## PUBLIC MEETING AT HIGH SCHOOL

### Now Here's the Proposition

Buchananite is Pirate in Winter We would never have thought it but our esteemed friend, Gottlieb Thumm, broke down and confessed yesterday that he lives a double life. Every summer he is a staid respectable resident of North Main street, and then in the winter he lives on a pirate island in the Gulf of Mexico.

It all came to light when we got suspicious about that change of address to Captiva Island, Fla., and asked him about it. Thumm said that this island was formerly (and may be yet for all we know) a rendezvous for pirates of the Spanish Main back in the days of Capt. William Morgan. They used it as a prison island for their captives who did not walk the plank, hence the name.

Thumm contends that all that goes on there now is large-scale fishing operations, whereon he launched into a story of catching 400 pounds of fish in two hours, which only served to increase our suspicions. In company with his son, he states, he caught in two hours 40 king fish weighing from 8 to 20 pounds. The island is in the Gulf of Mexico about twenty miles from the Florida mainland, and about forty miles southwest of Fort Myers, Fla. It is about a mile wide and ten miles long. In the hurricane of last week two houses about a block from his winter home were blown away and a number of trees broken, but his own premises were undisturbed. He gives Bill Miller as a reference on the fishing opportunities, which proves what?

### Girl Scout Leaders

#### Hold 2-Day Session

National and district Girl Scout leaders concluded a two-day session at the Legion hall last night, the program the first day being attended by representatives of Scout Councils from 26 cities of southwestern Michigan and northern Indiana, and the sessions of the second day being devoted to instructions to Scout leaders from the same area. Leaders were Miss Alice Mulkey and Mrs. Katie Lee Johns of the National Girl Scout staff and Mrs. Clarence M. Day, Detroit, chairman of the Great Lakes region.

### Bucks to Battle

#### Unbeaten Western State High Nov. 11

Buchanan's fighting Bucks will make their final stand of the season Monday afternoon Nov. 11th against a team of unbeaten, unscored gridsters from Western State High, Kalamazoo on the Buck's home field.

Western State Hi has a very strong experienced team. They lost only one man by graduation last year, and they have his position well filled. They have a very good passing offense and use a short punt formation. They have a good defense as shown by their record of not being scored upon. Last year they were walloped by a grim, determined group of Bucks at Kalamazoo, but this year they want to even things up.

The Bucks season has not been as successful as their opponents but Western hasn't had the competition the Bucks have. The Bucks so far, have tied three, lost three, and won one. That record isn't bad considering various things, such as injuries etc.

### Milton Ludwig Dies Suddenly

News was received Monday of the sudden death of Milton Ludwig who fell dead at his home in Detroit Sunday. Ludwig was well known here having been employed as engineer on the Redbud trail and also as an FERA recreation director here last winter. His son, Philip Ludwig, of Benton Harbor, left Monday in company with Miss Dorothy Charles. He recently married Alice Charles.

### FORMER CLARK EMPLOYEE KILLED

Peter Smith Rail Collision Victim; Daughter Hurt; Mrs. George Boyle Injured.

The past week has been signalized by two disastrous automobile accidents in the Buchanan community emphasizing the timeliness of the state-wide safety campaign initiated by Gov. Fitzgerald.

Peter Smith, former Clark Equipment employee and more recently a farmer in the Mt. Tabor district, was instantly killed and his sixteen year old daughter, Evelyn, was severely injured when the Chrysler coupe in which they were riding was struck by the westbound Michigan Central passenger train No. 31, at a crossing a block west of the main street at Gallien.

Mrs. George Boyle of the Mt. Tabor district was also severely injured when her car collided with one driven by Charles Yazell, R. R. 4, Niles, on the Niles-Buchanan road about a quarter of a mile west of the Thompson school about 5:30 p. m. Tuesday.

Mrs. Boyle was driving west toward Buchanan, apparently at a high rate of speed and had just passed another westbound car when her Pontiac coupe locked hubs with a Ford sedan driven by Yazell. After locking hubs, her car careened into the ditch on the south side of the road striking a tree and turning over wheels up. Yazell's car also went into the ditch with a broken wheel on the south side of the road. Passing motorists found Mrs. Boyle lying unconscious on the top of her car and called the Rutherford ambulance which took her to Pawating hospital. Examination there revealed a deep laceration above and through the left eye, a deep scalp wound and cuts and abrasions about the face. She is conceded a good chance to recover. Yazell incurred a severe lip cut.

Peter Smith and his daughter had gone to Gallien to attend the Halloween fete and had gone a block west of the main street, which was roped off, to cross the track. Railway employees stated that at the time he approached the crossing the lights of No. 30 and No. 31 passenger trains were approaching from the east and west, the headlights of both trains being visible.

No. 31 is due to go through Gallien at 7:14 and No. 30 at 7:16 p. m. Another car had stopped in front of Smith and it is believed that he was watching only the east bound train and drove around the waiting car, stopping his own car directly on the westbound track.

The westbound flyer struck the ill-fated car tearing it to pieces and scattering the fragments a distance of 150 yards along the track. Smith was thrown nearly 100 feet, incurring injuries that killed him instantly. The girl was thrown about 60 feet alighting in the V-angle made by the rails of a switch track. She retained full consciousness and was able to tell who they were when she was picked up. She was taken to Pawating hospital by the Kinney ambulance. Examination there revealed a broken shoulder and a fracture of the left leg, in addition to severe bruises over her entire body. Her condition was reported to be favorable yesterday with excellent chances for recovery six days after the accident.

Coroner Louis Kerlikowski was called from Benton Harbor. He removed the body of Smith to the Kenney Funeral Home, and summoned a jury with instructions to hold an inquest as soon as the daughter is able to attend. Smith made his home with his mother, Mrs. Alta Smith, 404 N. Main St., Berrien Springs, being separated from his wife. He is survived by the mother and wife above mentioned; by five children, Harold, 32, Gallien; Guy Smith, 19, Elgin, Ill.; Roy and Warren, who make their home with their grandparents, Mr. and Mrs. A. Shepardson, Glendora; Evelyn, Berrien Springs.

He formerly worked at the Clark Equipment Co. plant in Buchanan and was well known here. He had recently rented his mother's farm near Mt. Tabor church.

Mrs. Edna Messer, who had been called here by the illness and death of her mother, Mrs. Charles W. Ryan, Sr., returned to her home in Chicago the first of the week.

### LOCAL BUSINESS

#### MAN EXPIRES

Lloyd Sand's Funeral Rites Held Sunday; Ill a Year.

Funeral rites were held from the Presbyterian church Sunday for Lloyd Sand, well known Buchanan business man, who died at his home Thursday after an extended illness.

The rites were conducted by Rev. H. W. Staver, former pastor here now in Marshall, Mich. Although he was an ex-service man there was not a military funeral. Interment was made in Oak Ridge cemetery.

The following appreciation was written by a friend: Buchanan mourns the death of Lloyd Sand, which occurred at his home on October 31. Mr. Sand had come to Buchanan with his parents when he was eight years old. He was the son of Mr. and Mrs. Eli Sand and was born in Medaryville, Ind., Sept. 8, 1896, the youngest of eleven children.

On July 7, 1918, he married Rebecca Jean Deming. Their children are: Winston, 14, and Phillip, 11. He was a member of the First Presbyterian church in Buchanan, and was until recently the president of its board of trustees. Until his illness, which had lasted a year, he was in the firm of Muir & Sands, wholesale and retail cigar dealers.

He is survived by his wife and sons, his father, whose residence is in Three Oaks; his sister, Mrs. Claude Stange of Three Oaks; and by his brothers, Guy and Edward of Sioux City, Ia., Mate and George of Buchanan and Ernest of Mio, Mich.

#### Officers Monday

The members of the Buchanan Athletic Association are requested to attend a meeting at D's Cafe on Monday evening, opening at 7:30 p. m. for the annual organization and election of officers.

Mrs. Harold Widdis, Berrien Springs, was a guest Tuesday of Miss Jennie Smith.

### B. H. S. ENTERS DEBATING LEAGUE

Will Engage Again in Debating, Extempore and Oratory.

Buchanan high school has become a member of the Michigan High School Forensic Association, and will compete in the state-wide contests in debating, oratory, declamation, and extempore speaking. It was announced recently by Dr. William P. Halstead, State manager of the association, and member of the speech department of the University.

John Elbers of the high school faculty will train the local contestants.

Two hundred and forty-seven schools throughout the state have joined the association this year. This is the largest number that have ever been enrolled at the same date.

The question for discussion in the debates of the state association this year is the proposal that the nations of the world should establish government monopolies of all combat instruments of war.

The debates are conducted in two series: a preliminary one in which all member schools contest at least four times, and an elimination series that terminates in the State Championship Debate. The schools with the highest percentage of victories in the preliminary debates are entered in the elimination, and each is awarded the University of Michigan Wall Plaque Trophy, thru the co-operation of the Detroit Free Press.

In the eliminations, the schools will debate among themselves, the defeated schools dropping out until only two undefeated schools remain. These two teams will be taken to Ann Arbor, at the expense of the University for the State Championship Debate on May 1st. Each of the six debaters participating in the final debate will be presented with a gold watch by the Detroit Free Press. Both schools will receive a large bronze trophy cup, one engraved "First Honors," the other engraved "Second Honors," presented by the University of Michigan Extension Division.

Each school participating in oratory, declamation and extempore speaking will conduct a local contest and enter the winner in a sub-district contests. The winners in each event in the 50 sub-districts will be awarded a Webster's Collegiate Dictionary with the name of the winning contestant stamped in gold on the cover, and will enter the district contests. The dictionary awards are presented through the co-operation of The Detroit News.

Dr. DeVocht is a native of Belgium but comes here from Lancaster, Wis. He states that he will be equipped to provide an up to date chiropractic service to patients.

### RED CROSS DRIVE

#### HERE NOV. 11-28

Funds Spent in Disease Prevention Activities Among Children.

The annual Red Cross membership drive for Buchanan will begin Monday, Nov. 11, concluding Nov. 28, with a house to house canvass for members headed by Mrs. Robert S. Russell, local chairman.

In connection with this Roll Call membership drive arrangements have been made for the following two programs: Saturday, Nov. 9 from 9 to 10 p. m. (C. S. T.) over CBS. This program will be picked up from various points in the United States illustrating the universality of Red Cross work in this country, with the emphasis on local chapter activities. One of the high lights of this broadcast will be the presentation of Midwestern Area disaster experiences by Albert Evans, Disaster Relief Director of this area. His talk will include dramatic episodes and his recent experiences in dealing with catastrophes. The program will close with Admiral Grayson speaking from Washington.

Monday, Nov. 11th, 9:30 to 10 p. m. (C. S. T.) NBC, the program will consist of a dramatic presentation of the history of Red Cross from 1881 until the present time. The annual report of Miss Emma Arnold, Red Cross nurse for Berrien County, shows that a great need is being filled among the school children.

Last year 6 Tuberculosis clinics were held and 2347 children tested, with 8 recommended for treatment. Diphtheria prevention treatment has been given to approximately 4000 children to date. Township schools that have not had this treatment will be taken care of as soon as possible.

In a dental survey 6926 children have been examined. A portable dentist chair was purchased by the Red Cross and has been used in the New Troy, Stevensville, Baroda, Stewart, North Lincoln and Bell schools.

### Schools Observe

#### Education Week

American Education Week, this year, Nov. 11-17, has been established to help bring the school and home closer together. For fifteen years this week has concentrated community attention on the schools. American Education Week celebrates the "founding of free schools as a significant achievement in the long struggle for the rights of the common people." But it must be more than a memorial to past achievement. Gov. H. H. Lehman of New York has said, "The program of education in our democracy must be readjusted from time to time, if our children are to be adequately trained for the responsibilities of manhood and womanhood."

In keeping with the spirit of American Education Week, the teachers and their pupils in the grades of the Buchanan schools cordially invite the parents to visit these rooms during Education Week to see the work being done in the grades.

The mothers of the pupils in the third, fourth, fifth and sixth grades will hold their monthly meeting on Thursday afternoon, Nov. 14. Miss Reams' sixth grade pupils will furnish a part of the program. All the mothers are invited to attend this meeting.

### SCORES HIGH IN FIELD OF FIVE

Richard Walkden, Jack Sult, Ray Batten, John Russell Win Honors.

By a tabulation of judging results just released the agricultural department of Buchanan high school was ranked first in the Berrien County Judging contest held Friday, Oct. 25, at New Buffalo, with the entire department of 38 members taking part.

The departments of Buchanan, Benton Harbor, Eau Claire, New Troy and Three Oaks entered, and the fifteen high students of each department were considered in the rating of the schools. The Buchanan department tied with Three Oaks for first in poultry judging, and ranked third in the apple contest and third in the grain and potato contest.

Richard Walkden received a ribbon for ranking highest in a field of 75 in the apple judging contest. Jack Sult received a fourth prize ribbon in the grain and potato judging contest, winning over 71 contestants. Ray Batten received a ribbon for placing second in the poultry contest. John Russell received a fifth in the same department, in a field of 51 contestants.

Final placing by teams was as follows: Benton Harbor, apples, 1; poultry, 3; grain and potatoes, 5; total points, 9.

Eau Claire, apples, 2; poultry, 5; grain and potatoes, 5; points, 9.

Buchanan, apples, 3; poultry, tie for 1st; grain and potatoes, 3; points, 10 1/2.

Three Oaks, apples, 5; poultry, tie for 1st; grain and potatoes, 4; points, 7 1/2.

New Troy, apples, 4; poultry, 4; grain and potatoes, 1; points, 9.

The pupils of the local department were prepared for the contest by Kenneth Washburn, recently appointed Smith-Hughes instructor in agriculture.

### New Relief Agency

#### Established Here

Everything from caterpillars to corn husks points to a severe winter. Even though these signs may fail and only mild weather prevails the need of relief from damp, chilly houses is of prime importance. The B. R. O. P. A. has been set up to meet this relief demand. All possible red tape has been eliminated and immediate application of this relief measure has been promised. A most efficient crew is now ready to handle the necessary details so that this relief may get to those in need with the minimum of overhead expense. The administration of this project will be handled thru the office of the Buchanan Co-ops, Inc., where you may phone 54 for complete details.

You may be interested to know that B. R. O. P. A. stands for Blue Beacon, Red Comet, Old Crow, Poochontas and Anthracite—the most staunch array of economical heating fuels ever designed to give relief from the winter's cold.—Advt

### ROUND ABOUT BUCHANAN

Bear Cave Park Was Once Old Scotchtown

Bear Cave park, recently leased to H. B. Obermeyer and F. C. Hess of South Bend, was once known in this section as Scotchtown, according to C. F. Pears, who states that thereby hangs considerable of a tale.

Scotchtown was the location of a sawmill with a settlement clustered about it. Also there was a wooden bridge across the St. Joseph there, by way of which there was a large traffic from the Glendora, New Troy, Baroda and other mid-county districts to Niles, then the important trading center. An ice jam about 1875 carried this bridge away.

Now the Buchanan district was much averse to the rebuilding of the bridge and some one in Buchanan had an "inside drag" in the Board of county supervisors. Consequently they were able to block the rebuilding of the bridge and for some time the trade that went to Niles across it was diverted to Buchanan.

The dirt road leading west from the present Devine home and the lane leading to the park, now private, then constituted a main-traveled road, according to Pears. The traffic crossed the St. Joseph by the Scotchtown bridge and went up the winding road still in use up the "Jarvis hill."

### Committal Service

#### For Dr. Rupert

Committal services were held here Thursday afternoon for the body of Dr. Richard R. Rupert, Buchanan native, who died Oct. 16 in London, England, after a heart attack aboard the S. S. American Trader on which he had been ship's surgeon.

Funeral services had been held at 2 p. m. that day at the home of Joseph Sheetz, 204 E. Monroe St., South Bend, with Rev. Elmer Ward Cole in charge. The services were held under the auspices of the Masonic lodge of that city and a delegation of South Bend Masons accompanied the funeral cortege to the state line, where they were met by a delegation from the Buchanan lodge, which was in charge at the committal service. Pallbearers at Oak Ridge cemetery were: Hubert Conant, G. H. Batchelor, R. R. Rouse, Richard White, A. B. Muir, Oscar Swartz and Charles Boone.

Dr. Rupert was born in Buchanan about 54 years ago, the son of Mr. and Mrs. J. R. Rupert. His maternal grandparents were Mr. and Mrs. James Coates, who were among the pioneers of the city. Dr. Rupert had requested that he be buried in the Coats family lot in the Buchanan cemetery, where the body of his mother is also buried.

The Rupert family left Buchanan about fifty years ago. Richard Rupert was educated in medicine and had made his home for some time previous to his last voyage at Oakland, Calif. He is survived by his widow, by his father, J. R. Rupert, Indianapolis, by a sister, Mrs. W. T. Blasengym, with whom the father lives, and by a brother, Fred Rupert, Toledo, O.

The funeral was attended by his widow, by Mrs. Blasengym and by Mr. and Mrs. Fred Rupert.

### Scholars Reunite

#### After Fifty Years

In these days when the bonds of loyalty among schools seem to be dissipating and even high school alumnae bodies are dissolving, the story of the reunion of ten "girls" who went to a rural school together 50 years ago is unusual.

The reunion was held last week at the home of Mrs. E. S. Arney and the nine classmates who came had gone together through the grades of the old Welke rural school eight miles east of Elkhart. They were: Mrs. L. B. Rough and Mrs. Earl Bestie, Portage Prairie; Mrs. Emma Reed and Mrs. Joe Grouse, South Bend; Mrs. Dora Schamory, Mrs. Minnie Swartz, Mrs. Alice Bustler, Mrs. Clara Withers, Mrs. Florence Hosterman and son, Jack, all of Elkhart.

Their teacher, Mrs. Annie Nickerson, Elkhart, was unable to attend on account of poor health but Mrs. Swartz brought with her the old Harper's Primer which they had studied and they spent part of the time in review of lessons. Discipline was good until lunch was called when pandemonium broke loose as of old. Mrs. Swartz also brought a Sunday School quarterly which they had used in 1879.

Wilbur Cunningham to Speak at Veteran's Meet at Night.

County Prosecuting Attorney Westin will deliver an Armistice Day address at the high school auditorium at 11 a. m. Monday, at a public meeting held under the auspices of the American Legion. The exercises will open at 11 a. m. sharp, when the local Legion firing squad will discharge three volleys in front of the high school, followed by the customary three-minutes of silent prayer with faces to the east. After this the meeting will adjourn to the auditorium for the address.

The Legion and Auxillary will hold a commemorative meeting and party following at the Legion hall in the evening. Following a co-operative supper at 6:30 p. m. former county prosecuting attorney Wilbur Cunningham will speak. The address will be followed by dancing to music by the Heinen orchestra. The following floor show will be given by the Dolly Evans Dancing School of Mishawaka, which will be in charge of the dance:

Dancing Mannequins and Military Tap, four girls. Dance, Phyllis DeNardo, Buchanan with the entire department of 38 Song and Dance, Joan Brines, Mishawaka.

Military Tap, Elaine Trahms, Mishawaka.

Military Tap Duet, Maxine Heiser and Irene Wood, Mishawaka. Song and Dance Duet, Sonny and Delores Evans, Mishawaka.

Dance Duet, Maxine Shafer, Buchanan, and Clyde Johnson, Mishawaka.

Finale, Adagio.

All ex-service men and their families will be welcome at the evening meeting. For the supper meat, bread, butter, potatoes and coffee will be furnished, the remainder of the meal being pot luck.

### John McClen Dies Suddenly

John Fremont McClen died Sunday morning at 6 a. m. after an illness of two days at his home on River street. He was born May 14, 1887 at Saukton, Ind., the son of Schuyler Fremont and Elmira Hungerford McClen. He was married to Anna Farling on August 23, 1910 at Buchanan, having come here in 1909 from South Bend.

He is survived by the widow, by the following children, Arol F., Alvin N., Audrey Olive, all at home; by one sister, Mrs. Elizabeth Davis, Chicago; one brother, Chester McClen, now in the navy with address at New York City.

He was affiliated with the local Modern Woodmen. Services were held Tuesday afternoon from the home at 2:30 p. m. Mrs. Will Beardsley read the Christian Science service. Burial was made in Portage Prairie Evangelical cemetery.

He had been ill for several weeks last winter but had been back at work at the Clark Equipment Co. for some time and was believed to be much improved.

### State Centennial

#### Stamps Now On Sale

The first of the issue of Michigan Centennial Commemorative stamps were placed on sale at the local office Monday morning.

The stamp is of the special delivery size, arranged horizontally. It is surrounded by a double line border, and is printed in light purple. In a narrow panel with white edges and dark ground along the top edge of the stamp is the wording "1835 Michigan Centennial 1935" in white roman.

The central subject of the stamp is a large reproduction of the state seal, draped at the sides and base by the National emblem at the left, and Michigan state banner at the right.

The staffs of the flags extend to each upper corner. In the square panels with dark ground in each lower corner is the denomination designation 3 cents in white.

The wording U. S. postage in white roman lettering is enclosed in a narrow horizontal panel with dark ground at the center of the lower edge of the stamp. In the space between the lower half of the central subject and the sides of the stamp is a forest and lake scene at the left, and at the right is the view of the representative of commerce and industry.

BECAUSE EVERY FEATURE OF THE NEW FORD MEASURES UP TO THE STANDARD OF ITS V-8 ENGINE

THEY ride with greater safety in the new Ford for 1936. It's not so much that V-8 engine power and pick-up whisk them clear of traffic tangles — although this, too, helps make the new Ford a safer as well as a more thrilling car to drive.

But it's mainly because every feature of the new Ford measures up to the standard of V-8 engine quality. The Ford Motor Company was not satisfied with putting an engine from the luxury class into a car selling as low as \$510. It insisted that everything else be in keeping with the fine-car quality beneath the hood — safety, as well as roominess and comfort.

Your neighborhood Ford dealer invites you to check critically and in detail the Ford's many luxury-class features.

### The Folks in History

**Germ of Townsend Plan**  
The Townsend movement really had its beginning as a germ of an idea in Buchanan, according to Charles Pears, who cites the case of California Johnson, teacher many years ago of the "select school" which was kept in the present Dewey Avenue school building. Many of the older residents of the town went to school to California, who was rated high as a teacher. The term "select school" meant that the school was supported by tuition and not by tax. California got his name from a residence in California back in the gold digging days. He came to Michigan shortly before the Civil War and gained much note as a stump speaker for Lincoln. He later became a "greenbacker" and it was in this phase of his career that he advocated that the government pay every head of a family \$10 a week, to be paid at the post office every Saturday night.

### Ten Years Ago

Seven Buchananites participated in the big Stevensville Business Men's club dinner Thursday night at the Stevensville high school gym. About 225 were present from business organizations representing a number of towns and cities. Those from the Buchanan Chamber of Commerce were Al W. Charles, Glenn E. Smith, Benny Livingston, Fred Mead, William O'Donnell, and Leon Wood. Miss Wilma Roe returned on

Thursday from a three month's visit abroad. She visited cities in Germany, France, Austria and England.

Miss Esther Pearson, who is studying nursing at Hillsdale, Ill., spent the week-end with her parents, Mr. and Mrs. Martin Pearson.

Mr. and Mrs. D. W. Boone and daughter, Halle, Mr. and Mrs. Will Dempsey and Mr. and Mrs. Wilbur Dempsey attended a dinner at Diamond lake Sunday at the F. M. Boone summer home.

Mrs. Warren Willard and Mrs. Harry Post returned Saturday from Grand Rapids where they went as delegates to the Rebekah Grand Assembly. Frank Chubb represented the Odd Fellows at the same meet.

Mrs. Nella Slater and Mrs. John Fydel and Mr. and Mrs. A. S. Williams of Niles, drove to Kalamazoo Sunday to see Great Lieutenant Commander Nora. Cate on business connected with the lodge of Lady Maccabees.

Chrysanthemums are ripe and the sale is on at the Clark Equipment company's green house. Last week \$30 worth were sold and more will be ready this week. They are especially beautiful this year. They go at 50c a stalk with from one to three blossoms on a stalk. All the money is for the Clark hospital fund.

Mrs. G. H. Stevenson left Saturday for a ten day visit with friends at Gary and Lafayette, Ind.

Mr. and Mrs. Lester Lyon and Mr. and Mrs. Harry Graham attended the Michigan-Illinois football game at Urbana Saturday.

### AT THE THEATRE

#### Musical Hit At Hollywood Starting Sunday

After six months of intensive preparation and five months of shooting, Metro-Goldwyn-Mayer presents its most ambitious musical, "Broadway Melody of 1936," which opens Sunday for a three days engagement at the Hollywood theatre.

Robert Taylor, Eleanor Powell in "Broadway Melody of 1936"

With Roy Del Ruth directing, and Jack Benny heading the stellar cast, the first scenes were filmed on the largest stage on the M-G-M lot for the elaborate magic spectacle, heralded as one of the most ingenious settings ever devised for the screen.

The whole stage was given over to a reproduction of the latest Manhattan penthouse design; but for the purposes of the sequence, possessing all sorts of bewildering mechanisms like disappearing divans, grand pianos rising up from nowhere, and so on. For control of the many "trick" devices, one of which enables the ensembles to disappear and reappear at will, there were buttons. Pressure upon them worked the magic.

A master key barred the floor. Then, presto, pronto—up popped tables, chairs, lounges and even fountains!

In addition to serving as locale for story action, the setting was used for the magic dances, in which June Knight, Robert Taylor and Nick Long, Jr., were the principals.

For the picture, there is a melodiously brilliant musical score by Nacio Herb Brown and Arthur Freed, famous for their numbers in the first "Broadway Melody" and in other musicals. Five of their songs said to be of outstanding excellence are "I've Got a Feelin' You're Foolin'," "On a Sunday Afternoon," "Broadway Rhythm," "You are My Lucky Star" and "Sing Before Breakfast."

Stage, radio and screen talent were merged to form the all-star cast headed by Benny and including Una Merkel, June Knight, Robert Taylor, Eleanor Powell, Frances Langford, Nick Long, Jr., Vilma and Buddy Ebsen, Harry Stockwell, Shirley Ross and Robert Wildhack.

**Wed.-Thurs. Double Feature**  
With such sterling actors as Fredric March and Leslie Howard supporting Norma Shearer, "Smilin' Through" still works its spell of tears and smiles, still sways the heart by its moments of pathos which precede and follow the lighter moments of gaiety.

England of 1868 contrasted with the modern times of excitement which attended the last war is the background of this wistful tale. The story is that of a man who cannot forget the memory of tragedy when the fulfillment of his love is blighted on his wedding day.

Fifty years afterward the son of the man who caused his bitterness returns and falls in love with the niece of the girl whom this man, now old and gray, has loved.

Out of the bitterness in which he has lived all those years he seeks to keep the young lovers apart, and only when the spirit of his departed one returns, does he find it in his heart to relent.

"Smart Girl" featuring Ida Lupino, Kent Taylor, Gail Patrick and Joseph Cawthorn is on the double bill.

**Friday-Saturday, Double Bill**  
Laughter and drama, combined with a real love story, characterize the new Warner Bros. comedy "Don't Bet on Blondes" will be feature number 1 starting Friday. Warren Williams for the first time cast in a light comedy role, and Guy Kibbee, have the principal parts. They are supported by a big cast of film favorites which includes Clare Dodd, William Gargan, Vince Barnett and Hobart Cavanaugh.

Fascinating insights into the detective work of the Department of Justice men and a tender love story are deftly combined in Paramount's "Men Without Names" is feature number 2.

Fred MacMurray, Madge Evans, David Holt, the new child prodigy, and Lynne Overman feature the cast of this new film on the exploits of Uncle Sam's detectives.

#### Atwood Sends New Stamps to 20,000

Every letter mailed as first class matter from the Department of State on Nov. 1, was in a specially designated envelope carrying one of the new Michigan Centenary stamps. More than 20,000 pieces of mail were included in the day's mailing.

The interest taken in the new stamp by Orville E. Atwood, Secretary of State, was natural in that the center design on the stamp is the seal of the state, which seal, under the state constitution, is in the custody of the Secretary of State.

Lansing was designated by the United States postoffice department as the "first day city" for this commemorative stamp, which meant that on Nov. 1, the stamp was obtainable only in Lansing. On Nov. 2, the stamp sale was extended to include the philatelic agency of the federal post office department at Washington; thereafter the stamps are to be available at all offices throughout the nation, as fast as they can be sent from Washington.

### Chevrolet Reduces Price Three Models

The Chevrolet Motor Company has announced that, effective with the introduction of its new passenger car models, prices of three of its six Master de luxe models have been reduced below the levels of the 1935 prices, the other prices in this line remaining unchanged. Master de luxe models are available with either conventional spring suspension or with knee action at slight additional cost.

Prices for the new line of Chevrolet Standard models, which introduce fine car completeness and

luxury to the lowest-priced field, range from \$495 for the coupe to \$800 for the sport sedan. Chevrolet for the first time offers a sport sedan and a town sedan in the Standard line. Like the Master de luxe Chevrolets, the new Standards have perfect hydraulic brakes and solid steel turret top Fisher bodies. They are of longer wheelbase than the 1935 Standard series and there is a full line of models available.

First showing of the new models were made with the opening of the automobile show and in dealer's salesrooms throughout the country. Officials of the company declared that more than 60,000 of the 1936 models were built and shipped up

to the end of October, and that all of the 10,000 Chevrolet dealers have received new cars for display and delivery. Production schedules for November and December have been set at the highest figures for any corresponding months in the history of Chevrolet.

## Editorial

Has anyone seen him? Oh, you must know whom I mean. The tall, gallant gentleman who is always so polite. Yes, poor Mr. Courtney has disappeared. The faculty has decided to insert the following in the next column:

Lost—One Mr. Courtney, somewhere around Buchanan High. Finder please return same to the school; students in dire need of it. Reward to the hero or heroine.

Whether Mr. Courtney is lost, strayed or stolen, remains to be seen, but without his presence the students are very neglectful of politeness. The words "thank you," "please," and "pardon me," have been laid away to die on a shelf or at least it is believed they have, for so few use them.

If any one wishes to find in this search in recapturing Mr. Courtney, just use the magic words, "thank you," "pardon me," "please," and be a little more polite. Mr. Courtney will magically reappear, and say, what a difference it will make. With the use of the books "Everyday Manners," which have been ordered by Mr. Stark to be used during home room period, each student will be given the opportunity to brush up his manners.

## Office News

All of the students of Buchanan high school will take a hearing test which is scientific in nature. This is to find out which persons have defective hearing. It is a test worked out by the Western Electric Co., makers of most of our telephones.

The person is given a piece of paper and has a single head phone over one ear connected to a phonograph on which a record is being played. The person writes down the numbers he hears. The numbers as they come to the end keep getting fainter. When the paper is corrected, he can tell how well he can hear. It takes about 20 minutes to perform this. Mrs. Lamb, school nurse, will conduct the test.

In the next few weeks you may expect to see a series of talking movies. These will cost 2c or 3c. The Ideal Picture Corporation sent the machine and talkie. Niles has the movies in the morning and Buchanan in the afternoon on either Tuesday or Wednesday.

They will take about 45 minutes to run. Some of the subjects are on natural history, geography, music, athletics and Americanization. There is a series of 14 shows.

There are several new students in high school from outside the state. Some are Hazel Horner, Lakeville, O.; Marjory Bever, San Francisco; and Mary Crews, Lebanon, Ind.

Frank Habicht and H. C. Stark attended a scout meeting at the Whitcomb hotel, St. Joseph, Mo., Oct. 28. Rev. John Henry of Three Oaks, spoke. These meetings will be held every Wednesday for six weeks. A lecture was given at Berrien Scout School, Nov. 6, with Mr. Tyndal, Dowagiac, in charge.

Miss Ekstrom was out of school last week and Mrs. Watson took her place. Mrs. Fischner was also absent and Mrs. Proud took her place.

The office received notice last week that the mending and cataloging of library books project was accepted. This will start the first week of November.

## NEWS AROUND SCHOOL

"They've got rhythm." The 9th graders are now having a social hour to learn to dance. Bigger and better high school parties are on the way!

What this school needs is something to regulate traffic in study halls. In the grand rush to the library someone is liable to come out matted up pretty badly. Has anyone any suggestions?

Harold Jackson was given a new front seat in sixth hour study hall. He seems to be causing Mr. Robinson too much trouble in his former seat. He'll learn!

## LATEST FAD

Hollywood may have its fads, but Buchanan high school is right behind it. It seems that one isn't in style anymore unless one has crutches. Who started it isn't known, but the idea certainly went over big. It might be all right, but for the most part the students prefer to be out of style. (With apologies to those using crutches.)

## Class Activities

**Biology and Horticulture**  
All the classes in biology are learning how the digestion of food takes place in both plants and animals. One of the queer things about digestion in both is that it is carried on by like bodies called enzymes.

After completion of study of reproduction plants, the next study will be on selection of fruits.

Study of crops selection has been finished. They are now ready to start on the study of cultural practice in farm crops.

Thirty-seven members of the Agriculture classes journeyed to New Buffalo, Friday, Oct. 25, and entered the county gain, fruit, and poultry judging contest for Smith-Hughes schools. Results have not been received.

### Mathematics

The 7th grade has been finding commissions and proceeds when the amounts and rates of discounts are given. Measurements of geometric figures and a study of the area and circumference have been the study of the 8th grade this week.

### Home Economics

The girls having seventh grade home economics have finished their aprons, head-bands and straps during the past week.

Luncheon salads and simple desserts has been the work of the girls in the 8th grade Home Ec. class.

Every two weeks the girls in the 9th grade class have a tea, using food prepared by the girls themselves. The tea is served to members of the class as it would be served in a home where one was entertaining a guest.

Making silver cases for the silver that was bought last year has been the work of the girls in the tenth grade.

### English

English nine pupils have been working in the English books on the unit "Story Telling." Practice in short story writing was done.

In English 10 a mastery test over apostrophes was given. The work was completed by studying the unit of words, phrases and clauses.

"Describing A Scene" was the chapter of the journalism class. The practice of writing descriptive scenes in news stories were written by the students. A test over the style sheet was given.

### Language

First year French students have been studying verbs using etre instead of avoir. They have also studied personal pronouns used with prepositions.

Personal pronouns and reflexive verbs of all four conjugations have been the study of the second year students in French.

Present indicative of "sum" and the Roman school have been the study of the Latin students for the past week.

Second year Latin class has had stories of Ulysses and Circe, also Niobe and Her Children.

### Commercial

Juniors of the typing class are writing words, also doing sentence drills. They are also learning the use of the tabular key for writing in columns.

Students of the senior typing class are continuing letter writing. The shorthand class is having a test over chapter 3 and beginning the study of the oo-hook.

The bookkeeping class is studying Merchandise Inventory and Statement, and Working Sheet are also being studied.

### History

Maps are being made of the U. S., showing the development and growth from 1789 to 1828. The Jacksonian Era will constitute work of the seniors.

Tenth grade students are studying the Barbarian Invasion of Rome.

Students of the citizenship class are discussing "Beauty as a Force for Better Living." Special topics are being studied such as "Keeping the Community Clean," "Doing Away With Unsightly Things" and "Planning of Cities."

### Music

Last Saturday the entire high school band went to Dowagiac to the football game. They did many new drills, which they had practiced and drilled on for the past week.

The glee club is preparing for the county festival which will take place November 16, at Niles.

Out of the entire band, Mr. Robinson has picked 26 musicians to form a concert ensemble. They are planning on playing for several future engagements.

### Social Studies

Mr. Elbers said today that the 8th grade history class is completing a review on the founding of the nation.

## Grade News

**High School Building**  
The third grade in Miss Bohl's room has started an Indian village. The village will be made on the library table. Everyone is very interested in making tepees, rugs, blankets and canoes.

Mrs. Fuller's 4th graders have been making spatter prints of leaves and flowers.

Jack McGowan has been out of school this week because of an injured knee.

The fourth graders had their annual Halloween parade. They marched in costume through the grade rooms in silent column.

The two fifth grade rooms are working to make their rooms 100 percent perfect in dental work. Up to date both rooms stand about 50 percent.

Halloween was celebrated in Miss Ekstrom's room with a program and party.

Beverly Yazel has left school to move to the country.

Miss Abell's room is having a Halloween program and party at this writing. They are working on a unit of the British Empire.

The children of the second grade, Mrs. Heim's room, made a Health Chart for their teeth. Each child brushed his teeth three times each day and kept his tooth brush angling in the sun light to dry.

Edna Lauver has her name added to the Dental Honor Roll.

Alene Rauch is ill with chicken pox.

### Devey Avenue

Gene Spatta, who is visiting in New York City, sent the second grade some very interesting pictures.

The Opportunity Room children have enjoyed a Halloween party, each one bringing something.

The White class in grade one has finished the Elson Pre-Primer and has started more Dick and Jane stories. Kathleen Birong, Norina Fuller, Joanne Rough, Harry Walker, Jean Hanover, Janet Hanover, Jacqueline Vanderven, Mary Walls, John Metzger, Georgine Chain and Robert Surch are in this group.

The third grade provided the entertainment for the Mother's club of grades 4-4-5-6.

They gave a Columbus play. The characters were: Columbus, Allen Clements; Queen Isabella, Marilyn Mann; King Ferdinand, John Gowland; Sallors, Francis Mitch; Ivan Hines, Marilyn Bradley, Louis Grey, Richard Shrove. Columbus poem, Norma Jane Vergon. Group Singing, America and Columbus.

The 4th grade had a Halloween party last Wednesday. Willa Mae Miller, Betty Donley and Janet Haslett were on the entertainment committee. They planned some very interesting games.

The kindergarten celebrated Halloween with apples and pop corn. They expect to start finger painting soon.

## Mrs. Lamb's News

For the first time this year the grade children have been weighed and measured. Parents will receive cards with their children's height and weight on it.

Parents of underweight children will be asked to buy milk for them starting this week. It will be served at recess time in the morning and afternoon. The price of the milk will be 2c for a half-pint bottle.

If anyone has a large portable phonograph to donate to the school it would be greatly appreciated. It would be rebuilt into an audiometer for testing the hearing of the pupils.

### FACULTY HALLOWEEN PARTY WEDNESDAY

Members of the faculty enjoyed a masquerade party at the Country Club, Wednesday, Oct. 29, at 7:30.

A Treasure Hunt was started from the high school and ended at the Country Club. At the club a ghost walk was staged.

During the remainder of the evening they enjoyed games, contests and dancing.

Refreshments consisted of chow

meins and pumpkin pie. The members of the committee were Miss Carnagan, chairman; Miss Quade, and Mr. Elbers.

### SALON TEA

A salon tea will be held today in the home of Mrs. J. F. Viele. The tea will take place from 2 until 6. There will be a fee of 15c which will go to help the senior class of 1936. Tickets may be obtained from any senior girl or at the door.

Displays from different countries will be shown under the arrangement of Mrs. Viele and Alfred Roe.

Senior girls will be in charge of different display tables. They will be dressed in costumes representing the country of their display.

The following girls have been chosen: Eleanor Miller, who will receive guests in a gay nineties costume; Barbara Hamilton, dressed as a French maid, will be in charge of the upstairs exhibit; Louise Howe will wear a Mexican costume and will preside over the Mexican collection; Elaine Donley will represent China and preside over the Chinese and Japanese exhibits; Cherry Heim, dressed as a Cossack, will pour tea from the samovar in the Russian dining room. She will be assisted by Carolyn Hattenbach, attired as a Russian gypsy.

Vivian Sanford and Una Kelley will also be in charge of exhibits.

In commemoration of Girl Scout Week, troops 1 and 2 of Buchanan, met on a play at the assembly Nov. 1st.

The play was the original work of Mrs. Cook, one of the Scout leaders. The play was based upon converting one's mind to actually realizing the helpful and active lives of the Girl Scouts. Music and humor added to the colorful setting.

As well as displaying dramatic ability, they also demonstrated the application of first aid. Among those who took part were: Ruth Jean Haslett, Phyllis Lamb, Ruth Beardsley, Suzanne McKinnon, Arlis Fairman, Doris Allee, Johanna Burks, Bonnie June Chain, Betty Semple, Mariette Richards, Marjorie Bowman, Evelyn Benak, Ellen Vanderven, Marjorie Kelley and Constance Kelley.

### NEW LOCKERS

Have you one of the new lockers? This remark you could hear Wednesday afternoon. "They're really swell," replied a senior girl. "I find the combination on my locker much harder than the old ones," replied a newcomer.

These lockers as you all know are in the cloak rooms. They are for the use of those who were unable to secure lockers. They have click combinations and also sight combinations both operated by numbers.

## AGRICULTURE CLUB POT LUCK

A pot luck was held at the Buchanan high school Tuesday evening by the Ag club. After supper was over the business was discussed and a few ways of making money were mentioned. Committees were assigned to carry out the plan for making money.

### JUNIOR MISERS

If you don't think that the junior class contains a lot of young misers, just ask Mrs. Dunbar.

The smaller piece of paper the better seems to be the policy of the juniors. When it comes to writing spelling words in English class, everyone tries to see who can write on the smallest sheet.

## Library News

Six copies of "Crop Production and Management" have been received for the use of the Agriculture classes. For the month of October, 1,742 books and magazines for outside reading were taken out of the library.

## State to Watch

### Beer Gardens

So much attention has been given to the proposed 1 o'clock closing of all places selling liquor that the public has not paid sufficient numbers.

## CHIEF OF STAFF

Maj. Gen. Malin Craig has been appointed chief of staff of the United States army with the rank of general. He succeeds Gen. Douglas MacArthur, who has gone to the Philippines as military adviser to the new commonwealth. General Craig is a graduate of West Point and won distinction by his work in the World war.

the same time dancing is permitted. But more important still is the new regulation permitting the commission to refuse the renewal of a permit or license to any person or company which is not deemed "suitable." This means that the body in control shall have the right to refuse to permit the continuance of a license anywhere they feel the surroundings or influences are not all they should be. This is indeed a broad power and makes it possible to deal with almost any situation which may arise.

As one of the commissioners in discussing the matter said, "It should now be possible for us to weed out the undesirables and to secure a much better situation, in enforcing the spirit as well as the letter of the law."

## Many in State Now

### Receiving Old

#### Age Pensions

9,500 persons are receiving benefits under Michigan's old age assistance law, according to Fred J. Woodworth, state welfare director. He said that the number of beneficiaries had doubled since the new law became effective last July 1, and estimated that the number eventually will increase to about 21,000.

**What Do You Know About Safe Driving?**  
 The automobile driver who has conscientiously obeyed traffic laws and who is always on the alert to drive safely may sooner or later find himself involved in an accident. What is the cause? Let us see.

One extremely careful driver recently drove up to the curb in a residential section of Buchanan. There were piles of leaves in the gutter. No one was in sight. The driver was startled by a scream as a little tow-headed girl crawled out of a pile of leaves under his front fenders. She had been completely concealed by the leaves. Luckily the girl was not badly hurt.

Another experienced driver in Buchanan did not know that a patch of wet leaves on the pavement may be just as dangerous as ice in causing a skid; result, two cars crashed and several people hurt.

Here are two examples among thousands which might be cited to show that to drive safely near after year is a particular job. It requires something more than care and the willingness to drive safely. It requires something more than knowledge of the mechanism of the car and how to guide it. In addition to these things it requires knowledge.

Every SAFE driver knows and keeps in mind the fact that a pile of leaves may conceal a human being. Every SAFE driver knows that a patch of wet leaves may provide a dangerous skid. Every SAFE driver knows a thousand similar things which he has learned by dear experience, often by wrecks, often by injuring people and by hundreds of narrow escapes.

How much better it would be if beginners (and most of us are beginners when it comes to a real knowledge of safe driving) how much better it would be if we could get that knowledge without practicing on other people's cars and necks. Cars and broken necks are costly. Why not learn how to avoid the hazards of automobile driving the same as you would learn arithmetic, for instance?

Until recently there was no text book on this subject and no way for the beginner to learn except by practicing at the expense of the safety of other people. Recently, however, such instruction has been started in a high school in Detroit. Other high schools are rapidly taking up this study. The high school in Buchanan is getting ready to provide such instruction.

**Dowagiac Rout**  
 Buchanan in the Last Half 19-7

Buchanan's fighting Bucks were again dumped into the depths of defeat by Dowagiac's scapling Chieftains last Saturday by a score of 19-7. The Bucks led 7-6 at the half. Dowagiac came back on

the field an inspired team and turned a defeat into victory. The ground gaining honors were evenly divided with the Bucks and Chieftains, each getting 7 first downs.

The Bucks' score came midway in the second quarter. Buchanan punted to Dowagiac, Dowagiac fumbled and a Buck pounced on the pigskin, the Bucks then marched about 32 yards to the Dowagiac 2 yard stripe, on the next play; a line plunge through center, Smith took the oval over, Spasek's boot for the extra point was good. Throughout the rest of the first half it looked as if that one point would be the margin of victory for the Bucks, but that wasn't to be.

Dowagiac scored in the first, third and last periods. The first marker was scored by Mosher from the one yard line after a series of two first downs, the try for extra point failing. The second touchdown was scored in the third canto by Kehrer from the two yard stripe after a 58 yard goallard drive. The extra point was kicked by Larkin and was good. The final marker was scored by Mosher from the one yard stripe after he had dashed 45 yards toward the goal line several plays previously.

The Bucks and Chieftains both had their backs to the wall. In the first canto the Chieftains advanced the ball to the Bucks' three yard line but the Bucks braced mightily and took the ball on downs. In the 3rd period the Bucks advanced the pigskin to the Chieftains' ten yard line but they too were determined and took the ball on downs after a fourth down pass had failed.

Mosher led the attack of the Chieftains while Spasek, Smith, Virgil and Trapp showed their battling ability for the Bucks.

The bands of both schools paraded up, down, and around the battlefield lending a bit of color and music to the occasion. At different intervals they burst into strains of encouraging music which helped greatly in support of their respective teams. There was also a goody sized group of Bucktown rooters in the stands.
