'ROUND ABOUT BUCHANAN

Long Distance Lions Project It takes some club to carry on 6, 7, and 8. extension work 1500 miles away but that is what the Buchanan Lions were doing in the past winter through their enthusiastic member, L. B. Spafford. During Brunelle, 103 N. Detroit Street. the past weeks Spafford has served as a flaming evangel of the joys of archery, instructing scores of boys and adults in the ancient craft of Robinhood at McAllen, Texas, and also speaking before clubs and over the radio in San Antonio, where he was summoned by the sporting editor of a paper who became interested in his work.

He secured the erection of a range by enlisting the interest of another winter resident, who set up the shooting ground in exchange for coaching. Thus Spafhe began.

Thar Wuz Gold in Them Thar Pockets

Harve Bristol blew into the Record office Tuesday, shortly after he had arrived from a winter in Buchananites Buy California and Arizona, and immediately started shelling out dazzling arrays of all kinds of metal from his clothes. Talcum rock, graphite, lead, copper, silver -AND GOLD! Gold from his own mine in western Arizona, only eight miles wrom where runs the Colorado and hears no sound save his own dashing and the chug of the gas engine which runs Harve's dry sluicing machine.

There he worked several weeks in company with an ex-school teacher, Lew Gelleman, age 65, and a veteran prospector, Frank May, aged 60, who spotted the vein. They were making enough when he left by shaking dust on his dry placer machine onto a piece of brussels carpet to make expenses. Meanwhile they were blasting out a shaft searching for a pocket which the prospector feels sure is there. They passed through a vein which asseve from \$35 per ton in gold, \$3.42 in silver and 22.23 in lead, a total of \$60.65 per ton.

When Harve left on February 15, he grubstaked his companions, and plansto return next winter if they find sufficient of the yellow metal.

The nearest town is Topock. Ariz., 45 miles away-not a house or a drink of water on the road Gasoline Rises between. They secured their water either from a mountain spring three miles away or from the Colorado river eight miles off. It was all-fired hot when Harve

In a blink of the eye we have seen spring tripping into season; its robins, sunshine, rain and early flowers in pastel shades. We have taken our spring coats from the hanger only to put them into practical use. Thus, rakes were taken from the shed for practical

The students were permitted to bring rakes to school on March 22, to rake the school lawn. This opened an opportunity, for all those interested would have no school for two class periods.

The bargain was a success! Another blink of the eye and we see Buchanan High School surrounded in spacious cleanliness.

Glee Club Goes To Watervliet

Fifteen Berrien County Schools Hold Massed Singing

The boys and girls of the glee club came to school last Wednesday, the twenty-third, 'in their Sunday clothes to go to the festival in Watervliet.

This year all of the members had the chance to go, but not all had the chance to sing. A' group selected according to size was chosen to sing. Buchanan had thirty-five who performed with seven in each group.

They went in cars driven by the pupils themselves or by teachers. They left at noon to be there in time for a three-hour practice After practice they were left to find their dinner. The junior class of the high school sold sandwiches coffee, and hot chocolate at the Watervliet High School building. There was a dance in the gym that started at six o'clock and ended at seven-thirty as they were supposed to be in their assigned rooms by a quarter of eight.

We were very fortunate in having one of the best known men in the middle west as our director. He is the famous director of the Symphonic Choir of Chicago, Mr. Walter Ashenbrenner. The accompanist was Miss Helen Choate of St. Joseph.

The following fifteen schools represented Berrien County: Baroda, Berrien Springs, Buchanan, Bridgman, Coloma, Dowagiac, Eau Claire, St. Joseph, Stevensville,

Three Oaks, and Watervliet. Besides the entire choir or boys and girls alone there were special numbers from different clubs. The girls of all the schools had two numbers alone and so did the boys. Then the mixed chorus also had two numbers. The two girls' number's were "Rain" by Leah Russell, and "Wings" by Fibich-Deis. The boys' two numbers were "Colonel Davy Chrekett" by Gains and "Give Thanks and Sing" by Harris-Gibbs. The mixed chorus numbers were "Beautiful Savior" by Christiansen and "Prayer" from Cavalleria Rusticana by Mascagni. The violin obligata was played by Irene Humphrey of Niles.

Undergraduates **Defeat Seniors**

Next Year's Varsity Take Senile Seniors For Cleaning

(By JOHN SCHULTZ) The Undergraduates handed the Seniors a 35 to 28 licking March 18 in the high school gym.

The teams played on even terms the first half with the quarter ending 6 to 6 and the half closing 16 to 16.

Both teams scored freely and the interest of the game was worked up in that both teams were hot on long shots. In the last half the Undergrads

pulled away from the Seniors and led at the end of the third quarter by a score of 26 to 24. Simpson and Leiter paced the Undergrads to a seven point lead which was maintained throughout the last quarter.

Leiter was the high scorer of the evening with six field goals and a charity toss for a total of 13 points. Simpson hit the mesh three times from the field and counted on six charity tosses, for a total of 12 points.

Jesse was high for the Seniors with three field goals and charity tooss for 7 points.

Coach Miller Looks to Promising Material For Good Season

(By JOHN SCHULTZ) Coach Johnny Miller give his call for track and field men calling them to their first drill Tuesday, March 22.

At the first look Johnny said. 'It looks at present as though it received their French pins. will be a big year in track. There are plenty of last year's stars back plus many prospects."

The Interclass Meet, which will be held April 8th, will give Johnny still more material to pick his eam for regional and state competition.

This year's track team has such stars as, Deak, shot putter, Hamneels to many men of the county last year will be back for a big year, Stevens in the high jump, Simpson in the high jump, Beck and Lyons in the hurdles, Trapp and Russell in the pole vault, and C. Hess looks very good as a half miler.

This year's prospects to fill in other events are as follows: Bainton in the shot, Deming, Rough, Banke Morris Hemphill. Rauch, A. Rauch, Shipperley, and Sult.

Coach Miller asks for those students who might be interested in track or field events to see him and to start to practice after school. Don't think you won't have a chance. Get out and show to Johny that you are better and are capable and you'll find yourself carrying off medals.

This year's schedule is as fol-

smartest thing that ever led the big parade of traffic. It's fitted out with the generous luxury of a private railway car. But that's just one side of the picture. On the other is Pontiac's story of all-around thriftand it can't be matched. Owners say, "18 to 24 miles per gallon." Records show, "84 per cent of all Pontiacs ever built are still in daily use." And the price tag adds the astonishing fact that Pontiac's big new six is one of the lowest priced cars you can buy! So tune in with Spring—get the newest thing on wheels.
