Travelers' Cheques Have Proved Their Worth
When we urge you to buy Travelers' Cheques before you start away anywhere this summer, we are not reminding you of imaginary dangers or of mishaps not likely to happen to you.
The testimony of thousands of grateful travelers reveals that such dangers are real. These travelers lost their checks, but did not lose their money. They were reimbursed and the unsigned checks were valueless to the finders.
If you have ever had the experience of being without money in a strange place you won't willingly go through a similar experience again. It is not necessary. You can avoid it.

Guy Tyler Is Out For Congressman

Guy M. Tyler, County Clerk of Berrien County for the past two years announces his candidacy for the Democratic Ticket for Congressman of the Fourth District consisting of Allegan, Berrien, St. Joseph, Barry, Cass, and Van Buren Counties.

Mr. Tyler is forty seven years of age and has resided in Benton Harbor during the past twenty six years. He served several years in the office of Mr. J. S. Morton, President of the Graham and Morton Transportation Company. He was Benton Harbor's first city manager when that city adopted the city manager plan in 1921 and served eight years in that capacity.

He was in business for himself several years and went into the Berrien County Sheriff's office under the late Democratic Sheriff, Fred J. Cutler.

Mr. Tyler was elected County Clerk in 1932 and was re-elected in 1934, leading the Democratic ticket by large majority.

Guy M. Tyler has for a great number of years been an earnest student of governmental affairs, local, state and national, and he knows the details from a practical standpoint.

Mr. Tyler said today, that if the voters of the Fourth District nominate him, he will wage a vigorous campaign this fall, and his main point out that he is the ideal candidate to represent the people of this district.

William Straus

Dies at Glendora

William Straus was born in Dec. 1, 1863, and passed away at the home of his son, Lawrence Straus, Glendora, Sunday afternoon after a third paralytic attack the past year.

Leaving three sons, Lawrence, John, New Troy, and Benton Harbor. Also one daughter, John, Grand Rapids.

Funeral services were held Wednesday afternoon at 2 o'clock at the corner church, conducted by Rev. J. W. McKnight.

Interment at the Glendora cemetery.

Lace Trimmed

Delicate peach-colored imports, combined with heavy black tulle, makes up the dress recently purchased by Shirley. The high-waisted dress with its ruffled sleeves is trimmed with the lace while a ruffle of the black crepe outlines the neck. A touch borrowed from Colorado days is seen in the front of the dress where a frill of the lace cascades from underneath a slit in the black skirt. The young star will be seen in "Miss."

Sowing and Reaping

IN HUMAN experience one must first sow before one can reap, and one reaps what one sows. If one sows penny seeds in a garden, one does not expect chrysanthemums to appear. Rather does one watch eagerly for the first green of the penny plant to push its way through the earth, already visioning the velvet flowers to follow. If, on the other hand, weeds are allowed to grow in a garden, what can be expected but a growth of weeds. Therefore, a wise gardener is careful in his sowing and watchful in his weeding.

In Deuteronomy, Moses is recorded as saying (22:9), "Thou shalt not sow thy vineyard with divers seeds; lest the fruit of thy seed which thou hast sown, and the fruit of thy vineyard, be defiled." Even if one is careful in one's selection of seeds, with the first appearance of the dainty plants may come the harmful weeds. Anyone who has done much gardening knows how aggressively the weeds strive to outdo the plants, and what alertness is required to see that the weeds are kept in check by the eager pushing forward of the desired plants.

Mary Baker Eddy writes in "Miscellaneous Writings" (p. 343), "The weeds of mortal mind are not always destroyed by the first uprooting; they reappear, like devastating witch-grass, to choke the coming clover." How we all dislike to see a weed-clogged, overgrown garden! And we realize the work involved in pulling all devastating weeds are cleared out; for, from the time of ripening, their seeds have not only been re-seeding their immediate vicinity, but have also been blowing hither and yon to interfere with the neighbors' gardens. Occasionally, if the weeds are rank on the adjoining property, the one whose garden is clear may even be tempted to remove them, and should come to those responsible for letting the weeds scatter their seeds. But immediately comes the realization that if any weeds have been left in one's own garden, they may be blowing over the fence to someone else's flower bed. The wise plan is to keep up one's own weeding, and then guard in every way against the possible encroachment of weeds from within. Sometimes the weeds are so nearly like the plant or flower that one fails to recognize them at first glance, and care is required not to pull up the plant.

If we liken the seeds in our gardens to the mental qualities that we encounter in our everyday experience, we find hypocrisy claiming to be almost identical with the lovely flower of consecration. Deceit and dishonesty, envy and jealousy are poisonous if one lets them in, as also are apathy and indifference. The noxious weeds of revenge and retaliation, and the rank growth of hatred would kill whatever comes within their grasp. So, we must be ever-watchful that we pull up the rank growth of mortal mind in order that the lovely flowers of unselfishness, happiness, fidelity, co-operation, unity, and peace may not be crowded out. As are our individual mental gardens, so are the mental gardens of the nations and of the whole world affected. What joy will come when a man's mind leaves this gloomy prison of right thinking!

Sometimes, as one sees error faulting itself in the world around us, evil may appear to become more firmly entrenched, and one is tempted to believe that power lies in erroneous thinking; but what error sows will be reaped in tears. Evil attempts to plant what ends in remorse which only the truth can wipe out. Why waste a moment worrying for fear error should have its own way? Why ever be tempted to want to avenge a wrong? If one has been sowing forgiveness all the time, he will soon be reaping such gardens of loveliness that only compassion can be felt for the blindness of those who would not see. Mrs. Eddy writes in "Miscellaneous Writings" (p. 228), "To know that a deception dark as it is base has been practised upon thee—by those deemed at least indebted friends whose welfare thou hast promoted,—and yet not to avenge thyself, is to do good to thyself."

There are no flowers so lovely as the mental-flowers which grow in a garden of gratitude and forgiveness. When one can actually send forth love and can desire to see another who has injured him go forward, the very fountains of love are unobscured for him. What wonderful things will happen among nations and peoples when they can sow and reap in this worthwhile way; when individuals and nations learn to watch for and dispose of the unlovely weeds that fringe the highways and byways of international co-operation, and work together for the good of all. World peace will then be assured, and bitter, revengful war, with all its terrors, will disappear into nothingness. Let us sow the lovely things of God, that we may reap them.—The Christian Science Monitor.

Find Castaway A Robinson Crusoe was discovered by the crew of the French mail-shiper Tolosa, on Rincas Island, 100 miles north of the Strait of Magellan, South America. He was clothed in goat skins and uttered guttural cries, though he led them to a natural spring when they indicated they wanted water. The man appeared to be of Nordic stock, either Scandinavian or German, or possibly British. He is considered to be a shipwrecked sailor who has lost the power of speech, probably through never having spoken to a soul for many years.

IT'S SMART TO BUILD A HOME Now!

"MY JOB is connecting service to supply electricity wherever it's needed, and believe me, I'm plenty busy these days. When people build a new house, remodel an old one, move to a new location, or want my help for any reason, I must be on the job. Generally, they are in a hurry to get the service.

"This is the time for building a home and I see by the papers that all over the country the procession has started after many years of delay. There is a home shortage 'most everywhere. While the building business was at a standstill, plenty of people married and started new families. They need homes and want homes for, after all, there's no place like home. And it's smart to build a home, at that, for they tell me if this thing they call 'inflation' comes along that building costs and rents will go out of sight.

"When you decide to build, give us a ring. We'd like to have a chance to help you plan your electric service. When you're ready for the service, I'll come arunning, for it always gives me a kick to see a new home going up."

BUILD NOW WHILE COSTS ARE STILL LOW This is the sixth of a series of advertisements presenting the people behind your electric switch. During the year 1935 the company connected a total of 23,194 services to its lines. This includes old homes and business places re-connected, as well as new buildings that had not previously been connected.

AT THE THEATRE

"Under Two Flags" At Hollywood Sunday

The Schmeling-Louis fight pictures will be shown at the matinee and evening shows Friday and Saturday.

Ross Alexander and Anita Louise had a million dollars' worth of affection and six bucks in cash, and were so busy making love they forgot to make a living in "Brides Are Like That," First National's merry comedy coming to the Hollywood Theatre on Friday and Saturday.

Four great stars, a cast of ten thousand, and a story that flames with the intensity of Sahara's burning sands, bring one of the mightiest spectacle-dramas of motion picture history to the screen in 20th century's "Under Two Flags" at the Hollywood Theatre Sunday, Monday and Tuesday.

Program of Star Boat Races Announced

Phillip Upton to Defend Championship Title Which He Won Last Year.

The program of the annual Great Lakes Star Boat championship races, which will be held here the first week of August, was announced today by Miss Kathryn Ludlow, St. Joseph, who is secretary of the general committee in charge of the event. Louis C. Upton, St. Joseph manufacturer and sail boat enthusiast, is general chairman for the race.

A house on the shore of Lake Michigan in the Edgewater district of St. Joseph will be provided as a racing headquarters, and will provide living accommodations for star boat skippers and members of their crews.

Warm-up races, the results of which will not be official, will be held Monday afternoon, August 3. Skippers, crews and judges will be entertained at a stag dinner on Monday evening at the Green Cottage Tavern, where racing instructions will be given. Women who attend the races will be entertained at the same time at a St. Joseph hotel.

The first heat of the championship races will be run on Tuesday, Tuesday evening there will be a dinner dance for contestants at the Berrien Hills Country Club, at which the contestants will be introduced, and trophies will be exhibited.

The annual meeting of the 4th district of the International Star Class Yacht Racing association will be held Wednesday afternoon. The fourth district comprises the Great Lakes region, which now has 11 fleets of star boats, and expects four more within the next year. Officers will be elected and other business transacted. During the business meeting, there will be a party for women. The second championship will take place Wednesday morning, and Wednesday evening is an open night, with no program scheduled.

The third race will take place Thursday morning, August 6. The first women's race is to be Thursday afternoon, and Thursday evening will be "novelty night" at the House of David Eden Springs park near Benton Harbor.

The final women's race will be run Friday afternoon. A barbecue on the beach of the Upton estate in Edgewater will be provided on Friday night.

Final championship race will be held Saturday morning. Saturday afternoon will come the first open race, and the final open race will

be held Sunday morning. Trophies will be presented to the winners on Saturday evening, at a dance at the Berrien Hills Country Club.

Races will be run on a 10-mile triangular course on Lake Michigan, just outside the St. Joseph harbor. Coast Guards and Sea Scouts will assist in handling the races. Championship races will start at 10:30 a. m. each day, and the afternoon races, such as the contests for women and the open race, are scheduled for 2:30 p. m.

Star class boats are sloops, or single masted sailboats, with an overall length of 22 feet 7 inches. Phillip Upton, St. Joseph youth, won the Great Lakes championship last year at an Ohio port.

Pat O'Brien and Josephine Hutchinson, the same stars who captured the heart of the nation in "Oil For the Lamps of China," head the cast of "I Married a Doctor," a film drama based on the greatest of Sinclair Lewis' best sellers, which opens Wednesday for 2 days.

Herbert Marshall is the star of Paramount's "Forgotten Faces," which is on the double bill program Wednesday and Thursday. In his supporting cast are Gertrude Michael, James Burke, Robert Cummings, and Jane Rhodes. The film is a story of an all-consuming love.

Directed by E. A. Dupont, the story revolves around a gambling house operator, and the woman he marries. When he finds she is faithless, he commits a murder and is sent to prison.

Here's Chance to Get Trip to New York

AAA Clubs of Nation Sponsor "Safe Driver Contest," Who Will Hold Accident Clinic in New York.

The Automobile Club of Michigan recently announced a safe driver contest, sponsored by the C. I. T. Safety Foundation, and the American Automobile Association of the United States.

Eligibility rules require that an applicant in this contest must have driven a private passenger automobile for at least 10 years; must have driven at least 50,000 miles; must have a clean accident record; and not been convicted of any traffic violation in the last ten years. Length of driving record, total mileage covered, and other considerations will be weighed by the judges in selecting the delegates from the list of candidates. There will be one representative from each state.

Expenses of the winning delegates on the pilgrimage to New York will be paid by the C. I. T. Safety Foundation. Departure of the delegates will be timed so that all will be due to arrive in New York City in the afternoon of Aug. 31. They will drive their own cars which must be in good mechanical condition.

The local automobile club office has announced that they will take applications for this contest. Further information may be obtained at this office.

Establish Model Village A French candy company, wishing to combat race suicide, established a model village to encourage large, healthy families, and has so far evicted seven families because sufficient children were not forthcoming.

Spray to Save Highway Trees

Michigan's first statewide save-the-trees campaign along trunk line highways was initiated this week (June 14-20).

Murray D. VanWagoner, state highway commissioner, announced that crews will operate four power sprayers along the trunkline road-sides of 42 counties during the next month to protect walnut, hickory, and butternut trees against forest tent caterpillars. The counties, which are in Districts 5, 6, 7, and 8, of the state highway department, cover the lower part of the state.

On the completion of this task, the commissioner said the equipment will be used the remainder of the summer to repel any serious outbreak of insects on roadside trees in any section of the state. It will also be utilized for liquid fertilization of trees.

One of the insects for which crews have been directed to be on the look-out for in northern Michigan during the summer is the saw fly which attacks pine trees.

In answer to a number of queries by farmers, Commissioner Van Wagoner said that he had been advised by Michigan State College entomologists that the spray will not injure livestock. He pointed out that it consists of a solution of arsenate of lead and water in the proportion of 3 pounds of lead arsenate to 100 gallons of water. Experiments by the college have determined that a solution of 3 pounds of lead arsenate to 50 gallons of water is not injurious to livestock.

The Commissioner urged motorists to stop their automobiles when approaching a power sprayer in action. He has been advised that the solution does not injure the car's finish but is difficult to remove.

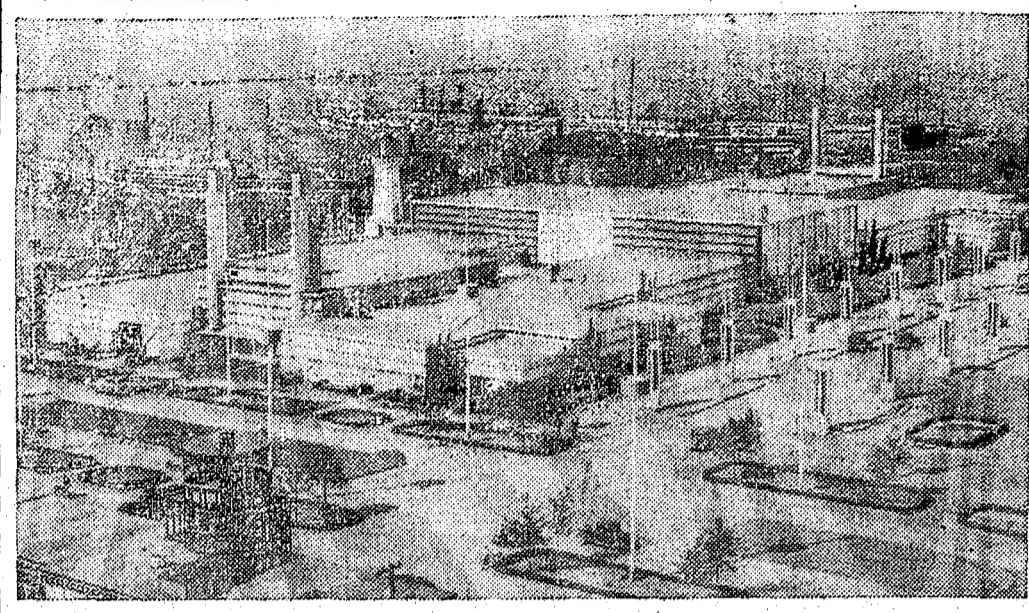

Nearly \$3,000,000 Loans in Berrien

The Reconstruction Finance Corporation has made and disbursed loans as of February 29, 1936, in the amount of \$2,832,420.86 in Berrien county, according to a report published this week by the National Emergency Council. The amount authorized for this county was \$3,905,500, the report states.

This is the first time a county tabulation of loans authorized and disbursed by the Reconstruction Finance Corporation has been made. In explaining the report, Abner E. Larned, State Director of the National Emergency Council for Michigan, pointed out that these figures do not include loans to Federal Land Banks, Federal Intermediate Credit Banks, Regional Agricultural Credit corporations, Commodity Credit Corporations, railroads and the like, but mostly to individuals in the county. The report does not include R. F. C. funds that were made available for relief under the Emergency Relief and Construction Act of 1932.

Success It is said that a man can successfully lie with his eyes, but not with his mouth. The face is such an index of character that the very growth of the latter can be traced upon the former, and most of the successive lines that carve the furrowed face of age out of the smooth outline of childhood are engraved directly or indirectly by mind. There is no beautifier of the face like a beautiful spirit. The want of mind lowers all the powers of the body; but so does an evil and debased mind which is still more wonderful. —Brian Brown.

Dem. Mardi Gras Dance To Be On July 14

Plans Nearly Complete for Largest Gathering of Democrats Held so far This Year.

The Mardi Gras dance and carnival, sponsored by the Democrats of the twin cities will be held at the Dwan Recreation Gardens, on July 14, and tickets for this interesting event are already on sale.

The tentative program arranged for this event indicates that there will be a 9 piece orchestra and a big floor show to feature the event. The dance will be a county wide affair, and is being given under the sponsorship of the Berrien Democratic committee.

The ticket committee indicated that there will be seating capacity for only 400 and the ticket holders should notify the Recreation Gardens in advance on table reservations which will be held at no extra charge until 9 p. m. on the evening of the dance.

Co-chairmen for the event are Mrs. K. Moody, of Benton Harbor township and Alvin O. Knaak.

The ticket committee in Benton Harbor is composed of Robert E. Simon, Mrs. Wm. Hardke, Solon Emery, William LaViolette, and Atty. Davil Vogel.

In St. Joseph the committee is Mrs. Theodore Krieger, Atty. Maurice Weber, Martin Herman, Atty. Francis J. Miller and Joseph Kuesch.

The committee in the county consists of O. R. Nightlinger and Thomas Walton, Berrien Springs; William Desenberg, Buchanan; Geo. Stover, Arden; Frank Behler, Guy McDonald and Frank Cibulka, of Three Oaks; Floyd Sommer, Pipestone township; Carl Renbarger, Gallen; Richard Torney, Mrs. E. S. Bunberry and John Monahan, Niles; Dean Clark, of Buchanan township; Patrick Kenney, Baroda; James Kibler, Coloma; and Ernest Swisher, Hagar.

The entertainment committee is comprised of Dr. James M. Miller of Benton township; E. J. Martin, Benton Harbor; Doris Hawks, of Watervliet; and Martin Kretschman of Royalton.

In charge of publicity is Joe E. Wells, Benton Harbor.

Couples Decide Depression Over—Get Married!

The number of marriage licenses issued in Berrien County the first half of 1936 will be the largest for any first half-year since 1929, according to a survey of the records in County Clerk Guy Tyler's office. Applications issued during the first six months of 1936 total 252, compared with 218 for the same period last year and 211 for the first half of 1934. The number for the first half of previous years has been 112 in 1933, 145 in 1932, 136 in 1931, and 188 in 1930.

For the month of June, however, the number of licenses was less than usual. Sixty-three were issued during the month, compared with 80 in June last year and 76 in 1934. Totals for June in previous years have been 87 in 1933, and 56 in 1930.

Notaries Public Total Some 36,000

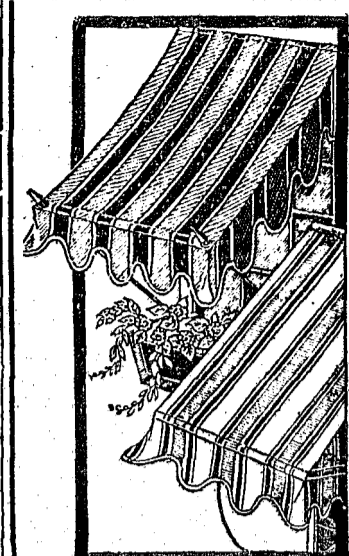

Every 15 minutes of every

working day, Michigan gains another notary public—there are about 36,000 of them commissioned at all times. Appointments are made by the Governor; commissions are issued by the Secretary of State.

Some interesting facts about this public office which survives in modern form from a centuries old practice of England, are available in the records of Orville E. Atwood, Secretary of State.

In 1935, more than the average yearly number of commissions were issued, the total being 9,673. The average is about 9,000. As commissions are for four years unless sooner revoked, some 36,000 commissions are in force at all times.

Any citizen of the state, 21 years or over, endorsed by a circuit or probate judge or a member of the legislature, may apply to the governor for a commission. A fee of \$1.00 which goes to the state's general fund, must accompany the application. The commissions are sent to county clerks who notify applicants. Applicants must then file bonds of \$1,000.00 each and pay the county clerk a fee of 50 cents. If the bond is not filed within 90 days, the commission is withdrawn.

A July 4th In Buchanan in 1866 Described By Mr. and Mrs. Pangborn

Pangborn Family Came From Bridgman by Ox Team In 7 Hours

They used to have fourth of July celebrations as were celebrations in Buchanan, according to Mr. and Mrs. D. D. Pangborn, and thereby hangs a tale that sounds rather strange after all these years.

For 70 years ago, July 4, 1866, Mr. and Mrs. Pangborn attended a celebration in Buchanan, although each was 10 years old and they were not acquainted for years after. But little Miss Mary Tomlinson and her mother, Lucindy Tomlinson, walked in from the log cabin home in the woods on the bluff east of what is now the Ed Hall farm, and Darwin Pangborn, also 10 years old, came with his father's family from Charlottesville, now known as Bridgman.

Joel Pangborn had just recently returned from the Civil War. About noon July 3, 1866 he said to his family: "We'll go to the celebration at Buchanan tomorrow."

It was only twenty miles to Buchanan but that was some distance in those days. They got up and started with a wagon and ox team at midnight, winding through the woods at the rate of 3 miles an hour for seven hours before they finally reached Buchanan at 7 a. m. Meantime a large gathering was filling in from all points of compass, on every woodland road, by oxen, horses and on foot.

There was music and speech-making, of course, but Mary Tomlinson and Darwin Pangborn were most attracted by the ferris wheel which had been established in the street, which then led through the spot occupied by the Princess theatre back to the old mill on McCoy's Creek. The wheel was set between the buildings just off Front street and was operated by the power furnished by a horse on a sweep arm.

Up in front of the store now occupied by the Desenberg store Jack Hillier had a lemonade stand which consisted of a long, wide board standing on pegs, with a tub full of lemonade underneath from which he refilled the row of glasses with a dipper and intoned all day long: "Come on folks, here's where you get your lemonade, all freshly made stirred with a spade."

But lemonade was 10 cents a glass, a treat those days, and dimes were very scarce, so there was not much lemonade consumed by the Pangborn and Tomlinson families.

Mr. Pangborn remembers that he and her mother did not bring dinner and ate all day while they watched the excitement. Just before they went home, Mrs. Tomlinson was seized with a headache and went to a stand kept by Harry Arthur at the corner where gardman's store now is, buying a small slab of gingerbread and a cup of tea for 10 cents each. (How's that for H. C. L.?)

The Pangborn family stayed until sundown when they wended back through the woods another seven hours to the cabin at Charlottesville.

S. S. Girls' Camp Opens On July 14

Schedules for Girls' Groups Announced by Camp Director Hurley D. Simpson.

Summer camp sessions of the Berrien County Sunday School Association at Camp Warren, on Lake Michigan, north of Benton Harbor, will begin Tuesday, July 14, and will run for four weeks, under Sunday School Association auspices.

Personnel of the camp staff for the two weeks in which girls will be in camp, were announced by Hurley D. Simpson, camp director. It includes:

Mrs. Grace Slaughter, Benton Harbor, activities director; Mrs. John McCarthy and Miss Helen Jean Simpson, Benton Harbor, campercraft; Miss Dorothy Stemm, Benton Harbor, music; Miss Doris Valentine, Berrien Springs, nature study; Miss Rosemary Roberts, of Taylorville, Ill., handicraft; Miss Lorette Valentine, Berrien Springs, athletics.

Younger girls, 9 to 12, will be in camp from July 14 to 21. Girls 13 to 17 will camp from July 22 to 28. Younger boys will be in camp from August 12 to 19 and older boys will have August 19 to 26 in camp.

The camp staff for the two boys' weeks has not been selected. About 50 children and young people are expected to be in camp each week during the Sunday School association periods.

The camp, which is owned and operated by the county Sunday School Association, is used throughout the summer by other organizations. First to use the site this year was the high school division of the First Baptist church of Kalamazoo. Forty-six boys and girls were in camp for the week which ended Sunday.

Sixty-four members of the Girl Reserves of St. Joseph and Benton Harbor were in camp the first part of this week, leaving Thursday noon.

The Girls Pioneer Camp of the Michigan State Baptist Association will have the camp during the next period, which opened Thursday noon and will close July 10. Thirty or 35 girls led by Miss Bernice Scott, Lansing, are enrolled.

After the close of the Sunday School Association periods in August, the camp will be taken over by the Girl Scouts of St. Joseph and Benton Harbor, from July 29 to August 5. From August 5 to 7, the graduating class of 1930 of Western Theological Seminary at Holland, will hold a reunion at Camp Warren.

A new plan of using the camp's facilities may be developed this summer, Mr. Simpson says. He is negotiating with a group of Chinese college students in Chicago which desires to come to camp for recreation and study. Small groups of students, 10 or 15 in number, would visit the camp for a few days or a week at a time. While they would be in camp the same time that other organizations were camping there, the programs of the two groups would not conflict.

Miss Louise Armstrong of Hull House, Chicago, is cooperating with camp officials in working out the program.

Three Softball

Forfeits in Week

According to the Record softball reporter, Mr. Schultz, the summer league standing was changed only by 3 forfeits, by the Chevrolet to D's Cafe, and by Poorman's Grocery to Wilsons, for not appearing with a full team, and the Chevrolet to the I. O. O. F. The Chevrolet has dropped from the league.

Richard Duis and family, who have been making their home temporarily with Mr. and Mrs. George Duis, have moved to Niles to make their home.

Mrs. Frank Wright was given a surprise Monday evening in honor of her birthday.

It is reported on good authority that the Wagner hall is infested by termites.

Temperatures of 105 in the shade were registered in the Wagner district.

Farmers have started cutting wheat in the Wagner district. The quality will be good but the yield will be below average. Chinch bugs are thick in the wheat but do not seem to have done great damage.

Return Home Curses are like chickens and still come home to roost.

Paul Easton Marries Thelma Friedrich, Coldwater

A wedding breakfast was immediately served to the 25 guests. The bride was graduated from the Coldwater high school, Valparaiso University and the Chicago Conservatory of Music. The past year she has taught music in the School for the Blind at Lansing.

The bridegroom was graduated from Otsego high school and in June from Michigan State College. He is employed in Detroit by the Universal Chemical Co., as chemical engineer. Shortly after the ceremony the young couple left for Detroit where they will be at home at 5033 Maplewood Av.

Kermit Washburn Weds Decatur Girl

Miss Leona Mae Haefner, daughter of Mr. and Mrs. Cecil R. Haefner, and Kermit V. Washburn, son of Mr. and Mrs. E. R. Washburn, were united in marriage in a beautiful ceremony at the Methodist church in Decatur at three o'clock, Tuesday afternoon, June 30. About 150 guests were present.

Miss Margaret Evelyn Haefner, sister of the bride, was maid of honor. The bride's maids were Miss Mareta Martinek of Traverse City, a college friend and Sorority sister, and Miss Vivian E. Plugg of Decatur, a life long friend of the bride.

Ivan R. Ives was best man, and Wesley Newell and Robert Haefner were ushers. The flower girl was Esther Myrtle Calbetzor, daughter of Mr. and Mrs. Russell Calbetzor. The ring bearer and page were Masters Donald and Gerald Starkweather, sons of Mr. and Mrs. Clifford Starkweather, cousins of the bride.

The impressive double ring ceremony was performed by Rev. James R. Ohlinger of Seneca, Ill., for pastor of the Decatur Methodist church, assisted by Rev. Dean W. Parker, the present pastor.

The Olivet College Trio, under the direction of Miss Lareda Scott, played Liebreustraum, by Liszt, and the Lohengrin and Mendelssohn wedding marches. Chapin McAllister sang, "I Love You Truly," and "At Dawning."

The church was decorated by Mrs. J. C. DuBois, assisted by Miss Florence Lindsley. Baskets of white lilies, delphinium and ferns lined the platform and the wedding party passed under a beautiful arch covered with pink ramblers roses and asparagus ferns at the front. The aisles were lined with white crepe paper fastened at the pews with knots of blue tapers.

A reception for the relatives and close friends followed at the home of the bride. After a two weeks trip through the New England states, Mr. and Mrs. Washburn will take up their residence in Buchanan.

Mrs. Washburn is a graduate of the Decatur high school and the University of Michigan. She is a member of Mu Phi Epsilon, National Honorary Musical Sorority, and has had charge of the Music department of the Belding schools the past year.

George Bird Weds In Texas

The following account of the wedding of George Bird, former Buchanan man and son of Mrs. E. I. Bird of this place, is taken from a Texas newspaper:

Marriage of Mrs. Vera Stacy and George B. Bird took place Tuesday morning at nine o'clock at the beautiful country home of the bride's parents, Mr. and Mrs. I. W. McClure, near Donna. Rev. E. C. Wheat, pastor of the First Methodist church, Donna, read the marriage service.

The couple gave their marriage vows facing an archway banked with delicate fern and gladiolus in tall floor baskets. Garden blossoms, with gladiolus in variegated in pretty abundance about the rooms. Only immediate relatives of the couple were present.

The bride wore a costume of white, smartly tailored along simple, graceful lines. Her corsage was of pink rosebuds.

After a wedding trip to Monterrey, Mexico, Mr. and Mrs. Bird will make their home at the Maxwell Hotel. Both are well known in Harlingen having resided here a number of years. Mr. Bird has been connected with the Madison Hotel for the past several years.

Shower for Bride Mrs. Jess Leggett entertained at a shower yesterday afternoon honoring Mrs. Jess Leggett, Jr.

S. S. Class Reunion Mr. and Mrs. Earl Rizer attended a Sunday school class reunion at the Galien Methodist church, Tuesday evening.

Mrs. James Boone Honored on 85th Birthday Mrs. James Boone was honored yesterday afternoon by the ladies of the Berean Class of the Church of Christ who met at her home in observance of her 85th birthday.

Mrs. Boone does not at all look her 85 years and it hardly seems possible that she was married to James Boone March 3, 1870 in the fine old farmhouse which her father, Calvin Myler, built and which still stands just as it looked then. The old home is now owned and occupied by a son of Jacob Cauffman. The old place, house, barns, picket fence and all stand almost as they were then, save for the addition of a garage. It is a half mile south and a half mile west of the old Dunkard church on the

Portage Road. Mrs. Boone was born July 8, 1851, in a log cabin which stood on the site of this home. There her father and mother had started keeping house, and there they reared their ten children, building the new house with nine bedrooms and several other rooms as they prospered and their family grew. Mrs. Boone, then Martha Myler attended church at the old Dunkard church, in fact she remembers when it was dedicated. Or rather she was there at the age of six weeks when it was dedicated but doesn't remember. She went to singing school at the old Portage Prairie Chapel, which still stands on the South Bend road.

In fact her parents ranked as pioneers of Portage Prairie for each came there as children in 1830 when their parents settled on burr oak farms. When she married James Boone they went on another Portage Prairie farm and lived 15 years, when they moved to Buchanan 50 years ago and here she has lived since. Of her nine brothers and sisters, two brothers survive, Alex Myler of Detroit and Charles Myler, St. Louis, Mo. She joined the Church of Christ here 63 years ago, having been converted by William Roe, and baptized into the church by Jesse Roe, father of Herbert Roe.

Since the death of her husband she and her daughter-in-law, Mrs. Nellie Boone, have made their home together.

Family Gathering

Members of the Hall family held an informal reunion here over the week-end, guests at the home of Mr. and Mrs. Alfred Hall being Mr. and Mrs. Harold Hall and family, Seymour, Ind., and John Hall and sister, Miss Mabel Hall, of Indianapolis. Guests at the home of Mr. and Mrs. John Elbers were Mr. and Mrs. Jack B. Heussle and son, Joe, of Chicago, and Miss Angeline Nice of South Bend. The guests and hosts all motored to Rocky Gap, St. Joseph, for a Sunday morning breakfast, and were entertained at dinner at the home of Mr. and Mrs. Edward L. Hall, Niles.

Mrs. Phoebe Johnston left Monday to visit her sister, Mrs. Homer Busby and family near Hollywood, Calif., for six months.

Master Fred J. Fleiner, Chicago, is spending a couple of weeks at the home of Mr. and Mrs. Gottlieb Thumm.
