Township Record System to End April 1st, 1936

Six more months and the township road system will be a relic of a bygone era in Michigan.

Funeral services for the township road, one of the oldest of Michigan institutions, will take place April 1, 1936.

There will be little mourning, however, when this once-robust road system is no more.

The depression brought a death certificate for the township road system.

Coming Events Dec. 14—Annual dinner at the M. E. church; also apron and food sale.

BUCHANAN ROMPS OVER CASSOPOLIS

Locals Swamp Rivals 17 First Downs to One.

Buchanan's fighting Bucks romped over a bewildered Cass eleven 40 to 0 at Cassopolis last Friday afternoon. The Bucks outgained their rivals 17 first downs to one.

Early in the cast quarter, Spasek tossed a 19 yard pass to Trapp, who ran the remaining 5 yards to score, this time the try for the point was good.

The Bucks outclassed their opponents in every department of the game. After their first touchdown they didn't release the pressure until the final whistle.

The Buchanan line was clicking like a clock. They opened holes through which Spasek, Antisdel and Trapp made substantial gains.

Cass was stubborn throughout the game. "Huck" Fitzgerald led his team well although they were overwhelmed.

Warns Against Sucker Bait

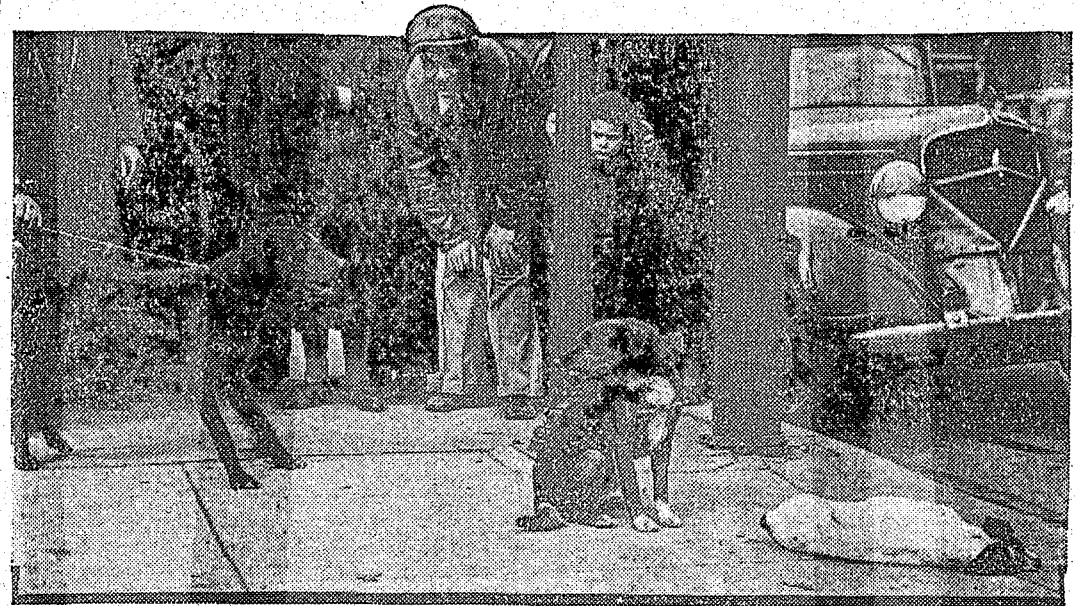

Cashier D. W. Ewing of the Galien-Buchanan State Bank hands us the following warning to local members of the sucker list:

There is a big harvest every year that doesn't come from the fields. It comes from the pockets of unwary, eager to get-rich-quick people who believe too much of what they hear from smooth-tongued strangers with stock and other things to sell.

Let Hallowe'en remind you to be on the alert. Witches don't ride broomsticks. There is nothing to be afraid of there.

Don't buy any stock or put any money in any glittering scheme presented by a stranger. Get the facts about him and his proposition. We will be glad to help you for your sake, our sake and the sake of the whole community which needs all of its hard-earned wealth at home.

Civil War Copy Buchanan Paper

Arthur Wray loaned the Record office an interesting collection of old newspapers last week, including an issue of the Buchanan Weekly Union of Aug. 5, 1863.

Buchanan prices were listed, the quotations being surprisingly low for war times, as the following specimens will show: wheat, 85c to \$1 per bushel; apples, 30c per bu.; potatoes 50c per bu.; butter 10c per lb.; eggs 6c to 7c a dozen.

An advertisement announces that H. N. Hathaway has the accounts of C. G. Littlefield and Alonzo Bennett for collection and is ready to redeem Littlefield's shiplasters at sight.

Witnessing the esteem in which editors were held in those days, the paper acknowledges the receipt of the following: first fresh cucumbers of the season from Mrs. D. M. R. Wilson; two nice large beets from Mrs. J. B. Cottrell; red ripe currants from Mrs. Andrew C. Day; mess of new potatoes and a head of early cabbage from John Kelley, mess of fine red beets from Mrs. Jacob Hahn.

Announcement was made of the opening of a new drug store in the Tremont House, (where the Legion building now stands) by the firm of Osborn & Welch.

The firm of Ross, Pears & Clark announce the cheapest hook skirts to be found in town, "lots of Shakers," "a heap of Yankee notions."

A business directory mentioned the names of Dr. E. S. Dodd, manufacturer of Dodd's celebrated German Cough Balsam, Ross & Fulton, dealers in dry goods, ready-made clothing and groceries; C. B. Churchill, jewelry and watch repairing; J. M. Roe, physician and surgeon; Weaver & Fox, dealers in hardware and stoves; J. H. Roe, dealer in drugs.

Townsend Club

The Townsend club of Buchanan will meet at the Legion Hall at 3 p. m. Sunday in conformance with the call of Dr. Townsend for meetings of clubs over the nation at the same time that the great national rally is in progress at the Chicago coliseum.

The regular meeting of the Townsend club will be held at 7:30 p. m. next Tuesday evening at a place to be designated later by President Graffort.

Richard Schram has been appointed chairman of the advisory committee on aeronautics of the campus chapter of the American Society of Mechanical Engineers at Notre Dame University, where he is enrolled as a freshman.

Round About Buchanan Damaged Dahlias

Dahlia growers of Buchanan fear damage to their prized plants by the hard freeze of Buchanan Oct. 6-7, which caught the late plants in full bloom and in a very soft condition.

Richard Boyer brought in an interesting newspaper sent by his son from Cordova, Alaska, containing advertisements of coal at \$19 per ton and soap at prices which must discourage bathing.

He also brought in an old bill announcing a sale of the personal property of the estate of Frederick Howe, Portage Prairie pioneer, dated Feb. 6, 1863. N. Hamilton was the auctioneer and the articles sold included a sash and blind machine and a set of ship carpenter's tools.

Fred Howe, South Bend road, has an interesting paper in the form of a call for bids made by his grandfather, Frederick Howe, when the latter was Berrien County Poor Commissioner in 1840. It calls for bids for the board and maintenance of the poor of the county, stipulating that any contract let will call for plain but substantial fare.

Local Talent to Play at Watervliet

A number of the members of the cast which presented the WLS barn dance here week before last will appear in the barn dance at Watervliet high school Thursday, Friday and Saturday evenings of this week. Arthur Johnston and Beverly Koons will appear in the cast as Ole Olson and his girl, presenting the same numbers that were a hit of the local show. Jack Boone, Walton Becker, Lucien Depyl and the Debus sisters will also represent Buchanan. The Prairie Rambler orchestra of Niles which appeared in the local show will play at Watervliet and Chubby Shindeldecker of Coloma will sing. Miss Caroline Harp, 15 year old Edwardsburg girl, who has achieved a considerable reputation as a singer and yodeler, will also sing at Watervliet. Miss Edyth Schlytern, promoter, stated in a visit here Tuesday that 18 towns will be represented in the Watervliet show.

Named State Farm Bureau Delegate

Fred Koenigshof was elected as delegate from the Buchanan Co-ops Inc., to attend the annual meeting of the State Farm Bureau at East Lansing, Nov. 23 and 24, at a meeting of the Co-op directors. A. G. Haslett was named alternate.

DEATHS

MRS. HENRY CHUBB

Elizabeth Bachman Chubb, 102 S. Portage St., passed away at her home Thursday morning, Oct. 17 at 6:45 following a long illness.

Elizabeth Bachman Chubb, the daughter of Isaac and Suzanne Rough Long was born June 28, 1852 on Portage Prairie. She has been a resident of Buchanan for the past 17 years, and with the exception of 11 years spent at Earlham, Ia., has made this vicinity her home. She married Albert Bachman, Sept. 4, 1873 at Portage Prairie. Mr. Bachman preceded her in death Feb. 12, 1918. On July 28, 1920, she was married to Henry Chubb at St. Joseph, Mich., who survives. She is survived by three sons, Calvin E. Bachman, Frank A. Bachman of north of town and Milton E. Bachman of Portage Prairie; one brother, Edward Long, north of town; one sister, Mrs. Fannie Howe, Lansing.

Mrs. Chubb was affiliated with the Evangelical church. Funeral services will be held Sunday afternoon at 2 p. m. from the Evangelical church, with Rev. C. A. Sanders officiating and burial will be made in Oak Ridge cemetery.

FREDERICK W. MORTON

Frederick William Morton, died Oct. 18, at 8:30 a. m. at his home near Hills Corners.

He was born Dec. 2, 1859, in England, the son of William and Sussanna Morton. He was married to Sibyl Losee, Oct. 19, 1897, at Chicago, Ill. He moved to his present home near Hills Corners June 15, 1907. In addition to his widow he is survived by one son, Wallace M. Morton, Chicago. Services were held Saturday at 3:30 p. m. from the Swem funeral home, with burial in Weesaw cemetery. Rev. W. H. Brunelle officiated.

MRS. WALTER NOBLE

Mrs. Walter Noble, Buchanan native and former resident, died at the family home at 724 Broadway, Niles, early Saturday morning, after a long illness.

She was born on a farm six miles northwest of Buchanan, the daughter of Gottlieb Boyle, her name before marriage being Miss Carrie Boyle. She is survived by her husband; by two stepsons, Don Noble and Mrs. Ivan Barclay, both of Detroit; by a sister, Mrs. Abraham Weaver, Glendora; and by a brother, Louis Boyle, Elkhart.

Funeral services were held at 2 p. m. Monday from the Price and Kriger funeral home, Niles, with Rev. G. W. Simon of that city officiating. Burial was made in the Oak Ridge cemetery here.

FRANK W. PANGBORN

Frank W. Pangborn, 60, brother of D. D. Pangborn, and well known here, died at 5 p. m. Sunday evening at 6001 Warwick Ave., and funeral services were held at 2 p. m. yesterday with interment in the Mount Emblem cemetery in that city. He was the youngest child of Joel and Sarah Pangborn. He is survived by his wife and two sons; by a sister, Mrs. Ella Jenkins, Hoquiam, Wash.; by two brothers, Fred D. Pangborn, Belding, Mich., and D. D. Pangborn of Buchanan. D. D. Pangborn of this city and George Pangborn of Niles attended the funeral.

The deceased was secretary-treasurer of the Dairy Employees Union, local 754, Chicago.

WILLIAM PAXTON

William Wesley Paxton, 86, died at the farm where he was born two miles west of Wagner lake, Monday, Oct. 21, and funeral services were held at 2 p. m. Wednesday from the Childs Funeral Parlors, with Rev. C. A. Sanders in charge. He was born in Buchanan township, Oct. 6, 1849, the son of Samuel and Margaret Paxton.

He spent his entire life in the township, engaging in lumbering and logging during the early days of clearing the country. He never married, making his home at the time of his death with Walter Paxton, an unmarried nephew. Six years ago he suffered a fractured hip which had inconvenienced him but otherwise his health had been good until he suffered a paralytic stroke about a month ago. He is survived by two nephews, Walter and Clyde Paxton, both of the same vicinity.

Clark Equipment Co. Shows Loss for First Nine Months of 1935

A net loss of \$24,902.27 was incurred by the Clark Equipment Co. and its subsidiaries on operations for the first nine months of 1935 as revealed by the quarterly interim report of the company released today. The net loss approximates 10c a share on the common stock of the company outstanding Sept. 30, 1935.

Hurt in Auto Mishap En Route To Mothers Bedside

Mrs. A. Messer, 3340 North Leavitt street, Chicago, incurred a severe forehead cut early Tuesday morning while en route to Buchanan in company with her sister, Mrs. Jesse Bradley and husband, called by the serious illness of their mother, Mrs. Charles Ryan.

Mr. and Mrs. Bradley had gone to Chicago to bring Mrs. Messer out. They planned on staying overnight in Chicago, but called Buchanan about 10 p. m. Monday evening and were told that Mrs. Ryan was much worse. They accordingly started. Mr. Bradley turned off M-60 at Bakertown to take the short cut home. At the corner opposite the Frank Strunk place, the steering gear failed to function and the car took to the ditch on the left side. As the car tilted sideways the driver's side was shattered by a brace sole. Apparently at the shock the driver's foot slipped from the clutch pedal to the accelerator and the car shot forward again about 25 feet, striking squarely against a light pole and stopping. The only injuries were incurred by Mrs. Messer, who had a bad cut on her forehead. A peculiar feature of the accident was the fact that there was no broken glass on Mrs. Messer's side of the car, and that although both the window and windshield were broken on the driver's side, Mr. Bradley escaped with only a small scratch on his hand.

Hollywood to Show Ethiopian Film

Of great interest in view of the current war in Ethiopia is the picture, "Wings Over Ethiopia," which will be shown at the Hollywood Tuesday, Wednesday and Thursday evenings of next week. The views include close-ups of the life of the ancient court of the King of Kings, Haile Selassie, and pictures of native life, as well as panoramic views of the country where the war is now being fought.

Mrs. H. D. Smith Injured in Accident

Mrs. Henry D. Smith, 307 Moccasin Ave., was very painfully, but not seriously injured in an auto accident near Litchfield last Sunday afternoon. Mrs. Smith together with her aunt, Mrs. Meez C. Weed, Alliance, O., and her cousin, Bert Phillips, Gary, were returning to Buchanan from Litchfield where they had visited relatives, when the automobile in which they were riding was sideswiped by another car. Mrs. Smith was the only one injured and she received severe cuts on the face, a sprained pelvis bone and body bruises.

"Fun Night" is Planned for Oct. 28

A "Fun Night" sponsored by the Buchanan Parents and Teachers will be held at the high school gymnasium Oct. 28, according to plans announced today.

Johnny Miller and Miss Henry, athletic instructors at the Buchanan high school will be in charge of the games and stunts that will feature the entertainment of the evening. Dancing will follow.

Evans Academy of Dance Arts Opens Here

The Evans Academy of Dance Arts of Mishawaka, is opening a branch studio in Buchanan. Miss Lynn Harris, the instructor, is teaching all types of stage dancing, including tap, toe, acrobatic, ballet, adagio, ballroom and the "Picolino," latest ballroom sensation. Miss Harris has studied under several well known teachers and has several years experience as a professional to her credit.

The studio will be open Saturday from 9 in the morning to 5 in the afternoon at the Legion Hall. Pupils will be accepted between the ages of 2 1/2 years thru adult age, boys or girls. Prices will be very reasonable. Those interested may call 624 for further information.

BUY FOR SEWER RIGHT OF WAY

Main Trunkline Sewer Will Cross; Also Used for Parking Space.

The city of Buchanan has repurchased from George McGaghie of Chicago the lots in the rear of the stores north of Front street and east of Main street, according to the E. C. Wonderlich Realty Co., which was agent for the sale.

These lots were purchased several years ago by the city from the Richards Brothers for use as a parking lot and were later sold to George McGaghie by the city with the understanding that the purchaser would erect a laundry. The depression intervened and no laundry was built. McGaghie had also bought land along the west bank of McCoy's creek from E. H. Murphy.

The lots were purchased this time by the city in order to get right of way for a sewer trunk line through the alley between the Chevrolet building and the L. W. Johnson store, through the lots and northward past the east end of the old Wagon Works building up Short street to the Third street sewer. This was made necessary from the fact that the condition of the Portage street sewer makes it unfit for use as an outlet for the Front street sewer.

The city recently cleaned up the lots, leveling them off and removing or burying the accumulations of rubbish of many years also several clumps of trees. The lots are now admirable as a place for business men and others to park their cars.

Takes Charge of White Dance School

Miss Maxine Knott, Niles, has taken over the classes of the Teresa White Dance School and will conduct them at the studio over Boardman's store.

Miss Knott is a graduate of Ned Wayburn's School of Stage Dancing, Louis H. Chalif's Russian Ballet, the Sonia Serova School, and of the National Dancing Masters of America, all of New York City. She has twelve years of experience in teaching. Enrollment will be taken Thursday afternoon from 2 to 5 o'clock.

To Observe National Girl Scout Week

The week beginning Oct. 27 is National Girl Scout Week and will be observed by local troops No. 1 and 2. Rev. Brunelle has invited the two troops to attend services at his church next Sunday in a group. On Wednesday the assembly program at the high school will be given by girl scouts. The local council is very grateful for gifts of furnishings for their meeting rooms that have come from friends.

Child is Struck By Car Sunday

Don Matthews, four-year-old son of Mr. and Mrs. Harlan Matthews, was slightly injured when he was struck by the fender of a car during the Sunday School hour opposite the Methodist church. Only the fact that the driver of the car was proceeding very slowly and cautiously between the parked cars on each side of Oak street saved the boy from worse injury. As the child dodged out from between two cars he was struck by the fender, and knocked down. The driver brought the car to an instant stop. The child incurred a bruised forehead and a slight foot injury.

On Top of the World

The tremendous advantage which Buchanan and adjacent districts enjoy over supposedly richer farming sections of the outlands is illustrated by two reports that recently came to our attention.

In North Dakota potatoes have been selling at 15 cents a bushel, at the same time that the farmers here have been getting 50 and 60 cents a bushel, with much shorter average hauls and better market roads. In North Dakota, we are told, farmers have been trucking baled alfalfa 100 miles and selling it at \$5 per ton. It usually costs around \$2 a ton for baling. At the same time Buchanan farmers can get \$10 per ton with only a few miles haul. It is proximity to the big markets that tells the story. Few farming sections of the world are equally blessed with a tremendous market right at hand. Growing markets and economical use of the truck are placing the farmer of southwestern Michigan right on top of the world.

The Bank IS A FARM IMPLEMENT, TOO

The modern farmer uses a tractor to help him with his ploughing in the Spring harvesting in the Fall, and for other power work Summer and Winter.
 The bank, too, is an all-year-round farm implement. It helps the farmer at every season. He may need a loan when he is putting in his crop, and he is sure to need financial service and protection when the proceeds of the harvest are in his hands.

We are giving banking service to the farmers of this section. Our particular interest in farmers' problems is well known. You will find us ready to give friendly attention to your needs. We invite you to come in.

Changes in Potato Act Suggested By Committee

After a study of the testimony given at a potato hearing held in Washington on October 3 and 4, the Potato Program Development Committee of the United States which represents producers in a large percentage of the nation's commercial growing areas recommended amendments to the Potato Act. At the same time the Agricultural Adjustment Administration announced it was making an immediate study of proposals looking toward action designed to increase the price of potatoes from the 1935 crop. Among the suggestions has been the diversion of potatoes from normal commercial channels. The price of potatoes in the late surplus producing states is at present less than half of fair exchange value. The committee recommended: (1) increasing the present exemption for farmers whose average sales are five bushels or less annually; (2) holding a referendum making necessary the approval of two-thirds of the producers entitled to an allotment if the Act is to remain in operation after the potato marketing year ending November 30. At present, the Act requires a vote by a majority of the potato growers entitled to a ballot; (3) excluding the consumer from the penalty provision with reference to packaging and affixing stamps to packages; (4) permitting growers to sell direct to the consumer to file returns on their sales in order to eliminate the necessity of attaching stamps to their potato packages; (5) amending the Act to regulate the shipping of potatoes in interstate commerce in excess of grower allotments. The committee also advocated ascertaining by a referendum the sentiment of the growers toward enforcement of the Act during the allotment year beginning December 1, 1935. In such an unofficial referendum, an expression of opinion would not be binding upon the Secretary but the committee expressed the view that it would aid in enforcement of the law.

Eggs May Be Sold By Doz. or Lb.

With hundreds of people writing for information regarding the new egg regulations which become effective Nov. 1, Commissioner of Agriculture James F. Thomson, explained today that eggs may be sold by the dozen as usual but that all retail packages must carry the net weight and grade in letters not less than one-half inch in height. Thomson established four grades for eggs. The ruling provides that all eggs sold to the consumer after Nov. 1 shall be sold by grade, producers exempted, and marked either "Fancy," A, B or C grade. Eggs are to be graded according to the condition and quality rather than size. The rules, of course, provide for technical specifications but this is only of interest to state inspectors and dealers. The ruling discusses inedible eggs which can not be sold legally in the state.

Dealers who retail only must secure a permit from the department of agriculture. The cost is \$3 per year. Dealers who job or sell to retailers or others are required to pay an annual license fee of \$25. Egg breaking plants pay a similar fee of \$25 per year. No permit is required of producers of eggs, and they are not required to sell by grade. All eggs bought from the producer must be bought by weight and persons selling to the retailer shall furnish an invoice specifying the grade, with each lot billed separately.

'36 Corn-Hog Program Referendum Date Set

A referendum on the question of whether there will be a corn and hog adjustment program in 1936 will be conducted among all corn and hog producers on Saturday, October 26. An investigation made by the Agricultural Adjustment Administration has shown economic justification for another program. The referendum will be by secret ballot and will be conducted by county and community corn-hog committees. All operators and owners of farms which produced corn or hogs in 1935, whether or not they signed corn-hog contracts are eligible to vote. If a substantial majority of those voting indicates that they favor a program a new plan for 1936 will be worked out. Regardless of the way they vote producers may sign new contracts or not as they choose. Before the referendum, county and community meetings of corn and hog producers will be held throughout the country, to permit discussion of the facts of the corn-hog situation.

Work on the foundation of the new house which M. P. Snyder is having built on W. Third street is being seriously handicapped by the bad weather.

Rev. Roy Kale, pastor of the Buchanan Presbyterian church, tendered his resignation Wednesday evening to take effect as soon as the Kalamazoo Presbytery acts.

If you want Buchanan police ask for phone 162. Wednesday the village council had a telephone installed in Mead's barber shop with a pair of gongs on the outside. These ring and attract the attention of the police if they are on the street within hearing distance. This innovation was ordered by the village fathers after discussing the real danger to the villagers from inability to secure an officer when wanted. The night men carry keys to the Mead barber shop and use it as a warming and resting station.

Mr. H. R. Adams, Mrs. Claude Glover and Mrs. Cress Weldon entertained a company of ladies at bridge at the home of Mrs. Adams last evening.

Increase Payrolls of Highway Dept.

Murray D. Van Wagoner, state highway commissioner, announced today an increase in the payrolls of the state highway department. The aggregate payroll increase is 5 per cent above the previous total. Commissioner Van Wagoner announced the changes are effective as of Sept. 1.

The commissioner attributed the increased payroll to a rise in the cost of living, increased construction activity, and individual merit. The salary readjustments were announced after a six weeks personal study of the payrolls by the commissioner.

Salary increases were granted to only 690 employees, or less than half the administrative personnel. Virtually all of the affected employees are in the lower salary brackets with no raises accorded the principal executives of the department.

Under the new order the two-week salary checks beginning Sept. 15 are boosted from \$92,500.50 to \$97,420.36, an increase of \$4,919.86.

The commissioner pointed out that more than \$8,000,000 worth of projects have been placed under construction since Aug. 1 under the new highway relief program.

Home Improvements Shown in Better Housing News Reel

Interesting facts about home improvements and modernization are shown in the second of a series of motion pictures which will be seen here at the Hollywood theatre on Oct. 31, Nov. 1 and 2.

These pictures are entitled Better Housing News Flashes and are being produced and released by the Federal Housing Administration. The idea of these "News Flashes," which are intended to be entertaining as well as instructive, is to point out the many benefits offered to American home owners and business people under the National Housing Act.

In the issue of Better Housing News Flashes soon to be seen here one of the interesting points is an illustration of how a housewife can save useless effort in the kitchen while preparing a meal. This consists of a diagrammatic treatment of an inefficient versus an efficient kitchen.

Another interesting feature is an illustration of how an architect has transformed an old brown stone house into a modern home and office. The front wall of this old

mansion was ripped out entirely and the owner erected a new wall of heavy glass, which let in all the light and at the same time insured absolute privacy. Some splendid scenes of old Deerfield, Mass., are also shown and there is an interesting diagrammatic expedition thru a basement. This points out to home owners many opportunities they have for improving and otherwise making their residences comfortable and bringing them up to date. All of this, it is emphasized, can be done under the National Housing Act.

Bridgman Boosters Plan Festival On Oct. 25

Bridgman, long noted for celebrations and its ability to entertain and draw overflow crowds to this little village on the Lake Michigan shore, has still another celebration before the Bridgman Business Builders, sponsors of these periodical celebrations, calls its year's work done.

This next and last celebration of the year will be a combination fall festival and Halloween fete and will be held on the village's main street Friday evening, October 25.

There will be pavement dancing, good music and a weird, ghostly parade of masqued persons depicting the most gruesome, yet most comic, figures of the Halloween realm of ghosts and goblins. The pavement dancing and entry in the parade, scheduled to start at 8:30 o'clock, (fast time) will be free, and suitable cash and merchandise prizes will be awarded to parade entrants in three classes: men, women and children for the most appropriate, the most hideous and the most comical costumes.

The exhibit of fruits and vegetables is expected to be large and impressive. Prizes are being offered for finest specimens of fruit and vegetables.

Joe Rambo's 15-piece orchestra will furnish music from 8 to 10, fast time, for the pavement dancing which will take place on the asphalt expanse of Lake street near the band stand. At ten o'clock dancing will resume indoors in the Legion hall and will continue until the wee small hours. For this indoor dancing there will be a nominal charge.

Weight Tax Refund Checks Go Begging

More than \$2,500 in checks lies claimed in the Department of State the checks being made payable to motorists entitled to their refunds for weight taxes paid in 1934 before the legislature in special session, reduced the rate. The former rate of 55 cents per hundred

pounds of a passenger's car weight was reduced to 35c. Before the change was made, thousands of motorists had already bought their 1934 plates, and were thus entitled to refunds of the difference in payments. Checks for 510 motorists remain in the files, no record of their owners traceable. They average \$5 each. The only current inquiries into this matter are from motorists who received their checks, cashed them and forgot all about it.

Now on display! **THE NEW 1936 PONTIAC**
Silver Streak
SIXES and EIGHTS

More beautiful than ever

and BUILT TO LAST 100,000 MILES!

ALL THAT'S BEST OF ALL THAT'S NEW

1. Solid Steel "Turret-Top" Bodies by Fisher
2. Improved triple-sealed hydraulic brakes with new chrome-nickel alloy drums
3. Enclosed Knee-Action on "8" and De Luxe "6"
4. Smoothest of "6" and "8" cylinder engines with silver-alloy bearings and full-pressure metered lubrication
5. Electroplated light-weight nickel-alloy pistons
6. All-silent Syncro-Mesh transmission
7. Simplified starting with automatic choke
8. Concealed luggage and spare tire compartment
9. New full-length water-jacketed cylinders
10. Even stronger double K-Y frame

YES, the new Pontiacs are actually *even more beautiful than before*, with a new front-end, new headlight mounting, a different hood, different running boards, and a decidedly different rear-end treatment. And that's only the *outside* story of the new Pontiacs. The *inside* story is even more remarkable. The 1936 Silver Streaks are built to last 100,000 miles.

The brakes are triple-sealed hydraulics with new warp-proofed drums of fused iron on steel and molded linings. The bodies are solid steel "Turret-Top" Fisher Bodies with No-Draft Ventilation, insulated roofs, and built-in luggage and spare tire compartments. Clutch, brakes, and engines are even smoother, while the Syncro-Mesh Transmission is silent in every speed. And the *even more economical* engines feature cooling and lubricating systems that are models for the entire industry!

These, of course, are merely the highlights of what awaits you at your Pontiac dealer. Be sure to get the rest of the story, including the startling facts about Pontiac's low prices.

PONTIAC MOTOR COMPANY, PONTIAC, MICHIGAN

List prices at Pontiac, Michigan, begin at \$615 for the Six and \$730 for the Eight (subject to change without notice). Standard group of accessories extra. Easy G.M.A.C. Time Payments.
