% of gross from 5 rides and 3 shows operated by Barkoot \$58.35, Cash donations from Buchanan Business men \$120.50.

Missionary to Talk to Society

The Women's Missionary Society of the Presbyterian church will hold a praise service at 7:30 p. m. Friday at the church with Mrs. Robert Johnston (nee Ellen Vanderslice) presenting a talk on her experiences as a missionary in China. The Vesper singers will furnish music for the meeting. A thank offering will be taken. The regular afternoon meeting will not be held.

Mr. and Mrs. Alan Stevenson spent Sunday at the home of the former's mother, Mrs. G. H. Stevenson.

Carl Patton Buys Portz Food Shop

Carl Patton, operator of the Clear Lake Woods hotel, has purchased the Portz Food Shop from John H. Portz, to take possession Oct. 15. Portz will retire from business indefinitely, marking the close of over 30 years of continuous business in the city. He started a bakery here 31 years ago, operating it for 25 years, of which 20 years were spent in the room now occupied by the post office. Six years ago he closed his bakery business and opened the Food Shop where he has built up an excellent reputation for high-class catering.

Patton has to his credit several years of experience in special catering to a high-class clientele at the Clear Lake Woods Hotel and should be able to continue the tradition of excellent food and service established by Mr. and Mrs. Portz.

KILLING FROST HITS BUCHANAN

Tomato and Grape, Crops are Cut By Freeze.

A hard freeze on Sunday and Monday nights destroyed tender foliage in the Buchanan district and ended the flower season.

Potato vines were frozen down and tomato crops, many of which had quite a ways to go, were destroyed. Farmers state that the freeze did not hurt the potato crop, the freezing of the vines hastening the ripening of the tubers. Because of the fact that the maturing of the Campbell Soup Co. tomato acreage was delayed by the cold, sunless weather of the late summer, a number of the fields were caught by the frost and the yield was cut down materially.

Shipments of grapes have been light at the Michigan Central terminal in the past few days as the growers waited until after the first frost before harvesting. However, growers have waited too long, according to reports received by the Associated Press from Berrien and VanBuren as major disaster struck the crop Saturday and Sunday nights to nearly wipe out grapes in the two counties.

Family Reunion

On 84th Birthday

Mrs. Margaret Baer was a guest of honor Sunday at a family reunion at the home of her daughter, Mrs. Frank Rinker and husband, the occasion honoring her 84th birthday.

Thirty-nine attended, including four generations. Among the guests was her sister-in-law, Mrs. Gertrude Baer, 92, who made a trip of 400 miles from upper Michigan to attend. A feature of the entertainment were two solos sung by the 84-year-old woman in a strong and clear contralto "Silver Threads Among the Gold," and "The End of a Perfect Day" with her granddaughter, Mrs. Josephine Kelley, accompanying her on the piano. Mrs. Baer has made her home with her daughter, Mrs. Rinker for 25 years. She came to the United States from Millheim, Germany, 50 years ago.

The four generations were Mrs. Baer, Mrs. Rinker, and her daughter, Mrs. Josephine Kelley, and her daughter, Miss Uma Kelley. Other children of Mrs. Baer present were Mrs. James McGaghie, Mrs. Stephen Nelson, Herman Terry, Chicago. Grandchildren were Mrs. Josephine Kelley, Robert and Ed Rinker, Buchanan, and Herman Terry, Jr., Mrs. Miles Smith, Chicago. Two other grandchildren were unable to be present. She also has seven great grandchildren. Those present were Elaine and Donald Smith, Dorothy and William Baer, Chicago, and Miss Una Kelley, Buchanan.

BUCHANAN TIES SOUTH HAVEN 7-7

Locals Outgain Rivals Again But Fail to Capitalize.

Bucktown's fighting Bucks battled a highly touted South Haven team to a 7-7 tie last Saturday afternoon on Buchanan's new field. The Bucks outgained their opponents 8 first downs to 5 but again for the third time the game was a tie.

South Haven's marker was made in the first quarter by fullback Myer on a line plunge from the one yard line, Meeker booted the oval between the uprights for the extra point. "Truck" Meyers, ponderous Buck tackle, attempted a field goal in the third quarter from near the 20 yard line but the try was blocked. In the same canto after a sustained drive of nearly 80 rods, Antisdel, Buck fullback, on a line buck from the 1 yard line, plunged over for the Bucks marker, Spasek converted the extra point from placement.

Hassie and Myer were South Haven's outstanding players. Trapp, Spasek and Antisdel gained ground consistently throughout the game for the Bucks. The punters of both teams got off some nice spirals during the game. South Haven's passing attack was unnoted during the battle. Buchanan's band gave color to the game and at intervals burst into strains of martial music. The band looked great in their white pants and tams and maroon sweaters.

Table with 2 columns: Line-ups and Names. Buchanan: L. E., Newsom, Hansen, Richards (C), Suit, Myers, Holmes, Spasek, Collings, Smith, Antisdel. South Haven: Barner, Gerver, Kovich, Meeker (C), Tuenkel, Edwards, Moran, Tait, Hassie, Holubar, Myer.

Score by quarters:

Table with 2 columns: Team and Score. South Haven 7 0 0 0-7, Buchanan 0 0 7 0-7. Substitutions: South Haven, Schlak, Chaddock, Storch. Substitutions: Buchanan, Trapp, Yurkovic, Habicht, E. Stevens. Officials: Referee, Cleveland; Niles; Umpire, Brenner; Niles; Head Linesman, Smith, Niles.

Virginia Hess Weds Jack Harroff

A very pretty home wedding was solemnized at 8 p. m. Saturday evening at the home of Mr. and Mrs. Charles Hess, four and a half miles northwest of Buchanan, when their daughter, Miss Virginia Hess, was united in marriage to Jack Harroff, son of Mr. and Mrs. J. W. Harroff. The bride was very attractively attired in a green crepe dress. The couple were unattended. The Hohengrin wedding march was played by Mrs. Thomas Rice and the impressive single ring ceremony was read by Rev. Thomas Rice in the presence of the immediate families of the principals. Immediately after the ceremony dainty refreshments were served. Mrs. Harroff is a graduate of the Buchanan high school and of the South Bend Business College and had been employed for two and a half years previously in the county tax description office at St. Joseph. Mr. Harroff is associated with his father in the operation of their farm seven miles northwest of Buchanan, where the young couple will be at home after Oct. 12.

BUCHANAN PLAYS NILES HERE SAT.

Meets Old Rival on Local Grid In Annual Classic.

Buchanan and Niles will engage in mortal strife on Bucktown's new grid iron battle field Saturday, Oct. 12 at 2:30. For years there has been a great rivalry between the two towns, and now as before great preparation is being made for the ensuing battle of battles.

Buchanan's fighting Bucks will match brains and brawn with the Niles Golden Tornadoes.

In the camp of the enemy, Coach Bradford, former coach of the Bucks' destiny, is putting his charges through grueling drills and practices. Some of his most reliable players are on the injured list, including his star right end, Capt. Edwards. Niles has been beaten by two strong teams in their last two engagements and they surely don't want to submit to Buchanan.

Meanwhile Buchanan has played three tie contests, one with a team that administered a 7-0 defeat to Niles. The Bucks have a strong ground gaining outfit as statistics show having outgained their opponents 36 first downs to 13. Buchanan also has been practicing every department of the game as a preparatory measure. The Bucks displayed a bit of their power when they marched 80 yards to a touchdown that tied the score.

Friday night there will be a parade and gigantic snake dance. The band will lead the procession starting at 7 o'clock from the intersection of Front Street and Moccasin Ave. The parade will go thru the business district and thence to Athletic Park where a gigantic and stupendous bonfire will be burning around which the snake dance will be danced. Everyone is welcome to come down and join in the celebration.

Saturday afternoon the new field will be dedicated. The band and various notables of the city will participate in the dedication ceremonies. When Saturday rolls around just remember that the Bucks play Niles and it will be a battle to the finish, win, lose or tie.

B. A. A. Grid 11 To Play Mich. City

The Buchanan Athletic Association independent grid team will play the Michigan City Athletics at Athletic Park Sunday, Oct. 13, the game starting at 2:30 p. m. The players are drawn from the high school teams of 1932-33-34 and the squad includes the following: Deeds, Batchelor, Louis Morse, Dreitzler, D. Topash, A. Topash, C. Denno, Kossow, J. Hattenbach, Brewer, Donley, Penwell, Smith, Jewell, Chick Boyce, Remington, J. Morris, B. Frame.

The locals tied the Niles Independent football team in a game on the Athletic Field gridiron last Sunday, a pass from D. Topash to Hattenbach accounting for the local score.

Medal for Million Accidentless Miles

Leslie E. Herring, former Buchanan man now engaged in the bus transportation business in Niles, has been awarded a gold medal for completing 1,000,000 miles of such transportation without an accident. Herring lived in Buchanan when he instituted the Buchanan-Niles-South Bend bus service in 1921. He soon afterwards moved to Niles, where he continued that line until a few years ago when he discontinued the service and has since been operating a bus line from Niles to the Michigan Central terminal, where he now carries several hundred passengers daily. He is the son-in-law of Fred Steele of

Steal Adding Machine, \$20 in Change, Gun, Stop Watch.

Safe crackers entered the high school building last night, knocking the combination plate from the safe in the office but failing to effect an entrance.

They entered several rooms, twisting the locks from the doors with a heavy wrench, and taking an adding machine from the office, a .38 revolver and a stop watch from the coach's office and \$20 in change from the book store. They entered by breaking a glass from the west door and raising the latch.

Remington was called but was unable to open the safe door without ruining it. Supt Stark stated that it would cost \$275 to replace the door.

For the second time in the past three years the old green safe in the Buchanan Co-ops, Inc., headquarters on Days avenue successfully defied the attempts of one or more specimens of the genus safe cracker sometime between 6 p. m. Monday and 6:40 a. m. Tuesday.

The crackers entered the building by breaking a small pane of glass in the fertilizer room, enabling them to unlock a door. They took a mail and knocked off the combination plate, which was as far as they were able to get. They left the plate and mail beside the furnace in a rear room and escaped through another door which they left open behind them. Carl Remington was called the next morning and obliged to burn a hole in the door, taking out the entire lock combination. Three years ago the building was entered and the combination knocked from the safe, without entrance being effected. The robbers did not molest the cash register in an adjoining room, which was open, with 17 cents in a drawer and \$1.50 in an envelope on top.

A similar job was effected Monday night in the office of the Niles Lumber Co., where the combination plate was knocked off without effecting entrance.

Michigan T. B. President Advises On Its Control

Medical science now has advanced to a point where tuberculosis could be practically wiped out, if a wider knowledge of the modern methods that are being used to prevent, find, and combat the disease could be assured, Dr. Bruce H. Douglas, president of the Michigan Tuberculosis Association, declared this week. "Our greatest remaining task in the fight against tuberculosis is to bring to the general public the knowledge of the disease that has resulted from years of medical research. During the past 35 years the tuberculosis mortality rates have been reduced over 40 per cent. This sharp decline has been due to a number of factors, among them the improvement of medical and nursing care and the rapid development of the sanatorium movement.

Will Enforce Water Tax Pay

The City Commission passed a resolution at the Monday evening meeting directing the water committee to shut off all water on properties where the May bills remain unpaid. Approximately \$2,000 of the May tax is delinquent.

Mrs. T. D. Childs returned Tuesday, from San Diego, Calif., accompanied by Lieut. and Mrs. Edwin Peck and family, who will visit here a while while recovering from the effects of injuries received in a motor accident.

Action on Fast Time Suspended

A petition signed by 116 local citizens asking for a return to fast time all the year round here was tabled temporarily by the city commission Monday evening, pending further study into the matter and also possible similar action at Niles.

Headed for the Last Round-Up

Last week we were a long ways from Buchanan—in fact we were "headed for the last round-up" out in old Wyoming and it was literally the last round-up. Saturday we dined on round-up beef from the chuck wagon of the Shotgun Round-Up Association, then conducting what is believed to be the last "open-range beef round-up on the Laramie range. A few years ago there were 32 sizeable cattle outfits in the Association; now there are three, plus a few small ones. It costs \$600 to run the round-up wagon, the cost is borne by the old members of the association and they say they will not conduct it longer. Anyway, Congress passed the Taylor Act which establishes the Laramie plains as a national reserve, thus closing the last open range in southwestern Wyoming, effective next year.

Proof that birds are not bothered by superstitious fears is provided by the incident of a pair which has made its summer home for the past three years in a horse's skull on Pottawatomie Island. The skull was mounted as a mordant trophy on a post on the lot of George Saunders several years ago. The birds, believed by our informant to be wrens, selected the skull for a rainproof home, entering between the teeth in the mouth passage and going up through the nasal passages, from which they found an opening into the brain cavity. Here for three summers they have enjoyed a waterproof home.

The annual Chicago-Oronoko party, numbering 55, was held at the summer home of Mr. and Mrs. J. A. Berry on the Red Bud Trail Saturday evening with a co-operative chicken supper at 6:30. A splendid program was given, including almost an hour of moving pictures taken by Frank Hines. The pictures were of Yellowstone Park, also swimming, boating and surf-boarding riding on our own St. Joseph river. These gatherings are a farewell to our Chicago friends and a welcome to Rev. and Mrs. Rice, who return for the 7th year. We were pleased to have the new district superintendent, Dr. Ellenger, as a special guest.

Oronoko church and Sunday School had a good crowd for Rally Day. Mr. and Mrs. Delbert Barnes gave two delightful numbers with trombone and piano and a solo by Mrs. Jessie Rydberg was enjoyed. This week the outside paint job was finished which gives the church a pleasing appearance. Won't you help keep up the interest in worship during the winter season? A class in Sunday School for all from primary to adult.

LUKE RILEY SAYS THE RATS DIE BEFORE REACHING THE RIVER

Since moving near the river several years ago we've always used BEST-YET. We watched the vicious water rats nibbling at BEST-YET, outside the house. About 15 minutes later they darted off for the river to cool their burning stomachs, but died before reaching it. Kills rats and mice only. Will not hurt cats, dogs or chickens, and there is no smell from the dead rat. BEST-YET comes in two sizes, 4 oz. size 50c. 6 oz. size 75c. Sold and guaranteed by Dan P. Merson and M. L. Sands & Co., dealers.

Ten Years Ago This Week

The Buchanan Fall Festival for the benefit of the local hospital promises a glorious big time and a boost for the hospital funds. A formidable array of attractions has been rounded up by the Chamber of Commerce for Wednesday, Thursday, Friday and Saturday.

The first snow of the fall of 1925 fell in an even sheet of feather whiteness over all Berrien Co. last Friday night. The snow was about one inch deep.

The strong, fast, tough boys around town who have played football in the past cannot resist the temptation to get into the game and are organizing an eleven. The men who have indicated a desire to get into the play are: guards, Jerue, Parego, Carl Thaning, Spot Dempsey; tackles, Keyes, Stevens, "Steve"; center, McPherson, Adam Brant; ends, Hamilton, and Proud; quarterback, Alva Thaning; backs, Dwight Markham, John Voorhees, Brick Phillips. Two others whose names we did not get were "Steve" tackle; "Jack" full back.

Mrs. D. D. Pangborn, Mrs. Louis Kool, Mrs. Harry Hartline, Mrs. M. L. Mills, Mrs. Henry Smith and Miss Mae Mills attended the 4th Congressional District of the W. C. T. U. at Dowagiac Wednesday.

The Mt. Tabor grange held a fair at their hall last Friday night. Mr. and Mrs. E. H. Ormiston and Mr. and Mrs. A. B. Muir were the guests of honor. Mr. Muir was judge of the exhibits.

Margaret Miller, little daughter of Mr. and Mrs. Ray Miller, fell from a tricycle last Friday and cut her lip quite badly.

Miss Helen Snyder, Goshen, Ind., returned to her work in South Bend Sunday evening, after a visit at the home of her sister, Mrs. Ed Stultz.

Mrs. Hattie Miller and her cousins, Mr. and Mrs. Frank Borden, Wichita, Kas., were guests over the week-end of relatives in Holland.

James Ward, Jr., is Signally Honored

James Harmon Ward, Jr., son of Mr. and Mrs. James H. Ward, who live at Straybrook farm on the Redbud Trail, eight miles north of Buchanan, will represent the family as a descendant of a famous great grandfather, Commander James Harmon Ward, one of five co-founders of the United States Naval Academy, at exercises attending the observance of the 90th anniversary of that institution at Annapolis, Oct. 10.

Previous to his connection with the infant naval academy, where he served as the first executive officer, Commander Ward was a midshipman on the U. S. frigate "Constitution" from 1827 to 1831. While serving as executive officer in charge of the Naval Academy he wrote several books, including "Steam for the Millions," "Naval Ordnance and Gunnery" and "Naval Tactics." The second-named book was used as a textbook at the academy for nearly 50 years.

In 1918 the torpedo destroyer, "U. S. S. Ward" was named in his honor, with Miss Dorothy Ward, daughter of James H. Ward, of Straybrook as sponsor. Much attention was attracted to this ship from the fact that it was entirely constructed and launched within a

State News

The Michigan Branch of the American Association of University Women held a two-day convention in Lansing Friday and Saturday, the main speaker being Major C. Douglas Booth, British lecturer, who opened the convention with a discussion of international affairs dealing especially with the Ethiopian situation. The convention passed resolutions demanding strict neutrality and adequate national defense for the United States.

Local clubs and citizens of Hart, Mich., have launched a campaign for a WPA project to build a community hall, the local expense of the proposed project being \$13,000.

Ward, who live at Straybrook farm on the Redbud Trail, eight miles north of Buchanan, will represent the family as a descendant of a famous great grandfather, Commander James Harmon Ward, one of five co-founders of the United States Naval Academy, at exercises attending the observance of the 90th anniversary of that institution at Annapolis, Oct. 10.

Previous to his connection with the infant naval academy, where he served as the first executive officer, Commander Ward was a midshipman on the U. S. frigate "Constitution" from 1827 to 1831. While serving as executive officer in charge of the Naval Academy he wrote several books, including "Steam for the Millions," "Naval Ordnance and Gunnery" and "Naval Tactics." The second-named book was used as a textbook at the academy for nearly 50 years.

In 1918 the torpedo destroyer, "U. S. S. Ward" was named in his honor, with Miss Dorothy Ward, daughter of James H. Ward, of Straybrook as sponsor. Much attention was attracted to this ship from the fact that it was entirely constructed and launched within a

17 1/2 day period, a world's record for naval construction. The sponsor is now Mrs. Dorothy Ward Belsner of St. Joseph.

James H. Ward, Sr., received the invitation as the sole representative of the family to attend, but passed it on to his son.

Chevrolet Will Start New Radio Program Oct. 19

A new all-star Chevrolet program featuring Rubinoff and his violin with his 30-piece orchestra, Virginia Rae, popular soprano, Jan Pearce, tenor, and Graham McNamee will be heard over an NBC-WEAF network beginning Saturday, Oct. 19.

While Rubinoff has been one of radio's most popular instrumentalists on the air and the screen and in theaters for the past five years, this will be the first time that he has been starred in his own right. One of the best known figures of the entertainment world, he has appeared in practically every theater in the country in person as well as on the screen. In addition to numerous short subjects, he has just finished a featured role in "Thanks a Million" now in the process of release.

Virginia Rae and Jan Pearce will co-star as the featured singers of the new program. Miss Rae is one of the most popular soprano of the air whose following has been constant since the early days of radio. Jan Pearce, sensational Pacific Coast tenor, who was brought to New York this year as an NBC star, has a national following.

McNamee, whose name is synonymous with radio, is not only one of the most colorful figures and greatest of air reporters, but is recognized as one of the leading air salesmen, in which role he will be heard on the new Chevrolet program.

HARRY A. POST, City Clerk.

Statement of the Ownership, Management, Circulation, Etc., Required by the Act of Congress of August 24, 1912 and March 3, 1933.

Of Berrien County Record published weekly at Buchanan, Michigan for October 1, 1935. State of Michigan ss.

Before me, a Notary Public in and for the State and county aforesaid, personally appeared Harry L. Hayden, who having been duly sworn according to law, deposes and says that he is the publisher of the Berrien County Record and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management, etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, as amended by the Act of March 3, 1933, embodied in section 537, Postal Laws and Regulations, printed on the reverse side of this form, to-wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are: Publisher Harry L. Hayden, Buchanan, Mich.

Editor, Walter C. Hawes, Buchanan, Michigan.

Business Manager, A. E. McClure, Buchanan, Michigan.

2. That the owner is: (If owned by a corporation, its name and address must be stated and also immediately thereunder the names and addresses of stockholders owning or holding one per cent or more of total amount of stock. If not owned by a corporation, the names and addresses of the individual owners must be given. If owned by a firm, company, or other unincorporated concern, its name and address, as well as those of each individual member, must be given.)

Record Printing Co., Buchanan, Mich. Stockholders owning more than 1 per cent of stock: Josephine S. Hayden, Buchanan, Mich., Harry L. Hayden, Buchanan, Mich.

3. That the known bondholders, mortgages, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: Josephine S. Hayden, Buchanan, Mich.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.

Harry L. Hayden, Publisher.

Sworn to and subscribed before me this 5th day of October, 1935.

Glenn Haslett, Notary Public. My commission expires May 1, 1937.

EDITORIAL

Ever since primitive times, fire has been known to man. He captured it and put it to work by preparing his food. But he soon found that fire is as harmful as it is good, and as the old saying goes, "Fire is a good servant, but a poor master," and he discovered it caused many disasters.

In order to keep continuously in our minds the destruction fires cause and how to prevent them, a week is set aside each year, which is known as Fire Prevention Week. During this week, the students have fire drills and give talks on fire prevention.

E. J. Moore in a recent talk on Fire Prevention, stressed particularly how we can help by examining our homes to see if there are any fire hazards. Defective electrical wiring and carelessness with matches are the two most important. Watch out, too, for Mr. Spontaneous Combustion, who makes his appearance where oily rags are piled together so air cannot circulate thru them.

If each one would check up on these few items he would surely find these and many more defective fire hazards, which tend to endanger lives. If the students will co-operate, the results will be fewer fires and disasters.

WANTED

- A sniffling hayfever for a certain girl in fifth hour history class.
- A noiseless chewing gum that won't stick to desks, walls, or shoes for a few students who persist in chewing gum.
- A history book detector for Mrs. Whitman's fifth hour history class. Maybe Ted Lyon can help.
- A typewriter that types shorthand for Dorothy Dunlap.
- A water-cooled, smokeless pipe for Ben Franklin. Yet not a bubble pipe.
- A machine capable of whipping Buchanan's football team.
- A trackless hill climbing automobile, not an aeroplane, is wanted by Barbara Hamilton.
- A sure cure plaster for black eyes for "Hank" Richards.

Have You Noticed—

- Our new drum major?
- Eleanor Miller's permanent?
- Evelyn Dolph's new shoes?
- Dorothy Jerue's giggle?
- Supply of apples in the agriculture room?
- Marshall Duke?
- Football boys without neck ties?
- Ben Franklin's "cookie duster"?
- Margaret DeWitt's curly hair?
- List of library fines?
- "Hank" Richards' black eye?
- "Chuck" Westners new student manager's letter?
- Ted Lyon's loud bow tie?
- "Snitze" Hansen's big shoes?
- The absence of long ties on the football men?
- Ross Leazenby patting himself on the back?
- "Buster" Newsom's weak ankle?
- Norman McClen at the west door after school?
- The hand's new maroon sweaters?

What would Happen if

- Una Kelley would have her history questions written before she went to class?
- Harold Jackson would settle down and get to work?
- Ben Franklin would shave his "cookie duster"?
- Bessie Crothers would forget to chew gum?
- Don Jerue would walk quietly to the library?
- Rose Lynn Ernst would forget her rings?
- The library fines were paid?
- Billy Habicht would forget to study?

G. A. A.

The G. A. A. members will sell candy at the football games played at home. The money will be used for G. A. A. awards.
The agriculture classes organized the Agriculture club Wednesday Oct. 2.
The purpose of this meeting was to elect new officers for the coming year. The officers elected were Gilbert Collins, president; Carl Rossow, vice president; Lawrence Bachman, secretary and treasurer.

Library News

The librarians held a meeting recently and made out a schedule of assignments for preparation of books. Two persons every week will have charge of one certain feature in preparing new books for use.

Miss Hanlin, teacher in charge of the library this year, classifies all new books first, then one librarian acceosions them, another shuffles them, one pastes pockets, one letters them and another files the new cards in the card catalogue.

Every few months a chance is made and this gives the different librarians a practice in each step in preparation of new books. Each night two librarians take turns in distributing the books after school until four o'clock. Then they make a report on all the books that were in circulation during the day.

News Round School

Miss Hanlin and Harold Jackson must write alike. Ben Franklin was worried over an "E" that was thought to have been put on his paper by Miss Hanlin. Harold is still up to his tricks.

Why don't the students back the football team? Maybe the boys could get a score if they would. How about it, boys?
The whole school participated in a parade to help celebrate the Fall Festival. They were led by the band and the new drum major, Barbara Hamilton.

What's the cause of the bandaged heads and black eyes that some of the boys are wearing. Can't they take it?

A candy sale was held by the senior class Thursday, Oct. 3. Did everyone bring his pennies?

Have you heard the news? We don't know what the students have done to deserve it, but there's going to be Teachers' Institute Thursday and Friday, Oct. 10 and 11.

History books certainly are popular! Every day in fifth hour history class one or two books disappear.

Mrs. Lamb's News

In response to the cards that were sent home to inform parents of defects in children's teeth, many are co-operating well. A number of cards have been received at school whereon application is made for work to be done by the school dentist, Dr. Leachman. He will serve this school one half day a week. This is more time than Buchanan has had in the past. All children cannot be cared for immediately. An effort will be made to care first for the most urgent cases.

In an examination of the teeth of 669 grade pupils, but 236 were found to have teeth in perfect condition, 250 had decayed permanent teeth which need fillings, 227 decayed first teeth which should be filled, and 238 need extractions.

During the month of October the study of teeth will be made in all the grades. Every child should have his own tooth brush. Salt and soda are advocated as the best cleansing agents. Diet is very important in the building of sound teeth. Good teeth are important to good general health. In recent examinations a number of children have been found with defect symptoms of tickets; this is shown by the teeth and bone deformities.

Office News

The school will close Thursday and Friday because of the 8th district holding a meeting of the Michigan Education Association in Battle Creek.

Thursday and Friday of this week the Lions' club will put on a WLS program in the auditorium.
On Wednesday, Oct. 2, a meeting was held in Berrien Springs in order to organize a county youth council.

The sweaters have arrived for the band members who appeared in public last Friday in their new outfits for the first time.

The 12th grade pupils are selling basketball season tickets. There are four home games on the ticket at \$1.10 each.

The home games listed are South Haven, Niles, St. Joe, and Western High.

GRADE NEWS

Nearly everyone in our room saw Shirley Temple in "Curly Top" and we studied "The Helping Hand." This picture is a painting by Renouf. It is an Old Sailor and his small daughter in a boat. This appeared in "Curly Top."

Our attendance has been very good, only one student who has been absent quite a lot.

We are making cosmos and stick drawings in art this week.

The Eagles are starting a new

Class Activities

Shop

Under the instruction of Ray Miller, the mechanical drawing class is doing machine shop drawing. The class is engaged in drawing the piston and the crankshaft of a gasoline engine.

The beginners mechanical drawing class is drawing geometric constructions. The ninth got a new consignment of lumber, and cabinet-making is well under way.

Languages

Comparison of adjectives, relative pronouns, demonstrative pronouns, and learning table conversation was the work studied last week by the French eleven class.

Four Aller En France, literally Going to France, was the work of the French 12 class. New maps of Paris and France have been ordered to help the students in learning the geography of France and the city of Paris.

The Roman bath, the country estate which included the home, farm animals, work and grain is the work of the Latin nine class. The Roman counting system was also studied last week.

Ceres and Prosperpina is the story being read by the Latin ten class.

English 9

The mastery test has been given on capitals, nouns, and pronouns. The students failing the test will take further drill sheets on that work. Other students will go on with unit 2 which includes verbs and apostrophes.

Extra credit will be given on book reports handed in other than those required. This credit will apply on the student's grade in the last six weeks of the school year.

Physical Ed Classes
Girls' physical ed classes have played soccer out doors every day that the weather was not too cold. All girls wishing to play soccer after school have stayed, and teams have been formed. On days when it was too cold for outdoor activities the physical examinations were continued.

English 7

Students of English seven have been very busy writing business letters this week. Their week's unit covered business and friendly letters, parts of speech and spelling.

English 10

Capitalizing, punctuating, verses and poems have been the work of English ten, but a few sophomores are still existing. The Morton family is doing fine in Trail Fires according to the sophomores.

7th and 8th Arithmetic
During the past week the 7th graders have been continuing their work on percentage.

The 8th graders are studying commercial forms, such as sight drafts, bank notes, checks, certified checks, and promissory notes.

Algebra, Geometry, Advanced Algebra

The algebra students have been solving geometry problems by use of formula and representing relations algebraically.

Geometry class is working on parallel lines which are cut by a transversal.
Representing formulas by use of a graph is the problem of the advanced algebra class.

History and Citizenship
In the senior history class the American Revolution is being studied.

Tenth grade history class is studying "Life of Alexander" and making maps of his conquest.

Naturalization of foreigners and problems the foreigner raises in America are being studied in citizenship.

Biology and Agriculture
Biology classes are studying about how living things use their food.

Grain judging has been the work of the farm crops class.

Home Economics
Pot holders and towels recently finished by the 7th grade were discussed and criticized.

The eighth grade girls have started a luncheon unit which will include the planning of luncheons. Etiquette and manners were continued as the study of the ninth grade home ec classes.

The study of the dining room has kept the 10th grade girls occupied. They have taken up the lighting and furniture suitable for it.

8th Grade History
Studying the foreign problems of the new government, coming as a result of the French Revolution, has also studied the achievements of President Jefferson's administration. They are working with enthusiasm on their work books of the United States history.

Seventh Grade Geography
A complete study of Germany and Switzerland has been finished by the geography class. Scrap books of the geography of Europe are being made by the students.

American Government
In the government class, the students have studied the powers and organization of Congress.

Speech
Unusually good work is being shown by the speech class. They are making quite a study of Theodore Roosevelt's life. This is to be used as one of the topics in the state extempore speaking contest.

Commercial

Finishing all finger keys of the keyboard, typing 11 students are now striving for accuracy, a more perfect rhythm and touch. Also they have typed short sentences as well as words.

Business letters are still being typed in typing 12. Stress is placed on appearance of finished letter as well as correct punctuation, typing, etc.

In bookkeeping the students are continuing work on "Notes Payable," "Investments and Withdrawals."

Learning the shorthand outlines for x, tion, sion, and how to form past tense of words are some of the many things being done in shorthand. They are also reading and writing sentences reviewing the rules.

English 10

For the past week the 10th grade classes have been putting on debates in their class rooms.

The subject for the first hour class: Resolved that the United States should take a hand in the Ethiopian crisis. The winners were Kenneth Metzger, Beverly Koons, Caroline Webb and Keith Dalrymple on the negative side.

The subject for the second hour class: Resolved that high school education should be a state requirement. The winners were Jerry White, Sarah Levin, Elizabeth Fenwell and Lawrence Bachman on the affirmative side.

The class is having oral book reports and later will write them out briefly. They also are studying how to conduct a meeting.

English 8, 11, 12
Students in English 12 are studying "Sentence Craft," which is concerned with parallel ideas in parallel construction, also when to use the passive voice.

In English 11, students are outlining and learning the correct use of the apostrophe.

Reviewing essentials of a sentence is one of the many things English 8 is doing this week. Then also, plurals, capitalization and possessives are being studied.

Journalism
The students will make efforts to build action stories, as they are studying the chapter on building of action stories. The use of dialogue will be included in this chapter.

CONGRESS DECLINED TO SPLIT PENNIES

INDIANA & MICHIGAN ELECTRIC COMPANY

TO OUR CUSTOMERS:

A bill recently introduced into Congress provided for a 1/2 cent piece to look like a washer. Presumably because it was felt that a penny was already so small, Congress refused to subdivide the coinage further.

The purchasing power of the penny is almost negligible as applied to all commodities, but NOT for the purchase of electricity at our low rates. Were you to buy your current as you use it, smaller coins would be necessary — 1/2 cent to operate the toaster in the morning, 1/2 cent to clean the house with the vacuum.

The J. E. ...
President & General Manager

FOR EXAMPLE:

- A Large Lamp 1/2 cent an hour
- Vacuum Cleaner 1/2 cent an hour
- Electric Fan 1/2 cent an hour
- Morning Toast 1/2 cent

County News

A. J. Barnhart, 89, Berrien Springs pioneer and well-known in Buchanan, incurred bruises Saturday when he collided with a car driven by Walter Priddy, Jr., also of Berrien Springs, while en route to the Hartford fair. Priddy, a nephew of Mrs. E. I. Bird, formerly of Buchanan, incurred a badly cut head. The collision occurred at the intersection of US-31 and the Pokagon road.

Berrien's Rejected Tax List This Year Totals \$100,293.16 The "charge back" list of rejected taxes, totaling \$100,293.16 was received Saturday by Co. Treasurer Forrest E. Brown from the state auditor general's office at Lansing. It lists taxes on property rejected because of faulty descriptions.

These taxes will be re-assessed on the 1935 county tax rolls, the county treasurer stated.

Last year the rejected taxes totaled \$260,000. Some years ago the county installed a rejected tax department to make surveys and correct descriptions now made on metal plates which is rapidly decreasing the annual loss of taxes through erroneous property descriptions.

Pacific Typhoon

For First Time

The south coast of China, last frontier of the sea, is the unusual setting of one of the new season's dramatic photoplays.

The picture is "China Seas," produced by Irving G. Thalberg for Metro-Goldwyn-Mayer with a cast headed by Clark Gable, Jean Harlow and Wallace Beery. The picture opens Sunday at the Hollywood theatre.

The entire action of the plot takes place aboard a coastwise steamer between Hongkong and Singapore, and includes the photographing for the first time on the screen, of one of the violent typhoons that have made this part of the Pacific the graveyard for thousands of stout ships.

A "robot that sees" makes its debut in a talking picture studio when a complicated array of tubes, coils and telescopes became one of the principal actors in "Murder in the Fleet," Metro-Goldwyn-Mayer's detective mystery laid aboard a cruiser at sea. The new picture comes to the Hollywood Friday and Saturday.

The "robot" is an electrical firing control device used to direct guns. Through a series of lenses

and scales a range is found and automatically calculates itself to point the guns.

The new picture is a high-pressure thriller dealing with mysterious murders during naval maneuvers. Robert Taylor and Jean Parker head an imposing cast of players.

George O'Brien became so proficient with the powerful compressed air drills, while making scenes for his new Fox Film release, "Hard Rock Harrigan," which comes to the Hollywood Friday and Saturday that he was able to work with the veteran "hard rock" men for the picture without slowing up the regular drill work.

Wednesday and Thursday finds an unusual double feature bill. "Dunking," known as one of the less refined methods used in eating doughnuts, was practiced by Kay Francis and George Brent in a scene from the First National production, "Living on Velvet." Nevertheless both have roles of society folk.

The most famous of the world's musical extravaganzas is brought to the screen for the first time in Daryl F. Zanuck's production of "Folies Bergere," starring Maurice Chevalier.

New Canton Girls Noted for Skin Beauty

Scores of New Canton girls noted for skin beauty praise ZENZAL. So quickly does it banish blackheads, ugly pimples correct oily skin, many say, "It's magic." No need to suffer embarrassment. Just say ZENZAL at Corner Drug Store. You must be pleased with your new, creamy-white complexion, or money back.

More than \$1,000,000 was spent in creating the sensational effects for this 20th Century kaleidoscope of musical thrills in which the singing star plays his first dual role. Chevalier is seen not only as Charlier, charming, singing, straw-hatted star of the Folies Bergere, but as the amorous, be-mustached, bemuddled French Baron whom Charlier impersonates in his act as well.

The scenes of the original Folies Bergere, so familiar to visitors to the famous music hall, the Folies bar and all the rest of the colorful settings, have been reproduced in this magnified screen adaptation.
