## To The Voters Of Berrien County:

I have not had much time to campaign because I have been in Court much of the time trying criminal cases. But, perhaps, that is the best kind of campaigning I could do, because it shows that I have been busy fulfilling the job you gave me two years ago.

I am now asking a second term based on the record I have made. In all phases of the work of the Prosecuting Attorney I have given of my best efforts. I have tried to use common sense in dealing with the problems of people from all over our county. I have vigorously prosecuted the guilty and have conscientiously protected the innocent.

Bear in mind that a prosecuting attorney does not and can not MAKE complaints, but it is his duty to prosecute the case if a complaint is signed before a justice of the peace.

I am quite proud of my court record and prouder still of the comments of the numberless citizens who have come to me with their troubles and have found me friendly and patient and have received the benefit of my best judgment and ability in every case.

Now I ask that you support me for re-election. If you want me as your county attorney for the next two years, please don't leave it to chance, but see to it that you, yourself, vote for me. I will be grateful for your help.

Sincerely,

**Edward A. Westin**

ON DISPLAY at all Buick Showrooms

**FOUR WONDROUS NEW REASONS WHY: "It's Buick again!"**

SENSATIONAL is the fervor with which the American public has taken to its heart the brilliant motor cars offered by Buick this year.

Indeed, the sweeping success of the 1936 Buick program flatly challenged us and our great parent General Motors to a momentous decision.

Should we continue this amazingly popular line of cars into next year, perhaps the prudent thing to do—or should we dare broad improvement upon their spectacular excellence?

We felt there was only one right answer to that question, the bold and progressive answer—and that's why insiders now forecasting 1937 are already saying: "It's Buick again!"

That's why on top of \$15,000,000 recently spent re-tooling and re-equipping Buick's great plant, we appropriated and are now spending \$14,500,000 more.

That's why every car in the 1937 Buick line—the SPECIAL, the CENTURY, the ROADMASTER and the LIMITED—is a triumph visibly and intrinsically outranking anything we have ever done.

Each has more beauty for dazzling style, more power for breath-taking action, more room for full-family comfort, more downright "road-command" for safety and pleasure.

See them—then you'll know why Buick's soaring sales curve is headed for yet loftier altitudes next year.

**YOU'VE GOT WHAT IT TAKES!**  
You can afford the new Buick. It's easy to buy and thrifty to own. With all its quality, its phenomenal performance and stunning style, prices start as low as \$765 and up list at Flint, Mich. General Motors term to suit your liking. Safety glass included, accessories extra. Prices subject to change without notice.

## Wilbur M. Cunningham

REPUBLICAN CANDIDATE FOR JUDGE OF PROBATE

feels that you are entitled to know his position on a few matters pertaining to the Probate Court.

1. He is in favor of PROMPT and ADEQUATE medical and surgical treatment for all crippled and afflicted children accordance with the laws of the State.
2. He is in favor of thoroughly investigating all cases of juvenile delinquency BEFORE the matter is made public. Such orderly procedure generally prevents the besmirching of the reputation of many innocent children of school age and also tends to keep clean the reputation of the community in which they live.

3. He is not in favor of undue publicity regarding the unfortunate cases of juvenile delinquency. Such cases should be handled by the Probate Court in strict confidence.
4. He is of the opinion that every citizen of the county who has business in the Probate Court should have ready access to the Probate Judge during regular office hours.

MR. CUNNINGHAM is well qualified for this position. He has had unlimited experience in the different phases of the law; is especially interested in children because he has three of his own; has taken an active part in Parents-Teachers' work. The taxpayers of Berrien County are entitled to the services of an experienced and qualified lawyer. IT COSTS NO MORE! Your vote for him will be a vote for business efficiency.

We, the ex-Judges of Probate of Berrien County, because of our many years of experience in that position of trust, unhesitatingly state that the work of that court requires the services of an experienced attorney at law.

The great bulk of the work of the Probate Court consists of the handling of estates of deceased persons. A Judge of Probate, in order to render decisions in accordance with law, must first know the law. While the juvenile division is important, most of the actual work is handled by the Juvenile Officer who reports the results of his investigation to the Judge of Probate.

Because he is well qualified and has had over 20 years of legal experience, we recommend for your consideration the candidacy of WILBUR M. CUNNINGHAM for Judge of Probate.

### They Would Destroy Us

Those Who Are Not For Us Are Against Us

Those who would destroy our Government are in control. Their own words prove it. Shall they accomplish their purpose?

More than two years ago, Wilson's Secretary of State, Bainbridge Colby, speaking of the Brain Trusters said:

"The overturn of our institutions, including our Constitution, is their avowed goal."

On January 3, 1936, I heard the President make the following statements in his message to Congress:

"Within our borders, as in the world at large, a popular opinion is at war with a power seeking minority."

"We have returned the control of the Federal Government to the city of Washington."

"In thirty-four months we have built up new instruments of public power. In the hands of a People's Government this power is wholesome and proper, but in the hands of political puppets of an economic oligarchy such power would provide shackles for the liberties of the people."

All very true, and in whose hands does this power now rest? In the hands of Tugwell, Wallace, Hopkins, and the Austrian-born Felix Frankfurter. Disregard what the political opponents of the President may say and let him be judged by the words of his friends and associates. One of his advisers

and his principal favorite said: "If there are any of you here who do not believe that this is a fight between the Haves and the Have Nots, then you have no place in the F. E. R. A."

According to Hopkins, the man who said that were "too-damned dumb" to understand, the battle is between those who have homes, property, businesses, and those who have not. That is the opinion of Harry Hopkins, and the President retains him in power. Speaking of the change which he was asked to bring about, Rex Tugwell, another presidential favorite said:

"We have, however, the duty of avoiding violence as the process goes on."

In other words, this change in our government will be accomplished but Tugwell-hopes it may be without Civil War.

George N. Peck, the President's administrator of the AAA, said: "I eventually found that I was not in a Democratic administration but in a curious collection of socialists and internationalists who were neither Republicans nor Democrats."

There are three and one half million foreigners in this country who are here in violation of law and Frances Perkins, Secretary of Labor, Eleanor Roosevelt's intimate friend, violates her constitutional oath of office and refuses to order them deported, though the law requires it.

True, the power has been returned to Washington, to a Tugwell, a Hopkins, a Wallace, a Perkins, and by means of such power so returned, Hopkins wastes your money, lets Farley buy votes with relief funds; Tugwell builds homes and towns where there is no one to live in them and works toward a revolution; Wallace kills the pigs, destroys food, limits the crop production until we are threatened with a scarcity; and Frances Perkins, Secretary of Labor, openly defies the law of the land and permits criminal aliens to stay here on relief.

Tugwell hopes to avoid Civil War and Hopkins says the battle between those who have and those who have not will go on.

The week of October 10, campaigning, President Roosevelt said: "We have made strides under my administration, but we have not gone far enough yet. We are going further along the same lines."

The President, by giving his consent, approves of the doctrines of Tugwell, Wallace and Hopkins, of the unlawful acts of Madam Perkins, and, if re-elected, according to his own statement, he will go "further along the same lines."

If you wish to retain your home, your church, your property, your liberty; you should know how to vote.

I am fighting the New Deal and ask support of Democrats as well as Republicans against the New Deal and the Communists.

Respectfully,  
**CLARE E. HOFFMAN,**  
Republican Candidate for Congress.

EDITORIAL

By Marion Miller
Can it be possible that there are only three more football games? It seems only yesterday that we had our first pep meeting to arouse supporters to attend our first game.

School Slants

Is it just a new crowd coming into high school that makes it so very different this year? I wonder why some teachers make the most interesting subjects so boring?

WHAT MAKES—

"Kissy" Jerue so tall? "Toad" Smith talk so much? Milly have such curly hair? Twelve years of school pass so quickly? Virginia Blake such a good student?

CITIZENSHIP CLUB

The first Citizenship Club meeting for the grades was held Tuesday afternoon during the assembly hour. The program consisted of patriotic songs, a citizenship play by Miss Spear's fifth grade, a safety play by Mrs. Fuller's fourth grade, the flag salute and the presentation of arm bands to the captains and lieutenants of the fourth, fifth and sixth grades.

Office News

On November 11, the American Legion will conduct an assembly program as they have done in the past years. The program will be concerned with the Armistice Day celebration.

Grade News

Grade 3—Miss Bohl
The children are showing much interest in the Indian village they are building on the library table. Colorful tepees, made from cloth or paper, make an attractive village. Brightly dressed clothspins with black thread or yarn hair show the Indians at work or play.

Grade 1—Miss Carnagan

The following persons in Miss Carnagan's first grade had a perfect attendance record for the first six weeks of school. June Bischoff, Keith Borst, Lucille Bouws, Loaraine Rover, Donna Mae Gowland, George Hattenbach, Mary Louise Heyn, Harold Heierman, Dorothy Jean La Mont, Henry Morley, Jean Myers, and Esther Reamer.

Grade 1—Miss Connell

The first grade studied the picture "Can't You Talk?" by Holmes. Our farm project proves to be very interesting, last week we made a house, barn, silos, fence, and trees for our sandtable. Mrs. Lamb, the school nurse, weighed our class and we are going to make scales and mark our weight. Some of us want to gain before we are weighed next month. We started Halloween designs Monday.

Grade 6—Miss Reams

Last Tuesday Lorna, Stretch brought us a large stalk of sugarcane, a banana leaf, and some rice kernels from the Southern states. Ellsworth Maxson brought some cotton, and a miniature bale of cotton from Alabama.

Grade 5—Miss Ekstrom

The fifth grade has been studying the cities water system and our local health situation in relationship to the state board of health. After a study and discussion of the subject in the school-room we visited the water works where Mr. William Rough showed us around and answered all of our questions. We have sent a sample of well water to the laboratory in Lansing for a bacteriological examination. The report from this test will close this unit of work.

Grade 4—Mrs. Fuller

Our fourth grade has selected Marilyn Mull as our captain and Hadley Borders, and Donnavee Burrus as lieutenants for the Citizenship Council during the next six weeks. For the program at which the arm bands were given we gave a short safety play.

MISS KREBS

Seventh grade girls are starting their aprons. Eighth grade girls are making creamed soups. Ninth grade girls are making simple frostings and cakes. Tenth grade girls are starting the problem of their wool dresses. The boys' tenth grade class is making candy.

IS ZAT ZO THAT?

Melvin Campbell spends his spare time in Niles? Geraldine Ketchum has a new track sweater? Robert Neal misses the red-head? Smoke gets into Max Beadle's eyes? Ruth Montgomery is a cut up? Virginia Wright is a fast driver? Marjorie Mitch gets serious when you mention South Bend? Clyde Shaffer is bashful? George Riley is becoming an expert behind the wheel? Aldis Banke is serious over some certain senior girl? Dale Boyce is picking on the lower classmen or "ladies" should we say?

Joe March, James Hausman, Ted Upham, Bob Olson, Bob Bennett, and Donald Walquist. Dinner was then served. The boys had basketball practice after dinner.

Her Wrong"—High school romances. "Young Sophisticated Ladies"—Freshmen girls. "Boy meets Girl"—Niles and Buchanan. "Can I Be Wrong"—Fifth hour government class.

John Van Deusen, and Walter June.

DOPE ON B. H. S. ATHLETES

Earl Steves, a junior, six feet high, weighs around 170 lbs., has black hair and dark complexion, with a "woman slaying" profile.

DEWEY AVENUE NEWS

The fourth graders are fixing a Congo village on their sand table. George Thompson brought an interesting paper exhibit to school. The third graders are making large illustrations for Indian poems they have learned. The kindergarten made their own decorations and preparations for their Halloween party. Robert Miller and John Spatta have their names added to the first grade dental honor roll. The opportunity room is making a fish pond. Dewey Avenue second grade has added the following pupils to the dental honor roll: Charles Vergon,

HE KEPT HIS WORD!
NO NEW TAXES... NO NEW DEBTS... AND A BALANCED BUDGET!
Two years ago, Michigan was millions of dollars in the red. We were overburdened with taxes and debts. Fitzgerald promised us that, if elected, there would be no new taxes, no new debts—and a balanced budget. He kept his word! We have emerged, in two short years, with a state treasury showing over five million dollars balance! Think of this amazing achievement when you go to the polls on November 3rd!

**Vote straight Republican next Tuesday... It means quicker business recovery, more jobs, better times, a balanced budget, less government control and regulation.**

Voters, a straight Republican ballot next Tuesday means Gov. Alf M. Landon for President and Col. Frank Knox for Vice President. It means better times, more jobs, a safer, sounder government at Washington.

It means the end of federal extravagance and waste; a balanced budget, the end of the fear of inflation.

A straight Republican ballot next Tuesday will send former Governor Wilber M. Brucker to the United States Senate, thereby giving Michigan two great senators at Washington. Senator Vandenberg needs a teammate like Brucker.

That same ballot will also re-elect Michigan's budget balancing, common sense, pay-as-you-go governor, the Hon. Frank D. Fitzgerald. It will also elect a strong state ticket, men highly qualified to fill these administrative posts at Lansing.

A straight Republican ballot next Tuesday will also re-elect Congressman Clare E. Hoffman of the Fourth district, the kind of a congressman Gov. Landon must have to make his administration a success.

That same ballot will likewise send to Lansing from Berrien a strong Republican legislative delegation—Attorney Loomis K. Preston of St. Joseph, as state senator; Supervisor Clarence Bartz as state representative from the First district and Walter E. Banyon, of Benton Harbor, as state representative from the Second district. Give Gov. Fitzgerald a working majority in the House and Senate at Lansing—he is entitled to that.

A straight Republican ballot will elect one of the strongest county tickets Berrien Republicans have ever offered to the voters—experienced, capable men who are well known and who have already, in their private and public lives, abundantly demonstrated their fitness for office—Charles L. Miller for Sheriff; Wilbur M. Cunningham—former prosecuting attorney—for probate judge; E. A. Westin, present prosecutor for prosecuting attorney; Al J. Hastings for county clerk; George Selfridge for treasurer; William H. Bartz for county clerk; Attorneys A. Edward Brown and Elden W. Butzbaugh for circuit court commissioners; Joseph E. Hetler for drain commissioner; Louis W. Kerlikowske and Dr. Rolland J. Brown for county coroners and James H. Dewey for county surveyor.

Voters, the 1936 Republican ticket is your kind of a ticket—good men, clean men, honest and capable men—you're voting American when you vote a straight Republican ticket next Tuesday.

### PAY CUT NOTICE! Effective January 1, 1937

#### TO ALL EMPLOYEES:

President Roosevelt's "Social Security" Law REQUIRES your employer to DEDUCT the following taxes FROM YOUR SALARY OR WAGES, beginning on your FIRST PAY DAY in 1937, and TURN THE MONEY OVER to the Federal Government for "Old Age Benefits:"

- 1.—One per cent for 3 years; then 1½%; then 2%; then 2½%; and finally 3% until you are 65 years old.
- 2.—You cannot get "Old Age Benefits" until you reach 65 years of age after 1941.
- 3.—If you are 25 years old and your pay is \$20 per week until you are 65 years of age, your pay will be taxed as follows:  
20 cents a week or \$10.40 a year in 1937-1939.

- 30 cents a week or \$15.60 a year in 1940-1942.
  - 40 cents a week or \$20.80 a year in 1943-1945.
  - 50 cents a week or \$26.00 a year in 1946-1948.
  - 60 cents a week or \$31.20 a year after 1948.
- (The higher your pay the more you will be taxed.)

- 4.—Before the end of 1937 you will have to fill out a card to identify you, and the Government at Washington will assign you a WORKER'S NUMBER by which YOU will be KNOWN as long as and wherever you are employed.

(These taxes will be levied on both MEN AND WOMEN employees. For further details, consult your employer.)

Gov. Landon has promised that he will do his utmost to correct the evils of this "Social Security" law if he is elected President. A vote for Landon is a vote against these so-called wage cuts.
