LODGE MAN TALKS ON SOCIAL WORK

State Grand Master Sharpe
Talks to 400 Odd Fellows
Here.

Four hundred Odd Fellows and Rebekahs from all the units of Berrien county and from northern Indiana as well, thronged the Odd Fellow hall Tuesday evening to greet the state Grand Master and Grand Secretary and other officials and to hear a splendid program, including addresses by the state heads and attractive entertainment features.

Grand Master Edward M. Sharpe of Bay City, made a very effective address, emphasizing the social betterment work of the Odd Fellow lodge and its mission in community betterment especially in improving social life for young people. He cited the work of particular state lodges in aiding boys who could not afford Boy Scout uniforms and fees, and also in caring for children without means. He stated that since the beginning of the depression the lodge had aided 9,000,000 people, expending \$300,000,000 in such work. On this feature, he stated the success of the lodge and its position in the community depends.

Grand Secretary Fred A. Rogers of Lansing, gave a very entertaining talk with some advice on lodge development. The meeting was presided over by County President Harry Post, who called the roll of the visiting lodge delegates at the beginning and introduced speakers.

Following the talks a program of entertainment, including songs by Buddy Mills, a dance by Mildred Miller, an amusing skit by several Rebekahs from Kalamazoo and some fine accordion and zyl-

Fagras Returns from 3 1/2
Months Visit in Greece.

To leave one's native land as a primitive country in the oxcart stage of development and then return 19 years later to find it a modern nation with 1935 streamlined American autos thronging the streets and electric lights in the humblest homes would be a strange experience but it was that of Gus Fagras, who arrived home Friday from a visit of three months at his native home near Corinth, Greece.

Mr. Fagras crossed Italy twice en route and saw the Italian boys marching in the street, singing songs of allegiance to Mussolini, and saw Naples decked to flags to celebrate Italian victories. In Italy, he said, they drive only Italian-made cars, the Fiat, resembling our models of six or eight years ago. But in Greece there are only American-made cars, and the streets of Athens are as thick with them as those of Chicago. Late stream-lined models predominating. Fagras visited his mother, brothers and sisters in the old home. He brought back with him 2 1/2 lbs. citrons from a tree which he had planted just before he left, and also he brought beautiful specimens of Grecian hand weaving in wool and silk, including four fine woolen blankets which his sisters had woven from wool grown by his brothers.

If you are going traveling, estimate your expenses and then add from a third to a half more for unlooked for contingencies, says Fagras. One of the unlooked for contingencies he encountered was a \$55 fee which he had to pay or be drafted into the Greek army. Since he had left the government ruled that all Greeks leaving after 1914 were still Greeks as far as army service was concerned, regardless of any allegiance to an adopted country contracted since. Many visitors came to the West End Grocery the first of the week to see the beautiful handwork and other interesting objects which he brought back.

Converse Talks to Mothers Club

The Mothers club of the kindergarten first and second grades will meet in the kindergarten room at the Dewey Avenue school on Thursday, Nov. 21, at 3 p. m. Children from Mrs. Wilcox' room will present a 15-minute program and Dr. Converse will give a brief talk on young children's teeth. Refreshments will be served by Mrs. George Chalm, Mrs. Fred Moyer, Mrs. L. Bouws, Mrs. Eliza Smith, Mrs. Walter Lamb and Mrs. Albert Keller.

Rural Residents Are Invited

The meeting of the Townsend Club held at the Legion hall last Thursday evening was more than pleasing. Mrs. Chas. Kavanaugh of Niles gave a wonderful talk to a large audience. The meeting was by far the largest yet held in Buchanan and 54 members enrolled, putting the membership over 250.

Some time ago interested citizens circulated the Townsend Plan petition and secured over 700 signatures. If you signed the petition please join the club and help further the wonderful plan introduced by Dr. Townsend. It is impossible to hold another meeting before the first week in December due to a scarcity of speakers and meeting place. Date and place will be given in the Record later.

Contributed.
phone duets by Snyder and Rothfuchs, Three Oaks. The evening concluded with dancing and card playing and refreshments at a late hour. State lodge heads said that the meeting in the local hall was the strongest demonstration of lodge work they had seen for some time.

Thanks Service at Evan Church

The Missionary organization of the Evangelical church will hold a public thank-offering service on Sunday evening, Nov. 24 at 7:30. Features of the evening will be the bringing of "Thank-Offering," "Happiness," and "Mite Boxes," and a one-act play, "The Meaning of Thanksgiving."

Those taking part in the play are Mrs. Arthur Mead, Edna Nelson, Evelyn Harner, Marion Nelson, Mae Mills, Mrs. Harry Surch, Martha Schultz, Burdella Pringst, Mrs. Lester McGowan, Betty Ryan, John Schultz, Ruth Baker, Frances DiGiacomo, Ruth Schultz. Mrs. Emory Rough will conduct the service. Mrs. Allan Pierce is directing the play. Mrs. Emma Fowler will be at the piano.

VIOLIN MAKER TALKS TO LIONS

Says Hitler Regime has Created
Democratic Society.

Members of the Lions club heard an interesting and intelligent discussion of why so many Germans really favor Hitler as they listened to a talk on present-day conditions by Franz Von Hellem, a Bridgman violin-maker. VonHellem came from Germany in 1919 by special permit, because of the shortage of skilled violin-makers in this country. At the present time he lives in Bridgman where he has a shop in his home, making instruments for custom, at a minimum price of \$150.

Since coming to this country he has kept in constant touch through papers and through personal letters from his relatives there, and last year his father was with him for eight months. Hitler has won much favor through elimination of special privilege and graft, he stated and furthermore, although his regime is autocratic, there has been a great leveling of all ranks and casts, creating in many ways a more democratic society than has ever existed in Germany.

In many ways, he stated, trades and professions have been protected by rigid requirements. Thorough training for all trades is required.

V. F. W. and Auxiliary Hold Installation

The Gladys Lyon Auxiliary of the Veterans of Foreign Wars installed officers for the ensuing year Monday evening, the following being inducted into office: president, Mrs. Mabel Brown; senior vice president, Mrs. Nora Korp; junior vice president, Mrs. Stella Dilley; secretary, Mrs. Warren Juhl; treasurer, Mrs. Mabel Manning; chaplain, Mrs. Frances Holston; conductress, Mrs. Ora Schock; guard, Mrs. Irwin Wells; patriotic instructor, Mrs. Lura Pears; historian, Mrs. Harry Binns; color bearers, Mrs. Cauffman, Mrs. Cora Brown, Mrs. Sylvia Ochender. The installation exercises were held at the home of Mrs. Harry Brown, Moccasin avenue, with Mrs. Thelma Harris, Cassopolis, as installing officer. The members then went to the W. B. A. hall for a joint luncheon with the Veterans of Foreign Wars. The committee in charge of the entertainment was Mrs. Warren Juhl, Mr. and Mrs. Joseph Manning, Mr. and Mrs. Irvin Wells and Frank Fabiano.

Previous to this entertainment the Veterans held installation with Leonard Merchant, Benton Harbor, in charge and the following installed: commander, Stanley Reybuck; senior vice commander, Dwight Markham; junior vice commander, Thomas Britton; quartermaster, Joe Manning; adjutant, Irvin Wells; advocate, Steve Rudoni; chaplain, William Doyle; officer of the day, D. S. Heckathorn; patriotic instructor, Frank Fabiano; guard, John Hittle; sentinel, Ross Cauffman; sergeant, Harry Dalrymple.

Mr. and Mrs. C. P. Forman, of Elkhart, Ind., were visitors Sunday at the home of Mr. and Mrs. D. D. Pangborn.

BUCHANAN CAGE HOPEFUL REPORT FOR FIRST DRILL

To Face Berrien Springs High
There in Opening Game
November 27.

Buchanan cage aspirants reported for the first practice of the season last Nov. 14. This year they are being coached by Johnny Miller, new high school physical education director and sports coach, Earl Rizer is helping Coach Miller by taking care of the 1-serve squad.

Coach Miller will have to mold a winning team combination in just nine days of practice. This may prove to be a decided handicap to the Bucks since their opponents at the time of the game will have had nearly twice as much practice as the Bucks.

A large group reported for the first practice, there being 46 boys from all four upper classes. Coach Miller has a big order on his hands since only one letterman of last year's squad has returned. That letterman is Kenneth Luke, a co I, speedy, red-headed junior, who plays one of the forward posts. All of last year's reserve squad has reported and from these men most of the varsity will be chosen. They are Virgil, Jerne, Smith, Jesse, Holmes, Lyon, Richards and Ellis. The rest of the material looks promising and some winning teams may and will be turned out.

The first game will be played with Berrien Springs on Berrie's home court Nov. 27 at 7:30 central standard time. It will be a thriller as the Berrien contests always have been. Berrien has a good, scrappy team this year and will play their heads off to win on anybody's ball court. Everybody come to that game next Wednesday night and you'll see some first class basketball played from start to finish.

Let's Go "Skidding" With Faculty Dec. 11

Do you enjoy a good laugh? If you do, you should see Kermit Washburn in "Skidding," in his portrayal of Andy Hardy, a lovable, wholesome, provoking youngster of 16 years; also, Miss Eunice Miller as Mother Hardy, wise, a little dense as to politics, but the mistress of every situation.

Hatfield to Speak Mon. Eve.

Probate Judge Malcolm Hatfield will address the Buchanan Parent-Teachers Association at the high school Monday evening at 7:30 p. m., his subject being, "Juvenile Delinquency." The Girl Scouts will also present a play directed by Miss Maude Slater and a class demonstration will be staged by the pupils of Mrs. Lura French. This meeting promises to be of special interest and all are invited to attend.

Scenes of the wild West were re-enacted with a modern angle yesterday afternoon when a rampant Model T charged across the sidewalk and crashed into the door of the north side of the Corner Drug store. The car was driven by E. L. Brocius, who stated that he had driven at the curb in front of the drug store on Front street to park but that his brakes failed to function. No one was hurt.

Mrs. Emma Smith, mother of Mrs. A. F. Kann, died at Carthage, Mo., Nov. 13, the funeral being held there Nov. 15. Mrs. Kann was called there about a month ago. She plans to remain in Carthage for the winter and will be joined there soon by Mr. Kann.

MADE 3 COVERED WAGON JOURNEYS

Local Gold Star Mother Celebrates 87th Birthday
Tuesday.

Birthdays, to such as still have them, are quite often days of memories and Mrs. Nancy Lyon has had many to recall on her 87th birthday Tuesday, not the least being the fact that in the late summer of 1860 she saw, heard and shook hands with Abraham Lincoln.

Mrs. Lyon was born Nov. 19, 1848 in New York state and came to Leonidas with her parents, Mr. and Mrs. William Case, when she was seven. In 1860 the family started by prairie schooner for New Lebanon, Ill. En route they went through Springfield and the father halted the team in front of the capital building, having heard that Honest Abe Lincoln, the presidential candidate of the new Republican party, was there. While they waited Abe came out, clad in the black suit and silk hat that are part of the Lincoln tradition. He stopped in front of the emigrant wagon and said banteringly to the two older boys: "Well, who are you going to vote for?"

"For Uncle Abe," they chorused. So Uncle Abe shook hands with all, not even omitting the hand of 12 year old Nancy Case, who was to remember it a long time. After talking a minute he went on to the Presidency and death and they went on to New Lebanon, where the oldest boy enlisted in the Union army with the first three-months troops next spring and was dead at Paducah, Ky., in a few weeks.

The Case family returned to Leonidas after the war and there in December 1865 she married Melvin Lyon and they pulled stakes and started for Kansas again in a prairie schooner. This was the third time Mrs. Lyon had crossed Michigan and Illinois in a covered wagon. They stopped in Adair county, Iowa, lived there three years, and again came back to Michigan, stopping this time on a farm on the Gallien River near New Buffalo. That was the fall of the Chicago fire and of the big timber fires along the lake front in Michigan. One day Mr. Lyon was away fighting a timber fire on his father's farm when a roof fire broke out in her own home, everything being tinder dry. There were no neighbors, no telephone, no fire department. She ran with her two babies, set them down a safe distance out in the field, ran up it with bucket and mop and swabbed out the flames from the outside, then ran back inside and into the attic where she completed her job without benefit of fire department. When her husband got back that night the black hole in the roof told the story.

War caused another deep loss to Mrs. Lyon when her daughter, Gladys, died in a base hospital near Verdun, France, in 1918, from meningitis. In 1931 she took a trip with a son through the south, visiting the battlefields of Lookout Mountain, Chattanooga, Missionary Ridge, Orchard Knob and Murphreesboro, where her husband had fought. She saw the rocky cliff which he had scaled with the 11th Michigan in the fire of the enemies' batteries, capturing them. Mr. Lyon died in 1899. They returned to Leonidas for the third time in the seventies but settled northwest of Gallien in 1878 and she has lived in this county since.

CLARK PRESIDENT WRITES ON FUTURE

Company Pays 20% Dividend
Despite Small Net Loss.

Accompanying an interim report to stockholders covering the nine months ending with Sept. 30, indicating a net loss for that period of \$24,902.27, President Eugene B. Clark of the Clark Equipment company analyzed past business and future prospects in a letter as follows:

At a recent meeting of the Directors of your Company, it was decided to pay a dividend of 20c per share on the Common Stock on December 14, on stock of record Nov. 26, 1935, even though operations for this year do not show a profit.

Of late the management of your Company has received numerous letters from the stockholders and others, most of which request answers to one or more of the following questions: 1. What is the reason for the considerable decrease in earnings in 1935 as compared to 1934? 2. What are the prospects of profits from new articles of manufacture which the Company has had in process of development? 3. What are the prospects for better earnings in 1936? Inasmuch as it seems to the management of your Company that the answers to such questions as these, if given to some stockholders should be given to all, therefore the writer, by authority of the Board of Directors, writes this letter to stockholders.

1. As to the decreased earnings, the writer's letter to stockholders of August 1, 1935, referred to this subject in the following words: "There are several causes for the drop in earnings, the chief ones being lower prices due to very keen competition; increased costs of materials; increased taxes, and a considerable increase in the item known as Development Expense. This item covers the cost of the development of new lines of manufacture. It is necessarily expensive in its early stages, but such expense is justified in the minds of most progressive managers by the results it is hoped to attain." Developments subsequent to the date of that statement give no reason for changing it. Your management does, however, anticipate an improvement in general business conditions that, taken in connection with some improvement in our own situation, should result in an improvement in earnings.

2. Your Company has always devoted a certain amount of attention to the development of articles of manufacture both within the automotive industry and outside of that industry. There is no reason to believe that its recent efforts along this line will be productive of any startling results, though it is hoped that such results as may be obtained will justify the efforts that have been made. Furthermore, there is no reason to believe that any substantial increase in earnings from possible new articles of

Mishawaka Man Opens Bowling Alley

Ardie Booher, formerly owner and operator of the Ardie Recreation bowling alleys in Mishawaka, has leased the bowling alleys in the second story of the Bishop building and is now reconditioning the alleys preparatory to opening it about or before December 1. The alleys have been closed four years, but Booher states that he can restore them to first class playing condition. With better times now current, Buchanan should be able to support the sport.

GIVE CHILDREN A REAL XMAS

Buchanan Has 300 Children to
Remember at Christmas
Time.

Christmas is a time of joy and gladness to the majority of people but there are about 300 children in Buchanan who will not have any Christmas unless those more fortunate will contribute towards a fund for their happiness.

Members of Epsilon chapter, Beta Gamma Upsilon sorority, are sponsoring a fund for Needy Children's Christmas this year and they have already carefully gone over the relief list and know the number of children who need to be remembered and they also have the ages of the various children in the families. With the monies that are contributed and which the sorority will donate the list will be divided among the members and personal shopping will be made for the gifts and then they will be wrapped and named and delivered to the homes.

There is just a short time left so why not do your bit by contributing a little towards this worthy cause.

Harry A. Jones Dies in Milwaukee

Mr. and Mrs. Joseph Roti Roti left Tuesday evening for Milwaukee on receipt of news of the death there of Harry A. Jones, 60 who passed away suddenly Monday evening of heart trouble.

Jones bought the Walkover Shoe store here in 1925 from DiGiacomo & Roti, conducting it until 1927, when he went to Milwaukee, where he was in the shoe business for himself at the time of his death. His wife, who survives him, was prominent while here in the Rebekah and Eastern Star lodges and still retains her membership in the Eastern Star lodge here. A daughter, Pauline, was in high school while here, and is now a nurse in the Ford hospital, Detroit.

District Governor Bob Ludwig spoke at the meeting of the local Lions club last night. Ludwig was the organizer of the local club two years ago and his visits here are popular with the club.

D. S. Larson to Head Corporation; Will Employ 75 to 100 Men at Outset.

News of distinctly major importance to the Buchanan community broke this week with the announcement of the formation of the Larson Steel Products Corporation, which takes over the interests of D. S. Larson & Company, which has carried on a chromium plating business here for two years.

The new corporation is headed by D. S. Larson, who brought the business here, and will include on its board of directors several well known South Bend industrialists. It has an authorized capitalization of \$125,000 of which \$30,000 was subscribed by the public.

The company will carry on the plating business started by the Larson company but will have as its main business the manufacture of steel forgings in the new forge plant, the frame work of which is already up. This plant will be completed and the machinery installed within the next thirty days, and production will be started within 45 days, with from 75 to 100 men employed at the outset.

The company now has orders for nearly a million steel forgings, insuring continued production after the plant opens. This work previously has been done under the supervision of Larson, but not in Buchanan but will now be done here entirely.

The city is particularly fortunate in the coming of this business, inasmuch as it came here without solicitation and has asked no public support or other favors, either in location or development. Larson, the head of the corporation is known, not only locally, but thru-out the country as a leading expert in this type of business.

Dale Florey Wins More Amateur Honor

Dale Florey, 7 year old son of Mr. and Mrs. Eura Florey, again won honors as a singer Tuesday evening when he was given first place in a field of nine at an amateur Night Floor show at the South Bend Inn. Dale sang "Little Brown Jug" and "The Isle of Capri," accompanying himself on the ukelele. He made his first appearance singing to ukelele accompaniment at the Lions WLS Barn Dance five weeks ago and has since won three prizes in amateur shows.

Widow of Andrew Carothers Dies

Funeral services will be held here either Saturday or Sunday for the remains of Mrs. Jennie Carothers, widow of Andrew Carothers, pioneer business man and hotel operator of Buchanan who died over 30 years ago.

Mrs. Jennie Carothers died Nov. 18, at the home of her daughter, Mrs. Ohm Lister, in Los Angeles, Calif.

She was born April 14, 1849 in New York state, the daughter of Samuel and Electa Button Barr. She was married to Andrew Carothers, who for many years owned and conducted the Hotel Earl (now the Hotel Rex) and other interests and was a leading local business man. She left here following the death of her husband.

She is survived by the daughter mentioned above and another, Mrs. W. H. Grimes, Battle Creek. The remains will be brought to Buchanan for burial in the family lot. Services will be held from the Swem Funeral Home either Saturday or Sunday at 2 p. m. with Rev. Thomas Rice in charge.

There will be no school the Friday after Thanksgiving.

There was no school Monday after 2:10 because of the teachers' meeting.

Our school has new shades on all the south windows. They are sand color and are very nice.

John Martin has left Dayton to live in Dowagiac. We hardly got acquainted with him because he was here only 12 days.

CLARK PRESIDENT WRITES OF FUTURE

(Continued from page 1)

manufacture will be realized within so short a time as a few months. Our development work can be catalogued under four general heads:

(a) The development of improved articles of manufacture in the automotive line. Such work is always in progress and has always had more or less success. The success of our recent efforts seems to be very satisfactory; (b) The development of an air-conditioning device known as an air-cooled bed. This device is in an incomplete stage of development and so safe guess as to its success can be ventured now;

(c) An improved rivet of such a construction that it may be applied from only one side of the work to be riveted. This device is just now entering the manufacturing stage and while it is too early to prophesy as to its success, it seems reasonable to believe that it gradually will attain to a profitable manufacturing basis; (d) Your Company was a pioneer in the field of development of improved railway equipment which has come to be known to the public as streamlined trains. Our success in selling such equipment has been disappointing. The railroads do not take kindly to it. However, as an indirect outcome, we have established a beginning in the business of building improved trucks for street railway cars which we hope will develop successfully.

8. To prophesy as to future profits and results is unwise. Your management cannot make any worthwhile statements as to future prospects. General business conditions and the political situation have much to do with future earnings. Irrespective of those influences, however, the writer feels fairly safe in predicting that earnings in the year 1936 from our established business will be more satisfactory than our earnings from this source in the year 1935. Material success for a company such as ours does not ordinarily come as the result of some startling new development but is attained as the result of hard work steadily applied.

EUGENE B. CLARK,
 President.

V-8 LEADERSHIP

ON OCTOBER 31 of last year, Henry Ford announced his intention to build a million Ford V-8s in 1935. We are pleased to report that this goal was reached in exactly ten months instead of a full year.

One million cars and trucks is an impressive total. But figures by themselves mean nothing. It is what they represent that counts. Selling a V-8 at a low price has brought a new kind of automobile

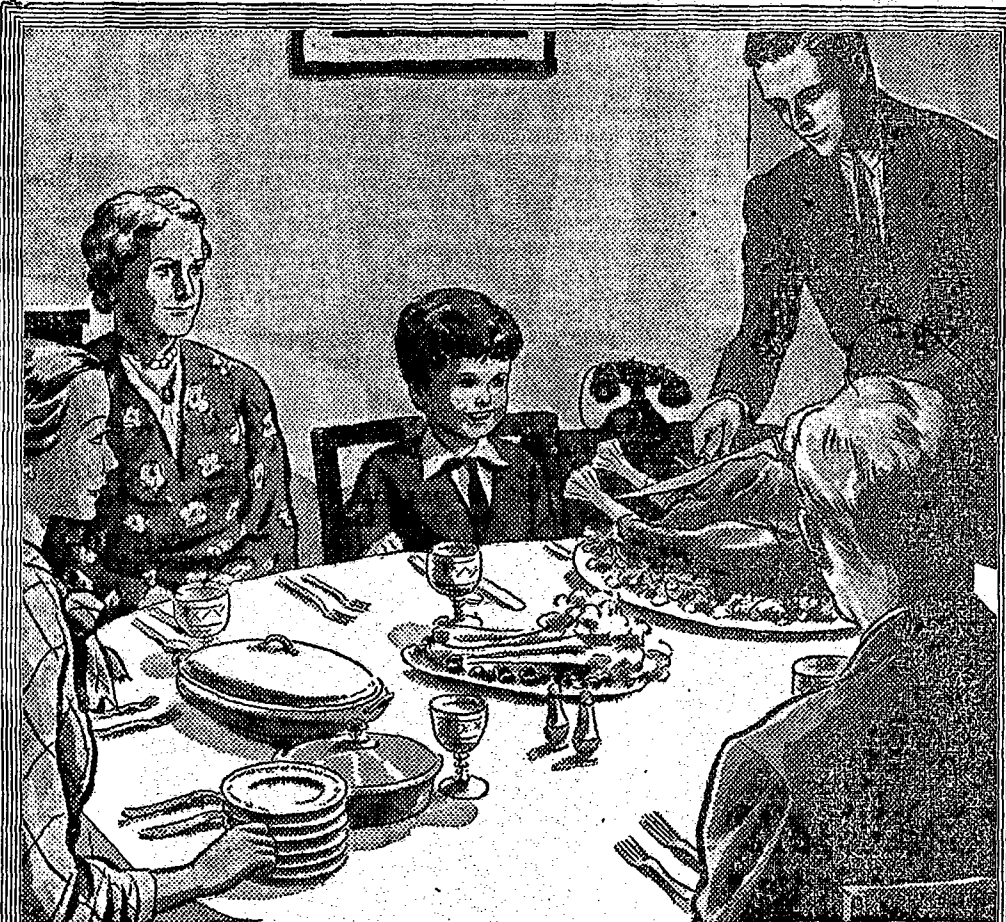

within reach of the people. Producing it has provided steady work for hundreds of thousands of men in the Ford plants, in associated industries and on the farm.

These million Ford V-8 cars and trucks have helped to make things better all around. In the first ten months of 1935 the Ford Motor Company paid out in the United States alone, \$140,119,326.00 in wages and \$523,111,389.00 for materials.

Reunion in Michigan

ON THE last Thursday of this month the people of Michigan, like millions of their countrymen, will observe Thanksgiving Day. In doing so they will be following a thoroughly American custom, a custom which originated more than three centuries ago when the Pilgrim Fathers, immediately after their first harvest in the New World, set aside a day of Thanksgiving for the year's blessings.

The custom, antedating our Republic, survives as our oldest native holiday. Despite the interval of three centuries, despite the momentous changes they brought into American life, the annual festival continues to draw countless American families into yearly reunion at

Thanksgiving; and among the modern forces that foster this ancient custom, the telephone occupies an important place.

The telephone helps to combat the distance created by the extension of our frontiers. It fills a modern need. It contributes its share in making the arrangements for any celebration—ordering supplies, extending and accepting invitations, arranging meetings, changing plans at the last minute, sending regards, regrets or congratulations.

Efficient, unobtrusive, often taken as a matter of course, the modern telephone thus plays its part in our daily lives, serving us all as readily and faithfully on holidays as during the working week.

"Cold Cash" JONES

They called him "Cold Cash" Jones. He always carried it with him. Paid on the spot. Didn't believe in new-fangled checks and short cuts.

Then two things happened. The first didn't cure him, but the second did. First, he lost his "roll" with \$51 in it. He could never figure whether it was his own clumsy fingers or the light fingers of a purse-snatcher.

Right on top of this experience, he was called upon to pay a bill he knew he had already paid. But he had nothing to prove it. Jones got "mad" at that. Today he "totes" a check book. Says he saves money and trouble.

AT THE THEATRE

Marion Davies in
"Page Miss Glory"

but a charming romance runs through the humor. Miss Davies introduces many new style creations designed for her by Orry-Kelly.

George Burns was a picture of anger and despair when he and Gracie Allen reached the Paramount set one day during the filming of "Here Comes Cookie," at the Hollywood theatre Friday and Saturday.

"Gracie, how do you expect me to do a day's work with nothing but coffee for breakfast?" he demanded.

"What happened to those doughnuts I bought last night?" "Oh, those," replied Gracie. "George, I had to send them back because they were no good. Every one of them had a hole in the middle, and nobody can feed my Georgie damaged doughnuts."

Thanksgiving day matinee starting at 4 p. m. and running continuous. The program for Wednesday and Thursday will be a double feature.

An interesting new team of stars makes its bow to the public on these days, "The Murder Man."

Spencer Tracy and Virginia Bruce are the co-stars—he as a hard-bitten, cynical New York newspaperman, and she as the paper's glib "sister" who can dish out advice to the love-lorn through her columns, but can't control her own heart.

Actual scenes of the Spring roundup and cattle branding which took place on the great Greene cattle ranch, near Lone Pine, California, are seen in the first Clarence E. Mulford story to reach the screen, "Hopalong Cassidy," Paramount release featuring William Boyd, Jimmy Ellison, and Paula Stone.

Miss Davies and Dick Powell sing a duet written especially for the production by Hollywood's leading song hit producers, Warren and Dubin.

"Page Miss Glory" is said to be the finest of Miss Davies' stellar vehicles and the charming star herself is declared to have risen to even greater heights in her portrayal of the naive country hotel chambermaid who became "Dawn Glory" America's outstanding beauty. The plot is hilariously funny.

The Cosmopolitan comedy "Page Miss Glory," with Marion Davies in the stellar role and a supporting cast composed of more than a score of Hollywood stars and featured players, will be presented by Warner Bros. at the Hollywood Theatre starting Sunday.

Based on the sensational Broadway stage hit by Joseph Schrank and Philip Dunning with the screen version written by Delmer Daves and Robert Lord, "Page Miss Glory" was assigned to Warner Bros. ace director Mervyn LeRoy, who selected such stars as Dick Powell, Pat O'Brien, Mary Astor, Frank McHugh, Lyle Talbot, Patsy Kelly, Barton MacLane, Allen Jenkins, and Hobart Cavanaugh for the leading roles.

The Folks in History

TEN YEARS AGO

Miss Mabel Miles was given a white gold ring with a ruby set by fellow employees of the brake band department, Clark Equipment company, when leaving for California. The presentation speech was made by E. M. Blake. She had been with the company about a year and is said to have made a remarkable record on a drill press. She leaves today for the west.

Sam Bunker was a guest of his nephew, Sam Bunker, of South Bend Wednesday and attended the Rotary club banquet.

Mr. and Mrs. G. S. Easton and family expect to leave early next week for an indefinite stay in Florida.

Mr. and Mrs. F. W. Howe left Monday for Paducah, Ky., where they will be guests of their daughter, Mrs. A. D. Hardegree for several weeks. They expect to visit in several parts of the south before returning home next spring, at which time they plan to build a new home.

Mr. and Mrs. Ray Weaver and daughter and Charles Boyle left Tuesday to drive to St. Petersburg, Fla. Mr. Weaver and family will be gone several months, but Mr.

Boyle has gone only for a short business trip.

H. R. Adams is home from several days visit at the home of his son, George Adams, of Milwaukee.

Mr. and Mrs. John Oehenryder are the proud parents of a nine pound baby daughter born Friday evening, Nov. 20.

Ralph Allen and H. H. Beck returned Friday from a hunting trip in northern Michigan. Neither succeeded in getting a deer.

Miss Lena Leiter, who is teaching in St. Joseph, spent the weekend with her parents, Mr. and Mrs. Wilson Leiter.

Dr. and Mrs. J. C. Strayer and son, John, and Herbert Roe and son, Herbert, attended the Michigan-Minnesota game at Ann Arbor Saturday.

Clarence Delwin Kent died suddenly after a short illness at his home on Main street, Buchanan, Thursday night. His death removes from Buchanan one who has been prominent in the business life of the city since September 1887.

He was a grocer for 32 years, was for several years a supervisor of Buchanan township, and postmaster from early in 1922 until his death.

L. D. S. Leader

J. J. Ledworth, Missionary of the Reorganized Church of Jesus Christ of Latter Day Saints, Headquarters at Independence, Mo. is conducting a Missionary Campaign here. Mr. Ledworth is a forceful speaker, has a definite message which is The Everlasting Gospel. Each lecture is illustrated by charts and beautifully colored pictures. The public is invited to attend these services. Come and bring your friends, and your Biblical questions and we will help you solve them. —Contributed.

Christian Science Churches
"Soul and Body" will be the subject of the Lesson-Sermon in all Christian Science churches through out the world on Sunday, Nov. 24.

Among the Bible citations is this passage (Romans 1:20): "For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead."

Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following (p. 71): "The identity or idea, of all reality continues forever; but Spirit, or the divine Principle of all, is not in Spirits formations. Soul is synonymous with Spirit, God, the creative, governing Principle outside of finite form, which forms only reflect."

MR. STARK'S NEWS

Tony Westin, prosecuting attorney of Berrien County, was the speaker for the Boy Scout training school at Berrien Springs last Wednesday evening.
A Berrien County Vocal Festival was held at Niles, Friday, Nov. 15. Harper Maybee of Western State State Teacher's College, was the director.

MR. MOORE'S NEWS

Basketball season tickets will be put on sale Monday November 25. Student season tickets are a dollar, and season tickets for adults sell for \$1.35.
Buchanan's first home game will be played with Niles on December 6. The first game, however, will be at Berrien Springs Nov. 27.
This year Buchanan plays six games on its home floor and seven away from home.

New Buffalo is the new opponent Buchanan has taken on this year. The game will be played at New Buffalo February 7. Buchanan, however, will not play St. Joe this year.

An all county basketball tournament will be held at Niles, December 26, 27 and 28. It is only for the schools in Berrien County, but all schools will be represented. This takes in every class school from A to D inclusive.

Despite a wet condition last Monday, Nov. 11, a handsome gate receipt was taken in at the football game between Buchanan and Western State High at Buchanan. The large gate receipt was due to the excellent following of the Western State High fans. Had the day been good, Buchanan would also have responded.

A junior high school party for the junior high students only, was held at the school Friday, Nov. 22. The senior high school will have a party Friday, Nov. 22. It will be for students from grades 9 to 12 inclusive. Plans are being made for a much better orchestra than furnished the music at the last high school party.

Another movie was shown Wednesday, Nov. 20, at the general assembly. It included:

1. Fangs of... Natural History
2. Death Valley... Geography
3. Songs of the Range... Music
4. Let'er Bitch... Western Sports

DON'T SHOOT

"Teacher, the man with the box is here again."

"Yes, Mr. Frank is here again and going through his annual routine, taking senior pictures."

Last Thursday and Friday, the seniors went one at a time and had their pictures taken. Mr. Frank found it necessary to use a rattle box and a rubber ball several times.

SPORT NEWS

Basketball season swung into place this week. Due to complications, LaVerne Myer won't be able to play, and we shall miss his presence on the floor. The Buchanan five aim to make a royal house-cleaning this year, so look out, Niles!

JUNIOR HIGH DANCE

Color, action and music filled the gym Friday night. The Junior high held a party and had a good time. Many smart gowns and suits added splendor to the affair.

The attendance at this affair shows up the high school dances. High school, take your hats off to the Junior High.

COME CALL IT FUN

Probably you were one of the persons encountered in the hall last week or overheard some of the seniors talking.

Of course, the general subject was their looks. Some of the most common remarks heard were: "Will my hair look all right?" "What are you going to wear?" or "How I wish it were over!"

This was the topic of conversation among the seniors because, as you know, it was the week the seniors had their pictures taken. It was a very exciting time and they got the thrill that comes once in a life time.

Editorial

Hear ye! Hear ye! Hear ye! The basketball season of the fighting Buchanan team is about to open. Are you going to be among the crowds that loyally display a season ticket? Are you going to be among the group that watches those breathless seconds slip away as the ball totters questionably on that rim?

We'll see some of the same football eleven fighting hard, not on a wet field, but on a slippery gym floor.

The old Maroon and Whites will flash across that gym floor like lightning and carry the ball to victory if—well, you know, with encouragement. Make it a point to feel your blood tingle with pride as the old school captures the honors.

GLEE CLUB FESTIVAL

"Hey, I ride with Mr. Robinson, you egg" shouted an excited student as he excitedly shoved and pushed to get close to Mr. Robinson's new car.

Transportation over was quite plentiful, but Mr. Robinson's car struck the spot. After a mad rush a few succeeded in getting in and all went well.

SENIOR CLASS MEETING

Members of the senior class met Tuesday afternoon with their advisors during home room period. In the meeting the annual and the pictures were discussed. Everyone was in favor of having an annual this year.

There seems to have been a change in assistant advisors also. Formerly they had Mr. Hyink for assistant advisor, but they now have Mr. Elbers.

NO MORE FOOTBALL BUT PLENTY OF BASKETBALL

"Well, football is all over now until next year," is a remark that can be heard by many of the local high school students.

Where was everyone at the last game? Certainly a little rain could not stop any enthusiastic rooters from attending.

Basketball is the next athletic interest. With all the girls yelling and screaming for their certain hero or heroes, our team really ought to go places. Come on, let's help them win their games!

THEY CAN'T TAKE IT

Late to bed and early to rise, Makes a student otherwise.

Romans, friends and countrymen, lend me your ears. We are now faced with a great problem. On the 11th one who succeeds, honors great and small will be dutifully bestowed. Science has failed, so please, please get your heads together and think up a solution to free these ever-tired students from rendering such terrifying moans. Whether these students walk in their sleep at night and tire themselves out, no one knows; but invariably in study hall, some one yawns and catches a few winks of sleep. Some claim they have tried Ovaltine, but goodness knows. Can't some one help them out?

Class Activities

Science News

Physics class will take up the study of two forms of energy, namely: potential and kinetic energy. Potential energy is energy possessed by a piece of unburned coal or water standing behind a dam. Kinetic energy is a kind of energy possessed by a moving object, such as an automobile. A modern automobile running at 60 miles per hour possesses over 2,000,000 foot lbs. of energy. This accounts for the great damage done when a racing automobile is wrecked.

The class will also take up the study of power, water wheel and turbine. Also the efficiency of machines. Next week they will take up the unit of heat.

Chemistry class will study Boyle's Law, Charles' Law and Avogadro's Law. These laws deal with nature of the molecules of a substance. Molecules are made up of many atoms.

Language

The eleventh grade French class is studying plurals of nouns and adjectives and past participles of verb avoir. The class is also studying the present tense of second conjugation. The twelfth grade French class is studying suburbs of Paris, Lyon and Marseille. They are also studying the main buildings of these cities and are locating them on a map of France.

The ninth grade Latin class is studying Roman roads and Roman temples, also, the genitive of possession. The tenth grade is studying deponent verbs in grammar. The class is also engaged in the reading of the following stories: "Narcissus and Echo," "Midan and the Golden Touch."

Home Economics

Taking care of children and what a person should wear were the subjects studied by the tenth grade class.

The ninth grade students made plans for and served their Thanksgiving dinner.

The Thanksgiving lunch was planned and served by the eighth grade students.

Christmas gift planning was the subject which the seventh grade students discussed.

Commercial

The students in the shorthand class wrote sentences in shorthand, read and wrote from "Speed Studies" book, and had a test over rules and words in chapter 4.

Juniors of the typing class had intensive finger drills, reviewed the keyboard, and concentration-accuracy drills.

Students of the senior typing class completed the unit on business correspondence.

The bookkeeping class had a test over reports prepared at the end of the fiscal period and closing the ledger. The class began Practice Set No. 1, a group of transactions reviewing all principles, etc., studied this term.

Music

The Glee Club went to Niles to sing in the annual vocal festival Friday, Nov. 15.

This week the orchestra has been organized and started rehearsal. Orchestra will meet every Tuesday and Thursday hereafter.

Journalism

Journalism students have just completed the chapter, "Words as Journalistic Tools." They have studied different words which are often misused because of a confusion of their meaning.

Mathematics

Seventh grade has been studying bills, invoices, and trade discount. Eighth grade classes have been studying the measurements of solids and board measure.

Solving problems by formula and forming equations in problems about number relation, has been the work of the algebra students. Geometry students have been studying the location of points having given conditions, and also concurrent lines.

Studying functions of equations of the second degree and the curves formed when the equations are represented graphically has been the task of the advanced algebra classes.

A six weeks' test will be given to all high school mathematicians tomorrow.

History

The seniors completed the work of the Civil War, which included the campaigns, events and results. The tenth grade students are studying the "Life and Work of Charlemagne."

Students of the citizenship class studied the chapter "Comfort," as an aid to better living.

History and Geography

The eighth grade history class has studied the extension of the United States boundaries to the Pacific ocean, also the war with Mexico.

Reviewing the countries of Europe has been the work of the geography class.

Discussion of the departments of war, interior, agriculture, commerce, and labor, has been the work of the American government class the past week.

In the public speaking class the work has been the reading of poetry.

Mechanical Drawing

The advanced students of the first year are doing orthographic projection. Those not so far advanced will be working on geometric construction and lettering.

The second year drawing class is working on sketching and detail.

Girls' Physical Ed.

The girls' gym classes have been playing basketball after school. The soccer game which was to be played with Niles has been postponed and may be played the following week.

G. A. A. had a meeting to discuss the initiation which will take place soon.

Grade News

Miss Cornell has two new students enrolled. They are: Wanda Lee Coonfare and Barbara Ralsor.

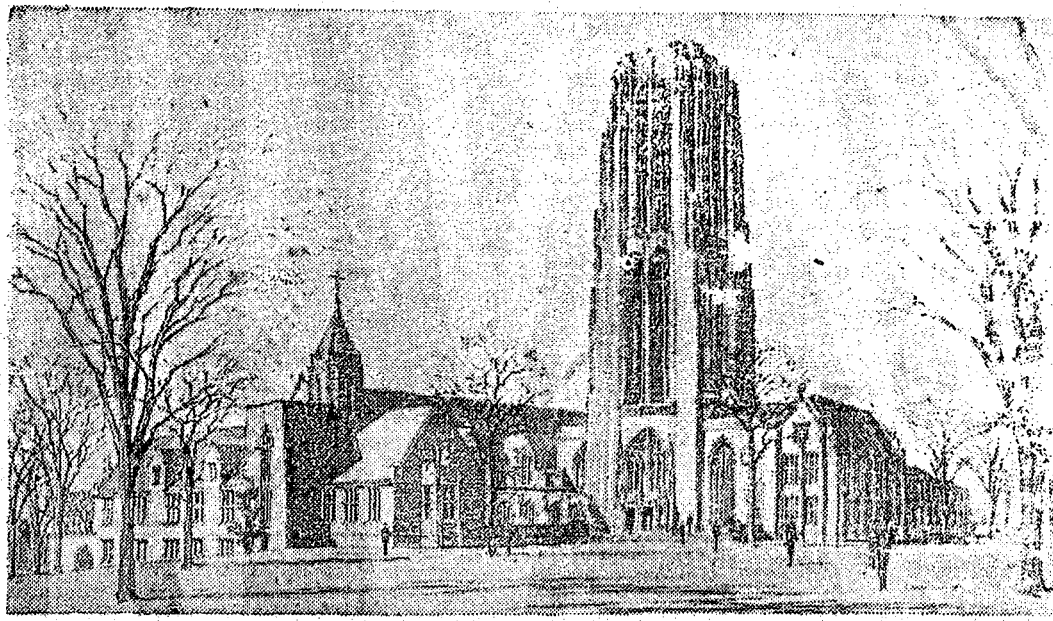

We are drawing Indian teepees and fall vegetables this week. We will soon start Thanksgiving drawings.

Milk is now being served. We are studying about its importance as a food in our health class.

Everyone has memorized "The Duel" by Eugene Field. This is quite a long poem. It was memorized in language class.

We are learning to tell time in our number class. Each pupil made a clock face with movable hands. The fourth grade at the high school prepared a short program, "Heroes of Peace" for Armistice Day and presented it for the third and sixth grades. They are also

New Workshop at Princeton University

In the central tower of this proposed new library at Princeton university books will be stored, and much of the humanistic and social science departments will have its headquarters in the other portions of the building, thus carrying out a unique concept for college libraries. A fund of \$4,000,000 for the construction and endowment of this building is now being raised. Charles Z. Klauder, of Philadelphia is the architect.

planning an Eskimo exhibit in connection with their geography work. They had some questions and answers on Eskimo life which they demonstrated in Miss Bohl's third grade.

Miss Abell's sixth graders are making geography note books of the British Isles. They are making maps in connection with this study.

Last week the mothers of Miss Ekstrom's fifth grade children observed Education Week by visiting school.

Mrs. French's fifth grade has been studying about foods this week. In art class, they painted vegetables. Some pupils made large vegetables and colored them with chalk. They will be used in a play later on.

Miss Bohl's third grade has been making Indians, teepees, canoes, blankets and trees for their Indian village. The village is located on the library table. The teepees form a half circle about a lake that is in the center of the village. Several canoes are on the lake. Indians are standing in front of the teepees or in front of their fires. The village will be completed next week.

Billy Jerue has returned to school after an illness. Dora Dean Leiter and David Gombosi are still absent.

Our art class is drawing pilgrims, turkeys, and pumpkins to illustrate our Thanksgiving Language lessons.

Miss Carnagan's first graders are working on a Thanksgiving project. They are learning Thanksgiving poems and songs and are illustrating the first Thanksgiving on the sand table.

The Kindergarten has been enjoying creative work with the new theory of finger painting. We would appreciate any donations of aprons that we might be able to use.

ohn Spatta has returned from his visit to New York.

The Red class has finished the Pre-Primer. Members of the class are Jean Williams, Merlin Noggle, Elwin Noggle, Lawrence Banks, Shirley Mitch, Vonn Mikesell, Igo-green Clark, Charles Vergon, Dennis Smedley, John Feller, Edna Brant, Anna Rosettl and Robert Shrimpsheer. The White class has finished two re-Primers and the reading the Elson Primer.

The Opportunity Room is making Indian headaddresses. For the month of November Bob Topnsh is Chief Good Habit, because he is a good citizen.

Tommy Huff is ill with pneumonia. Robert Borst and Phyllis Sanford are the new fourth grade representatives to the Citizenship Council.

The Third Grade is working on chalk drawings for the first time. Each one has made large drawings of vegetables and fruits. Billy Banks drew a picture of the Santa Maria. Norma Vergon drew an Indian scene.

Ruby Myers is absent this week.

"How'dja make it do that, Charlie?"

Charlie Chase and Joyce Compton, stars of Charlie Chase Comedies, had good reason to be surprised when his faithful Model T started like a jackrabbit. It had never happened before—so it's a safe bet that they had Standard's new double-kick-starting gasoline in the tank.

Don't think for a minute that this new gasoline is so fast that your car is liable to take off before you're ready. It's not that lively. But it is a remarkably fast-starting gasoline. And by that we don't mean a gasoline that simply gives a flash of action and then sputters and chokes when you try to drive away. We mean a gasoline that, even in bitter winter weather, responds to the first kick of the starter, catches hold at once, and gives you full steam ahead in regular mid-summer form.

That's promising a lot. But this gasoline has fully 35% greater warm-up speed, in zero temperatures. So get some of this new Standard Red Crown ... and SEE WHAT HAPPENS next time you step on the starter!

Sold by Standard Oil Stations and Dealers everywhere, at the price of "regular" gasoline.

Announce Marriage Of Their Daughter
Mr. and Mrs. Howard Brewer of Buchanan, announce the marriage of their daughter, Miss Mildred to J. Berwyn Sellers, son of Mr. and Mrs. Earl Sellers of Dowagiac. The marriage took place in the chapel of the First Methodist Episcopal church in South Bend, at 3 o'clock Thursday afternoon, Nov. 7, with Rev. J. A. Holmes officiating. The couple were attended by Miss Leota Brewer of South Bend, sister of the bride, and Meryl Smith of Niles. The happy couple will reside in Buchanan until their newly built home north of Niles is completed.
